SECRETARIES SCREED

On behalf of the committee I would like to take this opportunity of welcoming you all to another soccer season. To those of you who are joining us for the first time I hope you will enjoy the club spirit and fellowship that is yours for the asking.

This edition of 'TIGER TALES' would have to be the largest pre season one to date and we do hope that you will take the time to read the information. Please keep this edition of 'TIGER TALES' as information such as Club By-Laws and C.C.S.A. Regulations will not change and I am sure a lot of questions that arise during the year will be answered just in those two sections alone.

Listed over the page are the days and dates for grading of players and it would be appreciated if parents would have their children to their respective day at the time required. This will then give your child the opportunity of being selected in the correct team. Teams will not be graded B,C,D but naturally the first team will be the "A". After the "A" team has been selected it is then up to the Central Coast Soccer Association to decide what our grade 2,3,4 teams play in. Most players are quite happy to get a game of soccer, they don't seem to put the same emphasis on A,B,C,D, as the parents.

We have had a very good response for the coaching positions. Until registration days have been completed we do not know how many teams will have in each group, so therefore we don't know how many coaches will be required. The "A" coach is the team contact in each age group until teams have been decided. Most coaches come from fathers of players or interested friends and some wait to see if their child is picked in a certain side before deciding on whether to coach. Any father interested in coaching, the Club has a Coaches Manual which is available to any coach, just contact Kevin Best 284806.

Coaches and Managers have to be registered with 2 passport size photos, not polaroid, and no payment is involved. This has to be done before the start of the season.

We have a very busy Publicity Officer who has been out chasing advertising for 'TIGER TALES'. This would be the first time we have started the season with new advertisements and I know I speak for the committee when I say WELL DONE NEVILLE! We still have some blank spaces to fill so if you know any business houses willing to advertise in a magazine please contact NEVILLE KIRK 284810 who will only be too happy to supply you with further details.

All sporting goods can be obtained from the SPORTSMANS WAREHOUSE, East Gosford our sponsor, and I also believe Fran and Neil Finlay who are the new owners of the Wyoming Sports & Toy Shop will also be carrying certain items.

The last few years we have conducted a very successful a Kindergarten Class, which caters for the players 4 and 5 years of age. This year we don't seem to have anyone who is able to run this and it would be a great shame if we weren't able to continue this class. All we require is someone who is available between 2pm-4pm on Saturdays during the soccer season. We have found that by starting these young children in the class they have learnt some very basic skills that has certainly helped them when they begin in the under 6's and have to play on the field.

Should parents have any inquiries contact the committee person who is responsible for that particular area. These are listed under duties of Management Committee.

See you on the side lines,

Jill Smith
Secretary

SOCIAL SCENE

Last year was a very successful social scene and this year even promises to be even better.

We completed last year with a successful Christmas Picnic and Cricket Match at Avoca Oval between the players and the coaches. Now who would believe it, but it was a draw. And I mean it really was a draw. Some talent rose that day and it just shows we not only have some good soccer players they are good cricketers as well. Santa paid a visit to the small children and all in all it was a great day and judging by the success will be repeated again this year.

Now for what is being arranged for 1985.

GOLF DAY: Members and friends are invited to take part in the golf day being arranged by Kevin Best and sponsored by AUTOPART of Wyong and North Gosford, on 16th FEB. commencing at 6.15am. Please telephone Kevin if you wish to take part and he can fill you in on further details.

SNOCKER DAY: Having a couple of snooker "champions" (we only have their word for it) in the Club a snooker day is also being organised by Kevin Best, and this is to be sponsored by CALTEX and is to be held on 15th March. Details can be obtained by ringing Kevin.

GRADING DAYS: Please ready the separate sheet containing days and times as these are important. REMEMBER, it is the age that your child turns this year that they will be playing under.

COACHES & MANAGERS MEETING: There will be a coaches and managers meeting on..... Tuesday 9th April at Alan Davidson Oval Meeting Room commencing at 7pm. You will be able to pick up your teams strip and registration cards. These cards are to be taken with you at each game and are to be returned immediately your last game has been played to the Club Registrar.

COMMENCEMENT OF SEASON: Due to Easter falling at the beginning of April the season will now commence on Saturday 13th April for Juniors and 14th April for Seniors.

BEGINNING OF SEASON DINNER DANCE: As usual we are holding a beginning of season Dinner Dance. This one is a must if you have not been to one before. It will be held at the R.S.L. Club starting at 6.30pm with a hot carvery, there will be a disco, Jill and the "Troup" will also be appearing (anyone who was at the Senior Presentation will know what that means) and other surprises. Tickets are \$12 per head so start saving for a great night.....SATURDAY 4TH MAY.

HAVE YOU A HIDDEN TALENT? Well bring it out, I am hoping to organise a Melodrama Night similar to what we held 3 or 4 years ago. I am hoping that this could be organised for July.

PUBLICITY: NEVILLE KIRK has various promotional items which will be on sale registration days and grading days or you can contact him re the purchase of these items.

CLUB JACKETS: The very popular Club Jackets can be ordered now so that you will have them by the start of the season. Ring Kevin Best 284806 with your order now.

All social gatherings are open to all members and friends and it is up to each individual to make the effort to support these functions. The more the merrier. It is also a way for the new people to our Club to become better acquainted and we do look forward to meeting you at one of these.

WHAT IS GOOD FOOTBALL

A good game of football is one in which firstly you see players enjoying themselves. Winning matches is important, but trying to win stylishly and fairly is what football is all about. Win, draw, or lose, skilful football is enjoyable football.

A second measurement is the extent to which both teams try to win by attacking as much as they can, and by defending when they have to win rather than playing to avoid losing.

This when groups of players frequently combine confidently and calmly, using all the techniques of the game - HEADING, PASSING, DRIBBLING, SHOOTING, and so on - with delicate touch and cleverness.

Finally a good game of football must be played fairly and honestly meaning playing and trying as hard as possible at the time.

PLAYERS EQUIPMENT

PLAYERS EQUIPMENT: - Available from the Club Sponsor....East Gosford's SPORTSMANS WAREHOUSE, Webb Street, East Gosford.

SHOES: Ideally a player should have three types of shoes - the short rubber moulded soles for harder grounds, the long screw-in type studs for softer or wet grounds; training shoes for either training, warming up or wearing to and from training and matches.

Studs are used to give players the correct footing. As our grounds are generally hard most of the year, a pair of the rubber-moulded sole type is first preference, especially with young players who grow quickly out of shoes and who only have one pair of shoes at a time.

Proper attention to shoes is essential for a player wishing to perform near his peak.

Like most things, shoes will last longer and serve you better if they are cared for. Ordinary shoe polish is satisfactory although there are leather reconditioners on the market which are ideal for prolonging the life of your shoes. With wet shoes many make the mistake of putting them out in the sun the following day. This tends to make the leather harder and the shoes more uncomfortable to wear the next time. Always wash excess mud and debris off shoes immediately and leave to dry as normally as possible without putting them in the direct rays of the sun.

New shoes should be worn-in gradually before wearing them in an actual match. Many make the mistake of playing in them immediately. This can result in badly blistered feet and perhaps missing out on playing in the following match. It takes several wearings to mould shoes to your feet and this is best done over short trial periods. Dampening before use is also useful in breaking-in new shoes.

For youngsters who, because of rapid physical growth during a season, have to buy shoes slightly bigger in size, padding is also helpful. They can either pad toes with cotton wool or wear two pairs of socks which will give better fit until they grow into the shoes.

LACES: These seem of minor importance but often cause the most trouble. Many a match has been lost because one of the players is out of action retying laces or repairing broken ones. Tie laces on the outside of the shoe - the area least used for kicking. Always carry a spare set of laces for emergency. Better still, check laces before going to training or matches. After laces are tied they can be covered by wrapping P.V.C. tape around the shoe to ensure the laces do not come untied.

SOCKS: These should be light, comfortable and always kept up. Sloppy appearance leads to sloppy play broader elastic garters are preferable for keeping socks up to other forms of thinner tie ups. Thinner ones tend to hinder circulation and many cause circulatory problems with players' legs later in their careers.

SHIN PADS: Youngsters should wear them from their first playing days for protection. There are many lightweight brands available, some of which are built into the sock itself and the long run protection benefits to the players tremendously. Foam shin pads are available from stores. These pads are extremely light and sell for about \$2.50.

SHORTS: Should be comfortable and light with plenty of room for the whole range of movements. For protection purposes again, it is also advisable for players to wear one of the many types of athletic supports available.

TRACKSUITS: Especially in the winter months, training and warmups for matches should be carried out in tracksuits. The idea is to keep the muscles warm and ready for action and to this end tracksuits serve a good purpose. When showers are unavailable after matches, too, tracksuits help in cooling of the body down and preventing 'flu and other viral infections.

GOALKEEPERS: Although basically similar to the needs of other players, there are some equipment "aids" which are different from his team mates.

PLAYERS EQUIPMENT (cont)

GLOVES: For wet weather or moist grounds to improve handling. It is much harder to handle a wet and greasy ball than a dry one and gloves are a great help in this respect. Many matches are lost because the "keeper" lets the wet ball slip through his hands - something that could be avoided if he is wearing gloves.

CAP: Nearly always essential to keep the sun and glare out of the eyes a cap is essential in this respect because a goalkeeper more than any other player is exposed to so many match-deciding high balls.

All the recommendations listed above are to assist you in purchasing equipment for your boy or girl, however, it is only essential to buy shoes, socks and shorts, all other items mentioned are recommended but NOT compulsory.

COACHES INSTRUCTIONS

The Club has available for coaches, several coaching instruction manuals for their perusal.

As with most jobs one takes on, one needs guidance and it will a great benefit to you if you take time to use them.

If you are interested in advancing your qualification and experience in the art of coaching, the Central Coast Coaches Federation (formed 1981) have regular sessions throughout the year.

Contact Kevin Best 284806 for further information.

GENERAL ADVICE TO COACHES.

While the position of coach and manager are voluntary within our Club, it follows that having accepted the position, and the welfare of each individual boy must be paramount.

1. If we are to teach by example, we must set a good example.
2. If we expect the boys to be punctual and well behaved, we must be punctual and well behaved.
3. Look like a coach and as if you are taking it seriously. Dress appropriately.
4. Have patience, understanding and tact - but never be weak or indecisive.
5. Be confident, enthusiastic and organised. It will rub off on the boys.
6. Praise good work and encourage real effort; try to be positive cheerfully.
7. Prepare your coaching session beforehand and know exactly what you intent to attempt in the time available. Ensure they equipment you need is available.
8. Evaluate last weeks game and think of next weeks game.
9. Vary the training programme to maintain players' interest; boredom is deadly.
10. Introduce new techniques and tactical elements only progressively.
11. Keep as many players as possible occupied as constantly as possible. Avoid long spells of inactivity which breaks concentration.
12. Involve parents. Break your team up into groups at training with set exercises under the eye of a responsible parent while you concentrate your attention where it is required most.
13. Make sure the floodlights, or sun is behind your boys so that they are not blinded when doing set exercises.
14. All exercises should be demonstrated
 - 1) Without Ball.
 - 2) With ball in slow motion
 - 3) With ball at speed
 - 4) Under pressure or near match conditions
15. Show one exercise at a time. A solid demonstration is far more effective than almost any amount of description. The demonstration should give a clear picture of the exercise.

GENERAL ADVICE TO COACHES (cont)

16. If the players don't repond to a particular point, it should not be repeated over and over again, but should be shown and explained in another way.
17. Use boys of higher ability in demonstrating.
18. Must accept that in any group of junior players there will be varying levels of advancement and a natural ability and we must be prepared to encourage and spend more time with the least able.
19. See that mistakes are eliminated and the skills properly mastered.
20. Don't talk unnecessarily. Allow your players to learn things by doing rather than listening.
21. Speak slowly and clearly. Use the correct terms so that everybody can understand what you mean.
22. See that the players are comfortable and relaxed and able to see and hear you without difficulty.
23. Coaches and managers should NOT show dissension in front of their boys.
24. Maintain discipline at all times and do not permit slackness.
25. There is absolutely no excuse for the use of bad language, or for veherment criticism or abuse.
26. It might be bad for the cantee, but boys should not eat PIES etc. before taking the field.
27. Do not coach from the sidelines. Apart from being illegal, constant instruction during a game may confuse your players. In any case most of the advice is lost in the general noise. Avoid strong criticism of individuals at half-time, or even at full-time. Save your criticism for training sessions.
28. We must accept a responsibility to ensure we don't pressure our juniors such that we deprive them of all enjoyment through participation in the sport, and we find them leaving the code before they start.
29. Do not extend the boys beyond their physical limits.
30. Insist on full authority as team coach. Do not listen to friendly "advice" from parents or committeemen of your club. Without being rude, point out to them that you are in sole charge of the team, that you have been employed as the coach and that you would appreciate being left alone to do the job.
31. Knowledge should be increased by reading and attending advanced coaching classes.
32. TheClub's coach is at your disposal for guidance and advice.

9. GRADING OF PLAYERS

Grading days for all age groups will be organised late February or early March each year. Registered players will be graded in their own age group teams according to their ability to play the game of soccer.

The M.C. will organise a three person grading committee from persons other than the appointed coaches for each age group. Each member of the committee must have past soccer experience and their decision will be final.

The committee will assemble the players and separate them into two groups.

- a) previously played
- b) not previously played

- a) i. Separate into teams of eleven, if possible, according to the standard previously played.
- ii Determine which players wish to be considered for a higher graded team utilising the 3.2.1 records from the previous year. Every endeavour must be made to encourage players to play up in grade. Organise a trialling system incorporating kicking, heading, dribbling, sprinting, catching and trapping to assess the individual skills of each player.
- iii Players trialling for the same team where there is more than 13 players will be given additional trials to the players to retain and determine the squad.
- iv If a player desires or is chosen by the committee to play up in grade the player should nominate the field position and must be given the opportunity to trial in that position.
- v Once the 13 players for each team have been selected according to their ability by the appointed coach and the grading committee it is the duty of the committee to ask all players whether they are happy with their grading. A decision will then be made whether further grading is warranted.

9. GRADING OF PLAYERS (cont)

- a) vi When the 13 players have been decided they will be introduced to their coach or if no coach, one that is chosen from within the parents in attendance or if still not successful a temporary appointment until the M.C. can arrange a permanent appointment. The coach or acting coach will then (1) obtain the names of the players and telephone numbers or addresses. A copy of which must be given to the REGISTRAR of the Club(2) given in writing to the players, the coach's name, telephone number, the next day and time for training.
- b) Sort the new players in separate groups of eleven according to their ability to kick, head, catch, spring, run long distance, dribble, trap. Every opportunity must be given to players who show ability to play up in grade.
The same procedure will then be followed from (a) iii (page 4)

10. TRAINING

Training commences as soon as the coach wishes after grading day. Each coach will be allocated a training day and times at Alan Davidson Oval after consultation with the Vice President. The allocated day and times cannot be changed without the verification of the Vice President. It is a M.C. decision as to the extent of training times made available to each team. Only one training session per week is advisable upto and including Under 14. Night training will only be available to Under 16 and over age groups.

If the Club equipment is required for training, prior contact must be made to a committee person.

In case of inclement weather the Club's meeting room is available upon request and soccer squash at the Squash Centre is also recommended.

11. GAMES

Each coach/manager will be informed of the competition games for the team as soon as is known by the FIXTURES OFFICER OF THE CLUB. It is the responsibility of the coach/manager to inform the players when and where they are to meet each weekend. It is suggested that the players are informed at training each week.

12. PRE SEASON GAMES

Pre season games are not organised by the Club committee. If coaches. If coaches desire pre season games for their team, games can be organised by contacting another coach in the Club. The goal posts are not erected by Gosford City Council until late March which will necessitate coaches improvising to organise a games.

13. EQUIPMENT

Coaches are provided with one match ball, several practice balls and a set of playing shirts. This equipment must be cared for during the season and returned immediately after the last game. Shirts and balls must be held by one person at the end of each game. Under no circumstances are individual players to retain their shirts.

14. PLAYER REGISTRATION CARDS

Registration cards for each player will be supplied at the beginning of the season once the player has been registered with the CCSA. The cards must be taken to each game and made available for sighting by the opposition coach. A player cannot take the field for a competition game unless the coach possesses a registration card for the player, even if the player is from a younger age group. Registration card must be taken onto field by players. Failure to produce a registration card will result in the forfeit of the game. Coach must sight the opposition registration cards.

14. PLAYER REGISTRATION CARDS (cont)

Registration cards are the property of the Club and must be returned after the last game of the season. In the event of a player being sent from the field of play by the referee the registration card must be handed to the referee after the game.

15. REFEREES & FEES.

Enquiries should be made before each game to determine whether a referee has been assigned to the game. If no referee, the home team is responsible to assign a volunteer referee to the satisfaction of both coaches. A game team sheet is available from the home team kiosk and must be filled out by the home team coach first. All players names who will take the field must be entered on the sheet. The players shirt numbers must correspond to the referees sheet number. Do not sign the sheet until after the game when the score must be checked. If home team, tear off the bottom of the sheet and place in kiosk result box.

Only pay the referee if an official referee - volunteers are not eligible for payment. Referees fees must be paid by the Coach/Manager before the start of the match and are recoupable at the Club's canteen at Alan Davidson upon completion of a Claim Form - fees are non-recoupable after two (2) months. Always carry your own whistle in case a volunteer referee is required.

Coaches/Managers must not physically or verbally assault referees and must endeavour to prevent spectators harrassing referees. Appreciate the worth of the referees and lines persons and assist them where possible.

16. HOME GROUND PREPARATION

Fields must be properly marked out and nets and corner posts erected properly by the team having first use of the home ground. Similarly teams having last use of the field must take down the nets and posts and stow them in the Kiosk storage area. Coaches/Managers must determine prior to their match whether they have to attend to ground preparation or dismantling.

17. TRANSPORT

It is the responsibility of the coach/manager to ensure that each player has access to available transport in respect to away games. It is however, not inferred that the coach/manager is to provide a 'bus' service and it is emphatically discouraged. If cars are overloaded it will jeopardise any insurance claim necessary. It is suggested that all players meet at Alan Davidson Park at a pre determined time, giving everyone sufficient time to arrive at the ground well before kick-off.

After training and games coaches must ensure that players are collected from the oval or sent home safely.

It is the parents/guardians responsibility to assist the coach/manager in the transportation of the players and ensure they arrive at the ground at least $\frac{1}{2}$ hour before kick off time.

18. ORANGES

Coaches/Managers may collect oranges for half time of the game at the Club Kiosk on the day of the game - no charge.

19. DRESS

Players must be properly attired in the approved clubs outfit before they take the field ie;

- 1) Club shirt - supplied by the Club.
- 2) Black shorts
Yellow socks with two thin black bands at the top, cleaned boots - all supplied by the parents.

20. BAD LANGUAGE

Club officials including coaches and managers must deter club members, players and spectators from using obscene and abusive language whilst at matches or training.

21. WEEKLY RESULT SHEET & 3-2-1 PLAYER AWARD

A weekly result sheet supplied by the Club must be completed by the coach/manager after each game both home and away and deposited in the Result Box at the Club Kiosk no later than 4pm on the day of the match. The details are required so that results can be phoned to the Central Coast Soccer Association Ltd. The Club is fined for every result not known.

A 3-2-1 points award is also required on this sheet for Club records. The coach/manager is required to allot only three players with points 3, 2 & 1 respectively. Game points are tallied at the end of the competition before the semi finals, and the player 'with the highest points' is declared the Player of the Year for that team. The MC decision is final.

Coaches/Managers should take into consideration when allotting points that the 3 points should be awarded to the player who is the most outstanding on the day. Things to look for are

- player's performance with individual skills
- player attitude during game
- positional play on field
- proper technique as a player
- sportsmanship to opposition
- team support to fellow player
- adherence to pre match tactics.

2 points would be allotted to the next most outstanding player and 1 point to the next player.

A most improved player award is also given to a selected player at the end of season Presentation Day. Things to look for are

- most improvement during season
- willingness to learn and listen
- eagerness to try and train

24. MONTHLY GENERAL MEETING & A.G.M.

All persons are welcome to the Club's General meetings. It is important however that either the coach or manager attend this meeting, which is held on the 4th Monday of each month at 8pm in the Club meeting room at Alan Davidson Park (April - August) and at the Central Coast Leagues Club (February, March, September, October).

The purpose of the meetings is to ensure adequate liaison between the Management Committee, team officials, parents and other interested persons.

The October meeting is the AGM of the Club where the Club's committee is elected.

25. INFORMATION & ENQUIRES

Players and parents requiring information or having enquiries must contact the coach or manager of the team. If further information is required the coach/manager can contact the Club Public Relation Officer. Parents and players must not contact the committee of the Club.

The duties of the committee especially the SECRETARY are time consuming enough without the need to answer constant enquires. The Public Relations Officer has been elected for that purpose.

26. KIOSK & ROSTER

Each year the Management Committee publishes a roster for parent assistance in the Club Kiosk. Managers and coaches are asked to ensure that the team parents are made aware of the roster.

Persons under the age of 18 are not permitted in the Club Kiosk because they are not covered by Club insurance.

27. CLUB PRESENTATIONS & AWARDS

A Junior and Senior Club Presentation are held at the end of each season.

The only awards or trophies which will be given to any player of the Club will be presented by and approved by the Club. Under no circumstances will the Club allow any coach, manager or any person to purchase individual or team awards or trophies for player(s) of the Club.

Officials of the team will be cited by the Club if the above is not adhered.

If the team members wish to present a memento to their coach or manager at the end of the season it must be presented at a private function and not the Club's Presentation Day.

27. CLUB PRESENTATIONS & AWARDS (cont)

The awards and trophies which are given by the Club at Presentation Day are

- a Club Bannerette to every Junior Player
- a trophy for PLAYER OF THE YEAR to each team

- an award to each player of a RUNNERS-UP team
- an award to each player of a MINOR PREMIERSHIP team
- an award to each player of a NON COMPETITION team who have performed well throughout the season (Management Committee decision).

28. COACHING ASSISTANCE

From time to time the Central Coast Coaches Federation conduct coaching courses for interested coaches.

The Club has a collection of coaching books for the use by Club coaches.

Coaches meetings are held at various intervals by the Club at Alan Davidson Park.

It is of utmost importance that young players are taught the correct skill techniques of the different facets of the game. Coaches are therefore encouraged to increase and improve their knowledge of coaching methods.

Financial assistance will be contributed to coaches endeavouring to increase their coaching knowledge by attending courses conducted by approved coaching clinics.

29. FIRST AID

First aid equipment including ice pack and inflatable splints are available at the Club Kiosk at Alan Davidson Park. Funds are not available for each Club coach to be issued with an adequate kit. Coaches/Managers must supply any equipment required. The suggested basic aids are

- bucket & sponge - not to be used on open cut and not to be drunk.
- container of water - for drinking and washing open cut.
- skefron - to be used strictly according to direction.
