MANAGER: GARRY GREEN

29/4/83.

To Players & Parents:

Here we are back in the swing of another season, and I would like to take this opportunity in welcoming the new players and their parents to our Club.

It has been brought to my attention that some coaches are overloading their cars with players. This is not allowed by our Club and the parents are expected to see that their boys get to games, it is their responsibility. Overloaded cars automatically become ineligible for insurance if they have an accident.

LADIES NIGHT: FASHION & FILM night this coming WEDNESDAY 4th MAY, at the kiosk at Alan Davidson 7.30pm. The clothes are good quality and cheaper than the shops. Film to be, one that I am sure the ladies will at least get a laugh from. Cost \$1.00 per person which includes a light supper.

10 YEAR CERTIFICATES.....IS THIS YOUR 10TH YEAR?????.....

In August there will be two teams visiting the Central Coast from New Zealand. We have been asked if we can arrange accomodation for the boys which who are in teams from U/15 and U/17. It would probably be for a couple of days and I am hoping that the members of Wyoming Soccer Club will make them welcome. Further information re this trip can be obtained from me.

Dr. Russell Spinks will be holding a sports clinic Sunday 5pm - 7pm and Monday 8am to 12 noon at North Gosford Private Hospital. All players are welcome to attend.

REMINDER: 1st team on is responsible for putting up the nets and last team for taking them down. If there is anyone interested in becoming a groundsman please contact me.

The general meeting is held at the kiosk on the 4th Monday of every month during the soccer season. All team reports are to be in at that meeting along with accounts for referee fees. Any parents who are not happy with the running of the Club are welcome to attend the meeting so that these problems can be ironed out instead of being discussed on the sideline.

The draw up until 9th July is available from the canteen for coaches or managers ONLY. Should you have any queries regarding the draw please contact me as soon as possible.

East Gosford is holding an under 8 knock on Sunday 29th May, please contact me as soon possible if your team is interested. Umina United is holding an under 9 knock out on Sunday 19th June, please advise me as soon as possible if your team want to play.

Further on in Tiger Tales is information regarding Community Club Awards. I do hope that as many of you can support us in this. I understand that you may be committed with either your church or school group. Raco's have now been taken off the list. I will have 2,000 booklets to hand out next week with further information.

Norman Ross have donated a Video with all Premier League Club being asked to sell tickets. Half money will be refunded to the Club concerned and the half is being used as prize money. Tickets will be available and each child will be a given a book to sell.

Yours in Sport,

Jill Smith.
Secretary.

ROSTER FOR CANTEEN DUTIES

To help in the efficient running of the canteen teams have been rostered on either before or after their game time. This enables you to help and be free to watch your child play.

We have drawn out names from the teams so if you are unable to fulfil your rostered time please ask another mother or father in your team to take your place.

We have omitted to place Mr. or Mrs. in front of the surnames as we welcome help from either the Mums or Dads - (you can't say we discriminate between the sexes!!)

Some teams are rostered on more frequently than others due to the fact they are playing at home regularly (lucky teams). If you are not rostered on very often and would like to help please ring phone numbers below.

You will notice that most committee people are listed as Supervisors as we have had no response to our plea for help. Naturally their names do not appear on the roster. Coaches/Managers have also been excluded as they give freely of their time to their teams.

All enquiries re Roster to go to Leonie Best 284806 or Marie Frost 281461.

TEAM REPORTS

Under 6A1: The 6A1's have had a good beginning to the soccer season with 2 wins and a draw, scoring 6 goals and conceded nothing. Several boys have shown goal scoring ability, Peter Miller, Evan Carey, Adam Coulter and Daniel Curtis, while several others have shown a flair in attack without luck, Keenan Field, Ben Lyons, Thor Aaso, Justin Anders. These boys are well backed up in general play by Sven Aaso, Drew Jager, David McGarvey, Jason Magni, Justin Nixon, Matthew Pearson and Kurt Wheeler. Whilst the boys have had good success, parents should remember it is their first season and not to expect the boys to produce championship soccer. Indeed they have shown great potential but are really only playing for absolute enjoyment. I hope the parents can enjoy the season along with their boys and encourage them to learn the game of soccer.

.....S.Field

Under 6A2: This year the 6A2 comprises of 17 boys who are as follows: Kristen Butler, Michael Buchanan, David Carr, Craig Clucas, Richard Coombs, Elliot Cox, Ben Geeson, Ben Hodgson, Michael Kennedy, Chris Large, Michael Maiden, Richard Gibson, Mark Rendall, Ben Roberts, Wade Starr, Daniel Spencer and Grant Sinclair. The start of the season has seen us with 2 losses, a win and a draw. Our first game against Terrigal was a game of mistakes and resulted in a 2-0 nil loss. Our next game against Gosford was a much better effort and we were unlucky to go down 1-0. Our next game saw our first win and a much deserved win against Davistown the boys put it all together to score a 2-0 win, with goals scored by Michael Buchanan and Ben Geeson and a much improved effort by the whole team. Our last game against Umina was a torrid affair in more ways than one and resulted in a nil all draw and a good result to the boys who defended tirelessly all day. The only upset to the season so far was Michael Kennedy breaking his arm in an accident at home. We all wish Michael a quick recovery and hope to see him back in a jumper soon.

.....Manager...

Under 7A1: 9.4.83. Wyoming v Davistown. A good match to start the season with both teams playing good attacking soccer, although the match ended with a result of nil all Wyoming had more possession and had an open shot at goal that unfortunately just missed. The team are giving their all which is pleasing to see. Welcome to new boys - Andrew Hay, Michael McGarvey, Simon and Brett Bacon.

16.4.83. Wyoming v Wyoming.7A2. Result a win 3-0. A great game and team effort by all players. The first half being the scoring one with a great goal by Adam Morris and two fine goals by Scott James. Vast improvements being shown by young Jason Brownlee who spent last season as goalie he is getting right in amongst it also Jason Davis, Kirk Mercer, Tim Rutherford, Grant Bailey, Adam Kavanagh, Jamie Airs, Blake Paul, Craig Herring. Our new comers settling in and working well are Andrew Hay, Brett and Simon Bacon and Michael McGarvey--Good game boys.

23.4.83. Versus Umina. Result was a fabulous win 6-0. What can a person say but what a fantastic and deserving win. Everyone there who saw the game could not have felt prouder with everyone of you. From the kick off whistle to full time whistle you put your hearts right into it and never let up for one second. Three absolutely great goals by Kirk Mercer and two by Scott James who was there all the time working with Kirk. The last goal by the young Umina goalie stepping back. Adam Kavanagh had a blinder getting the ball clear everytime it came near and chasing down after it. Adam Morris, Jason Davis and Grant Bailey played a great attacking game. With the mention of those boys I take nothing away from the rest of the team. Exceptionally well done boys, I am very proud of you all.

25.4.83. Versus Woy Woy. Result was a tough 3-1 win. Woy Woy caught us by surprise and virtually scored from the kick off. We settled down to business and penetrated into their half with great attack from Blake Pau, Jamie Airs and Andrew Hay. We

TEAM REPORTS

Under 7A1 (cont) finally levelled the score from a perfect corner by Adam Morris which deflected into the goal. The team had settled down now. Young Michael McGarvey did a great amount of covering stopping the ball getting past with Craig Herring backing him up. Scott gained possession and controlled the ball down the side across to centre and put in a good goal score at half time 2-1. The second half saw a lot of possession with Woy Woy and some good goal saving by Adam K. with great penetrating kicks to clear the field. A good chase from the boys down to the Woy Woy goal and Kirk put in a lovely goal breaking the defence. A hard game but the boys settled in once again and won another game. Well done fellas.

.....Manager.

Under 7A2: The 7A2's started the season with a 1:0 loss to East Gosford. The most outstanding players being Chris McCosker, Stuart Fortier and Bradley Kirk. The boys played extra well being the first time most of them have played soccer before. Against the 7A1's the boys lost 3:0. They were playing a team with more experience together, nevertheless their performances were a little better than their 4:0 loss to the A1's in their trial match before the competition. Outstanding players in the 2nd match were Mark Mitchell, Rodney Northey and Bradley Kirk with improving performances from Trent Barry, Daniel Morrison, Ben Emery and Brad Ham. The next match resulted in a 3:0 loss to Terrigal with good performances from Stuart Fortier, Chris McCosker and Rodney Northey, also performing well were Craig Gallagher, Steven Graham, Wade Snashall with improving performances from James Carter and Geoffrey McMannis. The Anzac Day match resulted in a 3:0 loss with an outstanding game from Chris McCosker and solid performances from Brad Ham, Bradley Kirk and Trent Barry. Over the last few matches we have been experimenting with various positions to give the boys experience on all parts of the field and hopefully they will soon be settled to an appropriate position.

.....Manager...

Under 8A1: The team has made a very slow start to the soccer season. The first game was lost to Davistown 1-0 and was due entirely to the lack of discipline within the team in regard to their positional play. Hardly a player in the team maintained his position or played with any regard to the team as a whole. The forwards strayed all over the field, and the halves were just as bad. Only the fullbacks and the goalie kept the team together, and although the goal scored was an unlucky deflection from one of our own players, the team didn't play well enough to complain about the result. The next game was just as bad with the team lucky to claim a nil all draw with Gosford. Lack of positional play was the reason for the poor showing and surely it is obvious to all the boys that if they won't stay in position and play as a team, a defeat is the most likely result. The next game showed some improvement with a 2-1 win over Umina, the boys showed greater determination and kept to their positions some of the time. Next game was against our other Wyoming team with the result a 3-0 win for the team. The positional play improved a bit but unfortunately the shooting of our team left a lot to be desired - many, many shots were wide of their mark and that part of our game will have to be rectified. The fullbacks are playing strongly and keeping their positions and have provided a strong base to build the team game around - the halves are playing well but there is room for improvement although the last two games have been much better - the forwards have provided the greatest worry, position is extremely important in forward play and straying out of position cannot be allowed. ADAM KING and BRENDEN NAPIER have each played two games in goals and have done tremendous jobs - the goals can be the most hectic or boring place on the field and both boys have been great. The two newcomers to the team BRET JAGER and PAUL MERRYWEATHER have been playing very well and are real assets to the team. All the boys have the ability to play much better than the results

TEAM REPORTS

Under 8A1 (cont) show, and every player must pay particular attention to two things - positional play and learning to kick with both feet.

.....Coach....

Under 8A2: 9.4.83 against Umina at Woy Woy. Lost 2-1. Aaron Hood scored second half early. Slow start to game and Umina scored first lucky goal. Second goal was a bit of good play by Umina and then our boys started to come good. Took David Saunders off and put Mark Pulsford in goals who went very well. Shannon Hutton off and put Daniel Cunningham on who immediately injected life into the game. After a bit of good lead up Aaron put the ball in the back of the net. We spent the rest of the game mostly in Umina's half with Peter Pecht defending well and David Learmonth helping the attack. The magic sponge only came out twice to our resident injury man, Gavin Singh. Grant Richardson played brilliantly and turned the game around several times when things looked dangerous. Darren Goy blitzed them a few times with power house runs up the centre. Our new centre forward, Warren Stephenson will fit his position well over the season and looks certain to come good with a few goals. Good games were had by Gavin Gray and Matthew Wilkie who both defended well and fed the ball to our forwards to keep the game alive. When the boys get to know each other's game better and pass the ball more and not bunch up they will make a very strong team. 16.4.83. Played Ettalong at Ettalong lost 2-1. After a slow start in which Ettalong scored a quick goal our boys started to settle down only to have our goalie Mark take sick and let an easy ball through to go nil two. This must have made Daniel Cunningham cranky because he started to blitz the opposition on his own with some devastating runs up the centre and was rewarded with a nice goal. We had a good goal disallowed which rolled over the line but the ref was too far away to see it. With Grant scratching the ball out to our forwards Gavin, Aaron and Warren we kept the game mostly in Ettalong's half. Luck was with David Learmonth playing strongly and David Saunders having his first full game in the field playing well. Gavin Gray is still playing his steady game as is Peter Pecht who stops a lot of runs by the bad guys. All in all the boys played well but tended to punch up a bit and get a bit too anxious when they got the ball down to the goal area. We gave Ettalong's goalie a hard days work. But as the saying goes "we wuz robbed". But a nice game just the same. 23.4.83. against East Gosford. Lost 2-1. Luck beat us. Another great game in which luck proved to be fickle again. After spending most of the game in the opposition's half we were unlucky not to score a couple of more goals. Our boys just seem to lack the finishing "killer touch." Daniel blitzed them again and was rewarded with a nice goal, he also missed a couple and centred the ball into the goal area a few times and we were unlucky not to score off them. He's starting to show up as a team player now. Aaron had his first day in goals and went extremely well. Peter played nicely in the fullback position and stopped a few heavy attacks on his own and then cleared well. Gavin, Matthew and Grant played their usual fast running and defensive games, with David Learmonth coming in nicely with them. David Saunders and Shannon are starting to show an improvement which is encouraging while young Mark proved once again he can have a go anywhere. Warren Stephenson is coming on nicely and a couple of goals should not be too far away. 25.4.83. against Wyoming A1. Lost 3-0. This was a fast and furious game with the A1 showing our boys how to pass the ball around and not crowd each other. We put Ryan Collins into goals for the first half and he went so well that we kept him in for the second half. Once again Peter Pecht showed how a good defensive game should be played and was well supported by David Learmonth. Our forwards didn't get too much of the ball as our boys have a tendency to wait for the ball instead of attacking it. A few of the boys must try and listen to what is shown and told to them at training and then use it on the field. Punching up again was a major problem. A good game that was won by the better team 3-0 to the A1.

.....Coach....

TEAM REPORTS

Under 8B1: The boys have now played 4 games and with the efforts of our coach and interest from the boys they are gradually improving. Our first game was against Woy Woy at Gavenlock Park, on 9th April. The result was a 9-0 loss for Wyoming. Not a good result but the boys showed some promise of better things to come. The player of the match for Wyoming was Steven Hall. The second game was against Terrigal at Alan Davidson Oval on 16th April. Again a loss, this time 2-0, but coach Steve was starting to look a bit happier as some of our boys were starting to get into the game. Player of the match was Mark O'Donnell. On the 23rd April down came the rain, but the game against P.M.K. went on. At last a lot of the boys started showing what they could do, but a lucky goal from P.M.K. in the second half gave a score of 1-0 loss to Wyoming. Player of the match for Wyoming was Thomas Warner. And so to the fourth game against Davistown on 25th April. Before the game coach Steve and the boys were all fired up for a good game, but unfortunately Davistown did not turn up. A forfeit win to Wyoming. Seeing the boys were ready and willing for a game, an over 21 side was formed from the dads and friends, but this shouldn't really count as sometimes there were up to 40 people on the field. Even the referee (coach Steve) kicked the ball. Players of the match - the Dads.

A TIGER CUB FAN (&DAD)

Under 8B2: The majority of the team have not played soccer before and have had to start from scratch building up their confidence and developing their skills. In the first match against Davistown they were beaten 5 nil. The score could have been bigger except for the fine goalkeeping of Nathan Evans. Nathan has a lot of natural ability and he has continued the good form in the four matches so far. In the second match against Umina they were beaten 2 nil. In this match Ben Bewyer, who also played well in the first match, had a great game running well with the ball. He is a very busy player always looking for the ball. He has continued his good form in the later matches. In the third game they played against Davistown again and although they were beaten 7 nil it was not a true indication of their game. They had improved in their understanding of the game and played much better. Scott Clucas had a good game with many fine runs and in the backs David Peterson was mixing it with the best of them showing great courage on many occasions.--Breaking down attacking moves. The fourth game was against Terrigal and they were beaten 6 nil. Apart from the boys mentioned before who all had strong games, Andrew Smith showed determination to get the ball moving in the right direction and Alan Northey playing in the full back position, who has been progressing nicely, had a strong game. It is impossible to mention all the boys individually in this report except to say they are all trying their hardest and seem to be enjoying themselves and lets face it that what sport is all about after all. Keep up the good work boys.

.....Manager.....

Under 9A1: Wyoming v Davistown. In the first half we scored the first goal due to good team effort. Davistown scored a goal before half time against us. In the second half we scored a goal from the mid-field to win 2 to 1. Goal Scorers: Conrad Strachan and Brett Woods. Daniel Wilson saved many shots for us at the net. 16.4.83. Wyoming v Wyoming A2. We scored 2 goals in the first half, one was an own goal and one was scored from the forwards. Second half, play was in their half of the field with 3 goals finding the net and many near misses. Excellent all round effort from the team, with passing, tackling and aggression working well. Goal Scorers. 3 by Conrad Strachan, 1 by Nigel Forster. The final score being 5 nil. A good game was enjoyed by all, due to the competitive effort of the Wyoming A2's. 23.4.83. Wyoming v Umina. Due to aggressive play by Umina they scored the first goal. We tried a few shots but unfortunately they did not find the net. In the second half Umina scored another goal. Due to play by team work picking up we scored a goal and were unlucky not to be able to score an equaliser. Daniel Wilson defended the goals well. Goal Scored by Conrad Strachan. Final score was 2-1 Umina's way.

.....Coach.....

TEAM REPORTS

Under 9A2: In the first game of the season, the boys started the game in an uncertain and slow manner, but as the game progressed, they put it all together, with fine passing and good team work. Each boy had a fine game but a special mention should go to Bruce McNeil for a top game as sweeper, and Andy Clark who never ceases to amaze me with his ability in any position in which I require him to play, Craig Cottle had a fine wingers game. Good goal shooting from David Maryska nearly resulted in a victory for us, but we were confronted by an extremely good goal keeper so we had to be satisfied with a 1 all draw. Goal scorer, D. Maryska.

16.4.83. 2nd game. We lost this game 5 nil against our No. 1 side in which we saw the A1's put it together with fine attack and defensive play, and my team doing the exact opposite especially in defence where they did not want to have anything to do with the A1's when they were attacking close to our goal. I would like to mention that Adam New, Adam Mackett, Paul Smallman, and as usual Andrew Clark all tried extra hard.

23.4.83. 3rd game. The boys tried harder this week, but still are very hesitant to move and tackle the ball off an opponent. Good games were had by Andrew Clark, Adam New, Bruce McNeil in our 5 nil loss to Terrigal. Parents, remember the team is really feeling the pressure of playing in an (A) competition but it is good experience for them to play against the best in their own age group, so no boy should become disillusioned with these sort of losses as I feel it will benefit them in the long run as soccer players and more important as sportsman.

25.4.83. 4th game. A full and whole hearted effort by each and every boy saw the team go down gallantly 1 nil to Davistown. Wyoming played most of the game with one boy short but they really tried hard and there was a tremendous improvement on the last 2 showings. If the boys maintain this sort of determination and enthusiasm then big score losses will be a thing of the past. Best players of the match were again Andrew Clark, Craig Cottle and David Maryska, with Ben Hamilton having his best game to date.

.....Coach.

Under 9B1: We're three games into the first round and yet to win. We are aware of the boy's ability but they need to listen to the coach at training. We can teach the boys during the week but we cannot play the game for them. The positioning on the field has been disappointing. The boys need to think about the opposition and marking their opponents. There are encouraging signs that the team will improve but the boys need to concentrate from start to finish of game. Results 9.4.83 Loss to Davistown 2-1, 16.4.83. Loss to Gosford City 2-0. 23.4.83 Loss to Umina United 3-1. Because of early starting times we have been unable to "Sausage Sizzlw" at away games. This will be rectified in near future with a day to be decided. NB: Today the team which has been hiding behind the 9B1 shirts emerged, (a sigh of relief was heard all around the park from the coach). Against Woy Woy all boys put their act together and one of our most encouraging games resulted. Goalkeeper Marcus Pritchard welcomed the opportunity to play in the field and had a great time with some determined play. All boys, can be pleased with their game against Woy Woy and if each can maintain the enthusiasm and concentration of that game, more enjoyable games will result in the future.

.....Manager.

Under 9B2: The team is settling very nicely but a bit more concentration is needed. The first game was lost due to a shortage of players but we have won the next 3 games which indicated that we have a very good team. Keep up the good work boys and enjoy your game.

.....Manager.

TEAM REPORTS

Under 9C1: 1st Round - v Davistown - Lost 4-0. Our boys tried very hard, but were outclassed by a more experienced side. Ravi McCosker made many saves as goalie. Both our backs Matthew Kirk and Shaun Sinclair tried hard and made some good clearing kicks. We had a better team effort in the second half with Chris Cox and Gary Brinckman putting in good efforts. 2nd Round v Wyoming C2 - Lost 1-0. This was an improved performance on our first game, but some of the team still a little hesitant and tending to bunch up in centre field. Good strong performances from Matthew, Scott, Chris and Gary, but we started to see more aggression from Drew Purcele and Ben Bateman. Tane Van Horton did well at the back and Sean Tobin kept chasing the ball all day. The boys put up a good performance and were unlucky that the goal scored against them was from a shot that hit the post and bounced in. 3rd Round v Umina Lost 3-0. Although our side tried hard we again met a more experienced side, who scored 3 goals in the first half. The match was played in pouring rain and the ball was hard to control, in the slippery conditions. Scott Thompson made some great clearing kicks with Chris Cox also very involved in the game. John Maiden and Mike Lees tried hard against much bigger opponents. In the second half the boys held Umina goal-less with an improved team performance. 4th Round - P.M.K. Lost 8-0. In this game we struck our strongest opposition yet. P.M.K. were too strong and too experienced, but our boys kept trying right to the finish. We tended to bunch up and couldn't match P.M.K. on the break. Scott Thompson and Matthew Kirk made good clearing kicks and Peter Gattenhof had his best game. Ravi McCosker and Tane Van Horton tried hard and Ben Bateman played well after taking a hard knock. Although disappointed with the score, the boys learnt that they have to keep chasing the ball and trying all the game.

.....Coach....

Under 10A: Firstly I would like to welcome two new players to our team - Rod Martin and Shane White. I hope both of you enjoy playing with your new side this season. Rd.1 v Kanwal Result: 4-0. Kanwal, one of two teams to be promoted this season proved to be worthy opponents. Solid defence kept our forwards at bay until Andrew McDonald opened our account with a fine goal. In the second half a goal-mouth scramble resulted in Kanwal conceding an indirect free-kick. Scott Brown hit the back of the net as the opposition watched tamely. The third goal came from a corner as the ball was headed on for Scott Crowley to kit a well-timed volley inside the far post. Simon Burgess completed the scoring when he steered the ball between two defenders. A good first-up win with all players turning in top efforts. Rd. v Berkeley Vale Result: 3-0. The other promoted team, Berkeley Vale, made us work hard. We lacked sting in the forwards, with newcomer Shane White finding the going tough. (We discovered later that he was ill). There was no score at half-time. In the second half replacement strikers, Craig Brann & Simon Burgess combined well and ran onto the ball with purpose. Both boys were rewarded with a goal each whilst the "golden goal" was scored by Andrew McDonald when he headed in a Scott Brown free-kick. A supporter remarked that Andrew must have a rock for a head. Congratulations boys and keep up the good team work. Rd.3 v The Entrance Result: 2-1. The boys received a bit of a surprise from an improved Entrance side. We took an early lead when Scott Walker hit home a good goal. The Entrance equallised after shaking off our defence and shooting past the advancing goalkeeper. Craig Brann put us in front again when he swooped onto a rebound to slot it into the net. Our supporters were put through some anxious moments as we held on for a narrow win. Kyle Clarke had a busy time in goals and proved very safe. Rd.4 v Budgewoi Result: 3-1. Played on a boggy field both teams gave everything they had. It was Budgewoi who struck first when one of their forwards broke away and fired in a good shot. Wyoming replied with a similar effort. Craig Brann put Scot Walker away on the left flank. In a good solo run, Scott drew the keeper and beat him with an accurate left foot drive. Scott Crowley was well positioned to score number two soon afterwards. We attacked strongly in the second half with the opposition

TEAM REPORTS

Under 10A (cont) doing well to restrict us to one more goal well taken by Andrew McDonald. Good to see Ian Fraser back on the field after an injury to his knee at training. Also, thanks to Leon Brown for "taking the whistle" and doing a fine job in the middle.

.....Coac...

Under 10B1: Wyoming v Ettalong 9.4.83. This was a most enjoyable game to watch for the first game of the season. Full back Bradley Place and Mathew Rutherford played a very good game. Our three new boys Cris Wicks, Adam Kirkwood and Shane Andrews played exceptionally well. Though Wyoming were never really threatened the boys walked off with a one nil win against Ettalong with a good goal by Dale Condon. Well deserved win boys keep the good work up. Wyoming v Terrigal 16.4.83. This game which resulted into a scoreless game turned out to be a very exciting match, with several very unlucky shots at goals. All the boys played an extremely good game with Brett Sanderson most outstanding on the left wing. Craig Ross played another good part in goals with some really tremendous saves. Great performance boys. Wyoming v The Entrance 23.4.83. Our boys started off slow, we had an early chance with a penalty but Adam Clark put it over the bar. But it wasn't long before Brett Sanderson scored making it one nil at half time. The second half the boys played much better in attack and goals were scored by Adam Kirkwood, Cris Wicks and Darryl Lambert. But we allowed The Entrance to score after our goalie Mathew Rutherford spilled the ball and tried to regather but The Entrance player kicked it out of his hands. Bradley Place was outstanding at centre half. This result was very pleasing to win 4-1. Wyoming v Wyong 25.4.83. This was a first home game this season. In the first half Dale Condon took his chance with a shot that paid off. Dale had a good game in attack and defence. Our forwards must learn to follow the ball right into the goal mouth which will result in goals. In the second half Wyong attacked our goal for a long period before they scored, Craig Ross made a great attempt to save but it hit the post and went in. Then with only minutes remaining Brendon Price scored a great goal. Mathew Rutherford, Adam Clark, Joel Evans and Bradley Place played a great defensive second half. Another good result to remain undefeated, 2-1. We would also like to welcome the new boys to our team.

.....Coach.

Under 10B2: Wyoming v Wyong. Won 3-0. Once again the boys came together to commence another year of soccer. There were a couple of changes from last year, we lost Ashley Martin, Stephen McGilvray and Glen Smith but welcomed Darren Keogh who joined us from Gosford City. The boys all fit in well together and we also welcome new coach Dean Gayford to the team. Our first game at Baker Park against a sadly depleted Wyong side. The 10 players on our side only faced 8 initially from Wyong. Wyong put up a good effort and defended well however, the change to the big field and the extra numbers soon told and we were able to put in 3 good goals in the first half. Garry Ferguson scored 2 and Darren Keogh 1. Boosted by two under 9 players, Wyong fought back in the second half and put a lot of pressure on our goal. Good defence and some safe handling by goalie Peter Sutherland kept our goal open. Lack of condition and the size of the field told on the boys and they were very weary when full time came. The boys will improve as the season goes on. Keep up the good work. Wyoming v Davistown. Lost 1-3. After a good win against Wyong the boys were looking forward to having a repeat performance. However, Davistown are a different team all together and the boys soon learnt they had to really play as a team if they were to stay in the game. Davistown passed the ball around and made our boys defend. A penalty against us saw Davistown put the ball into the goal to make it 0-1. This caused the boys to lift their game and soon after a good corner kick from Peter Shaw saw Michael Winney land a good goal. Davistown scored again just before half-time and the score was 1-2. In the second

TEAM REPORTS

Under 10B (cont) half Davistown attacked strongly and only good defense kept them out in the early stages. The boys are adjusting well to the large field, however, they still need to keep in position, pass and not bunch up. They must also make a challenge on the opposing player and not stand off. We can't afford to do this on the larger fields. Davistown scored again in the first stages of the game to make the final score 1-3. Wyoming v Terrigal 2 Lost 0-9. Od dear me! After the fine efforts of the boys over the last couple of games, it seemed they had forgotten everything they had ever learnt. They allowed the Terrigal players to run through without even making a serious attempt to take the ball off them and crowded each other up. If it wasn't for the fine efforts of Peter Sutherland in goal the score could have been higher. Come on fellows, there are 10 more players before the goalie, so lets not leave all the work up to Peter. Nuff said! Wyoming v Toukley Lost 0-5. 25.4.83. After last Saturdays game we hoped that todays game would be better. Although the boys showev an improvement they still allowed the Toukley players to dictate the way the game was to be played. On the big field the boys MUST keep in position, tackle and look for support at all times. Running around the field on your own only tires you out. Toukley at all times looked winners and moved the ball around. Peter Sutherland again tried hard and had some support from Darren Keogh, Peter Shaw and Michael Winney. In the backs Scott McClure and Nicholas Benson tried hard.

.....Manager.

Under 10D: Ray and myself would like to welcome into the team our new boys, Jakob, Paul, Peter, Matthew, David, Brendon and Shannon. Congratulations to Chris and Nicholas, we know you'll knock them out in the B side. We' miss your boot, especially Nicholas. Kanwal 2 16.4.83. win 6 nil. Our first game was up and down mainly due to the fact of trying to fit so many new boys into the team. However, in the second half they got their act together and convincingly defeated Kanwal. The goal scorers were Paul Gough, two, Ronan 3 goals including sinking one from a run by B.J. who ran the length of the field. One of our new boys Brendon also scored a nice goal. The play was mainly in the forwards and the backs rarely sighted the ball. Our forward combination of Paul, Greg and Jakob along with the mid-fielders attacked consistently. Full credit to Kanwal's goalkeeper. In summary the game was a sound team effort with skilful passing. Budgewoi 17.4.83. - won on forfeit. Kanwal 1 23.4.83 - lost 3 nil. Whilst disappointing to loose especially as they were no better than us, it brought the best out in our backs, especially, Rodney who appears to be able to fill Nicholas' vacant position. David also kicked solidly and along with Peter, Shannon, Matthew and Paul Jones defended well. Steve had a great game and kept out several good attempts. He's got what a goalkeeper needs - plenty of heart. Ettalong 25.4.83. Win 2 nil. A great team game. All players performed well. Most exceptional player must go to Bjarke (B.J.) for an all out performance, scoring his first goal this year from a brilliant run the length of the field. The game provided a great deal of excitement for all who watched, and was highlighted by great passing in the forwards and a strong defence from our new boys namely, Shannon, David, Matthew, Jakob. Paul Jones had a good game on the wing and fitted in well with Paul Gough and Greg. In all not a bad effort for over half a new team - keep it up tigers.

.....Manager...

Under 11A: 9.4.83. v Kanwal. Result Wyoming 3 Kanwal 2. What a game to start the season. With both teams playing completely different types of football our boys pushing the ball around and Kanwal a more busling long style. After a good match we hung on to win. 16.4.83. v Davistown. Result Wyoming 3 Davistown 1. A game of two halves the first our boys played very good football pushing the ball around and making many chances and we were 3-0 at half time. Lets forget about the second half. 23.4.83. v Ettalong. Result Wyoming 2 Ettalong 1. A good hard game with Ettalong giving us the normal tough match, - 0-0 at half time. In the second half the boys

TEAM REPORTS

Under 11A (cont) went to a 2-0 lead but Ettalong who never say die got back to 2-1 and were unlucky not to have drawn. JOKE TIME: How do you catch a bra. Answer. Set a booby trap...Anonymous. Leah. Why din't the butterfly go to the ball. Answer. Because it was a mothball.

.....Manager.

Under 11B: 9.4.84 v Budgewoi 0-4 loss. An unfortunate start to the season playing a former "A" division on a very slow pitch. Besides not playing near their potential the boys were waiting for the ball to bounce to them when it wouldn't on the wet pitch. Budgewoi were the better team on the day - however, had we been able to score early then the result could have been closer. Luke O'Toole, Derek Thompson and Jarod Mobberly played well as did Rod Martin from the U10 and Anthony Vos in the forwards. 16.4.83. v Terrigal Nil all Draw. Troy Harrison, Ian Carsteirs and Darren Cocks were the outstanding players in the match in which the boys improved their performance over that of last week. Matthew West Paul Ferguson and Greg Preston also had good games. 23.4.83. v The Entrance 2-0 win. In this game, the boys were playing near their potential. However, they must remember to talk amongst themselves and get to the ball first. Sam Henwood, Greg Preston and Troy Harrison were the better players in this fast and open game in which the goals were scored in the first half. Matthew West and Craig Tate and Jarrod Mobberly played well. 25.4.83 v Wyong 1-0 win. Once again a very fast and open game, with the score not quite being a true indication of the boys performances - one goal being scored but not allowed as the full time whistle blew just before it went over the goal line. Luke O'Toole, Paul Ferguson and Anthony Vos all had good games. Darren Cocks and Craig Tate and Sam Henwood played well in the back line.

.....Manager.

Under 11C: 23.4.83. lost 1-0 to Kanwal. Bad luck boys, beaten by a far better team on the day. If you want to win listen to your coach at training. Great game Kevin. 25.4.83. Beat Killarney 4-1. Good win lads and far better showing than on the first match. But you still have to learn to slow your game down and to improve your kicking Parkie Great Phil good goals Parkee, Phil Ben and Greene.

.....Coach.

Under 11D2: This team is made up from the following boys:- Richard Garrard, Aaron Crombie, Douglas Sheppard, Scott Douglass, Stuart Finn, Bardley Pullan, Gerrard Cornish, Daniel Rowley, Gary Heitanen, Jason Cottier and Brett Kingsmill. Half the team has played before and the other half hasn't and with a bit more match practice playing together as a team should go quite well. 9.4.83. v Terrigal 1. This was our first game of the season and we had to strike a team that perhaps should have been in the C division. The first half of the game was scrappy but they learnt alot from it and then went on to play alot better and didn't have a goal scored against them in the second half. Terrigal won 4-0. Our thanks go to the 10D boys who filled in for us that day. 16.4.83. v Umina. This time we were home to Umina and the team played alot better. Again we were short of players and had to borrow Brett Woods from the 9A and Dennis Northy from the 10C. Thank you boys for helping us score our first win 2-0. 17.4.83. v 11D1. The first half was poor game played in wet conditions with the boys passing the ball to their opponents. They seemed to find it hard playing their own club members but this was soon rectified in the second half when they were the better side. However, the 11D1's already had a lead of 3-0 and we just could not catch them. 23.4.83. v Ourimbah. Played Ourimbah at Ourimbah and what a good team they are. Our boys tended to bunch up and not make use of the large field. Our goalie Douglas Sheppard had a good game stopping many shots by the Ourimbah forwards. The opponents were bigger than alot of our boys and this seemed to make them back off, however next time we play them they will see an improved Wyoming tema. Many thanks to Dennis Northy who again filled in for us. 25.4.83. v Wyoming 11D1. We played our own

TEAM REPORTS

Under 11D2 (cont) 11D1 team again and this time it was a different game to the previous week. All the boys tried hard and it showed in the score of 4-0. Thanks to Brett Woods and Daniel Wilson for playing with us. We commence this next round with 12 boys in the team so we can now work a solid team around them. There some boys in the team like Douglass Sheppard (goalie), Daniel Rowley, Jason Cottier, Aaron Crombie and Gary Heitanen who are really playing well every game and they are backed up by Richard Garrard, Scott Douglass, Bradley Pullan, Gerrard Cornish, Stuart Finn and Brett Kingmill who are really trying and that is all that you ask any player to do.

....Ass.Coach..

Under 12A: Match 1. Wyoming 6 v Davistown 0. A good start to a new soccer season with big efforts from left winger Wayne Luibinskas and right winger Matt Fuller. This was matched by an equally good performance from fullbacks Chris Larkins and Stuart Finaly. Match 2 Wyoming 3 Ettalong 2. A nail biter of a game with our boys winning in the last five minutes. Only a special performance from the second half replacement Connel Field and a good defensive effort from Chris Larkins, Marc Freyer, Matt Nash and John McGarvey enabled us to recover from a 2 goal deficit. Match 3. Wyoming 11 v Budgewoi 0. A runaway result for our boys, but produced from great wet weather football rather than the lack of opposition. Good games from John McGarvey and Matt Fuller, with improved performances from Gary McLeod, Jasen Hulston and the best wet weather player Stephen Hall. Pleasing effort from Simon Andrew at centre back (usually left wing) and a two goal effort from the left winger Craig Harrington (usually goalkeeper). I hope everyone enjoys the remainder of the soccer season and continue to encourage the boys in their efforts.

.....Coach.

Under 13A: The start of the 1983 season saw us well beaten by a much improved Kanwal 2-0. Although the team played well we could not score the goals that were available to us. The loss was probably what unbeaten Premiers needed to bring them down to earth. We then played P.M.K. at Peats Ridge and once again some good individual work but let P.M.K. lead 1-0 at half time. Bad play by opposition saw us equal the score and eventually won 4-1. The next day we played Killarney and the boys playing as if it were a Grand Final. The 1-0 win was not a true indication of play as once again goals went astray. The team should be congratulated as each boy played well and not one boy could be faulted on his performance. The next two games against Ettalong and Davistown saw very good first half displays but half-time seemed to distract the boys attention and the team came away easy 4-0 wins in both games.

.....Manager..

Under 13B: 9.4.83. Wyoming v The Entrance. Lost 1-0. This was the boys very first game, not having played any social games and their performance was quite good. A draw would have been a better indication of the game and although we had a great many more shots at goal we were unable to score. We started the game with the downhill run and with the wind. It didn't take long before we were putting the opposition under pressure, unfortunately failing to finish. Their defense stood quite solid. Mark and Andrew on the wings worked tirelessly while Michael Burke never stopped trying in attack. In our defense there was not a lot of pressure in the first half. Ian, our skipper, held the boys together with some vigorous tackling. Tony also worked very hard in the first half. Jamie's effort was outstanding even though the opposition tried to take his head off when he received a very solidly hit ball to the face. One slip-up in our defense against the run of play saw us concede the only goal of the match. The second half saw us tighten our defense against the wind and stopped them from scoring any

TEAM REPORTS

Under 13B (cont) further goals. In this half Wayne and David were outstanding in defence. We also saw Darren have his initiation in the game of soccer. 16.4.83. Bye. 23.4.83. Wyoming v Ourimbah Win 3-1. The boys played a very good game in pouring rain to notch up our first comp. win. We produced our best soccer today. Our new striker Wayne Beaumont led the way with an enthusiastic display, scoring two crackerjack goals. The first of these came after only ten minutes of play. Good lead-up work by all our forward line allowed us this first opportunity. This opposition was far stronger than the previous week, which adds further merit to our win. The first half saw a top defensive effort from all the boys with some very good balls pushed around by Ian Johnston, David Birkbeck and Jamie Brazier. The second half saw a determination by our boys not to allow the opposition through our defence. After five minutes I replaced Tony Jarrett with Darren Price, Tony having played with a lot of determination. Tim West and Scott Duff combined well and set Wayne on his way to score our second goal, the ball hitting the back of the net like a bullet! Our third goal was beautifully set up by Mark Brown and finished off most decidedly by Andrew Innes. The wet and slippery surface saw us under pressure on a few occasions with one memorable save by keeper Geoff Parker when he pushed the ball over the cross-bar. One mix up at the back cost us a goal near the end of the game. Well played lads.

.....Coach.

Under 12A2: Ettalong 1-2 Loss. First game of the season was against old "rivals" Ettalong. Although we lost the game 2-1 every player gave his best. We would like to welcome Shane Martin to our Club, he settled in well for the first game and earnt the "3" points on the day. Budgewoi Won 2-1. The team continued to play well but were unlucky not to get a couple more goals. Mark Annabel earned the "3" points with Brett and Glen also playing well. Woy Woy 1-1 Draw. Should have really won this game. Had all the ball but could not finish off. Matthew played well in goals - Peter Neilson scored the goal. Not a bad game when our goalie (Peter) had to switch with striker (Mathew) as Peter has an injured hand. East Gosford 1-2 Loss. Outplayed opposition everywhere but lost the game. Mathew well and truly earnt the "3" points in sliding everywhere in the mud in goals. Led the game 1-0 until half-way through second half. The above games have showed that if the boys settle down, concentrate and play as they have been taught they will hold their own and give every team in the "A" comp. a good game.

.....Coach

Under 16B: This game was a good team effort the boys all played well, only complaint was, we gave away FIVE foul throw ins. Another good thing I noted, the boys replaced at half time did not complain. Result 7-1 win. Wyoming v Berkeley Vale 13-0 win. The result speaks for itself, the opposition was very weak, the boys stuck to the game and did not become overconfident and therefore made very few mistakes. Well played everyone. Half time 8-0. Goals were scored by J.Schmidt 4, M.Dempsey 2, T.Hall 1, C.Harper 2, D.Freyer 2, K.Jones.

.....Coach.

Under 15 Girls: 10th April Wyoming 3 v Killarney Dist. 0. Wyoming with 9 new girls in their squad started the season slowly as expected but by the end of the first half Joan Dempsey had scored to give us a 1-0 lead. The second half saw the girls performance improve dramatically with Joanne Callaghan leading the side brilliantly and Theresa Barber showed her speed to score twice for a final 3-0 result. The backline of Tracey Setttee, Diane Fathers and Michelle Davidson defended well when necessary and Belind Finch played well in the halves. 17th April Wyoming 8 v Ocean Beach 0. The girls started off with flurry this week to race the right wing to score. Barber showed good form in score a goal in each half. Joanne Callaghan led the side.

TEAM REPORTS

Under 15 Girls (cont) and scored a goal as did 2nd half replacement Michelle Nicholls for a final scoreline of 8-0. In the 2nd half the girls slowed their game down showing better ball and passing control to create better scoring chances. With a greater effort and more concentration at training the girls should improve immensely.

.....Coach.

Under 17 Girls: Wyoming v Gosford City. Win 2-0. Before this game ever started the team was upset by sickness. We had also lost Sally from the squad because of a weekend accident, which has seen her spend the past 3 weeks in hospital and possibly the rest of the season on the sidelines before the first ball was kicked. At K.O. time for the start of this game no fewer than 5 girls were considering whether to play or not, because of sickness. This fact plus a couple of the others having late nights set the pattern for the game. After 5 minutes of running the majority of the team were at walking pace and luckily for us the opposition were very weak. They conceded a penalty to us and it was scored by Tina early in the first half. It took us until late in the second half to score our second (It should have been our 12th) goal. It was determination on Michelle's behalf that saw her score. In defence Liza played quite well. Sharon and Samantha tried very hard for the whole game. I think the looks on the faces of the girls as they left the field told the story. They now realise there is plenty of room for improvement. 17.4.83. Bye. 24.4.83. Wyoming v Ocean Beach A. Win 9-0. A wet ground, a depleted opposition and an early start, not to mention our not so fit team (flu) robbed this game of any spectacle. Michelle ("BARRACUDA") McLeod, our new striker had a very good game scoring four goals, never shirking the work. Cheyle Jarrett bagged a hat-trick of goals, the last one being very well put away. Samantha Mills finally scored one after numerous earlier shots and lots of frustration. Tina Giles put the final goal in from the penalty spot. Our thanks go to U/15 girls Theresa Barber and Dallas Hall and their coach for their assistance on the day. A bit more enthusiasm would see our team give this comp. a big shake.

.....Coach.

WOMENS ALL AGE: 10th April. Wyoming v Kanwal A. The womens soccer season kicked off this week at Fagans Park, Point Clare. The Wyoming Tigeresses started out with a very gutsy 3-3 draw with Kanwal. This year we have added 5 new players to the 8 left from last years side. The game didn't start quite well as I'd expected and I'd like to forget about the first half. Kanwal ran straight through our side to score 2 goals and took that lead through to half time. The second half started more or less as the first half with Kanwal scoring another. Our ball work was great working it around looking for the breaks. Then our break came as the ball was moved up the field pushed to Kim Yates who passed the goalkeeper with her shot. That made the score 3-1 still with Kanwal. The next goal was a bonus own goal to make it 3-2. With moral support from the sideline and a lot of yelling and screaming from coach and manager the side clicked and started to look for the equaliser. With a player off injured and 5 min. remaining Kim Yates did it again with the ball in the back of the net. A good first up game girls and we hope that determination stays with you all year. Good game by all but the players to show out were Kim Yates with some good runs and our goalkeeper Rhonda Mason who pulled off some fantastic saves. With a bit more serious training and listening we should make a good combination. 17.4.83. Wyoming v Budgewoi. A wet cold wintery day saw our Tigeresses take on the Budgewoi team. The game was good in patches. But one thing our girls must gain in themselves is self confidence. On the day any team can win and yes the best can be beaten. Our team started well and did so till the ten minute mark when Budge got the first goal. The team lost some spirit after that, but during the game made some good attacking runs well down into

TEAM REPORTS

ALL AGE LADIES (cont) Budge's half. Our girls do well with the ball, working it up the field. And the new girls are blending in well and picking up things from week to week. Our main let down is that we haven't much firing power up front, but we are working on that. The score at the end was 1nil to Budgewoi. I'm hoping for a bigger team effort next week. Players to do well in the wet conditions were L.Salzmann, C.Fathers, J.Harper and new player D.Ayton. COACH AND MANAGERS ADVICE: Less yapping, more concentration and listening at training sessions would improve your game.

.....Coach.

Under 12C: Just a little report on our games and players so far. We started off a very Rag-Tag dismal lot, lasting for the first two games. After a 30 minute chat (1 way), the boys came to realise that they are now playing in a TEAM and for a very good CLUB. The 3rd and 4th games were improved out of sight, with superior handing, passing and overall possession of the ball to result in a 6-1 win over Budgewoi and 4-0 win over Ourimbah. Congratulations to Warren Beattie for his efforts in scoring for us (4 years is a long time to wait). Full marks go to Jerney Hoskins for his "never say die" attitude on the wing. Neil Carney playing and scoring well, until he came up against the mountain from Ourimbah (Tubby the GoalKeeper). Keep out of his way in future eh! In general no complaints now about any of the boys and their attitude to the game. Please Parents, don't think I want to take the fun out of the game, but if they can't play a proper and correct game "why bother at all". So Let's keep up the good work and really enjoy the kids and the game.

.....Coach.

OUT OF THE MOUTHS OF BABES!!!!!!!!!!!!!!

Two Referees complete in black and white tracksuits leaning over the rails at Wyong last week.....

"Mummy look!.....what dear?..... 2 Magpies....Dana Stewart 2 years old."

P.S. IF THE MEN HAVE READ THIS AND WOULD LIKE A SIMILAR NIGHT CONTACT THE ABOVE PHONE NUMBERS AND WE MAY ARRANGE IT.

SENIOR SCENE 1983

Another season upon us another thirst for honours and from this early stage it appears that there will be honours this year. With an influx of new players and a retention of old players the club now boasts 4 senior sides and one under 19 side.

All grades have been strengthened by the influx of new players and the stage is set for a successful season.

The first grade squad coached by Kevin Best is a very formidable combination and although they have lost twice out of three games he is not perturbed. Still feeling his way for the right combination he feels that his squad will be there at the end.

It goes without saying if you have a strong 1st grade you have a strong reserve grade and a strong club. Reserve grade this year is as good as previous years gone. Two wins from three games has left them near the top of the ladder - and as Kevin says with better things to come!

Kevin's ambition this year is to introduce as much young talent to the 1st grade ranks as possible - To achieve this he has decided to place Under 19 players on the bench for 1st grade at all possible times. Players of the calibre of Mark Green, Paul Green (not related), Glen Butcher and the rest of the 19's will soon be the backbone of the Club and there could not be a better way to secure the future.

At this point I would like to give the 19's (and all players) a bit of wisdom from experience

"You only get out of the
game what you put into it!"

Enough of that-----The new players this season to the 1st grade ranks looks very impressive.

Phil Robson still young enough to play 19's, David Talbot looks young enough to play 19's, Eddie Ryan, Manny and Porty Conditis, Ted Piefkee, Tony Lucas, David McNeail, Steve Bartlett, Kevin Sutherland and Steve Frame.

Together with the die hards like Stewart, Dalforno (out of retirement) Cziisz, Cronk, White, Connor, Selig, O'Toole, Menzies and Lowe.

It all amounts to a very good season.

3rd grade - oh what could anyone say about this thirsty thirds - they have accomplished so much in the club that has given "Spirit" both on and off the field. To even suggest that any of these players should retire would not be heard of.

This year the Club has two 3rd's. The "A" lead by Terry Jones resurrected from an Ettalong Memorial Club and the "B"'s lead by Denis' husband - Norm.

At present both are undefeated and both look set for high honours.

The A's have a look about them similar to last year's Reserve grade added to, by several new signings form a very tidy unit.

The B's still have that thirsty look about them but don't get me wrong - its not for the liquid amber but for goals. They have been scoring goals at will and from all indications are growing stronger with each game.

So it looks as though the club is going to have a good year.

See you down the Park.

"BUTTERCUP".

WYOMING SOCCER CLUB

ATTENTION!!!! PARENTS, RELATIVES, FRIENDS & NEIGHBOURS.....

WE...NEED...YOUR...HELP!!!

Wyoming Soccer Club will be participating in the Community Club Awards and this is where we need your help and that of anyone else that you may think of.

With the increase charge by the Gosford City Council for our grounds our Club is looking for a way to meet this extra expense without further burdening parents so we are looking for your support.

This is a new way to increase our funds. We don't "win" anything but we can "earn" cash awards on a weekly basis for 12 weeks from May 31st to August 23rd this year, and at the end of this period our Club becomes eligible to participate in the end of campaign cash awards. It is also possible to earn between \$20 and \$120 a week.

There is nothing to sell - nothing to buy! With Community Club Awards you are not required to make any special purchases. You are only expected to do your normal buying and, when you buy from a participating sponsor, either a product or service, you save the dockets, packet tops, labels, etc., as these items represent points which will become important to our Club in earning a substantial portion of the \$10,000 in Cash Awards being made by 2GO.

I have ordered 2,000 Buyer's Guides which can be made available to your friends, relations and neighbours, in order to enable others to help our Club earn Cash Awards. These CCA Buyer's Guides will contain a list of sponsors and locations, as well as what can be saved as bonafide proofs-of-purchase.

Below is a list of sponsors. All you have to do is save any docket from these places listed from now on. These can be left with me at the Canteen any week-end or dropped into my shop Rear, 106 Erina St. Gosford.
