SECRETARIES SCREED

With only 1 round left in the competition semi final berths are assured by the majority of competition teams.

I would like to take this opportunity of wishing all teams playing semi, finals and grand finals, GOOD LUCK from the Committee. Win or lose you have played well to get this far.

At the time of writing the venues for the semis is not finalised yet. When I have been advised I will contact all coaches of the teams concerned.

IMPORTANT DATE: A.G.M. 26th September, 1983, Central Coast Leagues Club. All positions become vacant. Perhaps this may be your year to take on a position. However, most positions are time consuming with little thanks or praise only the satisfaction of knowing we are working for our children and a code of sport that we love.

All Association Trophies must be returned immediately to me.

All registration cards, balls and shirts must be returned to Leonie Best, 1 Glencoe Av. Wyoming as soon as possible.

IMPORTANT: Managers, please take extra care when filling in team sheets for semis, finals and grand finals. 3rd Grade B could have lost their semi finals because of a technicality. For example Tony Cronin, registered as Anthony and most times put on the sheet as A.Cronin, semi final day put on the team sheet as T.Cronin. However, as far as the Association is concerned T.Cronin was not a qualified player and to anyone checking the team sheets he could have been two different people. Extra care taken can save a lot of unpleasantness.

AGE ELIGIBILITY. This will not be in this year, however, when it does come in - it will be Australia wide and therefore nothing can be changed.

CONGRATULATIONS to the under 15 girls team who won their grand final against Killarney District. Our under 17 girls were Runners Up to Killarney District in the Norman Ross Cup and the competition. The All Age Ladies were also Runners Up in the Norman Ross Cup to Budgewoi, so congratulations to all girls and coaches for a successful year of ladies soccer.

HOROWHENUA COLLEGE will be our guests during the last week of the school holidays and I hope that you will make them welcome. They will be arriving at Alan Davidson Park on Saturday 3rd September where they will be met by their billiting families. Joccer games as well as a trip to Old Sydney Town and the Reptil Park have been arranged for them. The 16A will be playing them at 1.30pm on Mon. 5th and the 16B at 3pm. The next day Henry Kendal High school will be playing one of the teams at 1.30pm kick off and for this I would like to thank Martin Gallagher for his help in organising this. The 14A will be playing their second team at 3pm. I do hope some of you will be available to meet our visitors and watch them play.

FINAL REPORTS FOR THE YEAR. These must be in by the A.G.M. How about one from every team in the last Tiger Tales for the year. Some teams have not had one in this year yet other never miss.

REFEREE CL 143 - all claims must be in by the A.G.M. - after that TOO LATE.

One week-end in November (date to be advised) the coaches federation is holding a coaches clinic. This would especially be of interest to those intending to coach for the 1984 season. Further details will be available in the next edition of Tiger Tales.

Further on in this edition of Tiger Tales is a few dates to remember and also full details on the Junior Presentation.

I would like to thank all persons billeting the boys from Levin, in New Zealand. Listed below are the names of boys and who they will be staying with. Should there be any query with any of these please contact me as soon as possible. Some billets have still to be confirmed by parents.

TEAM REPORTS

Under 6A1: Well the boys first year has just about ended with only one game to be played. It has been a very successful season with the team having 13 wins, 2 draws and one loss, scoring 52 goals and conceding just 5. Recent games were Wyoming 2 Gosford 0. This game was played with 9 players on our side and a 2-0 win was a great credit to the boys who played in this game. Evan Carey scored 2 goals and solid defence kept Gosford out. Wyoming 2 Umina 1. A very close game up till half time when the scores were 1-1 but a good team effort saw us blot Umina out in the second half with a goal to Evan Carey to back up Keenan Fields first half goals. Wyoming 7 East Gosford 0. What was expected to be a close game proved a lot easier for the boys. Two goals to Peter Miller saw us leading 2-0 at half time and 4 goals to Evan Carey and an own goal led to a 7-0 win. While it seems the goal scorers always get their name in print we should especially mention the best players for the month, Ben Lyons, Adam Coulter, David McGarvey and the best improvers, Daniel Curtis and Justin Nixon. I hope everyone enjoys the last game of the year and attends our team picnic and above all please make yourselves available for the soccer presentation held at the Central Coast Leagues Club on Sunday 9th October.

.....Coach.

Under 6A2: The end of the season has come for us and we have finished with 3 fine games. 30.7. vs WOY WOY 1-0 Win. The boys were evenly matched and a fine effort put in by the whole team. They were really playing well and were finally rewarded, with a goal scored by Kristian Butler. Craig Clucas, Michael Buchanan, Ben Geeson and Michael Kennedy played well in attack, with David Carr playing well as usual in defence. 6.8. vs TERRIGAL 0-0 Loss. Half the team were really sick, but they held Terrigal to a 0-0 draw at half time. They came off coughing and sniffing and wanting to "retire", but with no reserves had to take the field again and gave it all they had but a lucky deflection for Terrigal resulted in a goal. Elliot Cox, Wade Starr, Richard Gibson tried hard in the game considering they were sick, and Ben Hodgson tried hard in goals. 30.8. vs ETTALONG 0-1 Loss. The boys started off slow and let Ettalong slip to a 1-0 lead in a very fast first half. After half time the boys really applied themselves, and put up a fine effort against a very determined Ettalong side and held them with no goals being scored in this half. Ben Roberts, Daniel Spencer, Richard Coombes, Chris Large played well in this game. A special thanks to (always late but always there) Peter Butler for his assistance throughout the year, thanks Pete.

.....Coach.

Under 7A1: 30.7.83. The game got off to a good start with a fine run down the left wing by Blake with Umina clearing and Craig centering to Kirk whose shot unluckily hit the post. Wyoming attacked again with Jason D. dribbling well and passing to Scott. Umina took the ball into Wyomings half and a clearing kick from Adam K. once again saw Jason D. dribbling down field and a great pass to Scott whose shot sailed over the goalies head for Wyomings first goal. Jason D. was again in the thick of things with a pass to Scott who passed to Adam K. for a good run down the right wing for a fine shot from out wide and an equally good save from the Umina goal keeper. Umina attacked into Wyomings half late in the first half but some fine clearing kicks and defensive work from Jason B., Grant, Brett and Simon saw the half time score Wyoming 1 Umina 0. The second half started with a good kick down field from Scott with Michael showing great determination after being knocked down to regain the ball and pass to Tim whose shot was wide of the goal. Some more good defensive work from Jason B., Grant, Brett and Simon saw Jamie make a good run which resulted in a penalty which Scott scored leaving Wyoming 2 Umina 0. Our boys then went to sleep with Umina pouring on the pressure with Adam M. making a great save but unfortunately our boys were unable to clear the goal mouth and Umina scored with a good shot into the corner of the net, Wyoming 2 Umina 1. Umina again attacked but luckily for us they were unable to equalise and the boys getting away with a 2 to 1 victory. (Dad's report)

TEAM REPORTS

Page 2

Under 7A1 (cont) 6.8.83. Wyoming vs Woy Woy. The first half proved to be a very tight defensive game as both teams were attacking each others goal but with no reward to be paid. The boys kept their positions extremely well and had the whole field covered. The second half proved to be blinder from the kick off with Scott scoring straight away which turned our defence into solid attack. Another burst by the forwards and in went Scott again next it was Andrews turn to score a great goal and to really push our position of strength home Scott capped it off with two more good goals giving us a runaway 5 nil win. An excellent game boys. 13.8.83. Wyoming vs East Gosford. Called off due to rain. 20.8.83. Wyoming 7A1 V Wyoming 7A2. The game ended in a nil all draw with the 7A2's on the day playing the better game of soccer. However, the change of shirt did confuse the boys as they hesitated quite a lot when going to pass the ball to each other and it gave the 2's that little extra time to go in at our boys. After the game I spoke to the coach of the 2's and he mentioned that when we played them before that same confusion was there in his team. The boys at least held in there to keep the game scoreless with some fine defence and tried very hard in attack but could not penetrate the other equally fine defence. A good game by both teams. 21.8.83. Wyoming 7A1 Picnic Day at Mt. Penang. A lovely fine and sunny day for us and a great roll up. The day kicked off about 11.30 with the setting up of camp and a bit of a warm up with the ball for the Dads for the after lunch onslaught from the kids. The next thing was a tractor cart ride around the area and due to the roll up it was split into two rides with most kids filling the first ride and leaving only a couple for the second, so the Mums outweighed the Dads for a ride around and nearly overweighed the tractor with the driver in the lowest gear he could find, it took him three goes to get up a very small grade with a vein popping push from Graham Morris they finally got under way. The young Tigers couldn't wait to get us out there, so out we went and from the kick off it was on with sheer determination from the kids and alot of puffing and panting from us. The Tigers won with alot of help from the Mums who formed a solid wall in front of the goal and had the hide to netball the ball down field for them to score, we tried to put in a protest but it was dismissed by the kids who said we started it off (we did). I would like to thank everyone for coming and for all the support I have received through the season from all the parents in one way or another and would especially like to thank our coach, Bruce Davis for his endless efforts and devotion for the boys. To our Sons who showed us their determination, courage, good manners and above all their sportsmanship I am extremely proud to have been their manager. The lovely present I received will be cherished with fond memories always. Thanks again for a great season and hope to see you all next one. Under 7 Knockout 7th August, 1983. First game against Terrigal was a nil all draw, however, Terrigal won on corners. This put us into "B" Division. Second game against Killarney 2 side which we won by 3 nil, goals scored by Scott, Jamie and Adam Morris. Third game against East Gosford which we won by 3 nil. Fourth game, final, against Wyoming 7A2's which we won by one nil, goal scored by Scott. Firstly I would like to congratulate our boys for a fine display of team work and especially of sportsmanship during every match, and their good behaviour throughout the day which was long for them. To our coach congratulations on a job well done when trying to allocate players for different games through the day. Every bod had an outstanding game and not taking anything away from anyone I will only mention one and he is young Michael McGarvey who played goalie every game of his own accord and did not let one ball pass him but must have stopped so many I lost count. I would like to thank the parents for their support on the day in encouragement from the sidelines and help with selling the raffle tickets and with the boys during breaks. Thank you to Wyoming Soccer club for a well organised and pleasant day. Thank you to Steve Field and

Under 7A2: 30.7.83. v TERRIGAL. The boys went down 1.0. This being a very easy goal for Terrigal as all the boys wanted to do was look at the ball. The goal was scored early on in the game and after this set back the boys settled down and started to play soccer. Daniel Morrison performed some great saves while in goals the first half. The good goal keeping standard was continued in the second half when Ben Piefke had a turn between the posts. Ben stopped a penalty and made some good saves. Rod Northey enjoyed his opportunity of playing in the forwards by pushing some good passes through the centre to Brad Kirk who played his usual game making a number of penetrating breaks and creating the openings for his fellow forwards. Craig Gallagher also played well in the halves. The boys main problem seems they are all playing defence, our defence not being strong enough to enable to allow the forwards to play their normal role up front. 5.8.83. v DAVISTOWN. Once again the boys lost 1.0. As in most of our matches the boys spend most of their time in defence. Those boys that stay up in the forward line don't get the support they require. Stuart and Chris playing their usual robust game with Craig, Mark and Trent being very prominent in defence. Very pleased to see James Cartor play a solid game, in holding his full back position. 7.8.83. KNOCK OUT. The team participated in the Under 7 knockout competition and Coach and Manager are both very proud of the way all the boys performed throughout this competition to reach the Final. The boys played the following games to reach the final. BUDGEWOI No. 1 Lost 1.0. The first half being very tight, during the second half Budgewoi had a three player overlap in their forwards, resulting in a goal. GOSFORD CITY. 0-0 Draw. Corner kicks and goal kicks were the winners for the boys in this game. WYOMING No. 3 2.0 Win. Solid play and penetrating attack was the winning formula. The Final versus WYOMING No. 1 Lost 1.0. Although the boys lost this one, all parents were very proud of their boys, in the way they fought their way to the final. The teams climb to the final was a nail-biting experience for all parents. The encouraging factor was that all the boys contributed to the teams success by playing to the coaches instructions. Once again boys well done and congratulations, to the A1's on their win in the competition. Also thanks to all the ladies who helped out by making cakes and manning the cake stall 20.8.83. v WYOMING A1. Result 0-0 Draw. This was a great result for the boys. It not only proves the boys are playing better, but they can play equally as well as the No. 1 side. Our improvement on previous games against the A1's this year resulted in 4.0 loss (Trial Match) 3.0, 2.0, 1.0 (Final knock out) a great achievement to end the season. Once again all the boys played well, Wade, James, Craig, Geoffrey, Steve, Mark, and Ben Emery all very solid in defence. Trent and Ben Piefke giving good support in the centre, Brad Ham and Brad Kirk in usual supportive roles forward, while falling back to defence, also setting up a number of openings for attack. Chris and Stuart defending well while creating and taking advantage of openings created for them. Rod and Daniel sharing goalkeeping duties were effective in keeping the A1's goalless. The boys are now starting to realise they can't all score goals. If each boy plays to coaches instructions whether being goalkeeper, defence or attack, they all play their part in the teams performance. We have some outstanding players who are very noticable. We also have players who hold their positions, gain possession of the ball and set up the breaks. These players are our quiet achievers and quite often achieving better

Under 7A2 (cont) results. The teams performance has been a credit to the boys during the season, by winning a few games and gaining a fair share of draws, when one considers the fact that most of the boys have not played soccer before. By playing the boys in various positions throughout the season to find which position they were best suited for, it is hoped they have gained experience to help them further their soccer careers. Finally on behalf of George Northey and myself, I would like to take this opportunity of thanking all parents for their help and co-operation in supporting our team during the season.

Under 9A1: 30.7.83. vs Umina. In the first half the Wyoming team had control of the game, with the boys bustling the Umina team, which worked very well. The full-backs, David Hildridge, Danny Bembrick and Glen Dury all played well on the back line. Daniel Wilson played confidently in defending the goal. They were running up-hill first half and scored a good goal off the boot of Brett Woods, which was scored from a long way out, beating the keeper with a shot well above his head, well placed Brett. Umina scored a goal with a long high ball out from the penalty area, which beat our keeper to tie the score at 1 all at half-time. In the second half the boys didn't seem to play with the fire displayed in the first half, and turned to defending rather than attacking. We had many opportunities but were unlucky to score. Good support on the sidelines by parent cheer squad. Final score Umina winning 2-1. Conrad Strachan as goal keeper in the second half played with a lot of commonsense, under pressure. 4.8.83. vs Woy Woy. Many of the players were suffering from coughs, and colds and were not feeling well. The boys were finding it difficult to control the wet slippery ball. Wyoming scored the first goal due to pressure in the front line, which caused a rebound off a player, went high into the air and into the back of the net. In the second half we had plenty of chances to score but we were unlucky not to be able to find the net. A good game by Danny Bembrick and Conrad Strachan in the goals. Final score 1 nil to Wyoming. 20.8.83. vs 9A2's. Wyoming 9A1's were doing most of the attacking in the first half, scoring the first 2 goals with good follow-up play by players. The A2's scored a goal against us with a good bit of play by the strikers for their team. In the second half the boys settled down to play more of a passing game with many near misses to the net. Goal scorers 1 to Danny Bembrick and 1 to Daniel Wilson. Good effort by Conrad Strachan in the goals. Final Score 2-1.

.....Coach.

Under 9B2: 30.7.83. vs DAVISTOWN. This game was played in two halves by the team. The first half was all our way with our forwards scoring three good goals, two by Wayne Jones and one by Scott Bennett. In the second half our game fell by the wayside. We did not tackle or go after the ball. It looked as though you thought 3 goals was enough, but Davistown came back and scored goals to win the game. Not a very good effort boys. 6.8.83. vs TERRIGAL (2) This game was very hard throughout and really tested us. We conceded a goal but we still kept trying which was very pleasing. There were a few strange faces in the Terrigal side which we had not seen in our previous encounters. It came down to the last minute of play and we were awarded a penalty which Daniel Vandermey slotted to give us a 1 ALL DRAW. 20.8.83. vs WOY WOY. This game gave all the spectators plenty of excitement throughout the game. The Woy Woy keeper was kept very busy and made many fine saves. We played as a team and the game was played in slippery conditions. Wayne Jones scored with 2 minutes left to play after the goalkeeper from Woy Woy did not stop a shot from Daniel Vandermey, it went through his legs and Wayne followed up to put in the finishing touch. Result a one nil

Under 9C1: 30.7.83. v Umina, lost 1-0. 6.8.83. v P.M.K. Lost 2-0. 13.8.83. Washed out. 20.8.83. v Wyoming 9C2 Lost 3-1. During this period of the season our boys began to look like a football team, and the scores were not a true indication of each game. An unfortunate "own" goal against Umina helped them to beat us, and some easy chances were missed against P.M.K. In the local derby against the 9C2's the boys did not get into the game until the last 15 minutes. Our supporters had many opportunities to cheer themselves hoarse during these games. We can remember - Ravi's brilliant save of a direct penalty against P.M.K. - Drew's great run along the right wing and his positioning of a perfect cross for Chris to shoot at an unprotected goal (bad luck it missed) - a tremendous kick from Scotty that travelled almost the full length of the field - some great combined defence at the back between Tane, Sean Sinclair and Matthew, who always keeps a cool head. A pleasing feature from our team was the whole hearted approach by our seven and eight old players, Glen and Ben. Some of the boys playing against them must have looked bigger than their fathers, but they kept trying like little terriers. A special mention for the two most improved players - Peter who is now concentrating for a whole game and Mike who always brings a roar from our supporters every time he touches the ball. In one of our better moments against the C2's Sean Tobin made a neat run past their defence before passing to Chris, who made no mistake by slamming the ball in the back of the net. We have continued to be helped by the "deadly duo" from the 7A2's, Chris and Brad, who have displayed courage against older and bigger players and demonstrated good ball skills. The coach, manager and parents are proud of the boys who continue to try hard in every match, and although some days are better than others, we have noticed a big improvement since the season started. Keep up the good work boys.

.....Coach.

Under 9C2: Versus P.M.K. 1-1 Draw. After a scrappy first half in which there was a drastic lack of teamwork and we were lucky not to concede a couple of goals, the boys finally got their act together for the first part of the second half. An excellent goal headed in from a corner by Robert Hay saw us take a 1-0 lead. Thinking that the game was won, the boys eased off allowing P.M.K. to score. Remember boys, you can't expect to play good for 10 minutes and win a game, although it was good to see you fight back in the end and you were probably unlucky not to win. Better players were Robert Hay, Alex Noble and Matt Cottier. Versus Wyoming 9C1 3-1 Win. In this game we again got off to a slow start but came out in the second half and showed just what we could do when we kept to our positions, with some much improved performances from all the players, especially Natham Jones and Neil Cox who both kept running all day. Versus Terrigal 7-0 Win. A better effort was put in today and the results show for themselves. With teamwork the goals managed to go in. Our defence was strong and this prevented Terrigal from scoring. Overall the tackling was better today and with the extra possession, we were able to make more scoring chances. Better players were Brad Campbell, Rod Jose, Paul Gallagher and Russell Murphy. Versus East Gosford 3-1 Win. After an unlucky start in which East Gosford were awarded a doubtful penalty, the boys completely outclassed their opposition. Brad Campbell was extremely unlucky not to score as he hit the post 3 times. Matt Cottier played a great game on the right wing. A good hat-trick was scored by Robert Hay in the second half when he came on. Alex Noble was strong in defence as well. Versus Davistown 3-3 Draw. A late goal by Davistown prevented us from winning this game and I think we deserved to win. It was a rather patchy effort with some good peices of soccer being played

Under 5C2 (cont) but some rather ordinary play as well. Good games were played by Neil Cox and Matt Cottier. Paul Gallagher had a great game in goals making some excellent saves. Thanks to Ben Noble and Craig Gallaher for helping us out.

.....Coach.

Under 10A: Round 17. v Gosford Result: 7-0. Despite the fact that it was an under-strength Gosford side, Wyoming recorded a good win. Troy Northey, Ian Fraser and Mat Smith were as safe as ever at the back, whilst midfielders Mark Wallace, Scot Brown, Rod Martin and Craig Brann worked non-stop in midfield. Goal hungry forwards Shane White, Andrew McDonald (2 goals) Simons Burgess (4 goals) and Scott Walker (1 goal) had a feast of possession and were involved in some good moves. Kyle Clarke had a sound game in goals. A good team performance with everyone giving full effort! Round 18 v Umina Result: 6-1. Wyoming carried their good form of the previous week into this match. Obviously eager for goals, the team found the back of the net six times with Scot Brown scoring 3 and one each to Simon Burgess, Andrew McDonald and Scot Walker. A satisfying win and one which could go a long way towards snaring the minor premiership. Round 19 v Umina Result: 1-1. A much more determined Umina outfit gave Wyoming a bit of a scare as they led 1-0 half way through the second-half. Only a rather lucky goal which crossed the line after their goalie failed to hold it, enabled us to equalise. Our forwards were off target on many occasions and should really have wrapped the match up. It was one of those days when nothing went right but a draw was probably a fair result.

.....Coach.

Under 10B1: Versus Umina Away 30.7.83 3-0 win. This was the game that we had to win to stay in the race for the semis and that is the way the boys played with our under 8 reserve Robbie Ross playing a big part in our win. We attacked Umina in the first half with Robbie making a great break but a good save by Umina's keeper. Then later in the half Craig Ross ran on to a loose ball from Umina and found the net. Then Umina's turn to attack but it was short lived when Brett Sanderson saved to give us a 1-0 nil lead at halftime. The second half our boys were never out of Umina's half and sustained the pressure and finally Robbie came up with two second half goals. Adam Clarke who had his best game of the season had a couple of long range shots that just missed. Bradley Place, Joel Evans, Mathew Rutherford all had good games in defence and Robbie and Craig were our best attacking boys, a great win boys. Versus Terrigal 2's Home 6.8.83. Lost 1-0. Although beaten in this game, it was a great team effort just one mistake in the first half cost us the game. I feel sure we won everywhere but on the scoreboard. The boys never let the Terrigal team out of their end of the field in the second half but just could not put the ball away for a goal. Adam Clarke who took a penalty, put the ball to the side of the post, then a good corner kick from Adam Clarke, saw Shane Andrews put it over the bar, but it was a great effort the defence of Mathew Rutherford, Joel Evans, Dale Condon, Bradley Place, and Adam Clarke was great and Craig Ross had another good game in goals. While in the forwards Brendon Price, Brett Sanderson, Chris Wicks, Darryl Lambert, Shane Andrews and in the second half replacements of Adam Kirkwood and Robbie Ross tried hard. Thanks for a great effort. Versus Terrigals 2's Away 20.8.83. Lost 4-1. This all important game had to be the worst effort all year our defence which has to be a worst effort all year our defence which has been so sound all year seemed to be disrupted with the absence of Mathew Rutherford. Down 2-0 just before half time we went on the attack with Brendon Price going down the wing passing to Craig Ross who crossed it across the goal mouth to find Shane Andrews who put it in the net. The boys let Terrigal score 2 more quick goals in the second half and they just could not come back into the game. None tried harder than Dale Condon

Under 10B2: Since our last match report the team has only played three games, as our postponed match against Umina was again washed out. Matches played and results were:- 30.7.83. v Terrigal (1) Score 1-2. 6.8.83. v The Entrance Score 2-0. 20.8.83. v The Entrance Score 1-0. The boys have now managed to score some goals at last because they are now playing as a team. Against Terrigal the boys managed to equalise 1-1 in the second half and only a momentary lapse saw the game go against them. We won both matches against a sadly depleted Entrance side, however, the score should have been higher. I know its hard to stay onside when the numbers are 11 to 8, however, if they listened to Dean the coaches instructions and moved back onside quickly, we could have made the results look better. See you all at the presentation day on Sunday 9th October.

.....Manager.

Under 10C: There have only been 2 games since last report as one was a wash-out and the other a bye. However, the team is still undefeated with a nil all draw against Gosford and a nil result against Killarney. It is pleasing to note that this team, out of all teams on the Central Coast including seniors, has had the least number of goals scored against them. They have only relinquished 3 goals and all of these were in one game. This is due to a fine defensive team and a top keeper, however, we still aren't afraid to score, having put 33 in against the opposition. Surprisingly enough, none of the games have been walk-overs, and having beaten a team previously doesn't mean an automatic win next time. All games are hard fought and most are only one goal victories which shows the fighting spirit of the whole team. It would be disappointing to lose the finals after coming so far, but it could be anybody's game on the day.

.....Coach.

Under 10D: Kanwal (1) 30.7.83. A great game to watch against the leaders. After winning last round the boys looked like holding Kanwal off for a draw. However, lack of concentration in the last 10 minutes allowed Kanwal to score two goals. The backs had a super game. David and Shannon defended well and Matthew saved two attempts and played his best game this year. Steve our keeper also worked well and kept out many an attempt from Kanwal's strong attack Ronan, Bjarke (BJ) and Brendion put in a tremendous effort in midfield as did Rodney and Jacob who also defended well. However, what we lacked was our usually strong forward attack. Paul floundered on his two attempts at goal and Gregory and Paul Jones both failed to penetrate Kanwal's strong defence. I felt we needed Ronan up there too to press Kanwal's defence. Ettalong 6.8.83. Win 1-nil. A funny game to watch. Just about every boy except the keeper had a go at the "sticks". In all over twenty-five attempts at goal were taken - terrific practice for Ettalong's keeper. Ronan finally scored to our delight. Whilst the boys just ran through Ettalong they couldn't finish off their moves. Budgewoi 13.8.83. washout - are we ever going to meet the elusive "budgies". Kanwal (2) 20.8.83. Win 3-nil. Goals were scored by Brendion, Roan and Paul from good backing up. All boys played well. Bjarke (BJ) eliminated any chance of Kanwal passing the midfield area with his consistent defence and assisted by Brendian did a top job. Peter also had a strong game and defended well. Paul Jones and Gregory on respective wings attacked well and are passing the ball well, between Paul in the centre. Well boys we

TEAM REPORTS

Page 8

Under 10D (cont) are now running third in the comp. "not bad for no home games", and hopefully we will make the semis, but if not I would like to congratulate each boy for the year's performance. I feel each boy has improved in skills and sportsmanship and this is what it is all about. To all valued supporters I remind everyone of our end of year B-B-Q to be held at Alan Davidson Park (finally we get home) on the 10th September, 1983.

Under 8A1: 17.7.83. U/8 Knockout at East Gosford. The first game against KANWAL was a 7-0 win for the team, excellent team work and goal shooting against a team who tended to let the ball come to them instead of attacking it. Next game against VALENTINE a Newcastle side, result a 1-0 win. A very hard game against a strong opposition with the midfield players starting to show the strain of constant effort. The next game was against the eventual winners of the Knockout, Entrance result lost 2-0, a hard game against a very well drilled outfit with our midfield players finding the effort and the opposition a little too much for them. Two quick goals in the first half gave the opposition too good a head start and although it was a great effort we couldn't catch them. A gutsy effort from Paul Merryweather our goalie for this game, saw him replaced in the second half after being kicked by the Entrance forwards. A great show of courage from Paul, poor sportsmanship from the Entrance. The eventual runner-up in A Division were Umina (who we have beaten twice this year) and the winners of B division Gosford (we beat them too). 23.7.83. vs Gosford 1-0 win. A hard game with Gosford putting their best player in goals. Excellent games from everyone, particularly Bret Jager, David Clarkson and Luke Mason. The player of the game for Gosford was their goalie he must have stopped at least 5 sure goals. Robert Ross was the eventual scorer of our goal, a non-stop effort of great determination, bit everyone played well. Congratulations to all the players. Every week it gets harder to pick the best player as each boy is learning that to win you must play as a team and that is what the game is all about - Great work from all the boys congratulations on the results so far 9 wins, 4 draws, 1 loss, 26 goals for, 9 against.

.....Coach.

Under 11A: Since our last report the results of the matches have been - Woy Woy 4-0, Killarney 7-0, Gosford 8-0, Umina 6-0, Umina 5-0. Well it took a defeat from Terrigal to wake the boys up. Since then we've had some excellent games played by the team. In the game against Killarney the boys scored the best goal they have ever scored and 8 passes from a goalkick they scored without the opposition touching the ball. In the first game against Umina our goalkeeper Paul Moriarty gave a brilliant display saving many certain goals. Congratulations to the boys for being "Minor Premiers" again. Keep playing the way you are and hopefully we'll take out the Premiership. Jokes: Leah: What has an E at the beginning and an E at the end and one letter in it? An envelope. NO NAME: What happened to the Irish parachuter? He missed the world!!!!

.....Manager.

Under 11B: 30th July vs Umina 1 all draw. A game which, maybe, should have had a more favourable result. We were unable to penetrate Umina's defense in the first half. The change over produced a better standard which allowed us to score first. The rest of the game, played against the wind was always in their half except for an infrequent charge at our goal. One of which resulted in the equalising goal. Best on the day were, Anthony, Darren, Sam and Troy. 6th August vs Berkeley Vale. 8-0. The game in many aspects is not described by the end result - Berkeley played with eight boys but showed two aspects of the boys game. The majority of the goals came in the first half and this showed the boys attacking and goal

TEAM REPORTS

Under 11B (cont) and goal scoring skills. The second half was much more entertaining from a spectators point of view as the boys concentrated on their game skills - in particular their passing and moving into vacant areas. Even the boys appeared to enjoy this brand of playing to that of the first half. Craig, Ian, Paul and Richard were the better player on the day. 13th August. A wash out of a washed out game. 20th August vs Berkeley Vale 3-1 win. Unfortunately the boys thought that they could emulate the result of a fortnight ago. However, Berkeley were at full strength. The boys had a good first half once they realised it was a different game. There was some excellent team work particularly with their passing, anticipation and tackling. The second half looked as if their was a different Wyoming team on the field - with only the occasionally glimpse of the first half brilliance. A draw in next wee's washed out washed out game will ensure us of a final four position. Finally, the team hopes that Matthew has a speedy recovery from his broken hand.

.....Manager.

Under 11C: 1-1 draw with Kanwal, Greenie good goal. Philip don't worry it happens to all of us. Great game Kevin. This was one of our best games because we had a solid team effort. Keep it up. Just remember never retaliate when the team starts to foul. Killarney District 2-0. Good game boys as usual we had 90% of the game but as long as we get one and the others don't score. Darkie a great game starting to fir again Adam got his usual game Tank going well Twelve a good game even though he was out of position Dooly and David best games of year. Berkeley Vale 1-1. Magic boys wonderful effort MINOR PREMIERS. Every player played great Adrian is still improving Derrick a surperb captains game. The opposition scored a lucky goal and they know it.

"Sir M" (Coach)

Under 12A1: As the team lines up for the final competition game of the season we find we have not had a very successful month losing on 2 occasions to Umina. However, we are again in the semi finals and using the skills within the team are capable of beating the other 3 teams. Results since last report were:- Wyoming (1) 2 vs Wyoming(2) 0, Wyoming (1) 1 vs Umina 3, Wyoming (1) versus Umina 4. Best players in the month were Simon Andrew and Connel Field with big improvements from John McGarvey and Jason Hulston. Everybody please attend the presentation day on October 9th as final plans will be made then for the following weeks trip to Foster-Tuncurry.

.....Coach.

Under 12C: 9.7.83. vs Gosford Nill All Draw. - Unable to attend. 16.7.83. Killarney at Killarney. A much stronger Killarney side applied much pressure against our side causing a lot of messy play. However, with good defence from Michael Hickey and a strong game by Jeremy Hoskins and Neil Carney they managed to grab a draw in the last 3 minutes. Goal scored by Neil Carney. Not bad for only one good eye. The score would have been much worse except for Rod Scales saves - scoops.

.....Coach.

Under 12A2: 30.7.83. Against WYOMING (1) A very even game in the first half with the ball continually travelling up and down the field. Peter being very unlucky not to socre just before half time, seeing their keeper well off his line he tried a chip shot but unfortunately the ball just bounced over the bar with the keeper well beaten. In the second half the team relaxed a little and allowed in a couple of easy goals. Full time score Wyoming (1) 2 goals, Wyoming (2) Nil. 6.8.83. Against DAVISTOWN. A big improvement on

TEAM REPORTS

Page 10

Under 12A2: (cont) the previous week. After scoring an early goal we were never headed, but again the second half players relaxed but this time we got away with it. Result Wyoming 1 Davistown 0. 13.8.83. Against Killarney Washed Out. 20.8.83. Against DAVISTOWN. A shocking start to what should have been an easy game. After 7 minutes we were down 2-0, but the old fighting spirit came alive in the second half with a good goal each to Robert and Bob, leaving the full time score 4-2.

.....Coach.

Under 13A: 30.7.83. Versus Ettalong. Win 5-0. This was the game Ettalong wanted to win so badly to bring them into 4th position on the competition table. However, our boys decided that they were not going to let that happen and they all played well as a team. It was a good game and the end result was well deserved. 7.8.83. Versus Davistown. Win 1-0. 14.8.83. Washed Out. 21.8.83. Versus P.M.K. This game was won on forfeit, and it was most unfortunate that P.M.K. did not turn up as the boys were looking forward to the game and the team needed the run after the previous weeks washed game. This days also saw the defeat of Kanwl by Killarney so for this week we are now Minor Premiers. Saturdays game against a much improved Killarney is most important to the team as a win or draw will see us finish the season on top of the ladder and ofcourse Minor Premiers.

.....Coach.

UNDER 7 KNOCKOUT REPORT

The under 7 knockout was held on Sunday 7th August and I would like to thank Steve Field my co-organiser for his help as always. I'm sure Steve would like me to thank Dennis Hulston and Stuart Geeson who manned the official area with him for the entire day.

Our day would not have been as successful without the "club referees" who were there to offer their assistance, Ray Hildridge, Glen Stewart, Steve Czisz, Malcolm Moffit, Warren Snashall and our thanks go to them.

The coaches, managers and parents of our 3 under 7 teams were a great help and with their support the day was great success for our club. The 7A1's sold the remaining raffle tickets, 7A2's ran the very successful cake stall making a profit of \$100 and the 7B team ran the B.B.Q. All in all a good team effort from all.

I would like to thank Rob Kavanagh, manager of the 7A1 team who went to a lot of trouble to organise the 5 prizes. This raffle took \$400 bringing the total of money raised by club raffles this year to just over \$520.00. Raffle winners were: 1st prize, Mrs. Slender of Wamberal, 2nd prize Mrs. McClaund of Wyong, 3rd prize Mrs. Smithson of Wyoming, 4th prize Master Scott of North Gosford and 5th prize Mrs. Bonnard of Somersby. The special prize of the tiger went to the little boy Geeson from the 6A2 who sold the most tickets. Thank you to all who supported the raffle.

Thank you to all who manned the canteen and special thanks to Glennis and Barry Tate who worked all day with all the regular "old faces" seen each week.

Next years under 7's will have a hard act to follow!

The winner of the "A" division was Killarney and Terrigal were the Runnder Up.

The winner of the "B" division was Wyoming 1 team with Wyoming 2 being the Runners Up.

Thank you again for all the help.

Jill Smith.

SENIOR SCENE

The most important point to make first is to congratulate Norm Woods and his "Thirsty Thirds" (3rd grade B) on attaining the MINOR PREMIERSHIP and also winning the MAJOR SEMI FINAL to proceed to the GRAND FINAL on 4th Sept. 1983. A great result for this team and to the Club for a very dedicated bunch of players who deserve everything that comes their way. Nothing but a win next week would do justice to this teams effort this season. It would be a fitting reward to coach Norm and the teams supporters and you too, Denis. Watching the game from the sideline I am sure Denis plays every ball for the team - she must be a wreck at the end of a game. A good pair that Norm and Denis. By the way its not true that Denis kept Norm up all night before the SEMI FINAL worried about the game, but it is true that the Wood's are expecting an excess water bill this year for excessive flushing!

First grade over the last month has had mixed results and although not picking up significant competition points the team has ironically achieved the best effort in the Angel Pie Cup (old Normal Ross Cup) since its inception eight years ago. A competition in which Wyoming has never been a dominate force for some unknown strange reason but this year with the spirit of old from all players, something which has been missing for most of the season the 1st grade team went within a boot lace to making it to the FINAL against Wyong. The game in question the SEMI Final played against KILLARNEY DISTRICT was Wyomings for the taking but due to bad luck the game swung KILLARNEY'S way in the last 15 minutes which lead to extra time where Killarney finished off any fight that Wyoming had. The game was eventually won 3-2 by Killarney. To witness the game one could only be proud of the performance of all players. Without much to fight for, since half way through the competition proper, it was a credit to the players and Kevin Best the coach to build themselves up for the game - probably the biggest game for the first grade for the season. To go so close and not to produce the goods was disappointing but encouraging for the future. The spirit is still there. Only the ball has to run true. Congratulations from the coach and the Club for making the heart flutter again in such an important game.

The competition games played last month were Toukley win 4/2, Budgewoi loss 2/0, East Gosford loss 2/0 and Killarney loss 2/1.

All these games were enterprising ones with the opposition never overshadowing Wyoming at any stage. The Budgewoi game was probably the most disappointing as it did not indicate the true game. By eliminating the defensive errors and making the most of the teams opportunities to score, the above results could have been easily reversed.

With two games remaining East Gosford away and Budgewoi at home the first grade will start building for next season. By the way the Budgewoi game enables the 1st grade players to play in different positions, you can imagine Glen Stewart in mid field or Steve Frame in goals or Steve Czisz trying to score. Surprisingly the team will probably play quite well.

Reserve grade although having a set back against East Gosford is holding down 3rd spot and can only win its next two games to gain a possible 2nd spot. Although not a foregone conclusion it all depends on results from other games. Wyong can still sneak into 2nd spot.

But irrespective of the positioning, this team is Kevin Best's great last hope for honours this year. The team that can be put on the field for the Semis is a very good one and one which believe it or not has not played together yet. Its been that sort of year with hassle after hassle with nothing going right and therefore no

stability in team selection. The squad to represent the Club in the semis will be, Connor, Phillips, Ryan, Piefke, Cantwell, White, Sutherland, Luca, Clews, Menzies, McNeil, O'Toole, Selig, McLeary and Bartlett.

Talking to coach Kevin Best he is very confident that the squad will produce the goods.

Reserve grade results this month were Toukley draw 2/2, Budgewoi win 6/1, East Gosford loss 3/2 and Killarney win 3/0.

The under 10 side in the last month has had mixed results but still cling to 4th spot. With only two games remaining this team can only win both and hold onto a semi final berth. Upon reviewing the other semi final contenders, I cannot image any of them defeating full strength Wyoming combination. Col Menzies (coach) however, still has a job at hand striving for his second consecutive premiership.

Well next month will be the make or break of the senior sides still in the premiership hunt.

Good luck from all the club to 3rd grade B, Premier League Reserve grade and Under 19 teams and their coaches Norm Woods, Kevin Best and Col Menzies.

SEE YOU AT THE CELEBRATIONS.

"BUTTERCUP"

3RD "B" THE TEAM OF 83/38.

Since the last report the "OLD FELLOWS" have played 4 games, winning 3 and losing 1. 31.7.83. Against East Gosford. This was the game that we needed to win to clinch the Minor Premiership, but alas things went wrong from the start and suddently we found ourselves down 2-0 by half time. Not goals scored by East Gosford but mistakes by ourselves. In the second half the team settled down much better and started to play the attacking soccer they are known for, this caused panic in the East Gosford defence and suddently the score was 2-2. Then late in the game we allowed them to score another 2 goals to make the final score East Gosford 4, Wyoming 2. 7.8.83. Against Entrance. The "OLD FELLOWS" appreciated the later start and moved into top gear right from the kick off completely blocking the Entrance out of the game. After the first goal was scored the Entrance lost interest in the game and only poor finishing off up front stopped the score from being much higher. Result Wyoming 3, Entrance 0. A pleasent surprise awaited the team when they arrived back at Head Quarters to find out East Gosford had been beaten by Kanwal which allowed us to join them at the top of the ladder. 14.8.8.3 Against Woy Woy. The team in this game went out with the right attitude. Score plenty of goals to make sure of the Minor Premiership which they did. Ten off them. It was a shame that Woy Woy didn't want to play soccer and unfortunately two of them were sent off. Hi-lite of the game would have to be the goal scored 8½ second after the kick off in the second half, with super sub Denis's husband Norm staring in the move. Hope you enjoyed the nap in goals "JOCK STRAP", next week you won't get time. "PENNY FARTHING" would like to know why he gets rubbished when he misses a penalty when the "IRISHMAN" doesn't. Rudy would

like to congratulate the older members of the team on their self control in this game when things started to get heated, namely, "SINGLETTS", "STANLEY", and the "IRISHMAN". Star of the day was "PENNY FARTHING" (he also stared at the B.B.Q. at Norms afterwards). Also a top effort from "HON". Congratulations fellows on being Minor Premiers. 21.8.83. MAJOR SEMI FINALS. The best game of the season with every player giving his best although a lof of players were carrying injuries. East Gosford could not penetrate past the midfield, when they did, full backs and sweeper Steve were waiting. There were a few anxious moments in the second half when the gentleman captain (he speaks nicely to the players) attempted to clear the ball and nearly own goaled, but this time "JOCK STRAP" was on his feet and awake. Then came the hi-lite of the match Denis's husband Norm although very much on the nervous side (who forget the scotch) passed the ball to "STUMPY" on to "SAO" and over to "SINGLETTS" who made no mistake. Shortly after "SAO" netted but you must put the ball in the net not the keeper Col and this goal was disallowed. Very hard to single out players in a great game like this one, but one player who stood out was "HON" RICHARDSON who had a blinder. Thanks for the support from the 1st and Res. grade players, also the president on crutches. It made a difference fellows. Final score Wyoming 1, East Gosford 0. Grand final to be played at Gavenlock Oval at 9am on 4th September. All spectators and supporters welcome.

like to congratulate the older members of the team on their self control in this game when things seemed to get heated, namely, "STANLEY", "STANLEY", and the "LITTLE", and the day was "STANLEY". The also started at 8.30. at home afterwards. Also a top effort from "STAN". Congratulations follow on their other Premier 11.8.38. Most of the best game of the season with every player giving his best although a lot of players were carrying injuries. East Gorton could not generate pace and midfield, when they did full backs and sweeper were waiting. There were a few anxious moments in the second half when the centre was carried (he speaks nicely to the players) and applied to drive the ball and nearly own goal. In this time "JOCK STAN" was on his feet and awake. Then came the 11-11 of the match Dean's husband from although very much on the nervous side (was right the score) passed the ball to "STANLEY" on 10-10 and over to "STANLEY" who made no mistake. Shortly after "STAN" netted but you must get the ball in the net not the keeper's and this goal was disallowed. Very hard to establish our players in a great game like this one, but one player who stood out was "MICK" RICHMOND who had a pointer. Thanks for the support from the far and near. Good players, also the presence on everyone, it made a difference between. First score winning East Gorton 0. Grand final to be played at Gorton Oval at 8.30 on 11th September.
