CANTEEN ROSTER

To enable the Canteen to operate successfully parent help is required. Either Mum or Dad can assist when rostered - but we cannot allow children in the canteen. We realise some parents have small children or children involved in other activities so if you cannot attend when rostered please get someone from your team to replace you.

The Canteen Roster is not the responsibility of the coach. He coaches your boy at least once a week and attends games - hopefully you will only be rostered once per season.

Assistance is always required prior to 9.30am cutting oranges, buttering bread rolls etc. Please offer to assist when possible.

SOCIAL SCENE

The last month has seen us very busy with Chocolate Drive. The money that has been collected so far pays for the chocolates that we have bought but there is still some more outstanding which amount to the profit to our club. It would be appreciated if all outstanding chocolate money could be returned as soon as possible. Prizes can only be awarded when all money is in.

Two of the most successful teams with chocolate sales are the 10B's who have to this date sold \$370.00 with one of their players Bradley Campbell selling \$175.00 himself. What a great effort from a young boy who has actually gone out to sell his chocolate bars. The most successful team is 10C1's who at the time of writing have sold \$448.50 with Duncan Hogg selling \$117.00. These teams must be congratulated on such a fine effort.

The club will be holding an under 6 knockout on Sunday 15th July. Any help you can give on the day will be appreciated. We will be holding our under 7 knockout on Sunday 5th August and again any help that you give on that day will also be appreciated. One way you can help is make a cake for either day as there will be a cake stall at both knockouts.

Last Saturday night 19 of us went to the R.S.L. Club to "Under the Arches" it was a good night, something different.

I have booked a Chinese Banquet for Saturday 28th July at the Lantern Inn at West Gosford. If you are interested please let me know as soon as possible and money will need to be in the week before. Cost will be \$12.50 per head and you can take your own grog. They have also donated a Dinner for Two to be raffled at our Under 6 knockout.

Our committee is trying to get ideas for Junior Presentation Day. Many people think that the Non comp teams should be kept separate, others think that it should be held outside due to the large numbers that attend. Have you any ideas? if so please let your coach or manager know and they can bring these ideas along to the next general meeting in July. Ofcourse it is hard to please everybody but we do want to please the majority and give our players a good presentation day.

Jill Smith.

SENIOR SCENE

by BUTTERCUP

What a fine month it has been for the Senior grades. Although they haven't set the world on fire the sun is starting to shine and the results are looking positive. Both Tom Smith and Tony Kayes must be pleased with the results although you wouldn't know by the lack of emotion on their faces - but pleased they are and with the squads settling into a pattern better results are expected in future games. Injuries are still a problem with players carrying injuries onto the park and others completely immobilised - but things are falling into place and both teams can look forward to semi final spots - a refreshing thought after two hard long years in the 'also rans'.

The first grade side have finally plugged the gaps in defence with Craig Matuschka, Steve Frame and John Murdoch all contributing to the new look defence with 'no holds barred'. The midfield this year is probably the clubs strength this year with a surplus of fine players but the find of the season to date is Barry Tuddenham who is 'Mr. Motion' on the field playing the ideal foil for ball players Frank O'Toole and Keith Hall. Tom Smith is still experimenting with his forward line but Mark Dower and Tim Jones are performing well and scoring goals. So everything looks good for a confident start to the second round with heads up and full steam ahead.

The results last month were -		1st	Res	
	2/6/84 Southern	3/1		Amateur Cup
	3/6/84 Killarney	1/3	3/1	
	10/6/84 Wyong Cup			
	17/6/84 Toukley	2/1	1/1	
	24/6/84 East Gos.	1/0	3/1	

The month started on the right note with a deserved win 3/1 in extra time against long time arch rivals Southern in the State Amateur Cup 1st round after scores were 1/1 after normal time. A game that should have been won in normal time was wrapped up with two goals in extra time - one a penalty by Keith Hall and the other by Frank O'Toole. The game which never reached any great heights erupted in extra time when the referee awarded a penalty to Wyoming. Southern players hottly disputed the penalty and from then on the game deteriorated to a mud slinging exercise with 2 Southern players having early showers.

NEXT AMATEUR CUP FIXTURE

VERSUS...TAREE...Saturday 7th July, 1984. 2.30pm.
venue....GOSFORD?????????unknown at present

The game against Killarney proved too much for the 1st team which had to double up on the same weekend after playing the Amateur Cup on the Saturday. The last 20 minutes saw Killarney gain control and win the game.

The Wyong Cup on the June long weekend never produced anything out of the ordinary other than to see a number of Under 19 players have their 1st grade debut in great style. Players to deserve mention are Peter Paterson, Hank Ruysch, Craeme Taylor, Phil Cairn, Roger Illitch and special mention to Steve 'ZOFF' Frame.

The game against Toukley probably produced the most sustained period of entertaining soccer that first grade has produced all season. The first half was 'magic' with unfortunately the ball not hitting the back of the net when the situation presented itself. The score could have been 5/0 at half time. It took a neat header by Mark Dower with about 15 minutes remaining to break a 1/1 deadlock and give the team a well earned win.

The win last week against East Gosford although not as convincing as the win the previous week must have been very satisfying to both coaches and several Ex-East Gosford players. Probably when you reflect over the whole game East Gosford had the better of the game but could not break the stone wall defence and keeper Stewart who had an outstanding game. With East Gosford frustrated in attack it was Tim Jones early in the second half who slotted a narrowed angled shot from the right flank to beat the keeper and give Wyoming the winning margin.

SENIOR SCENE
cont

The Reserve grade team is going from strength to strength and appears to be playing with more purpose. Having picked up 5 points out of the last 3 games the team is now sitting on equal 4th spot.

Never in danger against Killarney the score flattered the opposition. Against Toukley the game never reached any great heights with Toukley grabbing a goal late in the second half against play to keep Wyoming to a draw.

The East Gosford game is the game which produced the good. Playing against the current leaders, Wyoming went into the game with a lot more determination than in previous games - probably because several players were playing against their old club. But from the moment the team went to the front by a scrappy goal by Kevin Best the whole team knew that the leaders could be beaten. From then on the team played soccer while East Gosford attempted to play a game of 'aerial ping pong'. The Wyoming defense held tight with the team eventually running out winners 3/1 after leading 2/1 at half time.

Players to play well last month are

1st grade. Glen Stewart, Barry Tuddenham, John Murdoch and Tim Jones
Res grade. Bryan Bulley, Mark Selig, Stephen Van Dorp and Tony McAndrew

+++COLOUR CONSCIOUS+++

People go PURPLE with temper they say
 When blushing they turn a bright RED
 If ignorant or envious, it's known to be GREEN
 When they're GREY they look almost dead!
 In fear they turn YELLOW - in fright it is WHITE
 When down in the dumps they are BLUE
 When up in the air you're in the PINK
 Pick the colour which best suits YOU
 Everyone knows with an outlook that's BLACK
 Things certainly wont be too cosy
 So keep looking for that SILVER lined cloud
 To make life GOLDEN and ROSY.....

TEAM REPORTS

Under 6A: 2.6. versus Davistown 7-0 Win. 16.6. versus Ettalong 4-0 win. 23.6. versus Kincumber 6-0 win. David Elvy and Drew Jager have been the "stars of the month", David has been listening to the coach and playing accordingly. Drew has been scoring goals that 1st graders would love to score. The fullbacks and the goalkeeper even though they haven't done much work have the great record of not one goal being scored past them. A great effort. Every game is a highlight. These mighty little "Tiger Cubs" are doing the club proud every week. The game against Davistown would go close on the best game I've ever seen (including National League). The coaches advice to the team is to keep listening to instructions and play like you are told. Don't forget that now in some games some forwards are going to backs and backs to forwards, however, everybody can't score goals so wait until your turn comes along. Parents, don't forget the U/6 knock out 15th July (details will be given out in the next week). Also, although constructive criticism is appreciated by parents, remember how we picked our coach and he, like the boys, has to learn. Sight of the month, at Kincumber, wet conditions, 5 degrees temperature, the coach in shorts and thongs trying to keep his footing, whilst splashing through the mud!!!!!!

.....Manager.

Under 6B: 2.6.84. versus Ettalong. Being a 4-0 victory this was an excellent result for our team. Goal scorers were Keiran Casey, Eden Burling, Stephen Phillips and Trent Hughes. Stephen Phillips goal was a twenty metre effort which capped a good game for Stephen. Stephen Burns played his usual strong game in both attack and defence. Chris Camage was at all times eager to move the ball into the attacking region and hence had a good game. John Fromhuller made some long runs with the ball to place our team in a strong position on a number of occasions. Grant Paul played a strong game in attack and was unlucky not to score with some sterling efforts. Phillip Buchanan had a good game in defence and made some good runs with the ball.

23.6.84. versus Terrigal. A 1-0 victory over Terrigal was the most pleasing result for the year since they have been the only team to defeat us this season. Goal scorer was Eden Burling. Eden Burling had his usual very strong game which once again illustrated that Eden is one of our most accomplished players. Trent Hughes played exceptionally well in defence while making many excellent runs into the attack and was very unlucky not to score on one occasion. Kain Goring played well, making some good tackles that could have saved dangerous situations. Keiran Casey, as usual, played a central part in the goal we scored. Jason McBain played well in attack and made some excellent runs with the ball. Adam Burdon played well making many good tackles plus a number of good runs in attack. Robert Loadman primarily played a defensive game and was one of the main reasons why the strong Terrigal team were unable to score any goals.

.....Coach.....

Under 7A: Wyoming 0 Davistown R.S.L. 0. This was a poor game only because of the unofficial referee who did not know the rules. However, the team tried hard and only bad luck cost them a win. Best players in the game were Ben Lyons playing centre back, Michael Kennedy playing left back and Justin Anders playing right wing.

Wyoming 0 Ettalong 0. This was a really good game of soccer with both sides playing good soccer but with Wyoming dominating play. Unfortunately 2 goals were not quite across the goal line and were disallowed. Best players in the game were Keenan Field playing right wing, Michael Buchanan playing centre half and Adam Coulter at Centre Back.

Wyoming 9 Kincumber 0. After 3 draws in a row and a serious lack of goals I was pleased to see so many boys score in this game. The opposition were not greatly interested in the game and our team were allowed to do as they liked. Goal Scorers were Mark Drennan 3, Jason Magri 2, Michael Buchanan 2, Ben Lyons 1 and Keenan Field 1. Best players in the game were Ben Lyons as Striker, Mark Drennan at Right Wing, Justin Nixon as Centre Back and Jason Magri at centre half. The following day the boys backed up to play in the U8 East Gosford Knockout as a last minute fill in. The entire team was contacted at short notice and we had a 100% response. The boys played Entrance 8A in the first game and finished with a scoreline of 0-5. The boys must be congratulated on their effort in keeping the score line to only 5 against as the other team was much bigger and kicked the ball further. However, good goal keeping from Adam Coulter and great efforts from Jason Magri, Daniel Spencer and David McGarvey showed the opposition we were not a pushover. In the second game the boys played Wyong B team who had not lost a game this year. Our boys played as a team and actually led for much of the game after a great goal by Peter Miller. Unfortunately they ran out of puff in the second half and allowed Wyong to score with 1 minute of time left. Wyong eventually were awarded winners of the game by one

Under 7A cont: corner kick to nil. A great team effort in this game but special mention must go to Keenan Field as centre back, Peter Miller left wing and Ben Geeson right back. Unfortunately last weekend was the last game as manager for Stuart Geeson. Stuart is moving to Kurri to live but his son Ben will be travelling weekends to play out the season with the team. Stuart has given the team wonderful service as manager during the season and will be missed by all the boys. On behalf of the team members and parents I would like to thank Stuart for his services and wish him and his family well in the move to a new area.

Under 8A1: 2.6.84. versus DAVISTOWN 1:1 DRAW. A very lucky game to come out with a draw. Come on boys you know how to play soccer by now, why fall apart because the coach is not around. The boys were fortunate to equalise with a penalty, and lucky that MARK MITCHELL saved the match with his consistent safe hands in goals. The mid field players tried their best with some long kicks from STUART FORTIER and CHRIS McCOSKER plus penetrating passes and never tiring in their tackling from BRADLEY HAM and BRADLEY KIRK. Unfortunately the forwards were unable to finish off these opportunities. Goal scorer SCOTT JAMES. 16.6.84. versus ETTALONG. 2:0 WIN. This match caused a few anxious moments for parents. MICHAEL McGARVEY enjoyed his opportunity of playing in the forwards. Solid in defence were SEAN RYAN and GRANT BAILEY with good clearing kicks and cutting off many Ettalong attacks. Shining out in mid-field were STUART FORTIER and KIRK MERCER. ROBERT MATTHEWS made some nice saves in goals. Goal Scorers were SCOTT JAMES and MICHAEL McGARVEY. 23.6.84. versus TERRIGAL A2. 7:0 WIN. This match was dominated by the forwards and mid-field. The whole team blended in well showing great enthusiasm and displaying the skills coach has been drawing out of them. The boys were able to finish the game with a great sense of satisfaction. Showing outstanding skills were ADAM MORRIS, SCOTT JAMES and STUART FORTIER. Our forwards were able to support one another, with the mid-field performing their task plus blending in well with their forwards, while the defence remained solid. Goal scorers were, ADAM MORRIS 3, KIRK MERCER 1, SCOTT JAMES 1, CHRIS McCOSKER 1, BLAKE PAULL 1. 24.6.84. EAST GOSFORD UNDER 8 KNOCK OUT. COMPETITION. The boys were able to make it through to the semi-finals of the winners competition. The boys displayed great determination with some skillful performances in the muddy conditions of the fields. Our team played four games, scoring 6 goals and conceding 2 goals. All our goals were scored as a result of a real team effort. Game One: 3:0 WIN over SHORTLAND. Game Two: Won on corners over ETTALONG. Game Three: 2:0 WIN over TOUKLEY. Game Four: 2:1 LOSS to TERRIGAL. The team were a great credit to this club, all playing their hearts out. THANKS for the great effort to GRANT BAILEY, STUART FORTIER, BRAD HAM, SCOTT JAMES, BRADLEY KIRK, CHRIS McCOSKER, MARK MITCHELL, MICHAEL McGARVEY, ADAM MORRIS, ROBERT MATTHEWS, BLAKE PAULL, SEAN RYAN and a special thanks to BEN NOBLE from the 8B1's. Many thanks to parents and friends for supporting the boys.

Under 8A2: 2.6.84. versus Woy Woy Won 3-0. Goals were scored by Craig Herring 2, and Adam Kavanagh 1. 16.6.84. versus Terrigal Loss 1-0. 23.6.84. versus Ettalong, Loss 2-0. The "star of the month" was Tim Smith for his brilliant goal keeping. The highlight would have been the fantastic penalty save by Tim Smith against Terrigal. Well boys we are really starting to put it all together now, except when it comes to tackling the opposition, a little more effort in this department is necessary. We have lost our last two games by sheer bad luck, having all the play in the oppositions half, but the ball hitting the goal posts, instead of going in the goals. Even when we score a goal the referee still won't allow it. Never mind, I am proud of the way you are playing. Keep up the good work, our luck has to change sometime, perhaps when the second round begins next week. P.S. Re misprint in last newsletter. PARENTS. Under 8B1: 2.6.84. versus Terrigal 2. Result Nil All Draw. This was a hard, fast match, played at top speed right through to the final whistle. Both teams were evenly matched and the game see-sawed from one end of the field to the other. Scott Medford played a great game in the backs, stopping many Terrigal attacks, and making some of the best kicks on the day. Tony Bilcina and Ben Moore, cutting the finger-tips from

16.6.84. versus Ettalong Result 5-0 Loss. The team tried hard, but were just outplayed. Every time our forwards attacked, they were stopped by Ettalongs good backline, while our backs and midfield couldn't stop every Ettalong attack. There were a lot of individual players but not much team work to-day. Best players of the day were Scott, Andrew and Martin Stanfield, while Phillip played well in the first half. 23.6.84. versus Gosford Result 1-0 Win. Everybody played as part of a team to-day, and played very well. Play was mostly in Gosford's half, and Dean scored the only goal with a fast attack down the centre that left the opposition standing still. Good work Dean. Tony Bolcina played a good game, his kick-power has doubled in the past week or so. Trevor made a great effort in the forwards and Martin Jackson also had a good game in both mid-field and forward positions. Ben Noble played soundly in the mid-field. The results this month bear out what the coach has been "saying" for ages.....Teamwork and Concentration pay off! Booby prize of the month goes to the Manager for leaving the team shirts at home when we played at Ettalong!!

Under 8B2: Versus East Gosford, result 2 nil loss. Stephen Graham and Daniel Marsden were the best players. Good improvement by James Carter, Daniel Bootland and Ben Emery. Versus Davistown 1 all draw. The boys were leading 1 nil with 2 minutes to go but unfortunately they conceded a goal which made the score 1 all. Grant Walker played well considering it was his first game out on the field. Adam Hungerford, good effort in goals and a good goal was scored by Stephen Graham. The last few matches have shown a general improvement in all players. Keep up the good work boys.

Under 9A: 19.5.84. versus East Gosford Win 4-2. East Gosford scored 2 goals in the first 10 minutes which shocked our boys as these were the first goals they had conceded this year. We fought back well and with goals from SCOTT MACKETT, DANIEL CUNNINGHAM, SIMON ASH and ROBBIE ROSS we ran out comfortable winners. 2.6.84. versus Davistown Win 1-0. A very good open game with many nice moves from both teams, and plenty of chances being created. BRENDON NAPIER played well in goal as did BRET JAGER, DANIEL TURPIN and DAVID CLARKSON in defence. Our goal was a good individual effort from ROBBIE ROSS. 16.6.84. versus ETTALONG Win 5-0. A very good team effort with the boys beginning to move the ball around and move into open spaces. Our midfield trio of LUKE MASON, PAUL MERRYWEATHER and MATHEW WILKIE controlled the game, and goals from DANILE CUNNINGHAM 3, SIMON NASH and WARREN STEPHENSON, make for a good win. 23.6.84. versus Kincumber Win 7-0. A good win that would have been far greater but for some good work from the Kincumber goalie. All of the boys played well in a game which gave us the opportunity to experiment with different positions. Goals came from GRAHAM WILSON 3, DANIEL CUNNINGHAM 2, WARREN STEPHENSON and ROBBIE ROSS. GRAHAM did really well as he only came on for the second half. Results to date, WON 7, DRAWN 1, LOST 0. Goals for 33 against 3. These results at the end of the first round of matches indicate how well the boys are developing into a good team.

Under 9B1: 2.6.84. After our burst onto the soccer scene the boys were brought back to earth by the very well rehearsed Terrigal attack. Down 4-1 on a dog field, before a non partisan crowd. Possibly the highlight of the day was the lack of defence. I have told the boys at training what went wrong, so I will leave it there. 16.6.84. After our last game the defence got it together again and we were all pleased with ourselves at full time. Darren Blair is showing up to be a very useful attacking player, scoring himself 2 goals today after some nice lead up work from the rest of the team. Aaron Hood is still putting in 110% of effort and remains a strong team player. Ryan still has goal posts in his eyes and seems happiest kicking balls into them Won 4-1. 23.6.84. Out to Davistown to play what ended up as an eventful game. The boys all played very well, especially Grant Richardson and Peter Petch whom I put into attacking positions. The game was marred by some poor refereeing which I might add was not done by an official ref. At this stage I would like to say that I did not think would ever lose my cool at a "friendly" game of soccer. Having stated that I would like to apologise to the parents in my team and especially the boys who look to me as an example. But the lads kept the game together, much to their credit and came up with a 2-2 draw. Next time we play out that way I would like to see an official referee in control of the game.

Under 9B3: Versus Wyoming (2) 0-1 loss. In a match in which our defence was under constant pressure, the boys (with a little help from Lady Luck) did well to hold out until late in the second half. Best were Colin McCrone, and Jeremy Cartner. Versus Gosford 0-1 Loss. Lady Luck deserted us on this occasion, and what should have been our first win ended up as yet another frustrating loss. Once again we were best served by Colin McCrone, whose bubbling enthusiasm week after week is proving both a delight for our spectators and an inspiration to the rest of the team. Others to shine were strikers Andrew Smith and Nathan Evans, and Brett Van Munster in the midfield. Versus Woy Woy 3-0 win. Our first win of the season, and in fact, for most of the boys, their first ever win, made this a memorable match for all those connected with the team. A fine, determined goal by Andrew Smith gave us the lead midway through the first half and from there on the boys totally dominated the match. In the second half, Nathan Evans consistently strong attack was at last rewarded when he scored twice with five minutes to wrap up the game. One of the big improvers this season, Andrew Kennedy, had an excellent game on the left wing, while Craig Maher, Ryan Murphy and Brett Van Munster formed a confident, and for a change not over-worked, defence. Congratulations to all the boys in the team, but especially to those from last year's 8B2's - Andrew Smith, Ryan Murphy, David Peterson, Andrew Kennedy, Nathan Evans and Jeremy Cartner - who did not win a match last season and whose persistence has now been rewarded. Also to the parents of all the boys, whose wholehearted support for the team and its coaches has never wavered.

Under 10B: 2.6.84. versus WYONG Win 3-0. The momentum of previous games played has continued into this game with all boys playing with a lot of enthusiasm, it is good to see the boys continue to develop an understanding with each others game. Probably the best centre forward goal I have seen was scored by Brad Phillips when he controlled a ball outside the penalty area, ran it into the box and fired a great goal past a very good Wyong goalkeeper. Keiron Chambers played a dominant game in midfield, ably supported by David Maryska & Brad Campbell and backed by a very hard working David Lindsay. BOYS, Remember that it is a very large field and the way to make it smaller is to play the ball to each other. 16.6.84. versus ETTALONG, Win 3-0. A very entertaining game played with a lot of enthusiasm to start with, but as usual once the first two goals were scored we had every boy trying to score goals and our positional play deteriorated more as the game progressed. It is good to see the moves practised at training come to fruition. A very good allround game by Keiron Chambers well backed by Kurt Snashall in the midfield with strong fullback play Andrew Smith and Paul Cully. BOYS, You can not all play striker and Score Goals, if you play your position the TEAM WILL WIN and it is most important that you remember that Soccer is a TEAM effort. and TEAM PLAY is what the game is about. 23.6.84. versus KILLARNEY Win 6-0. A very entertaining game to watch with all boys showing great enthusiasm and confidence, resulting in the boys continually beating the opposition to the ball and controlling the game. It is most gratifying to see moves and passes practised at training put into use in the game and I can only suggest to you boys to call to each other and to call for the ball as an improvement on this effort. Keiron Chambers had an extremely good game, having spent the past week at home sick he was supported well by another sickie, Adam Mackett. Brad Phillips played a very pleasing game at Centre Forward and will score more goals when he learns to call "Shout" for that ball. Congratulations to the backs for intelligent back passes to the Goalkeeper, now all we have to do is to get Wayne to call "Keepers Ball" instead of "Mine" and we will have a very happy Coach. DON'T FORGET the Round Robin At Killarney on Sunday the 8th July, 1984 - Starting 9am.

Under 10D: 2.6.84. versus Kincumber Result 3-1 Win. Goal Scorers Scott Bennett 1, Chris Cox 1 penalty goal. Some very good teamwork and clever passing from our team in this game. Boys to star were Drew Purcell, Chris Cox, Stephen McGarvey, Scott Bennett and John Paul Hallam. 16.6.84. versus Curimbah Result 4-0 Win. Goal Scorers Scott Andrews 2, Stephen McGarvey 2. Strong attacking play by our forwards kept us well on top of Ourimbah in this game. They were well supported by Michael Frew, John Paul Hallam and David Rasmussen in the backs. Scott Bennett showed good ability as our reserve goakpeer. 23.6.84. versus P.M.K. Result 3-2 Loss. Goal Scorers, Stephen McGarvey 1, Scott Andrew 1. A great effort boys to give an undefeated side their biggest fright so far this season. Scott Bennett and Scott Andrew on many occasions put their defence to the test while Peter Gattenhof had a good game in the backs. Glen Rowles played well in goals.

Under 10C1: Results for the month have been. 9.6. versus Umina Loss 7-0. 16.6. versus Terrigal Win 2-0. 23.6. versus The Entrance Draw 1-1. How can you beat a team like Umina when they have been undefeated for 2 years in B grade and the Association drops the team and coach to C grade. The score should have been 20 nil but for the tremendous defence and the brilliant goalkeeping of Shannon Young (man of the match). We won't say anything about the game against Terrigal but the game against The Entrance was a good hard game and we improved our general play. Most improved player of the month was Matthew Home. If he keeps improving as the months go by look out opposition wingers. Thank you boys for trying your best. It would be appreciated if as many parents as possible could attend games each week to give support their sons. A thank you to the parents who do attend the games. Suggestions to club committee...upgrading of the entrance and parking at Alan Davidson Oval should be carried out immediately.

Under 9B2: Results for the month have been. 2.6.84. versus Wyoming B3 Win 1-0 with goal being scored by Anthony Pagliaricci. 16.6.84. versus Davistown Loss 0-2. 23.6.84. versus Gosford Win 4-0, with the goals being scored by Luke Luffman 2, John Angledal 1 and Brett Walker 1. Our first game this month was against our fellow Wyoming team - the B3's. What a good game, the result was a 1/0 to us but both teams played the game in a good spirit and we both enjoyed playing on the top field. What a difference playing on the top field makes - everybody able to do what they learn at training on a firm ground and not stick in the mud. The best players for us were Brett Walker, Anthony Pagliaricci (goal scorer) and Michael Street. The next game was against Davistown and we lost this one 2/0. The game was played on the bottom field and both goals scored by Davistown were scored in the last 10 minutes as our defence got stuck in the mud. Good players for us were Jason Lauder, Michael Street and Peter Ham. Our third game, this month, was against Gosford and we won this one 4/0. What a good game from our boys - good passing, good calling and good positional play from all. Players to stand out for us, in a good team effort, were John Angledal (1 goal), Brett Walker (1 goal), Luke Luffman (2 goals) and all the defence - Greg Scales, Michael Street, Peter Ham and Raymond Mitchell. Oh yes, we played this game on the top field! So far our boys have scored 7 goals and had 11 scored against them. Not bad for a basic team with no reserves. The coaches advice to the team is...just play as you did against Gosford and more wins will come. Special thanks to the Mums for washing the shirts each week - tough luck about the mud!!!! Joke of Month: THE BOTTOM FIELD AT WYOMING.

Under 11B2: 2.6.84. versus Umina Lost 1 nil. The boys played all over the opposition but could not put the goal in the net. Steven Davies, Darren Fraser and Gary Ferguson played well in the forwards and Rodney Rathbone and Paul Simpson in the mid-field. 16.6.84. versus Toukley Lost 1 nil. The boys played well in the second half, but they would not tackle. Paul Gough in the goal must have saved six goals also David Post, Murray Kilfoyle, Matt Cottier and Dion Wheeler played well. 23.6.84 versus Wyong Lost 1 nil. The boys had their chance to score on many occasions, but they couldn't get the ball in the net. Chris Hughes, David Post and Dion Wheeler played well in the backs also Bjarki Aaso and Craig Ferguson in the midfield. Most improved player of the month...Rodney Rathbone.

Under 11C: 2.6.84. versus Ourimbah 3-0 Loss. The game was fast moving, and although all the team tried hard the opposition was lucky on the day. It was great to see, no boy gave an inch and really played as a team. Ronan and Brendan gave great performances and if it had not been for the strong play in the midfield the opposition may have looked better. Anthony and Andrew kicked well and proved their worth in defence. A determined effort boys - well done. 16.6.84. versus Terrigal 7-0 Win. The boys couldn't put a foot wrong and played as a first class team. The game was highlighted by good ball control, terrific passing and what counts good hard strikes. Ronan scored four goals and Anthony three goals. This was achieved by good passing between the whole team. Paul and Greg on the wings attacked consistently and passed well into the centre. Stuart, Anthony and Craig played great in the midfield and attacked and defended non stop. Andrew is top in defence and organised Peter and Jacob to ensure David had a quiet game between the sticks. Under Andrew's organisation, Peter and Jacob had one of their best games.

Under 11 C cont: 23.6.84. versus Killarney 2-0 Win. This was a repeat performance of Terrigal's game. All I can say boys is that if you continue to play as a team you will come out as top. Brendan as "sweeper" played great, consistently attacking, defending and passing the ball. Steven had a good team in goals and stopped any attempt by Killarney to score. David Mitchell played well and put a lot of effort into his positioning and passed the ball great to the forwards. David Allen had a good game both in goals and on the field and consistently plays well. In the second half we made a few chances and put Andrew as striker - he went well and so did Anthony as fullback. Both boys have a solid boot and little can stop them when they are on the run. In summary - improved individual performance by all boys, a "laser" team effort - brilliant. Finally thanks to the parents for your support both at training and at matches.

Darren Cocks has been the "star of the month" - the last three games have been a credit to him for his determination and skill which has been much appreciated by the parents who follow this team. 2.6 versus Davistown at last the boys are playing again with determination a good effort. 16.6. versus Terrigal - first half very ordinary play from our boys but the second half was really good effort 23.6 versus Woy Woy - a game that should have been won leading 1-0 in the first half, final score 2-1 down with some fairly scrappy play in the second half. Coaches advice to the team.....Well done this month boys. All you need now is to talk to each other, more on the field.

Under 13A: Wyoming 0 Killarney Districts 1. A good effort from the boys playing against last years runners up but unfortunately still no luck on our side. Best play came from Stuart Finlay and John McGarvey with a good goal keeping exhibition from Peter Neilson. Wyoming 4 Gosford 0. At last, the teams second win of the season but a terrible team effort. Several scoring chances were wasted by players who wanted to score themselves. Best players on the day were John McGarvey, Stephen Hall and Brett Smith while goals were scored by these three boys and Mathew Phillips. Wyoming 1 East Gosford 0. A solid team effort to defeat East Gosford by a goal and not to allow them into the game at all. Every player gave his best with Stuart Finlay outstanding. The boys are starting to believe they really are good enough to defeat any team in the competition. The only disappointment this month was the news that Simon Andrew could not play for 2 months, on doctors advice. Simon will be sorely missed as left winger and Team Captain. Hope the leg improves and he get back with us before the season finishes. With the absence of Simon a new captain was required and after discussion with Vice Captain Stuart Finlay, it was decided Stephen Hall would be the new captain. Stephen showed he has the ability to be captain showing authority in our win over East Gosford.

Under 14A: Versus Kanwal Score 1-1 Draw. This was a good result as no team deserved to lose. A good entertaining game, however, draws are not good enough if we want to stay at the top of the ladder. Versus The Entrance Score 0-0. A game of missed opportunities... The play was all in our oppositions half but we failed to put the ball in the back of the net. There were some good attempts at goal but they were either just too high or the defending backs stopped them by being in the way. More dedication by some of the boys would benefit themselves and the whole team. Versus Ettalong Score 3-0. A better performance than the past few games. Although playing a weaker opposition, glimmer of teamwork was apparent. Three good goals were scored in the second half, through good lead up work by the midfield. A tough game next Saturday against Kanwal at Kanwal and this is the game that we need to win to keep us well ahead in first position on the competition ladder. Get Well to Jason's grandmother our strongest supporter and hope to see her at the games soon.

Under 7B1: Results for the month, 2.6.84 versus Umina 3-0 Win, with the goals being scored by Kristen Butler. 16.6.84. versus Davistown 8-0 Win, goal scorers were, Kristen Butler 3, Craig Clucas 2, Kurt Wheeler 2 and Ben Roberts 1. "Stars of the Month" Kristen Butler for his consistent ability to be our teams top goal scorer and taking advantage of all opportunities which come his way. Kurt Wheeler as he never stops trying. Adam Jackson who is improving each time he is in goals. Highlight of the month, was against Umina when the ball dribbled along the ground and Kristen Butler took full advantage of the situation by running onto the ball, hammering it into the net nearly taking posts and net with him. The coaches advice to the team, boys must be ever wary of offside ie; have a member of the opposition between them and the goalkeeper. It would be appreciated if you could let the manager know as early as possible if unable to attend the match. A special thank you from the coaches to all parents for their co-operation and support. Suggestions to club committee, if possible another set of junior nets. Team Joke, Why don't you ever offer an Irishman a tip? Cause he's not interested in better living conditions.

"Stars of the Month are, Barry Elvy who is using all parts of his body to control the ball. Good performance at right midfield. Russell Murphy has switched to the midfield and is playing solidly. Kirk Doolan has been putting in some good crosses from the right wing. Highlight of the month was Scott Thompsons clearance off the line against Berkeley Vale at Davistown. Half the ball was over the line. Coaches advice to the team! commit yourselves to the tackle boys. Help one another by backing each other up. Never think your job is done once the ball has left you. Don't run in a circular path to get to the player with the ball, run straight at him. Thanks once again to the parents for their help with transport. Suggestions to club committee, a lower grade carnival for boys in the C & D sides. These kids pay their fees too, yet they're never invited to a carnival. Its about time something was done.

Under 10A: Results this month have been, 2.6.84. versus Umina Loss 6/1. 9.6.84. Long Weekend. 16.6.84. versus Davistown Win 4/1. 23.6.84. versus Terrigal Draw 1/1. "Star of the month" is Conrad Strachan who is improving with every game. Conrad would have to be the most correct player in the team - he shows good skills in heading, trapping, tackling, dribbling and stamina and speed - an outstanding junior prospect. Unfortunately there is nothing to rave about this month, the team is not performing to the best of their ability - all players appear stale and disinterested - only a change in attitude will put this team back on the rails. Coaches advice to the team... forget about the first round and lets start afresh by playing controlled soccer that the coach, manager and spectators will enjoy watching.

"Stars of the Month" have been Mark Green who is back to his best with some fine defensive games. Hank Ruysch who is improving with every game at right back - although gangly he is now playing with a lot more purpose. Pat Ryan has taken over from Kevin Best the duties of coach to allow Kevin to concentrate on playing. Pat has a clean record to date with 2 fine wins. Coaches advice to the team.....
To play for the club you have to dress appropriately - all players must wear club attire - it appears from last weekend that certain players must wear their WYOMING shorts to the beach to enable them to wear their beach gear to soccer!!!! The team would like more home games.

Registrar's Ravings

Any coach or manager who has had boys drop out, move away etc. please return their cards to me at the kiosk on Saturdays. We also need a coach for our 14B team. Jan Beaumont (manager) is coping admirably at the moment but if you know anyone or if a parent is interested in coaching officially please let me know.

The coaches and managers at our last monthly meeting know the following but if you were not present please note the following -

1. Team sheets are to be filled out by the Coach/manager only - boys names printed in full i.e. JOHN BROWN - no pencil or felt pens to be used - a \$10. fine from CCSA.
2. Print grade on top of team sheet only i.e. 10B and where you put Wyoming v Umina, place Wyoming 1 if you are 10B1. It is particularly important that 9B1, 2, 3 follow this rule.
3. Team sheer to be signed by manager before game starts, this is to verify players names are correct and are registered with club. Check with referee after the game to make sure the score is correct and given to correct team. 9A score last week came through as 7 nil loss and it should have been 7 nil win.

Boys in some of the teams have been wearing coloured shorts other than black and odd coloured socks. All boys must wear correct uniform the opposition can refuse to allow them to take the field and if reported by the opposition a fine will be imposed on the club. So coaches and managers will you please instruct any boys who are guilty of this that they must be properly attired in club uniform.

Our Committee is concerned that one of the non-comp boys or his younger brother or sister will be either fatally or badly injured due to parents thoughtlessly parking their cars along the narrow entrance to the fields. This area is for two cars to proceed both in and out of the park at the same time. Children running out from behind these parked cars have given quite a few drivers considerable concern. Please do not park there and ask anyone you see not to park their for safety's sake.

TEAM REPORTS
(cont)

Under 9B3: After showing signs of improvement in recent weeks, the boys have lapsed into that lethargic attitude which marked the early part of the season. With a few notable exceptions, they have shown little application or determination, and have consequently been well beaten in their last two matches.

Versus Wyoming (2) 0-3 Loss. All goals were scored in the first half and only some charitable positional changes by the B2 coach saved us from a real drubbing. Best for us were Andrew Kennedy on the left wing and Andrew Smith in midfield. Versus Gosford, 0-2 Loss. Probably the team's worst performance of the season, and the less said about it the better. Only Troy Smith and Colin McCrone showed any semblance of form.

Looking at the season as a whole, despite their lack of success, played 13, Won 1, Lost 12 most of the boys seem to have enjoyed themselves, at the same time have acquired a few more soccer skills, and most importantly, gained a greater appreciation of the teamwork and sportsmanship required to succeed at the game. A number of players improved considerably during the year, but not quite as dramatically as Troy Smith, the winner of the Most Improved player trophy. Well done Troy.

Congratulations also to Colin McCrone, whose keenness and enthusiasm has earned him the Player of the Year trophy.

Finally, a special vote of thanks to all those parents who gave both the team, and Garry and I, their whole-hearted and uncritical support throughout the year. It has been much appreciated.

MANAGER. ALISTER KENNEDY.

TEAM RECORD

Under his first coaching year of 1961, we were in second place. The boys have learned that football is a game which must be played with a lot of determination, and with a lot of hard work.

Varsity football was held in the first half and some special football games by the 42 coach boys as well as the 42 boys. The boys were very happy to play football and to have a coach who was so kind to them.

During the season of 1961, we were in second place. The boys have learned that football is a game which must be played with a lot of determination, and with a lot of hard work.

Coaches also to play football, who know and understand the game and the boys.

Finally, a special vote of thanks to all the parents who gave their boys and girls and to all the boys and girls who played football during the year. It has been a very successful year.

Thank you very much.
