FINAL SECRETARIES SCREED FOR 1985.

I hope that today has been a fitting end to a busy competition season, and that the Presentation has been successful splitting the non comp from the competition teams. If nothing else it should have atleast eliminated some of the noise.

Since the non comp presentation we have been busy following our various teams in the semi finals, some having to play finals and then progressing onto the grand finals. Congratulations to those team who won their Premiership and also to those teams who finished up Runners Up. This year would see the most number of teams finishing Runners Up which shows just how keenly contested all grades were.

I am proud again that we have won the Sterland Trophy because it is a reward to all our competition teams for their hard work during the season.

Congratulations to all players who have received trophies, medallions etc today.

Our Annual General meeting was held on Monday 24th September and you will notice that some new faces appear again this year. To David McNeill, Neville Kirk, Peter Morrison and Terry Jones welcome to our committee and I look forward to working with you in 1985. To Graham Smith and Peter Frost who have served the committee for 7 years and 5 years respectively, a big "Thank You" for all the time you have given over those years to the organisation of our club. No one knows better than me what time has been involved. Also thanks to Bill Neilson and Vic Winney who were also with us this year.

I would like to Congratulate two club members on becoming Life Members. The first one is Steve Field who was elected as Publicity Officer for the 1980 season and remained in that position for 4 years and at the same time began his coaching with the 9A team which is today's 13A's. He also coached last years 6A's and this 7A's and has worked on many under 7 knockout committees with me and his help has always been appreciated by me. He prefers to remain in the background and not one for expecting thanks or for that matter wanting it so I am happy that the club has rewarded him for his efforts by making him a Life Member. Our next member is Peter Frost, better know through the club as "Frosty" he was elected to our committee the same year as Steve, and came in Senior Delegate and then assistant registrar for the last 4 years. He also coached for 3 years as well as playing in 3rd grade. He then decided that wasn't enough so he joined the CCSA as a member of the judiciary and today is the chairman of judiciary. Always one to help out he has given up many precious hours to help in the general running of our club and this has been greatly appreciated by all those who have worked with him. (He goes home sometimes). Congratulations "Frosty" and Steve.

Further on in this edition of "Tiger Tales" is a page on social activities to the end of the season. Please read this carefully and I look forward to seeing you at some of these or perhaps all of them!!!!

In closing may I take this opportunity in thanking my fellow committee for an enjoyable season. Also thanks to the many people who have helped in the putting together of "Tiger Tales" each month, Jenny & Warren Snashall, Geoff Eurgess, Denise & Norm Woods, Leonie & Kevin Best, Lesley Mason, Marie & Peter Frost, Neville Kirk, Warren Malcolm and whoever I may have forgotten!!!! Special thanks to Leonie Best who has shared most of the drama of the Gestetner with me, she is my right hand and you know what you would do without your right hand. Thanks Leonie

Looking forward to seeing you all in 1985.

JILL SMITH

ANNUAL REPORT

It gives me great pleasure to present to you this annual report on the operation of the club. As President I have been very conscious of the high regard in which the club is held by opposition clubs. It makes me proud to be associated with its name.

COMMITTEE

The committee again this year performed outstandingly by providing an adequate service to its members. It must be remembered that these services are provided on a volunterr basis and a lot of time is spent in running the club throughout the season. One only has to look at the revised statement of duties of office bearers to realise the extent of this sacrifice. To those committee persons my wholehearted thanks. When everyone pulls together it certainly makes life easier for all.

I cannot ignore the enormous work performed by Jill Smith, Marie Frost, Leonie Best and Geoff Burgess during the season a majority of which is performed behind the scenes and generally on the phone. Without their expertise and dedication I doubt whether the club would run at all.

One sad note of the season is the loss of Vice President Graham Smith who resigned after six years of meritorious service. Graham's keen interest and involvement was a credit to him and the club. A sad loss and I in particular will miss his administration support and guidance.

To the outgoing members of the committee namely P.Frost, J.Burgess, W.Neilson, V.Winnery, my deepest thanks for the service given.

To the incoming new members namely, Peter Morrison Neville Kirk, Terry Jones, David McNeil, my congratulations on your appointment and I look forward to working with you.

TEAMS

The Club's teams again have performed adminably and to all the players I give you my wholehearted congratulations on the results this season.

The statistics of the teams are

U/10 - U/16	No of teams	21
	Semi finalists	15
	Finalists	1
	Runners Up	4
	Joint Premiers	2
U/19-Seniors	G.F.Winner	1
	No of teams	6
	Semi finalists	3
	Finalist	
	Runners Up	1
	G.F.Winner	
	Joint Premiers	1

COACHES/MANAGERS

To the coaches and managers of the Club I extend my utmost thanks for your service this year. Sometimes a thankless task and ofcourse the frustrations from one week to the next don't always give you a sense of accomplishment but from the interest shown and the results of the teams I can assure you, yoursacrifices are appreciated by the clubs' committee, the players, the parents and supporters. Thank you again.

SOCIAL

The social scene for this year was organised by Jill Smith who in her own enthusiastic way arranged a function each month. Some funcations were to raise funds and other for just socialising. The main reason for the fund raising was the need to recoup the \$3,500 spent on re-turfing the main field at Alan Davidson Park and the functions organise were the very successful beginning of season with a Fete, then the successful Chocolate Drive and the successful U/6 and U/7 Knockouts. Altogether the funds raised were approximately \$2,500 which enabled the treasurer to breath a sigh of relief. The other social outings were a Chinese Banquet, Dinner at Gosford RSL and various promotional strictly ladies nights.

Thank you Jill for your tremendous services to the Club.

ANNUAL REPORT
(cont)

PRESENTATIONS

The committee decided to change the format of the Presentation this year and organised the non-comp team on the afternoon of their last game. It proved an outstanding success and provided a spectacle to all those who attended. One important factor to take into account with the success was the elimination of the noise of 150 young boys and others in a confined space. By having it outdoors the noise was actually tolerable.

STERLAND TROPHY

The Club has again attained the Sterland trophy. The trophy is presented to the club with the most competition points from teams in the U/10 - U/16 age groups. All credit must be given to coaches, managers, players and supporters for their contribution towards this award.

VALLEY VIEW PRIMARY SOCCER TEAM

Congratulations must be extended to the Wyoming players who represented their school in the 192 team state wide soccer knockout competition. After making the finals the team was unfortunately beaten 3/0. This should not be treated as being unsuccessful but an honour - to have progressed to the final such an important and prestigious game. The players are:-

- J. Mobberly, G. Preston, D. Jones, P. Ferguson, T. Northey, S. Brown, P. Shaw, P. Smithson, I. Carstairs, S. Burgess, S. Walker, B. Place, A. Rogers, M. West.

Also mention must be made to Stephen VanDorp who was a member of the Henry Kendal High School Soccer team which played in the final of the 250 team strong High School knockout Cup only to be beaten by the odd goal.

Congratulations to all those players to have excelled for their school.

NEW ZEALAND VISIT

This season again saw the visit of another New Zealand team, Western Heights, games, billets and an itinerary were organised by Jill Smith in her usual efficient manner and as per last year was an outstanding success with Wyoming Soccer Club being the ambassador to our New Zealand friends.

SPONSORSHIP

Probably the most significant achievement for the club for many a year is the sponsorship attained from the East Gosford Sportmans Warehouse. It has been a benefit to both sponsor and Club and with it continuing for the next 3 years will provide a financial relief to the club members.

IN CONCLUSION

I would like to thank everyone for their services towards the Club no matter how small because it all assists in the running of the Club.

REGISTRARS REPORT

1984 was probably one of our most challenging year due to the size of the club and the introduction of new registration cards for every registered player (approx 530) each player requiring 2 new photos. The problems caused by the photo machine breaking down didn't help parents in their efforts to get photos in on registration days and I would like to thank you all for your co-operation in getting photos to me so promptly. Without this support we would not have been able to register our 40 teams in time for the start of the competition. Luckily these photos for U/10 up will be current for another 2 years. These parents who have children in the U/9 teams this year - I have arranged with Steve Hogg to give me 2 copies of each team photo to use for their comp. cards next year.

My thanks go to my Assistant Reg., Peter Frost for the last 4 years for his valued help as the club numbers have grown and so has the paperwork. A welcome to Peter Morrison who has taken over the reins as assistant registrar for 1985.

My thanks also to Kevin Best who took photos of all the senior players and without his help we wouldn't have had them ready to play when the competition started.

Thanks also must go to Jill Smith and Joyce Bulley who helped register the non comp boys on registration days, the committee members who answered questions parents had and generally gave their help wherever it was needed, as registration days are so busy and their help makes everything run smoothly and cuts down the waiting time for you parents.

Hope to see you all back in 1985 - Don't forget Registration Days..... Sunday 3rd and 10th Feb. 9am - 1pm....Players U/10 upwards must sign the forms themselves - U/6-U/9 parents only need to sign forms.

TEAM REPORTS

Under 6A: Sorry I missed last months Tiger Tales, as July was by far the biggest month the "Tiger Cubs" have had. On the 15th of July the Central Coast had an opportunity to receive a free soccer lesson when these boys won the U/6 knockout. This mighty feat was accomplished without conceding a single goal or corner kick. Once again, well done team.

At the time of writing this report there is two games left, however until now the team is undefeated, with our goal never having been entered.

Even though this team plays as a team, I would like to take this opportunity to introduce the boys individually, (in rough numerical order).

- CRAIG STEWART - always ready to keep his goal intact.
- CRAIG HEGGI - although small in height, he is a giant in heart.
- STUART MURRAY - fastest fullback with ball skill in the game.
- CHRISTOPHER MAGRI - alert and solid in midfield.
- DAVID ELVY - "the rock" solid in defence, dynamite in attack.
- ANDREW FREEMAN - great midfielder and solid back up goalkeeper.
- NATHAN SARGANT - devastating in his runs up the wing.
- RYAN BUSH - plays well in every position on the field.
- CLAYTON JONES - scores plenty of goals from listening and thinking.
- MICHAEL POST - great centre forward, I wish he played 1st grade.
- DREW JAGER - has the ability to score from anywhere on the field and does so regularly.
- STEVE NOLAN - robust forward or midfield a great great asset to any side.
- RICHARD MAGRI - (coach) Frank Arok (Aust.coach) look out!
- LINDSEY FREEMAN (assist.coach) mild mannered and persuasive.

Finally, thank you to all the Mums, Dads and supporters for making 1984 a great season.

MANAGER...GLEN STEWART.

Under 6B: The results for the last month were:-

Versus Umina 6-0, goal scorers, Stephen Burns 1, Adam Burdon 1, Kieran Casey 3, Eden Burling 1.

Versus K.umber 6-0, goal scorers, Stephen Phillips 1, Adam Burdon 1, Phillip Buchanan 1, Kieran Casey 1, Grant Paull 1, Chris Camage 1.

Versus Ettalong 6-0, goal scorers, Stephen Burns 1, Kieran Casey 1, Eden Burling 2, Jason McBain 1, Grant Paull 1.

This being the last report for the year it is pleaseing to state that all the boys have made substantial improvement during the year. I have been extremely impressed with the attitude of the team to the tasks that they have been set. To complete the report a couple of statistics to illustrate how successful the year has been:-

- a) We have played eleven games winning the last ten.
- b) We have had one goal scored against us while we have scored sixty five.

I would like to thank all the parents for their help and assistance over the year and especially to the manager of the team, John Burns.

I have had the unenviabl task of choosing the player of the year and the most improved player. I wish all the boys could have figured in

TEAM REPORTS

(cont)

Under 6B cont: in one or both of these categories but this was unfortunately impossible, therefore, we have as our Player of the Year EDEN BURLING and our Most Improved KIERAN CASEY.

COACH.. GARY BUCHANAN

Under 7A: Well another season is drawing to a close and this years as before has been very successful. The team has won 8 games, drawn 6 games and lost only 1, scoring 27 goals and conceding just 3 goals.

The new boys in this years team, Michael Kennedy, Daniel Spencer, Michael Buchanan, Mark Drennan and Ben Geeson have all played well up to A grade standard and with a good rate of improvement throughout the season.

However, this years awards come from the boys who have played previously with the team, Justin Anders, Adam Coulter, Keenan Field, Ben Lyons, Peter Miller, Jason Magri, David McGarvey and Justin Nixon.

Ben Lyons received the MOST IMPROVED AWARD for his steady rate of improvement all season. Ben has settled in as left back and recently has played outstanding games in that position, well done Ben.

Keenan Field receives the PLAYER OF THE YEAR AWARD for his enthusiasm all season and a good display of skills in all games. Well done Keenan.

Both these awards were closely contested but as is usual in most seasons the player who attends most games gives himself more chance of gaining points in any awards.

Undoubtably the highlight of our season was the winning of the UNDER 7 KNOCKOUT. Playing 4 games to defeat Gosford 2-0, Woy Woy 1-0, Davistown 2-0 and Kanwal 1-0 in a thrilling final. The team scored 6 goals for an 0 against with 5 different boys scoring the goals, Jason Magri, Marc Drennan, Peter Miller, Michael Buchanan and Juston Anders 2 goals. Good performances were produced by the entire team but surely the outstanding player of the KO was Justin Anders.

Well now its time to thank all the people who have helped make this a very enjoyable season.

Thanks to all the Moms and Dads for their terrific support of the team and of me as coach. Thanks to both my managers Stuart Geeson, February to June and Paul Nixon June to September. I'm sure that without the work done by Stuart and Paul a soccer season would indeed be very long and hard. Thanks to the Dads who helped out at training in particular John Anders and Stuart Geeson. Thanks to my wife, Thea, for supporting me all season and running the team when I was not available and not to forget my older son, Connel, for helping at training. It is a distinct advantage having someone who can show the little kids exactly what I am trying to teach.

Finally thanks to all the team members for listening and learning all season and producing the results on the field. I hope you all enjoyed your season and play again next year for the top club on the coast.

COACH. STEVE FIELD.

Under 7B1: The team has still one more match to play and that is Gosford on Saturday 25th. So far this season the boys have had 2 losses, 3 draws and the rest were wins. At the beginning of the season the two coaches, Raymond Walker and Matthew Burgess were raw recruits at training. During the season both boys have worked hard with the team and welded them into a fighting unit. Some of the 7B1's had played last year, others were mere beginners, but either way by the end of the season they could play soccer. Player of the Year was a very hard decision with many boys scoring points including:- Daniel Curtis

Under 7B1 cont: Craig Clucas, Kristen Butler, Sven Aaso, Ben Roberts, Chris Large and Kurt Wheeler, but after the final addition the boy in front was THOR AASO. During the season many boys were seen to make marked improvement in their game, such players as Mark Petersen, Brenden Gordon, Adam Jackson, David Johnston. The most improved player being ELLIOT COX.

The coaches and manager would like to take this opportunity to thank the parents for their support and encouragement throughout the season. Without the assistance of parents our job would be very difficult.

Lastly, thank you to the team 7B1's, for being such good sportsman and ambassadors of soccer for Wyoming.

Looking forward to seeing you all in 1985.

MANAGER JUDITH BURGESS

Under 7B2: 4.8.84 versus Gosford. Boys tried very hard and were the better team on the day but just could not put the ball in the net. Matthew Relf having his best game of the season, Cris Orpin and Nich Klein playing good games. Well done. 11.8.84. versus Davistown. All played hard but could have scored more goals but good games from, M.Relf, S.Frazer, C.Smith, B.Hodgson. Some of the boys need to get more involved in the game. 18.8.84. versus Terrigal. All played well but could not score against Terrigal. Greg Griffiths had a great game in goals and the goals were not his own fault. Thanks boys for the full effort through the year.

Congratulations to SCOTT FRAZER for winning Player of the Year and MATTHEW RELF for winning Most Improved.

COACH. PETER FORTUNE

Under 8A1: 4.8.84. versus UMINA. Won 1:0. Once again our defence remained solid, while the mid-field played their part in keeping Umina in their half most of the time. Unfortunately our forwards had trouble trying to put the ball in the net. Outstanding players were STUART FORTIER, ADAM MORRIS, MICHAEL MCGARVEY. Goal Scorer ADAM MORRIS. 11.8.84. versus DAVISTOWN Won 2:0. This was a far more exciting game than the previous encounter of these two sides and definitely better than the Umina game. Our boys took the lead early in the first half when CHRIS McCOSKER scored with a high kick taken just inside Davistown's half. All the action was with our mid-field and forwards, while the backs and keeper had a quiet game. GRANT BAILEY was prominent in defence, with STUART FORTIER and BRAD HAM outstanding in mid-field. BRADLEY KIRK with good support from BLAKE PAULL played their forward roles correctly. Goal Scorers were BRADLEY KIRK 1 and CHRIS McCOSKER 1. 18.8.84. versus ETTALONG. 1:1 Draw. This was not one of the boys better games for the season. Boot and ball did not seem to connect very well at all, combined with some very aggressive play by Ettalong, something boys you are going to come across from some teams right through your days with soccer. Fortunately our equalising goal came from a free kick taken by CHRIS McCOSKER, saved the day just before full time. Good work from ROBERT MATTHEWS playing well in goals to save a number of attempts from Ettalong to score.

This has been a very successful year for the team being: GRANT BAILEY, STUART FORTIER, BRAD HAM, SCOTT JAMES, BRADLEY KIRK, CHRIS McCOSTER, MARK MITCHELL, KIRK MERCER, MICHAEL MCGARVEY, ADAM MORRIS, ROBERT MATTHEWS, BLAKE PAULL, SEAN RYAN. For the competition to date the boys have scored 35 goals while conceding only 5 goals. The boys were able to reach this height of success by playing as a unit. Although the team had its stars that stood out with their style of play, the boys all played their roles in the teams successes. Each boy had a very special part to play, no matter what their position was on the field.

Under 8A1 cont: Congratulations to all the boys for their efforts in trying so hard to give of their best. All parents are very proud of all your achievements. Coach and Manager would like to wish you boys every success and most of all enjoyment in your future soccer games. Well done boys.

I would like to take this opportunity to thank all parents for their help and co-operation in supporting the team during the season. It is very important where possible to give the boys as much support as you can.

On behalf of all parents and boys I would like to extend our thanks to Coach Malcolm Moffat for all the work he has put into the team. We are all appreciative of his ability to extract that hidden talent out of the boys and conveying to the boys those extra skills from his years of experience. Thanks Malcolm and now that the season is over you have time to rest those bruised shins of yours.

MANAGER. NEV KIRK.

Under 8A2: Another season is coming to an end. Unfortunately we look as though we finish the same way we started with three losses. But still as long as everybody enjoyed themselves that what counts.

I would like to take this opportunity to thank all the players. For their effort throughout the year and the parents for all the support. I would also like to thank my manager, Bob Kavanagh for a terrific job he has done all season.

On a closing note.....All the best boys and with a bit more dedication to go with the ability I know you all have the club will have some good players coming through the ranks in the future.

COACH. TERRY JONES

Under 8B2:11.8.84. versus Davistown 0-2 Loss. This was a game we thought that we could have won, however, it was not to be. Best players for the day were Grant Walker, Steven Graham and Wade Snashall. 18.8.84. versus Terrigal 1, 0-3 Loss. It was a change for us to play on the dry top field. Best players on the day were David Edwards, Wade Snashall, Daniel Bootland and Steven Graham.

Even though our record for the season doesn't show anything startling the whole team has improved. We started with only 4 boys who could kick a ball so most of them have learnt atleast that much. The team started to play better in the second round and are playing so much better now that it is a pity the season has to end.

Thank you to our manager, Mr. Bootland and to all parents for supporting the boys both at training and at the games.

The team members are:- Daniel Bootland, James Carter, Glen Dennison, David Edwards, Ben Emery, Adam Hungerford, Steven Graham, Peter Greenwood, Daniel Marsden, Duncan Mitchell, Wade Snashall, Matthew Turpin, and Grant Walker.

Congratulations to STEVEN GRAHAM for winning Player of the Year, and WADE SNASHALL for winning Most Improved which was a highly contested award with a number of players showing improvement.

COACHES. STEPHEN SMITH & GARY FROST

Under 9A: 29.7.84. KNOCKOUT AT UMINA. In the first game we had a convincing 6-0 win against Gosford with goals from Simon Nash (2), Graham Wilson (2), Paul Merryweather and Brendon Napier. The second game against Sydney side Saints United resulted in a 1-0 loss in a game in which we made all the running but couldn't get the ball in

Under 9A cont: the net. 4.8.84. versus Umina 2-2 Draw. A very exciting game with good end to end play, we went two down in the first half and despite many chances stayed that way until two minutes from full time. Two goals from Simon Nash and Robbie Ross in the space of 30 seconds made it level. 11.8.84. versus Davistown Won 2-0. A good win against a strong Davistown team. The strong wind made passing difficult but the whole team played well with two good goals from Robbie Ross making the difference. 18.8.84. versus Ettalong Won 5-0. The boys took a long time to settle down in this game and led by only 1-0 at half time with a goal from Daniel Cunningham. The second half was a different story with the Ettalong goal under constant attack. Further goals came from Paul Merryweather, Mathew Wilkie and Simon Nash (2). With one game remaining the results for the season are: Played 15, Won 12 Drew 2 Lost 1 goals for 51 goals against 8.

This record indicates how successful a season this has been. All of the boys have contributed to this success as the reason for it is teamwork. Naturally the forwards gain most notice as they score the goals and 51 in 15 games is good shooting but they cannot score without support from the midfield players and if the defence concedes goals the forwards need to score more. All players have played an equal part in the teams success.

The regular forwards DANIEL CUNNINGHAM (14), SIMON NASH (11), ROBBIE ROSS (9), PAUL MERRYWEATHER (5), BRENDON NAPIER (4), and WARREN STEPHENSON (3) are working together well and creating many openings for each other. They have been well supported by the midfield trio of LUKE MASON, GRAHAM WILSON (4) and MATHEW WILKIE (1) who have been the powerhouse of the team. The defenders BRETT JAGER, SCOTT MACKETT (1), DANILE TURPIN, and DAVID CLARKSON have done exceptionally well to concede only 8 goals. Goalkeeping has been shared in the main by WARREN STEPHENSON and GRAHAM WILSON, we are fortunate to have two such fine keepers. They not only conceded only 8 goals all season but kept a clean sheet in 11 out of 15 games.

To summarise, this season has seen the boys develop from a group of talented individuals into a good soccer Team. This is entirely due to the efforts of coach Eddie Mason and I would on behalf of the parents and boys like to thank him for his dedication. We hope to see as many boys as possible back for an even better season next year.

MANAGER.

Under 9B2: The first game in this report was against Umina and they won 4/1. In this game our boys appeared to be sleepy and not concentrating on the game. Apart from a good goal by Brett Walker, some fine saves by Raymond Mitchell in goals, the rest of the game is best forgotten. On 11/8/84 we played against Wyoming B3 and we won this game 3/0. In the game the boys played up to their ability and the expectations of the coach. At half time the coach moved the whole team around for the fun and experience and all the boys played well. Luke Luffman scored the 3 goals, one of which was very well set up by Jason Lauder who completely fooled the opposition defence. Our second last game for the season was against Davistown and we won 3/1. Again the boys played as well as expected and used the windy conditions well. Thomas Wanner scored the first goal with a fine shot giving the keeper no chance. Brett Walker used the wind with a long throw in which was headed for a goal and Luke Luffman scored the other goal. In a good team effort Peter Ham was solid in defence with Paul Miranda strong in the mid field.

As you read this report we will have played our last game for 1984, which I hope is a win. The boys to date have played 14 games with 6 wins, 1 draw and 7 losses with only two teams having beaten us both meetings. We have scored 24 goals for and have had 26 goals against.

Under 9B2 cont: Congratulations to THOMAS WANNER on being our Player of The Year. Judging was very close all year and the win was well deserved. Congratulations also to JASON LAUDER on being our Most Improved Player, this award was also hard to judge. Congratulations to all the boys for a happy, and at times frustrating years soccer. My thanks to our coach, Ray Hildridge for his guidance and instruction, to the parents for their support and encouragement, and lastly to the Wyoming Club for its assistance.

MANAGER. ED MITCHELL

Under 9B1: 28.7.84. Against Gosford. Beaten by the weather. No game. 4.8.84. Away to Woy Woy. Won 5-0. As the score would indicate it was a decisive win, But! This would have been one of the worst games that the boys have put together this year. Luckily it was against a depleted Woy Woy team who only had 10 players. Everything that had been taught to the boys in the last three years was thrown out the window. After a rousing half time talk by the coach who had one foot over the Skillion and the other on a banana skin by this time, the lads finally took it on themselves to raise a sweat in the last ten minutes and have a go. The goals scored were all from well played team efforts but they were few and far between. Gavin Singh must have left his glasses at home in the first half as he had the ball everywhere but in the net. Shannon did his usual best and it would be nice to see someone help him occasionally. Aaron Hood still plays solidly even on an off day, but it hardly helps when everybody gets in each other way. Try to remember boys that it is easy to play if you don't tackle your own players and make room for each other. Better games ahead and tougher opposition to come fellas. Still after all this, you are playing great soccer and I enjoy coaching responsive and interested boys. 11.8.84. Home to Terrigal 1 Won 1-0. We were relegated to the bottom field again to play the best team in the comp (up until now) and only one word describes the boys performance, 'BRILLIANT' Having been beaten by Terrigal on our last encounter the lads were determined not to let it happen again. To pick the player of the day was nearly impossible as there were eleven of them on the field. Put Grant Richardson in goals for only his second time this year and what a player he is. There was no way he was going to let the ball past him and all the parents were treated to a tremendous display of courage and lightning quick reflexes. Peter Petch finally showed us his ability from last year and it was pleasing to see he has responded to the coaching, his dad must be proud of him after today's display and I can only see him going further ahead now that he has gained his confidence. Our only goal was scored by some tremendous team work from Gavin Gray to Darren Goy to Ryan Collins who ran the ball up to Gavin Singh with a beautifully timed pass and Gavin slipped past the defence for a good team goal. The page could be filled with superlatives to describe the boys effort today. Once again a game well played and keep it up lads because you all have tremendous talent and we'll be with you again next year in under 10's. Goals for 52, Goals against 11. 18.8.84 Away to Umina Lost 0-6. Started the game with 9 boys and finished with 10. After last weeks game the boys were probably a bit jaded and went down fighting to a well drilled and hard playing Umina team. But enough of that, this being the last report for 1984, I would like thank all the Mums and Dads for their solid support and undying devotion to the boys and their coach. It has been a pleasure to be associated with the boys and their parents for what has been our best year yet. 13 games to date for 10 wins, 2 losses 1 draw with goals 52 for and 17 against. Our goal scorers were G.Singh 15, A.Hood 10, C.Hoffman 10, R.Collins 7, D.Blair 5, S.Hall 2, D.Goy 1, G.Richardson and S.Clucas 1. As you can see the forwards scored plenty of goals which indicates that the backs and midfielders were doing their jobs well. Our only problem during the year was to find a goal keeper, as nobody wanted the job, but Grant Richardson filled the spot for us lately and I am sure his Mum and Dad are as proud of him as I am for his courage and ability. Everybody gave his best each week and also attended training regularly and it showed in the improvement of their skills.

To pick the "Most Improved" player of the year was very difficult with so many boys showing so much ability week after week but it is my pleasure to announce that this award was won by a very deserving, DARREN BLAIR, well done Darren. The "Player of the Year was just as

Under 9B1 cont: close until the last couple of games but a bit of extra effort gave this award to GAVIN SINGH who with a lof of feed from the midfielders and his forward teammates managed to have a strong game all great, well done Gavin.

When looking back through the year I must not forget the rock like defence of Shannon Hutton and Gavin Gray, also Peter Petch who showed us towards the end of the season that he hasn't forgotten any of last years ability. To say I am pleased with the boys effort as a team would be an understatement.

See you all again next year in Under 10's.

COACH. BARRY SINGH

Under 8B1: Three matches this month have all been action packed and a joy to watch. 4.8.84. verses ETTALONG RESULT LOSS 2-1. This was our third meeting with Ettalong, the only team to beat us so far. The team went into the game with fire in their eyes, and gave Ettalong the fright of their lives. Trevor Fortune scored the only goal, and the scores were locked at 1 all for quite some time. Matthew Sainsbury was the man of the match with excellent work in goal. Scott Medford defended valiantly for the full match, and Ben Noble played well in mid-field. Dean Turner attacked every chance he got, putting Ettalongs defence to the test. Our goal was the only one scored against Ettalong this season, so I think we can be proud of the effort. 11.8.48 versus GOSFORD RESULT NIL ALL. A fast match with some close misses by both sides. Phillip Hopkins and Martin Jackson both played excellently on the left side - another good combination! Ben Moore, Tony Bolcina and Martin Standfield were all impressive. Trevor Fortune had a good game despite a few hard knocks. 18.8.84 versus TERRIGAL RESULT WON 6-1. Goals everywhere today - two each for Andrew Hay and Phillip Hopkins and one each for Ben Noble and Dean Turner. The match was characterised by the many attacks towards the goal. Ben Noble took about eight corners in quick succession before floating one through. Daniel Morrison played well in the mid-field while Daniel Hayden had one of his best games of the season in the backs. Andrew Hay cut the oppositions defence to ribbons, with his fast attacks up the centre resulting in two goals. Phillip Hopkins was the happiest player of the field. After spending a lot of the season just missing out, he came good with a vengeance, slicing in two very good goals.

And now for an end of season round-up of all the team, a work from the coach.....

Matthew Sainsbury - Goalkeeper: Matthew surprised everyone this year by wanting to be keeper. Last season he won the most improved award for the U7B as a midfielder, but showed his versatility this season in goals. Good reflexes, timing and the ability to come off his line made him one of the best keepers in the USB comp.

Ben Moore - Back: Comparing with last year, Ben has improved immensely. Though he doesn't have a strong kick, his positional play and his tackling have been a great asset to the defense. Ben now concentrates on football for the whole game which is obvious by his improvement.

Daniel Hayden - Back: Daniels first year with the team. Initially a bit ball shy, as would be expected, he tended to hold off from tackling, but the last few matches he put it all together and played well. Daniel has a good strong kick and will do well in the future.

Scott Medford - Back: Scott is another player who has improved greatly since last season. His good positional play and strong kicking, more than made up for his lack of speed. Scott is not afraid to tackle and regularly stopped good attacks by the opposition.

Tony Bolcina - Midfield: Tony was the Mr. Versatility of the team. He was asked to play as a back, midfielder and wing, and always did well. Tony tackles well, has good positional play, and a strong kick, but he must learn to concentrate for the whole game.

TEAM REPORTS

Under 8B1 ccnt:

Martin Jackson - Midfield: For his first year at football, Martin showed great promise. He has excellent ball control, not afraid to tackle, a good strong kick and total concentration during the game. He only has to learn to pass the ball more, and watch his positional play and he could go far. The look on his face when he scored his first goal against Wyoming 8B2 was worth seeing.

Daniel Morrison - Midfield: It took us a couple of matches to find Daniel's best position but it was worth while when we did. Daniel has excellent ball control, but is still a bit shy in tackling. He must try to pass the ball a bit more rather than to beat "just one more man", but his combination with Trevor Fortune on the wing, lead to many goals for the team.

Ben Noble - Midfield: Ben is probably the most consistent player in the team. He has good ball skills, a strong kick and good positional play. It is fair to say that when Ben played well, so did the team. At this stage Ben must forget the fancy kicks and concentrate on basics. Ben showed everyone how corner kicks should be taken.

Phillip Hopkins - Wing: One of the fastest boys in the side, Phillip became one of the stars of the side. His first two goals against Terrigal 11 were great efforts. A bit shy to start with, Phillip soon joined in and showed good ball control and a strong kick. Add these to his speed and he became a danger to any defense.

Martin Stanfield - Wing: Martin didn't get to enough games in the season to make the impact I think he could have. Martin is very quick, with good ball control. He needs more match play to improve his positional play.

Trevor Fortune - Wing: Trevor surprised me this year with his efforts. He tackled hard, showed excellent ball control and earned his goals. His best attribute, as a winger, was his unselfishness with the ball. Our two forwards who between them scored more than 20 goals, owe many of them to Trevor's crosses. His goal against Davistown would have been worth the price of admission if they had charged.

Andrew Hay - Forward: Andrew has everything going for him. He is big, fast, has good ball control and a good shot. Against this he must learn to look for other members of the team to pass to, and not try to use his size too much. Towards the end of the season though, he did try to play as part of a team and pass the ball more. If he can just treat training a bit more seriously he could go far.

Dean Turner - Forward: I called Dean the "professional" last season, and I believe that still stands. I honestly believe he talks, thinks, sleeps and eats just for football. Dean has speed, excellent ball control, good positional play, and Dean scored 12 goals before the season was over, and was unlucky with at least another 12. If he keeps at it there should be nothing he cannot attain at soccer.

My thanks to: Peter Morrison, the manager for his efforts during the season.

- : Alex Noble, the assistant coach for the help at practice.
- : The Mums for the washing of shirts.
- : Gary Hayden the water boy.
- : The Dads for holding their mouths when they might have thought their son shouldn't be playing in that position.

COACH. DAVE FORTUNE

TEAM REPORTS
(cont)

Under 9B3: After showing signs of improvement in recent weeks, the boys have lapsed into that lethargic attitude which marked the early part of the season. With a few notable exceptions, they have shown little application or determination, and have consequently been well beaten in their last two matches.

Versus Wyoming (2) 0-3 Loss. All goals were scored in the first half and only some charitable positional changes by the B2 coach saved us from a real drubbing. Best for us were Andrew Kennedy on the left wing and Andrew Smith in midfield. Versus Gosford, 0-2 Loss. Probably the team's worst performance of the season, and the less said about it the better. Only Troy Smith and Colin McCrone showed any semblance of form.

Looking at the season as a whole, despite their lack of success, played 13, Won 1, Lost 12 most of the boys seem to have enjoyed themselves, at the same time have acquired a few more soccer skills, and most importantly, gained a greater appreciation of the teamwork and sportsmanship required to succeed at the game. A number of players improved considerably during the year, but non quite as dramatically as Troy Smith, the winner of the Most Improved player trophy. Well done Troy.

Congratulations also to Colin McCrone, whose keenness and enthusiasm has earned him the Player of the Year trophy.

Finally, a special vote of thanks to all those parents who gave both the team, and Garry and I, their whole-hearted and uncritical support throughout the year. It has been much appreciated.

MANAGER, ALISTER KENNEDY.

TEAM REPORTS

Under 10A: I could have not wished for anything more from the boys this year. To reach the Grand final and be beaten by a well drilled team in the second lot of extra time is by no means a disgrace. The boys played the game exactly the way it was planned. They followed every instruction to the letter and as well gave their 110% all game - even when the goal was scored to break the dead lock with 7 minutes remaining the team lifted their game and gave the Premiers the fright of their lives. Although most of the game was played in Wyomings half the defence never faltered and it took one of the best headed goals of the season to decide the eventual winners. Well done boys you are a tribute to the Club, your parents and ofcourse yourselves.

I took this team at the beginning of the season to educate the boys in the basics of the game and provide a basis or foundation for their eventual climb to senior ranks. I was amazed by the end of season just how much they had learnt and obviously all the work and sometimes frustration, which all coaches experience, had paid off - not necessarily with a win but definitely on the positive side. I am surprised at their ability to change their style of play, to meet a challenge and to discipline themselves to provide balance and support to the rest of the team.

The year over on the whole provided both highs and lows for the team. The highlights revolve around the games against Umina with a 3/0 win in the 2nd round of the competition proper and a 1/0 win in the major semi and ofcourse the 1/0 loss in the Grand final. Another outstanding game was the 8/1 win against The Entrance which really gave me inspiration for many weeks after.

The disappointments were few but again revolve around Umina, when they trounced a disorganised side in the first round 6/1. From that moment on I concentrated the tactics and style of play to combat the class of the Umina side. I suppose you could say that was a turning point of the season with every game getting closer to the final encounter.

The Player of the Year is Conrad Strachan - with unbelievable skills, discipline, ball sense and anticipation. I believe he has a bright future in the game - it must run in the family - well at least, the boys - maybe not, Dad! I could rave on about the boy for weeks but the editor said that I'd already gone over the word limit so I conclude in congratulations to Conrad for a fine season.

Just behind Conrad in skills etc are Brett Woods, Stuart McAteer, Nigel Forster, Daniel Wilson who all have natural ability to burn.

Other players ^{with} equal ability who balanced the side with their individual strength are Ryan Marshall, Daniel Bembrick, Glen Durie, Phillip Rutherford, David Hildridge, Michael Luibinskis, Troy Brown and Craig Morgan.

For Most Improved Player of the Year, I have selected Phillip Rutherford who with a change of position this season to 'sweeper' has shown a great sense of anticipation and judgement. Not necessarily the fittest or fastest he certainly uses his ability to read the game to his advantage - to bridge the gap between more experienced opponents.

Thanks must go to Peter Frost (Manager), Terry Forster (Training Ass) and Norm Woods (1st aid) for your assistance and ofcourse the parents and spectators for their support and patience.

In conclusion I would like to thank the boys for their attention and the memories of an enjoyable season and hope to see you next year - if you'll have me.

COACH...KEVIN BEST

Under 10B: 4/8/84 versus TOUKELY 2-0 Playing after a break does not suit our Boys for they started off in a very bad frame of mind and only wanted to walk around the ground. With a gentle coaxing from a "hoarse" coach and a great goal from Kieron Chambers (I have spelt it correctly this time Kieron) the boys put their game together and finished playing the game the way we expect and know they can. Great determined running up front by Troy Cocks, Brad Phillips and David Maryska with David Lindsay playing a very hard working game. Andrew Sainsbury played a terrific game in goal and a second half on the field, scoring a good goal with great runs up the field. Congratulations to all boys for the team work shown today with good control of the ball and some clever heading.

11/8/84 versus WYONG 6-0. A game always controlled by the boys with good ball control shown by most boys and good running up front by our strikers, Kieron again scored one of those goals that I keep telling him are nearly impossible. Paul Cully enjoyed his move to the midfield, scoring an excellent goal and David Maryska and Adam Mackett took credit with a duel kick for another. Although only just recovering from the flu, Andrew Sainsbury insisted on playing and he too scored a good goal. It is an example of the Team Spirit that all the boys are very reluctant to miss a game. I believe that you boys are playing as a Team with good passing and I am glad to say always looking for a team mate to keep the game flowing. Brad Campbell had another good game, I think the mud and rain bring out the best in him. Keep playing with as much enthusiasm and determination as you have shown in the past weeks and we can look forward to the Semi's.

18/8/84 versus ETTALONG 2-0. A game played against a much improved Ettalong Side who were constantly beating us to the ball and sent us to half time at Nil all. Thankfully the boys woke up in the second half and played more of the kind of soccer we know they can. Adam Mackett absolutely dazzeled all who watched with brilliant ball control up the side line. Brad Campbell continued to defy death by challenging all and sundry no matter how big or small and really used his head in more ways than one. Excellent wing play by Troy Cocks has become expected and he continued to shine in the strikers with determined runs upfront. Well done All Lads for a game well played.

25/8/84 versus KILLARNEY 6-0. What a way to finish a Season by playing at one of the windiest grounds on the Coast, making it very hard for all players to control the ball. All lads played well in the conditions and as a Team scored some great goals. Brad Phillips our ever improving centre forward went one better than a hat trick with a very well deserved four goals, scored by determined running and good positional play. Kieron Chambers again kept the play going our way with his usual long well placed kicks. Well Done Boys on Another Well Played Game.

Special Congratulations to The Team for making the Semi-Finals.

For the Record let me sum up our Season:

Played 16 Games, Winning 11, Losing 4 and Drawing 1, with 2 Washouts. The Boys scored 43 goals and had 9 against which I think is Absolutely Brilliant. Congratulations to "Our Boys" - Captain: Kieron Chambers, our hard working Backs: Andrew Smith, Paul Cully, David Lindsay, our well positioned Halfs: Kurt Snashall, Brad Campbell, Adam Mackett, our determined strikers: Troy Cocks, Brad Phillips and David Maryska and special mention to our unreplacable Goalkeepers? Andrew Sainsbury and Wayne Jones.

Its every Coaches Dream to be able to play his players in any position and replace any player without worrying about a weak line, I have had this luxury, Boys for your attention at training and all your efforts on the field this year, I THANK YOU.

Under 10B: Semi-Finals Terrigal 1-0. Finishing a Well Deserved third place we travelled to our "Favourite" place Budgewoi. for a Do or Die effort against Terrigal with the loser finished for the Season. The Boys were all much calmer than the Parents and once the whistle blew to start the game they attacked the Opposition and played their best Soccer all Season and how they failed to score in the first half is beyond me as 90% of the Game was played in the Terrigal Half. Goalkeeper Andrew was getting very bored at the other end, which is the way I like it. The Second Half saw the Boys continue to play with all the enthusiasm and determination they could muster. Finally with an early corner kick Kieron Chambers placed the ball into the six metre box and our everpresent Adam Mackett placed the ball into the net, much to the relief of all Wyoming supporters. A game well played by our lads and the score should have been ten-nil instead of one-nil, but who cares. A win is a Win in this knock-out situation.

Final Gosford 1-1. We went into this game again with the threat of being outed if we lose, and the Boys started the game as they did against Terrigal with truck load of enthusiasm and great determination and as we had played Gosford twice this Season with No Luck we felt we were due for a Win. With play mostly in the Gosford half we had a few shots but no luck and then disaster, the linesman on the far side could not see right across the field and allowed a well offside Gosford player take the ball to our goal area with a goal resulting. Down 0-1 at halftime the Boys went onto the field confident they could equalise. I felt the Referee must have had a twinge of conscience as he gave us a penalty and Kieron put the ball past the keeper for a well deserved goal. The Boys continued to play their hearts out and were most unlucky when a shot for goal was unnoticed by the Referee as he blew his full time whistle and the resulting goal was disallowed. I still felt we could win as we seemed to have the better of the play but to no avail as we played two lots of extra time with some very exciting situations for both teams, but no score. Jen and I had watched many games the week before at Fagans Park and wished to see a penalty shoot out. Oh how we rued that wish, for here we were in the Penalty Shootout Situation. Thankfully our Referee made an error in the way he conducted the Shoot-out and after losing this shoot-out our protest of the same boys taking the second lot of penalties was upheld.

Gosford 1-1. Two Teams could not have played so much Football and be so very even, with all boys on the field playing very entertaining football. Adam Mackett was again our saviour when he scored a great header goal and I felt it was all over but unfortunately a defensive error allowed Gosford to equalise. I would like to thank the boys who faced the pressure of taking our penalty kicks and especially our brilliant Goalkeeper Andrew Sainsbury who although not getting a touch of the ball in the first game, excelled with some excellent match winning saves in the second. I felt very sorry for the Gosford players but our Lads had played their hearts out for three matches and deserved every chance they could get.

Grand Final Budgewoi 2-1. A Brilliant Effort By All on the field and a game I knew we could win if only given a fair go. (an Official Referee). Kieron again scored his usual goal with a well directed and well kicked Free Kick. Unfortunately I underestimated the speed of the Budgewoi centre forward and rushed our lads too far up in attack and when the chance presented itself they out sprinted our backs and scored a good goal, much to our Boys credit they did not become down-hearted but continued to fight for the ball and our efforts were rewarded in the second half when Kieron with his much taken for granted accurate and strong kick found the head of Troy Cocks with our best goal of the season, resulting in a Match Winner.

Special thanks to all parents from Mark and I for your great support during the finals, the boys appreciated all your enthusiasm on the sidelines. All boys should feel very proud of their efforts as the 10B's were the only team to go the Grand Finals and Win.

Under 10B (cont) Again Congratulations, Boys for a fine effort all season and for taking the hard road in the finals and proving your courage and ability in being Premiers for 1984.

I would like to thank all Parents for their support of the boys through out the season, especially as they have supported the team as a whole and responded as much to that support as responding to our coaching. Special Thanks to Peter Maryska for his help during the Season.

As you know each week we award Players Points for the "Best and Fairest" Player of the Year and I can assure you that on many occasions I have had much difficulty trying to distinguish players deserving of these points. All boys have performed far beyond my expectations and I would like to reward every boy for his efforts this year. However, one lad has shown, throughout the season that something special that lifts him just above the other boys, with good behaviour at training, leadership qualities on the field and instilling confidence in his team mates: Congratulations then to I think, our much deserved "Player of the Year" Kieron Chambers.

Our second award of the "Most Improved" Player of the Year caused me great anguish and many sleepless nights as again all boys have improved greatly, but a choice must be made. Congratulations to a lad who has improved greatly, with excellent ball control, calm in defence, determination in his play together with much improved positional play, Kurt Snashall.

COACH WARREN SNASHALL

Under 10C2: 4.8.84 versus Berkeley Vale 1-1 Draw with P.Gallagher being the goal scorer. 11.8.84 versus Umina 0-5 Loss, 18.8.84 versus The Entrance 0-1 Loss. 25.8.84 versus 10C1 0-0 Draw. 8.9.84 versus Berkeley Vale (semi? 1-3 Loss with B.Elvy scoring the goal.

Stars of the Month, R.McCosker who has shown excellent tackling skills. A.Moore who has lifted his work rate considerably in the midfield. P.Gallagher who positions himself well in the box to score in his teams last 2 matches. B.Elvey has improved his ability to beat his man when playing right wing. Barry has listened to advice given by the coach and some of his crosses against Berkeley Vale were top class. K.Doolan has tried hard in the right midfield position. He has improved his skills in dribbling passing and sidestepping around an opponent. R.Hay as our centre striker Robert has played his position with confidence during the year. A little more aggression in his attacking skills will see improve even more. A.Noble, Alex has played in the centre back role for most of the year. He has been a very solid defender who possesses an excellent long high kick in both attack and defence. Highlight of the month was an exciting came back against Berkeley Vale. After being down 1-0 at half time the boys had 3 shots for goal until the equaliser finally went in. The coaches advice to the team...some players are still not tackling the player on the run with the ball. Be more determined in your tackling. Humorous incident of the month occurred when after the referee had blown full time against the Berkeley game, Scott Thompson just happened to fall in the only patch of mud on the ground. Scott, claimed he was pushed, which was a bit hard to explain to his parents, who weren't impressed.

SEMI-FINAL: Versus Berkeley Vale. Very exciting game in which our boys played extremely well. All the team played to the best of their ability. Gallant in defeat boys!

I must register my resentment at the placement of the Umina side in the C division. They are far too good for every other team except Kincumber who also shouldn't be in C division. Their goals for and against endorses this.

Finally I would like to thank my manager, Neville Kirk for his help during the year. I hope the 10C2's have enjoyed playing soccer in 1984.

COACH MARTIN GALLAGHER

Under 10D: 4.8.84 versus KINCUMBER RESULT 2-1 WIN. Goal Scorers, Scott Andrew, Stephen McGarvey. The boys played a good strong first half. Some lapses in concentration by one or two players allowed the opposition to put us under pressure in the second half. A strong game by goalie Glen Rolls while Chris Cox and Scott Bennett also had good games.

11.8.84. versus KANWAL RESULT 1-1 DRAW. We managed to scrape through this game with a draw. Both sides were evenly matched and we saw plenty of errors from both sides. Best players on the day were John Paul Hallam, Glen Rolls and Scott Bennett. Great to have Michael Frew back after illness.

18.8.84 versus OURIMBAH. NIL ALL DRAW. The boys were unlucky not to win as they played in Ourimbah's Half for most of the game. Drew Purcell, Scott Andrew and Stephen McGarvey kept the pressure on by the Ourimbah goalie made many good saves and denied us the chance to win. All boys tried hard and we cannot ask for more than that.

25.8.84. versus P.M.K. 7-0 LOSS. A disappointing game with our boys making plenty of mistakes and P.M.K. proving far too strong. Drew Purcell held his position and played well while Glen Rolls and Michael Frew also had good games.

MANAGER GREG COX

Under 11A: The team had a successful season culminating in us being runners up to arch rivals Woy Woy.

After being beaten by Woy Woy in the major semi final (1-2) we faced another tough opponent The Entrance in the final. A resounding 3-1 victory put Wyoming into its third consecutive grand final.

In a good match Wyoming had three first half opportunities which were well saved by the 'keeper'. The second half was a reversal and Woy Woy seized their chances to score two good goals.

Wyoming Finished as Minor Premiers chalking up eleven wins, five draws and two losses and scoring 52 goals for with 12 against. I would like to congratulate the boys on their efforts this season and to say what a pleasure it is to be their coach.

A special mention must go to our Manager, Kris Brann who handled the job so well, particularly in my absence.

I would like to thank all the parents who supported the team so well and thanks also to Leon Brown and Graham Smith for taking care of the team during my illness.

I now look forward to renewing our association in 1985.

COACH STEVE CZISZ

Under 11B1: Versus Toukley 4.8.84. 1-0 Win. This was a good effort as there were three boys away. Brett Sanderson who injured his elbow at school, and the other two boys who went away for the weekend. Lucky our under 10's were playing before us. Thanks to those three boys, Bradley Campbell, Wayne Jones and David Lindsay. The boys kept Toukley scoreless in the first half with some very good defence. Our strike force had several chances in the first half but could not score. In the second half the boys had to defend for a long period. With Craig Ross making some good saves in goal. Joel Evans, Adam Clarke and Bradley Place defending superbly. Nicholas Benson played his best game of the season in the forwards. It wasn't until late in the game the Under 10 player David Lindsay made a good break down the left wing and crossed the ball for Karem Malek to score. Well done boys a great effort.

TEAM REPORTS
(cont)

Under 11B1 (cont) Versus Wyong. 11.8.84. 2-2 Draw. Wyong over the last three years have given us a hard game, and this was no different. We went to a lead through a good goal from Nicholas Benson just after the start. But Wyong fought back to 1-1 all at half time. In the second half Kareem Malek scored to give us a 2-1 lead but we gave the game away by letting Wyong score. Our best players were, Joel Evans, Bradley Place and Dale Condon.

Versus Ettalong 18.8.84. Win 2-1. This was a great team effort, the boys attacked and defended as a team. It was very pleasing to see the boys combine so well. Dale Condon scored a good goal from a long way out the bounce beat the goalkeeper. It was not long before Ettalong did the same to us just beating Kurt Burling with the bounce of the ball. In the second half it was all Wyoming with the ball going from player to player with Brett Sanderson (who had just come back from back injury) crossing the ball for Kareem Malek to put the ball in the net. Best players on the day were Dale Condon, Bradley Place and Adam Clarke.

Versus Berkeley Vale 25.8.84. Lost 1-0. We started the game with only 10 players. But thanks to our Under 10B's sending 2 players over from Killarney to make up a team. Our boys defended well against the competition leaders. It was a lucky goal they got in the first half. But we could not find the net although we had the better of play throughout the game. Kurt Snashall from our Under 10B side just missed with a shot at goal. I would like to thank Bradley Campbell and Kurt Snashall for their games that they played, also thanks to you parents and the coach of the Under 10B for the loan of players throughout the year. Our best players today were Joel Evans, Dale Condon and Bradley Place and Adam Clarke at centre back.

Annual Report. When I sat down to write this report I thought three years I have been with these boys and we have finished in fifth spot. It is just like a record. Well this is the way I say the boys performed this year.

Kurt Burling, our goalkeeper, well Kurt you are a good keeper but you must work at being a great goalkeeper you have what it takes.

Joel Evans a fullback, you are a gifted player being able to kick with both feet and able to know what the opponents are going to do.

Mathew Rutherford our other fullback. Mathew you are able to stop attacking moves. Keep trying.

Adam Clarke you are one of very few defending players that can read a game and at centre back you did everything asked of you.

Bradley Place what can I say about you Brad being a very proud parent. You have done everything that your coach and I have asked of you. You are another player who can read a game well.

Dale Condon well what can I say about you sometimes I have to tell you what to do on the field from the sideline. But most of the time you play the game as you see it, well played Dale.

Brendon Price our right winger, with you Brendon you must concentrate for the full game and get into the game at all times chase that loose ball and you will find you will score more goals next year.

Craig Ross -Craig I think you are a better goal keeper than out on the field. When you filled in as goalkeeper you were very good. Keep at it Craig.

Kareem Malek our leading goal scorer, as a striker you had some good games and scored some good goals. But at other times you did not concentrate for the full game.

Under 11B1 (cont)

Daryn Rowland well Daryn when you play the full game right out you were good but you don't do this every game.

Brett Sanderson - Brett is our left winger, who played some great games this year and showed he has what it takes to be a good winger.

Nicholas Benson - we found that Nicholas was a forward and not a back late in the season and you turned in some good games as a forward.

Jon Erikson - Jon you are best as an attacker and not a defender. You played your best games at the end of the season.

This season has been very pleasing for me as manager and assistant to Scott Neilson. I would like to thank all the parents for washing the shirts each week and I would like to thank my wife over the last three years for putting up with me every Saturday. Also thanks to Scott it has been a pleasure to work with you and I think soccer and our Wyoming club will benefit from coaches like yourself, but time has come for me to call it a day, thanks to all the boys I have looked after in the three years with the B division.

MANAGER LES PLACE

11B2: 11.8.84 versus UMINA LOST 2-1. The boys all played well but cannot get the ball in the net. Chris Hughes, Paul Simpson, David Post, Rodney Rathbone, Bjaka Asso and Craig Ferguson were the best players.

18.8.84, versus TOUKLEY LOST 5-2. The boys would not tackle in the first half, Toukley had three goals in a very short time. In the second half the boys started to play better. The best players were Garry Ferguson, Matt Cottier, Stephen Davies, Murray Kilfoyle in the midfield with Paul Gough, Darren Fraser and Dean Wheeler in the forwards.

25.8.84, versus WYONG. WON 2-1. The last game was the best game they played all year, they played as a team and tackled well. The two goals were scored by David Post. Well boys that all for this year I Hope I see you all playing next year.

COACH RAY GOUGH

Under 12A2: 4.8.84, versus Umina Loss 1-3 with Jason Cutts scoring the goal. 11.8.84, versus Davistown Win 1-0, goal being scored by Matthew West. 18.8.84, versus Terrigal Loss 8-0. 25.8.84 versus Woy Woy Loss 2-1 with the goal being scored by Jarrod Moberly.

Stars of the Month is the whole team. A very good effort for the year. Congratulations boys on your first year in the A's.

Highlights of the month, even we lost against Umina it was a game where everyone played quite well. Win to us 1 nil over Davistown. A really good first half. I believe lucky to get the points - the second half. Against Terrigal - as little said about this game the better. Against Woy Woy a game that the boys had in their keeping in the first half when they played very good football.

Thank you boys for a most enjoyable season (coach)

MANAGER BRIAN THOMPSON

Under 12C: 4.8.84, versus Budgewoi Win 7-0 with goals being scored by D.Fabian 2, J.Moreau 2, D.Smith 1, J.Wilkie 1, 1 own goal. 11.8.84, versus Terrigal Loss 3-0. 18.8.84 versus Killarney Loss 3-2 goals being scored by D.Fabian. 25.8.84 versus Terrigal Loss 4-1 goal being scored by D.Smith. 8.9.84 versus Terrigal (semi) loss 1-0.

TEAM REPORTS

(cont)

Under 12C (cont) Stars of the Month, B. Wilkinson for good defensive efforts and great game at keeper against Kanwal. D. Fabian who was always running and full of fight up front.

Highlights of the Month the good win over Budgewoi. Good game against Killarney close but played without luck, could have won. Lost a close semi to Terrigal we were the better side but couldn't put any of the 6 chances away - Terrigal had only 1 and scored.

Coaches advice to the team, defend, get to the ball and get it forward early. No fancy plan in our area - when you get the chance shoot quickly.

Thanks to the parents for the support to the team throughout the season and for their help to me - Well done to the team for a good season and hard work.

COACH ALDO FABIAN

Under 13A: The 13A team this year started off poorly but gradually improved themselves to finish a creditable 4th in the competition.

Our chances of winning the 1984 premiership received a jolt when team captain and left winger Simon Andrew was forced to drop out of the team with a leg injury. Unfortunately the injury was very serious and Simon was not able to play again this season.

The team played some very good soccer to record 8 wins, 1 draw and suffered 7 losses, scoring 25 goals and conceding 23. There were several good players in the team but unfortunately for every boy who wanted to play soccer there was another boy who could not care less. This lack of effort caused a loss of team spirit and the results gained were expected.

However, two players shone out all season with their 100% efforts and displays of good soccer ability, David Bell at centre back and John McGarvey at Striker, Centre half and goalie. Unfortunately there can only be one player of the year and John McGarvey won a closely fought contest. Congratulations to John on his award because John is the ideal player to coach. He has a lot of ability, listens to what the coach is teaching, plays every game the best he can and is always willing to make sacrifices for the teams benefit. Well done John.

After losing our team captain early in the season an on field leader was required and the smallest team member was selected for this role. Stephen Hall not only filled this role with distinction but became the best captain the team has had. Stephen continually encouraged the team on field and was astute with his decisions during the games. Added to this his own play improved with the added responsibility and therefore is worthy recipient of the Most Improved award. Well done Stephen!

Thanks must go to Dennis Hulston for his efforts as manager at games and training. Without efforts like this coaches job is too heavy a load.

Thanks also all the parents for their support during the season. The players appreciate parents who support the team, having sideline support encourages the team to finer efforts.

Thanks to the 3 rep players who supported the team all year, Connel Field, Wayne Liubinskis and Mathew Nash, and lastly thanks to my wife Thea, for putting up with yet another Soccer Season.

COACH STEVE FIELD.

TEAM REPORTS
(cont)

Under 10C1:4.8.84. versus Terrigal Win 4-1 with the goal scorers being Michael Green, David Jacobs, Michael Matthew and an own goal. 11.8.84 versus The Entrance Loss 2-0. 18.8.84 versus Kincumber Loss 3-2 with Michael Matthews and an own goal from Kincumber making the two goals. 25.8.84 versus Wyoming 10C 2 0=0 Draw.

The team now realises to reach the semi-finals we have to win 3 from the next 4 games.

Game against Terrigal Win 4-1. After a slow start and an own the team settled down to some great soccer. Michael Green set the pace with a good goal to get things rolling. Michael Matthews scored a brilliant second goal after a great ball through from Shane Neal. David Jacobs secured the win with the 3rd goal and an own goal from Terrigal gave us a great win. Neal Cox was everywhere and was named man of the match. Duncan Hogg had a great game on the wing and set up many chances with his determined running and tackling. Peter Jacobs came on in the second half carrying an injury and also set up many chances. A great win.

Game against Entrance Loss 2-0. With stars feeling the effects of the dreaded flu our performance in this game was well below our best, Duncan Hogg, The Jacob brothers and Michael Matthews played well. A game we all wished to forget.

Game against Kincumber Loss 3-2. Well this was a true reversal of form. The whole team played the most determined and exciting game of the whole season. If every a coach could feel so proud of 13 players I was, with Kincumber looking like being Minor Premiers we gave them one hell of a scare. We led 2-1 at the break from an own goal and a great goal from the ever present Michael Matthew. The strong wind was against us in the second half we defended to the best of our ability and Kincumber stole the match. It was very hard to pick a man of the match as the whole team (like the Aussie Olympiana) played well above themselves. The captain Neal Cox controlled all facets of play and was named man of the match. David & Peter Jacob, Michael Matthews, Michael Gree, Shannon Young and the little red "terror" Duncan Hogg were brilliant. The parents of these boys must be very proud of the effort. Hope to see you all at the finals.

Game against Wyoming 10C2 Draw 0-0 A 3 nil win in this game would have put us into the semi's but as usual we were again up against strong opposition as was the case all year with this team. We tried as hard as we could in the strong westerly winds but could only manage a draw. The whole team played well and many chances went astray. Michael Green, Derek Mayes, Neal Cox and Duncan Hogg played to their peak as did everyone. We will now have to wait till next year.

As coach of this team a special thanks to all parents who supported myself and Mr. Smith during the year.

The boys gave it everything and we must all be very pleased with their attitude and keenness to improve which showed in the latter part of the year.

Thank you players and parents for an enjoyable year Richard Smith and myself appreciated all your tremendous support.

COACH JOHN HUGHES

TEAM REPORTS
(cont)

Under 14A: Another good year for the team with only 1 loss during the season, a pretty good record. It is pleasing to see all the boys turning out year after year enjoying the game.

This year saw the winning of our 5th Grand Final (Joint) after winning the minor premiership and going straight into the grand final. This game was very even, with no team deserving to lose such an important game. I would like to thank Kevin Best for videoing the match.

Thank you to all the parents for having the boys at each game on time and the support they have given me during the year and to the boys Mark Burgess (captain), Darren Goulding, Chris Krogh, David Lyons, Chris Doe, Matthew Robson, Mark Gallagher, Stephen Gregory, Jason Fernandez, Darren Rutherford, Stephen Smith, Peter Fortune and Phillip Cartner, on the effort they gave this year.

At the time of writing I do not know who has won the Player of the Year award but congratulations as you will have deserved it.

The Most Improved Player was decided on the effort during training, and his attitude to the game and how he performed. Congratulations to David Lyons, you gave 100% every game and at training.

Hope to see most of the boys back for the 1985 season.

COACH GRAHAM SMITH

Under 14B: 11.8.84. versus Terrigal Draw 1-1 with Michael Bourke scoring the goal. 18.8.84 versus Umina Loss 3-0. 25.8.84. versus P.M.K. Loss 3-1 with Mark Brown scoring the goal. The Stars of the month have been Mark Brown, David Birkbeck and Norm Wilson who have all played very well and are improving with every game.

The highlight of the month is the game against Terrigal as we only had 9 players and pulled out a draw.

I would like to thank 2 players from the 13B team for filling in when we needed them, Gary Howard and Darren Pye.

MANAGER JAN BEAUMONT

16A: Once again we went out in the semi finals and what a way to go out of, still the boys can feel very proud of the fact that they gave it their best shot. I do not want to dwell on the last game, but it was heart-breaking to watch so it must have been even harder to be out on the park. I feel that if we had all Sunday games, the season would have finished a lot different but that is the way it goes. I would like to thank the parents of the boys who gave me so much support during the season, I appreciated it greatly. I would like to mention a few of the highlights of the season for me.

The consistency of TIM HALL, who played a most unselfish game and gives everything for the team, KURT JONES whose tireless running was a joy to watch, JASON SCHMIDT, Mr. Versatile who can and did play everywhere, we did not get full value out of Jason because he had to play in goal so much but, like everything he does he did that really well, well done Jason. JAMES ANDERSON who missed a lot of games through work commitments but when he did play he did very well indeed. RAYMOND WALKER (who also had to take a turn in goal) will soon realise his potential and play even better than he did this year, well done Raymond, and well done for playing with the 3rd grade. DEAN GAYFORD who has possibly the best football brain for his age group and the skill to match and has the potential to go far in the game if he puts his mind to it, keep it up Dean.

TEAM REPORTS
(cont)

Under 16A (cont) Mark Denton who just got so much better in each game, it was very pleasing to see a boy who learns and not only learns but uses what he learns well done Mark. Pat Brady, Greg Pryor, without a doubt the best defenders on the Coast and will win many more Rep honours. Pat I always enjoyed because even when on rare occasions he made a mistake he was quick and intelligent enough to put it right and Pat do not let the little incident during the season change your style of play. Greg was for me a special joy to watch because he enjoys the game no matter what the result and with his many skills and great timing is the reason why he is so good. Well done Greg. A very special thank you goes to Peter Fortune and Steve Smith from the 14As there two boys moved into a higher age group with such ease, one does not need to comment on how good they are, well done and thank you boys (and their Parents).

MARK DEMPSEY, TREVOR McDOUGALL, although they play different types of a game they are so alike on the field. Mark the perfect captain because he led his team by example, if we were winning 10-0 or losing 10-0, Mark would still be urging his team on. Mark what-ever sport you stick to you will do well at it. Trevor McDougall with so much to give to a team and gives it all. Although Trevor played half the season in defence, he still finished up our leading goal scorer, he like Mark was not beaten until the final whistle blew, to watch Trev. running and beating players was usually a highlight of a game.

To all the boys I hope that you got a little enjoyment out of the season, remember what I told you, when you stop enjoying it give it up! All the best for the future. I hope some of you will play 19's next year, see you all on the side line.

The Player of the Year was so close, I wish we had 11 Trophies to give to you all, the player who won it did so by 1 Point!!!

COACH TOM WALSH

Under 16B: Semi Final Wyoming versus Killarney District. It was a good effort by all boys to be able to get to the semi finals. In the first 15 minutes Wyoming scored a goal by Jeff Gattenhof which made the score 1 nil at ½ time. In the second half a goal was scored by Killarney District. The fellows had many opportunities to score but unfortunately did not pull off a goal until the last 10 minutes which was scored by Chris Jones. Final score 2-1 Wyoming's way.

Final Wyoming versus Davistown. Both teams were keyed up in the beginning for a very exciting match. Davistown scored early in the first half, it wasn't till late in the second half that Wyoming scored a goal to level at 1 all. They then had to have 10 minutes either way for a final result. In the first 5 minutes the boys played very enthusiastically to score a goal which left us all with our mouths wide open to ecstatic cheer from the boys and the crowd, by Mark Ilitch scored from 50 ft out, hitting the right post and went in. About 2 minutes later the strikers and the rest of the team combined very well to score another goal. Final score 3-1 to Wyoming commendable effort was made by our goalie Darren Goulding to save many opposition goal attempts.

Grand Final Wyoming versus East Gosford. The boys were very excited to have reached the grand final. They were keyed up and played very aggressively through the match. At half time the score was NIL all. In the second half East Gosford scored 2 goals. Our boys scored 1 goal in the last 20 minutes off a direct free kick. A valiant effort by our Wyoming boys was made all through the game and they put everything they had into it and never gave up trying till the last whistle was blown. Another goal was scored by East Gosford bringing the final score to 3-1 East Gosford's way.

LADIES SOCCER

15B: Versus Ocean Beach 15.7.84. Draw 0-0. This was the game the girls all waited for to draw or win a game was very important to these young girls. Toni Condon had another good game in goals. Kylie Witburn and Jane Cox defended very well as the result showed. Nichole Upston once again showed no fear of the size of the Ocean Beach girls with her very solid all round game. Paula Frost, Katherine Johnston and Kylie Durbidge played well in attack.

Versus Berkeley Vale 5.8.84. Loss 4-0. You can't win game with only 10 players. But the girls gave it all they had. With Kylie Whitburn who is improving with every game having a great game at fullback along with Kate Stephens. Nichole Upston only made one mistake and handballed in the goal mouth. The score should have been 2 nil only for two penalties the girls gave away.

Versus Killarney 12.8.84. Loss 3-0. For the first time we had a replacement. It was a good feeling to have a reserve. Killarney were lucky to score their goal in the first half with Toni Condon in goals saving some good shots and Jane Cox, Kylie Whitburn and Nicole Upston preventing Killarney from scoring. In the second half Nichole pulled a muscle in her leg and wasn't her usual self in defence and this allowed Killarney to score two more goals. Katherine Johnston, Paula Frost all tried hard but they didn't have the pace to match the much bigger girls.

Versus Wyoming A's 19.8.84. Loss 7-0. This is why our number one side are minor premiers. They were just too big and strong for our girls. But they never stopped trying. Nichole Upston never gives up she has unbelievable talents. Katherine Johnston and Kylie Whitburn, Kate Stephens, Kirsty Inness are all playing above the age. Toni Condon had a good first half in goals and then made some good runs and long kicks out in the field in the second half.

Versus Ocean Beach 26.8.84. 1-1 Draw. With only 8 players and Ocean Beach had 11 and used 2 replacements, this was a remarkable game from our girls who scored their first goal. Toni Condon once again in goals. Jane Cox and Kylie Whitburn at fullback, Nichole Upston and Katherine Johnston in the midfield, Karina Barths, Paula Frost and Kylie Durbidge in the forwards. Paula Frost had her best game of the year when from a throw in near the half way line she kicked the ball around the Ocean Beach players to Kylie Durbidge who outpaced the opponents and beat the goalkeeper to score. Well done girls.

7-a-side Knockout 2.9.84. Versus Ocean Beach Loss 2-0. We got knocked out in our first game. The girls had their chances but just couldn't finish off their moves. Thanks to all the girls who played.

Annual Report: Toni Condon. Toni who plays mostly goalkeeper and is very good at this position, she can also play fullback.

Jane Cox. - who played goalkeeper also, but played fullback. She can play both positions very well. Kylie Whitburn. Kylie who plays fullback and for her age showed no fear of the bigger girls that she had to cope with, she improved with every game. Kate Stephens also plays fullback or midfield another girl who will be a lot better next year. Just keep trying Kate and it will come together for you. Kirsty Innes. Kirsty played mostly midfield, you must concentrate for the full game. But once again keep trying. Kylie Durbidge. Kylie was our only goal scorer, and right winger, another girl who has showed a lot of improvement. Katherine Johnston. Katherine can play forwards or back and for your size and age Katherine you showed you have what it takes to become a good soccer player. Paula Frost. Paula started off a bit slow but she left her best games for the end of the year. Keep at it Paula, you will show out next year. Karina Barths. Karins you must concentrate, and chase that ball at all times. But you are only young so you have plenty of time ahead of you. Katelyn Krogh. You showed you can handle the left wing very well and you also will be a better player next year. Adana Wade. You only played a few games and you also got

Under 15B(cont) long way to go as you are only very young but keep practicing at kicking a ball at home. Nichole Upston. Well Nichole you were made captain of the side because you lead by example. Nichole can play anywhere on the field. This gifted player is one of very few that could handle any position on the field. You served your team best at a centre back. She has unbelievable pace for a girl of your age. As your coach I think you have a big future as a lady soccer player. Alison Metcalf - who was injured and missed most of the season, and I did not see you play, hoping to see you next year.

I would like to take this chance to thank all parents for coming to the games and also doing the washing of the shirts each week. It has been a pleasure to have your company and I have enjoyed the coaching of your daughters very much.

All being well I hope to be back to coach them in 1985. Once again thanks to all who helped me out from time to time.

COACH LES PLACE

ALL AGE: This season was the best ever for the All Age Ladies as they made it through to the final only to be halted there. As per usual at the beginning of each season our squad had been drastically cut with only 4 of the 1983 team returning. An influx of tried and new players saw us start with an eager but unproven squad. During the season the girls made great progress and built up a good understanding which enabled them to make the semi-finals. They then beat Killarney 5-1 in their semi but were then beaten by Woy Woy 4-2 in the final under controversial circumstances.

The girls earned their rewards this year by listening and learning at each training session and playing games each weekend. It is hoped every girl will return to the club next year so that we can start early on the trail of the first All Age Ladies title for the club.

A mighty big thank you to every girl from your coach and manager for a most exciting and enjoyable season. See you all in 1985.

MANAGER NORM FATHERS

16B REPORT CONT

Congratulations to all boys for reaching the grand final standard. Thanks go to Norm Woods for helping with the training and to Peter Chambers for coming forward as manager. Thanks to all our faithful supporters for cheering us on to grand final standard.

Under 19:5.8.84. versus Davistown Draw 2-2 With the goal scorers being R. Ilitch, and D. Vichery. 12.8.84. versus Budgewoi Lost 4-1, Brad Strachan being the only goal scorer. 19.8.84. versus Southern Lost 3-1, M. Strachan scoring the goal. 26.8.84 versus Budgewoi Draw 1-1, M. Strachan scoring the goal. 2.9.84 versus Umina Lost 3-1, with B. Strachan. Stars of the Month were B. McNeil who has been very good in defence. M. Green who plays a captains game. P. Paterson for good goalkeeping and D. Carter who plays a good game in midfield.

No highlights for the month as the above results show!

Coaches advice to the team....all players must be at the ground $\frac{1}{2}$ hr. before kick off.

A big thank you to all our supporters and to the team for a great effort.

COACH PAT RYAN

3RD A: The season has come to an end with both teams doing well. The 3RD B's after struggling to field a tea at times only to miss making the four by 1 point. I would like to thank all the players for sticking by the team and Club.

Also to Vic Winner and Warren Snashall thank you for your hard work in looking after the B side also to Tony Kayes for playing when they were short.

To the 3rd A's a good season to end up Minor Premiers I hope you all enjoyed your soccer. However, we only ended up Finalists. Going down to a very good Swansea team the boys played the game of their lives for all but six minutes. And after leading 1-0 went down 2-1 by the "Bounce of the Ball". I would like to thank all players for their effort for the year to TONY McANDREW hope you enjoyed your season with us and to RAYMOND WALKER from the 16A's who did a great job of keeper for us when we were short.

To Dino who was playing so well only to suffer a bad knee injury which kept him out for the big games, hard luck.

The Player of the Year was only decided after the last game. As four or five players could have won. The Most Improved, that too was a hard job but after a long debate it was decided.

I would like to thank everybody for the season.

COACH NORM WOODS

3RD B: As the forgotten team in a forgotten competition the Wyoming 3rd grade "B" team had a very successful season finishing in 5th place only 1 point behind The Entrance and we would be entitled to feel most unlucky looking back on the season not to have made the Semi-Finals.

When it is remembered that P.M.K. fielded their only senior team in 3rd grade "B" and the Davistown team was made up of ex first grade players from previous seasons. Our effort was praise worthy. Starting the season with less than a full team and playing together for the first time we started off very badly but fortunately our players stayed together and toughed out the bad times and with the requirement of some new players we were able to weld into a happy unit playing some good soccer. We worried the hell out of most teams and on occasions if we had had a referee would of caused more worry to other more fancie teams. I would like to thank all players this year for their efforts which were much appreciated by a smetimes frustrated captain. Special thanks to Manager Vic Winney for his organisation through the year and to Jenny Snashall our orange and first aid officer (she only took the job so she could rub in the deepeat and sponge the younger players on our team when they got injured) thanks to our regular supporters fo

3rd B: (cont) their encouragement at our games.

Top striker award goes to Col "Biscuits" Arnott for his....goals scored this year with Mike Mackie scoring our best goal of the season when he headed magnificently past the Budgewoi keeper from a corner kick. Captain Warren Snashall holds the title for "most own goals" and "certain goals not scored" for this season. (Tony Kayes did hold the record but was deemed inelligible as he didn't play all season.

Congratulations to our Player of the Year which was well earnt by him and also our Most Improved player. Hope to see them back next season.

CAPTAIN WARREN SNASHALL

Reserve Grade: I would like to Congratulate the Reserve Grade Team for a very successful season on Winning the Minor Premiership and being joint Grand Finalists for 1984.

At the beginning of the season I was a new Coach, and we had a few problems, new players getting settled in, but like true sportsmen the lads pulled together and produced a good team which has gained the respect of the other teams in the League.

The future of Wyoming Senior Sides is very promising for next season. I would like to thank all the players for the effort they put in, not only on the Park but also in training.

I would like to take this opportunity to thank all the players, Brian Bulley (Goal Keeper), Brian has played very well this season and has proved he can handle pressure, while other players can make mistakes and get away with it, a goal keepers mistakes are highlighted because they can result in a goal. Well played Bulley.

Brian Mottram (right Back), Brian has settled into right back position, where he let the opposition wingers know he was around with his tackling. Good Season Brian.

Robert Bray (Sweeper) This was Robs first Season as a Sweeper with the Club, he was out-standing in this position with his cool approach under pressure, finding the front runners with his long passes and hiw own goal opportunities.

Mark Selig (captain), Mark started the season as R/side Midfield where he played a good defensive and attacking game, he moved to Central defender, when Mal Tarring got injured, where he played very well.

Dave McNeil (left full-back) Dave has improved with every game in this position and can only go forward, he has proved he's not afraid to tackle and win the ball. Well played Dave.

Mal Tarring (central defender) Mal is a senior player in the team, and has helped the younger players in their game, he played very well all season, but was injured the last game before the finals, he was missed by the players on the Park in the finals, but was on the bench supporting them.

David Talbot (left side midfield) Dave has given 100% every game this season with his tireless running off the ball and his skill in helping the defence and forwards. Well played Dave.

Reserve grade (cont)

Steve VanDorp (right side midfield), Steve has proved this season that he has the skill and talent as a young player to go higher in the club and can play most positions in the team. Good Season Steve.

Phillip Robson (right winger) Phill as a young player must be one of the fastest and skillful players in the league and is an asset to any club with his goal scoring. Well played Phill.

Kevin Best (centre forward) Kevin came into the team as a centre forward and helped to settle the younger players around him with his experience, he scored quite a few goals and had a good Season.

Paul Smith (left-winger) Paul started the Season as a left-back, but moved up to the left wing as the season progressed where he kept his position and had a good Season.

Dave Taylor (winger) Dave had the position of sub in most games a position not many players like, but he was there every game and gave 100% when he went on the park. Well done Dave.

I would like to thank Bradley Strachan who has proved this season he is ready for a Senior position next season. Brad has scored many a goal for the 19's and Reserves this season. I would also like to thank Brent McNeil who plays central defender for the 19's, he showed he can play in other positions when he played midfield for the Reserves. Both Brad and Brent have a lot of skill and talent. Well done Brad and Brent.

I would like to thank the Committee and the coaches from 19's up for their help and friendship during my first season with Wyoming, also Bob Bray (manager) for collecting \$2 off each player, which took some getting at times and to John Murdock for looking after the players who got injured during the season, and for all the players who have stood in for me during the Season when we have had players injured.

Well Done Lads.

PREMIER 1ST GRADE

This season has not been one of the best for the club in 1st grade competition. In fact it was not until after the second last game of the season that the treat of relegation to 1st Division soccer was eliminated. What was the reason for the poor performance? That is the question which has been discussed and argued for about half the season. The answers will no doubt be discussed and argued and obviously there will be numerous reasons insignificant to most, but still all adding to the problem.

Having watched most of the games with interest this season I believe that the main problems of the team were fitness, team selections and the lack of team spirit which leads into player understanding one another. All these problems however can be rectified next season if it is accepted that they are problems and the coach attempts to correct it.

Tom Smith the coach did not have any easy job this year. I don't think he had much support. Being a player/coach is not a rewarding position if the team is not performing well and your own game is suffering. It's constant pressure and although Tom put on a good front I don't believe he ever got on top of the job at hand. Tom Although was giving it his best and being his first attempt to coach a senior side will no doubt give him valuable experience for future attempts.

The season obviously had more disappointments than achievements but no matter how few it is important to mention them. The players gave their best in the circumstances but always seemed headless without a leader - giving one the impression that they were playing for themselves and not the club.

If anyone was a leader in this side it was "MR. L. MOTION"..... Barry Tuddenham - why he had a spell from soccer over the last few years and where he would be playing if he had not spelled is anyone's guess but he is a perfect player in this standard of soccer. Not a fault in his game I cannot agree more with his selection for this honoured award and only hope that he can be part of the resurgence of Wyoming 1st grade to the top of Central Coast Soccer. - Gee wouldn't that be great - the dormant giant has awoken - its now up to the achievers and the patriots.

Other players to provide substance to the side were: Glen Stewart in goals - rumour has it it's his last year between the sticks but we'll see next year - if it is his last year I would like to take this opportunity to congratulate him for his service to the club - personally I think he'd like to wait until he can hand over to his son Craig - the mind boggles.

: Frant O'Toole creative as ever in midfield but seemed to lack support.: Chris Cantwell although not having his best season always gave his best.: Steve Frame who with a positional change to sweeper had a reasonable season but definitely lacked the proper positional sense in tight situations and found little support when John Murdoch was not playing. : John Murdoch a solid defender who played an important role in the 1st grades defence - if only he could keep his mouth shut.

Of the forwards Mark Dower was the most consistent goal scorer but unfortunately only produced the goods in a hand full of games.

The Most Improved Player or ROOKIE of the year is ?????????????????? who was given his chance by Tom in the 1st team. He will obviously be a far better player next season.

Other players in the squad were Geoff Arundell, Keith Hall, Ken Butt, Tony Lucas, Mark Porter and Tim Jones all of whom failed consistently to produce anything to excite the spectators.

The best games played were

- 20/5/84 versus the eventual premiers Umina, away, 4/3 loss in which should have resulted in a draw.
- 27/5/84 versus Southern away 5/4 win a game which gave the spectators some hope for the season after the Umina game with eight goals scored in two games.
- 17/6/84 versus Toukley away 2/1 win probably the best 1st half performance of the season with some outstanding play.
- 24/6/84 versus East Gosford home 1/0 win - dogged win against the eventual finalist.
- 19/8/84 versus Toukley home 2/1 win with undoubtedly by the win of the season eliminating the threat of relegation particularly after being 1/0 down then having a player sent off - a great dogged performance.

The biggest disappointment other than Glen Stewart not being given the penalty kicks in the last game, was the loss by technicality to The Entrance in the quarter finals of the Association Cup, by not having the players registration cards on hand, after winning the exciting game 4/3 in extra time!

The trip to Lismore for the Amateur Cup fixture against Eastwood United was an experience to be forgotten and although I only heard reports about the trip - not being one of the privileged few - there were some land marks made even if they were on the side of the bus.

The seasons over now and the rest is welcomed. Next year is another year.

See you on the sideline

CANTEEN REPORT

I would like to thank all the parents and helpers who assisted throughout the year. It was good to see so many new faces offering assistance. For a Club as big as ours it takes a lot of organisation to ensure a successful year.

Many thanks to Leonie Best and Jenny Snashall who are always around when needed.

Next years aim should be to see more senior players and wives involved in the running of the canteen on Sundays. "More hands make less work."

Norm Woods has progressed to position of "Chief Chip Cooker" as he handled the job well when Leonie "went on strike". Well done Norm.

MANY THANKS TO ALL HELPERS.

The most improved player or player of the year in the past year who was given his chance by Tom in the last year. He will probably be a far better player next season.

Other players in the squad were Geoff McDonald, Keith Hall, Ian White, Tony Lucas, Mark Foster and Tim Jones all of whom looked considerably to produce anything to excite the spectators.

The best games played were 20/5/84 versus the eventual champions, Linn, away, 2-1 loss in which should have resulted in a draw.

27/5/84 versus southern away 5-1 win a game which gave the spectators some hope for the season after the Linn game with eight goals scored in two games.

17/5/84 versus Torkley away 2-1 win probably the best half performance of the season with some outstanding play.

24/5/84 versus East Gorton home 1-0 win - scored win against the eventual finalist.

19/8/84 versus Torkley home 2-1 win with undoubtedly by the win of the season eliminating the threat of relegation particularly after being 1-0 down then having a player sent off - a great display performance.

The biggest disappointment other than Glen Stewart not being given the captain's armband in the last game, was the loss by technicality to the partners in the quarter final of the Association Cup, by not having the player registration card in hand, after winning the exciting game 4-3 in extra time.

The trip to Lismore for the Amateur Cup fixture against Eastwood United was an experience to be forgotten and although only heard reports about the trip - not being out of the stadium for 10 minutes - there were some good marks made even if they were on the side of the bus.

The season over now and the year is winding, next year is another year.

See you on the sidelines.
