PRESIDENT'S CORNER

This season the Club again is the largest on the Central Coast, with 39 teams and 540 players. It is a massive job to keep all people pleased but I must stress that all decisions made by the management committee of the Club are for the good of the Club and not one team or one individual. This policy has been one reason the Club has been so stable over the last 8 years. We are a Club united and once you accept that fact, you will understand why certain decisions are made.

Obviously with so many players the committee and the teams coaches and managers have an unenviable task. The success of the Club will look after itself. Our aim is to foster soccer by grading players according to their ability and encourage the better players to advance to the highest possible level even if it means that the player will leave the Club to represent the district. It will lead one day to a local player playing for his country. When that day comes we can all be proud.

Development of player's skills and attitudes to the game should be paramount in our coaching. Individual skills must be encouraged as well as team skills and all too often one is sacrificed for the sake of the other.

Over the past few years the Club has been tardy to encourage coaches to improve their own skills and knowledge. In March of next year a days coaching session will be organised for all the Clubs' coaches. It will be compulsory and others will be arranged on various Monday nights throughout the year. Our aim will be to improve our coaching strength. This strength will carry over to the players.

I would like to take this opportunity to thank the committee for their sacrifices throughout the season without their dedication the Club would not run as smoothly.

As can be seen from the Club records the Club overall had a lean year, but that should not detract me from praising the winners. Ed Mason 10A, Ken Morgan's 11B and John Hughes 11C1 won their respective competition and did the Club proud.

Of the other teams no team did poorly. Everyone should be proud of their efforts. As long as you tried your best, improvement is automatic. Congratulations to all concerned.

I hope you enjoyed your season I'll see you around the Bar-B-Q plate.

K. Best
President

FINAL SECRETARY AND SOCIAL SECRETARY REPORT

Today marks the end of yet another soccer season. I would like to take this opportunity to congratulate the three teams who took out the premiership in their respective age groups, Eddie Mason's 10A, Ken Morgan's 11B, and John Hughes 11C1 teams. However, lets not forget the other teams that range from U/10 to U/16 who have all played to the best of their ability. It is all the teams in those age groups that play and work hard each week for the results that have given us the Sterland Trophy for the 7th year in a row, and I am sure you agree that this a splendid effort by everyon . Congratulations are in order to ALL players on such a great effort.

Congratulations to all award winners today and included in this I would like to mention my husband Graham who received his 10 year certificate for coaching. In his 10 years of service to the Club he has won the 9A, 10A, 11A, 13A and 14A premierships which is remarkable effort. A lot of time has been given over the last 10 years to his team and I am sure that I speak for the boys parents when I say it has been appreciated. He only coached the 6A team because there wasn't a coach. How different our life could have been if he hadn't started with the team. I might have been a bored housewife!!!!!! instead of??????????????.

It takes alot of people to keep our Club running, when you are such a large club, the work is continual. Thank you to my fellow committee members who work hard in their various jobs. To my assistant, Lesley, thank you for all year help this year and I look forward to working with you again next year. To the coaches who turn up week after week to train our boys, thank you for your time and dedication. Also let's not forget the managers of those teams who take on the administive work so the coach can concentrate on coaching, thank you all.

Socially we have held various functions since the end of last season starting with a Melbourne Cup Luncheon, a Christmas Cricket Match at Avoca Oval between the coaches and players, a beginning of season dinner at the Leagues Club. We also held an under 6 and an under 7 knockout which was financially successful to the club. To all who helped on those busy days, thank you very much. The chocolate drive is at long last nearly over. Prizes are available at the presentation today. If you miss out give me a ring on 284107 and I will arrange to get them to you. There is still some money outstanding and your urgent help in finalising this would be appreciated. I would like to thank John Hughes from HOMESTEAD CHICKEN at WEST GOSFORD who has taken all chocolates that have been returned and is now selling them in his shop. There is nothing in it for him, so while you are thinking of a take-away meal, how about you think of HOMESTEAD CHICKEN, you won't be disappointed.

Many of our players have represented their school in various soccer teams, some of these have been successful and while they might be in their school colours and playing under the schools name they are still out boys and we do like to hear of their success. To our representative players from under 10 to U16 you have all done well this year and the experience gained by them can only help us build a solid club in years to come.

Our Annual General Meeting is being held a month later this year, and we look forward to seeing you there on Monday 28th October at the Central Coast Leagues Club starting at 7.30pm.

In concluding, thank you to the committee members who have helped each month putting Tiger Tales together.

Hoping to see you back in 1986.

Jill Smith
Secretary

TEAM REPORTS

Under 10A:

3.8.85 versus TERRIGAL LOSS 0-1. 10.8.85 versus GOSFORD WIN 5-0.
goals being scored by D.Cunningham (2), B.Napier (2) and W.Stephenson (1).

17.8.85 versus EAST GOSFORD WIN 5-0, goals being scored by D.Cunningham (2), B.Napier (1), M.Wilkie (1), A.Hood (1). 24.8.85

KANWAL LOSS 1-2, goal was scored by D.Clarkson. The Stars of the Month were Brendan Napier who always gives his very best effort, no matter which position he is playing. Simon Nash who is very strong and intelligent in mid-field play. Ryan Collins, always safe and reliable as a defensive fullback. Highlights of the Month....very exciting team play in the final games of the season. The boys have really shown the benefit of a seasons training and playing together. Congratulations to the 13 members of the team for making the semi-finals in their first year of competition, Luke, Scott, Aaron, Gavin, Mathew, Simon, John, Brett, Warren, Daniel, Brendan, Ryan and David have all improved greatly as soccer players with a lot of patience, help, time and guidance from coach Eddie Mason. The best of luck in the end of the season finals.....

I still can't believe it!! There we all were on grand final day, players and supporters, in the pouring rain at Umina Oval facing up to The Entrance. The boys from The Entrance had beaten us in the rounds, as well as everyone else, and had also soundly beaten us in the major semi-final. But somehow Wyoming versus The Entrance, seemed to be an inevitable outcome for this soccer season, and so they faced one another for the last match of the season. A major upset seemed to be in store right from the kick-off. These ten year olds from Wyoming were having none of the talk that The Entrance were definite Premiers and that they were there just to make up the numbers. The Entrance scored first, but against the run of play, and the Wyoming boys were really playing their best soccer of the season, carrying on the good work from the 2-1 win against Wyong in the Final. Our team really did leave it a long time to equalise, but most deservedly, and only 3 minutes from full-time, Daniel scored the goal that they had worked so hard for. This took us into extra time, and for the first time supporters really saw that we might have a Premier team. At the conclusion of the first 10 minutes of extra time: the score 1-1 (Joint Premiers??maybe!!) Another 10 minute extra time. Boys from both teams were now very tired, but the Wyoming boys refused to give in and finally, a shot for goal, rebound off the post and John scores the winning goal, 2 minutes from the end. As I have said--- I still cannot believe it!!!! However, soccer for the ten-year old boys is not really about winning grand finals, even though we are all very proud and pleased about their achievement. The greatest success of this very long season is that everyone of the boys has shown improvement in their skills as a soccer player and in their ability to play as a member of a team. With these two factors in mind I would like to give mention to each one of the boys in turn.

JOHN CARLAW - John's speed on the field was a great asset to the team and during the season his ball skills improved to match his speed. Along the way he scored 14 goals, including an incredible 5 goals against Davistown.

DAVID CLARKSON - a soccer team could not ask for a more reliable player. David made very few mistakes on the soccer field, and was a absolutely fearless full-back. I am sure that he would run through a brick wall for his team.

RYAN COLLINS - we could aptly name Ryan, "Rowdy" on the soccer field, He did not have much to say, but his consistent and calm play at full-back, got his team out of many close situations.

DANIEL CUNNINGHAM - I have seen Daniel play soccer now for four seasons and am still amazed at the skills possessed by one so young. Daniel is now using those skills to great advantage and is developing as a great team player. During the season he scored an amazing 25 goals, only failing to score in 3 out of the 21 games.

Under 10A (cont)

AARON HOOD - Aaron's abilities as a soccer player have improved immeasurably this season. His confidence in those abilities is showing out more and more, as he becomes a most thoughtful player and team member.

BRETT JAGER - Brett was always one of the hardest working members of the team. He worked very hard on developing a powerful boot and used this to advantage on many occasions. Brett said little, but did a lot for his team.

SCOTT MACKETT - what a dynamo on the field! He might tuck his shirt into his socks (it was hanging out most of the time) but heaven help those opposition players if they took him on for possession on the ball. He just could not give in, no matter what their shape or size.

LUKE MASON - an absolutely tireless worker on the soccer field. Luke was another of those players who was never beaten. His level of soccer skills is improving all the time in every aspect of the game.

BRENDAN NAPIER - Brendan showed himself time and again to be a marvellous team support player. He was always there in position, just when he was needed. His skill as a team player was justly rewarded as he collected 7 goals throughout the season.

SIMON NASH - a very composed, calm and most skilful soccer player. Simon consistently proved himself to be a most invaluable team player, repeatedly getting his team out of difficult situations.

GAVIN SINGH - Gavin was another of the players who has improved greatly as a skillful team member throughout the season. He has worked very hard on his skills and has filled any position in which he has been placed with great distinction.

WARREN STEPHENSON - goal-keeper has to be the worst position in any junior soccer team, and so, it is great to see the truly skillful keeper that the 10A's have developed this season. Warren really has learnt the finer points of this very difficult position, quickly especially as he really did enjoy playing out on the field.

MATTHEW WILKIE - any team could not ask for a more solid and reliable team player. Matthew would try and try and never give in, and is also developing his soccer skills very nicely. Another of our players who I am sure could walk through brick walls.

SCOTT JAMES - Scott played a most invaluable part in the success of the team, particularly at the end of the season. Scott came up from the 9A's to fill in as a reserve when he was needed. At times he knew he was only playing half a game, or only 10 minutes, but still he was reliable. I extend thanks to Scott and his family on behalf of the team.

COACH MASON - I include Eddy in this list because he is as much a part of the team as any of the boys. His devotion to the team and to the welfare of each and every one of the boys in his charge was above and beyond what any parent can expect from a coach. Eddy spent many hours of his own time refining the skills of a soccer coach, attending coaches lectures and training clinics, as well as the hour and half each week for seven months, so that our sons might improve their own skills and benefit as members of a team. Congratulations Eddy on a job well done with a group of thirteen, ten year olds, who as we all know can try the patience of a saint at times.

Finally, thanks to all our supporters, Mums, Dads, brothers, sisters and grandparents for being there each Saturday at 8.30. The team could not have done without you.

Mike Hood
Manager

TEAM REPORTS

Under 10B:

Round 11 away to Umina Won 1-0. At last, a win. Maybe it was the weather or the glum looks on the faces, but the lads put it together a bit better against a much improved Umina team and came out rewarded with a well earned win. Maybe the score could have been one or two higher but a lack of direction and not having been near the opposition's goal mouth for a while probably took its toll. Good to see our resident goalkeeper Raymond move his feet and pull off some very nice saves, just needs to clear the ball a bit better but one trick at a time. Moved a few of the boys about again and had some good results from them. Nice to hear Shannon hasn't lost his voice when calling for the ball, he's filling in at left wing very well and is becoming an asset to the team in his new position. Gave Brett a run a right wing and once he knew where he was we got some nice play from him. Our goal was scored from play by our 4 forwards resulting in Craig just having to touch the ball to make it roll in from a nice driving shot from Shannon. All in all a vast improvement on previous weeks. Keep it up boys and we may shake another of teams. Round 12 6.7.85 Bye. Round 13 away to Killarney at Woy Woy Won 2-0. 13.7.85. Another win from the boys. Getting into the habit now, two in a row. It was good to see a bit of team work from the lads and also an effort from them at ball control. As the result shows, as few of the skills came out. Moved the team around again to see how they would go and it certainly suited Luke Luffman. He played a blinder as fullback. A nice goal each from Ben Bowyer after some good lead up work and a brilliant shot from Thomas Wanner off a Craig Hoffman corner. Just shows what these first time shots can do. All in all a much improved game from the troops with only a couple of boys not greatly interested with proceedings, but at this age we can't expect them to be flat out every week, as we are here mainly to enjoy the game with the development of skills and balance as an added bonus. Round 14 20.7.85 at home to The Entrance 0-0 Draw. Once again the boys decided from the kick off they were not going to be beaten. As the result shows, they weren't, but were very unlucky not to have had one or two goals. They must drive the ball into the net and not tap at it as they have been. The new positions seem to be suiting the boys now and they are moving the ball a lot better. Once we get Shannon to untangle his feet we will probably see a couple of goals from him. Still have to drop a bomb under a couple of the boys to keep them awake for the full fifty minutes. But in all they are starting to put their game together after a very bad season weather wise. 21.7.85 Played in the 6 a-side at The Entrance. A completely new approach to soccer at which neither the boys nor I knew what the regulations were. Apparently the idea is to push, shove, trip, hand ball or anything until you are unlucky enough to be penalised. But the boys really showed everybody how they could play and held their own. We may not have won but we certainly let them know we were there. Well done boys. 27.7.85 Round 15 At home to Budgewoi 0-0 Draw. What a game! Superlatives fail me, but I'll do my best. Right from the kick off the boys were determined they weren't going to be beaten. They played hard and well, received and handed out and gave as good as they got. It was good to see the lads all put in a much more concentrated effort and it certainly paid off. Raymond defended the goals as though his life depended on it (and it probably did). We only need to tighten up the midfield now and we will have a team capable of doing some damage in the finals if we make them. Keep up the pressure boys and I'm sure that if we make the semis we will have a few of the so-called top teams panicky. The mums and dads were treated to some fine entertainment today. 3.8.85 Round 16 Away to Ourimbah Lost 0-5. What a let down. After last week's performance we all thought the boys may have finished the competition on a big run, but not to be. A very poor display from a half interested troupe. Maybe they were saving their strength to eat their lunches, whatever it was, it was not for soccer. We held out to nil all till about 3 minutes before half time when Ourimbah were given the ball in our goal mouth and only had to fall over to put it in. Once again not looking to see where to kick the ball, just the wild kick of which I talk about week after week at training. Maybe next year

the boys will listen to the coach a bit more at training. They all have the ability and on a good day there wouldn't be a team in the comp to beat them but alas, good days are so often on wednesday instead of Saturday! Round 17 Home to Terrigal Lost 0-3. A further run in the rut, The boys seem to have lost interest at present, maybe they've come to the end of the season early. Not to worry, there's always next season or next week. Put Brett Van Munster in goals for today and he had a superb game. Once again the midfield let us down with the boys mostly out of position. It's near impossible for our strikers to get goals if they don't get the ball. I'll try a new system of training next year (if you play 100% this week, you can have a run next week), maybe that will work. Round 18 Away to Berkely Vale Lost 0-3. I was flabbergasted! It's there but it won't come out. We even saw Raymond's feet leave the ground, both at the same time and not fall off his legs. A goal keeper can't do much when he is on his own for defence. Anyway one more game to go till the end of the rounds and I will take this opportunity to thank the mums and dads for their undying support of the boys, my manager and myself. I've had a lot of fun coaching the boys this year and hope they continue to enjoy their soccer into next year and beyond. Remember the first rule of soccer boys, "at your age enjoy the sport". 24.85. Round 19 Away to Southern/Ettalong Lost 0-1. Our final game of the season and the boys all had a go with the end result being a disappointment but they still came off smiling. At this time I would like to once again thank all the parents for their co-operation during the season and a finer group of loyal supporters for team and coach would be impossible to find. Also a special thank you to my hard working manager Gary Smith and George McCrone who warmed the boys up at training until I could get there. Now to the serious part of the report, the most improved player of the year was a hard fought tussle between 3 boys, but as there is only one winner of this trophy, I chose Luke Luffman for his brilliant dedication to the defensive position, well done Luke. Luke started the season wandering about the forwards and gradually ended up as fullback and was unbeatable at his new position and always gave 100%. The player of the year was an even harder fought for position. As at the last game there was any of 5 players to take this trophy. A great game by Colin McCrone saw to it that there was no argument as to who the trophy belonged to and it is a pleasure to see such a consistent and willing player take out this honour, well earned Colin. As for the rest of the team we had a mixed bag all year round. Every boy is capable of playing a good game, but we seemed to have the problem of not getting eleven of them to play it on the same day. But not to grumble as they are only young and there is plenty of soccer left in them. Once again, thank you boys for a good seasons entertainment and I hope you all have long and happy association with your soccer careers, it has been a pleasure to coach a good lot of lads as you have all been.

Under 11A:

It gives me great pleasure to present this final report of the Under 11A. Although most people gauge success with winning I don't always believe this phosphesy when it comes to juniors. Sure it's nice to win but it is also good to know that the players have improved, have developed their skills and particularly have the right attitude to become better players. Since I started coaching this side I have concentrated on individual skills and stressed to the players to practice them on the field. No matter what standard you attain in the game individual skills will always be an asset and if perfected and will never let you down. Next season I will concentrate on attacking the ball and the opposition goal. For the last two seasons, defence has been paramount and the players now understand the basics of a good defence. Several players will be moved around next year to develop their overall ability.

Under 11A (cont)

This year a pleasing aspect of the players is their ability to think about the game and work a situation out and come up with a solution. Several players are also constructively talking on the field which all leads to more confidence. Other than the final games the defensive record of the team was the best in the competition. I feel this aspect was not a worry but unfortunately due to bad luck the team did not make the Grand Final for the second year in a row. I'm sure our team would have performed a lot better than Terrigal in the Grand Final.

A brief rundown and assessment of each player.

DANIEL WILSON - growing up both mentally and physically - will be a good keeper.

GLEN DURIE - a taciturn hard fighter who would do well at sweeper.

BRADLEY CAMPBELL - over energetic player who loves to learn. MOST IMPROVED PLAYER.

CONRADE STRACHAN - unbelievable skills for a player his age - will be given a roving commission next year - PLAYER OF THE YEAR.

NIGEL FORSTER - the little worker - hardly has a bad game - can play in any position.

BRETT WOODS - big match player who always produces the goods when needed - excellent midfielder.

DANIEL BEMBRICK - great anticipation skills who always looks dangerous in attack.

KEIRON CHAMBERS - plenty of ability but tends to become disinterested during games.

RYAN MARSHALL - the little general - always shouting at his mates to pick their games up - a leader in the making.

KURT SNASHALL - a very correct player who is a bit reserved - needs to explode more.

STUART MCATEER - the best goal scorer in the competition on his day - did not have a great year but he lacked support at times.

MICHAEL LIUBINSKAS - a very skillful player who lacks speed - his position play is good and scored several good goals.

BRADLEY PHILLIPS - although a bit lost this year, every game he played became better and by the end of the season was playing with a lot more confidence.

Under 11B:

Since last report we have had a mixed results. The boys have played well in most games but have not been scoring from the many opportunities created. 29/6/85 - against the leaders Umina the boys played well winning 2-1 with goals by Craig Morgan and David Hildridge who scored directly from a corner kick. Top games from Troy Cocks on the right win and Phillip Rutherford in defence. 13/7/85 against Kincumber 1-1. Neil Cox the scorer in another game where we had all the play but failed to take our opportunities. Kincumber scored in the last minute to snatch a draw. 27/7/85 against Toukley a loss 1-2 only the second loss so far this year and to the same team. Craig Morgan the goal scorer. Paul Cully had a good game in defence. Both Toukley goals were a result of lapses in defence rather than good play by the opposition. 3/8/85 against Ourimbah a 4-0 win. All the boys played well with Andrew Smith standing out. Craig Morgan scored 2 goals with David Maryska and Troy Cocks scoring one each. 10/8/85 against Terrigal another 0-0 draw. A frustrating game for those on the sideline with only a couple of the boys playing well. 17/8/85 against Berkeley Vale a 2-0 win. Goals scored by Neil Cox and David Maryska. A top effort by all boys. Humorous Incident - at training I have to mind everything from chewing gum, cheezels to watches but the other night Paul Cully walked up with a very concerned look on his face and asked if I could mind his tooth which had just fallen out. I hope the faries were good!!!!

Thank You Troy Brown who has been with the club since 1980 had his last game on 17/8/85 before moving to Coffs Harbour. My thanks for his dedication during the year and I'm sure best wishes go with Troy from everyone who knew him. 15/8/85 last game of the competition proper against Southern/Ettalong. The team had a 3 point margin between our opponents and ourselves and in the first half they played like they couldn't care less if they lost, knowing they still had a major semi berth. But a strong word from the coach at half-time and out came the boys playing like a team. Good goals from David Maryska and Troy Cocks saw us come out victors on the day 2-1. Now it is the semi finals against our adversaries whom we have all beaten in the competition proper so the boys must concentrate on their ball skills and team play and the premiership should come home to Wyoming. Good Luck Boys, and from the coach, manager and all the parents all the best for your future in soccer.

Under 11C1:

29/6/85 versus TOUKLEY 4-0 WIN with goals being scored by D.Hogg, D.Mayes and C.Cox 2. 6/7/85 versus TERRIGAL WIN 3-0, goals being scored by D.Mayes 2, and C.Cox 1. 13/7/85 versus BERKELEY VALE 7-0 WIN, goals scored by S.Dickson, D.Mayes, A.Hughes, S.McGarvey 2, C.Cox 2. 20/7/85 versus WYONG 4-0 WIN, goals scored by D.Fry 2, D.Mayes and D.Hogg. Versus Toukley we still remain undefeated and this win was a good start to the second round. We beat Toukley 11-0 in the first round and this shows all teams improve. A great game by Michael Green, Duncan Hogg and Crhis Cox (2 goals) and Derek Mayes. Versus Terrigal well this game turned out a little bit different to the first half leaving it al nil all at half time. The start of the second half really shoed who was boss. We scored 3 goals in 10 minutes and then relaxed for an easy win. A great, almost unbelievable save by Ravi McCosker near the end of the game saved his unbeatable record. Duncan Hogg had a great game supported by Derek Mayes (who should have scored 5 goals) Arron Hughes and Matthew Kirk in defence and Crhis Cox and Michael Green in the halves. Stephen McGarvey and Robert Hay held everything together in the forwards with some strong shots by (BIG BOOT) Anthony Hopkins. Versus Berkeley the whole team were fired up for this and were far too strong for Berkeley Vale. Stephen Dickson and Arron Hughes scored their first goals and were responsible for setting up most of the play. Michael Green and Stephen McGarvey were ever present and played strong games. Other good players were Robert Hay, Duncan Hogg and Derek Mayes. Versus Wyong, who were running second on the competition ladder and the boys from Wyoming lifted their game to secure their lead. A great game by Duncan Hogg, Dallas Fry, Derrek Mayes, Stephen McGarvey and Arron Hughes. The whole team combined well for a great win. 27/7/85 versus WYOMING 11C2 2-0 WIN, goals being scored by R.Hay and M.Green. 3/8/85 versus KILLARNEY DISTRICT 3-1 WIN, goals scored by R.Hay, D.Mayes and S.McGarvey. 10/8/85 versus P.M.K. 4-0 Win, goals scored by R.Hay 2, S.McGarvey and D.Fry. 17/8/85 versus KINCUMBER 8-0 WIN, goals scored by R.Hay 2, S.McGarvey 3, D.Fry 3. 24/8/85 versus KANWAL 3-1 WIN, goals scored by S.McGarvey and D.Fry and D.Mayes. Versus 11C2, as in the first round this was a tough game. The opposition never let up and frustrated the team. The two goals we scored were soft goals but they all count. A great game by Michael Green, Robert Hay and Ravi McCosker. Versus Killarney Dist, we have just had our first goal scored against us all year. Nothing away from Ravi McCosker, it was one of those goals that any junior goalkeeper could not have saved the ball passing inches under the bar. At one all at half time it looked a real struggle, but the boys played some great soccer in the second half to race away with the game. Again a great game by Robert Hay who was well supported by Stephen McGarvey, Derek Mayes, Ravi McCosker and Matthew Kirk who was great in defence. This win secured the minor Premiership.

TEAM REPORTS

Under 11C1 (cont)

Versus P.M.K, the return bout finished the same as the first a 4 nil win. The boys lifted their game and there was no doubt what the outcome would be. P.M.K. wanted to fight and hustle the boys which was a big mistake. We played soccer and won. A great game by Robert May who was man of the match. Versus Kincumber, the team played well enough without extending themselves against a team of only 8 players. A big improvement is necessary by all players if they are to win the Grand Final. Only one player stood out and received man of the match S.McGarvey. (Also congratulations to Stephen who was in the Wyoming School side which won the State Junior Title). Versus Kanwal, we were off to a slow start and the referee didn't help our cause. We finished all over Kanwal to remain unbeaten during the year. Best players were Duncan Hogg, S.McGarvey, Chris Cox and Arron Hughes. Congratulations to the boys and their parents for a fine year.

13.7.85 versus KINCUMBER WON 4-0. We played on a very wet pitch the boys put together a good team effort with the outcome never in doubt. Goals by Alex, Barry, Anthony and Phillip. Highlight of game was goal by Alex from a free kick 25 metres out. 20.7.85 versus KILLARNEY DISTRICT 1-1 DRAW. Again another wet heavy pitch and also a very hard game. Kirk controlled the middle and distributed the ball well which eventually led to Barry scoring the equalising goal. Some solid defence from John Paul and David. 27.7.85 versus WYOMING C1's LOST 0-2. This game was mainly played in our own half with good defence from Alex, and John Paul, with Drew having the best game in the forward line. 3.8.85 versus TOUKLEY LOST 1-2. This is the game that got away. After leading 1-0 at half time plus numerous near goals in the first half, our boys learnt the lesson of what happens to a team that relaxes in the second half. Toukley became stronger as the half progressed and our boys dozed off. Goal by Kirk. 10.8.85 versus TERRIGAL WON 2-1. A good solid game from all players with Paul making some suicidal saves in goals, solid defence from Gavin, Peter and Trevor. Barry scoring 2 goals. 17.8.85 versus BERKELEY VALE. WON 4-0. A game that was totally dominated by our boys with just about every player having a shot at goal except our last line defenders. Goals by Alex, Barry and Matthew. With only one game to go both coach and manager would like to express their thanks to parents for washing, transporting and general support of the team throughout the season. A big thanks to the thirteen boys that have made it an exciting, enjoyable and if not heart stopping at times, season. PLAY-OFF FOR SEMIS versus UMINA. After much ado this game finally took place amid the finals. Umina started confidently, bombarding our goal and were unlucky on several occasions not to find the net. Soaking up tremendous pressure our boys defended for their lives but they could not stop a well executed Umina goal. The second half saw Wyoming settle down to their usual attacking style. A well taken corner from Scott Walker was neatly headed in by Simon Burgess. Trevor Rizzo was on the spot to steer home the winner (again from a corner by 'WONK') to gain us a well earned place in the semis. SEMI FINAL versus WOY WOY. This game was played on Sunday afternoon and despite a few blistered feet the team took the game right to the opposition. The boys turned in their best effort of the season, obviously determined to justify their semi final position. Simon Burgess caused problems for the opposing defence whilst goalkeeper Kyle Clarke showed tons of courage. The rest of the team played superbly treating their supporters to an enjoyable game. It was a

First half was excellent on a damp pitch with Greg Preston, Martyn Doe and Luke O'Toole dominating the midfield and providing plenty of good balls to the forwards. In the second half Wyong got back into the game more, and with our blokes relaxing a bit could have forced a draw after some near misses. The defence were very busy in the half, with Darren Cocks, Sam Henwood and John Bailey making some great tackles. Jarrod Mobberley made some terrific saves in goal and had one of his best games so far. WYOMING V TERRIGAL 3/8/85. In one of the best games of the season our boys went down to Terrigal 3-2 after being the better side for probably 75% of the match. After 10 minutes our defence let Terrigal in for the first goal when a through ball was not cleared and the resulting shot at goal gave our keeper no chance. Two minutes later, the same thing happened, and with our defence not talking, Terrigal made it 2-0. Apart from these two attacks the play was mostly in Terrigal's half with our boys playing some great soccer without scoring. Anthony Vos, Ian Carstairs and Martyn Doe were pressuring Terrigal's defence every time they touched the ball, and Anthony was rewarded with a great goal after he chased a through ball and beat two defenders and the keeper to make it 2-1 to Terrigal. Our boys continued to play great soccer and just before halftime, Ian Carstairs made a break down the left, beat the fullback and hit a great goal. Ten minutes into the second half a high through ball from Terrigal bounced into the Wyoming penalty area and on the unusually hard ground deceived our keeper and went into the net. On a normal ground in previous weeks the ball would have bounced into Jarrod's hands (Bad luck mate). Wyoming continued to dominate the match but couldn't find the net and were very unlucky to go down 3-2. 10.8.85 WYOMING V GOSFORD. Wyoming came back after their narrow 3-2 loss to Terrigal with a great win over Gosford 3-0. The score would have been much higher but for some slack shooting from the forwards. The midfield of Luke O'Toole, Damien Jones and Martyn Doe played very well, with Luke, Damien and Adam Rogers coming on the right and producing some great soccer. The defence was very sound, and on the odd occasion when Gosford attacked, Darren Cocks and Paul Ferguson in the middle and John Bailey and Sam Henwood at fullback usually cleaned up without any trouble. Goals were scored by Anthony Vos (2), and Martyn Doe, with a great header from an Ian Carstairs corner. Best players, - Luke O'Toole, Damien Jones and Anthony Vos. WYOMING V EAST GOSFORD 17.8.85. What a disappointment to the boys this game must have been after playing great soccer for 95% of the game and having East Gosford running around in circles we just could not put the ball in the back of the net. We were unlucky not to score on four or five occasions with near open goals, but maybe the boys are saving the best until the finals. Top games from everybody in the team with Luke, Martyn and Anthony standing out. Hopefully we can take advantage of our chances in the future games and we won't be looking at the wrong end of a 0-1 result as we did in this game after East Gosford scored a goal from nothing with minutes remaining. Bad luck boys but we are still in there with a fighting chance. WYOMING V KANWAL 24.8.85. What a relief, after last week against East Gosford the boys really settled down to the task at hand, with every player giving a full whole hearted effort. Darren, Paul, John and Sam gave the opposing forwards no room to move and got to the ball first on nearly every occasion. Luke, Martyn and Damien controlled the midfield with great tenacity and won nearly every ball they contested. Greg, Anthony, Ian and Adam gave Kanwal's defence more headaches than I give Louise, and Jarrod in goals was as safe as ever and called the backs very well. We scored two great goals, the first by Anthony after great lead up work by three or four players before he beat two defenders and pushed the ball past the keeper. The second was a great ball down the wing by Greg finding Ian with room to move, Ian beat the fullback and had little trouble finding the net with that trusty left boot. Kanwal scored from a free kick with about ten minutes remaining, but only because we decided to have a bit of a snooze. Great effort boys, but

very jubilant bunch which walked from the field as 2-1 victors. FINAL versus THE ENTRANCE Possibly suffering a bit of 'let down' from the previous weekend we struck an Entrance team who were just too good on the day. A scoreless first half had our hopes high but playing into a strong breeze our forwards rarely got a touch of the ball. However, Wyoming stuck to their task gamely and although going down 0-2 did exceptionally well to reach this years final. The boys exceeded my expectations and made me feel proud to be a part of the team. The line up was:-, Troy Northey (c) Simon Burgess(vc), Craig Brann, Scot Brown, Kyle Clarke, Adam Clarke, Dale Condon, Joel Evans, Andrew McDonalds, Brad Place, 'Jack' Rizzo, Peter Shaw (Queensland's gain - our loss), Scott Walker and 'super-sub' from the 11A's Brett Woods. I hope everyone enjoyed the season as I did and my thanks go to Manager, Kris Brann for her efforts in a job that isn't easy. Kris managed to ruffle a few feathers (a referee and opposition coach) but it's all part of the game. I'm glad you're on our side, Kris! Also, thanks to the parents who supported the team and rendered assistance. In conclusion a special thank you must go to the Club Committee for the backing given to this team when it was urgently needed.

WYOMING V UMINA 6.7.85. This match was probably our worst performance of the season so far, with most of the boys just "going through the motions" during the game. Although we only lost 2-1, the score could have been much higher but for some poor finishing from the Umina forwards. Our buys thought they could just walk on the field and get the result, and therefore suffered the consequences. Martin Doe and Anthony Vos played strongly, and Jarrod Mobberly made some good saves in goal. Lets hope next week the boys get their act together and give a lot more effort. WYOMING V BUDGEWOI 13.7.85. A much improved effort from last week with Wyoming running away with the match 4 goals to nil. The boys played some great soccer in the match, with Ian Carstairs getting a 'at trick' in the first half and Anthony Vox scoring the only goal of the second half. The only problem in this game was that towards the end we had about nine forwards with everyone wanting to score. If everyone stayed in their positions we probably would have won by 8-0. Best players were Ian (super striker) Carstairs, Anthony (kick em down) Vos Martyn (body swerve) Doe, Luke (I may be small, but I'm tough) O'Toole and Paul (super cool) Ferguson. WYOMING V WOY WOY 20.7.85. After this match I was convinced that the boys had been watching first grade too much, as they were down 2 nil at half-time, and came out in the second half and played all over Woy Woy only to go down 3 nil. Woy Woy, who are undefeated in the comp. scored after only 30 seconds after a long through ball and some indecision in the Wyoming defence. This goal knocked our confidence around a bit but the boys fought back strongly with some good attacks down the right with Luke O'Toole and Adam Rogers combining well. It was pleasing to see our boys winning a lot of ball in the air with Damien Jones, Martyn Doe and Anthony Vos winning the ball with some great headers. Woy Woy continued to play the long ball down the flanks and their very fast wingers were getting in behind our defence and causing havoc. Their second goal came from this type of play. In the second half Wyoming played much better and should have had 2 or 3 goals but for some ordinary finishing from our strikers. Anthony Vos, although not on target with his shooting, played his heart out and some big games were put in by Adam Rogers, Paul Ferguson, Darren Cocks and John Bailey. WYOMING V WYONG 27.7.85. After last weeks loss to Woy Woy, the boys were determined to get back on the winners list, and this they did by beating Wyong 1-0. After playing all over Wyong for most of the first half without a goal, we finally scored through an Ian Carstairs screamer just before halftime. The standard of soccer played in the

1. First to the ball
2. Plenty of constructive talking, for the WHOLE GAME.

Finally, congratulations fellas on a gutsy performance throughout the season to be worthy semi finalist, and the best of luck to you all in the coming games, as I have told you all many times if you play to the best of your ability and give 100% effort I won't ask you for any more than that. Also to the parents thanks one and all for your help, encouragement, but most of all the friendship that you have shown to myself and Louise and more recently Frank in our association with the boys over these past nerveracking seasons, it has been an honour to coach your boys.

Under 13B1:

In the lead up to the semi finals we had to fight off challenges from Terrigal, Kanwal and Toukley and in what proved to be a very tough final weeks of our comp the team showed a spirit and courage that I have not witnessed for some time in sport. We defeated Terrigal 1-0, drew with Kanwal 0-0 and in the minor semi came from behind to draw 3-3 at full time, and then go on to win 3-2 on penalties. Toukley had previously beaten us 4-0. We met our arch rivals Killarney in the final and showed them and anyone else who was watching how the game should be played. The team played with great skill, putting together many moves that left Killarney kicking at mid air, and with great commitment, but as the old story goes we couldn't find the net. 3 or 4 brilliant saves by the Killarney keeper kept them in the game and as so often happens the team under pressure scores a lucky goal which Killarney did. Even though we found ourselves 2-0 down with only minutes to go we were still the better team and the discipline we showed to not give in and not let our game go to pieces was excellent. Killarney could not get out of their penalty area for the last 4-5 minutes and the game would have been ours but unfortunately time beat us. We lost 2-1 in one of the best games you could hope to see. As coach I was naturally disappointed that we lost the game but I could not be prouder of the boys and the way they approached the game all year, always giving their best and trying to play the game with skill and sportsmanship. Thank you boys, you are a credit to the club and thank you parents for your support. Scorers, Terrigal 1-0, Damien Barker. Toukley 3-2, Kevin Flanagan, Steven O'Shannessy, Daniel Fabian. Killarney 1-2 Steven O'Shannessy. Best players....The Whole Team.

At the end of yet another season the 14A's have played well to record 5 wins, 3 wash-outs and 6 losses. The team scored only 16 goals but conceded even less 12 with goals to Stuart Finlay, Matthew Nash, Stephen Hall, Jason Jay, David Bell, Robert Denton, Jarrod Mobberly and Connel Field. Although not making the semi finals this year the team was defeated only once by more than 1 goal and from the amount of team spirit shown must have enjoyed the season. Congratulations to DAVID BELL on being Player of the Year. David was the exceptional player in the team and playing at sweeper kept us well in most games. Unfortunately for our Club, David is moving to Queensland so we hope he continues his soccer and doesn't forget his 6 years with our Club. Congratulations to JASON JAY on being the Most Improved player. Jason started as a forward but played mostly at left back showing courage to play a position nobody else in the team wanted. Congratulations to Stuart Finlay on receiving his 10 year service certificate. Stuart is a team player and

has developed into a very good soccer player showing ability to play anywhere from keeper to striker. Thanks to our goalie Jarrod Mobberly who although playing under 13 backed up for the 14's whenever he could. Keeper was a position nobody wanted to play but when Jarrod was available Stuart Finlay, Stephen Hall, Brett Smith and Jason Hulston all helped out. A few team members have not been mentioned so far but their efforts also led to a good team effort so well done Darren Pye, Alan Cameron, Mathew McGinty, Glen Mayes, Robert Denton, Mathew Nash and to our 2 rep reserves, Connell Field and John McGarvey. Finally a thank you to our manager, Dennis Hulston, for his 100% attendance at training and for his assistance all season. While Dennis is our best heard supporter he is also the most enthusiastic and hard working parent. A thank you also to all the parents who supported their sons from the sideline especially Jim Hall who often played ball boy for the team. This team was well behaved and a pleasure to coach, well done fellas.

I would like to thank all the boys for a top effort during the season and especially in the major semi final against Umina - one of the best games I have seen for some time in that age group. It is hard to pick out any one player as it was a terrific team effort, to do down eventually 5-4 on penalties. The following game played under atrocious conditions against Killarney District with the team going down 0-1 was also a hard game with Killarney scoring early in the game and even though we tried hard to get the ball in the net on many occasions, we just could not get the ball over the mud in the goal mouth. However, boys well done under those conditions. With 8 players eligible to play a grade lower than U16 the years results were a credit to the whole team. My thanks go to Gordon Chambers who did a fine job as manager and to the parents, thanks very much for getting the boys to the games on time. Thank you for a good season, David Lyons, Stephen Smith, Warren Chambers, Chris Krogh, Mark Burgess, Mark Gallagher, Greg Pryor, Raymond Walker, Chris Jones, Peter Fortune, Jason Fernandez, David Rankin, Brad Warden (captain) and Mark Illitch. Congratulations to Mark Gallagher for being the Most Improved Player. At the time of writing I don't know who is the Player of the Year but congratulations to the winner. I would also like to congratulate the boys who have attained their 10 years certificate of service with the Club.

TEAM REPORTS

12A August Report

The team has had mixed success in the second round. We recorded wins against Davistown, Toukley, Souther/Ettalong, Berkeley Vale and Kanwal whilst drawing with top sides The Entrance and Umina. We were narrowly defeated by Woy Woy and were conclusively beaten by Terrigal. The first four placings in this competition were tight throughout with five teams jockeying for positions. It was no surprise to see Wyoming and Umina finish equal fourth on points. At the time of writing, it has not been officially announced which team will contest the semis. Whatever the outcome, I was pleased with the boy's efforts this year. The new players were not over-awed by the stronger opposition and showed steady improvement. An unfortunate knee injury has kept Scot Walker on the sidelines for three weeks. The team has sorely missed Scot's steadying influence and ability to control the midfield. Just as unfortunate is the untimely departure (to Queensland) of Peter Shaw. Pete's corners and crosses from the right flank were always a headache for the opposition. I would like to congratulate four of our team members Brad Place, Peter Shaw, Troy Northey and Scot Brown. These boys were among a successful Valley View School team which recently took out a State Primary Schools Knockout competition. Well done, fellas!

Under 11B: (continued from earlier on)

In the major semi final against Umina the boys played extremely well and were unlucky not to have led by 3 goals in the first 10 minutes. The Umina goalkeeper was beaten 3 times in the game but the same boy cleared the ball off the line. David Hildridge scored another of his great goals direct from a corner kick - the second time he had done this against Umina. The game ended in a 1-1 draw and the boys were disappointed to be beaten 4-3 in a shoot out after two lots of extra time. Thanks to Luke Luffman and Colin McCrone from the 10B's who filled in due to us being a man short. During the week we had to work hard to build up confidence for the sudden death final against Kincumber. Craig Morgan scored a fine backward header to give the boys the inspiration to push forward. Phillip Rutherford was nearly knocked unconscious from a hard shot from Kincumber which he deflected for a corner. In the later part of the second half with a good effort from Adam Mackett the team really played well resulting in another goal being scored from a superb individual effort from David Maryska. This game was probably harder than against Umina but ended in a confidence boosting 2-0 win. Grand final day produced the worst weather conditions all year with a strong wind blowing down Umina's home ground and torrential rain. We ran with the wind and rain in the first half and the team played really well to create a number of opportunities which didn't produce goals. Then from a free kick taken by David Hildridge the ball slipped through to David Maryska on the left wing who crossed the ball superbly for Troy Cocks to run in and head the ball into the net. This was the teams best goal of the year. From then on and particularly Phillip Rutherford, Andrew Sainsbury, Paul Cully and Andrew Smith rose to the occasion to hold out and win 1-0. This was a result the boys should be proud of as in the four games played against the minor premiers Umina we had 3 wins and 1 draw. The ended the season with 27 goals for and only 9 against while of the 17 games played they had 10 wins, 5 draws and 2 losses. Goal scorers for the year were David Maryska 9, Craig Morgan 6, Troy Cocks 5, David Hildridge 4 and Neil Cox 3. Congratulations boys on a fine team effort throughout the year and a big thanks to Andrew Sainsbury who played superbly in goals.

Coach

SOCIAL SIDE

As this is our first article in Tiger Tales it might be a good idea to give a brief history of the team and its formation. Around the middle of last season Wyoming were invited to enter a side in the newly formed Social League. So on a wet Monday night in the middle of June a dozen likely lads met at the clubhouse and a team was formed.

Ranging in ages from the mid twenties all the way up to George Ferguson (he has a concession pass for the bus), and a background of Union, League, Soccer and dressmaking we had five days to meld a team. Apart from our first game in which we all wore name tags, we soon developed a fine understanding. With the strong leadership of captain-coach George McCrone and ably abetted by John Mobberley and George Crew we managed to play 13 games for the loss of only two matches.

This season with the inclusion of a few more players the team has become a very polished outfit. The spirit within the side is really good, even players not picked for the Saturday game still travel to the matches and lend moral support, not to mention a fair share of criticism.

Space doesn't allow me to give past match reports or to introduce any of our players this month, however I hope to do that in future issues. A quick run down of our record this season shows 21 wins from 21 games, 135 goals for and 23 against. I also wanted to give the teams average age, but as we are still negotiating a sponsorship deal with 'Prime Time' magazine I'll have to withhold that information.

Quote of the month:

- Davistown Defender - "If you had been a stone lighter and four years younger you would have got to that ball"
- Big Jimmy - "No, you mean a year younger and four stone lighter."

SOCIAL SIDE

Jill Smith has kindly given us space to report on our last few matches.

6.7.85 -v- Davistown - 4-0 - In our closest game so far this season, the superior ball skills of John Colthart, Terry Lamb and Max Marshall enabled us to control the midfield. This gave the forwards enough ball for John Podgorski (2), Jimmy McKenzie and John Colthart to win us the game. Behind our always reliable defence John Mobberley was solid in goals.

13.7.85 -v- Umina (7-2) - In a first half that was often spiteful, both teams struggled for possession on a reduced sized field. Terry Lamb scored to make it 1-1 at half time. A team talk from captain-coach George McCrone saw Wyoming come out in the second half and concentrate on playing football. Terry Lamb never gave an inch in scoring another four hard fought goals, and Steve Cawley scored two great individual goals from his position in mid-field. Mike Duffy starred in another fine display from our defence.

20.7.85 -v- Kanwal 7-0 - Wyoming easily disposed of an under-strength Kanwal team which was bolstered by the addition of four of our own players. Despite the efforts of our guest players the game never rose much above a training run. Erratic shooting by our forward line kept the score fairly respectable, and I hope that against more formidable opposition their concentration will improve. Goals were scored by Richard McLeary (3), Steve Cawley (2) and Leon Megon (2).

The defence was well supported by Gary Smith, George McCrone and John Mobberley in goals.

27.7.85 -v- Ettalong 6-1 - Wyoming turned on a real team effort to defeat our arch-rivals Ettalong. Despite the one sided scoreline this was a hard game to win, and only a hat-trick of goals in the last twenty minutes gave us a convincing result. This was our first home game of the season and it gave us our fifteenth straight win. Terry Lamb scored the sixth goal and in doing so notched up our 100th goal of the season. John Clucas played a blinder in defence, but the whole team must be congratulated for this fine win.

4.8.85 - Wyoming proved conclusively today they are the best social side on the coast by winning the Inaugural Graham Hutch Shield. Graham is largely credited with starting the social league last year, and Ettalong hosted the event at their home ground today. The best eight teams played in a knockout format with Wyoming disposing of Kincumber 7-0, Davistown 8-1, and in the final Ourimbah 6-1. It would be hard to single out individual players for Wyoming as everyone played their part. However I can say that sweeper George McCrone, tireless mid-fielder John Colthart and great goals by Terry Lamb, Steve Cawley and Richard McLeary gave us the edge over our opponents. In an example of the saying "your're only as old as you feel" 55 year old Roger Ilitch scored one of the days best goals from his position on the wing. Sore heads followed the post game celebrations at the Grange.

10.8.85 -v- East Gosford 6-2 - Wyoming ran out convincing winners today in a game that was marred by overly vigorous tackling. The team were never given a chance to settle down and play the controlled soccer that they can. It's a great credit to the lads that they managed to stay on their feet long enough to score six goals. Stand-in goal keeper George Crew was taken to hospital with a dislocated shoulder (accidental) after ten minutes with the score at 2-0 and managed to be back in time for the last quarter. He says the G.D.H. is in financial strife at the moment, however the new conveyor belt system in the casualty ward should soon have them showing a profit again.

17.8.85 -v- Gosford City 4-1 - After last weeks battle, it was a pleasure to play in a game in which both teams concentrated on playing soccer. With a strong wind behind them Gosford applied a lot of pressure in the first half, and were unlucky to be down 2-0 after goals by Terry Lamb and John Podgorski. In the second half Wyoming took more control but it still took a late penalty by John Colthart to prevent our opponents from getting back into the game.

24.8.85 -v- Ourimbah 4-3 - As this was our last game of the season Wyoming needed to win to remain undefeated for the year. The pressure was obvious as we struggled from the start, and were unable to settle down into any sort of rhythm. Having a depleted team didn't help, of the twelve available players, one had cracked ribs, one had a dislocated shoulder and another a pulled calf muscle. To make matters worse, two players were carried from the field, and one, went off with a suspected broken nose (who said soccer was a sissy's game). All credit must go to Ourimbah as they took the game right up to us and by half time were deservedly leading 3-1. In the second half Ourimbah seemed to concentrate mainly on defence, possibly remembering that we'd beaten them 3-1, 14-2 and 6-1 already this season. However it proved their undoing as Wyoming applied heaps of pressure, and in a nail biting finish scored three goals in the last ten minutes. Both teams deserve to be congratulated on a fine game played in the right spirit and worthy of the final game for 1985.

In conclusion I would like to on behalf of George McCrone to thank all the players for their effort and enthusiasm in making this a most successful year. A thank you to the players wives, kids and dogs who made up our travelling circus. Thanks also to the Wyoming Soccer Club for their help and support whenever we needed it. We copped some stick through the season for our style of play (purists call it soccer) but when your top of the tree you expect that. The real test is how you handle it, and its a credit to the lads that they won that match too.

Here's a roll call of the Geriatrics - Tony Bailey, Steve Cawley, John Clucas, John Colthart, George Crew, Mike Duffy, Steve Field, Roger Ilitch, Alistair Kennedy, Terry Lamb, Max Marshall, George McCrone, Jimmy McKenzie, Richard McLeary, Leon Megon, John Mobberley, John Podgorski, Gary Smith, Nick Voz.

SENIOR SCENE

UNDER 18

After a great start to the season, the team lost some of its momentum and lost some games that we should have won. As a team we did not play as well as we could, till the last few games and then the luck we needed just would not come our way, so we lost out in a great semi final to Budgewoi which we were desperately unlucky to lose. We did not have Strach or Trevor McDougall and we suffered a lot because of it. We went out 0-1 in extra time to a very lucky goal, still the team at long last played to its ability. I would like to say a few words to some of the boys, but before I do, I must say that this group of young men were the best bunch of blokes anybody could work with, and if the club take care of them then the future of Wyoming looks good. I usually do not single out individuals but in this case I am going to make an exception, M.Strachan who has the ability to play reserve or first grade even at this early age if only he would apply himself more to his game. Mark Denton will only get better, his enthusiasm for the game is only matched by how quickly he learned from every game he played. Mark should aim a little higher. Dean Gayford the human dynamo for a lad his age he has so much talent, drive, and sheer guts and tells the worst Irish jokes I ever heard, (even worse than Graham Smith and Leonie Best) he is going to develop into one of the best midfield on the coast. Tim Hall who does not know the meaning of the word quit, it would not matter what grade Tim played he gives his all and then can pull out a little extra for the team. Trevor McDougal who has skill to spare and knows how to use it. Jock Wilson the most enthusiastic player I have ever seen, but he must learn not to blame himself every time a goal is cored against him. Brad Grant whose real worth I did not discover till near the end of the season, don't be so modest Brad. Henrik Ruych (Hank) when he realises how good he can be, the team will benefit greatly. Michael Frost who when given his chance on the wing took it with some good displays of skill. Scott Neilson who only played about 1/3 the season but when he played to his ability he is a joy to watch. (Maybe Darren will make a come back next year and double everybodys pleasure). Pat Brady who has the talent and temperment to fit in no matter what the grade. Rob Chambers this young man who fitted in so well also showed a flair for attacking when he got the chance, well done Rob. Paul Walsh who only played when we were short did all that was asked of him and more. Phil Cairra what can I say about the player who could be and should be one of the best players in the club. Get fit Phil and show everybody what a fine player you are. And last but no means least Mark Dempsey the team captain, Mark who is basically a defender who has the knack of getting goals. Mark is an asset to any team because he leads by example (and he always has the best hair do in the team) plus he has enough skill to play in most positions. Well done Mark, it was a pleasure working with you and the rest of the blokes. P.S. One more thing about Pat Brady, he has played for me for the last 3 years and always above his age group and it says so much for Pat that he is never out of his depth. Well done Pat. Thanks to all the team for a most enjoyable season and thanks to the people who supported us through the season. See you on the sideline.

28.7.85 WYOMING VERSUS KILLARNEY LOSS 2-1. The team played well for 70 minutes. In this game Trevor Ross scoring in the first half. Half time score 1-0. The second half started in the same fashion with Wyoming in control. Then in the last 8 minutes Killarney lifted their game to score two late goals and snatching victory. The players must remember the game isn't over to the final whistle goes and also remember to tell Steve or Dino if you are injured before the replacements are made. Scorer: T.Ross 1. 4.8.85 WYOMING VERSUS DAVISTOWN 1-0 WIN. From the kick off the team took control of the game. The team played to the coaches instructions and played the ball on the ground resulting in a great goal to Terry Jones. In the second half the team continued to play well but squandering too many chances. Full time score: 1-0. Wyoming. Scorer: T.Jones. 11.8.85 WYOMING VERSUS SOUTHERN/ETTALONG 1-1 DRAW. The team was given a great start to this match with Joe beating the goalkeeper in the first two minutes with a cracker of a shot. The team then fell back into the Southern style of play of not keeping the ball on the ground. It wasn't until the last 15 minutes that the team played its soccer on the ground to dominate the rest of the game. A penalty converted by Southern made the score 1-1 at fulltime. Scorer: J.Ringuet 1. 18.8.85 WYOMING VERSUS SWANSEA 0-0. The first half saw the team hold Swansea who had the advantage of the win to nil all. In the second half the team had the advantage of the wind but didn't use it to their benefit resulting in making it hard for themselves to have control of the ball on the ground with the score at full time 0-0. P.S. The team wishes to congratulate Phil and Karen on their wedding and wishes them every happiness in the future. 25.8.85 WYOMING VERSUS EAST GOSFORD. 2-0 WIN. This was a good team effort playing the ball on the ground for the full 80 minutes. The team had complete control of both halves to score two good team goals. Well done Guys. Scorer: B.O'Toole 2. 1.9.85 WYOMING VERSUS WYONG. 4-1 WIN. The team went into the last game needing to win to secure second spot. In the first 25 minutes the team was ahead 2-0 after playing good football. Then close to halftime Wyong was awarded a penalty making the score 2-1 at halftime. The players started the second half with confidence and completely dominated, to run out winners convincingly 4-1. Scorers R.Hill 2 and T.Jones 2.

"THE CONNECTION"

Final Report.

Well one more season is over with all the frustration and disappointment behind us. The season started like a house on fire by beating The Entrance 7 goals to 1. On that form we were set for a big year, as a result we reached the final, well done boys. SEMI FINAL - WYOMING VERSUS UMINA. The game was played in good spirit. Wyoming looked like scoring in the first 10 minutes of the game, but it wasn't to be. Umina scored a fluke goal and from then on the game was lost. The full time score was Umina 1 and Wyoming 0. FINAL - WYOMING VERSUS SOUTHERN/ETTALONG. Well all the boys were keyed up for this game. It started in a very typical Wyoming style of play, we dominated for the first 20 minutes, but we could not find the back of the net. Southern/Ettalong scored just before half time. The second half saw Wyoming trying very hard to get the equaliser, but without success. Southern scored their second goal and it was all over. Full time score Southern/Ettalong 2 and Wyoming 0. Never mind fellows, there is always next year. I would like to thank all the boys for the effort and support they have given me to make it a successful and enjoyable season. I would like to thank Norm Woods, who was the team manager, who helped me out with training, also Tony Kayes and Pat Ryan for their support. P.S Rumours are, that Terry Jones is retiring next year. I don't believe it!!!!!!!
Well done 3rd grade.

Well the season has come to a close again and looking back it makes you wonder where we went wrong. We played some terrific soccer and were unlucky to lose the minor semi in a penalty shoot out. If you go back over the season and look at the teams which ended up in the semis I still can't believe we didn't take out the grand final or at least finish runners-up. Oh well there's always next year as they say. On behalf of Pat and myself I would like to firstly thank all the players for their efforts during the year. The team spirit was pretty good but I think that some players need to have a look at their attitude towards the club, the game and particularly themselves. If you want to win premierships you have to make a full committment to the game. That means come to training, don't write yourself off before the game and work as a team not as an individual. Nobody wants to curtail your social life but if you want to play Premier League you have to adopt a positive outlook to the game. If you aren't prepared to do that, well there's always the social side if they'll have you.

Thanks go to Tony Kayes and Bobbie Bray for their assistance during the year. Tony helped train the side and always gave support to Pat, myself and the players. Bobbie was always there with encouragement and lent a helping hand where needed. Dino and Norm from third grade also were a big help during the year. Dino was always ready to offer players if needed and assisted at training and at other times. Norm looked after any players injuries and assisted with any paper work required. Thanks fellas!!

On behalf of the players I would like to express our appreciation to Pat for taking over the coaching of the team this year. I have been involved with the club for a fews now and I found Pat to be great to work with. He got on well with the players and I feel sure that I speak for all the players when I say thanks Pat for all you did for us this year.

Lastly its with pleasure that we congratulate the Player of the Year and Most Improved Player.

See you next year.

LADIES SOCCER

Under 15 Girls:

28.7.85 versus BERKELEY VALE LOST 0-1. We had our chances but did not take them. Paula you must chase the ball right to the keeper and you will score goals. Once again our defence was put under a lot of pressure because the forwards won't chase after the ball. Michele Davidson and Kylie Whitburn were outstanding in the backs and once again Lisa Carstairs had another good game in goals. The only other player to stand out was Katherine Johnston. 4.8.85 versus KILLARNEY WON 1-0. This was by far our best performance this year our attack and defence both combining well. Nicole Upston you were outstanding at centre back. This was the game that you must have been waiting for to play your best. Nicole was well supported by Michele and Kylie our two fullbacks. Eileen Doherty, Katherine Johnston and Toni Condon played well in the midfield. While our forward line up of Alison Metcalf, Katelyn Krogh, Debra Wales and our goal scorer Pauls Frost, also Kate Stephens a second half replacement. Lisa also played well in goals. 11.8.85 versus BERKELEY VALE. 1-0. We proved that we can win this competition by beating the leaders in this game. Girls this was another great performance, with Lisa being outstanding in goals pulling off a great save to give us a win. And once again Michele leading by example taking the ball from one end of the field to score our goal. She was well supported in defence by Kylie and Eileen, with Kate and Katherine playing well in the midfield. With out forwards Alison, Paula, Katelyn and Debra all trying hard. Maybe you are trying too hard and missing vital shots at goal. Well played girls. 18.8.85 versus KINCUMBER 2-0 WIN. With only 8 players and a 2-0 win was a great result for us. Katelyn played her best game for the season. It was left for Michele to score the goals again. She was well supported by Kylie and Eileen, with Alison, Paula and Debra not finishing off some good moves you are all rushing your shots at goal. Our stand-in goalkeeper for the day Toni Condon did not have much to do. These last 3 games and 3 wins and no goals against us has been great for our chance to win this competition so just keep going girls. Great Work. 25.8.85 versus OCEAN BEACH 0-1 LOSS. We would have to pick this game to play badly. But we can't be beaten for 3rd place now. So we all hope that we have played our last bad game and look forward to the semi-finals. Once again week after week a lot of the hard work is left for Michele and Kylie. Kate Stephene you must work harder in defence, Toni and Katherin tried hard all game. Eileen you must keep your eye on the ball. Debra, Alison and Paula keep chasing the ball, don't stop when you get beaten for the ball. Lisa you made one mistake since taking over the goalkeepers job, and it had to be todays game. Wishing Nicole and Diane a spee dy recovery. I hope to see you both back on the playing field real soon. 8.9.85 versus KILLARNEY 1-1 DRAW Due to the school holidays we only had 9 players, but those girls whoed great team spirit to come fighting back after having a penalty against them. Once again Michele took the game by the throat and scored a great goal late in the second half. She was well supported by Kylie Whitburn and Katherine Johnston at fullbacks. It was pleasing to have Nicole Upston back on the field. Alison, Paula, Toni and Debbie all tried hard. Lisa also played well in goals. 15.9.85 SEMI FINAL VERSUS KILLARNEY 1-0 WIN. Last years winners and now out of it. Thanks to some good defence Kylie and Eileen. Kate and Katherine both had solid games along with Toni. In the forwards Alison, Paula, Nicole and Debbie tried without any results. Also second half replacement Katelyn played well. But it took a magic goal from yes once again our captain Michele Davidson so many times this season she seems to pull out just that little effort to get us out of trouble this time with only 5 minutes to go. Lisa was faulesss in goals as the scoreboard showed. 22.9.85 VERSUS BERKELEY VALE. 1-0 WIN IN FINAL. Well this game had everything. We had a chance in the first 10 minutes when Paula just couldn't get the ball on the ground to have a shot after the keeper had mishandled. But the much bigger Berkeley girls tried everything to score but they were forced into error with some great defence from Nichele, Nicole, Kylie, Eileen, Kate, Toni and second replacement Katherine. It was still nil all at fulltime. Then in the first 10 minutes of extra time, our left winger Debbie took the ball

LADIES SOCCER

Under 15 (cont)

down the sideline beat the fullback then to the ball towards the goal and the keeper once again mishandled but this time Katelyn Krogh got her boot to the ball and found the net. I don't think she will ever score a more important goal. But with 5 minutes to go in extra time Berkeley put us under pressure but to our girls credit they kept them out near the side line and didn't give them a chance to score. Alison and Paula (who passes the ball very well to her supports) both these girls tried very hard. Lisa again in goals played it very safe and cool under pressure. Now we are in the grand final but by the time you read this report it will have been played. I know that we have a great chance after beating minor premiers Berkeley. You girls play your usual game with not so many mistakes, and you can win this grand final. 29.9.85 GRAND FINAL VERSUS OCEAN BEACH LOSS 0-2. We started the game with great confidence and had a couple of early chances with Alison just putting the ball over the bar with a great shot. But we made too many mistakes such as our throw ins, missed kicks at vital times. Then the mistake between Michele and our keeper Lisa which resulted in a goal to Ocean Beach. Being down 0-1 at half time wasn't all that bad but the second half we made the same mistakes, -with a lot of missed kicks. Then Katherine got injured and we only had one replacement which we used at half time so we were down to 10 players. Also Michele our main strike force was carrying an ankle injury so this didn't help very much. Then came another lucky goal to Ocean Beach when the girls just kicked at the ball and it went over Lisa's head into the net. But to our girls credit they never gave up trying. Our two fullbacks Kylie and Katherin and centre back Michele our midfield of Toni, Nicole and Kate and second half Eileen. To our forwards Debbie, Katelyn, Paula and Alison, I'm very proud of all of you for just making the grand final was a great effort as 8 of you girls from the 15B side last year ran last so to you girls to be No. 2 team in the competition, it is a great effort.

Annual Report: Lisa Carstairs. Standin goalkeeper who did a great job for her team in the absence of Diane. I think you should have been called upon for the reps. Well played Lisa.

Nicole Upston. Well Nicole you did not show us your real class for most of the year and then coming back after your operation on your leg you just started to play well again and the season finished.

Kate Stephens. You can play a lot better than you do, only if you can concentrate for the full game. I hope you keep at the game of soccer next year.

Katherine Johnston. Some of your games were top class, but other games you seemed to rush your game and make too many mistakes. Keep trying.

Alison Metcalf. Your main thing with your game is the lack of confidence in yourself when you solve this problem you will be a better player.

Toni Condon. You do some good work, but then you have a rest for a few minutes, you have to keep going for the full game. This was your last game with our club and I wish you all the best in your new State.

Paula Frost. Your game improved in the year but you must get more aggressive and you will be a good player.

Katelyn Krogh. Well your goal scored in the final put us into the Grand Final. But you must get more involved in the game not just every 5 minutes.

Deborah Wales. This being your first year at soccer you showed you can become a good winger as you are very fast. Next year you will be even better.

Eileen Doherty. You are another player who has the ability but some-time you don't show us what you are capable of.

Under 15 Annual Report:

Last but not least this years team captain, Michele Davidson. Well Michele I would like to thank you very much for your efforts and help you have given me this year. You lead your team by example and I think without you our job of getting in the grand final would have been very hard. I would like to thank all of the parents for washing the skirts each week and for coming to the games and supporting your daughters. I thank you all very much and hope to see most of you next year. I almost forgot our State goalkeeper, Diane Fathers. In the games you played for us you showed why you were selected in the State team. We hope to see you back next year fit and well.

All Age Ladies:

SEMI FINAL VERSUS KILLARNEY WON 2-1. Well as usual against this side we were behind a goal after just 8 minutes. The girls then got on with the job of winning this game by playing some attractive soccer which led to some scoring opportunities, Sue Moffitt took advantage of one of these to level the scores at half time. The second half proved to be a dour struggle as each side looked for the winning goal. Kim Smith was able to score after 20 minutes and the girls hung on tenaciously to progress to the final.

FINAL VERSUS OCEAN BEACH LOST 1-2.

The same as the semi-final, Ocean Beach scored after 5 minutes to place us under enorous pressure. The girls didn't panic though and gradually built up rythm to reverse the situation. After a fine corner from Sue Moffitt and a scramble in the box Joanne Callaghan managed to head in the equaliser 10 minutes before the break. Once again the second half became tense struggle with each side striving for the match winner. Unfortunately the break went against us and the girls were unable to hit back.

IN CONCLUSION.

The girls had another great season once again reaching the final only to be beaten. The girls always gave their best and it is hoped they can stay together next season and hopefully win the premiership. Many thanks to every girl for an enjoyable season.

Last but not least this year I have to report a magnificent season. Well, I would like to thank you very much for your efforts and help you have given me this year. You had your own by example and I think without you our boys wouldn't have been so successful. I would like to thank all the parents for wanting the girls to work and for coming to the games and supporting the girls. I think you all very much and hope to see you next year. I almost forgot our girls' doctor's visit. In the games you played for us you showed why you were selected in the first place. We hope to see you back next year for the next year.

6.7.85 versus BUDGEWOI WON 1-0. This match has been our best game so far this season, Stewart Kelly and Paul Andrikidis were our best players in attack, with Paul Davies always there in defence when we needed him. Dane Sweeney the goal scorer. 20.7.85 versus SOUTHERN/ETPLONG DRAW 0-0. A good effort from all the boys with outstanding play by Timonthy Walton, Dane Sweeney and Mitchell Wheeler. 3.8.85 versus UMINA LOSS 0-1. This game would have been fairly decided with a draw, however, at six years old many rules still have to be learnt. An unfortunate hand ball led to a direct penalty and our defeat. After a season long search for a goalkeeper one finally emerged in the shape of Shaun Clarke. Well done Shaun! 10.8.85 versus WYONG 0-0 DRAW. A good game was played by all the boys. We were pressing in attack, deep in their half for the majority of the game. Stars were Daniel Coats, Paul Davies and Paul Andrikidis. THANK YOU to BRETT SANDERSON & KYLE CLARKE for their coaching efforts this season. THANK YOU to the Mums and Dads for their support throughout the year.

Under 7B1:

27.7.85 versus GOSFORD 0-0 DRAW. 3.8.85 versus SOUTHERN/ETTALONG 0-0 DRAW. 10.8.85 versus BERKELEY VALE 2-0 WIN, goal scorers were Dale Woods and Ben Steele. 17.8.85 versus TERRIGAL 2, 2-0 LOSS.

The team took part in the under 7 knockout held on 11/8/85. First up we played Gosford 7A's and went down 3-0, we then played Wyoming 7A2's and went down 1-0. As the season nears an end we have seen a great improvement in the standard of play by all members of the team. For much of this improvement the credit goes to our three coaches, Darren Pye, Matthew Nash and Jason Hulston. To the Mums and Dads who came each week to add encouragement and support, many thanks.

Manager.

Under 8A:

After a stop, start beginning to the season the 8A's have performed exceptionally well to record 11 wins, 3 draws and no losses. The team scored 41 goals and conceded 2 goals with the scorers being, Peter Miller 11, Keenan Field 11, Mark Drennan 5, Jason Magri 4, Michale Buchanan 2, Justin Nixon 2, Justin Anders 1, Daniel Spencer 1, Michael Kennedy 1, Scott Frazer 1, Ben Lyons 1, Adam Coulter 1 and unfortunately David McGarvey was the only player to miss out on a goal. The team also competed in two round robins winning 6 games and drawing 1, scoring 8 goals for and with 0 against with goals from Jason Magri 4, Mark Drennan 2 and Peter Miller 2. This year as every year there are awards to be given and the Player of the Year goes to Justin Anders. Congratulations go to Justin who, playing mostly at centre half, dominates most games with his vigorous play, solid tackling and good through passes to his forwards. The most improved player was an exceptionally difficult decision to make as several boys had improved so much on last year, however, the final choice was Daniel Spencer. Playing at left half Daniel improved his ball skills, tackling and his ability to put the correct ball through to his strikers. Congratulations Daniel, keep on improving. Congratulations also to every boy in the team for his effort and enthusiasm shown at training and games. Lastly a thank you to my co-coach, Stephen Hall and my wife Thea who ran training when I was not available. Thanks also to our Manager, Al Kennedy for his efforts and to the parents for supporting their children and allowing them to learn soccer with hinderance. See you all next year hopefully.

Under 9B1:

The final month was as good a finish to a season as any-one could hope for. 27.7.85 versus TERRIGAL 2 RESULT LOST 2-5. All I can say about this game is - we lost! 3.8.85 Versus TERRIGAL 1 RESULT WON 2-0. Following our rather strange form of the previous week, and with some gentle words of persuasion from Dave, the boys bounced back to form with a good win. Terrigal had some very strong kickers, and our defence of Ben, Scott and Wadw were working hard all match. Phillip, playing as striker for the first time came up with a beautiful goal as he broke clear, controlled the ball and set himself up for a good solid shot. The other goal came when a certain little "Terrigal talker" headed the ball the wrong way. Everyone tried hard this match and it more than compensated for the previous results. 10.8.85 versus TERRIGAL 3 RESULT WON 1-0. Terrigal teams have always given us a run for our money and this was no exception. Andrew and Dean tried hard all match with Dean finally managing to get one in. Martin Jackson was everywhere as usual and Grant did some good work on the wing. Matthew made some of his calm saves in goals. We played this game over at Gavenlock, and twice the ball landed in the creek. Highlight of the month for the manager was going for a row up the creek to get the ball, and coming back with a nice big mullet instead. Thanks for the chorus of "Row-Row Row you Boat"! everybody!!!

17.8.85 versus KANWAL RESULT WON 2-0. The score could have been a lot higher today - there were hundreds of chances but only two went into the net. Martin scored his first goal for the season with Andrew getting the other. Good effort in this game from Daniel and Trevor who moved the ball well. Wade was also noticeable with some efficient defence. And now the highlight of the season - THE TERRIGAL KNOCKOUT. What a day that was! The matches, in order, were:- Versus TERRIGAL 2, Lost 1-0, Versus TERRIGAL 4, WON on Shoot-Out, Versus GOSFORD, WON 1-0 and, in the final Versus WYOMING 9A2, LOST 1-0. The first game was hard, with Terrigal slipping one past the defence and we could not get back. The second match was a real heart-stopper, Nil-all at full time with corners one-all. The shoot-out put a lot of pressure on both goalkeepers - not to mention parents. Thanks to very good goal-keeping on Matthew's part, and on our strong kickers, we won 3-1. The third game was against Gosford (A) and was a very close match with some anxious moments with Gosford around our goal. They did not have it all their own way, and late in the second half, Martin got in a beautiful goal. The final of the "B" division was against Wyoming's 9A2's and what a match that was. Play see-sawed from one end to the other as each team attacked and defended to their limit. At full time the score was NIL ALL and so into extra time. All the boys (both sides) were getting a bit tired but kept pushing themselves. The goal that finally beat us was so good it would have beaten any team and all credit to the 9A2's. Thanks to Daniel Hayden for coming along to help us. He played some good work on the left wing. It was hard to pick any stars from the knock-out - everybody put their heart into it, and gave 110% effort for the full day. Congratulations, boys. I have enjoyed this season very much. The boys have all been enthusiastic and keen, the parents have all been helpful and friendly, (thanks to all the shirt-washers), the coach has been quietly instructive! If anyone wants to know what a team of young soccer players and parents should be like, show them the 9B1's.

Manager.

MATTHEW SAINSBURY (KEEPER): This season Matthew has improved immensely as keeper, to be probably one of the best for his age (any grade). His positional play, timing, and ability to read a situation more than compensates for his size. Don't listen to your brother, Mat, stick with keeping.

SCOTT MEDFORD (BACK): Scott is one of the real triers in our team. He always gives his all, and has never let the team down. He has a strong kick and good positional sense, and I believe his speed is improving. He tackles well and often however, he mustn't let the occasional error upset him. We all make them Scott!

TEAM REPORTS
(cont)

9B1: cont

WADE SNASHALL (BACK): With Dad and older brother both playing for the club, Wade has big footsets to follow. He controls the ball quite well, tackles hard and backs up when necessary. At the moment Wades kick is not very strong, but that will improve when someone can "untwist" his right foot.

BEN NOBLE (BACK/MIDFIELD): I think Ben was a bit upset with me when I moved him from midfield to back, but I hope he can now see why. Ben has always been a consistent player for the team in that he has a good kick, good ball control, good defence and reads the game well, but he needs that little bit of extra time to settle the play down. With Ben and Martin Jackson in the middle our defence always looked solid. Ben scored 2 goals.

MARTIN JACKSON (MIDFIELD): This young fellow has a lot of potential, and improves every game. Martin has all the skills, and reads the game like a much more mature player. He never stops, and gives his all. With the knowledge that Ben Noble was behind him to cover he was able to follow the ball everywhere and prove a menace to any oppositions attack and defence. One thing Martin, how about letting someone else kick the ball occasionally. Martin scored 1 goal.

BEN EMERY (MIDFIELD): Bens gibbest problem for most of the season was that I was playing him in the wrong position. Early on, I was worried about Ben's lack of concentration whilst playing in the backs, but when I moved him to where the action was in midfield, he improved greatly. It was between him and Matthew for most improved by the end of the season. If Ben could just concentrate at practise for the whole session, he could go very well in the future.

DANILE MORRISON (MIDFIELD): What an enigma is our Daniel. He has all the skills needed for a good player except concentration. He can be playing brilliantly for 15 minutes and then switch off. His combination with Trevor Fortune on the right side caused many oppositions a lot of trouble, but he could have caused a lot more if he would pass the ball just a bit quicker.

TREVOR FORTUNE (WING/ANYWHERE): "Biggles" goes as hard as he can, which probably explains his high injury rate. Trevor combines well with Daniel Morrison on the right, and his crosses for the two strikers to use are usually very good. He has a good shot and his general ball control is good but he must make an effort to get the ball away quicker, rather than waiting to set himself up only to have the ball taken off him. I also asked Trevor during the season to fill in as back, mid-field and striker and he never let us down. Trevor scored 4 goals in the season.

GRANT WALKER (WING): I felt sorry for Grant because came to us this season as a keeper but as I had Matthew I had to run him in the field. He is a very quick player and reaction is also very fast, but we need a lot more work in ball control and positional play, but that will come. When asked to relieve Matthew in goal, he did the job well.

PHILLIP HOPKINS (WING): Phillip has a lot of things going for him. He is quick, has good ball control and a good shot. He is unselfish as a winger in that he tries to get the ball back to the strikers as quickly as possible, but we still must work on our positional play. His goal against Terrigal (as a forward) was as good as any seen this season. Phillip scored 2 goals in the season.

ANDREW HAY (FORWARD): Andrew biggest improvement this season was his attitude. Never a real keen trainer, he made the effort this season which was good. Andrew is big and fast and can easily unsettle a defence. We have to do more work with his ball control, but once we get there he will score goals. Don't slacken on the concentration Andrew, and don't let little "NURDS" from other teams upset you. Andrew scored 9 goals in the season.

TEAM REPORTS
(cont)

9B1 cont

DEAN TURNER (FORWARD) Dean scored 14 goals this season, but I feel that there could have been more. Dean has an excellent shot, good ball control and is quick off the mark, but this season I don't think he got his act together, in that one week he would play really well, next week he would be right off his game. I think illness played a major reason for his middle of season slump, but I have no doubts that if Dean had been fit for the Knock Out final, the result would have been different. With the big goalmouth next season, Dean will cause havoc.

So ends another season, a good one for our team in that they played as a team and I hope they enjoyed it as much as I did. My thanks to Peter Morrison who did a great job (as usual) as manager. Some of the team meetings between Peter and I were coastly, but beneficial. My thanks, and those of the parents, to Warren Snashall, who came to my aid when I was running out of training ideas. The boys still talk about "dog and the bone". Lastly, but not least, my thanks to the assistant coach - Alex Noble. He foxed balls, got himself tackled and kicked by 9 year olds, and generally helped, without so much as one single complaint. I hope next season is as good as this one has been.

Coach.

Under 8B1:

The soccer season has now finished for the 8B1 this year. The competition finished on a high note with a series of high scoring wins. Back in April, when the season started a team of 13 raw recruits lined up for their Saturday game of soccer in new yellow and black shirts and boots. Coaches Matthew Burgess and Ray Walker had come to know a little about the boys during pre-season training, but all was new to both players, coaches and parents. As the season progressed coaches and players welded as one to form the FIGHTING 8B1. Year highlights included a creditable performance in the East Gosford knockout and good wins against strong Kanwal teams. All boys - Chris Orpin, Ben Roberts, Daniel Curtis, Matthew Relf, Matthew Pearson, Brear Carmody, Nathan Finch, Chris Large, Kurt Wheeler, Kristian Butler, Craig Cluccas, Nicholas Klien, Richard Gibson gave 100% effort regardless of whether they were fit or had the 'flu. TEAM SPIRIT was high throughout the competition and this was reflected in their UNSELFISH PLAY. Special thanks to Daniel and his parents, who each Saturday drove up from Sydney to allow him to play with the team. Many thanks to ALL PARENTS for their encouragement and support during the season and their helpfulness when both Matthew and Ray had their own team (U16) commitments. A VERY SPECIAL THANK YOU to Justin Carmody and Ryan Butler both U6 players, who each Saturday were always available to fill in any gaps in the team sheet. All in all a most rewarding and encouraging season. I do hope all the boys will be back next season to continue their soccer. Congratulations to all winners of awards. Best of luck for future season.

Manager.

Under 8B3:

Our last three games in August were very low scoring. Kanwal 1 defeated us 1-0 in our hardest game and I must say our boys played their best game of the season. 10.8.85 versus Gosford 2-0 win. 17.8.85 versus Southern/Ettalong 1-0 win, with an excellent goal scored by Daniel Molesworth. As it is the end of the season I would like to congratulate the boys on their very good attendance at training. All the boys were very keen and wanted to learn. For the

majority of boys in the 8B3 it was their first season and in the last few months Mark Aldridge, Daniel Molesworth, David Kean and David Edwards have improved their game dramatically. Michale Lowe and Timothy Simpson, the two boys who joined the team about 3rd week into the season proved to be a very important addition to the side. Our goalies Paul Dickerson and Dean Purcell save the day on many occasions but also proved very valuable on the field along with Adam Broadbent, Stuart Maher and Michael Gotfredsen. The two boys who were the mainstay of the team and kicked the majority of goals were Brad Tate and Brad Mackie. These boys proved themselves to be "A" grade players. All the parents should be very proud of the boys for at all times they were very well mannered and well behaved. I would like to thank all the parents for their support on and off the field. Last of all I would like to thank Michael Tate, the team manager and his wife who were always there every Saturday and helped to get the team ready for the game and Michael for his help with coaching every Thursday night.

Under 9B3:

Well boys you certainly have improved both individually and as a team since your early games. This is our final team report for the season and I hope (a part from all the wet weather this season) that you have all enjoyed your games as much as Sam, Garry and myself have enjoyed watching your improvement from week to week, as I'm sure your parents, have noticed. Our most recent games have resulted in a one all draw to Kanwal on the 3/8/85 and a 1-nil loss to Gosford (and that was a lucky goal) on 10/8/85, a top effort considering the calibre of teams in the comp. The award for Player of the Year has been a closely fought battle and I'm sure the boys concerned have some idea of how they faired. However, the eventual winner was - RYAN GILLIES for his consistently sound game - Congratulations mate!, Unfortunately only one 'Most Improved' award can be given, and the unanimous decision of Sam, Garry and myself goes to a player who has tried very hard (just like all the rest) Congratulations - Sean O'Reilly. Thanks also to all the boys for selling those chocolates and I'm sure Mrs. Smith will have your prizes organised as soon as possible. Thanks also to all our valued supporters (your parents) and to Sam and Garry for all their assistance during training and at the games. I know each and every boy will only go on to better things and I hope you all stay with the game and I would like to see you all together in a couple of years as a team. Thanks for all your effort boys, there certainly are some up and coming 'stars' (in the team, and I'm sure they will shine in 1986.

27.7.85 versus KINCUMBER. This was a very even game in which we were beaten 1-0 with the last kick of the match. This was a game that could have went either way. Chris Forbes, Craig Goy and Ryan Butler all had constructive games. 3.8.85 versus WOY WOY. A nil all draw was the result of this game. We tended to be a touch unlucky and a win would not have been underserved. Justin Carmody, Damon Ainsley and Paul Gotfredsen all played very well. 10.8.85 versus TERRIGAL. we won this game 1-0. A good result with good games by Phillip Buchanan, Jade Rizzo and Shannon O'Reilly. 17.8.85 versus KANWAL. This resulted in a nil all draw. A good game by our team and our best players were Stephen Bech, Ben Storey, Glenn Coulten and Ben Carroll. This has been a good season for our team in which we have won seven games, drew three and lost three. We scored 18 goals and had 6 scored against us. Thanks to the boys and the parents for making this such a pleasant season for all involved. A special thanks to Chris Carroll for all the assistance he has given

me during the year. Congratulations to Justin Carmody on being selected as Player of the Year. The award for the Most Improved is most difficult to select as all the players have improved dramatically but congratulations to Damon Ainsley on this award.

Under 9A1: 27.7.85 VERSUS KINCUMBER WON 12:0. As the score indicates a very one sided game. If the boys had listened to the coaches instructions more often, and not bunched up, getting in each others way, they could have declared and sent the opposition in and tried for outright victory. Forwards and defence all had turns in swapping positions. Thanks to SEAN RYAN for filling in as goal keeper. Another big day for STUART FORTIER, while MARK MITCHELL shone out in Mid-Field while having a break from goal-keeper during this game. Well played boys. Goals Scorers: CRAIG HERRING (5), BLAKE PAULL (2), SCOTT JAMES (2), MICHAEL MCGARVEY (1), STUART FORTIER (1), ADAM MORRIS (10). 28.7.85 UMINA UNDER 9 ROUND ROBIN COMPETITION. After a big effort the day before the boys backed up for this competition. The competition comprised of teams from the Central Coast, Swansea and six sides from Sydney.

GAME 1 V GRANVILLE Won 1:0 Goal Scorer Scott James.

GAME 2 V SEVEN HILLS Won on corner kicks.

GAME 3 V ST.ANDREWS Won Forfeit.

GAME 4 V EAST GOSFORD Won 3:0 Scorers were STUART FORTIER, CRAIG HERRING and ADAM MORRIS.

GAME 5 V SAINTS UNITED (2) Won 2:0 Scorers were SEAN RYAN, ADAM MORRIS.

After winning through our division, the boys then qualified for the final: FINAL V SAINTS UNITED (1) Won 1:0 Scorer Scott James. A very exciting day for the boys and followers. The whole squad played constructive, sensible and exciting soccer. The forwards never let up with their challenging of the oppositions goals. The mid-fielders were solid with their defence and challenged like little tigers with their attacking runs. The defence as well as being solid, were unruffled, always remaining cool headed when getting the ball back up the field (even though the people of the side line were not remaining cool). Well played boys, Coach, Manager, and Parents and Supporters are all very proud of your display of soccer skills and also your sportsmanlike behaviour and attitude on the field. The team - GRANT BAILY, DARREN BLAIR, STUART FORTIER, BRADLEY HAM, CRAIG HERRING, SCOTT JAMES, BRADLEY KIRK, CHRIS MCCOSKER, MARK MITCHELL, MICHAEL MCGARVEY, ADAM MORRIS, BLAKE PAULL, SEAN RYAN. Finally the boys would like to thank all their parents for their help with drinks, water buckets and sponge duty and all the cheering. A big thanks also to the players and parents of the 9A2's and 9B's for their support during the final. Many thanks to BILL FORTIER for compiling photo memories of the day for each boy.

3.8.85 V WOY WOY WON 4:0. This match was a little scrappy with the boys not controlling the ball at all well. Think they left their skills at Umina the week before. The boys managed to over come the sand bunker in front of the opposition goals in the first half to open their account. Defence held together to keep the opposition from scoring on a few occasions giving supporters a little cause for alarm. The boys also seemed a little reluctant to mark the GIRLS! in the woy woy line up. They won't bite boys, maybe you were just letting them go being the gentlemen you are. Goal Scorers CRAIG HERRING (2), BRADLEY KIRK (1) BLAKE PAULL (1). 10.8.85 Versus TERRIGAL Lost 3:1. Sooner or later the boys would have to lose, unfortunately it had to be by the same team responsible for their last defeat mid-way through 1984. The boys started this game as if they had already lost. The better side won on the day. Maybe the boys were too busy watching the Video camera instead of the ball. Not the best day for filming was it Coach????????? By watching the replay you will see what not to do. Scorer SCOTT JAMES.

17.8.85 Versus KANWAL SCORELESS DRAW. The boys were in a seemingly depressed mood, maybe due to the news a few days earlier which damaged their enthusiasm somewhat! Even so the defence remained strong, with some good performances from MARK MITCHELL in goals, a number of chip shots that almost paid off from BRADLEY KIRK and a display of hard

tackling from BRADLEY HAM. This has been a very successful year for the team. The boys scored 48 goals for while only conceding 4 goals. This success was reached by the team playing as a unit. Although the team had its stars, each player played his role in the teams success from Goal Keeper to Striker. Congratulations to the boys for all their big efforts in giving their best. I would like to take this opportunity to thank all parents for their co-operation and help in supporting the team. To the Mums for washing the shirts and using some of those loud voices to cheer on the boys. One of our secrets of success is having the support of parents to drive the boys to games and training plus give the boys confidence in knowing their family support them. On behalf of all the parents and boys I would like to thank Malcolm Moffat for the great success he has achieved with the team, for his ability to talk with the boys and to see them respond to him. Congratulations to Player of the Year - BRADLEY HAM - a player who never gives up, always goes into his tackles with determination, holds his position well and always gives good support to his team mates. Congratulations to BLAKE PAULL - Most Improved Player - It's good to see Blake improving each week, showing more confidence with his winger position. To all the boys, well done, and I hope you will all continue to enjoy your soccer in the future.

27.7.85 PLAYED SOUTHERN ETTALONG WON 9-0. Today the team listened to the coach and played their best game of the season, near the end. Goal scorers were: T.Hughes (6), A.Deane (2) and (1) own goal by the Ettalong keeper who attempting to kick the ball out but only to have it go backwards into his own net. Well played boys. 3.8.85 PLAYED BERKELEY VALE WON 4-0. After their big win against Southern/Ettalong the boys were eager to score more goals against a stronger Berkeley team. By playing to instructions and leading 1-0 at half time they found the back of the net on three more occasions, goals scorers were T.Hughes (2), A.Deane (1), and for the second week the opposition scored an own goal for us. To all the Mums and Dads thanks for your support every week. 10.8.85 PLAYED TERRIGAL (3) DREW 0-0. This side was a lot stronger than Berkeley Vale and only having to play against 9 players they tried hard. We had a few breaks from Trent and Adam but just couldn't find the net. In the second half it was surprising to see the goal keeper trying to score than save a goal. Well played boys. 17.8.85 PLAYED KILLARNEY DISTRICT DRAW 0-0. This being the last game of the season the boys played in the position they wanted. The boys played well the exception of a penalty which missed. They had a few breaks but missed the nets. I would like to thank all the parents for their support and help throughout the year. I hope to see the boys back again next year.

27.7.85 versus TERRIGAL (1) LOSS 1-2. with the goal being scored by Matthew Learmonth. 3.8.85 versus UMINA UNITED (1) Draw 1-1, goal being scored by Stephen Ferlazzo. 10.8.85 versus KANWAL (1) LOSS 0-1. 17.8.85 versus GOSFORD CITY (1) DRAW 0-0. Stars of the month are, Craig Franklin, David Carr, Luke Meany, Stephen Ferlazzo, David Stuart, Chris Smith, Peter Graham, Matthew Learmonth, Grant Hines, Greg Griffiths, reason being they have never stopped trying in last month. Well done boys. Highlights of the month was the exciting game was at Kanwal against Kanwal (1). We lost 1-0. They won with 1 minute to go. Luke Meany hit the posts on two occasions before hand. The coaches advice to the team is follow up the ball at all times and put pressure on the goal keeper at all times. But most of all enjoy the game. A special thank you goes to all of the parents who supported me and their boys as well. And a special thank you

goes to the boys for their efforts this year. THANK YOU. Humourous incident was 17.8.85 while playing Gosford City "David Stuart came up to me and asked me if he was playing a good game, just before half time".

RESULTS: BUDGEWOI 2-1 WIN, WYONG 2-0 WIN, THE ENTRANCE 1-5 LOSS, TOUKLEY 0-0 DRAW, KINCUMBER 5-0 WIN. Excluding the loss to The Entrance due to drastic changes in positions, at the request of the players, the team has improved 100%, with some outstanding displays of teamwork, and ball skills, which I knew they all possessed. Scott Bath a tackling machine, has improved his ball skills and is reading the game well, along with Ben Piefke and Mathew Morris in defence, and the safe hands of Tim Smith in goals, we have the makings of an excellent defence. Midfielders, Rodney Northey, David Derrick and Adam Kavanagh have been playing extremely well in defence and attack setting up the play for the forwards to find the net, lets not forget the forwards, Greg Bech, Brett Currell, Nathan Jones, Kirk Mercer and our utility player, Stephen Grahame, who adapts well to playing any position on the field. On Sunday the 28th August we played in the Umina knockout, and although we didn't reach the final we played some great soccer, holding our own against the strong opposition, including teams from Sydney. I would like to thank Dave Fortune for looking after the team when I wasn't there and I would like to thank all the boys and parents for staying back and cheering on the Wyoming A1 team, who took out the Final, and also stayed for the presentation. It just shows what club spirit the boys and their parents have for the Wyoming Club. We finished the season on a high note by taking out the B grade trophy at the Terrigal knockout on Sunday 18th August. The boys really showed what teamwork is all about, giving each other support and encouragement, in every aspect of the game, and true sportsmanship in applauding the opposition after each game. Commiserations to Dave Fortune and his team, who we defeated in the final. It took a brilliant goal in extra time, by Adam Kavanagh, to decide the winner. Well done 9B1's. I would personally like to thank the coaches who allowed their players to keep us field a full team in this knockout, due to Kirk Mercer and Stephen Grahame being unable to play, and also the players themselves, David Elvy (7A1), Clayton Jones (7A1) and "Flash" junior (9B2). Thank You. Thank You boys for the tremendous season, I think we all enjoyed it, and to the Mums and Dads. I hope you will all come back next year. On behalf of Bob Karanagh and myself.

Congratulations boys on another highly successful season. We lost a few players from last season but they were ably replaced by our "new recruits" who fitted into the team quite well. With the gaining of a few new players, some reshuffling had to be done, and players assessed to find the "most suitable player" for some key positions such as goal keeper, left wing and defenders. Unfortunately most players wanted to score goals and when the occasions arose, they were given the opportunity to unleash their might on the opposition goalkeeper. As the season progressed, it was again a matter of how long can we go without being beaten. Alas, it finally happened against Killarney Districts (0/2) and a draw against Wyong (0/0). Despite these results, the boys carried on from last year and again finished on top. During the year, we were again successful in the knockouts, taking out the Budgewoi gala day and our own Wyoming gala day. The most spectacular goal award must go to Tim Shaw who has an uncontrollable urge to wag his tongue, and finally proved that at least part of what he said he could do - scored

a goal from half way in the last game! Other notable achievements: Craig Heggie whose little soccer boots have grown 3 inches this season, and always runs himself to a stand still: Clayton Jones, Michael Post and Drew Jager, who have that hungry wish to score goals and succeed - often with good crosses by Stewart Murray and Stephen Nolan; David Elvy, again the captain of the midfield and "chief" defender, ably supported by Chris Magri and Eden Burling; Tim Shaw, Ryan Bush and Keiran Casey who often made up the "last line" were all solid in defence (and got their own back when given a run in the forwards); Andrew Freeman, goalkeeper and goal scoring forward, puts up with a job no-one else wants and also scores goals to boot!

AND....The maestro - Richard Magri (never been seen to pull on a soccer boot, but assures us he has!) From each and every one of us, we appreciate the time and effort that you have given our boys and my sincere congratulations for your successful season. It shows in the way the boys play the game and the great team work that you have developed in them. Lastly, thanks to the supporters, ably led by Terry Jones and a few other "raucous" parents - thanks for your participation - great to see you there.

CHOCOLATE DRIVE: As this is the final non comp. Tiger Tales for the 1985 season, I would like to take this opportunity to thank all who have participated in the Chocolate Drive. Hopefully all prizes will be available at the presentation today.

There are still a couple of teams with money outstanding and some odd ½ cartons still outstanding from some teams, and I would appreciate if these could be finalised so that I can pay the chocolate bill.

There is a list of DATE TO REMEMBER earlier on in the Tiger Tales, each and everyone is invited to these function. Perhaps we may see you there.

Jill Smith
Secretary

THANK YOU to all coaches/managers who have been really understanding over the draw and the closure of the small field which meant changes of times, venues etc.

Lesley Mason
Ass.Sec.Fixtures Officer

To those parents who helped in the Canteen during the season, THANK YOU for your support, it was greatly appreciated.

Marie Frost
Canteen Supervisor

I know I've grown older,
I don't run, and scream and shout
I know the game of soccer,
I've learnt what it's about.

It's not running down the sideline
And yelling till your hoarse,
It's watching kids enjoy themselves,
And winning some of course.

But if they lose, what harms done,
Enjoying themselves is all the fun,
To lose and know you've played your best
Is all that matters, that's the test.

The kids all know, the coach is proud,
When they've done their best, despite the crowd,
No matter what the scoreline reads,
To play the game is all the kids need.

And when they get to 1st grade,
If you haven't learnt to cope,
We'll probably find you hanging,
From the sideline rope.

So please remember parents,
When you take your child to SPORT
That SPORT is what it's all about
Even if it's 20-naught.

The kids learn from example,
Do they go to watch you play?
Do they scream and shout abuse at you,
When things don't go your way?

Or have they learnt to say "WELL DONE"
It really doesn't matter,
It's how you let them play the game,
And not the sideline chatter.

SPORT helps your kids to all grow up
To learn to take a loss
To cope with both the good and bad
To fight back if life throws you a toss.

SPORT teaches them it's not just "me"
It's the team that really counts
And what they put right into it,
Will come back in great amounts.
