PRESIDENT'S CORNER

PRIDE OF PLACE

I cannot express how important it is to set an example - a good example that will be looked up to.

In my years in soccer and particularly with Wyoming administration I have tried to set an example and build a reputation second to none. I've always wished that Wyoming would lead the way. If Wyoming can do that then others will see the benefit of it and follow.

I have found it very hard to build that reputation - something that the committee over the years has encouraged. I have found also that it is a hell of a lot easier to tarnish that reputation by group of individual irresponsible actions.

Over the last month I have not been pleased with the attitudes or mannerisms of some members of the club.

Whenever you are attending a function of the Club or, for that matter, of another club or when participating in the game either by way of playing and supporting and even when wearing the Club colours at a private function, others will judge you and the Club by your actions and behaviour. Unfortunately that is the way of life.....

So the next time you are representing the Club whether indirectly or directly think about the time and effort that has gone into making this Club what it is to-day and the example the committee is trying to achieve and the harm you can achieve by one irresponsible action.

SECRETARIES SCREED!!

With the resignation of Judith Burgess as Publicity Officer for our Club, Warren Snashall now been elected to fill that vacancy. We wish him a happy time with us. Judith will now be concentrating on being Publicity Officer for the Association which this year is a very big job.

Western Heights Soccer Club will be playing our 12A & 14A teams next Thursday commencing at 3.45pm. Anyone is welcome to meet these players who will be billeted out by our families for 2 nights. You are welcome to watch these games and meet our visitors.

Good Luck to all our Rep players who are leaving on the week-end for various destinations in N.S.W. June Long Week-end State Titles .

This year the club is not in the 2GO Community Awards but one of our neighbouring groups is, so if you have any relevant dockets these can be left at the canteen for me so that I can pass them on.

We are holding a Ladies Night on Friday 13th July at my place, 104 Turpentine Street, Wyoming. It will be a Film and Fashion night, film probably will be Table for Five plus a showing of dresses. Admission is \$1.00 and supper will be provided.

SOCIAL REPORT

Our Gold Coast Night held earlier in the month was a great success and I'm sure all those who attended enjoyed themselves. The winner of the trip to the Gold Coast was Bob Taylor who is one of our clubs best supporters, and congratulations go to him. My thanks go all those who helped in the organisation of the evening.

Have you noticed Wyoming Soccer Club mothers walking around with middle age acne??!! At present we are in the throws of a very successful chocolate drive. I am not able to give you figures at the moment as the drive still has over a week to go, but by all accounts the club should make a good profit. Thank you to all boys who have been out selling these chocolates, some have sold amazing quantities. Best sellers so far have been the 10C1 team and it will have to be a good team to beat their sales. At the time of writing there are 150 players in the draw for the Mitre soccer ball or the Snoopy radio. This draw is for any player who has brought their money back in a week, so you can see what a great effort has been achieved. In a couple of weeks prizes will be available for all players who have sold from ½ carton (15 bars) and upwards. Again thanks for your response.

This Monday night 4th June the club is holding a Jewellery Party at the home of Leonie Best, 1 Glencoe Ave., Wyoming. This costume jewellery is reasonably priced from \$2.75. Profits from this night will go towards raising money for Trevor Ross our 3rd grade A player who has been picked in the Australian Deaf & Dumb team which will be touring Japan later in the year. His expenses for this trip are high and we as a club will be trying to assist him where possible.

HELP PLEASE SUPPORT US.....HELP.....HELP.....HELP.....HELP.....HELP

We are going to make up a party for a night at the R.S.L.Clubs Theatre Restaurant on Saturday 23rd June, show is called "Underneath the Arches" at a cost of \$12.50. Cost includes dinner and show time to commence at 6pm for dinner and show to commence at 7.45pm. I have heard that these nights are good so please see if you can come and enjoy a night with us. I will need to know names of people intending to go as soon as possible.

Seniors will be organising a Fund Raising event in the near future proceeds of which go to Trevor Ross...details available soon.

REGISTRARS REPORT

Coaches and Managers please note you must fill out team sheets with Christian name and surname printed neatly in line - no pencil or felt pens to be used or teams will be fined \$10.00 by CCSA.

When borrowing a lower aged player place his age grade beside name ie; JOHN SMITH U9A.

Players are not to write their names on team sheets - coach or manager only to fill out sheets.

If you are wondering why you may get fined \$10 for not sending your boys on to the field holding their cards, CCSA representatives are going and have been in attendance at parks checking the club's that are not following the rule - also opposing coach may ask referee to mark on team sheet after game that you did not have card on the field, and when this sheet comes in to the CCSA an automatic \$10 fine will be sent to the Club. Substitutes must take their card and show it to the opposing coach before taking the field.

TEAM REPORTS

Under 6A: Results of the last 3 games have been, versus Terrigal a 3-0 win, versus East Gosford a 2-0 win and against Umina a 2-0 win. Stars of the month were, D.Jager who scored plenty of goals. C.Jones who was always prepared to tackle and take on the opposition. M.Post who was reliable in attack and defence and D.Elvy who was solid in the midfield. Every game so far has resulted in a good win. However, when Umina forced us to concede our first goal kick of the season these mighty little "tiger cubs" were a bit unsure as to how to handle the situation. The coaches advise to the team is to keep listening and heeding the match plan and keep up the enthusiasm and skill. If you do all these things we will have a great season.

.....Coach.....

Under 6B: The start of this month was a continuance of last month - a forfeit against Gosford. At last we had a team to play against when we played TERRIGAL but unfortunately we were beaten 1-0. For their first game ALL the boys played up to expectation. Our next game was against UMINA. We were fortunate enough to beat UMINA 12-0. Obviously with this score line all the boys played well. In attack Eden Burling, Stephen Burns, John Fromhuller, Stephen Phillips and Keiran Casey played very well. In defence Kain Goring and Phillip Buchanan played exceptionally well. SCORERS. S.BURNS 3, E.BURLING 3, S.PHILLIPS 1, K.CASEY 2, J.FROMHULLER 2, C.CAMAGE 1. The next game was against Kincumber. We managed to win this game 6-0. Boys that played well in attack were Chris Camage, Grant Paul, Adam Burdon and Trent Hughes. Prominent in defence were Jason McBain and Robert Loadman. SCORERS: G.PAULL 2, A.BYRDON 2, K.CASEY 1. E.BURLING 1.

.....Coach.....

Under 7A: Results so far this month. 0-0 draw against Terrigal, a good team effort because Terrigal are always hard to score against. Best players on the day were Justin Anders as centre half and Jason Magri as keeper. 4-0 win against P.M.K. with 3 goals from Peter Miller and 1 goal from Keenan Field. Best games from Keenan Field, Peter Miller and Ben Lyons. Played in pouring rain and thick mud we were just too strong for an under strength P.M.K. 3-0 win against East Gosford with goals from Daniel Spencer, Justin Anders and Jason Magri. Best game came from Michael Buchanan but a good team effort won the match for us. 1-1 draw with Umina. Undoubtedly the best game so far this year with a goal from Keenan Field and a top game from Justin Nixon as centre back. Boys, remember to keep on practicing at home and parents, remember to be at the ground by 9.45 please.

.....Coach.....

Under 7B1: Wyoming 1 v Ettalong Win 1-0. This was the team's second match for the season and at last they are getting their combination together. The only goal was scored by Craig Clucas. The score could have been 2-0 after Wyoming was awarded a direct penalty but unfortunately nerves overcame the kicker who put the ball high over the cross bar. 5.5.84. Wyoming 1 v Gosford Win 4-0. The real winner in this match was the rain although the boys did enjoy playing in the conditions. The spectators, however, were not of that opinion being cold and wet on the sideline, but their words of encouragement urged the boys onward. Goals were scored by Kristen Butler 2, Chris Large 1, and Kurt Wheeler 1. A good team win despite the weather. 19.5.84. Wyoming 1 v Wyoming 2. Win 1-0. Again the weather was against us during this game. After so much rain the pitch was really a bog heap with the ball stopping dead in the mud. The boys revelled in the conditions having a great deal of fun getting dirty - an unpleasant job for the manager to get the shirts clean. Goal scorer was Kurt Wheeler. Other outstanding players included Thor Aaso, Sven Aaso who little legs never stopped running. 26.5.84. Wyoming 1 v Terrigal - Draw 0-0. Despite the fine weather during the week the pitch was still a muddy heap, not allowing for skilful soccer. The result was pleasing as last year the team were soundly beaten by Terrigal. Players who tried hard included Kristen Butler, Daniel Curtis, Craig Clucas, Ben Roberts, and Mark Peterson. Coaches advice to the team:-

.....Manager.....

- 1) everyone must try and come to training.
 - 2) boys must listen to coaches at training for the full hour with NO silly nonsense.
 - 3) practice ball skills learnt at training at home each afternoon.
- Suggestions for Committee. - Council be approached to try and improve the Wyoming 2 small field. Even in the dry it is still a bog, especially around the goal mouths. Team Joke...If it takes a minute to walk a mile, how many seeds has a banana? None because an egg doesn't bounce...

Under 7B2: Results of matches to hand. 28.4.84. versus Terrigal - Loss 1-0. 5.5.84. versus Umina - draw 0-0. 19.5.84. versus Wyoming B1 Loss 1-0. 26.5.84. Bye. Stars of the month were Scott Frazer for his consistent effort. David Carr for good tackling plus kicking and Matthew Pearson for passing and his consistent effort. One of the highlights of the month was score 1-0, the ball just managed to roll over the line. The coaches advice to the team is to spread out and stick by the other players, and please pass the ball. When raining, concentrate on the game and not the MUD!!! Thank you to the parents for washing the shirts and also a special thank you to Mr. Klein for giving the coaches lifts to the game.

.....Coaches.....

Under 8A1: 28.4.84. v TERRIGAL 2.1 Win. Star of the match was Mark Mitchell in goals who was kept busy by a strong Terrigal forward line. Goal scorers were Adam Morris and Brad Ham. Other outstanding players in defence Michael McGarvey, Sean Ryan and Robert Matthews. 5.5.84. v WYOMING A2's. Win 5-0. Goal Scorers were Blake Paull 2, Bradley Kirk 2 and Scott James 1. As well as the outstanding games from Blake Scott and Bradley there was solid defence from Grant Bailey, Sean Ryan and Kirk Mercer while adam Morris played his usual good game on the wing always ready to take advantage of every opportunity. 19.6.84. v EAST GOSFORD. 3.0 Win. Goal Scorers were Scott James 2 and Bradley Kirk 1. Playing a real blinder this match was Michael McGarvey in defence while Chris McCosker, Bradley ham, Bradley Kirk and Stuart Fortier maintained a solid wall in the Mid-field. 26.5.84. v UMINA, 4.0 Win. Goal Scorers were Stuart Fortier 1, Scott James 2, Adam Morris 1. Very well played boys, especially when you consider Umina's record this season. Our forward, Blake, Kirk, Scott and Adam kept the pressure on Umina's goals, while maintaining the required support and acting as link men were Chris, Stuart and the two Bradleys. Add to this the solid defence of Sean, Grant and Michael plus Robert keeping our goals empty during the first half and Mark maintaining this clean record in the second half...well done.

Under 8A2: Results so far this season. 7.4.84. versus East Gosford loss 1-0. 28.4.84. versus Davistown Loss 3-0. 5.5.84. Versus 8A1's Loss 5-0 and 19.5.84 versus Terrigal Win 1-0 with the goal being scored by Tim Rutherford. All eleven players were the stars of the month as they are now playing as a team. Winning our first and most exciting game against Terrigal would have to be our highlight of the month. Well done boys. The coach's advice to the team is keep your eye on the ball and take your time to think about where and who you are going to pass the ball to. PARENTS!!!! Don't let it hurt your pride when your child does play well and let the coach do the coaching. Team joke of the month..Goal keepers comment against Terrigal, "when do I get to touch the ball.?" Humorous incident...Jeff McGregor stripping down to his undies to retrieve the ball from the middle of Narara Creek.

.....Coach.....

Under 8B1: 28.4.84. v TERRIGAL RESULT.2.0. WIN. A very well played match, with the most noticeable thing being good team work. Goals were scored by TREVOR and DEAN, both of whom playing a good attacking game. BEN NOBLE played well in the mid-field, while the backs combined well to keep play mostly in Terrigals half. 5.5.84. v WYOMING B2 RESULT 5-0. WIN. A good win in very wet conditions. Goals by DEAN, ANDREW HAY, MARTIN STANDFIELD and 2 for BEN NOBLE. BEN was the star of the match, always in the right place at the right time. DANIEL MORRISON played a good game, giving good support to his wing. ANDREW HAY played well, as did BEN MOORE. 19.5.84. v EAST GOSFORD. RESULT 4-0. WIN. After a week and a half of good weather, down came the rain, and the field was a real mud-bath. Another win in the wet! Goals were scored by DEAN (2), TREVOR and ANDREW. Good work forwards. Tony Balcina played an outstanding game in the backs, and MARTIN JACKSON played well in the second half. Highlight of the month was TREVOR FORTUNE doing a 20 ft. skid on his back, and still managing to kick the ball half-way through the skid. 26.5.84. v DAVISTOWN. RESULT - 2-1 WIN. Both goals were scored by DEAN TURNER who played his usual consistent game, with great ball control. In general, the match was a scrappy affair, with the boys losing concentration and not playing as a team. Maybe the dry conditions had them fooled. Davistown made numerous breaks into our half, and goal keeper Matthew had more action in this match than for the last four matches put together. He saved well, and made some good strong clearing kicks. Others to play well were MARTIN JACKSON and PHILLIP HOPKINS, who combined to control the left hand side. Overall a very good month for the team (nobody could knock 4 wins!) Keep up the good work, men. Also peasing to see is the good parent support, and a special thanks to those Mums who wahsed the shirts when they were covered with mud.

Under 8B2: Results so far have been 28.4.84 versus Terrigal 1 lost 2-0, 5.5.84 versus Wyoming 2 lost 5-0, 19.5.84 versus Gosford lost 2-0 and 26.5.84, draw 1-1. These results show that we are improving each week so a win should not be too far away. Stephen Graham plays well each game and Daniel Bootland and Daniel Marsden have really improved and are both playing well in defence. Grant Walker has been doing some good saves and Ben Emery is also improving with each game. Highlight of the month for our team was scoring our first goal of the season, goal scorer was Stephen Graham. Coaches advice to the team is...don't muck up at training! Team Joke...Why did the monkey put a chop on his head? Because he thought he was a griller...

Under 9A: Results so far have been 7.4.84. versus Gosford 4-0 win, with the goals scored by Simon Nash, Brendon Napier and Warren Stephenson. 28.4.84 versus Terrigal 3-0 win, goal scored by Robbie Ross and Simon Nash 2. 5.5.84 versus P.M.K. a 8-0 win, goals scored by Simon Nash 3, Daniel Cunningham 3, Brendon Napier 1, and Robbier Ross 1. 26.5.84. versus Umina a 1-1 draw, the goal was scored by Daniel Cunningham. The whole team were the stars of the month, with 4 wins, 1 draw, 20 goals for and only 3 against tell their own story. The highlight of the month would have to be the 8-0 win against P.M.K. A tremendous team effort. The coaches advice to the team is learn to control the ball before you pass, dribble or shoot.

.....Manager...

Under 9B1: 7.4.84. Played Wyoming 9B2, won 2-1. A fairly disorganised game from our boys but not too bad for the first one of the season. The only thing that stood out at this game was the mud and our boys getting in each others way. 2 nice goals from Gavin Singh to give us the game. 14.4.84. Rain stopped play, no game. 28.4.84. Bye, beaten by the draw. 5.5.84. Played Wyoming 9B3. Won 7-1. The boys are starting to put the game together now, especially the forwards. A.Hood, R.Collins and G.Singh. Brilliant single effort by Ryan Collins to get his first goal of the season and then to score again from a nice cross from Gavin Singh. Darren Goy in centre midfield is playing a sound game and keeps his defence very tight and feeds the strikers well. He is ably supported by the backs at all times which then gives our goal keeper a lonely day. 19.5.84. Played Gosford. Won 10-0. What can be said about the team. They played in appalling conditions on the bottom field and still managed 10 goals. They put in a tireless effort and once again the goal keeper only had himself for company. 26.5.84. Played Woy Woy. Won 10-1. At last a dry field for the first time this season. It took the boys a little while to get used to the dry but once going they put on some powerhouse play. Beautiful display of ball control by Steven Hall and how to pass the ball around by our strikers. The defence didn't get much action but whenever needed Darren Goy was there. Definitely a lucky goal by Woy Woy from a high kick which bounced way over our goalies head. A bit more concentration from our defence and find ourselves a permanent goal-keeper and the team will be complete. Goal scorers to date, A.Hood 7, G.Singh 7, R.Collins 6, D.Blair 3, C.Hoffman 3, D.Goy 1, S.Clucas 1 and S.Hall 1, giving us a total 29 for and 3 against.

.....Coach.....

Under 9B2: Results so far 28.4.84 versus Terrigal (2) we lost 2-1 with Tom Wanner being the goal scorer. 5.5.84 versus Terrigal (1) lost 5-0. 19.5.84 bye. 26.6.84 versus Umina, draw 0-0. In our second game of the year we played Terrigal No.2 and lost 2-1. This was a game which we could have won as we led 1-0 well into the 2nd half but a lack of concentration by our defence let in two quick goals and that was the game. Our best player was Tom Wanner who had a very good game in the midfield as well as scoring the goal. Other good players were Luke Luffman and Brett Walker. The next game saw us against Terrigal No. 1, a very well drilled outfit, and we lost 5-0. This game showed good fighting qualities from our boys. You might not think so looking at the score, but we only had 9 players against a full side. The half time score was 4-0 (one of those an own goal, well done Mark!) and Terrigal could only score one more goal in the second half due to our boys chasing the ball really well. Our best player was Raymond Mitchell (goalkeeper) for some really good saves. Other players worth mentioning are Luke Luffman and Mark O'Donnell. After a bye, our next game was against Umina for a 0-0 result. Again we played with a short team and fought for every ball. Our best player in this game was Tom Wanner, who is filling the midfield very well. Other players to stand out in a team of good players were Luke Luffman and Raymont Mitchell. Coaches advice

Under 9B2 cont: to the team is...remember to be ready for passes and be prepared to pass to a team mate - don't hog the ball. Also watch those throwins. Special message to parents, please Mums and Dads - if your boy is going to be away, please contact either the coach or manager so as we can try to arrange the team and possible replacement. Suggestions or advice to club committee for betterment of the club... just keep running the club well.

Under 9B3: Although the past month saw three more losses, the team showed steady improvement with each match. The boys are gradually gaining in self-confidence, and most importantly, are beginning to play as a team. 27.4.84. v Davistown (0-4 loss) A fairly disappointing performance except for a fine debut match from Colin McCrone who worked very hard in the midfield. 5.5.84. v Wyoming 1 (1-7 loss) Despite the scoreline, this was probably the highlight of the season so far, with strikers Andrew Smith and Nathan Evans starring. Andrew's first half goal was a gem, and only wretched luck prevented another couple of goals from being scored. In defence, Craig Maher had his usual strong game. 19.5.84 v Terrigal 2 (0-3 loss) Our customary defensive lapse late in the first half cost a chance for a draw in what was another good display. Best were Craig Maher, Colin McCrone and Brett Van Munster. Finally, to under-8's Blake Paull and Craig Herring who "filled in" most capably in the Davistown and Wyoming 1 matches respectively.

.....Manager.....

Under 10A: Results to hand are 5.5.84. versus Entrance 8.1. win, 12.5.84. School Holidays, 19.5.84. versus Killarney 2 washed out, 26.5.84 versus Killarney 1 win 2:1. One of the stars of the month would have to be DANIEL WILSON who is a very capable goalkeeper when he concentrates on his task - very sound in technique but sometimes 'shows off' to alleviate the boredom of being a goalkeeper behind a good time. PHILLIP RUTHERFORD the most improved player to date - playing in a new position of centre back he is a very intelligent defender and positions himself well. Highlight of the month is the most exciting game two played this month which was the sound 8/1 win over Premiership hopefuls The ENTRANCE. There was not a weakness in the team on the day and deserved their fine win. The coaches advice to the team - one point that must be made to the team as a whole is not to change the style of play when confronted with stronger opposition. The style of play which has brought results so far this year will continue to bring success if played. Special message to parents...it is important that supporters cheer on the team. It is not necessary to jeer the opposition which will teach good players bad habits. Next week is the big game against UMINA ---- ALL THE BEST BOYS.

.....Coach.....

Under 10B: 28.4.84. v Budgewoi - 0-3 Loss. Again the boys have played good soccer with the result not a true indication of the game, it is very frustrating to know how well the boys can play only to see them beaten by unlucky shots at goal. All boys play with great enthusiasm with David Maryska and Brad Campbell having very hardworking games. If the boys continue to play as well as today then they can only improve on their so far unlucky form. 5.5.84. v Terrigal - 0-0 Draw. Unfortunately the Coach had to play at the same time as the boys game but I am told that this game was a duplicate of our other efforts this season, insofar as the boys again played good soccer in the field but had no luck in scoring goals. The boys have once again showed enthusiasm with Kerion Chambers and Adam Mackett having good games. Many thanks to Peter Maryska for taking over as coach in my absence. 6.5.84. v Budgewoi Round Robin Again I had to play at the same time as the competition began and once again Many Thanks to Peter Maryska for taking over as coach. On my arrival at the field the boys had played one game against Ourimbah and to my surprise had won the game 1.0 with the goal scored by substitute from the 10C1, Neil Cox. The boys then played Budgewoi and to the relief of all watching, played the sort of soccer we knew they could and at the end of the game a well deserved 0.0 Draw. Our next game was against Ettalong where the boys played the best soccer so far this season and scored four good team goals and won the game 4.0. Our last game against Killarney was to me the best game of soccer I have been involved with and with the incentive of gaining second place in the Competition the boys excelled but were foiled in their efforts with magical goal-keeping by the Killarney goalie, resulting in a 0.0 Draw. Final Outcome: The boys played four games scoring five goals, conceding none and finished third, very disappointing to all in attendance. To a Team who played their hearts out may I thank you for your efforts, Brad Campbell, Kerion Chambers, Paul Cully, David Lindsay, Adam Mackett, David Maryska, Brad Phillips, Kurt Snashall and a very brave goalie, Andrew Sainsbury - Thank You, also to Neil Cox and Shane Neal from the 10C1 and Mathew Kirk from the 10C2 with special thanks to Scottie Mackett from the 9A's for

Under 10B cont. helping to make the team a force to be reckoned with. Complaints: This competition showed the most biased and inconsistent refereeing I have ever had the misfortune to witness. Appreciations: Thank You to Parents for their support at this competition on such very short notice. Special Thanks to Andy Cully for driving all over Wyoming and Narara to collect a gaggle of boys and suffering the trip to Budgewoi. Again thanks to Peter Maryska for all his help over the past days. 19.5.84. v East Gosford 8.0 Win. At last the tru 10B team showed up at Alan Davidson Oval and proceeded to play good team soccer and were rewarded with well earned goals and a feeling at the end of the game that all the effort at training and over the last weeks was worth it. Great enthusiasm and skill was shown by the team with Kurt Snashall and Adam Mackett having good strong midfield games. Our goal scorers were Kerion Chambers 3, Brad Phillips 2, David Maryska 2, and Andrew Sainsbury 1. 26.5.84. v Toukley - 1-0 Win. The boys have performed well, having most of the play during the game in the Toukley half with some very good runs up the wing by Troy Cocks and some good midfield runs by Andrew Sainsbury. Brad Phillips having moved to centre-forward is relishing the opportunity to run at the backs and has created many chances for his team mates and scored some good goals. The midfield has again run themselves ragged having to cover a lot of ground on a large field, all midfield players are developing an understanding between themselves, which is starting to show with good calling and trust in each other ability. Our stoppers as usual played a very important roll of pushing our attack forward and when called upon to defend have done so with much calm, with Andrew Smith shing in a very solid defensive line. Boys please remember that more credit is given to the boy who gives a well direct pass to a goal scorer than one who plays only to score goals. Play as a Team and the rewards will come. Helpful Hints: Brad Campbell suggest that when the ball is kicked over the end of Alan Davidson Oval into the Creek, that you take care when retrieving it, as when he stepped into the "shallows" to get a ball, the "shallows" opened up and swallowed him leaving only bubbles as evidence to Brads existence.

.....Coach.

Under 10C: Results to hand. 28.4.84 versus 10C2 loss 3-2 with goals being scored by Peter & David Jacobs. 5.5.84 versus Kincumber loss 5-0. 19.5.84 versus Woy Woy Win 8-0. Scorers were Michael Green 1, David Jacobs 4, Peter Jacobs 2, Michael Matthews 1. 26.5.84. versus Berkeley Win 3-1. Scorers were David Jacobs 2, Peter Jacobs 1. Stars of the month are Peter and David Jacobs who have scored 11 goals between them in four matches. The exciting game of the month was against Berkeley which was a return to form. The match was played tough and in good psirit. Congratulations from the coach and manager. The coach says, "Keep up the good work". Suggestions to club committee....Lights must be turned on earlier on coaching nights as our training has been reduced to $\frac{1}{2}$ hour.

.....Coach....

Under 10C2: Results to hand. 28.4.84.versus 10C1^M Win 3-2 with goals being scored by R.McCrosker 1, R.Hav 2. 5.5.84 versus The Entrance Win 3-1 with goals being scored by K.Doolan 1, P.McGinty 2. 19.5.84 versus Terrigal Win 9-0, goal scorers were R.Hay 4, S.Thompson 4, P.Gallagher 1. 26.5.84. versus Kincumber Loss 0-4. Stars of the month are R.Hay who shoots for goal then follows in to the goalie. P.McGinty, a big improvement in ball skills. A.Hopkins is becoming more involved in midfield play. S.Thompson, excellent ball skills shown. Good thinker of the game. A.Noble, solid defender, tackling well in the right back position. Highlights of the month - v 10C1 very close exciting game, played in good spirit, our boys took advantage of their mistakes to record a win. Versus The Entrance. Pleasing to see Phillip McGinty starting to improve. Also Anthony Moore and Anthony Hopkins are thinking about the game more. Versus Terrigal - blockbusting front on tackle by Anthony Moore late in the 2nd half. Versus Kincumber - this team taught the boys from Wyoming how important it is to use all of their body to control the ball, particularly the head. Coaches advice to the team - don't allow the opposition too much room with the ball. Standing back and not moving in to tackle. Must learn to kick with both feet. All players must try to use all parts of their body. Must have both feet on the ground when throwing the ball in. Keep practising the basics boys and your efforts will be rewarded. Good to see so many parents watching the games. Many thanks to the parents for their help with training, transport to the game and for training. Advice to club committee....recommend all clubs be told again that players cards must be with them when they run on. Another coaches night showing us routines that deylop skills. Request the CCSA publish the points table for all grades ie; 10A,B,C,D, etc.

Under 10D: 28.4.84. v Ourimbah Result 1-0 Win. Goal Scorer Scott Andrews. A great start of the season as this was our first game due to bad weather and a mix up with the draw. After some scrappy play in the first ten minutes the boys settled down and played well both in attack and defence. It was hard to single out individual stars in this particular game as I felt all boys put in 100%. Well done boys. 19.5.84 versus Umina Result 5-1 Loss. Goal scorer, Scott Bennett. Playing against a strong Umina side the boys made too many mistakes in this game. Taking too long to clear the ball when play was near our goal and lack of good teamwork let us down. Glen Rowles did a great job in goals whilst Stephen McGarvey was our best in defence and attack. Michael Lees tried hard all day. 26.5.84. versus Kanwal Result 2-1 Win. Goal scorer Chris Cox. A good team effort by the boys for this win. Drew Purcell made some fine runs down the wing and seems to play better with each match. Once again Stephen McGarvey proved to be too strong for the opposition in midfield. Chris Cox and John Paul Hallam also had good games.

Under 11A: Results to hand. 28.4.84. versus Kanwal draw 1-1 with S.Walker being the goal scorer. 5.5.84. versus The Entrance Win 7-2. Goal Scorers, S.Walker 3, S.Burgess 2, A.McDonald 1, P.Shaw 1. 19.5.84 versus East Gosford Win 5-1, goal scorers, A.McDonald 2, C.Brann 1, P.Shaw 1, S.Brown 1. 26.5.84. Versus Killarney Win 5-0, goal scorers, S.Walker 2, P.Shaw 1, M.Wallace 1, S.Burgess 1. Stars of the month..the whole team,
1) very sound goalkeeping and defence.
2) good distribution from midfield
3) unselfish play from strikers.

Highlights of the month..our win against last season's grand-final opponents,- The Entrance was outstanding. (confirming opinions that we are true mud-runners). A popular goal was banged in by Mark Wallace against Killarney (his first since '82 season). Coaches advice to the team...We have a well-balanced team. Positions are swapped thoughtfully aiming to provide interest and enjoyment. Remember boys, each position has equal importance on the field. PARENTS..... Please give prior notice if your son is unable to attend match or training. The success of this team is largely due to your support. I hope to see you at away matches as well as home games. Team Joke: Have you heard the one about the Witch's broom?...No. Strange, it's been sweeping the country.

.....Coach.....

Under 11B1: Well the boys have certainly started the season off with a bang!! In winning the first game against Gosford 4-0. The goals were scored by KAREEM MALEK 1, ADAM CLARKE 2, and DALE CONDON 1. Adam was able to find the net from anywhere by scoring a cracker of a goal from 20 metres out. All round it was a very pleasing effort the boys, hope to see alot more games like this. Well our hopes came true the boys played Budgewoi and again showed that their the team to beat, by easily accounting for their rivals 5-0. Scorers were KAREEM MALEK 4, and ADAM CLARKE 1. The team showed great ability to attack the goal from anywhere and with having a striker like Kareem who very rarely misses is a great attribute. In defence there was no way they were going to get through with Brad, Joel and Mat doing a tremendous job. An excellent effort by all the boys. 5.5.84. versus Terrigal, draw 0-0. The game against Terrigal was in shocking conditions. By having four easy goals missed was a reflection on the conditions. Bit overall another solid game by all. KAREEM showed great running with the ball, and great finishing off. BRENDON was always there when he was needed. BRAD was also always there to cover defence. JOEL is a safe player who can read a game well. ADAM has a great shot and uses it well. Coaches advice to the team...more support for the player with the ball, more so when in attack. Remember man to man marking. Versus Umina at Umina a 3-0 win. 19.5.84. We still have our record of no goals against us intact, but not without a great effort from a very determined Umina team. Both our wingers scored good first half goals. Brendon Price scored our first goal after a good cross from Bradley Place that went across the goal mouth for Brendon to find the net. Brett Sanderson's goal with a bit of luck our way, it hit the post and went in. The second half Umina tested Kurt Burling in the goals, but he stood his ground and made some good saves. Our third goal came off the head of Kareem Malek to make his total to 7 goals in four games. The team this year has got what it takes to win games as they play as a team. Others to play well were Adam Clarke, Joel Evans and Dale Condon. Versus Toukley at Toukley a 2-1 loss 26.5.84. Notmuch can be said about the boys efforts it was one of those days when all the boys had an off day. They allowed Toukley to grab a goal in each half of the match and then they tried to win the

Under 11B1 cont: game in the last 10 minutes. We tried some positional changes but we picked the wrong day to do this. Adam Clarke found the net late in the game and this seemed to set the boys alight with Kareem having a couple of shots, also Dale Condon had a shot with no luck. Only Adam Clarke, Brendon Price and Bradley Place had fair games. We will come back stronger next week.

...Coach/Manager...

Under 11B2: 28.4.84. Gosford City..Won 3 Nil. The goals were scored by Chris Highes, Stephen Davies. In the backs Murray Kilfoyle, Matt Cottier and Dean Wheeler played well. More team work required. 5.5.84. Berkeley, Lost 4 Nil. Most of the boys played well in the first half, but Berkeley were too fast in the second half. The best players were Paul Gough in the goal and in the midfield Paul Simpson, Rodney Rathbone and David Post and Chris Hughes. 19.5.84 Budgewoi, Won 1 nil. The boys played well on the wet field. Darren Fraser scored the winning goal. The best players were Garry & Craig Ferguson, B.Asso, Murray Kilfoyle and Stephen Davies. 26/5/84. Terrigal 1 all draw. Many goals were saved by Paul Gough. Murray Kilfoyle, Garry Ferguson, Stephen Davies, Dean Wheeler played well. We still want alot of training in the midfield area. Best player of the month was Darren Fraser.

.....Coach.....

Under 11C: Firstly I would like to welcome to the team all our new players and their parents. Secondly its great to see the return of many of last years players. The team is fortunate this year in that we have two goalkeepers. This allows Steven (our seasoned goalie) and David Allen to share the responsibility and yet be able to get out there into the thick of it, when they feel like stretching their legs. Both boys have proved valuable players. 7.4.84. v Terrigal 2-1 Win. A great game. Paul and Stewart scored great goals and long with Greg and Craig attacked consistently. The most pleasing aspect of the game however to me, was how the 'new' boys from last year performed. Jacob, David Mitchell, Peter & Brendian Cornish played like seasoned players. Andrew was fantastic in defence and gave a lot of support to his mates. 14.4.84. v Killarney - washout. 28.4.84 v Kanwal 6-1 loss. We made Kanwal look good boys, simply because most players didn't tackle your opposite number. However, there were exceptions. If not for the work of Andrew and Stephen the score would have been higher. In the forwards Greg and Roan consistently attacked but there was not enough back-up. These two fellows "the big" and "the small" never gave up. 5.5.84. Davistown 3-2 Win. Stuart, Anthony and David Allen scored top goals the results of their determined play. The game was highlighted by some brilliant ball handling and goalkeeping in wet conditions. It was worth standing in the rain to watch. 19.5.84. Ettalong 4-0 Loss. A typical midday game, most are either having a siesta or are burnt out by lunchtime. Whey your are having a late game boys, lay in bed until about 10.30am, shower, order a late breakfast and be ready to fire up about 12 noon (only JOKING). However not all were asleep the forwards made several breaks, but could not 'home' the ball. Steven made some good breaks in the second half and passed the ball well to the forwards. Anthony and Andrew both tried hard but unfortunately Ettalong had sound attacking skills. 26.5.84. Berkeley Vale - all our efforts to get there and no team to play, so we had a game of League. Finally thanks to all the parents who consistently watch the matches, the boys need your support and I'm sure you are proud of them and last but not least thanks to Ray for your valued time and advice.

Under 12A1: Results so far this season. 7.4.84 result 6-1 win, against Wyoming A2's. 14.4.84. versus Woy Woy Washed out. 21.4.84, versus Kanwal, win 2-1. 28.4.84 versus Budgewoi 9.0 win. 19.5.84 versus Ettalong 8-1 win. 26.5.84 versis Killarney District 5-1 win. MARTYN DOE & IAN CARSTAIRS both new boys to the team have fitted in well both giving us something up front that we have lacked. Highlight of the month was against Budgewoi, a miserable day, 3 boys sick and having to play 1 short the team gave us a display of "champagne" football. Coaches advice to the team, your attitude and efforts at training is what comes out in the game. Need I say more about the Killarney game.

.....Coach.....

Under 12A2: Results to hand 28.4.84 versus Budgewoi loss 2 nil. 19.5.84 versus Killarney District 3-1 loss and 26.5.84. versus Umina. Star of the month LUKE O'TOOLE, he would have to be the most consistent and enthusiastic player in the team. Game against Budgewoi not one of the teams best starts but the 2nd half was Wyomings. Unlucky not to be 2 all. Killarney - very wet field where the boys passing let them down. The team played well in short bursts. Umina - a game where most of the team seemed only

Under 12C: Results for the last month have been 28.4.84 versus Killarney 3-2 Win with goals being scored by D.Fabian, S.Smith and J.Wilkie. 5.5.84. Bye. 19.5.84 versus Budgewoi a 5-0 win, goals being scored by J.Moreau 3, D.Smith 1, and D.Fabian 1. 26.5.84. versus Terrigal 1-0 lost. The stars of the month, J.Moreau excellent hat trick against Budgewoi and C.Akers very good keeping against Terrigal that saved a couple of goals. Highlights of the month..the first time the team really relaxed and played a good passing and supporting game they won 5-0 against Budgewoi. They showed great spirit when 2-1 down against Killarney with 8 minutes left and came back to win 3-2. Coaches advice to the team....mark tight especially against Terrigal. Talk to each other and support - find space and work hard to get the ball.

....Coach.....

Under 13A: Results as far this month. 2-0 win against Gosford City with goals from Chris Larkins and Jason Hulston. Top effort for the game came from Craig Birkbeck who dominated the midfield. 1-5 loss to East Gosford with a goal from Jason Hulston. Top effort for the game from David Bell who tried hard all game. A good effort in the first half but fell away in the second half. 2-3 loss to Ettalong with 2 good goals from Mathew Phillips. A poor effort for most of the game to be down 3-0 nil but a revival in the final 10 minutes to come back with 2 goals. 0-1 loss to Umina with a great game from John McGarvey and David Bell. A great improvement on past efforts to keep the competition leaders scoreless until the last minute of play. This team has plenty of good players but lack effort during the game and maybe a little team pride would help and after this last game the signs of a revival are good.

.....Coach.....

Under 14A: 28.4.84 v Ettalong 2-0 Win. A scrappy first half with the boys starting back and letting the opposition take the ball from them. A good goal was scored by P.Cartner from a J.Fernandez cross right on half time. In the second half running with the wind the boys put their game together with Chris Krogh was strong in defence with Chris Doe holding the left back position well. On the whole a pleasing result. 5.5.84. v Southern United 2-2 Draw. A lucky draw by Wyoming, with the team not taking notice of their problems at training. More close marking is needed, not ball watching and letting their opponents walk away from them. Thanks to Peter Neilson, David Bell and John McGarvey for helping us out, good games were played by these 13A players as well and David Lyons and Mark Burgess. 19.5.84. v Davistown Won 6-1. A good team effort in the second half, when the boys scored 5 goals. 20.5.84. v Budgewoi 6-1 win. A good team effort, all boys playing well. Budgewoi didn't seem to be as strong as previous years or were we playing better!!! Let's hope we can repeat the same score in the next round.

.....Coach.....

Under 16B: Results so far this season are 15.4.84. versus Ourimbah 7-1 win with the goal scorers being C.Jones 2, C.George 2, D.Rankin 1 and J.Gattenhof 2. 29.4.84 versus Woy Woy 2-0 Win with goals being scored by C.Jones and D.Rankin. 5.5.84. versus Davistown 5-1 win, goals scored C.George 3, C.Jones 1, and J.Gattenhof 1. 6.5.84. versus Gosford 8 3 win goals being scored by C.George 2, J.Gattenhof 2, W.Chambers 1, G.Frost 1, D.Rankin 1 and M.Iitch 1. Taking the month into consideration it has been a good team effort. Coaches advice to the team - as long as communication channels are kept open as a team, the overall effort should be pleasing. However, I am a little disappointed in parent participation, but must at the same time compliment the small number who do give support to their sons.

.....Coach.....

YES IT COULD HAPPEN TO YOUR CHILD TOO.....

Upon arriving home from school our son informed us he had been approached by a couple in a dark blue sedan and introduced themselves as his Uncle & Auntie he had not seen since he was 3 years old, he is now 10 years old. Fortunately our warnings about strangers talking to him and our advice not to have anything to do with them had sunk in and he kept well clear of the car and told them he did not know them and he was going straight home and did not want the lift offered to him. Please parents advise your boys and girls - be careful and be sure who the people are you accept a ride from, these types of people are so clever and could easily take control if our children are not aware of the dangers involved.

TEAM REPORTS

Under 16A: The boys have played 7 games, won 4, lost 3 and have been very unlucky to lose the games they did. From now on we will have no more Saturday games - (I hope), this means that we will have a full team each week so I feel that now we will really get going. A couple of players who I must mention - T.McDougal who has scored some great goals, Tim Hall who is so consistent his game is always so good. Our goalie who improves every game OSSIE. M.Dempsey who has played a Captains role in every game. The whole team I would like to mention but J.Smith is rushing me to finish this. Team Joke: Dean Gayford who was telling us all Irish Jones....(not very good ones) and then realises that I was Irish.....Good on you Dean?

....Coach..

Under 19: Results of games to hand - 6.5.84. versus Southern United loss 2/1. 13.5.48. versus Budgewoi Loss 6/3, 20.5.48 Wyong Win 2/1 and 27.5.84 Loss 3/0 to Davistown. Stars of the Month.....Danny Carter a right midfield players probably played the best soccer I have seen him play - settling down play and distributing well Craig Matuschka, captain courageous who has been rewarded for his good play with a 1st grade berth. The only highlight of the month was the decisive win against Wyong. The score should have been 5/1 but with luck going Wyongs way could have ended in a 2/2 draw. Coaches advice to the team...a bit more dedication and effort is required if this team wants to finish in the top four - only 3 points out of possible 10. One has to feel sorry for 'POM' - still trying to score but I'm sure it's only round the corner. I'm still looking for a penalty taker - maybe a player from the Under 10's.

Under 15A Girls: 20.5.84 versus Wyoming 2. 14 Nil Win with goals being scored by J.Callaghan, B.Finch, B.Deamer, T.Barber and A.Cowdery. 13.5.84. versus Ocean Beach 8 Nil Win with goals being scored by C.Kelly, T.Barber, J.Callaghan & L.Van Dorp. 29.4.84 versus Killarney District 1-1 Draw, the goal being by Lisa Van Dorp. 6.5.84 was a bye and 27.5.84 versus Berkeley Vale 3-0 win, goals being scored by J.Gallaghan and L.Van Dorp. The stars of the month J.Callaghan, L.Van Dorp and M.Davidson. They are controlling around the field and not putting any pressure on themselves. One draw, one bye and the rest of the games were good wins to be on the top of the points table. Coaches advice to the team.....look where you are kicking the ball. Listen to your captain on the field.

.....Coach...

Under 15B: 20.5.84 versus Wyoming 1 lose 14-0. 27.5.85 versus Ocean Beach lose 3-0. N.Upston first year as a player and getting better each game. Jane Cox is a very aggressive goalkeeper. Just all keep trying and get a win soon.

WANTED URGENTLY.....WANTED URGENTLY.....COACH FOR U15B GIRLS

Somewhere there must be a father who can coach these young girls.It's impossible for the coach of the A side to continually coach both teams. So please father, mother or an interested friend.your help is needed urgently.

Contact either Jill Smith 284107 or Leonie Best 284806.

FUNNY SIGHT OF THE MCNTH

U/19 player, Brian Healey at East Gosford, eyes full of mud in the middle of the field staggering blindly across field to sideline. He was 10 feet away from his coach when he threw him the sponge. He didn't have a seeing eye dog there to tell him it was coming so he copped a wet sponge on his chest!!!!

ALL AGE LADIES

6.5.84 versus Woy Woy (B) Won 12-0. As the score suggests the opposition wasn't overly strong, but the girls played some fine soccer to register a good first up win. They began with a flurry scoring twice in the opening 10 minutes and the forward line continued to hammer the Woy Woy goal. Michelle 'Strop' Patterson 5, Cheryl Fathers 4, Terri Callaghan 3 were our goal scorers. Sue 'White Legs' Moffatt crossed the ball consistently from her left wing and Robin Jacques was tireless in her work in midfield. With only 4 girls from last years team and a mixture of experienced and inexperienced recruits the side is building up a good combination and bigger results are expected during the season.

13.5.84 versus Woy Woy (A) Lost 6-1. After last weeks big win and a scoreless draw against this side in the pre-season big things were expected from the girls in this game. But the wheels fell off this week (just ask the poor coach and manager) and oh boy did they fall off a 6-1 loss. The girls made mistakes continually to defeat any chance of building up a combination or rhythm. Cheryl Fathers managed to grab a consolation goal late in the 2nd half. Hopefully some better training sessions will get the wheels back on and see us return to the winner circle.

20.5.84. versus Ocean Beach (A) Lost 4-2. No rest for the wicked after last weeks debacle this week we came up against last years premiers. We were quietly confident of an improved showing this week as the ground was very wet and sloshy underfoot. We started brilliantly with Cheryl Fathers scoring after just 2 minutes and the game was there for the taking. Alas after the goal the girls drifted into a deep sleep and our defence became vulnerable to their consistent attack. In the process we lost striker and captain Cheryl Fathers with a serious knee injury. After a rousing half time speech and a few changes the girls with better ball control and passing outplayed the opposition. 'Strop' Patterson belted home our 2nd goal but we were unable to make up the leeway. Overall an improved effort from everybody but more talking on THE FIELD will improve our performances further.

27.5.84. versus Berkeley Vale. Won 13-0. After the past fortnights performances it was good to see a consistent effort for the whole game. The girls controlled and passed the ball well to set themselves up for numerous raids on the Berkeley Vale goalmouth. 'Strop' Patterson 7, 'White legs' Moffatt 3, Terri Callaghan 1 and 2nd half sub Robin Jacques 1, were our scorers. More talking is still required to help build up our combination. The girls must also develop a killer instinct as they just went thru the motions in the last 20 minutes. Every goal counts come semi-final time girls.

CONGRATULATIONS.....

To our Wyoming girls who have been chosen to represent the Central Coast in the State Titles on the June Long Weekend in Armidale. The girls chosen in the U/15's are.... Lisa Van Dorp, Diane Fathers and Lisa Carstairs. All-Age players selected are Sue Moffatt, Michelle Patterson, Clare George, Kim Smith and Cheryl Fathers who unfortunately sustained a serious knee injury and will be unable to participate in the tournament. Well done girls we know you will represent your club and district with distinction.

SENIOR SCENE

by 'Buttercup'

The weather has improved over the last month with it, so has Smith's XI, and although not picking up maximum points, have certainly shown enough form to indicate that they could be a threat for a semi final berth at the end of the season.

Persisting on the same team most of the month Tom has now a settled combination, which is actually, and to the pleasure of the supporters finding the net. And find the net they have done. 15 goals in four matches this month has really set the pace and the players are now lining up for a shot at goals.

The most consistent forward to date has been Mark Dower with 5 goals from the last 2 games in which 8 goals have been scored so Mark appears to be settling the scene and I might add with a bit of class as well. It's ironic that he couldn't get a game early in the season when the team was struggling.

The only sour note to all those goals going in, is the goals conceded. 8 in the last two games - a loss and a win. I am sure Tom is aware of the problem and I am sure that it can be remedied without affecting the goal scoring ability of the team.

Sitting on only 5 points from a possible 12 points is not anyones idea of a rosy picture but with the confidence gained from the last few games and the players starting to believe in themselves I am sure the points situation will be much better when we turn for the run home.

The last two games has seen some real good soccer with the game against Umina, where the 1sts went down 4/3, a real cliff hanger. Only bad defensive tactics allowed Umina to steal the extra point for a win - with only 5 minutes remaining. It was a game that should have been a draw and I am sure that the spectators would agree with me.

The game results are -

| | 1st | Res | |
|--------------------|-----|-----|-----------------|
| 3/5/84 v Toukley B | 6/1 | | Association Cup |
| 6/5/84 v Davistown | 1/3 | 2/3 | |
| 20/5/84 v Umina | 3/4 | 3/2 | |
| 27/5/84 v Southern | 5/4 | 1/0 | |

The game against Toukley B in the Association Cup was a precession for goals with G.Arundell overlapping sprints down the left flank a treat to watch. I only wish he was young enough to get back into position again, without that pained look on his face.

The match against Davistown was more even than the score indicates but the team failed to capitalise on its opportunities while Davidstown made the most of theirs - there telling the story.

Against Umina as already mentioned the teams were very evenly matched with Tony Lucas playing an outstanding game in the unusual role of stop marking Umina's danger player Greg Smith - who so happens to be quite good friends with Tony or if they weren't they are now. - well done Tony. Another player to come back to form is Frank O'Toole who played a powerful game at midfield.

In the Southern game the score seesawed with both sides holding the advantage for long periods of each half. At one stage mid way through the second half Southern would not be blamed if they thought they had the game in hand - leading 4/2 but with good goals from Frank O'Toole and Mark Dower the game gradually pulled Wyomings way to run away with the result by this cricket score 5/4. - (well that's about Talbot's average last year).

With three games to go before the half way mark, Tom Smith would like to turn with maximum points from the remaining games and I think it can be done with a tightened, more disciplined defence and the forwards hitting the mar as they are at present.

Reserve grade in their 3 games last month have had some very close encounters of the 3 goal kind with a 4 points out of a possible 6. At present sitting on 6 points from a possible 12 the team is sitting in midfield of the competition about to pounce on the front runners. Tony Kayes has had his problems with injuries to his side as well as providing players for injured 1st graders. Unfortunately for him 1st grade come first because the Club lives on its 1st grade record. But discarding all these headaches the team is playing very well with an abundance of defenders with the goal scorers just not hitting their straps yet.

The Umina game was a credit to this team for the gutsy effort to play nearly 40 minutes with 10 players after 'Strop' was sent from the field. The team actually came from behind to record a very entertaining and deserved win. The little work-horse David Talbot is playing his heart out for the team and if the team need an inspiration just watch IRON GLOVES. With him are a few of his U/19 team mates of yesteryear, Frame, Tayloe, McNeil, Robson and Bulley who give the team some youth coupled with the experience of the older players - Murdock, Tarring, Bray & Co form a formidable combination.

3RD GRADE A

Results for the season so far are - 8.4.84 versus Budgewoi 1-1 Draw with the goal being scored by J.Ringuet. 15.4.84 versus Wyong 6-0 win with everyone scoring the goals! 29.4.84 versus Entrance 1-1 draw with Trevor Ross scoring the goal. 5.5.84 versus Davistown 3-0 loss. 6.5.84 versus Umina 2-1 win, J.Ringuet scoring the goals. 26.5.84 versus Killarney, 4-3 Win, goals scored by K.Best 2, T.Ross 1, and J.Ringuet 1. Stars of the month were L.Wybors for top saves against Entrance and Umina. J.Ringuet for continued pressure up front and "Richo" for aggressive play. S.Bartlett big "MOUTH".

After the stop and start to the season we have had mixed success with 3 wins, 2 draws and 1 loss. Some good play with some bad, we can only improve from here if the Team concentrates for the whole game.

A welcome return by Besty who is putting the ball in the opposition's net instead of Wyoming's. Dave Goy has taken over the job!!!!

Coaches advice to the team.....full 80 minutes effort required.

3RD GRADE B

Results to hand 29.4.84 versus Kincumber 10-0 win with goals being scored by Col Arnott, Max Marshall, Stuart Lenard, Tony Kayes and Steve Quennell. 5.5.84. versus The Entrance 5-1 lose with goal scored by Col Arnott. 6.5.84. versus Berkeley 4-0 win with Col Arnott scoring all four goals. 20.5.84 versus Gosford 1-0 win, Stuart Lenard scoring the goal. 27.5.84. versus P.M.K. 1-0 win with Col Arnott scoring the goal.

The lads are now working in well together. Still a few problems around mid-field but with each game the team improves. The game against P.M.K. was our best because until then we had been playing the bottom teams and we have now shown we can also go well against the best.

Coaches advice to the team...keep up the good work. Please let either Warren Snashall 281185 or myself 243143 know if you are unable to make training or the games so we can finalise the team for the match.

Thank You Margaret Kirk for taking Steve Quennell to hospital after he was injured. Steve is now O.K.

Thanks also to 3rd A's for attending our games and supporting the boys.

Manager.....

Did you hear about a 3rd grade player who left the field during the game without permission and re-entered the field of play without permission - the referee stopped play when he saw him run on to the field and kick the ball. He was asked where he had come from.....explanation....."Mum called me off to put a jumper on under my shirt because I've had a cold".

No....it wasn't Wyoming's 3rd grade.

TOM'S TALES

WYONG CUP.....WYOMING V TOUKLEY 2ND.

Wyoming never gave the opposition a chance, straight from the kick-off they simply outclassed Toukley and after the usual several missed chances a fine run from Arundel created an easy goal fro Smith.

Wyoming then coasted to a very comfortable win 6-1.

Special mention must be given to Peter Paterson, Stephen Van Dorp and Craig Matushka, the under 19's. Each gave 100% effort and showed excellent skills and great determination.

Goal Scorers.....Smtih 1, Hall 2, Cantwell 2, Van Dorp 1.

WYOMING V DAVISTOWN.

In a fairly well balanced game, Wyoming once again failed to score the easiest of chances, and there seems to be the problem.

Davistown got to a dream start after only 10 minutes, a doubtful penalty decision against the goal keeper was neatly slotted away.

Wyoming came back strongly and with strong pressure and skillful football were continually frustrated by missed chances.

The second half was the same story for the home team - good pressure - NO GOSLS.

Davistown plugged away and were rewarded with two more simple goals. Phil Robson scored a consolation goal late in the game for a disappointing 1-3 result.

WYOMING V BUDGEWOI.

A game dominated by Wyoming's midfield. K.Hall and F.O'Toole gave faultless displays, winning the ball in defence and setting up countless attacks. M.Dower playing as target man showed excellent skills and created good openings for his team. M.Green inclusion produced a much more controlled and safe defence which coped very easily with Budgewoi's attack.

The home team finally cracked after constant pressure, and brought Wyoming a well deserved goal.

Goal Scorer - C.Cantwell.

Best players - M.Green, K.Hall, F.O'Toole.

CANTEEN REPORT

Many thanks to all our helpers. It is very pleasing to advise our members that the response from parents for assistance over the past month has been great. Please keep it up.

Unfortunately the draw is not available for the next few games so a roster cannot be made. It will be done as soon as possible.

ONCE AGAIN - MANY THANKS PARENTS FOR YOUR CO-OPERATION.

Marie Frost - Supervisor.
