FINAL SECRETARIES SCREED FOR 1983

Today's presentation day at the Central Coast Leagues Club is a fitting conclusion to another successful season and it is pleasing to see so many of you there to acknowledge our Club's successes.

With 41 teams this year, it has been a busy year for our committee, but with good teamwork, the workload has been shared by the whole committee. This year it was a very workable committee, each person doing the job they were delegated for and this has greatly helped in the smooth running of our Club.

I am sorry that Steve Field and Russ Malsem did not seek re-election. Steve has been a very hard worker on the committee for the last 4 years. He has been methodical in his duties and I for one will miss his presence on our committee. Russ, well what I can say about him, he was always around when I needed him and nothing was ever too much trouble for him. He might have been the treasurer, but he also did anything from cleaning the Gestetner when the machine had sucked up a whole tube of ink (and oh what a mess) to answering my 'phone etc. He always appeared when he was needed. So to you both, my sincere thanks for all you have done.

To our new committee members, welcome and let's hope that you enjoy the fellowship with us. New blood is always welcome and new ideas appreciated.

Looking back over the 1983 season it is hard for me to highlight events as there seems to have been so much over that period. The performances of various teams in knockouts during the season proved rewarding. And let's not forget our own under 7 knockout which was run by the 3 under 7 teams so well. Personally I thought one of the main highlights was the visit from Horowhenua College. Arranging accommodation for 24 boys was not easy and I do thank all those families who billeted these boys. All families involved will no doubt agree what a busy four days it was, but well worth the effort. They were delightful visitors and appreciated everything done for them. I have received a letter from the Principal of Horowhenua College asking me to pass on his thanks to all who so splendidly looked after his students. They only have high praise for Wyoming Soccer Club's hospitality.

Congratulations to all teams who won a Premiership, nine teams in all, but it is not only those teams that should be congratulated, it is the teams that turn out every week, week after week whose points have added up over the season to see Wyoming Soccer Club not only come out winners of the Sterland Trophy but the Jack Atkins Trophy as well. So to all the teams from 10 years to 16 years, congratulations, the Club is very proud of you all. Although the non comp teams are not included in these trophies, nevertheless their success doesn't go un-noticed as many of those teams have had a very good year, and it is only goes to show that these teams in the future years will keep our Club in the forefront of soccer on the Central Coast.

It takes a lot of people to keep our Club running, not only we have the committee, but let's not forget the coaches, managers of teams who turn up for training, the games and the meetings and the also the ones who take the time and trouble to write a monthly report. This year the meetings have been well attended, information is given out which can save you a lot of trouble knowing the right thing to do at the right time. So to you all, thank you all for giving your time so willingly.

To Leonie Best who helps run Tiger Tales off each month my sincere thanks for your assistance during the year. Believe it or not it takes some organising to get Tiger Tales out each month. Whether it is appreciated only you can be the judge. To the "production line" who puts it together, Judith Burgess, Steve Field, Marie & Peter Frost, Leonie & Kevin Best, Jill & Graham Smith, and Denise Woods, it's the old saying of "many hands make light work", thank you all.

Hoping to see you all in 1984. Details further on regarding Registration Times.

Jill Smith - Secretary

MANAGEMENT COMMITTEE REPORT FOR 1983 SEASON

On behalf of the Management Committee of the Club it gives me great pleasure to present this Management Committee Report on a very successful season.

Over the past years the Seniors have basically attained all the publicity for the club but this year with the outright success of a large number of junior teams, the club has now come of age and the future of the club looks very bright. This year it was evident that the junior players of the club are progressing to the senior ranks.

The success of the club quite obviously would not materialise without a strong committee, a committee I would now like to thank and show my deep appreciation for their efforts in the running of the largest club on the Central Coast. It is a committee which has basically been the same over the last five years, a committee which has laid the foundations for the future of the club.

The major successes this year are the attainment of the Sterland trophy and Jack Atkins trophy. These two junior trophies are held in high esteem throughout the Central Coast soccer. The attainment of these trophies is attributed to every junior team in the club. Every Coach, Manager, and player can say that they have been a part of the club attaining these two trophies. The two trophies represent the Junior Championship of the Central Coast soccer. The club's next goal is to obtain the Senior Championship as well as the two latter trophies, something that we can now strive for.

I have been disturbed over the last couple of weeks about a comment made to me that the club is a 'trophy hunting club'. I strongly refute this suggestion. I do not believe that the aim of the club is to win as many trophies as possible, but I do believe that if the club is managed in a sensible, sound and unbiased manner, the club will naturally progress, and succeed. The club's main aim is to foster soccer and provide soccer players with a game.

Congratulations to coaches, managers who have been a part of successful teams for the 1983 season. It is a long season which starts in February and finishes in October. The success that you have achieved has quite obviously been well earned. To the coaches and managers who did not have the taste of success, I thank you for your efforts as well. To the parents who have helped the coaches and managers throughout the year I would like to also thank them. Every bit of help lessens the load.

To the non-competition teams who cannot achieve the awards of the competition teams your participation is encouraged by the club. This club supports non-competition and particularly a kindergarden class (2p.m. Saturdays). It is felt that if there is too much pressure on players at an early age they will be mentally run down when they grow older. I would particularly like to thank Glen Stewart and Alan Snelson for their running of the kindergarden which was started in 1982 by Steve Field.

To the players who have progressed to Representative teams, the club is very proud of your efforts. These boys by participating in a higher standard will hopefully progress to greater heights in the future. These greater heights may be to represent the Central Coast at State league level, or perhaps Australia one day. To those boys who were part of successful State Title sides this year, congratulations.

They were:- U/13 Kevin Bush, Darren Rutherford and Darren Goulding.
U/11 John Goodman, Jason Bush, Paul Moriarty, Paul Smithson, Darryl Jones, Scott Salter, and John Bailey.

To the three teams that represent the club in the girls and ladies competitions, I thank all people concerned for their participation. It must be very hard for the people concerned to feel a part of our large club as they never play on home soil, something we hope may be rectified soon.

Quite obviously, the worst liability of the club at the moment is the main ground at Alan Davidson Oval, but it is only just become known

that the Council has given the club verbal permission to return the oval, something we hopefully can all look forward to next year.

Other highlights of the season are the U/7 Knockout which was very professionally run, and I personally would like to thank all those who helped under the direction of Jill Smith, Steve Field and the three U/7 teams involved. Thanks to Bob Kavanagh for obtaining sponsorship.

Another highlight of the season was the New Zealand team which visited our shores for four days in September. Thank you to all the parents who billeted these boys and assisted Jill Smith in her organising a very successful combination of games and sight-seeing. Already we have had feedback from New Zealand through Bill Neilson that the boys had a very enjoyable time.

In closing, I would like to say that there is a strong possibility that the club may have a major sponsorship which will sponsor all teams of the club. Further details will be known in the near future.

Thanks to everyone for being a part of the club and I on behalf of the club, have been proud to administer it on behalf of you and your boys. Further club results and details can be read elsewhere in this Bulletin.

KEVIN BEST
President

SOCIAL REPORT

This year has not been a great success for social functions at the Club. Whether it has been due to the recession affecting most of the community, lack of interest by parents and players, or not enough functions which appealed to people I cannot determine.

The year started badly with a cruise on the Hawkesbury River Ferry being cancelled due to lack of numbers.

The Chinese Banquet at the Lantern Inn was well attended and enjoyed by all.

The Ladies enjoyed two Film and Fashion Nights held at the Clubhouse during the season. If plenty of notice is given these functions could be quite well attended and become a prosperous evening.

Unfortunately the Men's Smoko this year was poorly attended and a disappointment to those Committeemen who spent considerable time and money in its organization.

The major outing this year was the Wool Shed Dance at Old Sydney Town. Eventually 79 people attended, 50 of those availing themselves of the bus that was provided. Had all those who had booked tickets come along we would have made a good profit on the evening.

A dinner at Ettalong Memorial Club was also cancelled in August due to lack of response.

This position on committee can be most rewarding. Although socially it has not been a very achieving year I would like to thank those members of the committee who so diligently supported all functions that were arranged and gave of their assistance so generously.

Since good wishes to my successor and may they find this position as happy and rewarding as I have.

JUDITH BURGESS.

CANTEEN MANAGEMENT REPORT

In keeping with the reporting convention for the canteen's activities for this season, the following comments are provided:-

- Trading - Satisfactory
- Supervision - Satisfactory
- Attendance to Staffing Rosters - Satisfactory
- Profit - Satisfactory

To say the least, this method of reporting is most - unsatisfactory as, no other adjective could describe the canteen's result for this season as excellent.

The statistics for the 1983 season are:-

Gross Sales = \$11,544
Cost of Sales = \$ 7,934

Gross Trading Profit = \$3710
Plus Stock on Hand = \$ 508
\$4218

Thanks for this very pleasing result must firstly go to the parents, coaches, managers, visitors and players for purchasing goods from our canteen. As you are aware this years profits have substantially helped to pay for the extra council ground fees and, for the cost of the Junior Presentation. Without your assistance during this season payment for these items would not be possible.

For your information, the cost of goods sold are dissected into the following major purchases from local suppliers:-

- Gosford Confectionery = \$2557
- Margins of Gosford = \$2495
- Tip Top Bakeries = \$1456
- Streets Ice Cream = \$ 398
- Sun Coast Smallgoods = \$ 336
- Oranges (provided to all teams) = \$ 142

From those purchases and subsequent sales interesting statistics are revealed; 5868 cans of Soft Drink, 156 kilograms of frankfurts, 1620 meat pies, 1775 sausage rolls and 2604 tasty hot dogs. Unfortunately, accurate counting of the 20,658 Choc Buds, 18,314 green frogs and 17,411 spearmint leaves were not possible. However, these "enjoyable" confectionery sales assisted in the most successful profit result.

Thank you to all of those parents, players, helpers and friends who worked in the canteen on either Saturday's or Sunday's. Your assistance in the canteen was very much appreciated.

Special thanks must go the following people who assisted in the canteen without very much thanks. Their tireless efforts have helped in this most "excellent" years trading!-

- For attending to supervise the canteen - Jill Smith, Paula Robson, Joyce Bulley and Leonie Best.
- Mothers of the Under 7 years who provided cakes for the stall at the annual knock-out and, parents who assisted in the canteen.
- Preparation of staffing roster - Leonie Best and Marie Frost.
- Receiving and procurement of all stocks - Judith Burgess.
- Early morning preparation of the canteen - Norm and Denise Woods.
- Making of Ice Cups - Marie Frost
- An "un-named gentleman" who on each Saturday morning assisted to prepare the oranges.

In conclusion on, the profits received this year from the Canteen's trading have been an all time record and, for all those people who have assisted throughout the season, the Canteen Management offers their most grateful thanks.

SENIOR SCENE

Buttercup has allowed me to write this final Report.

Firstly, I would like to congratulate Chris Connor on the club obtaining 10 years of senior soccer. Chris was the instigator of starting the seniors in 1974 and is the only player to have played in all 10 years. Congratulations Chris.

I would like to thank Norm Woods, George Ferguson and Victor Winney for their assistance throughout the season. For anyone who has been a coach of a senior side they will appreciate the traumas and headache which are associated with the running of the team. Their assistance is gratefully accepted. Thanks to Dave Cronk and Mel White in assisting me in selecting the sides this year and thanks to the supporters for their vocal renditions (even if it does get players sent off!)

The season started off very well with pre-season training, with nearly 50 players attending Henry Kendall High School, but unfortunately for the club although the quantity of players was there (4 teams), the quality was not. With the first grade standard on the Coast improving each year Wyoming first grade had a very mediocre season. The pre-season trials, the Wyong Cup Knockout and the beginning of the competition proper led me to believe that the senior teams would be able to hold their own this season. It was unfortunate that the club had so many injuries after the first month of competition that the season slowly fell away, and it was evident half way through the season that first grade did not have the experience to reach the semis. Reserve grade on the other hand, had a very strong combination, (even though it changed every week) and they were able to make fourth spot only to be eliminated by rules after drawing 2 all. I believe the Reserve grade side was strong enough to take the competition out had they kept going.

The Amateur Cup this year is best left, not to be discussed, as I have very frustrating memories and do not see why I should bore you with the details.

Players to play consistently well all season are Joe Dalforno ever reliable defender; Glen Stewart in goals who did not really get a lot of support from his backs this year; Chris Cantwell's revert to mid-field; possibly playing his best soccer I have seen him play and who regularly doubled up for me; David Talbot possibly the find of the season in first grade soccer with his simple knack of keeping possession with good distribution, a player with a big future; David McNeil who was able to play up in first grade in the latter part of the year showed that he will be a player to contend with in the defence for 1984; Bob O'Toole ever reliable and dependable. I placed a lot of weight on Bob's shoulders this year as a leader in mid-field and he rarely let me down.

Every coach needs the dedication of his players to train. It would be remiss of me if I did not mention the regulars, and I thank them for their keenness throughout the season - Mark Selig, Steve Bartlett, Col Menzies, David McNeil and David Talbot.

Every team needs good reserves and with the unusually high number of injuries this year (out of a squad of 26 at one stage I had 10 injured) I would like to thank Col Menzies and his U/19's for their unselfish attitude towards their availability to double up each weekend. These players will be the backbone of the club in the very near future and I made it a point to encourage them as much as possible. I won't mention the U/19's at this stage as they all were a part of helping me.

Two players I would like to mention outside the U/19's are Darren Neilson and Trevor McDougall both of whom have a big future with the club and in soccer. I have never known a player like Trevor who hangs around you like a wet towel wanting to know whether you are short or not. I really have not seen his enthusiasm in a player for a long time. I am sure he takes a ball to bed with him. Elsewhere in this bulletin are player details and game statistics which may interest you. Again, I would like to thank all the players, my 2 managers and Norm Woods for a very enjoyable year. Our main aim next year is to get the Senior 1st grade back on top of Central Coast soccer.

K. BEST .. . Coach

SENIOR SCENE

cont

Under 19's Final Report: Congratulations once again to the U/19's for their 1983 season of soccer. The premiership team seemed set to start the season very strongly even after losing good players such as David Talbot, Steve Frame, Glen P. dsey and Dave McNeil to higher graders.

After only a few matches our side changed drastically, with 4 players leaving the team. With a quick re-shuffle of positional play and the introduction of new club member Craig Matuschka we battled on week after week carrying many injuries throughout the year. Due to injuries in 1st Grade, this saw many U/19's doubling up for 1st and reserve grades, which I feel could only build their confidence for future years.

Every player impressed me this year, making the task of selecting Player of the Year very hard. Brian Bulley as usual making spectacular saves in goals throughout the year, played a major role on our road to the semi's. Graham Taylor and Brent McNeil both settled in well as full backs and showed improvement with every game. Super Sweeper Mark Green once again impressed club selectors with his performances in defence. Mark "Stopper" Porter played impressive every week, with or without injury. Midfielders are always expected to do a lot of work, and so they did. David Taylor played some of the best soccer I've seen for a long time, setting up and scoring goals, and tackling anything that moved. The other two tackling machines, Wayne Johnston and Craig Matuschka played well also. The forward line with old Robo, Butch and Stephen Van Dorp combined together to score some very spectacular goals. Defeating East Gosford in the first semi final was a gutsy effort by every player, however, the following week was a totally different matter, being outplayed in all departments by a very strong Wyong Team. Special thanks to all the supporters this year for your encouragement and enthusiasm for this great little team. Also thanks to our manager, Steve Frame and the U/16's Trevor McDougall, Darren and Scott Neilson for your help this year.

COL MENZIES.
COACH

3RD GRADE "B"

WYOMING vs EAST GOSFORD: The first 10 minutes Wyoming were attacking East Gosford's goal and were unlucky not to score. The boys then went to sleep, and the next 30 minutes were spent defending our own goal. In the second half East Gosford continued their usual game of playing the long ball and our boys forgot about their own game. East scored first but it was disallowed by the referee due to an infringement on one of our players. WHAT A TOP REFEREE!!!! Our keeper, L. Wybourn after being injured showed tremendous courage in continuing and saved a couple of top shots from the East Gosford attack. The boys then started to lift their game, the backs, T. ROSS, S. FARTHING, HON. RICHARDSON and STANLEY FROST showed the way by driving the East Gosford players back up the field. The mid field, D. LEPORS, T. CRONIN and F. VERDUCI committed themselves more to winning the ball for us. With only 7 minutes to go F. VERDUCI scored a tremendous goal from outside the 18 yard box a great effort FORTY after having knee trouble in previous weeks. Our strikers, SINGLETTS RINGUET who was completely marked out of the game but kept trying. C. ARNOTT who missed a couple of shots that had the East Gosford keeper really stretching. T. BLACKBURN who I think will never complain about not seeing the ball enough was run into the ground. I would like to thank J. DOHERTY for his big games mate, and to G. GILBERT for his support, he missed the last game due to injury. T. STUBER alias KEVIN BEST, our secret weapon I hope you enjoyed your first year with us also I would like to thank our Manager, B. PYE for his help and support all year especially for keeping the ESKY FILLED, TO THE WIVES and LOYAL SUPPORTERS, thank you for your encouragement and support

3RD GRADE "B"

throughout the year. In closing I would like to thank all the players for their dedication to training and games throughout the year I hope you enjoyed the season as much as I did.

NORM WOODS

COACH

In the absence of Rudi, his offsider gives this report.

There could not be a more deserved result to a season than this one,
MINOR PREMIERS - PREMIERS (GRAND FINAL WINNERS)

We were the only team in this Grade to use the same squad of 15 players. Other Clubs were using 1st and Reserve players when playing the top teams.

The game of the season was the Semi-Final at Wyong against East Gosford. Score 1-0. It was a complete team effort everyone giving his best. Hon. Richardson did his job well marking "Ron - East Gos. Striker" out of the game. "Well done Hon". Well Done Team. Superb game by Coach Norm - very nervous but managed to stay on his feet - nearly lost his nose though. The Coach has details of the Grand Final game in his report. I was too nervous to take notes!! Courage award to "Lennie" for continuing to play when injured and making some tremendous saves. Players of the Grand Final would have to be the two goalies.

This team would not have performed without their group of loyal supporters (who said they were a bit one-eyed???) and it was tremendous to see the crowd present at the Grand Final - especially 19's and senior players.

P.S. "I hope it was cough syrup Denis was seen drinking on the sideline"

I heard a whisper there was a couple of retirements pending but also an influx of players wanting a place in the team.

See you next year.

RUDI "G"'S OFFSIDER

ALL AGE LADIES

This season was not one of the best for the womens competition. We ended up in 5th spot on the ladder. The rain spoilt our chances of making the semi finals.

As far as a team we are building up a good squad. It's hard at the beginning with all the new players entering the Club and teaching them the rules and fundamentals of the game and it would be good if we could keep the same squad for a year or two. There were some very good improvements in some of our players due to the Soccer Squash we play every Thursday night.

One of the highlights for the season was making it into the Grand Final of the Normal Ross Cup. The girls tried their hardest in very wet and cold conditions at Doyalson but were unlucky to be beaten by the Budgewoi Team.

If the team stays together for next year we will give our opponents a real shake.

Hope to see you all back in the 1984 season.

JEFF FATHERS

 * FAIR PLAY CODES FOR CHILDREN IN SPORT *

PLAYER

PARENT

1. Play for your own enjoyment, not just to please parents, teachers or coaches.

1. Remember children play for their enjoyment not yours.

2. Control your temper fighting and "mouthing off" spoil the game for everybody.

2. Encourage your child to play by the rules of the game and by the fair play codes.

3. Co-operate with your teammates and opponents for without them you don't have a game.

3. Show your appreciation of volunteer coaches and officials.

4. Play by the rules.

4. Never ridicule or yell at your child for making a mistake or losing a competition.

5. Work equally hard for yourself and your team. Your team's performance will benefit and so will your own.

5. Turn defeat into victory by emphasising the value of honest effort, skill improvement and fair play.

6. Winning is only part of it. Having fun, improving skills making friends and doing your best, are also important.

6. As spectators, applaud all good plays both your team's and the opponents'.

7. Cheer all good plays, both your team's and the opponents'.

7. Actions speak louder than words. Make sure your behaviour sets a good example for fair play.

8. Remember that coaches and officials are there to help you. Co-operate with them.

8. Support all efforts to remove violence from children's sport.

CENTRAL COAST SOCCER ASSOC.
UNDER 11 REPRESENTATIVE TEAMS

This team was involved in two competitions during the season:- Northern NSW State Championship and Metropolitan Championship. We are pleased to report that the boys performed magnificently both competitions bringing many praises to the Central Coast through T.V. Radio and newspapers at Grafton during the State Titles and an article in the Australian Soccer World covering their performances in both competitions.

Northern NSW State Championships.

Our boys won this title being undefeated winning seven games with goals for 25 and goals against 6.

Metropolitan Championship.

It was in this competition where our boys showed that they could mix it with the best. They experienced their first taste of home town decisions by referees, playing against players from Vietnam who were obviously 14-16 years old but had Australian Immigration Birth Certificates. Gave away a lot in size to each side but with all this finished two points, behind the winners in fourth place just failing to qualify for the NSW State Championship as the top 3 teams qualified and unfortunately 3 teams tied on 16 points with Central Coast 14 points. The boys won 6 games, drew 2 and lost 3. Goals for 21 against 13. This team has been a fine ambassador for the Central Coast.

The Wyoming Club can be very proud also as they had seven boys, John Goodman (Capt), Jason Bush (V/Capt), Paul Moriarty, Daryl Jones, Paul Smithson, Scott Salter, John Bailey and just for good measure the manager Louise Bush and coach Warren Anderson as part of the squad.

As long as we have boys like these the future of soccer on the Coast and Wyoming Club should prosper.

WARREN ANDERSON
COACH

TEAM REPORTS

Under 6A1: This was the first year of soccer for most of the boys and I hope it will be the first of many enjoyable years. The team was very successful in winning 14 games, drawing 2 and losing 1, scoring 53 goals for and conceding 5. All the boys deserve a pat on the back for their efforts but individual awards are presented by the Club and congratulations go to PETER MILLER for winning the Player of the Year Trophy. Peter deserves his award for the enthusiasm he puts into training and matches, his flair for scoring goals, and his determination in defence. Congratulations also for ADAM COULTER as the MOST IMPROVED Player. Although Adam played last year in the 5B's, I feel he has put the effort in at training and the results were shown on the soccer field, especially in his defence. Even though no awards are given for scoring goals EVAN CAREY must be congratulated for his effort in scoring 23 goals in the season, Well done Evan. A special thank you to three people, Robin Miller (our team Manager) John Miller and Thea Field. Without the assistance of these people helping with training, organising team notes and maps, answering telephone enquiries, the season would have been a very long hard job. Last but not least is a Thank You to the boys in the team for their efforts at training and the games, for without their co-operation nothing would be possible. Listed below are the team members and their game results.

SEVEN AASO THOR AASO JUSTIN ANDERS (1 GOAL) EVAN CAREY (23 GOALS)
ADAM COULTER (1GOAL) DANIEL CURTIS (2 GOALS) KEENAN FIELD (5 GOALS)
DREW JAGER BEN LYONS (1 GOAL) PETER MILLER (14 GOALS) JASON MAGRI
DAVID MCCARVEY (2 GOALS) JUSTIN NIXON (1 GOAL) MATHEW PEARSON
KURT WHEELER.

GOSFORD	2-0 WIN
UMINA	2-1 WIN
EAST GOSFORD	7-0 WIN
DAVISTOWN	1-0 WIN

STEVE FIELD (COACH)

Under 6A2: Well the soccer season has finished and I think it was a very good year for the boys in their first season. I would like to thank all the boys for the lovely clock I received, it is a much treasured gift. I only hope that you boys will not be disappointed on presentation day if you do not receive a trophy, you all deserve one, but unfortunately only one of you can win. The player of the year award was scored by myself and Peter Butler (team Manager). It is scored weekly on a 3,2,1 basis and the highest tally at the end of the year wins. It was a lot closer than a lot of parents may think, with a number of boys nearly winning. The most improved was chosen by the Team Manager and 2 parents. Once again thank you to the boys for their fine effort through out the year and I sincerely hope that you all enjoyed it enough to come back and play next year. A final thank you to all the parents, for their support and hope that you too enjoyed watching the boys play as much as I did.

STUART GEESON (COACH)

Under 7A2's: 27.8.83 v ETTALONG 0:0 Draw. In this last match the boys concentrated in defence with very few attacks on Ettalong's goals. Looking back over the season the boys have improved greatly from their start of season performances eg: The team conceded 10 goals in their first 4 matches, yet conceded only 2 goals in their last 4 matches. As long as each boy plays to coaches instructions he then is playing his part in the teams performance. Both Coach and I are very happy the way all the boys played during the competi-

TEAM REPORTS

Page 2

Under 7A2's cont. tion. The team's performance has been a credit to the boys during the season, by winning a few games and gaining a fair share of draws especially considering the fact most of the boys have not played soccer before this season. Once again we would like to thank all parents for their support and co-operation during the season and would like to also wish the boys success and enjoyment for their future games of soccer.

NEVILLE KIRK (MANAGER)

Under 7A1: WYOMING vs EAST GOSFORD. Last game for the season which resulted in a nil all draw after having a goal disallowed in the first half after we were caught offside. A very good game from both teams with attack and defence being strong all game. A fitting end to a good season by our boys who have played well all year and they are, JAMIE AIRS, GRANT BAILEY, JASON BROWNLEE, JASON DAVIS, BLAKE PAULL, CRAIG HERRING, ADAM K'VANAGH, ADAM MORRIS, SCOTT JAMES, TIM RUTHERFORD, KIRK MERCER, ANDREW HAY, BRETT BACON, SIMON BACON, and MICHAEL MCGARVEY. With a great job done by our coach Bruce Davis. Thanks to everyone and hope to see you next year.

ROB KAVANAGH (MANAGER)

Under 7B: I would like to congratulate all the boys in the team for a splendid season of soccer. This being the boys first year of soccer, it was noticable of the progress made during the year by the boys, with their good attendance at training and dedication to the game. We have had a very enjoyable season and thanks must go to JASON SCHMIDT my assistant coach and DAVE FORTUNE our manager who have helped run the team during the year, taking the boys at training and on Saturdays whenever I couldn't be there. I hope all the boys will be back next year for another good season of soccer.

TREVOR McDOUGAL (COACH)

So thats the end of a season! For the records, the 7B side won 2 games, drew 6 and lost 9. The side scored 6 goals and had 15 against. But I believe that the parameters for a successful season are whether the boys enjoyed their football and whether or not they improved. From the start, when 15 boys turned up to the first practice, not knowing each other, other than at school, and for the most, no team football experience, to the end of the season where they were capable of matching it with the best sides in our competition was a great effort, and on behalf of all the boys and their parents I would to thank Trevor and Jason (the coaches) for their efforts. In this day and age, to find two 15 year old boys prepared to give time and effort to a team of 7 year olds was marvelous. They are a credit to their parents and to the Club. Rather than re-hash the various matches, I think that a brief word on each of the boys would be more appropriate.

1. Greg Bech. (Forward). Unlucky not to score any goals, Greg should go well in the future. He is quick enough for the forward role and has a good shot. I believe that when he learns to anticipate, he will shine. Greg has very good ball control
2. David Derrick. (Midfield). Plays well in spasms. David wanted to be a forward, and is certainly quick enough, but proved to be a very useful midfielder when he put his mind to it. David can defend and attack well.
3. David Edwards. (Back) The only left foot in the team. David has a good foot for a small chap, and at times defended well, but at other times seemed to be in another world. Once David gets a bit more confidence he will be a very good player.
4. Trevor Fortune. (Forward). What can I say about "Biggles"! I know how much he enjoys playing, and he has a good shot for a forward but is a bit slow. If I could only get him to concentrate for the full game and to stay away from the mud. Trevor plays for the fun of it. Trevor has a good ball control, but don't rush him!

TEAM REPORTS

Page 3

Under 7B cont

5. Stuart Kalwig. (Midfield) I think Stuart could be good at any ball game, but he must learn to contain himself or he will spend a lot of time having early shower. He certainly knows how to get the opposition players backpedalling. Stuart has an excellent kick and fears nothing.

6. Scott Medford. (Back) One of the real improvers of the season. Early on Scott seemed to have no co-ordination at all, but with practice and confidence he improved every game. Though fairly slow in the field, he was well suited to the midback position with a strong kick.

7. Ben Moore. (Back) A good match with David Edwards in the backs. At times Ben played well, and at others, was in another world. Towards the end of the season he concentrated more on the game at hand and an immediate improvement showed in his play.

8. Ben Noble. (Midfield) The most consistent player in the team. Ben has plenty of ability, a good kick, and reads a game well for a boy his age, but at times tends to forget there are other players in his team. At times the rest of the team relied too much on Ben, especially early in the season, but he handled it well.

9. Mathew Sainsbury. (Midfield) I believe Mathew was the most improved player in the team. Once we got his position right he proved to be a very good defensive player. He covered well, almost as if he understood what a sweeper does. Once he learns to follow up behind the forwards, he will really shine.

10. Tim Smith. (Keeper) Tim could go a long way as a keeper if he gets the right coaching. In numerous matches he saved our bacon with some great takes. Most of the other coaches recognised that he was the best keeper in our competition. He used his area well, and generally showed good timing when to come out.

11. Martin Stanfield (Midfield) Didn't see enough of Martin to really comment. He is quite quick and has good ball control, but because of his lack of size, wasn't too confident.

12. Scott Wadnell. (Midfield) Scott has the height to make a very good midfield player, and showed patches of ability through the season. Tends to be a bit tackle shy at this stage, but I'm sure he will improve. Scott has good ball control but must hit the ball harder.

13. Dean Turner. (Forward) The 7 year old professional! Dean gives his all on the field, and shows plenty of determination. He has good ball control, runs hard and has a good shot. Dean has very good initial acceleration, and once he learns to anticipate or read the game, he will score many goals.

I have enjoyed the season immensely as Manager and as a parent, and would like to thank the following:

- a) The boys for their efforts and good sportsmanship.
- b) The parents for their time and help.
- c) The Club for their support and effort.
- d) The Managers wife for the laundry.

I hope we see all the boys again next season (Biggles is already in training) and hope that next season will be just as exciting and rewarding for the club as the past.

DAVE FORTUNE (MANAGER)

Under 8A2: 30.7.83. Away to East Gosford. Won 1-0. What a start to a game. From the kick off the boys attacked the goals and kept the pressure on East Gosford all day. After about 3 minutes Darren Goy gave a glorious kick from way out which bounced off a defender and flew into the net over the goalies head. From then on it was nearly one way traffic. At least we have found good goal keeper in Warren Stephenson who made some brilliant saves, the lad has a ton of courage and protects his goal area ferously. We took Gavin Gray off at half time and it's a shame to take a boy off when he is playing so well. All the forwards played in position as did everybody and everywhere the ball went there was a player to pick it up. Well played boys and a nice game to watch. 6.8.83. Home to Wyoming Al. Lost 0-2. After last weeks game I think the boys must have left all

TEAM REPORTS

Page 4

Under 8A2 cont. their skills at East Gosford. They bunched up again and played out of position and spent most of the day in each others way. Aaron Hood volunteered for goals (He was looking about when everybody took 1 step backwards when I called for volunteers). He played extremely well and kept the game scoreless until about 7 minutes to go when Wyoming 1 scored 2 quick goals from some good lead up work. We had a few flashes of brilliance from our stalwarts but it wasn't enough to give us any goals. Once again I will remind parents that next year is competition, so any missed training sessions or games, unless due to illness, will result in players being left out the following week. The boys are learning their skills so much quicker now and are improving every game. I must thank all the parents for their support this season and all the boys for their keenness. I have a team of good sportsmen, win, lose or draw they are always happy with their game. Keep it up boys. 13.8.83. Wet. No Game. 20.8.83. Ettalong at Woy Woy. Won 1-0. From the kick off our boys got on top of Ettalong and stayed there. Beating the opposition to the ball and shooting for goals at every chance. Aaron Hood played a beautiful game at centre forward and was rewarded by scoring a brilliant goal. Everybody played well and Shannon Hutton's still improving with each game. Gavin Gray had a lonely game in defence but was there when needed and cleared nicely. Grant Richardson is always in there like a fox-terrier, causing all sorts of problems to the opposition. Mathew Wilkie was in everything except a wash and showed how midfielders play their game. Once again Daniel and Gavin worked together in attack and were unlucky not to get a couple of more goals, several shots just going past the post with the goalie out of position. We had our good games from Warren and Peter with Darren, Nathan and David Learmonth all having a good game. Well done lads. 27.8.83. Away to Terrigal. Lost 3-0. From a last start to the game it was obvious we would have trouble keeping Terrigal's forwards under control. They are possibly the best in this grade. Contrary to the score our goalkeeper Warren Stephenson had a brilliant game in goals and capped off a good season for himself. Aaron Hood and Gavin Singh played well in the forwards but Ryan Collins seemed at a loss today, maybe a touch of the 'flu. Matthew Wilkie gave another tireless display of defensive football, while Shannon and Gavin Gray worked very well at the backs. Once again Daniel chased everything that moved and put in a good display. Grant Richardson showed some brilliance and kept Terrigal's mid fielders worried. Darren Goy had a good game but seemed a bit jaded today. David Learmonth and Nathan Price showed that they have got ability but seem to get a bit lax at times. In looking back on the past season I can see a great improvement on our boys even though a few scores didn't show it, but it must be remembered that most of them were "C" graders last year. Once again it stands out that missed training and games takes a lot of try and catch up on with the other boys who have put in a big effort. I have enjoyed coaching the boys this year and I thank the understanding parents and keen lads for all their efforts and if allowed I will coach the boys again next year in the under 9 age group. Thank you everybody for your patience and smiling faces.

BARRY SINGH (COACH)

Under 9A1: 27.8.83. Wyoming vs East Gosford. The final game for the end of the season was played in windy conditions. Good attack and good passing resulted in Wyoming scoring the first goal. The boys listened well in the first half. In the second half there were many shots at the net but only 3 managed to find the net. A good all round team effort to give a final score of 4 nil. Conrad Strachan and Danny Bembrick played in goal keeping position. Goal Scorers: 1 to Nigel Forster, 1 to Brett Woods and 2 to Phillip Rutherford. Summation for the Soccer Season 1983. I would like to thank both players and parents for attendance, interest and keenness resulting in 12 wins, 2 draws and only 3 losses, which is an excellent effort. They scored a total of 49 goals in the years with only 12 goals being scored against them (9A's) in this season. I would like to express my

TEAM REPORTS

Page 5.

Under 9A1. cont my appreciation to Norm Woods for his time, patience and effort in assisting me with the boys. Also thanks are due to Mrs. Woods and Mrs. Brown in training the boys until I arrive at the field on some occasions. I would also to express my appreciation to the many parents who supported the team throughout the year with fine and fair side-line back-up.

PAUL MOSS (COACH)

Under 9B1: Here we are at the end of a long wet season and although we have not achieved great results as far as winning games is concerned, I feel that all boys have played the best of their ability but have played the best part of the season without luck, which has been the difference between winning and losing many a match. Our game against Umina was a full hearted affair played in good spirit and with good determination being shown by all lads, with forwards Peter and David Jacobs having strong runs upfront, backed by some determined midfield play by Michael Green and a great defensive play by Paul Cully ably supported by Gary Deamer. After a great goal scored by David Jacobs early in the first half I felt that the boys would carry on with the game but unfortunately, as usual in the Alan Davidson Mud the ground got the better of the players and the longer the game proceeded the tired the lads became. Our trip to Woy Woy for our one only Late Game was a game all parents and boys would like to forget as none of the lads showed any interest in the game. On one of the few occasions that the boys did show interest we were unlucky not to score a goal when Andrew Sainsbury fired in a shot only to have the goalkeeper take the ball on his fingertips, the boys occupied the penalty area for nearly the next five minutes but bad shooting, boys fighting over the ball and some very sloppy positional play resulting in offside decisions spoiled any chance of the game going our way. Paul Cully and Brendan Tate tried their hearts out but received little support from the rest of the team and if not for Grahame McMahon making one of the most selfsacrificing and bravest saves of the season we would surely have lost this game too. Probably the best thing to happen this day was our Sausage sizzle at Koolewong where the boys showed great enthusiasm and skill in finding buckets of mud crabs. A great time was had by all and many thanks to the Absent Deamers for the use of their cooker. Our third match of the season against Gosford was again a game all parents could be proud of, although for the second time this season Gary Deamer could not take the field due to sickness. After our last great game against Gosford with only nine players, all boys took the field with great confidence and played the game with great confidence and played the game with much skill and enthusiasm, Kurt Snashall must save his best games for Gosford for again he had a very strong game in defence and was well supported by Guy Bunn with Andrew Smith and Duncan Hogg showing good midfield skills, unfortunately a lapse in defence cost us a goal although Marcus Pritchard and Graham McMahon saved many a goal during the game. On many occasions David and Peter Jacobs made great runs up the right flank only to have them stopped by a well drilled Gosford defence, one good chance did come our way with three forwards in front of goal and only the keeper to beat but as usual for this season a poor shot went straight to the keeper and again justice was not done. Our Last game of the season summed up the feelings of all concerned when Terrigal 2 did not front and some very disappointed boys played a halfhearted six a side game, still there is always next year! I would like to take this opportunity to thank all Mums for their support in the Canteen and for washing the shirts throughout the Season. Thank you also to Greg Jacobs and Tony Pritchard for the occasions that they helped a very weary coach at Training. Special Thanks to Manager Mike Smith for his help this season as he has trained the boys every second Friday and been invaluable at games with his support. To our Player of the Year this year -- Paul Cully, Congratulations on your Trophy as you have earned it with very consistent playthroughout the season and a good and

TEAM REPORTS

Page 6

Under 9B1 cont reasonably quite attendance at training. When it reaches that time of the year when we have to choose the most improved player of the year, it takes a lot of consideration. I would like to give it to every boy as they have all improved throughout the season in one way or another, but a choice must be made. So to a lad who is never any trouble at training, always thinks of the team first when asked to play positions not favoured by the rest of the team and most of all a real nice kid, Grahame McMahon, Congratulations on your well deserved trophy. So once again to Peter, David, Smiley, Goofey, Cuttlefish, The Hagg, Fuzzball, Markettown, Strawberryshortcake, Smithchips, Smurf, Sticky and Greenmachine, Thank You All for an enjoyable 1983 season and I look forward to seeing you again next season.

WARREN SNASHALL
(COACH)

Under 9B2: 27.8.83 Our last game for the year. Well boys you played very well and did all you could but we went down 1-0 to Gosford. The final count for the year was 5 wins, 1 draw and 7 losses which was not a bad result for us. I am proud to have coached and managed you, as at the end of the season you have improved yourselves in the skills of soccer and also the enjoyment of the game. Many thanks to Mr. Dave Beer who helped with training and managing while I was away. Also Mr. Smith who helped out at training. Last but not least the parents who brought the boys to training and matches so the boys could enjoy their sport, many thanks. The Most Improved, I could not separate so the committee of the Club made the decision.

GERRY VANDERMEY
(COACH & MANAGER)

Under 10A: MAJOR SEMI-FINAL vs THE ENTRANCE RESULT 0-0. In a see-sawing game that lasted for 70 minutes neither team could break the deadlock. Unfortunately for Wyoming, Craig Brann found the net only to have the goal disallowed because of an infringement. It was a typical semi-final, tight with both sides giving nothing away. As Minor Premiers, The Entrance advanced to the Grand Final whilst Wyoming had to do it the hard way. A good effort from the whole team and with an ounce of good luck we may have snatched victory. FINAL vs WOY WOY. RESULT: 1-1. Another game full of drama, failed to gain an outright winner. For Wyoming it was a case of missed chances and countless 'offsides'. Woy Woy's backs moved up very quickly to continually catch our strikers 'napping'. Scott Walker was rewarded for some strong running to give us a one nil lead and with only seconds to go before half-time, Woy Woy replied to make it level at the break. Both teams strived for the breakthrough and there were some anxious moments when firstly Simon Burgess headed over the 'keeper only to see the ball retrieved short of the goal line. Then it was Woy Woy's turn at the other end. Goalie Kyle Clarke came off his line to thwart his opponents shot. To our relief the ball spun off the upright and 'harmlessly' across the byline. In extra time Wyoming played strongly, pinning their opponents in their own half. A draw was sufficient for us to advance to our second consecutive Grand Final. GRAND FINAL vs THE ENTRANCE. Running into the breeze in the first half Wyoming were pinned in their own territory for most of the time. Forced to defend grimly, we suffered a setback when goalie Kyle Clarke bravely smothered a shot. The ball struck him flush on the face and as he lay on the ground, play was allowed to continue. The Entrance capitalised on this to notch the first goal. Scott Walker was unlucky when his header rebounded from the crossbar. The half-time break saw us behind by the solitary goal. A few positional changes and a tail wind combined to lift our game. The opposition's defence was holding firm, but with our midfielders distributing more accurately we began to apply pressure. There were only about ten minutes

TEAM REPORTS

Page 7

Under 10A cont. left when Rod Martin unleashed a deadly right foot drove into the corner of the goal. This was the inspiration we needed and the team realized that a win was possible - WITHOUT EXTRA TIME! Our supporters were overjoyed when Simon Burgess found space in front of goal and calmly planted the ball into the back of the net. A strong finish from Wyoming to clinch the Premiership, after another close contest against worth opponents, The Entrance. ON BEHALF OF JUDITH AND MYSELF, CONGRATULATIONS TO ALL THE BOYS IN THE TEAM! IT WAS A MIGHTY EFFORT.!!

1983 TEAM REPORT

It is with a great deal of pleasure that I announce that the 10A's had another successful season finishing as Premiers. From 18 competition rounds we recorded 11 wins, 5 draws and 2 losses, finishing second on the table. We scored 42 goals and conceded 15. The season's goalscorers were Simon Burgess (15), Andrew McDonald (9), Scott Brown (7) Scott Walker (5) Craig Brann (4) Scott Crowley (2) and one each to Shane White and Rod Martin. In a long, drawn out season the boys maintained their enthusiasm for the game and the spirit in the team was seen by everyone who attended the Grand Final. The way in which they bounced back from adversity can only be admired. I would like to thank our Manageress, Judith Burgess who was chiefly responsible for the smooth running of the team and for making the coach's job so much easier. Also thanks to the parents...your support is most appreciated. A mention to Leon Brown for his advice and assistance during some 'tight' situations in the finals and a special mention for my wife Sharyn who has been so enduring. In all a most enjoyable and rewarding year for me. I feel sure everyone shares my sentiments (particularly after indulging in the after-grand final celebrations). See you at the part in '84.

STEVE CZISZ (COACH)

Under 10B1: 27.8.83 vs DAVISTOWN LOST 3-0. Our last game of '83. Playing the Competition leaders the boys tried very hard in both defence and attack, Davistown only led 1-0 at half time, because of good saves in goal by Brett Sanderson. In the second half it was all Wyoming in attack but same old problem the forwards just could not finish off. Darryl Lambert narrowly missed the goal a couple of times. Davistown showed us how to score goals as they only got into our half twice and resulted in 2 goals. Dale Condon had another good game along with Adam Clark and Bradley Place and our two very reliable fullbacks Joel Evans and Mathew Rutherford. Shane Andrews had his best game all year on the left wing. Our other forwards Brendon Price, Adam Kirkwood and Chris Wicks tried very hard all day. Thanks boys for a whole hearted effort. ANNUAL REPORT. 1983 the year that was once again we finished in fifth spot. We had beaten or scored the life out of the teams that made the play off games. Once again this year we had to play two goal keepers in Craig Ross who is a natural goalie and Brett Sanderson who is getting better each time he plays keeper and never lets the side down. Then comes our fullbacks in the form of Joel Evans who played centre forward in a couple of games and was our leading goal scorer. The other fullback was Mathew Rutherford who is very reliable and safe. Now the important players in our team the backbone of our defence the midfield, Firstly, Dale Condon there is much you could say about Dale, give him a job to do and he would carry it out of perfection, Dale only played two bad games and they were our last two. Secondly our centre midfield, Bradley Place most consistant player in the whole team always gave his best and held the team together as Captain of the side, and thirdly Adam Clarke who started off very slowly this year because of a virus, but he sure did come home well. Adam who has a long range goal shooting ability. Well now we come to the forwards who at times just did not play up to 10B1 standard. I feel if they could have come up with the goods we would have been in the play off games. On the right wing Brendon Price who had another good season

TEAM REPORTS

Page 8

Under 10B1 cont. the inside boys we used in Darryl Lambert who once again this year did not concentrate on the game of soccer he was playing in. Adam Kirkwood who tried hard but was a little bit frightened of the opponents and backed off a little bit but with more go could be a good player. Our Striker in Chris Wicks seemed to try to score goals from too far out when he had plenty of time to take the ball closer. Our left wing Shane Andrews, he tried hard but Shane seemed to me to be out graded in this division. Although he always tried hard and did his best that he was capable of. A special mention for our under 8 reserve player, Robbie Ross firstly thanks to his coach Russ. Robbie is a player of the future he has everything going for him, thank you for your effort in our team. I would like to thank all parents, also Jeff Evans for your help while Michael was on holidays. Thanks to Michael Oates for allowing me to assist in coaching the boys this year. I have enjoyed this very much and last but not least the boys for their great efforts through out the year and maybe next year we will make the semi finals. Once again thanks very much.

LES PLACE (MANAGER)

Under 10B2: Well we are now at the end of another soccer year. The year started badly for us again in that we didn't have a coach by grading day, however, thanks to Graham Smith we were able to obtain the services of Dean Gayford from the under 14's. Getting coaches is always a problem and we have had problems over the last couple of years. Hopefully with the new selection committee to be formed for next year, this problem will be overcome. Maybe some of the seniors will put something back into the club and pass on their skills to the juniors who after all are the up and coming players of Wyoming club's future. The team this year comprised Craig and Garry Ferguson, Peter Shaw, Peter Sutherland, Scot McClure, Dean Wheeler, Stewart Bracken, Andrew Jay, Nicholas Benson, Rodney Rathbone, Michael Winney, Sean Molloy and Darren Keogh. Unfortunately during the year we lost Sean and Darren which left us with the basic eleven. All the boys tried their best and on a number of occasions only just missed out on winning. You win some and lose some but at least the boys always gave of their best and after all this is what its all about. It's easy to be winners but it's harder to lose a match and then give your best next week. Our boys did this week after week and we can all be proud of them. Next year I hope that some of the boys will be promoted to the A's or even try out for the reps. I would like to thank Dean Gayford for all the time he has put into the team this year. He had a hard job but did it well. It's good to see our older players looking after the youngsters. I would also like to thank the parents for their support to both Dean and myself this year, without your support it would have been difficult for us to run the team. Lastly I feel a word of thanks should go to the Wyoming Club committee for their help during the year. They all do a terrific job with little or no thanks but they are always willing to listen to any problems you have and try to solve them if possible. I look forward to seeing you all next year and congratulate the following two players for their success this year:-

Player of the Year:- Michale Winney
Most Improved :- Nicholas Benson

VIC WINNEY (MANAGER)

Under 10C: The last game of the competition saw a determined effort from Davistown to qualify for the semi's, however, a more determined effort from the boys denied them this chance. The team were held to nil all at half time, but came back in the first minute of the second half with a goal. After holding this lead for 15 minutes, a mix-up in the defence saw Davistown equalise with a very "soft" goal, made even more disappointing by the fact that it was the first goal con-

Under 10C cont. ceded by supa-stoppa Kurt Burling, having played in goals for all but 3 games. With about 1 minute to go, tearaway Darren Frazer made a break but was dropped in the area for a penalty. He made no mistake with the ensuring kick and the full-time whistle saw a win 2-1. This also heralded the team as Undefeated Minor Premiers. The first semi-final saw the team take on second place-getters Gosford, and the boys put in the best performance all year. After playing brilliant football we went to the oranges at 2-0 and returned to the pitch full of confidence, however, a fluke free kick rebounded off a defender and went into the net for an own goal, leaving us at 2-1. Gosford made a determined effort but the unbreakable defence was more than equal to the task and weathered all attacks until we put the final nail in the Gosford coffin and went into the Grand Final with a 3-1 win. The GrandFinal day came only to see us without one of our main strikers, Daryn Rowland, who was interstate, but with a slight re-shuffle and an extra effort by the rest of the team managed to put in a great performance to hold Ourimbah nil all at full-time. After two lots of extra time we were declared JOINT PREMIERS, a replica of last years nil all result with the same opposition. Finally, I would like to put in a special mention to what must be the nicest and least interfering group of parents that a coach could hope for. This leaves a coach 100% time for coaching and watching the kids instead of sorting out parental disagreements, as I hear a lot of coaches have to do. In closing, it was the most successful year a coach could hope for, and with the same kids and parent support next year we can give the 1984 premiership a good shake.

ARTHUR BURLING
COACH

Under 9C2: As this is the final Tiger Tales for the season I would like to thank all the parents for their help and encouragement throughout the year. Thanks also to Mr. Gallagher and Terry Jones for looking after the team when Talby and myself were unavailable. We hope to see all the boys playing again next year.

MARK GREEN & TALBY
COACHES

Under 11A: PREMIERS 1983. Congratulations on another great year boys. A good game against Terrigal with a 2-0 win. After a surprise result from the Final, we had a new opponent in Umina. In the grand final the boys never let Umina get into the game with a win of 5-0. The boys played an excellent passing game, the best I've seen them play as a team. Special thanks to our great coach Warren, we wouldn't have achieved anything without him. A big thank to all the mums and dads for their support during the year. Congratulations again to the boys and their parents. All in all we had a great year.

LOUISE BUSH.
MANAGER

Under 11B: 27.8.83. vs WOY WOY. The last game of the season and for the first time in a long time the word "aggressive" was used on a number of occasions. Provided the aggression continues, then the boys may go well in the semi finals. As the team came third in the competition, it is now a do or die effort. 10.9.83. Semi-Final vs TERRIGAL. A very evenly matched and hard fought game which needed two lots of extra time before a result was obtained. The winning goal was scored some five seconds before the end of the extra time. On the day and the way the both teams played, perhaps a draw may have been a good result as well - it would still have allowed the boys to progress to the final. 17.9.83. Final vs THE ENTRANCE. A quick goal by our boys and then a quick equaliser by the opposition

TEAM REPORTS

Page 10

Under 11B cont looked like setting the pattern for the rest of the game. However, the game tightened up and a goal by the boys just before half time made the picture a little brighter. A goal just after half time and one just before full time made absolutely sure that the boys entered the grand final. 24.9.83. Grand Final vs BUDGEWOI. Going into the grand final against an undefeated team is a harrowing experience for anyone. The game started with each team making quick attacks on each others goal. It then settled down with the boys having the better game but being unable to penetrate the oppositions goal. After half time, Budgewoi had the better game for most of the second half. It was not until during the two lots of extra time, that the boys really began to spark. It was during one of the boys attack on Budgewoi's goal, that a very hard clearance kick rebounded off one of the boys and ended up in Budgewoi's goal. A little while later the full time whistle was blown and the grand final was won.

BARRY TATE
MANAGER

Under 11C: Well boys what can I say. A great year everyone worked extra hard. Minor Premiers and GrandPremier Winners. When a coach takes on a new team if he is honest with himself he should only hope to make the semis. But we did it all. Great Stuff. We played 19 games losing only one. We only lost that game because we only had 9 men. We scored 39 goals and had 5 against. Greenie scored 18, Adam 7, Darkie 6, Philip 4, Benny 2, Nigel 2. I could not pick out any special boyseveryone improved 300% and the team played as a team. But I would like to thank NIGEL our number one reserve, and a special thanks to John and Eileen Gordon for taking videos of most of the games this year, and thanks to all parents for letting ma do the coaching and not them. From what I can see from standing on the sidelines most of the other teams should watch you in action. Last but not least my good looking manager, what a great job she has done. She never made one mistake all year. Cathy thanks a lot boys and parents, thanks hope to see you next year.

MALCOLM MOFFAT
COACH

Under 12A1: Well another season has come to an end and unfortunately the team did not quite perform to their potential. However, their efforts in the last game at Fagans Park was a credit to them. Although beaten 4-2 they showed a lot of fight to take the game right up to East Gosford and not to give up until the final whistle. Congratulations to CHRIS LARKINS on winning the Player of the Year Award. This was a close contest this year but Chris made sure of the award with four very fine performances about midway through the season. Congratulations also to GARY McLEOD as the Most Improved Player. Gary played C grade last year but developed this year into a very good player. Thank you to BOB LIUBINSKAS and TOM HARRINGTON for their help as officials at the games and a special thanks to BOB and DENIS HULSTON for their assistance at training. As a team we had our high points (A 3-0 win over Killarney and a 11-0 win over Budgewoi) and our low points (Two consecutive losses to Umina and disagreements within the team.) However, I enjoyed the season and I am sure so too did all the players. Listed below are the team members and their game results.

SIMON ANDREW (6 goals)	CONNEL FIELD (6 goals)	STUART FINLAY (2)
MARC FREYER (1 goal)	MATTHEW FULLER (11 goals)	STEPHEN HALL (1)
CRAIG HARRINGTON (2 goals)	JASON HULSTON (1 goal)	CHRIS LARKINS (4)
WAYNE LIUBINSKAS (5 goals)	JOHN MCGARVEY (1 goal)	GARY McLEOD (2)
MATHEW NASH (1 goal)	DAVID BELL	

TEAM REPORTS

SEMI FINAL.....EAST GOSFORD 2-4 LOSS

10 WINS...1 DRAW....6 LOSSES....43 GOALS FOR....21 GOALS AGAINST

STEVE FIELD
COACH

Under 13A: Our last game of the season saw us play old rivals Killarney Distrcits at home. The boys started well and soon led 2-0. The strong wind seemed to upset our play in the second half and Killarney were constantly attacking. The scores were levelled but our defence worked overtime for a 2-2 draw. This gave the team the MINOR PREMIERSHIP. The semi final against kanwal saw us the far better team for the majority of the game. Two fine goals and one to the opposition saw us winners 2-1. For once luck was on our side as Kanwal missed a penalty with minutes remaining. The Grand Final saw us against kanwal once again. Captain Marc Burgess did the right thing and let Kanwal win the toss. They ran with the strong breeze and our defence worked very hard. An attack down the left side of the field saw our team net the ball from a well placed corner. In the second half the conditions were reversed and we were on the attack constantly. With the ball hardly crossing the centre line we came away winners 1-0 and a third Premiership in 3 years. Congratulations to Graham and to the fourteen boys involved. It has been a team effort for the season and my congratulations to Jason Fernandez and Saun Barry for their attitude on missing out on a game each in the semi and grand final. On behalf of the team thanks to the parents for their support and transport during the season.

BRIAN GREGORY
MANAGER

Under 16A: Wyoming 4 v Budgewoi 3. What a game this was, with boys like this the future of the club must look good. Both teams gave their very best, F.Janik opened the scoring for us with an over head kick which looked spectacular and was really well taken. The Budgi boys fought back well but C.Bennett, P.Fini, H.Ruych and S.Finlayson were in top form in defence S.Hall who has been playing a real captains role. S.Neilson got the second goal after some great work by T.McDougall and W.Rutherford who set Scott up with a clever move. Budgi soon hit back with a real good goal. The game really took off when we scored the 3rd goal a great team effort was finished off by P.Caira. Budgi got back with another 2 great goals. The game was played at 100.m.p.h. but with skill and great spirit both teams played the game as it should be played, with hard fast good sportmanship by both teams. The crunch came for us when we were awarded a penalty and C.Bennett who had missed one last week calmly scored from the spot. I don't think anybody else would have scored except Craig. Semi Finals Wyoming) v Wyong 1. What a way to go out of the competition. We had plenty of chances and just did not take them, the whole game was played in the Wyong half. wyong got the break and scored a really great goal, and try as hard as we could we just could not get one back. I would like to thank the boy's for making it a very enjoyable season. They are a great bunch of blokes and will be a great asset to Wyoming Soccer Club in

Under 16A cont: in the future. I would like to take this opportunity to express my thanks to the Parents who assisted me with their support and Friendship. Thank you one and all. I would also like to congratulate S.HALL on being our Player of the Year, it was not an easy task to pick one chap out of so many good players. P.PINI our Most Improved Player was an easy choice to make.

TOM WALSH.
COACH

Under 11D1: Taking into account the bad start to the season the boys have not fared too badly. We began with the bare number of boys, then one left, leaving us with ten, and that is how it was for 2/3 of the season. Playing with ten, at times nine, the boys had their trouble, even so played well most of the time winning some, drawing most, losing the others. At this stage, playing with 9 or 10 boys, the two fullbacks and goal keeper, Bart Master, Brian Wilkinson and the then keeper Steve Durrant saved many a dangerous situation. About mid way through the season Chris Akers joined the team, having never played before he was a little lost at times, and was caught out of position at times but learnt quickly, always solid in defence, and never shy in going forward either with the ball or in support of the attack, Brad Orrock is a good team player and just the type to have at centre half. Richard Wright plays right half, and lent support to the attack, and was ever willing in defence. Able to gain great distance from the throw-ins from the sideline, Richard often put our right win, Marcus Hoerl away up the side, regularly gaining ground in many cases when he was able to centre the ball it gave our strikers good opportunities to score. Nathan Burford while a good player in the field was always keen to swap positions. All this was made alot easier with a new boys coming into the side. Danny Fabian, he was also at sea for awhile but learnt very quickly. Possibly the teams most dangerous player, Jamie Moreau has had a very good year, Jamie our centre forward scored 18 goals, having good ball controll he always beat one or two defenders, thus he often left rival keepers clutching at thin air. A greedy player Jamie is not, if he thought a player was in a better position he has the ability to set up the attack. The understanding that has developed between Jamie and the teams other striker David Smith, has progressed all year and both compliment each other. David has also had an excellent season having scored 6 goals himself, by good ball skills supporting the man or should I say boy with the ball David found the back of the net quite often. So with a full team for the last 1/2 of the competition the boys have developed well, the new boys have settled in and are going along fine. After 1 1/2 seasons playing Steve Durrant has settled down well on the left wing, not as fast as some of the other boys but has more power in the legs he often sent the forwards away with some long crosses so this confidence is growing. At the other end Nathan Burford after some time and determination is going well guarding the net. With the two backs he has developed a good positional sense of play and with semi finals near as a last line of defence he is hard to better. Qualifying in fourth spot I think we could be the dark horse of the play offs and cause the other side some problems. All the lads have attended training and behaved well, and Ron and I are proud to have been associated with all the boys. To all the parents we also thank, for without their support it could not have been such a good group to have been associated with, so again we say thanks for supporting our decision. To Mr. & Mrs. Orrock a special thank you for taking care of the shirts all year, a job well done. And so to the finals, qualifying in fourth spot (only by one point), Umina United were soon accounted for. With the school holidays on they suffered most, with 2 players down we were one short. A 3-0 win the result, excellent games being played by David Smith, Danny Fabian and Jamie Moreau in the

TEAM REPORTS

Page 1

Under 11D1 cont forward line. Brad Orrock at centre half had a good game, his defence being excellent, and always ready to support the attack. Ever reliable at full back, Bart Masters has been a constant improver all year, this game being no exception. So things looked well going into the second game, every boy playing well, supporting each other, talking to each other, the team spirit was well up. In the next game we came up against Ourimbah who were running hot, too hot for us. The lads gave all they had but on the day, Ourimbah were too good, beating us 6-0. Although the score does not indicate it, keeper Nathan Burford had his best game of the year. At half time he had kept us in the hunt, but could not stop everything. The forward line just could not get going, many in the halves had a day off and could not get them under way. On half dozen occasions Jamie made the break, almost scoring twice, but when your hot your hot and when your not your not. Better luck next year lads, you have done well, all your parents must be proud of your efforts this year, coach and managers are. Perhaps the closest contest was for Most Improved. As the saying goes, the quiet achiever and ever reliable Bart Masters has had an excellent year, not only has his skills improved but his positional sense of play has come on well. Congratulations Bart you have earned the trophy. Any young man who can score 18 goals and set up some others is a good player. Most goals he created himself through ball control and the ability to beat the other man. His only draw back at the moment is that he has only one foot he can use, he must learn to use his left foot more to round off his game. But that aside Jamie Moreau without doubt has been the teams most dangerous and best player. Congratulations Jamie upon your achievement.

RON DURRANT
MANAGER

Under 8A1: We finished the season as MINOR PREMIERS and that sums up the year for us. I will take this opportunity to congratulate ROBERT ROSS for winning the Player of the Year award and LUKE MASON for winning Most Improved, but I hasten to add that the margins separating the boys could not have been much closer. As coach I have watched a group of 13 players develop into a real team of skilled footballers, each boy eager to do what was required of him and contribute to the team's success. The team lost only one game this year and that was the first one of the year against DAVISTOW 1-0, we drew against Terrigal, Gosford and Wyoming 8A2's and the only team that deserved the draw was our own 8A2's, in the other games we should have won easily if not for bad luck or poor referees decisions. I won't name the team's best players because I would have to list 13 names as everyone of the boys, sometime during the season, was Player of the Match. I am proud of the achievement of being MINOR PREMIERS not because of the fact of winning the competition but because of the effort, team spirit, and sportsmanship that the boys showed all year long. This is a team that the Wyoming Soccer Club can well be proud of. Finally I wish to say thanks to my manager EDDIE MASON for a year's hard work and dedication which contributed greatly to the success of the year and the boys development of skills and sportsmanship. Thanks to all the parents for their support and encouragement both at games and at practice, and finally thanks to everyone of the boys for their time and effort. This year has given me a great deal of satisfaction and I am proud of being connected with the team not only this season but also the previous two - THANKO FELLAS.

RUSS MALSEM.
COACH.

TEAM REPORTS

Page 14

Under 12A2: The boys had an early finish to the soccer season as they didn't make it to the semis. Being upgraded they were by no means disgraced in the "A" Division. Although they didn't win many games they gave the top teams some very good hard games. The worst loss was 4-1 to the very good Umina side. Most Improved 1983 - although all boys lifted their game and proved that with continued effort they could do better next year. I am sure boys and parents agree with me that Mark Annabel is worthy of the award. Well done Mark - keep trying. Player of the Year - Matthew Phillips, Matthew gave 100% effort at all times. He continually worried the defence and had some very good games as goalie when called upon to do this job. Congratulations Matthew. Hope to see you all playing Soccer again next year.

PETER FROST.
COACH

Under 16B: What a season! It has to go down as one of the most confusing seasons I've ever seen, with what seemed to us the weather and the fixtures officer teaming up to make things as hard as possible, but we did make it to the grand final in spite of it all and saved our best football for the last three games. With the second semi having to be replayed and with the extra time in both these games, plus the extra time in the grand final, the boys played a total of 301 nail biting minutes in seven days. Every boys played his best game of the year, but that didn't stop an enthusiastic Ettalong side from having us down 2 - NIL at half time. The second half things started to go our way when Ettalong gave away a penalty which Jason Schmidt put away with ease, then Kurt Jones curled an impossible shot across the face of the goal and into the net. The first lot of extra time saw us launch wave after wave of attacks at Ettalong's goal, but our normally reliable striker, Dennis Freyer, was off target and Ettalong was first to score. Things were looking grim until Craig Harper pounced onto a loose ball and set Dennis Freyer up for his first goal. The next lot of extra time was a copy of the first with repeated attacks on their goal and the shots going anywhere but in. The break came in the last minutes of the game with Dennis Freyer doing what he does best and putting away goal No. 4 to make the score 4-3 and making it all seem so worthwhile. It is hard to single out individuals from what was a great team effort, but there is little doubt that the efforts of our Captain, Mark Dempsey, who led by example and kept running and tackling all day, and our Vice Captain, Craig Ha , who turned back attack after attack and tackled anything above grass level, were what paved the way to our win.
