PUBLICITY REPORT

Under 7 Knockout

This knockout for our under seven's will be held on August 15th at Alan Davidson Oval commencing at 8.30am. Come and see our junior players in action, as these kids need the support of local people. Any person interested in assisting with this knockout please contact me at the Club Kiosk (S.Field Publicity Officer)

SENIOR ACTION

After the competition of our junior knockout the senior players can be seen in action against Umina United so lets see a few more spectators at our home games to support our club top grade.

VANDALISM AND THEFT

Recently we have had problems with vandals and thieves at our Kiosk/clubhouse so if any club members are in the area please keep an eye out for these persons and report any sighting to the police. There has also been a number of car breakins recently so please secure your cars properly before leaving them in the car park.

CLUB PRIDE

Once again the club is performing well with a commanding lead in the Sterland Trophy and 14 teams in line for semi final positions. Showing again Wyoming Soccer Club is the Premier Club on the Coast.

S.Field
Publicity Officer.

LADIES AUXILIARY REPORT

The under 7 Knockout will be held at Alan Davidson Oval on Sunday 15th August, '82. The Ladies Auxiliary is holding a cake stall on this day and require donations from all teams (under 6 to seniors) of cakes, sweets, etc. This is our big fund raising day for the year, and only with your help will this stall be a success, so please start cooking and freezing now. Our seniors will also be at home, so this should be a really great day. If you can spare an hour or so to help out on the day it would be very much appreciated.

Our next meeting will be held on Saturday 31st July at 2pm in the meeting room behind the kiosk.

Jenny Forster
Publicity Officer L.A.

TEAM REPORTS

Under 6A: Rounds 13 to 16 inclu. During these games the team continued to perform with a high standard of play, defeating Budgewoi, in this round which was a very good result having drawn the first encounter 0-0. The boys could not manage to level the points with Terrigal in this round as the match ended in a 0-0 draw. We wanted to win this match as Terrigal were winners in the first round, we had our chances to score but just could not manage to put the ball into the net. The match set down for 17.7.82 against East Gosford was a wash out and the team had an easy Saturday morning. On the 24.7.82 we were away to Umina having a win of 1-0 to our team. With some very good attacking play from the team which could have easily seen a much higher score having several chances spoilt by not following through on the ball. Some players for a special mention this month include Jamie Airs who has improved his play a great deal. Jason Brownlee having a rest from goalkeeping is running well on the field. Scott and Kirk still playing very well as is Adam Morris and Adam Kavanagh who scored a great goal against Umina. Grant Bailey, Tim, Jason, Blake, Craig and Brad have been all playing well with some great clearing kicks by Grant, Ivan and Shane have been on the sick list and should be back with us soon.

.....Manager.

Under 6B: 3.7.82. Bye. 10.7.82. versus Umina United. - had a lot of illness so did not have the numbers for a game so we just had a bit of fun, we lent them Glen's sister for goalkeeper, David Edwards big brother and David Blake and Adam Coulter played with the opposition team 1/2 game each. Would you believe we won the social game 1-0. Glen scored against his sister and the boys really enjoyed themselves. 17.7.82. We won 1-0 against Toukley. Mark got himself walked over and had to come off with a sore leg but went back on in the second half. Bradley had his first try in goals and did a very good job. I believe his Mum might have given him a few hints about where not to put his feet. All the boys played well. 24.7.82. Kanwal - called off due to wet weather and bad ground conditions.

.....Manager....

Under 7A: During this month the team has played three matches with the East Gosford game being washed out. The boys had a resounding 2-0 victory against Budgewoi. The game was highlighted by numerous breaks and strikes made by Robbie Ross. But not to be overlooked were strong performances from the backs Luke Mason and Simon Nash. The game against Terrigal resulted in a 1-1 draw. The boys put in a lacklustre performance in the first half and were down 1-0 at half time. They came back strongly in the second half but due to the heavy ground were unable to capitalise on the opportunities created. Umina has once again proven a difficult side to defeat and a scoreless draw was a fair result to a match in which both sides had an equal opportunity to score but once again due to the wet ground were unable to do so. Zach Malsem was outstanding on the day exhibiting good ball control and frequently intercepting the ball and taking it well up the wing. But unfortunately the forwards were not in position to take advantage of this. Although these results don't appear to be very impressive it is evident from the sideline that the boys are beginning to play as a team. The games are becoming more open with players holding their allotted positions and looking for support when in possession of the ball. Also, during this month the team entered the Budgewoi knockout. Playing with only ten (10) players they were undefeated on the day and only lost the semi final by a corner awarded in the last minutes of the game. All the boys showed great spirit and put in a 100% but outstanding were Robbie Ross and Steven Comber for their attacking football and magnificent goal scoring and Simon Nash and David Slade for their stalwart defence. Alan Clapshaw also had a good day with some brilliant saves in goal.

.....Manager.

TEAM REPORTS

(cont)

Under 7C (cont) It was good to see John Maddocks back in the team, he played very well after a long lay-off. Nathan Price is still as solid as ever in defence but lacks a little bit of direction at times. If we could get a couple of more inches and a few more pounds on Stephen Hall we would have another Bobby Charlton in the team, he put everything into his game and continues to improve week by week. After all that Terrigal managed to squeak a goal in from a very good kick from outside the penalty area, probably the best goal of the season. Keep on improving boys, we are proud of you. The last game played was against Kanwal at home. The boys put on another exciting show for the spectators, and it looked as if there would be another nil all draw, until Kanwal were lucky to get through our David's strong defence in goal. Aaron played brilliantly and was always in there with his talents with the ball. Daniel was his usual self with bursts down the field which left everyone else for dead. He is so fast sometimes, the other boys can't catch up to back him up. He was unlucky to score once more, but nevertheless played a great game. Gavin and Nathan defended well, and Grant was in there consistently with good clearing kicks. We had a bye next, and the game against Berkeley Vale was washed out last week so the boys haven't had a match for the past two weeks. They are all keen to play again and we are sure they will do us proud once more at the same time enjoying the great game of soccer.

...Coach/Manager...

Under 8A: In the past weeks since the last report it has become obvious to me that the boys have lost interest in the game. They are not playing as a team, there is no passing or tackling and they are standing off. Most importantly they are playing as if they are not enjoying it. As Coach I wonder what I have to do to get them to play as they can and restore their spirit. It doesn't matter to me if they lose or draw their games but if they play the way they can it must be more enjoyable for them. Versus: Budgewoi 1-1 draw, versus Terrigal 0-2, Versus East Gosford W/O, Versus Umina 0-3.

.....Coach.....

Under 8B: The team scored 3 really superb goals against Umina to win 3-1 in a game in which the boys did not play all that well, but as I said before the goals were top soccer. Goal scorers were David Maryska after fine lead up work by Glen Durie, Andrew Clark netted a top goal with a beautiful header and Glen Durie put one away into the top left hand corner of the net, well out of the goal keepers reach. Adam News game as sweeper was tremendous. He stopped alot of promising attacks by Umina. We still have some positional problems to iron out and directional kicking needs special attention. All a Coach can ask for is that all his boys give a full effort in their games and on Saturday against the undefeated Umina 1 side. That's exactly what they did and went down galantly 1 nil to a real top side. Full credit must go to each boy for a big hearted display in a game which left supporters of both sides cheering and clapping well after the game had finished. I feel it is probably not justified to mention any particular performances as each boy played terrific but special praise must go to Conrad Strachan for a truley marvelous display in goals. I feel I must mention also the goal keeping of the lad on the opposing side, it was probably equal to Conrd's performance. He saved some top shots at goal by Wyoming. Fine competitors. The team won 1 nil in a very muddy conditions against a determined Toukley side. All boys as usual tried their hearts out with Andrew Smith serving up a good ball to David Maryska who put it away for a fine goal. Craig Morgan was terrific in attack and defenee, and Marcus Pritchard and Conrad Strachan played very well indeed. Andy clark continues to chase everywhere the ball goes, and its really amazing how much energy this good player has.

.....Coach.....

TEAM REPORTS

(cont)

Under 7B: A much improved team had a good win and two losses against the strong Umina and Toukley teams. The last scheduled match against Kanwal was a wash-out. 3rd July: away against Killarney District 2. The boys and the many parents present enjoyed the 2-0 win of a determined team. The boys did well to keep control of play in first half when they were one player short and played against the cool breeze. Matthew Wilkie in goal in first half was the corner stone of our defence. In second half he helped to press the Team's advantage home. We saw some good tackling by Mark Pulsford and solid clearing by Brett Jager. In second half David Learmonth created several opportunities. The whole team played well but it was good to see Ben Vanderstelt and Paul Baricevic and Lincoln Hyde so involved in the game. Ryan Collins scored the first goal and created the chance for Peter Pecht to score the second goal. 10th July: Away against Umina - Nil all at half time and 0-3 full time. The boys continued their good play from the previous match against one of the stronger teams. Umina started aggressively and hit the goal post on, our boys handled the pressure well. Although one player short they lifted their game to be equal to their well organised opposition. In this fast moving game the boys reached the best standard of play this year, even though three of the strong players were missing. In second half all the early action was starting to take its toll. Some of the boys lost some of their zip, after the first unlucky goal. The whole team pressed forward for an equaliser allowing the strong Umina team to break back twice and score two good goals. 17th July: Home loss - 0-2 against Toukley. The strong Toukley team scored twice in first half. The whole team had a good match but the most improved player on the day was Scott Glucas, Garry Hong had an inspired match. Thank you Dennis and Lorraine Wilkie for leading the team so well. Best wishes to Andrew Harman who missed all three matches through illness. We hope to see him back soon.

.....Coach.....

Under 7C'S: Since our last report, the team has had mixed success with one nil all draw, two wins and two losses. The boys are playing well and an indication of this is the fact that the highest score against them is one goal in those last five matches. The second time we met Berkeley Vale was a very exciting match in which there were chances lost from both sides. David, our goalie, saved the day on a number of occasions. We were unfortunate to have Daniel off with the 'flu, otherwise a nil all draw would not have been the result. The team next travelled up the mountain to P.M.K. and had a good game. Michael Street scored with a brilliant lob over the goalie and a good hard kick by Nathan Price scored our second to make us winners at 2-0. It was well worth the drive up to Kulnura. Umina United were next to fall with a 1-0 win by our boys. Daniel, back in the team again, scored our only goal when he kicked a clever goal from the Umina goalies roll out. Quick thinking by Daniel, little Stephen Hall had a great game in defence. Good effort Stephen. Gavin had a good defensive game also, tackling well. We travelled up to the Entrance for the next game, and after a late start, we were underway with some exciting runs by both sides. The ball see-sawed up and down the field until finally, the Entrance scored. Our boys just simply ran out of puff and could not manage an equaliser. Aaron played well attacking consistantly, and Gavin and Grant played their usual good games. It was good to see Daniel back in form and he was unlucky not to score from a couple of good runs. His accuracy was just slightly out on the day, otherwise a much different result would have been the case. David saved a sure goal, and isshaping up to be a real asset to the team. The game against Terrigal shaped up as an exciting affair, with a couple of missed goals. Terrigals forwards played very well and took a bit of confining to their half. Greg Scales played very well in defence and kept Terrigal honest until he ran out of puff and came off at half time. Like to see more of it Greg. The usual defenders played very well with Gavin Singh unlucky not to score with a beautiful shot that rebounded off the cross bar.

TEAM REPORTS

(cont)

Under 8C1: All teams have lapses and our turn came against the Wyoming 8C2 when they lowered our flag with a well deserved 1-0 victory, inflicting our first defeat of the season and being the only game that the boys have failed to score a goal. From the starting whistle it was obvious that the C2's were much more determined to get the ball and the result has shown that determination and enthusiasm can conquer all. Unfortunately our game against the Entrance was washed out and this week we are scheduled for a bye, so it will be very important for you boys to try and regain your enthusiasm for our last game of the season against East Gosford. Our game record to date is 12 games won, one draw and one defeat with 33 goals for and 2 against. Goal scorers Guy Bunn - 14 goals, Anthony Sainsbury - 9 goals, Garry Deamer - 6 goals, Duncan Hogg - 2 goals with Bernard Howes and Kurt Snashall 1 goal each. Congratulations to Garry Deamer on his hat trick against Killarney District.

.....Manager...

Under 8C2: As this will be my last report for the season, I would like to take the opportunity of expressing my sincere thanks to everyone connected with the team, and also to the club for allowing me to coach the finest players in the under 8 age group. I especially wish to thank our team manager, Harry Home for his tremendous efforts in getting notices, and other relevant information to the parents. Thanks again to the Wednesday afternoon Dads, and to all the parents generally, who are the boys greatest fans. Most of all, to the boys. They have given, just as good as they have taken, and shown a terrific amount of determination, courage, and above all, unsurpassed sportsmanship. A pity that the scheduled game against P.M.K. was washed out on the 24th July, as the boys were looking forward to a win, reversing the drubbing that they experienced on their last encounter. The tremendous display that the lads put on in beating Wyoming 8C1's on the Saturday before, made every parents extremely proud, not to mention the coach.

.....Coach.....

Under 9A: Umina Knockout 27.6.82. Wyoming was one of 32 teams entered in the Umina Under 9 knockout which included clubs from both Sydney and Newcastle. In the first round match we faced our toughest opposition this season when we played a leading Sydney side - Blacktown Spurs. Although going down 0-2 we proved to be worth opponents. Scott Walker hit the crossbar and Scott Brown had a great drive saved by a diving goalkeeper. The loss meant that we qualified for the "B" division of the knockout. Our second match was against local rivals Budgewoi who we defeated 2-1 to advance to the next round. Another local side Umina "B" found Wyoming in a goalscoring mood as we notched up five goals to nil to reach the semi-final. We lined up against a top Sydney team - Greystones. We were outgunned to the tune of 0-3 but a special mention for our goalie, Kyle Clarke who worked very hard under pressure and saved many shots. All in all a very enjoyable day for the boys who gained invaluable experience playing against strong opposition. 3.7.82. v Budgewoi Result 2-1. Wyoming were caught napping early in the game (could the 9am kick-off have any bearing on this?) and paid the price with Budgewoi collecting an easy goal. However, thanks to an own goal deftly pushed into his own net by an opposing defender, the scores were level. Spurred on by this stroke of luck, Wyoming clicked into top gear. Scott Walker sterred the ball past the 'keeper to break the deadlock. We maintained the pressure on the opposition's goal and only an occasional breakaway at the other end caused us any concern. One break saw a budgewoi striker brought to a halt in a blockbusting tackle by Ian Fraser who was on hand a split second later to clear the ball from his own goal line. A good team effort.

.....cont...

TEAM REPORTS

(cont)

Under 9A (cont) 10.7.82. v Terrigal Result: 4-3. Wet conditions were the order of the day as Wyoming's 'mudrunners' revelled in the going. Producing some good football, we had several good moves ending with the ball straying just wide of the posts. A move where Troy Northey interchanged passes with Scott Walker on the left, ended with Simon Burgess meeting a great cross. His well-timed header was only just off target but really deserved a better fate. The game concluded with rain teeming down and a mass of players maulling for the ball in a waterlogged goal-mouth. Our four goals were scored by Simon Burgess (2), Scott Brown and Andrew McDonald (from fullback). Well done, boys! 24.7.82. versus Result: 2-0. Receiving good distribution from their backs and mid-fielders, Wyoming's forwards attacked strongly. Umina's 'keeper blocked many of our shots but finally fumbled the slippery ball to allow striker Andrew McDonald to hammer home the first goal. Then a strong solo run by Scott Brown ended with him being brought down inside the penalty area. Scott's 'dive' would have done justice to any World Cup player. Brushing off the dirt he lined up the penalty and planted it into the back corner of the net. We kept our rhythm going in the second half although unable to increase our lead the general play was very good. The defence was tight, never giving the opposition time to settle on the ball. Goalkeeper, Kyle Clarke had a very quiet time, only handling a few times. Another good game, boys! 25.7.82. v East Gosford Result 3-0. The Wyoming 'mudpigs' were at it again as they slogged their way to a three-nil victory on an East Gosford bog. Brett Woods, filling in from the 8A's played a 'blinder' and almost grabbed a goal after neatly rounding the goalkeeper only to be denied at the last second. Goals were scored by Scott Walker, Scott Brown and Kyle Clarke, who swapped his 'keeping jersey at half-time. Wyoming have set a hot pace throughout the season and with only two competition matches remaining and having only dropped one point we are set to tackle the end of season play-offs.

.....Coach.....

Under 9B1: Wyoming 9B v Davistown 2. Wyoming started off playing well attacking and defending really well. Wyoming playing in Davistown's half most of the game proved too good. Half time we came off one goal to our name scored by Adam Clark of an indirect kick. The boys in the second half went back on the field with alot of enthusiasm. Craig Ross coming out of goals and Brett Sanderson replacing him. The second half, Wyoming really proved themselves by scoring two more goals. One by Brendan Price and the other by Craig Ross. The boys walked off very proud of their efforts. Well done boys keep the good work up. Versus Umina United. This was a good game played by all players but I feel a bit more effort could have been put into it. The boys started off scoring the first goal very easily by Dale Condon. Really this was a game Wyoming had in their hands at all times. Coming off the field with a very pleasing 4 nil win. Other goal scorers were Adam Clarke and two goals to Craig Ross. Congratulations boys on your effort keep to the good efforts and wins up. Versus Kanwal. This game would have to be one of our worst games yet. This was no attack along with no defence. The second half we improved considerable. If the first two goals were scored against us it would have turned out too bad. Versus Killarney District. The first half started off with the boys playing in Killarney's half but not playing the way we know them. The second half was nothing to the first half. In two minutes we had a goal from the far corner of the field kicked by Adam Clarke. Other good goals were scored by Dale Condon and Darryle Lambert. This was a credit to the boys. Keep the good work up. Versus Davistown.1. This game was one of the best games we have played yet. The play was even all through the whole game with both teams having plenty of shots. Unfortunately Davistown had a shot, hit the post making it hard for our goalie Brett to save with it just crossing the line.

.....cont.....

TEAM REPORTS

(cont)

Under 9B1 (cont) If we are to keep this standard we will be hard to beat. Good effort boys. Keep it up. Versus Ettalong 0-0. Only having 10 players to our side we put in a really good effort. We scored a goal which was not given. This was the end result. The boys put up a very good attacking and defending game. Keep up the good work boys. Versus Berkeley Vale lost 3-1. This would be one of our best games yet. It was an even game with both goalies saving some good shots. Berkeley scored a goal then we immediately scored one to equal the scores. Second half Berkeley scored again. Wyoming then gave up with Berkeley scoring again with a full time score of 3-1 to Berkeley. Versus Wyoming 2. This was a poor effort by Wyoming 1, who have been playing good attacking games. Credit needs to go to the 2's in the way they played. Versus Wyong. This was a very impressive game. A well attacking game proved us to come out the better team winning 1 nil. Well played boys. Keep the good work up. Versus Umina United. This game turned out to be a very unfortunate result. We lost due to a good goal. We had plenty of opportunities but fortunately couldn't finish them off. Bad luck. Keep the good effort up. Versus Davistown 2. This would have to be one of our better games of the season. We only won one nil but that was only due to the goalies good saves. This was a credit to the boys. Well done.

.....Coach....

Under 9B2: 3.7.82. v Killarney Dist. Score Wyoming 2 Killarney 0. Well we finally did it! Our first win of the season! I don't know who was more excited, the boys or the coach. Once again we started slowly and allowed the Killarney team to run right through us at times. Unless we can tackle and move onto the ball instead of standing and waiting we can't expect to score. At half time the score was 0-0 and it looked like it would stay that way. In the second half the boys lifted their game and started attacking. A passing move from Peter Shaw to Dean Wheeler brought in our first goal. Shortly after the ball came into the mid-field again and Michael Winney headed it towards the goal. The ball struck an opposing player and went into the goal. Congratulations on your first win, keep it up. 9B2 v Berkeley Vale Score Wyoming 0 Berkeley Vale 3. This week the boys met competition leaders Berkeley Vale and the boys were determined to avenge their 9-1 defeat from the first round. Played under appalling conditions with driving rain the boys put up a really good display. The first half saw the boys defending well but they made some good breaks and worried the Berkeley defence. Although down 2-nil at half time the boys fought back and held the Berkeley side to a 1-nil second half. If the boys could finish off their moves strongly they may have been able to get the ball into the net. Stronger kicks at goal are needed. 17.7.82. 9B2 v Davistown 1 Score 0-1. After going down to competition leaders Berkeley Vale last week the boys were determined to maintain their fine performances over the last few weeks. In the first round the boys held Davistown 1 to a nil all draw and this time it looked like the score would repeat itself. It was nil all at half time thanks to some well taken saves by Peter Sutherland in goal. It wasn't until a few minutes from the end of the second half that a decision went against us and Davistown scored. 24.7.82. 9B2 versus Ettalong Score 0-2. Under heavy conditions the boys faced Ettalong when it seemed most other games were washed out. In the first half the boys went into attack but met strong defence from Ettalong. The ball travelled the length of the field and after some really good saves by Peter Sutherland the score was nil all. In the second half the boys lost a bit of concentration and allowed Ettalong to score. Peter Shaw and Stewart Bracken combined well to penetrate the defence at times and were unlucky not to score. Some loose play around our goal saw the ball go into the goal to make the final score 0-2. Some players are still not trapping the ball properly and we will have to improve on this. PARENTS: Please let me know on 28 2375 if you are interested in a team function at the end of the season.

TEAM REPORTS

(cont) (1800)

Under 9C: 3.7.84. Terrigal 2 (nil-all draw). After being soundly defeated by Terrigal 2 in the first round the boys played their hearts out to hold the competition leaders to the nil all draw, in an exciting game. Without exception all the boys played well. The game was highlighted by sound passing by the forwards and a solid defence. NICHOLAS BENSON really put the boot into his defence. 10.7.82 Woy Woy - (bye) 17.7.82 Berkeley Vale (1-1 draw) The boys fought for an early lead in the game and with a determined effort a RONAN FEENEY and DARREN ROSE combination put us in the lead in the first half. However, we clearly missed NICHOLAS BENSON'S sound defence. With one player down, BJARKE AASO and ALAN GOODMAN tackled non stop to hold out Berkeley's attack. At one stage our winger PHILLIP WALKLEY saved a certain goal when STEVEN GEORGE drawn from his posts slipped in the mud. CHRISTOPHER WICKS put in a strong game with some strong runs. STEVEN GEORGE saved several good attempts by Berkeley. In summary all the boys played well to the delight of their followers. 24.7.82. Gosford City (nil-all draw) This game started with a strong first half attack by Wyoming but many of the boys eased off in the second half for a while, until jolted by the screams of their supporters. The game displayed some excellent passing and attack by the forward combination of PAUL GOUGH, GREGORY EDWARDS, and PHILLIP WALKLEY who constantly attacked. RODNEY CONWAY played well and is clearly picking up new skills as the season progresses. KARL BARICEVIC put in a sound second half appearance. In all the game was exciting with PAUL GOUGH narrowly missing an attempt in the final minutes of the game.

.....Manager.....

Under 9D: We are going stronger than even and during the last reporting period (Rounds 13-16) the team strengthened their lead considerably. Round 13 saw us draw 1-1 against a much improved Budgewoi team with our goal being scored by David Post. Round 14 gave us an incredible 4-0 win over P.M.K. Darren Fraser endorsed his position as one of leading strikers by scoring 3 goals with David Post scoring the fourth goal. Round 15 gave us a decisive 3-0 win over Umina United with goals being scored by Darren Fraser, Daryn Rowland and David Post. Rainy weather forced the postponement of Round 16 against Kanwal. In any analysis of our present strength it is easy to see the benefits of good, consistent coaching, an enthusiastic team and lots of parental supports. Special mention this time however goes to Dennis Northey and Paul Simpson for their midfield support and the defence trio Chris Hughes, Phillip Taylor and Stuart Douglass. This trio, when they work together, can keep out the best of any opposing forward line. Keep it up boys, everyone is proud of you.

.....Manager.....

Under 10A: For Children Only. Joke from Paul S. What's green and sings? Elvis Parsley. What sort of ears do trains have? Engineers. 3.7.82. against Budgewoi 3-0. Against our arch rivals boys improved greatly on first round and a good 3-0 win. Once again showed they can play well. Joke from Leah: What did the digital clock say to the grandfather clock? Look no hands. Joke from Damien. Why did the Irishman have sore head and feet? He tried to hang himself on a rubber band. How do you sink an Irish submarine? Knock on the hatch. Sunday 4.7.82. Boys played in Killarney U10A Knockout. First game boys had an easy win against P.M.K. Second round another easy win 7-0 against the Entrance. In the semi finals the boys met Umina and had to pull out all stops to win 2-1. In the final boys met Swansea who are the top Macquarie side with 5 rep players. After a very hard first half, Swansea showed the benefit of harder competition winning 2-0. Boys played extremely well to take out Runners Up trophy. 18.7.82. against Terrigal 0-0. The game of the

...cont....

TEAM REPORTS

(cont)

Under 10A (cont) year and what a pleasure it is to see 2 teams play the way these 2 did. All our players excelled and were slightly unlucky not to have won due to an excellent game by Terrigal goal keeper. Our own keeper was called on to make some good saves too. Congratulations to both sides. Joke from John G. What's black and crisp and hangs on the ceiling? An Irish electrician. What's his name? Shaun de heir. 24.7.82. Congratulations boys you all played really well. Lovely passing game, really makes the difference. Thanks Ben for being goalie, you did a great job. A real team effort.

.....Manager....

Under 10B1: 3.7.82. v The Entrance 1 all draw. Warren Pain, Matthew Dooland, William McDougal all have good games in a match which had a lot of near misses from both sides. Greg Preston played well outside his normal position and Jarrod Mobberley was dependable as usual as goalkeeper. Even though the game resulted in a draw, it would appear that the boys are beginning to realise that they can play well without their coach. 10.7.82. v Umina 0-1 loss. Just as it looked as though the boys had got over their off period, the dreaded disease struck again. Daren Cocks played his usual safe game whilst Matthew West, Drrrek Thompson and Paul Ferguson were tireless in their efforts. The whole team tried hard but it was just one of those days in which nothing would work out as planned. 17.7.82. v Toukley 2-1 win. Another day which did not start off well, with one of our players becoming sick just before kick off which required a re-organisation of the team by the panel of assistant coaches. Luke O'Toole, Anthony Vos and Craig Tate had good games as did Sam Henwood who scored his first goal in four season. The whole team was determined to play well to reverse the score of the previous meeting. Perhaps the game could be summarised by the compliment made by a club official after the game: "definitely a Wyoming team - needs a goal scored against them before they play a really good game of soccer." 24.7.82. v the weather, which resulted in a loss.

.....Manager...

Under 10B2: 3.7.82. v Gosford City loss 1-0. An encouraging performance against one of the competition front runners. The boys are at last looking for support and running onto the ball in attack. We still seem to lack aggression which appears to be the difference between winning and losing games. Jason Cutts and Jason Handel combined well in attack and our defence was best served by Brett Dicker and David Smith. Doug Shepherd had his best game for some time in goals saving a number of menacing shots. 10.7.82. Washed Out. 17.7.82. versus Davistown Loss 4-0. The competition leaders Davistown gave us a soccer lesson in the wet. Our tactics seemed to be to wait until the ball came to your feet, kick it and then wait again 'til it came back to you. A very lack lustre game which I can only put down to the lack of training and a game the previous week, due to the rain. Derek Forster was one of the few boys who gave a 100% effort. 18.7.82. versus Berkeley Vale Loss 3-0. Berkeley scored 3 goals in the first 15 minutes and we never really recovered from that opening set back. It wasn't until the second half that our game picked up. During that time we showed that we have the ability to match the opposition if we are determined to chase the ball and tackle hard. Matthew Carey had an improved second half, Derek Forster again led by example in the sweeper's role and Jason Handel was more aggressive in attach. 24.7.82. Washed Out.

.....Coach.....

TEAM REPORTS

(Cont)

Under 11A: 12 wins, 3 draws 1 loss, 54 goals for 12 against, 27 points. Our first game since last report was a 5-1 win over Budgewoi. The first half saw many missed opportunities but solid defence did not allow Budgewoi into the game. At half time we held a lead of 1-0 with Mathew Nash scoring from a corner kick but immediately after oranges, Budgewoi scored the equaliser. This sparked our boys into action with solid defence from Stuart Finlay and goals to Connel Field (2), David Bell and Chris Larkins scoring his first goal for the season. Once again Mathew Fuller was heavily marked but busy play by him allowed the other attackers more freedom. The following game saw us struggle to a 2-2 draw with Umina (2) with goals to Wayne Liubinskas and Simon Andrew and good defence by Mathew Nash. This game was our worst effort this year, defeating themselves by their lack of interest and effort. However, after a serious discussion by coach and players, a magnificent effort followed against Umina (1) for a great 1-1 draw with the competition leaders. Umina scored an easy goal in the first minute of play but a great defensive effort denied them anymore goals. After their keeper dropped a shot at goal Wayne Liubinskas was at hand to hammer the ball into the net. The second half produced a fighting effort from our boys with 2 tremendous saves from our keeper Craig - Golden hands - Harrington and good games from Connel Field at centre half and Marc Freyer at left back. The following day a washed out game was played at East Gosford producing a good 5-0 victory for us. Goals were scored by Simon Andrew (2), Wayne Liubinskas (2) and Connel Field (1). This game was played in very muddy conditions but a good effort by the boys produced a good win for fill in coach Thea Field. Thanks to Jim Hall for assisting Thea while the rest of us were away. With only 2 games to go the team is shaping up well for the big end of season matches but the boys must remember the amount of effort put into each game determines what they get back from the game.

.....Coach.....

Under 11B: Since our last report we have played three games for 3 wins, scoring 7 goals and conceding 0. Match against Entrance 3.7.82. After scoring a goal in the first minute of play the boys decided to have a sleep for the majority of the game and didn't come to life until the last 5 minutes when they scored again. Altogether a very disappointing game as the boys have shown in the past that they are better team than they displayed in this game. Result Wyoming 2 Entrance 0. Goal Scorers: Tony Ussher 1, Glen Frost 1. Match against P.M.K. 10.7.82. This was a much better effort by the team. Playing against the competition leaders with two of our regular players absent it required a tremendous effort by everyone. Not one boy let the team down, everyone giving a little bit extra. After scoring the first goal it was a case of defending for a period as P.M.K. threw everything at us but the defence was equal to the task. Then it was our turn to attack and the forwards never let us down. When the full time whistle went we were attacking strongly once again. Result Wyoming 2 P.M.K. 0. Goal Scorer: Brett Beacham 2. Match against Ourimbah 17.7.82. Another top effort by the boys against one of the leading teams. After scoring the first goal the boys got their tails up and were never going to be headed, scoring two more goals in the second half. With this win it has pushed the team into equal first place on the competition with three more games to go. Result Wyoming 3 Ourimbah 0. Goal Scorers:- Brett Beacham 1, Mathew Phillips 1, Robert Denton 1.

.....Coach.....

Under 11C: 3.7.82. A 4-1 win over Budgewoi. The boys started off very slowly with Garry McLead scoring a good goal in the first half with plenty of chances gone begging. The second half showed more determination with Jason Hulston scoring 2 and Michael McKenzie scored 1 the forwards passed the ball really well. Ian Goodman, Michael Hickey, Jerney Hoskins, Mathew McGilvray in the backs saved the goalie from a lot of work. 10.7.82. A 2-0 win over Umina 1.

.....cont.....

TEAM REPORTS

(cont)

Under 11C (cont) What a game it had everything. Garry McLead the new stand in goalie stopped a direct penalty right in front and had a very gutsy game. The forwards really scored four goals but two were called off side. Kim Allen scored one and Jason Hulston one with some really good passes and backing up from Patrick Considine and Michael McKenzie. I would like to thank all the boys, a great team effort, "Well Done"! 17.7.82. A 4-0 win over Umina 2. Umina played well with only 10 boys, the game was very slow with some of our own boys suffering from 'flu. A good game from Kim Allen scoring 2 and Michael McKenzie 1 and Jason Hulston put a corner kick up and one of the Umina boys headed it in for us. Another good game from Steven Greenwood, Warren Beattie, with Michael Hickey, Mathew McGilvray and Ian Goodman and Jemery Hoskins giving some good clearing kicks. It was bad luck for David McNeil who had to come just before half time with a very badly bruised foot, and a good game from Garry McLead as goalie.

.....Coach

Under 12A: Two more games remain in the Competition and our team is still undefeated and leading the competition by 2 points. Only 3 games have been played since the last report. The team played Gosford at home and scored a 6-1 win. The Gosford goal was scored was scored from a penalty and the team played well enough against a weaker side. The second half saw the boys relax as usual when in front. Umina were next and we had some problems. The team played with 10 players for the 15 minutes and Umina scored from their only chance during this time. But credit to the boys, they fought back and although playing on a smaller field always looked dangerous. Darren Rutherford scored the winning goal with seconds remaining after a good pass from S. Gregory. We then played East Gosford on a field that would not be suitable for cows. A doubtful offside goal was allowed and the team under pressure once again. The boys kept trying and were rewarded with a goal from "Rutho" after another pass from Stephen Gregory. Result 1-1. A win or a draw in our next game against Killarney will see the team Minor Premiers. It is hoped that the team can concentrate for the full game and remain undefeated at Grand Final time.

.....Manager.....

Under 12B: Versus Berkeley Vale. This 3-1 loss is one game best forgotten especially the second half when the team just seemed to fall to pieces. Berkeley Vale deserved their win as they were the best team on the day. Best players for Wyoming were Darren Hayes and Geoffrey Parker. Versus Ettalong. Right from the start Wyoming were on the defensive against an attacking Ettalong team. We just could not get near our opponents goal mouth despite some good long kicks from Darren Hayes. Our only attempt at a goal came from Terry Hong unfortunately it sailed just over the crossbar. Jason Turner saved a goal from a direct penalty which kept the score down to a 1-0 loss. Versus Wyong. With a team reshuffle the boys took vengeance against a degraded Wyong side. It seemed everybody wanted to score. I think the only person who did not kick a goal was Jason Fernandez's grandmother who at times put more effort into the game than some of the boys. (Keep up the good work). Even Jason Turner who has played goalie all year kicked a couple of good goals. The rest were made up by Jason, Fernandez, Jamie Brazier and Mark Brown. Result 8-0 win. Versus East Gosford. Again with the new team the boys notched up a 1-0 win against East Gosford. It was a fairly ordinary game with too many off sides by Wyoming and too much fiddling with the ball instead of passing. The only goal was scored by Jamie Brazier who headed the ball in off a good cross by Jason Fernandez.

.....Manager.....

TEAM REPORTS

(cont)

Under 13A: As we come to the final stages of the season with our semi final chance gone. We look back over the last five games which held the key to our chances. Keeping in mind that we had to win every game. Firstly a 2-4 loss to Davistown, a 0-1 loss to Budgewoi, a 2-3 loss to Terrigal, a 1-1 all draw with leaders Umina and a 7-0 win against East Gosford. As the results suggest there wasn't all that much difference in the last games and with a bit more luck we could have finished up in a more prominent position on the table. Players to stand out over the last month were Patrick Brady who is maturing into a more confident and complete sweeper with every game, Mathew Burgess who is also settling down and playing more confidently with each game, Mark Allen who finished the last 2 games with 5 well taken goals. I would also like to give mention to Jamie Cartner who in his last outing against East Gosford in goals played possibly his best game of the season showing plenty of courage to keep East Gosford scoreless.

.....Coach.....

Under 14A: Since our last report we have suffered 2 defeats and 1 draw. This has dropped us in to equal third place and with three games left the minor premiership is far from decided and the premiership is up for grabs with any of the top four teams in with a good chance to win. We have the team to win this comp but in our last few games we have lost our goal scoring aggression, our defense is always solid but we are not putting away the easy goals. I put this down to a lack of ball control and the only way to remedy this is for each boy to put in an hour a day kicking and controlling a ball at home. Practice kicking a ball up against a wall and receiving it on different parts of the body, practice, turning with it, heading, the various types of kicks etc. Boys you train for one and a half hours a week and play for one hour a week. As you can see two and a half hours work wont accomplish much. So its up to each and every one of you to put that extra bit in, its the difference between a good side and a champion side.

.....Coach.....

Under 16A Girls: Our team is still trying to catch the leaders, Ocean Beach A who are only 1 point in front of us with Killarney District breathing down our necks 1 point behind. Fortunately or unfortunately we were washed out last Sunday and were to have played Ocean Beach A. We now play Berkeley Vale, Killarney and Ocean Beach A at the end of the comp., so providing we defeat Killarney it could depend on the last game as to who are the Minor Premiers. Holding our position or making it into 1st place is a must as we will then have "2 bits of the cherry" if we need it. Unfortunately Jacqui Astolfi has had to choose between Representative Softball and soccer and so we are hoping she will be available for the semi's and grand finals. Congratulations to Michelle McLead who was chosen as "Player of the Week" last month and also congratulations to Dawn Paterson who has been selected to play for N.N.S.W. in the Australian U/15 titles in Melbourne in October. Some of the U/13 are hoping to be selected for representative honours against an American side touring Australia and if selected will play at the end of August in Newcastle. Parental support in the womens soccer is not as good as it should be and it does make a difference to have some spectators cheering you on, particularly in the hard games coming up, so how about giving your children a bit of your time - after all when we are old and grey we will want their support and some of their time, and no matter how old we think we are, it is a nice feeling to have some family of your own watching your efforts, and giving encouragement. Well that's my lecture for the month - the others I'll save for the team.

.....Coach.....

TEAM REPORTS

(cont)

ALL AGE REPORT

4.7.82. v Woy Woy Score 0-4 Loss. Once again our girls played a 35 minute game. Not much to report about the first half. At half time the score was 3 nil Woy Woy's way. Most of the girls were half asleep in the start of the game. They went back playing like the start of the season. A pep talk was handed out to all players and it worked, with Woy Woy only able to score one goal. The girls fought back well and unlucky not to pull a goal back when the ball hit the post. Coach: Attendance at training lately has been poor and it shows in the game. Also it wouldn't hurt to have an early night on Saturdays. 11.7.82. Norman Ross Semis. v Budgewoi Score 0-7 Loss. The score in this game might have been lesser if we fielded a full side. We took the field with 9 players who played well through out. Our stand-in keeper Sarah Hollingworth played the best with some fine saves which kept the score from being any higher than it was. New player Debbie Scutts played very good for her first time and gave an experienced winger a hard time. Well done Deb! 18.7.82. v Ocean Beach. Score 0-3 Loss. For the second week running we took the field with 9 players. The girls frustrated Ocean Beach throughout the game. The girls did everything right moved to the ball, took the possession off then consistently and found holes in their defence. It was very unfortunate that we couldn't put the ball in the back of the net. If our whole team could play as well as when we are short we could be higher up the ladder. 25.7.82. v Berkeley Vale Win 2-1. MOST IMPRESSIVE WIN. Fifth spot Wyoming this week beat the fancied Berkeley Vale outfit to the tune of 2-1, on a very soggy pitch the Berkeley Vale side took their 1 nil lead to the break. In the first half a tremendous save from Rhonda Mason our goalkeeper lifted the girls spirits after a direct penalty had been awarded against us and which kept the score at 1 nil their way. Then came the Tigers second half blitz and they got on even terms through centre forward Liza Kell who guided the ball in the near side of the astonished goalkeeper. Wyoming kept Berkeley play was adopted for this game with Wyoming playing with 4 backs instead of the usual 3. This positional change was a credit and kept the 2 Berkeley strikers from causing havoc. Wyomings winner came in the 55th min from an indirect penalty which Cheryl Fathers slammed through the wall into the net. With a nervous 15 minutes to play Wyoming thoroughly deserved their win over Berkeley Vale with great strength and determination. Coach: A tremendous game by every girls, great stuff.

3rd GRADE REPORT

Match against Killarney Districts 4.7.82. This game started off at a very fast pace with the old fellows appearing to have the upper hand in the first half but were unable to find the back of the net. The second half was played just as fast and very physical, again missed chances proved very costly, with Len in goals being called upon to make numerous saves. Killarney finally scored seven minutes from the end, but the old fellows weren't finished yet and equalised with minutes remaining. Final score Wyoming 1 Killarney 1. Match against Davistown 11.7.82. A fairley scrappy game to watch from the sideline. Again many scoring chances going begging. Unless the chances start being capitilised on the team could find itself in trouble when the semis and finals come around. Eventually we scored to just get away with the points on the day. Final score Wyoming 1 Davistown 0. Match again Gosford 18.7.82. This match played in shocking conditions with plenty of mud and water laying about. Again the team completely outplayed the opposition but couldn't find the net. After going to an early lead it appeared some of the referees decisions were getting to the players and

...cont...

TEAM REPORTS

(cont)

3RD GRADE REPORT

frustration and anger was quite evident. Who was the player who missed a penalty and then gave the opposition a penalty the other end because he felt sorry for them???? Final score Wyoming 2 Gosford 1. Match against Ettalong 25.7.82. What a bright start to the game by the team, everyone supporting one another and calling for the ball. As a result 3 quick goals were scored. After leading 3-0 at the twenty minute mark the same referee as last week decided he would even the game up, by dismissing the captain. So after leading 3-0 and doing it easy, we were lucky to get out of the game with a 4-4 draw.

At this stage of the competition with 5 more games to go we are still running second and so are in with a big chance. It will take dedication and 100% effort from all players for these remaining games to make sure the team stays in this much sought after position on the table.

"RUDI G'S OFFSIDER"

Under 13B: After having 3 weeks off the boys came up against Kanwal and at last the team played like a team and the result was a very good 8/4 win. This is a very good result as we played them in the first half with only 10 players. The forwards played very well with David Rankin playing his best game since joining the club and his efforts were rewarded with 3 good goals. The other goals were scored by Ashley Sullivan (2), Mark Illitch (1) and our pocket dynamo Dean Boles (2). The defence improved with Matthew Cutts and Graham Johnson showing vast improvement and at last the potential of our team looks like being realized, and we hope to be there on Grand Final day as we are now in 4th place in the comp.

.....Manager..

PLAYER OF THE YEAR AWARD

All points close at the end of the competition rounds, semis, finals and grand finals are not included. At the finish of the last round please print on the back of your match results, 3-2-1 sheet.....

- 1) MOST IMPROVE PLAYER
- 2) PLAYER OF THE YEAR

If the player of the year does not agree with my records I will contact you so please print your name and address on the back also.
