WYOMING SOCCER CLUB

Dear Parents & Players:

At the time of writing I have been advised that the soccer season will start the Saturday after Easter. If more teams register than they anticipate it will mean starting on Easter Saturday, however, at this stage, only the Senior teams will be expected to play on Easter week-end.

It is hard to believe that the soccer season is getting close with it being so hot and many still tied up with summer sport, but for those behind the scenes it takes many weeks before the official season to organise our Club.

I am listing below the coaches whose applications have been accepted at this stage. Until players have registered it is hard to anticipate the final number of teams and there are still a couple of coaches who can fill in these gaps.

Under 6A: Paul Moss, 6 Lana St. Wyoming

I do ask that coaches and managers particularly read this Bulletin as there is so much information for your benefit.

Congratulations to our 1st grade and the under 13's who both won their finals in the recent 5 a-side soccer competition run by Gosford Rangers. The under 13 won an extra trophy as they finished club champions being the only undefeated team in the series. Well done boys!!!

The Ladies Auxiliary will be holding their first meeting for the season on Friday 22nd February at the home of Carol Guile, 22 Gisell Ave. Wyoming, at 7.30pm. New members are always welcome and should any ladies be able to spare some time on Saturdays for working in the kiosk the Catering Officer, Gayle Cottle, Phone 28 2105 will be only too happy to hear from you.

Yours in Sport,

Jill Smith

(Mrs.) Jill Smith.
(Hon.Sec.)

WELCOME FROM THE PRESIDENT

Firstly I would like to welcome all new families to the Club. Wyoming has become the largest on the Coast. We cater for over 300 players making up 25 teams 21 junior sides from under 6 to under 16 and 4 senior sides under 19, a second division side and two first division sides (1st and 2nd grade).

Over the years the Club has had many milestones but none more outstanding than last year 1979 season.

The 1st grade seniors won the premiership for the 4th time in 5 years whilst the under 9 and under 7A and 7B won their respective competition.

We pride ourselves in the Club achievements which can only be obtained by co-operation and involement from a majority of parents.

We are not a child minding concern, we are primarily formed to enable the youth of the community to participate in a health energetic team sport.

I hope you will help us help your boy - here's to a good season.

REGISTATION CARDS.

- The cards are to be kept in the Managers possession at all times and have them available to be sighted by the opposition if necessary.

MOST OUTSTANDING PLAYERS AWARD (or 3,2,1)

- It is the practice of the club to have the coach choose three of his players and give the 3,2,1 points score. It is very important the coach makes these awards each game as he is the only one who knows if the boys are performing according to his wishes. Even if his son is in the team, you must have an unbiased opinion. The points which should be taken into account are game performance, behaviour, attendance at training attention paid to coach , and the way he obeys instructions and improvement. 3 points would go to the boy with the most credentials, then 2 to the next best and 1 to the third. The points are to be handed to Graham Smith, (Vice President) each General Meeting who will keep a record for the eventual season winner.
