Thank you to parents who helped in the Canteen last month.

Marie Frost
Canteen Supervisor

We would appreciate any mums (or dads) who could whip up us a quick cake for the Cake Stall at the U/6 Knockout dropping them off at the canteen on Sunday morning. I know that we have not been able to send out any requests for cakes the last week to coaches to remind parents, but due to the rain everything is behind, including our profits from the canteen, as we have only managed to trade 5 days. This puts us well and truly behind in our takings which go to help run the club and we would appreciate any help you can give with cakes, jams, pickles, potplants for Sunday's stall - every little bit helps us to stay in the black.

The 6 A-side demonstration should be of interest to all parents of U/6 and younger boys and girls who may be going to play next year. These 6 A-side competitions have been played in Sydney for some years now, and it means that every child learns to kick the ball and you don't have some kids only touching the ball twice in a match. The fields will of course be smaller than now and it will be U/6 and U/7 who will start off next year in the new competition.

Our Seniors have not been getting the points on the board but are playing some excellent soccer and will be home this Sunday - come and watch - give your support.

TEAM REPORTS

Under 6A: Once again rain has played havoc with our playing schedule. We have only played two games so far this season. The second game was against KILLARNEY DISTRICT and we were beaten 1-0. In the first half, after a four week break, we were quite tentative. In the second half we held, if not outplayed, the other team. Our outstanding player was Justin Carmody who played a very constructive game in defence.

Coach

Under 7B2: The first game of the season they played SOUTHERN/ETTALONG and won 3-0. Good game was played by all in the team. Second game of the season they played BERKELEY VALE and had a 0-0 draw. They haven't played since due to the wet weather that has been hanging around. I would like to thank all the parents for their help and support. There has been a change in time for training. It is now from 4.00pm to 5.00pm on Wednesdays.

Coach

Under 8B1: 13.4.85 versus Umina, Win 1-0. with the goal being scored by C.Clucas. 20.4.85 versus Kanwal 1 Loss 0-2. 18.5.85 versus Kanwal 2 Win 2-0 with the goals being scored by C.Orpin and K.Wheeler. Stars of the month have been K.Wheeler who is a consistent forward who can score good goals. Kristen Butler who has his foot in every goal. Daniel Curtis who is an excellent fullback and Ben Roberts who is a reliable half. The coaches advice to the team is keep their positions.

Coach

Under 8B2: 13.4.85 versus Kanwal 1's Win 1-0 with the goal being scored by Paul Mottram. 20.4.85 versus Gosford City Win 1-0 with Paul Mottram again scoring the goal. 27.4.85 versus Southern/Ettalong was washed out as was our game on 4.5.85. versus Kanwal 2's; 11.5.85 versus school holidays. 18.5.85 versus Killarney District 2 Draw 1-1 with Jonathon Fenwick scoring the goal. 25.5.85 versus Killarney District 1 was washed out. Stars in the last 2 months are Paul Mottram who never stops trying and was finally rewarded by scoring the only goal in the first two games. Well done Paul. Luke Meany who is exciting player with heaps of potential. Well done Luke. Stephen Ferlazzo who never stops trying. Paul Mottram has good defence against Killarney District 2 and Grant Hines who also had good shots at goals and good defence. Highlights of the month would have been winning the first two games against Kanwal 1's and Gosford city both by 1-0. Again well done boys and keep up the good work! Special occasions, Birthday Boys of the Month...David Carr 10/5/85, Paul Mottram 17/5/85, Stephen Ferlazzo 18/5/85. Coaches advice to the team is follow the ball up to the keeper and don't try and walk the ball into the goals, have a shot. Keep up the great work boys. A special thank you goes to all the parents who came and supported us well. Thank You. Humorous incident would have been half time on the 13.4.85 against Kanwal 1 a couple of boys had to go to the toilet, so I sent them behind a tree!!!!

Coach

Under 9A1: 18.5.85 versus KILLARNEY DIST. WON 1-0. Finally after three weeks of wet grounds and no play, the boys got the chance to play a game of soccer. This game proved to be a very exciting, nail biting event. Both teams were evenly matched, with both side displaying evidence of being well disciplined units. Both sides had many scoring opportunities, only to see their shots stopped by two very outstanding goalkeeper. Coach, Manager and parents were very proud and happy of this display. Well done MARK in goals, SEAN, GRANT MICHAEL in defence, DARREN, BRADLEY, CHRIS, HAMMY, SCOTT in mid-field, BLAKE, CRAIG, ADAM in the forwards. Goal scorer: ADAM MORRIS.

Manager

Under 9B1: Well, what a great month - two washouts, 1 no game and a game. We met Southern/Ettalong on 18.5.85 and won 2-0. The moral victory was greater, though, last year the team played Ettalong 3 times, and lost each time, so it was a double victory. Player of the match was Dean who played a good, intelligent game. The coach was very pleased to see Dean at one point, hold back until the ball had cleared the penalty area before moving in. His care was rewarded with a good goal.

TEAM REPORTS

(cont)

Under 10B: 13.4.85 played Umina at home. What a start to the season. After some ordinary work at training in which only a couple of boys stood out it is pleasing to report that the lads showed everybody that they know what it is all about. A well put together game for their first trot on the large field and a close win of 8-0. Only a few boys drifted out of position but a couple more games under their belts and I am sure they will use the field better. We were treated to some tremendous play by the forward of Grant, Luke, Craig and Thomas while the midfield of Danile, Andrew, Brett combined well to feed the ball up. What can be said about the defence of our backs, Scott, Peter and Shannon but brilliantly played. Peter showed everybody especially the opposition what a great defender and player he is. It' a hard decision to take players off at half time when they are playing so well but Brett came off to make room for Colin and it was good to see him take the decision like a gentleman. Goal scorers today were Grant Richardson 2, Andrew Smith 2, Craig Hoffman 2, Luke Luffman 1 Coline Mc Crone 1. Keep up the good work boys because all games wont be this easy. 20.4.85 no game as Davistown has withdrawn from the competition. 27.4.85 wet. 4.5.85 wet. 11.5.85 School holidays. 18.5.85 played Budgewoi away. What a shambles this season has been so far. Between the rain and a bye this was only our second game and combined with school holidays, sickness and other problems we only had 8 boys turn up. So with a despondant few, on the field we went. Not a bad team Budgewoi, but they could still only manage to give us a 10-1 flogging. Our only goal for the day came from a rare burst of attacking play which saw the ball go the full length of the field to finally end up in Budgewoi's net from a nice finishing run by Ben Bowyer. A bit of a heart to heart talk to the boys about feeling let down might change their approach when the team is short of players, but it hard to attack the goals when there are so many players short. Better games ahead fellas. 25th May...Duck weather again. May turn to water polo next season!!!!

Coach.

Under 11A: Only one game has been played since I last reported and the team recorded a 4/1 win over Budgewoi after some nail biting periods during the first 20 minutes when the team were 1/0 down. But its hard to be critical when there has been so much disruption to training. Players who played well this game were, Ryan Marshall in his new position of left midfield Glen 'TANK' Durie who plays every game as though his last meal depended on it - keep ip up Glen and Michael Luibinskas who, although only playing half a game showed he can really play good soccer if he thinks about what he's doing.

Coach

Under 11C: 13.4.85 versus Toukley Won 11-0 with the goals being scored by A.Hopkins 3, S.McGarvey 3, D.Fry 2, D.Mayes 3. A great start to the season all players combined well and set up many scoring chances. The outstanding feature in this game was the play of the forwards scoring 9 goals between them. 20.4.85 versus Terrigal Won 2-0 with S.McGarvey scoring the goals. A very good game from both sides. Terrigal had many chances to score but some great defence by Arron Hughes and great goal keeping from Ravi McCosker spoiled all chances. Great attacking play also from Stephen Dickson, Dallas Fry and Duncan Hogg all setting up play which enabled the forwards to score goals. 18/5.85 versus Wyoming 2's. Won 1-0 with D.Mayes being the goal scorer. A very tough encounter especially since both sides had not played for nearly a month. The game changed from end to end the whole match. Derek Mayes scored the winning goal late in the second half hitting a ball into the side netting which seemed to take hours to roll over the line. All the team played well. Outstanding players were Derek Mayes, Michael Green, Robert Hay and Arron Hughes. Stars of the month are S.McGarvey for scoring 5 goals in three games. A Hughes for solid defence and R.Mc Cosker for having no goals scored against. As in the past years games between our own club are always close and exciting. We were lucky to beat C2's 1 nil. Coaches advice to the team is to always remember to play in position and call for the ball when in the clear. A special thank you to Greg Cox for his help with coaching.

Coach.

TEAM REPORTS

(cont)

16A: With the wet weather disrupting play over the past 5 weeks, our first game after the wet was against Southern/Ettalong which was a scrappy affair with the lack of training showing, the final result a 2-0 win. Ray Walker and Mark Ilitch playing in new positions stood out for our team.

Coach

Under 9B1: (cont. from 1st page of team reports)

Other gkod players were Trevor and Martin. Nobody was more surprised than Trevor when his cross to the centre ended up in the goal. Martin J. played a very good game, defending well when needed. Maybe next month we will have a few more games, instead of just looking at the rain.

Manager

Under 8B3: In our only game of the month we went down to Killarney District 5-4. Brad Tate was the star of the game scoring all four goals. We welcomed two new players to the team, Michael Lowe and Timothy Simpson who played enthusiastically in their first competition match. Our two goalies Mark Aldridge and Adam Broadbent did a good job in replacing our regular goalie. Brad Mackie had a good game along with David Edwards and Michael Gotfredson in getting the ball down to score, but mainly due to our lack of training a few opportunities were missed. Dean Purcell, Stuart Marr and David Kean all played well in defence with David Molesworth kicking hard to clear the ball.

Coaches advice to team - No more rain dances.

UNDER 18

In the first game against Davistown, the team started slowly as usual. Once they got going however they played very well and won 6-1.

The match against Wyong was a very scrappy game but Trevor Mc and Scott Nielson combined to put an end to Wyong's stiff resistance and won 4-1.

Playing against Southern/Ettalong United we lost 3-2 but the team gave one of it's best performances in the second half and at least deserved a draw.

Budgewoi 3 - Wyoming 3. If this game is anything to go by, soccer on the coast is in good hands. The game was played with skill and determination and in the end a fair result. The game was not helped by a referee who even the Budgewoi supporters were amazed by the decisions against us - it was a good team effort.

I have not mentioned any player in particular, so I will now. Tim Hall who is Mr. Consistency, Dean Gayford who gets better every game. Have to mention Strach who scored a hat trick against Budgewoi. We had a player sent off in this game, Phil Cairn. While my support was with Phil he only punished his own team by being sent off. Players must realize that no matter how wrong they think the referee is, the referee has the final word - BE WARNED.

See you on the sideline.

COACH

LADIES SOCCER

All Age Ladies:

12.5.85 Wyoming 11 Defeated Woy Woy (B) 0. As this scoreline suggests the opposition was not overly strong but the scoreline should have been treble at least as the girls wasted goal scoring opportunities willy nilly. At half time with only 2 goals on the board the girls heeded the coaches strong words to turn in an improved performance but still the chances went begging. Hopefully with tougher games nearing the problems can be ironed out.

Manager

Under 15 Girls:

5.5.85. versus Kincumber Washed Out.

12,5.85 versus Ocean Beach Won 1-0. So much for the school holidays. We have 14 players in our team and only had 7 girls for this match, but luckily Ocean Beach only had 7 players also. Kylie Whitburn had an outstanding game at left back, along with team captain Michele Davidson at right back. Eileen Doherty had a non-stop game in attack and defence. In the forwards Paula Frost tried hard along with Karen Maythers. Debbie Wales had her best game this year. Diane Fathers in goal won the game for us with a great save late in the second half. Diane you are the best keeper I have seen for your age, that is boy or girl. Thanks to the girls who gave a 100% effort to win the game.

26.5.85 versus Killarney Washed Out.

+++++

The following girls have been selected to represent Central Coast in the State Titles at Lismore June long weekend - Diane Fathers, Lisa vandorp U/15 team, Robin Brown, Cheryl Fathers, Sue Moffitt, Donna Pullen and Kim Smith A/A team. We wish them luck and hope to see some of these names in the teams to play in Launceston in July against all other States of Australia. Any girls picked for the 'big' games in Tasmania will be looking at approximately \$600.00 for fares, accomodation and food expenses, so it is certainly not cheap to 'represent' your State.

A REMINDER to Coaches and Managers - You must sign the Referee's sheet after the game. This means you are signing to confirm that the players who actually took the field are correctly shown (including substitutes) and that the score is correct and correctly given to the winning team. If you do not sign the sheet and the score is incorrectly shown by the referee, or awarded to the losing team, you will have no recourse with the Association.

Please do not use pencils or felt pens to fill in your Referee sheet - if they get damp or wet they run and become illegible.

SENIOR SOCCER SCENE

3RD GRADE

by THE CONNECTION.

14.4.85 versus Entrance 7-1 Win. First game of the season saw a well drilled team go out and play good football resulting in a 7-1 victory. Due to hard pre-season training every one played very well. Scorers T.Ross 3, J.Ringuet 2 and S.Fathing 2. P.S. Mrs. Goy....Please do not feed your husband Bake Beans before Training!!!! 21.4.85. versus Umina 1-3 Loss. After a tight first half with the score level at 0-0. Umina used the wind to their advantage and some very scrappy play by the team saw them go down 3-1. Scorer T.Cronin. P.S. Who was the player that retaliated and nearly was sent from the field? 12/5/85 versus Budgewoi 0-2 loss. Welcome R.Hill to the team. Wyoming were never hungry enough to win this game. The only bright display were the whiz tackling of W.Malcolm and T.Ross. The team came close on four occasions but could not convert their chances. 19.5.85. versus Killarney 4-2 Win. By far the best effort of the season and a top effort by all players today after two previous losses. Scorers J.Ringuet 3, D.Vickery 1. 26.5.85 versus Southern/Ettalong 2-2. A good result for the team picking up its first point away from home in very heavy conditions. We saw a combination or poor and good play and Southern were allowed too many chances with the defence not marking tight enough. Scorers: T.Ringuet 1, T.Ross 1. P.S. Was it the coach that said to be at the game at least $\frac{1}{2}$ hour before kick off time ????

RESERVE GRADE

14.4.85 versus The Entrance Draw 1-1 with Ron Jones being the goal scorer.
21.4.85 versus Umina Win 2-1 with Roger Ilitch and Ron Jones scoring the goals.
12.5.85 versus Budgewoi Draw 1-1 Mark Selig scoring the goal. 19.5.85 versus Killarney Win 1-0. 26.5.85 versus Southern/Ettalong Win 2-1 with Roger Ilitch scoring both goals. The team is playing like a team and not individuals. Great respect for coach Pat Ryan. The win over Southern/Ettalong was the highlight of the month as they are club leaders at this stage of the competition. Team spirit is very good and players are working well together. The coaches advice to the team is to keep up the good work. Talk to each other and get a good nights rest on Saturdays. Thanks to Third graders Steve Fathing, Warren Malcolm and Joe Ringuet for playing in games against Budgewoi and Killarney and Trevor McDougall for offering his services each week.

Team Joke: At Budgewoi --- Pat, where did you get that hat????

At Hospital --- Steve, we know how you hurt your ankle, but how did you injure your knee?????

Got my crutch caught in a thong didn't I!!!!!!!!!!!!!!!!!!!!

FIRST GRADE

The season has not been very good to us so far. The team is playing excellent football, but not achieving the right results.

With many of the young players coming up from last years Reserve grade, it will take some time for them to get used to the pace of First grade. The rain has stopped us from training for most of this season so the team being new to each other are finding it hard to settle.

Results:	Entrance	1	Wyoming	1
	Umina	2	Wyoming	1
	Budgewoi	4	Wyoming	0
	Killarney	3	Wyoming	2
	South/Ett.	4	Wyoming	4

As you can see we are losing by one goal, except against Budgewoi, and really should have won the other games.

SENIOR SIDELINES

With very good roll-ups at soccer squash due to the continuing closure of the fields, fitness seems to be improving and some great soccer has been played over the last couple of weeks. Perhaps one night at the squash courts might be worth thinking about even when the fields are open???

Last Sunday's game was a real heart-stopper, with 8 goals being scored in 1st grade against old rivals Southern United (can't get used to Southern-Ettalong United yet). As usual the game was played in great sporting fashion on a wet ground that did not seem to slow the game down at all, if anything it was played at a tremendous pace from start to finish.

Hero of the day had to be Craig Matuschka who in the dying seconds slammed a 'ripper' goal past the keeper to even the score at 4-4. After missing a couple of prior shots everyone was holding their breath when he lined up for goal.

Some un-connected spectators who were at the ground due to the State League games being cancelled, stated that it was one of the best games of soccer seen this season.

I think, after last weekend we can only now go from strength to strength - to hold S.E.U. to a draw (competition leaders) and unlucky to go down to Killarney the week before, must give all these guys great heart and prove to themselves that they can and will be a team to be reckoned with this season.

Rumour has it that 'KB' is looking to get back on the park - only trouble is we don't have a 5th grade!!

Great news to hear Darren Neilson is about to resume soccer again - good luck and great to have you back Darren.

Who was the U/18 who blotted 'our' copy book record with a Red card two weeks ago! ?

Another rumour going round is that the wording on the "We Love Mark Green" T shirts may be changed to "We Love Mark Green's Own Goals".

Glen Stewart sends his regards to all his mates at Wyoming, he is back in goals for his old club in Sydney and is still colour co-ordinated and hopes Toby is following in his footsteps. His son, Craig, has seen the light and is now scoring goals instead of stopping them.

Peter Frost, Chairman of Judiciary, told me the other day that there have been a couple of spectators reported to the Association for bad language on the sidelines and they will be appearing shortly before the Judiciary Committee (they are not from our club by the way) - so think before you yell any abuse to linesmen, referees or players.

Marie tells me that the senior players have been very keen to help in the kiosk on Sundays. However Reserve grade and 1st grade players are also part of Wyoming and some of these guys could lend a hand now and then. It is very much appreciated as she works in the kiosk all day Saturday with a few willing hands and has a daughter who plays on Sundays so she likes to see her play now and then. So how about it you guys - it isn't very hard work for an hour now and then.

I believe some of the seniors have a few items for sale -

1 pair of old soccer boots - old but not quite worn out - K. Best 284806

1 almost ridden everywhere bicycle - T. Jones 245056

1 half smoked packet of cigarettes - P. Robson
