U/6 K.O.: This knockout was finally held last Sunday 30th June after previously being cancelled due to wet weather. The day was a great success. Ten teams competed on the day, 2 teams cancelling at the last minute, one actually just not turning up. However, with a slight change to the draw everything worked out well. With the closure of the bottom small field games were played on the one field only. It meant that the day lasted longer but I don't think anyone complained as the weather was so good. These knockouts don't go ahead without the help of others and first of all my thanks must go to STEVE FIELD & DENNIS HULSTON who manned the official table and answered various questions re the draw and rules etc. Thank you both for the time and effort you gave. Thanks also go to Gary Buchanan and his band of helpers who arrived down at the field early to help with the setting up of the field etc. Lets not forget the canteen workers and those on the B.B.Q. who worked flat out at lunchtime when everyone decided at the same time that they were hungry. To our referees, some senior players who had either played or had to play thank you for your help t's might wet your appertite and we may yet see you in black & white ha.ha!ha! Also thanks to Peter Neilson and Glen Frost who refereed many games too. Angus Payne demonstrated how the 6 a-side will work next year and then turned up again later in the afternoon and was the presenter of the trophies. My personal thanks go to Angus for that. Winners of the "A" Division were Gosford, Runners Up Kanwal. Winners of the "B" Division were Terrigal, Runners Up Wyoming 1. Once again thank you to everyone connected with the day. The success was due to your help. A last minute thank you to the suppliers of cakes

CHOCOLATE DRIVE: I would appreciate all money being handed in as soon as possible. The account is now due for payment and it is just under \$6,000 and I have only collected \$2,600 so far. I still have a few 1/2 cartons left if any players want them. I also would like to do the draw for the 2 silver soccer balls. Names of players who have returned their money early go into a draw for these balls.

U/7 K.O. 16 teams have entered this knockout which is being held on Sunday 14th July. I have entered the 4 Wyoming teams however, if any coach doesn't think that he will be able to field a team or doesn't want to please let me know as I have other clubs wanting to enter. As with the U/6 K.O. there will be a cake stall which will be run by the parents of the teams. Cakes would be appreciated from other members of the club and infact anything that is suitable for a cake stall would be appreciated. Items can be left on the Saturday at the Canteen or just pop them along on the day. Help will be required from some of the men from the U/7's to set up the 2 fields etc.

BILL MAIR BENEFIT NIGHT WOOLSHED DANCE: This night is being held on Friday 26th July at the Central Coast Leagues Club commencing at 7pm. This night features Graham & Libby Keating & John Kerr & The Original Woolshed Show Band. Cost is \$13.00 per head which covers a 2 course meal. Dress - Country. Tickets are to be booked through me and must be paid for by 17th July, 1985. We are hoping to get a good respresent ation from our Club. Bill is well known as the one armed referee who was really great to the young players, many receiving 50¢ or 25¢ for playing a good game.

DONATION OF PICTURES have been received from Picture Panels of Lisarow. These are to be raffled over the next few weeks. We do appreciate this donation and thank them very for them.

Jill Smith
Social Secretary

Many thanks to those parents who assist in the Canteen. It is good to see a few more new faces. Also thanks to those who offer to help when it is busy. A special thanks to those parents who donated cakes etc. for the Under 6 Knockout - some parents didn't even have children playing in it - thanks again.

Assistance will again be required for the Under 7 Knockout on Sunday 14th July. Cake stall - help in canteen = and general help in running of the day.

Each Sunday a few more Senior players are gaining valuable experience in how to assist in the canteen. There are still quite a few who have not ventured in, but it is hoped they will be willing to help, even for one hour, at the knockout and on the Sundays ahead.

Secretary, Jill and her assistant, Lesley, are getting quite efficient at making 20c bags of lollies and 'Ice Cups'. I think they are on the lookout for two apprentices to takeover their duties - any volunteers???? Dennis Hulston is definitely the person to teach new helpers how to make the perfect 'cuppa'. He was called on in an emergency and had a "BALL" for about 3 hours. What an experience - thanks Dennis. I wonder if he went home and made Lyn a cuppa.

The roster for Saturday canteen duty is below and if you can't make it on your day, please try to find another parent from your team to take your place.

TEAM REPORTS

Under 6A: This month we have played three games and managed to win all three games. 1/6/85 versus ETTALONG - this game resulted in a 3-1 victory. The goal scorers were Ryan Butler, Ben Carroll and Chris Forbes. This was a game that all the boys played well with Ryan Butler and Chris Forbes outstanding in attack. Shannon O'Reilly and Ben Storey were both constructive in defence. 15/6/85 versus BUDGEWOI. We achieved a 1-0 victory. The scorer was Glenn Coulten. Glenn Coulten was quite outstanding in all facets of this game. Damon Ainsley also played well in attack. In defence our key players were Phillip Buchanan, Ben Carroll and Craig Goy. 22/6/85 versus WYCNG. We managed to win this game 1-0. The scorer was Chris Forbes. The outstanding player in this game was Justin Carmody who, as usual, gave of his all. Prominent in attack was also Jade Rizzo. In the mid field Jade Rizzo and Stephen Bech were always creative both in defence and attack.

Coach.

Under 7B1: Due to the weather a number of games and training sessions have been missed. The results of those games played to-date are as follows.
13/4/85 versus Gosford - Lost, 20/4/85 versus Southern/Ettalong - Win.
18/5/85 versus Budgewoi - Win, 1/6/85 versus Wyoming 2 - Win
15/6/85 versus Kanwal 2 - Lost, 22/6/85 versus Terrigal 2 - Draw
Main goal scorers have been Craig Coulton and Phillip Mackie, while Joseph Mahoney has put in a solid effort in both attack and defence. Highlight of the games to-date was a great save in goal by Daniel Steel in the game against Terrigal 2. Two things to point out to the boys, do not take the ball from your own team mates, and follow through after kicking the ball.

Under 7B2: 1/6/85 versus Wyoming 1 Lost 2-1. Well after all the washed-out games we finally got back on the park only to play the Wyoming 1. Having not played for so long the team was rusty which showed in their game. We started the game with eleven players only to lose Nathan Maroney with a badley cut knee which required 5 stitches. With ten players and behind 2-0 the boys fought back with a good solo goal by Trent Hughes saw the final score 2-1. Well done boys.
15/6/85 versus Terrigal 2 Draw 0-0. A good game was played by the team. They had so many shots but just couldn't seem to find the net. 22/6/85 versus Terrigal 1 Lost 5-0. Although they lost they didn't stop trying. Their strikers were just too good for our backs. Players of the month, T.Hughes, N.Moroney, B.Tarrant, S.Costendorp, G.Hartzog. Sorry that I have not been able to attend the last two games.

Coach.

Under 8A: KILLARNEY DISTRICTS (WIN 2-1) Killarney Districts played well in the first half but after a good cross ball from Daniel Spencer and good ball work from Keenan Field we went to a one goal lead. The team continued to apply the pressure resulting in a Jason Magri corner being "bodied" into goal by Justin Nixon. Towards the end of the game the team relaxed and allowed a soft goal to Killarney. Highlight of this game was Michael Kennedy's defensive effort. Michael has been playing well as fullback but he really gave this game a big effort. SOUTHERN/ETTALONG UNITED (WIN 3-0). The team was primed for a big effort in this game as we had only previously had drawn matches with Ettalong. But through team effort and good goal scoring (Peter Miller, Jason Magri and a Daniel Spencer "chip" goal) we earned a good victory over a good Ettalong team. Highlights of this game were Justin Nixon's efforts as centre back and sound goal keeping from Adam Coulter. BUDGEWOI (WIN 1-0). A vdry good and even game of soccer played in ankle deep mud and with hockey sized goals. This was definitely our hardest game this year but a good team effort prevented Budgewoi scoring to made a draw of the game. Highlights were a tireless game in defence from Justin Anders, Ben Lyons and Michael Kennedy while Keenan Field's skill stood out as he passed through for Michael Buchanan to play his best game and score his first goal of the season. WYCNG (WIN 4-0) A game consisting of two completely different halves. In the first half with a good team effort we raced away to a 3-0 lead with goals by Jason Magri 2 and Keenan Field but in the second half the team work fell away and the lone goal was scored by Justin Nixon. Highlights were Jason Magri's work rate in the first half and Mark Drennans defensive effort

Kanwal Round Robin.....Results.....

versus Gosford City	1-0	J.Magri goal
versus Greta Branxton	0-0	
versus Woy Woy	2-0	P.Miller, MDrennan
versus Kanwal (2)	1-0	J.Magri
versus Medowie	2-0	J.Magri, M.Drennan

Playing at Doyalson on a bitterly cold day the boys played extremely well, handling the full sized soccer fields well and having 4 wins and a draw. Unfortunately they missed the final on a count back of goals from the team they drew with. Every player played up to his ability especially the five boys who took turns in goals, but a special mention must go to Ben Lyons and Michael Kennedy who spent all day at fullback making sure nobody scored against us and a quick look at the goals against figures verifies the commitment of these boys, Well done.

In a team of so many good players it would be hard to pick an outstanding player but while several boys had a game where they shone out the most consistently good player was Peter Miller. Peter plays left wing and gave 100% effort in every game, well done Peter! Lastly a word for the parents, Well done folks, it is great to see you support your children in the manner you have shown this season. Críey, wasn't it cold at Doyal!!!

Coach.

Under 9A1: 1.6.85 versus SOUTHERN, ETTALONG 1. WCN 2:0. Good defence from GRANT BAILEY and SEAN RYAN helped to keep Ettalong scoreless. SCOTT JAMES & BRADLEY HAM worked well by keeping the mid-field tight, while CRAIG HERRING was having a good game as striker by running onto the many centres that the defence were putting down the middle. Goal Scorer: CRAIG HERRING. (2). 15.6.85. versus BUDGEWOI WCN 1:0. This was a rewarding win for the boys, considering the field conditions, seemingly one-eyed refereeing from Budgewoi. BLAKE PAULL showed he liked the muddy conditions with some well positioned play. GRANT BAILEY, MICHAEL MCGARVEY & STUART FORTIER performed well in defence by clearing the ball out of the mud and onto solid ground for the forwards to take advantage of. DARREN BLAIR was solid in his defence. Goal Scorer. CRAIG HERRING. 22.6.85 versus WYONG WCN 4:0. Although the boys have played better games this one proved the boys can score goals. CHRIS MCCOSKER playing a new role in defence played well with his long clearing kicks down field. BRADLEY KIRK carried out his duties by keeping the bigger Wyong players quiet. We saw a fine display of goal keeping from MARK MITCHELL who remained calm while making some great saves under pressure. ADAM MARRIS was finally rewarded with a goal after consistent effort throughout the match. Goal Scorers. ADAM MARRIS (1), BRADLEY KIRK (1), BLAKE PAULL (2).

Manager.

Under 9A2: Well after a disappointing start to the season with all the bad weather, we have managed to play three games straight, and what great spirit they have been played in. Although we have yet to win a game the boys have been very unlucky. The first game against Southern/Ettalong although losing 3-0 was no indication as we had 70% of the play in their half. 1-1 against Killarney and a 2-2 draw with Umina on Saturday has shown all the grey hairs are worth while, with some excellent defensive work from Ben Piefke, Scott Bath and Stephen Graham and brilliant goalkeeping from Tim Smith. (Keep you hands off Moffat). Nathan Jones has been working well in midfield with Adam Kavanagh. Kirk Mercer is starting to show his true form as a centre forward scoring a great goal on Saturday. Keep up the tremendous job boys and we will come off the park cheering more often.

Coach.

Under 9B: 1.6.85 versus WYONG (3-5 LOSS) Even the poor condition of the bottom ground at Alan Davidson (a thought, no doubt, on the minds of all non-comp "B" coaches) could not justify the lack of effort by some players. With the exception of one player (who obviously should be in a "B" comp) Wyong was a very ordinary side. The forwards for Wyoming, Dean Turner, Andrew Hay, Trevor Fortune and Grant Walker tried hard but the defence let us down. Ben Noble and Martin Jackson played well in patches, as did Scott Medford and Wade Snashall, but over all not enough concentration. 15.6.85 versus The ENTRANCE (1-1 DRAW) First problem was

TEAM REPORTS

(cont)

Under 9B1 (cont) finding their ground, second problem was fielding a team on time and then for the second match in a row, third problem was concentration. The first half was concentrated around the opposition goal, with many near misses and good saves by their goalkeeper preventing us getting on the board. We were looking good with all members of the team playing well. Second half, back to sleep, and all of a sudden we're one down. Dean Turner scored to even it up, but we were lucky to get a draw. Wade Snashall played his best game for the season and Andrew Hay and Scott Medford gave their all, but tackling seems to be a dirty word at the moment. 22.6.85 versus EAST GOSFORD (1-0) A great effort by the boys, seeing that we could only field a fit players and 1 sick, and East Gosford had improved immensely since last season. All players put the effort in, tackled hard and often (thanks Warren Snashall), and were rewarded with the win. Ben Emery in the midfield was everywhere and improving with every game. The back, Wade Snashall and Scott Medford never stopped, and Matthew Sainsbury in goals, was determined not to let them pass. Ben Noble and Daniel Morrison kept working, and the forwards took every chance and could have easily been rewarded with more goals. Dean Turner kept up his record of a goal in every game. A much better effort all round and very pleasing to the coach.

Manager.

Under 10A: 18.5.83 versus Wyong Win 4-2 with goals being scored by D.Cunningham (3), J.Carlay (1). 1.6.85. versus Gosford Win 4-1 goals were scored by D.Cunningham (2) A.Hood (1) and 1 own goal. 15.6.85 versus East Gosford Win 3-0, goals were scored by B.Napier (2) and D.Cunningham (1). 22.6.85 versus Kanwal, goals were scored by D.Cunningham (3), B.Napier(1), J.Carlaw (1), B.Jager (1) and 1 own goal. Stars of the month are Daniel Cunningham who still continues to score goals with his speed and skills. Aaron Hood providing good support play for his speed wingers. Warren Stephenson who has been very solid as goalie, but loves to come in the game when he gets a chance. David Clarkson is a very dependable and reliable full-back. Keeps his mistakes to a minimum. Brenden Napier is starting many scoring moves with solid mid-field play. Highlights of the month is the great comeback against Wyong after being down 0-2 at half time to score 4 goals in the second half. Great pep-talk at half-time coach!! The boys have really got the idea about playing on wet fields. I don't know what we will do when it dries up!!!! Great team play against Kanwal. The boys really fired as a team unit. Coaches advice to the team to improve your game: Listen, watch, practice. It is most important to take your training runs seriously. Humorous incident was our poor goalie Warren. He has one game out in the middle reckons he can head the ball as well as those forwards, but does not realise that it comes down from a million miles up, it weighs a ton - nearly knocked himself out.

Manager.

Under 10B: 1.6.85 Played Terrigal away at Terrigal Lost 3-0. The bad on conditions for play or lack of it this season has certainly slowed the boys down. The first half of the game was very ordinary in which Terrigal went up 2-nil. After a brilliant speech by the coach at half time and the boys seeing their parents crying on the sideline they took it upon themselves to riasa a sweat and have a go. Consequently 1-0 second half, a vast improvement in skills, position etc from the first half and we were unlucky not to have a couple of goals but the old offside robbed us of these. A determined and sustained game from Andrew Smith today should show the boys what can happen if you keep trying. Once again Shannon played well in defence and only got the wanders once or twice. Ben and Grant kept annoying their back like a couple of hungry fox-terriers whilst the mid field tightened up their defence and attack. All in all the second half showed that the boys have still got it but we need some decent weather to get it out. 15.6.85 At home to Berkeley Vale Lost 7-0. As it can be seen by the scores the boys aren't putting enough into practise that they are being taught at training. You can't win games by standing back and watching and by wild kicks which most often miss the ball. There must be more commitment to getting to the ball first, tackle the opposition off the ball and ball control before you try to do something with it. It would do most of the boys well to watch the effort put in today by Colin McCrone, he may never be another Kevin Keegan but with his effort he will always have a place in the team at any level he chooses to play. Once again position caused a lot of problems but we will keep working on it and we may find it all happening to us. At least we are all kee

Under 10B (cont) to play and learn but we must all think more and move more as a team. Good to see Thomas Wanner back after his broken arm and playing well. 22.6.85 Played Southern/Ettalong at home lost 5-0. The usual start to the game where most of the boys went put into practice what they are being taught at training, consequently down 4-0 at half time. A bit of a round table conference about how they are expected to occasionally touch the ball, even kick it now and then. Said something like they could even tackle the opposition off the ball if they wanted to, but not too strenuous like as they were only out there to beat us. Anyway something must have worked (maybe me, Mums & Dads all crying) but the boys came on the field and only allowed 1 goal against them in the second half and were extremely unlucky not to have a couple up for themselves. The lads played as a team, moved the ball around and even had a go at ball control. Well done second half fellas.

Coach.

Under 8B2: 1.6.85 versus Kanwal 3 Win 5-0 with goals being scored by Jonathon Fenwick 3, David Stuart 1, Matthew Learmonth 1. 8.6.85 No Game. 15.6.85 versus Curimbah Draw 1-1 with Jonathon Fenwick scoring the goal. 22.6.85 versus Budgewoi Win 2-0 goals being scored by Matthew Learmonth 2. Stars of the month are Jonathon Fenwick who scored 3 goals against Kanwal's 3's. Luke Meany for good defence against Curimbah. Grant Hines who never stops trying, unlucky not to score a goal. Marthtew Learmonth who has scored 3 goals in the past 3 games. Highlight of the month would have been the good win against Kanwal 3's 5-0. with goals being scored by Matthew Learmonth, David Stuart and Jonathan Fenwick kicking 3 goals. Advice to the team is to follow the ball at all times. But most of all to enjoy playing soccer. A special "Thank You" goes to all the parents who have wahsed the herseys, "Thank You" and also to parents who have supported our team well. Humorous incident of the month would have been at Alan Davidson on the 22/6/85 against Budgewoi, Luke Meany asked me how much does a soccer ball coast??During the game!!!!

Coach.

Under 11A: Last month has been a very rewarding month for the team. Without a goal being scored against it the team is starting to play as a team and the opposition is left in the wake. Although not scoring many goals the main emphasis has been on teamwork and it will pay dividends in the long term. The games played and results are versus Gosford 3/0, versus Killarney (2) 2/0 versus Kanwal 2/0. In the game against Kanwal the team played the best soccer all year and pushed the ball around with a bit of class. The score could have been a cricket score but for poor finishing. The players are learning to think they don't have to go forward all the time to play well. Players to have played well over last month are Glen Durie who is getting better every game, Ryan Marshall in a midfield role and Stuart McAteer in his central stiker position.

Coach.

Under 11B: 27.4.85 versus Kincumber - Result Washed Cut. 4.5.85 versus Bye. 11.5.85 No Game. 18.5.85 versus Toukley Result 0-1 Loss. After four weeks of no training and games the whole team lacked enthusiasm and commitment. Craig Morg David Lindsay and Neil Cox the only players to stand out. We had 80% of game but lacked the peretration to finish moves. 25.5.85 versus Curimbah - Result Washed 1.6.85 versus Terrigal Result 1-0 Win. After another two week break and on a saturated pitch the team was not really troubled. Luck in front of goals did come our way but Neil Cox scored from a good corner from David Hildridge. Man the match was the opposing goalie who saved numerous shots. David Lindsay and David Maryska had top games. 8.6.85 no Game. 15.6.85 versus Berkeley Vale Res 1-1 Draw. The team did not perform well after another two week break and it was only in the last few minutes that we gained control and David Maryska scored a fine individual goal to level the scores. 22.6.85 versus Southern/Ettalong R 4-0 Win. A great effort from the whole team in defeating the competition lead. It was good to see all the boys passing, tackling and looking for the ball. Congratulations boys on an entertaining game. Coaches advice to Players. During game be aware of where your team mates are and where the ball is - this is ca

Under 11C1: 1.6.85 versus P.M.K. Win 4-0 goals scored by S.McGarvey 1, R.Hay 2, W.Jones 1. 15.6.85 versus Kincumber Win 3-0 goals being scored by R.Hay 2, D.Fry 1. 22.6.85 versus Kanwal Win 4-0 goals scored by R.Hay 2, D.Hogg 1, D.Fry 1. Dallas Fry was one of the stars of the month for his excellent half setting up many chances and scoring a couple himself. Duncan Hogg is the other star of the month for his blistering speed on the wing often turning defence into attack. Highlight of the month would have to be concluding the 1st round without a goal being conceded. Coaches advice to the team is to keep up the good work, and make sure your father or other checks the sprigs on your boots for sharp edges and files them off before each game. Special message to the parents...we would like to see more parents watch this magnificent side progress hopefully to the grand final. Versus P.M.K. Win 4-0. A very exciting game which saw all players put in a 100% performance. The game started with both sides very tense. A beaut goal from Robert Hay seemed to break PMK up and we went on to really give them a hiding. Outstanding players were Robert Hay, Duncan Hogg, Derek Mayes and Arron Hughes with some great saves again by Ravi McCosker. Versus Kincumber 3-0 Win. Well what do you say about this team. They still haven't conceded a goal so far this round. The whole team is playing well each week and a few have improved their general play and skill that really puts scares into their opposition. Those improved are Dallas Fry, Duncan Hogg, Matthew Kirk, Arron Hughes and Ravi McCosker form one of the best defensive trio's in the comp. Robert Hay as captain of the side leads the way in every game scoring 2 goals again. Other goal was scored by Dallas Fry. Versus Kanwal Win 4-0. Well they have done it again. Great game by Michael Green who ran himself to a standstill. Robert Hay scored 2 goals, Duncan Hogg scored his first for the season and the ever present Dallas Fry scored the other. After the first round we have scored around 25 goals and have conceded none.

Coach.

Under 12A: 1st round results versus Davistown 2-0, versus Umina 2-3, Versus Toukley 12-1, versus Southern/Ettalong 2-0, versus Berkeley Vale 4-2 and versus Kanwal 3-1. This season's new additions Dale Condon, Joel Evans, Trevor Rizzo, Adam Clarke and Brad Place have fitted in nicely and are acquitting themselves well. Results show that the team is performing well, however, we managed to 'escape' three of the toughest opposition and the next month will determine our fate for this season - the hardest and most challenging since we started in '82.

Coach.

Under 12B: 13.4.85 Bye. 27.4.85 versus Gosford Draw 2-2 with goals being scored by Darren Fraser and Brendon Price. 27.4.85 versus Killarney District washed out. 18.5.85 versus Budgewoi lose 3-0. 25.5.85 versus Curimbah washed out. 1.6.85 versus Terrigal lose 0-1. 15.6.85 versus Wyong lose 0-2. The star of the month is David Allen for great goal keeping, and has kept us in the game always, great effort David, keep it up. Due to the wet weather we haven't had much training there no team work training. The coaches advice to the team is that all boys should then be training at home. Humorous incident of the month, own goal scored by Greg, don't worry mate it was a good goal.

Coach.

Under 13A: Wyoming versus Wyong 18.5.85. Wyoming showed in this match that the enforced break from playing because of the weather had not dampened their enthusiasm and skill. In the first half Wyoming completely dominated the match with midfielders Luke C'Too and Greg Preston controlling play and distributing some great balls to the strikers. The Wyong keeper was the busiest player in their side making some great saves from shots by Ian Carstairs and Anthony Vos. Greg Preston also had a great chance to put Wyoming in front but his shot hit the crossbar and was cleared by Wyong. Wyong's only chance in the game came just before half time when Wyoming failed to clear the ball their penalty area and Wyong put it away for a one nil lead. In the second half Wyoming continued to attack and play some great football with Sam Henwood at the back, Martin Doe in midfield and Adam Rogers up front all combining well and making some great passes. Wyoming's pressure payed off after 10 minutes when Anthony Vos scored.

TEAM REPORTS
(cont)

Under 13A (cont) a great goal from close range to level the scores. This goal spurred Wyoming on and they went ahead 5 minutes later through a top effort by Greg Preston after he followed up an Anthony Vos shot and scored from close to the by-line. Wyoming wrapped up the match with an unstoppable shot by Damien Jones after some good lead up work by Adam Rogers on the right wing. Final score Wyoming 3 Wyong 1. Best players, Greg Preston, Sam Henwood, Martin Doe and Luke O'Toole. Wyoming versus Gosford 1.6.85. Wyoming played some of their best football of the season in this game and the final scoreline of 8-0 showed the difference between the team. Wyoming took control of the game from the start and with forwards Ian Carstairs, Anthony Vos and Adam Rogers peppering the goalmouth the Gosford keeper had a very busy afternoon. The Wyoming defence didn't have a great deal to do in the match, but when the Gosford side did mount an attack the boys handled the situation very well. Full marks to keeper Jarrod Mobberley for staying warm for most of the game (due to some good passbacks). The midfield of Luke O'Toole, Martin Doe and Greg Preston fed some great balls to the forwards with the goals being shared by Anthony Vos, Ian Carstairs, Adam Rogers and Damien Jones. The whole team played very well. Wyoming versus East Gosford 15.6.85. This game was probably the hardest the boys have had all season and the final score of 3-0 to Wyoming didn't really indicate the game. The East Gosford side put pressure on Wyoming from the start and almost scored on a couple of occasions early in the match. Wyoming went into this game with a couple of players, Darren Cocks and Martin Doe, carrying injuries. Both players played very well with Martin having probably his strongest game of the year. The halftime score of 0-0 was a fair indication of the game with both sides playing good attacking soccer. Although Wyoming's usual smooth build up was disrupted by the East Gosford players getting to the 50/50 ball first. The second half started with Wyoming settling more into their usual pattern of play with the players passing the ball around and looking for openings in the East Gosford defence. Martin Doe made some great weaving runs and Luke O'Toole and Paul Ferguson distributed some beautiful balls to the forwards. The first goal came after Anthony Vos received the ball just outside the penalty area, with his back to the goal he flicked the ball over the keepers head for a great goal. Ian Carstairs made it 2-0 with an unstoppable free kick just inside the box. Martin Doe capped off a great game with a brilliant solo goal, beating 4 offenders after picking the ball up just inside the opposition half. Overall an excellent win which should keep us on top of the table. Best players, Martin Doe, Luke O'Toole, Anthony Vos and Paul Ferguson.

Coach.

Under 14A: As usual when writing the 14A team report we don't have many games upon which to comment, however, a first win of the season over Wyong 2-1 with goals from Mathew Nash and Stuart Finlay gets us off to a good start. In winning the game we did not play well and made it easy for Wyong to keep with us throughout the game. Best performances came from Mathew Nash, Stuart Finlay and Jason Jay. Losing 3-0 to Curimbah did not do our confidence much good but top games from David Bell and Stuart Finlay and brace goalkeeping from Jarrod Mobberly stood out as highlights. Unfortunately there were also low lights in the game especially the referee allowing the opposition strikers to charge the goal keeper in the air and making up his own variations of the rules as the game went on. However, not all the low lights were other peoples, we managed to play without team work and commitment. At last our second win of the season and achieved by Ettalong going to the wrong ground and forfeiting the match, however there was good news. When Ettalong finally found their home ground a game was arranged which we won 4-0 with 3 goals and a top effort to Mathew Nash and 2 goal to Robert Denton. The players enjoyed this rare game of soccer realising that with byes in the next two rounds they had better play what they can. More team work was evident with only lack of finishing keeping the score down to 4 goals and a top effort from new goalie Stuart Finlay keeping Ettalong from scoring. The enjoyment from this social match makes me wonder if we should just forget competition and stick to social games. Finally a special word about our Manager, Dennis Hulston. Dennis has done a top job so far this year showing enthusiasm at both training and the games so boys how about we give him some wins in the second half of the season.

Coach.

Under 16A: Versus Umina 0-0. A good game enjoyed by all spectators and players alike. A fitting result for a game played in the right spirit, with all players sticking to their guns and playing good constructive soccer. Versus Killarney District 3-2 Win.

TEAM REPORTS
(cont)

Under 16A (cont) A good first half playing with the field very heavy after the previous weeks rain, leading 2-0 at half time and then Killarney put their act together in the second half with 2 goals, making the score 2-2 with 5 minutes to go. Raymond Walker then scored the winning goal. Welcome to the team David Rankin who played his first game of the season that day. Jason Fernandez and Mark Burgess played well for the full 70 minutes. Versus Woy Woy 6-2. This game was a disappointment to all the parents who turned up to watch. A very poor display against a weak opposition. All the fundamentals of the game were forgotten, too many boys doing their own thing for-getting about team work. D. Rankin and D. Lyons were the best on the day.
Coach.

LADIES SOCCER

Under 15: 16.6.85 versus Kincumber 8-0 Win. This was a good team effort considering the lack of training due to the wet weather. We scored five goals in the first half 2 goals each to Diane Fathers and Karen Maythers and one goal to Nicole Upston. But we took it a bit easy in the second half scoring 3 more goals the scorers were Diane Fathers, Michele Davidson and Kylie Whitburn. There were a lot of goals missed in the second half because you all were trying to score. But it was a good effort. 23.6.85 versus Ocean Beach Lost 1-0. We attacked better in the second half but just could not get the ball in the net. Paula Frost had a chance to equalise but missed kicked and the ball went wide of the post, only minutes later from a goal kick Paul kicked the ball across the goalmouth and three of the girls missed the ball. A bit more concentration girls please. Best players for us were our 2 fullbacks Kylie Whitburn and Michele Davidson, Nicole Upston in the midfield with Lisa Carstairs. In the forwards no one tried harder than Paula Frost and the second half replacement Katelyn Krogh. Also our keeper Diane Father, who I would like to wish her all the best in making the State side as No. 2 goalkeeper also Lisa Van Dorp in the Under 15 Stateside. Best of luck to you both.
Coach.

All Age: Wyoming 1 Beat Woy Woy (a) 0. After 5 weeks of not training or playing the girls put up an outstanding performance to defeat arch rivals Woy Woy. They started off at a furious pace passing the ball around freely and judiciously to have Woy Woy rattled. After 15 minutes Kim Smith goaled after some sound lead up work down the leftside and a lovely cross from Lisa Van Dorp which found Kim Smith free on the Far post. The game then developed into a dour struggle with play flowing from one end to the other but the girls maintaining control throughout for a most deserving win. Wyoming 10 Beat Ocean Beach (B) 0. Scorers: Donna Pullen 3, Joanne Callaghan 3, Kim Smith 2, Belinda Pudsey 1, and Robin (super-striker) Brown 1. After last weeks big performance the girls began this match as though a win was not important and it took 25 minutes and a goal to shake off the cob-webs and realise a win was there for the taking. The girls made very basic errors - offside body behind the ball etc., in the first half but showed much better control and determination to register a big score, although offside play was still rife in the second half costing us plenty of further goals.

CONGRATULATIONS!!!! Three girls from the Club have managed to gain selection in the State teams announced at the completion of the title held in Lismore. They are Donna Pullen who made the All Age team that plays in Melbourne from August 25th - September 9th. Donna has been playing with Wyoming for 2 years after moving from Sydney. The other girls selected were Lisa Van Dorp who has been with the Club for 4 years and the Central Coast side for 3 years and Diane Fathers who has been with the Club for 4 years and Central Coast side for 3 years. This is the first year in the State teams for each girl and they hope you will support them in their fund raising activities to offset the costs. Watch for details in your "Tiger Tales".

Norm Fathers.

SENIOR SCENE

4TH GRADE: 14.4.85 versus THE ENTRANCE: Lost 3:2. The team were unlucky to lose this one after leading 2:1 at half time. The team members were still trying to get to know each other. This game was the first opportunity to play as a team. The forward line of MICK MACKIE, GLEN MAYALL and MITCH AINSLEY performed well with some sound work in defence from JOHN DOHERTY. Goal Scorer Ainsley and Mayall. 21.4.85 versus WOY WOY 4:1 Win. Playing a depleted Woy Woy side, Wyoming missed a lot of scoring chances. Everyone was trying long scoring shots rather than settling down and passing the ball more often. MICK, MITCH, QUACKER and GLEN now starting to develop some understanding with each other while BILL, TONY and Captain BRIAN gave good support. Humorous event when Woy Woy scored, their small forward broke clear of Wyoming's defence, lined up his shot and missed the ball completely. Keeper and defence were too busy laughing to notice the forward gather the ball and managed to push it into the net on his second attempt. Goal scores AINSLEY (2), MACKIE (1), CRONIN (1). 12.5.85. versus BUDGEWOI Lost 4:1. A depleted team took the field, struggled throughout. Tempers of certain players were tested and some failed. Thanks to Trevor McDougall for a fine game and helping us out. Goal Scorer AINSLEY. 19.5.85 versus KILIARNEY DISTRICT. Lost 2:1. The team went to an early lead in the first half, but couldn't hold it together late in the second half. Goal Scorer MAYALL. 2.5.85 versus DAVISTOWN Won 3:2 The forward line showing better understanding during this game. The defence held out a determined opposition while Stuart Lenard made a number of good saves in goals. Goal Scorers G.MAYALL (2), L.WYBURN (1). 16.6.85 versus SWANSEA Lost 3:0. A few silly mistakes in defence in the first half enabled Swansea to go to a 3 nil lead at half time. In the second half the players were able to keep the half scoreless although our forward missed a few opportunities. Welcome to new member DENNIS McCANN. 23.6.85 versus THE ENTRANCE Won 5:0. This game was a just reward for the players after narrowly losing their first round match, the players had a positive attitude for this game. All the players combined well, the defence with tight marking, mid-field with their support to defence plus ample supply of the ball to the forwards. The forwards were given the opportunity to generally roam free and took advantage of these chances. Well done FLASH on your first goal of the season. Welcome to new member BRIAN SUTTON. Goal Scorers MAYALL (2) AINSLEY (1) SIME (1), DOHERTY (1).

Coach.

3RD GRADE: 2.6.85 versus DAVISTOWN 3-1 WIN. A tremendous win for the team played in swampy conditions. From a good clearance by W.Snashall re-bounding off the chest of R.Frame saw the ball dribble into the net. Score 0-1 at half time. In the second half T.Jones leveled the score with a 25 metre drive. This lifted the team to go onto a 3-1 win. With all goals coming from the midfield. Scorers T.Jones 1, B.O'Toole 1. P.S. Who was the forward complaining to the referee for a penalty when he had already awarded a goal to Wyoming. Best dressed award to R.Frame. 16.6.85 versus Swansea 1-0 Win. After three previous losses to Swansea in 1984 the team recorded a history making win with Ron Hill scoring from a Terry Jones cross late in the second half. A good effort by all players. scorers R.Hill 1. 23.6.85 versus Entrance 1-0 Win. Today's game started with a re-shuffled team due to injuries to players. A hard fought game on a terrible surface saw the team go up 1-0 at half time. In the second half the game was evenly contested by both sides with Wyoming going home with the two points. Many thank to Jock (goalkeeper) Dave Taylor and Mark Green. Scorer D.Taylor 1.

RESERVES REVIEW

Since last report the team has still been playing well. Results are:-

2.6.85	Wyoming	v	Davistown	Loss	0-1.
16.6.85	Wyoming	v	Swansea	Win	3-1
18.6.85	Wyoming	v	Swansea	Loss	0-4 (Association Cup)
23.6.85	Wyoming	v	Entrance	Draw	3-3

The loss against Davistown was our first and the boys may have become a bit complacent as they played the better soccer. Although we usually have a different lineup each week the team spirit is such that the new players quickly settle into the style of play the team has been producing. The Clubs first priority is to our First Grade side and players in Reserve grade are anxious to help out where needed. The same can be said of Third Grade as Dino always asks if any of his side are needed. Steve Farthing, Warren Malcolm have played up for us and other players have been ready to fill in if needed. Thanks fellas for your help. The match against Swansea saw the return of the "GODFATHER" who showed everyone that he can still be an inspiration to the younger players. He even scored two goals!!!

We faced Swansea again in the Association Cup on Tuesday and again the Swansea side proved the better on the night. Thanks to Ron Frame, Ron Hill, Steve Farthing and Dave Vickery for playing.

We still seem to attract players and our first game of the second round saw Brad Strachen, Barry Tuddenham playing their first games of the season. We also had Dave Talbot, Mark Green and Ron Frame into the side. Its good to see players coming back again and giving their best. Strachen kicked two goals in his first game back and Bestie beat the keeper again.

Keep up the good work.
