### Parents & Players:

Here we are back to another season. May I take this opportunity to welcome our new players and their parents to our Club, and also welcome back to all from last year as well.

In compiling this edition of 'Tiger Tales', I am hoping that the various articles will be of interest to our new families - perhaps some of the 'old' members might still learn something! However, there still may not be an answer to your own particular query, so please feel free to contact me, 9am to 5pm 24 5792 or after hours on 24 7218.

The Junior Competition will be starting on Saturday 7th April and to celebrate the start of the soccer season we will be holding a Mini Fete, details further over in 'Tiger Tales'. There will be no soccer competition played on the Easter week-end, only some Seniors may be playing in the Wyong Cup.

Please try to have your child at the grading day listed for his or her age group...whatever age they turn this year. This is important so each player can be given the opportunity of being graded in the correct team. Teams will not be graded B.C. or D. Naturally the first team picked will be the "A" team, but after that they become 2,3,4 to whatever number of teams in that particular age group. It is then up to the C.C.S.A. to grade them.

Until registration days are completed we do not know how many teams we will have in each age group, therefore we do not know how many coaches are required. Most coaches are fathers of players or a friend who is interested in that team, so we could need your help in the coaching of a team. There is a Club Coaches Manual available to any person who requires it.

There will be a coaches meeting in the meeting room at Alan Davidson Park on Tuesday 3rd April at 7pm. Coach or Manager must attend as there will be a general talk to coaches as well as a chance for queries to be answered. Registration cards will be given out also that night. No team can take the field without them.

Coaches and Managers have to be registered with 2 passport size photos, not poloroid, and no payment is involved. This has to be done before the start of the season.

All sporting goods can be obtained from the SPORTMANS WAREHOUSE, East Gosford, our new Club Sponsor. Further details on that in - 'IN TOUCH'.

Advertises are always wanted for our 'Tiger Tales' and if you know any business house willing to advertise with us please contact our Publicity Officer who will be happy to help you with prices. A years subscription covers 7 or 8 issues and goes into just over 500 homes.

The Canteen Committee will be bringing a roster out for home game help in the Canteen. We do ask parents to support this committee by working on your rostered day, only an hour is required and your help will ensure the smooth running of the canteen.

See you on the side-line.

Jill Smith  
Secretary.

by Kevin Best, President

Welcome to the Club all new and old members. Last year was the Club's most successful year to date and it is envisaged that this year will be as good or better.

### RETURN OF ALAN DAVIDSON PARK

I cannot thank enough, the volunteer help received from the members of the Club when the call went out that the Club could return our home ground. What an effort and sacrifice made by so many. Two weekends of hard toil but I do believe when everyone sees the results now I think the pains and aches will be forgotten. The ground is a 'picture' - probably the best playing surface on the Central Coast.

Anything would be better than the condition of the ground last year.

With the improved condition it is important that it can be maintained. It is the Clubs responsibility to ensure that the ground does not get over used.

There will therefore be restrictions on the use of the main soccer field for training.

- 1) THERE IS TO BE NO DAYLIGHT TRAINING ON THE MAIN PARK
- 2) NIGHT TRAINING WILL BE RESTRICTED TO TUESDAY & THURSDAY NIGHTS for Under 16 and older age groups.

Negotiations are at present being undertaken with Council for the use of MAIDENS BRUSH PARK WYOMING for all NIGHT TRAINING and to provide the Club with another large size home ground on the weekends.

If the negotiations are successful there will be no training on the main field at Alan Davidson at all.

Other matters raised with Council are

- a) relocating the lights at Alan Davidson Park to the junior fields.
- b) erection of a fence to prevent balls from rolling into the creek
- c) providing a spear point to enable the Club to water the park.

### CLUB SPONSORSHIP

The Club has now obtained a sponsor for the next 4 years.

EAST GOSFORD SPORTSMAN'S WAREHOUSE

IN TOUCH (cont)

CLUB SPONSORSHIP (cont)

The sponsorship covers all the Clubs teams and provides

- 1) a new set of shirts for each team
- 2) a new match ball each year for the next 4 years.

The sponsorship is valued at \$10,000. The saving to the Club over the next 4 years will be passed onto the members by way of stable registration fees and thus providing a cheaper means of recreation for the Wyoming community.

The sponsor is also providing a discount card which can be used for the 1984 year to purchase any items from the warehouse. The sponsor will stock all the Club's gear and it is encouraged that you utilise the Club sponsor's proposal.

In return the Club will provide

- 1) the name of the sponsor on all playing shirts
- 2) a full page advertisement in Tiger Tales
- 3) a sign written billboard at the ground
- 4) sponsors name on all Club letterheads
- 5) PA announcements of the Sponsors message at the home ground
- 6) nominate the sponsor as a Patron & member of the Club
- 7) provide the sponsor with complimentary tickets to all Club functions
- 8) present the sponsor with an appreciation banner and poster.

WHAT IS GOOD FOOTBALL

A good game of football is one in which firstly you see players enjoying themselves. Winning matches is important, but trying to win stylishly and fairly is what football is all about. Win, draw, or lose, skilful football is enjoyable football.

A second measurement is the extent to which both teams try to win by attacking as much as they can, and by defending when they have to win rather than playing to avoid losing.

This when groups of players frequently combine confidently and calmly, using all the techniques of the game - HEADING, PASSING, DRIBBLING, SHOOTING, and so on - with delicate touch and cleverness.

Finally a good game of football must be played fairly and honestly meaning playing and trying as hard as possible all the time.

Donations for any stall would be most welcome and can be left at the Used Furniture Shop, 18a Hills St., Gosford (next to Medical Centre).

Should any team want to have their own stall just let me know.

Donations of wool and material are required for an engertic grandmother who would like something to do and also help the Fancy Good stall.

A beginning of season Gold Coast/B.B.Q./Disco night is being arranged for Saturday 5th May. This will be held at the Gosford Tennis Club. Tickets will be either \$10 or \$12 per head which will cover the chance of winning a trip for 2 to the Gold Coast, your B.B.Q. and the Disco. B.Y.O. WYOMING SOCCER CLUB  
BY LAWS

These By Laws have been written to assist members, coach and managers to understand the way in which the Club is administered and to seek your co-operation.

MEMBERS

Members of the Club are expected to act in accordance with the Constitution and the By Laws of the Club and with the constitution and Competition Rules of the Central Coast Soccer Association.

COMMITTEE

The Management Committee of the Club is elected at the AGM each September and is responsible to administer the affairs of the Club and to provide assistance to its members.

PARENTS/GUARDIANS

Parents or Guardians are required to

- 1) assist the Coach and/or Manager in the running of the team where required.
- 2) ensure that your son or daughter is properly attired in the approved Club outfit.
- 3) notify the coach/manager if your son or daughter cannot attend training or the game.
- 4) ensure that your son or daughter arrives at the ground at least  $\frac{1}{2}$  hour before the start.
- 5) not expect the Coach/Manager to transport your child everywhere.
- 6) support the team and not individual players.
- 7) eliminate verbal and physical abuse.
- 8) treat the game as an enjoyment for your child and promote good sportsmanship.
- 9) listen to 2GO from 7.30am on the day of the game in case of inclement weather.
- 10) contact the Coach/Manager for any information or enquiries. DO NOT ring the SECRETARY or other committee person. The Coach/Manager can contact the TEAM DELEGATE or SECRETARY if necessary.
- 11) attend, if interested, the Club's monthly General Meetings (see below)

**CLUB COACH**

The Club Coach if appointed, is elected by the Management Committee and must receive the co-operation from all coaches within the Club. The Club Coach however is appointed to assist all team coaches and must not concentrate on any particular team or teams.

COACH

The Coach is appointed upon application to the Management Committee due on or before 31st December each year. The MC decision will be final. The responsibilities of the Coach is to coach his designated team in the techniques and principles of the game of soccer. The Coach who cannot attend training or the game must arrange a responsible person to take the team on his/her behalf. The Coach must be aware of this By Laws of the Club.

### MANAGER

The Manager will be nominated by the appointed Coach but it is not recommended that the Coach's spouse be nominated. The responsibilities of the manager is to co-operate with the coach and provide administrative assistance to the team. The manager must be aware of the By Laws of the Club.

### TEAM

The team will comprise no more than 13 players in their own age group. Any variation to this By Law will not be made unless consultation is arranged between the M.C. the coach and manager and the parents and if deemed necessary by the M.C., the players.

### PLAYERS

Players are eligible to be graded into a team when the player registration fee has been paid. Players cannot play in any grade unless they possess a registration card. Any player, due to a surplus of players who cannot be included into a team will be given every assistance to transfer to another club. The procedure adopted to determine which player is surplus is 'last player registered is first player transferred'.

Players will only be permitted to play up in grade if there are insufficient team players available for that higher aged team. All players (where practical) must play at least  $\frac{1}{2}$  game each week on a rotation basis.

Players playing up in the next age group cannot play more than two divisions lower in that higher age group ie; under 11B player cannot play 12D but can play 12A, 12B, 12C, 13A, 13B, 13C, 13D.

Players cannot play in another team in the same or lower age group.

### GRADING OF PLAYERS

Grading days for all age groups will be organised late February or early March each year. Registered players will be graded in their own age group teams according to their ability to play the game of soccer.

The M.C. will organise a three person grading committee from Persons other than the appointed coaches for each age group. Each member of the committee must have past soccer experience and their decision will be final.

The committee will assemble the players and separate them into two groups

- a) previously played
- b) not previously played

- a) i Separate into teams of eleven, if possible, according to the standard previously played.
- ii Determine which players wish to be considered for a higher graded team utilising the 3.2.1 records from the previous year. Every endeavour must be made to encourage players to play up in grade
- iii Play each team against the other noting players who have the ability of playing a higher grade.

### GRADING OF PLAYERS (cont)

- a) iv If a player desires or is chosen by the committee to play up in grade the player should nominate the field position and must be given the opportunity to trial in that position.
- v Once the 13 players for each team have been selected according to their ability by the appointed coach and the grading committee it is the duty of the committee to ask all players whether they are happy with their grading. A decision will then be made whether further grading is warranted.
- vi When the 13 players have been decided they will be introduced to their coach or if no coach one that is chosen from within the parents in attendance or if still not successful a temporary appointment until the M.C. can arrange a permanent appointment. The coach or acting coach will then (1) obtain the names of the players and telephone numbers or addresses. A copy of which must be given to the REGISTRAR of the Club (2) give in writing to the players, the coach's name telephone number, the next day and time for training.
- b) Sort the new players in separate groups of eleven according to their ability to kick, head, catch, sprint, run long distance. Every opportunity must be given to players who show ability to play up in grade. The same procedure will then be followed from (a) iii (page 2)

### TRAINING

Training commences as soon as the coach wishes after grading day. Each coach will be allocated a training day and times at Alan Davidson Oval after consultation with the Vice President. The allocated day and times cannot be changed without the verification of the Vice President. It is a M.C. decision as to the extent of training times made available to each team. Only one training session per week is advisable upto and including Under 14. Night training will only be available to Under 16 and over age groups.

If the Club facilities are required for training, prior contact must be made to a committee person.

In case of inclement weather the Club's meeting room is available upon request and soccer squash at the Squash Centre is also recommended.

### GAMES

Each coach/manager will be informed of the competition games for the team as soon as is known by the SECRETARY OF THE CLUB. It is the responsibility of the coach/manager to inform the players when and where they are to meet each weekend. It is suggested that the players are informed at training each week.

### PRE SEASON GAMES

Pre season games are not organised by the Club committee. If coaches desire pre season games for their team, games can be organised by contacting another coach in the Club. The goal posts are not erected by Gosford City Council

## PRE SEASON GAMES (cont)

until late March which will necessitate coaches improvising to organise a game.

## EQUIPMENT

Coaches are provided with one match ball, several practice balls and a set of playing shirts. This equipment must be cared for during the season and returned immediately after the last game. Shirts and balls must be held by one person at the end of each game. Under no circumstances are individual players to retain their shirts.

## PLAYER REGISTRATION CARDS

Registration cards for each player will be supplied at the beginning of the season once the player has been registered with the CCSA. The cards must be taken to each game and made available for sighting by the opposition coach. A player cannot take the field for a competition game unless the coach possesses a registration card for the player and even if the player is from a younger age group. Failure to produce a registration card will result in the forfeit of the game. Feel free to exercise your right to sight the opposition registration cards. Registration cards are the property of the Club and must be returned after the last game of the season. In the event of a player being sent from the field of play by the referee the registration card must be handed to the referee after the game.

## REFEREES & FEES

Enquiries should be made before each game to determine whether a referee has been assigned to the game. If no referee, the home team is responsible to assign a volunteer referee to the satisfaction of both coaches. A game team sheet is available from the home team kiosk must be filled out by each coach. All players names who will take the field must be entered on the sheet.

Do not sign the sheet until after the game when the score must be checked. If home team, tear off the bottom of the sheet and place in kiosk result box.

Only pay the referee if an official referee - volunteers are not eligible for payment. Referees fees must be paid by the Coach/Manager before the start of the match and are recoupable at the Club's monthly meeting upon completion of a Claim form - fees are non-recoupable after two (2) months. Always carry your own whistle in case a volunteer referee is required.

Coaches/Managers must not physically or verbally assault referees and must endeavour to prevent spectators harrasing referees. Appreciate the worth of the referees and lines persons and assist them where possible.

## HOME GROUND PREPARATION

Fields must be properly marked out and nets and corner posts erected properly by the team having first use of the home ground. Similarly teams having last use of the field must take down the nets and posts and stow them in the Kiosk storage area. Coaches/Managers must determine prior to their match whether their game is first or last on the home ground.

### TRANSPORTATION

It is the responsibility of the coach/manager to ensure that each player has access to available transport in respect to away games. It is however, not inferred that the coach/manager is to provide a 'bus' service and it is emphatically discouraged. If cars are overloaded it will jeopardise any future insurance claim necessary. It is suggested that all players meet at Alan Davidson Park at a pre determined time, giving everyone sufficient time to arrive at the ground well before kick-off.

After training and games coaches must ensure that players are collected from the oval or sent home safely.

It is the parents/guardians responsibility to assist the coach/manager in the transportation of the players and ensure they arrive at the ground at least  $\frac{1}{2}$  hour before kick off time.

### ORANGES

Coaches/managers may collect oranges for  $\frac{1}{2}$  time of the game at the Club Kiosk on the day of the game - no charge.

### DRESS

Players must be properly attired in the approved clubs outfit before they take the field ie;

- 1) Club shirt - supplied by the Club
- 2) Black shorts  
Yellow socks with two thin black bands at the top  
cleaned boots - all supplied by the parents.

### BAD LANGUAGE

Club officials including coaches and managers must deter club members, players and spectators from using obscene and abusive language whilst at matches or training.

### WEEKLY RESULT SHEET and 3-2-1 PLAYER AWARD

A weekly result sheet supplied by the Club must be completed by the coach/manager after each game both home and away and deposited in the Result Box at the Club Kiosk no later than 4pm on the day of the match. The details are required so that results can be phoned to the Central Coast Soccer Association. The Club is fined for every result not known.

A 3-2-1 points award is also required on this sheet for Club records. The coach/manager is required to allot three players with points 3, 2, and 1 respectively. Game points are tallied at the end of the competition before the semi finals, and the player 'with the highest points' is declared the Player of the Year for that team. The MC decision is final.

Coaches/Managers should take into consideration when allotting points that the 3 points should be awarded to the player who is the most outstanding on the day. Things to look for are

- player's performance with individual skills
- player attitude during game
- positional play on field
- proper technique as a player

WEEKLY RESULT SHEET and 3,2,1 PLAYER AWARD (cont)

- sportsmanship to opposition
- team support to fellow player
- adherence to pre match tactics

2 points would be allotted to the next most outstanding player and 1 point to the next player.

A most improved player award is also given to a selected player at the end of season Presentation Day. Things to look for are

- most improvement during season
- willingness to learn and listen
- eagerness to try and train

MONTHLY TEAM REPORT

A monthly team report is required from each team on or before the monthly general meeting of the Club. The report can be deposited in the publicity box at the Club Kiosk or brought to the meeting. A specially designed form is available from the Club for completion.

MONTHLY BULLETIN "TIGER TALES"

The 'Tiger Tales' is prepared each month and a copy is given to each registered player. The bulletin contains team reports, club news and information.

The MC encourages you to read the bulletin to keep abreast of happenings.

MONTHLY GENERAL MEETING and A.G.M.

All persons are welcome to the Club's General meetings. It is important however that either the coach or manager attend this meeting, which are held on the 4th Monday of each month at 8pm in the Club meeting room at Alan Davidson Park (April - August) and at the Central Coast Leagues Club (FEBRUARY, MARCH, SEPTEMBER, OCTOBER).

The purpose of the meetings is to ensure adequate liaison between the M.C. team officials, parents and other interested persons.

The SEPTEMBER meeting is the AGM of the Club where the Clubs' committee is elected.

INFORMATION & ENQUIRES

Players and parents requiring information or having enquiries must contact the coach or manager of the team. If further information is required the coach/manager can contact the Club TEAM DELEGATE. Parents and players must not contact the committee of the Club.

The duties of the committee especially the SECRETARY are time consuming enough without the need to answer constant enquires. The TEAM DELEGATE has been elected for that purpose.

KIOSK & ROSTER

Each year the MC publishes a roster for parent assistance in the Club Kiosk. Managers and coaches are asked to ensure that the team parents are made aware of the roster.

### KIOSK & ROSTER (cont)

Persons under the age of 18 are not permitted in the Club Kiosk because they are not covered by Club insurance.

### CLUB PRESENTATIONS & AWARDS

A Junior and Senior Club Presentation are held early October at the end of each season.

The only awards or trophies which will be given to any player of the Club will be presented by and approved by the Club. Under no circumstances will the Club allow any coach, manager or any person to purchase individual or team awards or trophies for player(s) of the Club.

Officials of the team will be cited by the Club if the above is not adhered.

If the team members wish to present a memento to their coach or manager at the end of the season it must be presented at a private function and not the Club's Presentation Day.

The awards and trophies which are given by the Club at Presentation Days are

- a club bannerette to every junior player
- a trophy for PLAYER OF THE YEAR to each team
- an award for the MOST IMPROVED player to each team
- a trophy to each player of a PREMIERSHIP winning team
- an award to each player of a RUNNERS-UP team
- an award to each player of a MINOR PREMIERSHIP team
- an award to each player of a NON COMPETITION team who have performed well throughout the season (MC decision)

### COACHING ASSISTANCE

From time to time the Central Coast Coaches Federation conduct coaching courses for interested coaches.

The Club has a collection of coaching books for the use by Club coaches.

Coaches meetings are held at various intervals by the Club at Alan Davidson Park.

It is of utmost importance that young players are taught the correct skill techniques of the different facets of the game. Coaches are therefore encouraged to increase and improve their knowledge of coaching methods.

Financial assistance may be gained from the Club to attend coaching clinics.

### FIRST AID

First aid equipment is available at the Club Kiosk at Alan Davidson Park. Funds are not available for each Club coach to be issued with an adequate kit. Coaches/Managers must supply any equipment required. The suggested basic aids are

- bucket & sponge
- container of water
- skefron

INCLEMENT WEATHER

## PLAYERS EQUIPMENT

PLAYERS EQUIPMENT: - Available from the Club Sponsor.....  
East Gosford's SPORTSMANS WAREHOUSE, Webb Street, East Gosford.

SHOES: Ideally a player should have three types of shoes - the short rubber moulded soles for harder grounds, the long screw-in type studs for softer or wet grounds; training shoes for either training, warming up or wearing to and from training and matches.

Studs are used to give players the correct footing. As our grounds are generally hard most of the year, a pair of the rubber-moulded sole type is first preference, especially with young players who grow quickly out of shoes and who only have one pair of shoes at a time.

Proper attention to shoes is essential for a player wishing to perform near his peak.

Like most things, shoes will last longer and serve you better if they are cared for. Ordinary shoe polish is satisfactory although there are many leather reconditioners on the market which are ideal for prolonging the life of your shoes. With wet shoes many make the mistake of putting them out in the sun the following day. This tends to make the leather harder and the shoes more uncomfortable to wear the next time. Always wash excess mud and debris off shoes immediately and leave to dry as normally as possible without putting them in the direct rays of the sun.

New shoes should be worn-in gradually before wearing them in an actual match. Many make the mistake of playing in them immediately. This can result in badly blistered feet and perhaps missing out on playing in the following match. It takes several wearings to mould shoes to your feet and this is best done over short trial periods. Dampening before use is also useful in breaking-in new shoes.

For youngsters who, because of rapid physical growth during a season, have to buy shoes slightly bigger in size, padding is also helpful. They can either pad toes with cotton wool or wear two pair of socks which will give a better fit until they grow into the shoes.

LACES: These seem of minor importance but often cause the most trouble. Many a match has been lost because one of the players is out of action retying laces or repairing broken ones. The laces on the outside of the shoe - the area least used for kicking. Always carry a spare set of laces for emergency. Better still, check laces before going to training or matches. After laces are tied they can be covered by wrapping P.V.C. tape around the shoe to ensure the laces do not come untied.

SOCKS: These should be light, comfortable and always kept up. Sloppy appearance leads to sloppy play broader elastic garters are preferable for keeping socks up to other forms of thinner tie up. Thinner ones tend to hinder circulation and many cause circulatory problems with players' legs later in their careers.

SHIN PADS: Youngsters should wear them from their first playing days for protection. There are many lightweight brands available, some of which are built into the sock itself and the long run protection benefits to the players tremendously. Foam shin pads are available from stores. These pads are extremely light and sell for about \$2.50.

PLAYERS EQUIPMENT (cont)

SHORTS: Should be comfortable and light with plenty of room for the whole range of movements. For protection purposes again, it is also advisable for players to wear one of the many types of athletic supports available.

TRACKSUITS: Especially in the winter months, training and warm-ups for matches should be carried out in tracksuits. The idea is to keep the muscles warm and ready for action and to this end tracksuits serve a good purpose. When showers are unavailable after matches, too, tracksuits help in cooling of the body down and preventing 'flu and other viral infections.

GOALKEEPERS: Although basically similar to the needs of other players, there are some equipment "aids" which are different from his team mates.

GLOVES: For wet weather or moist grounds to improve handling. It is much harder to handle a wet and greasy ball than a dry one and gloves are a great help in this respect. Many matches are lost because the "keeper" lets the wet ball slip through his hands - something that could be avoided if he is wearing gloves.

CAP. Nearly always essential to keep the sun and glare out of the eyes a cap is essential in this respect because a goalkeeper more than any other player is exposed to so many match-deciding high balls.

All the recommendations listed above are to assist you in purchasing equipment for your boy, however, it is only essential to buy shoes, socks and shorts, all other items mentioned are recommended but NOT compulsory.

## COACHES INSTRUCTIONS

The Club has available for coaches, several coaching instruction manuals for their perusal.

As with most jobs one takes on, one needs guidance and it will be a great benefit to you if you take time to use them.

If you are interested in advancing your qualification and experience in the art of coaching, the Central Coast Coaches Federation (formed 1981) have regular sessions throughout the year.

Contact Kevin Best 28 4806 for further information.

## GENERAL ADVICE TO COACHES

While the positions of coach and manager are voluntary within our Club, it follows that having accepted the position, we accept the responsibility which goes with the position, and the welfare of each individual boy must be paramount.

1. If we are to teach by example, we must set a good example.
2. If we expect the boys to be punctual and well behaved, we must be punctual and well behaved.
3. Look like a coach and as if you are taking it seriously. Dress appropriately.
4. Have patience, understanding and tact - but never be weak or indecisive.
5. Be confident, enthusiastic and organised. It will rub off on the boys.
6. Praise good work and encourage real effort; try to be positive, cheerfully.
7. Prepare your coaching session beforehand and know exactly what you intend to attempt in the time available. Ensure the equipment you need is available.
8. Evaluate last weeks game and think of next weeks game.
9. Vary the training programme to maintain players' interest; boredom is deadly.
10. Introduce new techniques and tactical elements only progressively.
11. Keep as many players as possible occupied as constantly as possible. Avoid long spells of inactivity which breaks concentration.
12. Involve parents. Break your team up into groups at training with set exercises under the eye of a responsible parent while you concentrate your attention where it is required most.
13. Make sure the floodlights, or sun is behind your boys so that they are not blinded when doing set exercises.
14. All exercises should be demonstrated 1) Without Ball, 2) With ball in slow motion, 3) With ball at speed, 4) Under pressure or near match conditions.

GENERAL ADVICE TO COACHES (cont)

15. Show one exercise at a time. A solid demonstration is far more effective than almost any amount of description. The demonstration should give a clear picture of the exercise.
16. If the players don't respond to a particular point, it should not be repeated over and over again, but should be shown and explained in another way.
17. Use boys of higher ability in demonstrating.
18. Must accept that in any group of junior players there will be varying levels of advancement and a natural ability and we must be prepared to encourage and spend more time with the least able.
19. See that mistakes are eliminated and the skills properly mastered.
20. Don't talk unnecessarily. Allow your players to learn things by doing rather than listening.
21. Speak slowly and clearly. Use the correct terms so that everybody can understand what you mean.
22. See that the players are comfortable and relaxed and able to see and hear you without difficulty.
23. Coaches and managers should NOT show dissension in front of their boys.
24. Maintain discipline at all times and do not permit slackness.
25. There is absolutely no excuse for the use of bad language, or for vehement criticism or abuse.
26. It might be bad for the canteen, but boys should not eat PIES etc. before taking the field.
27. Do not coach from the sidelines. Apart from being illegal, constant instructions during a game may confuse your players. In any case most of the advice is lost in the general noise. Avoid strong criticism of individuals at half-time, or even at full-time. Save your criticism for training sessions.
28. We must accept a responsibility to ensure we don't pressure our juniors such that we deprive them of all enjoyment through participation in the sport, and we find them leaving the code before they start.
29. Do not extend the boys beyond their physical limits.
30. Insist on full authority as team coach. Do not listen to friendly "advice" from parents or committeemen of your club. Without being rude, point out to them that you are in sole charge of the team, that you have been employed as the coach and that you would appreciate being left alone to do the job.
31. Knowledge should be increased by reading and attending advanced coaching classes.
32. The Club's coach is at your disposal for guidance and advice.

CENTRAL COAST SOCCER ASSOCIATIONREPRESENTATIVE TEAMS

Just a short report on our Representative Team Programme for the coming season.

Our teams will again be participating in the Sydney Competition. This competition will commence on Sunday 4th March with the last round being played mid-August for the U/13 to U/16 teams. Our mighty midgets will be playing again on Sunday, but we have not received the start date.

The coaches for this season are:

U/11 Mr. Steve Czisz  
 U/12 Mr. Warren Anderson  
 U/13 Mr. Steve Shoobert  
 U/14 Mr. Cec Spinks  
 U/15 Mr. John Van Heck  
 U/16 Mr. Lindsay Ferguson

The teams this year will be wearing tracksuits in our old colours (those prior to last year) - Royal Blue and Red. The Sky Blue and Gold of last season were just too light, showing every mark.

To date we have obtained one major sponsor - Travelco Pty. Ltd. They have provided us with a holiday trip to Fiji for 2. So this season instead of each team having their own fund raising or asking parents to provide funds for the buses, tracksuits and bags, each player will be given tickets to sell in the Holiday Guessing Competition. The selling of the tickets will provide each boy with means of raising the fund required for Reps.

Other sponsors are being sought for each team. For sponsorship of \$400 per team, a firm will have their name displayed on the back of the tracksuits and on the playing strip. Also, their name will be associated with the particular team in media reports.

Travelco will be having their badge on the front of each tracksuit and signs at all home games. If any of you know of a firm or business house who may be willing to assist, we would be happy to hear from you. It is our intention to try to make rep. football as financially self supporting as possible.

The state titles on the June Long Weekend will be held at the following venues.

U/11 Tamworth  
 U/12 Cardiff  
 U/13 Stewarts & Lloyds  
 U/14 Fagans Park  
 U/15 Singleton Heights  
 U/16 Lismore

We will again be sending an U/16 team to New Zealand in the August school holidays. The parents have already started raising the necessary funds.

We look forward to another successful year for all our boys. Over the past years with the experience that has been gained, especially in Sydney, our team has been improving steadily. Last season saw

CENTRAL COAST SOCCER ASSOCIATION

REPRESENTATIVE TEAMS,  
(cont)

most of our teams finish near to the top in Sydney and competing with great credit in the titles, bringing 2 home. This year with everyone giving 100% we could also, besides adding additional state titles, take out a couple in Sydney also.

The teams for each age group are selected by way of 5 trials, each of which lasts 1½ hours. Every boy who plays soccer on the coast has the right and should be encouraged to try out for the representative team in his age group. In fact, it should be the ambition. Playing in these teams gives the boys the opportunity to represent the Central Coast at the top level and provide them with the chance of improving their own skills and ability by playing in such high standard competition. Through such participation we can develop the stars of the future. Club soccer can only benefit from having their players involved; the boys can bring back to the club sides what they have learnt. We would ask all clubs and their members to give the boys their full support and assistance during this season. During the season, as many as possible should try and come along and support the teams representing each and everyone of us.

Finally to all, may this season be the best ever.

Bill Neilson  
Rep. Team Organiser
