SECRETARIES SCREED FOR JUNE

UNDER 7 ROUND ROBIN.

Our Club will be holding an Under 7 Round Robin Competition on Sunday 20th July, 1986 at Alan Davidson Park. I would like to hear from the coaches of our under 7 sides if they are interested in putting their team in this Round Robin. Help in setting up the field will be required as in other years it is usually left to the Dads of the teams. If you can lend a hand please contact Steve Field on 281056 and he will be able to tell you just what is required.

CANTEEN ROSTER FOR SENIORS.

Sunday 6th July: 9am-10.30 Res. Grade. 10.30-12.30 1st grade  
12.30-2.30 4th grade. 2.30-4.30 3rd grade

CONGRATULATIONS

Through this page I would like to congratulate Jimmy Bryden one of our retired 1st grade players who is putting back something into the sport he loves. Jimmy puts on "black & white" this coming weekend and referees a 4th grade game. Its good to see this interest.

RULES NIGHT.

Lesley Mason has been in touch with John Cunningham the coach of the referees association about arranging a night where by coaches, managers, players, in fact any interested persons can be taught the basic rules. I watched a games between 2 Wyoming sides not so long ago where one of coaches kept trying to make the young referee change his decision. As it happens the young referee was right, so this night should be of assistance to our coaches. Please contact Lesley Mason or myself if you are interested and we can work out a night with John Cunningham.

CONGRATULATIONS

On behalf of the committee I would like to take this opportunity to congratulate Lisa Van Dorp on her selection in the under 17 Northern NSW State team and also the North Sydney Regional Team. Congratulations also to Michele Davidson who was also selected in the U/17 NNSW State Team and Diane Fathers who was selected in the U/15 NNSW State team. The Club is very proud of you all.

SOCIAL

Please read the social secretary's report about what is happening in the next month. For those of you that haven't been to a Lace Party they are something different from the usual party plan ones. There is some lovely crochets items at better than store prices. So hope to you there.

I have had problems with the stensils for this issue, please make allowances and also some reports were very hard to decipher and it was just a guess as what was really being written.

See you on the sidelines,

Jill Smith  
Secretary

CATERING REPORT & ROSTER

CATERING AT STATE TITLES - LONG WEEKEND IN JUNE

I would like to thank all persons from our Club who participated on this weekend, I feel sure that everyone who attended witnessed some good soccer as well as helping our Club financially. Approximately \$1200.00 profit was made through teen and raffle.

It was tremendous to see such support and Club spirit amongst all helpers through the weekend. From 8am Saturday transferring necessary equipment to Fagans Park to cleaning up and delivering same back to Wyoming at 3pm Monday.

Special mention to all our junior club members who assisted as ball boys, junior garbologists and general messengers throughout the weekend.

A special thank you to Margin Gosford for lending the Drink Trailer  
 Peters Ice Cream for lending of freezer  
 Neville Bulley for lending caravan

Having these items available to us made for a much smoother and enjoyable weekend.

CANTEEN ROSTER

The Canteen roster for the remainder of the season is in this issued of Tiger Tales.

If your name is not on the roster and you would be available to assist at our Under 7 Round Robin day please contact a committee person, or just turn up on 20th July.

BRADLEY CAMPBELL - SPECIAL AWARD  
FOR SERVICES TO THE  
CLUB  
\*\*\*\*\*

\*\*\*\*\*  
Last Monday at the June General Meeting of the Club  
Bradley Campbell (12) was presented with a track  
suit for services to the Club for the 1986 season.  
The management committee discussed the merits of  
Bradley's services at its last meeting and decided  
that it would be most fitting to award the gift at  
this stage of the year.

For one so young it is a credit to Bradley for his  
sheer dedication to the love of soccer and to the  
Club. This year with the support of his parents  
Bradley has undertaken

- 1) Player in Under 12A1
- 2) Assistant coach of Under 7(3)
- 3) Coach of the Saturday Kindergarten Class
- 4) Senior ball boy for home games  
1st, Res, 3rd and 4th grade teams

If dedication and enthusiasm are any indication to  
success, Bradley Campbell will one day have his  
name in lights and deservedly so too.

Congratulations from all members of the Club

President

## TEAM REPORTS

Under 6,1: Versus WYOMING 4 WON 10-0. Most enjoyable game - many of the boys had friends and school-mates in both teams. Great game from little Adam Wade who scored his first goal. Good defence from Paul Frommuller and Ben Acheson. Strong accurate kicking from Robert Miller and Ryan Butler. Goals by Robert Miller 4, Ryan Butler 2, Damien Bridge 1, Simon Ansley 1, Adam Wade 1, and 1 own goal.

Versus WYOMING 3 WON 7-0. Nil-all at half time made this an exciting match with good defence from the opposition. Good attacking games from David Frazer, Ben Acheson and Simon Ansley. Goals by Robert Miller 3, David Frazer 1, Ben Acheson 1, Paul Frommuller 1, and Simon Ansley 1.

Versus EAST GOSFORD 1, WON 12-0. This was a one sided game highlighted by Sean Mahoney's first goal of the season, he scored 3. Goals were also scored by Robert Miller 4, Ben Acheson 2, Paul Frommuller 1, David Frazer and Simon Ainsley. The boys are developing their skills well and combining well as a team.

Robyn Miller

Under 6,2: 31.5.86 versus EAST GOSFORD 2, WIN 3-2. 14.6.86 versus P.M.K. DRAW 2-2. 21.6.86 versus OURIMBAH. LOSS 2-1.

### STARS OF THE MONTH.

A mixed bag this time round for the 6-2's. First up we travelled to East Gosford and in a very even game the boy's notched up a very good win. Good games from Trent Dawson, Justin Nichols, and Andrew Rogers.

### HIGHLIGHTS OF THE MONTH.

Next up in a most exciting adventure we headed up into the bush and met P.M.K. on home ground. This again was a very tight affair with a fair result obtained. Michael Wheelahan had a very good game and was well supported, Anthony Hornby and Steven Medford and to the last game in this present round of exchanges we went to Ourimbah. This game was probably our unluckiest the boys had most of the play but were beaten 2-1 one outstanding effort by Steven Medford who was well supported by all boys.

Stephen Nichols

Under 6.4: 31.5.86 versus WYOMING 1 LOSS 0-10. This game was a bit one sided with all boys giving a 100% effort and it was good to see Russell Rathbone chasing the ball. Best players were Nathan Healey, Daniel Goutler and Shane Butt with Joel Morris also playing well.

14.6.86 versus EAST GOSFORD 2. This game was full of excitement with the ball hitting the post several times before Nathan Healey put in two beautiful goals. Shane Butt made several breaks with Darren Weller backing him up. James Birch showed he is reliable in defence and didn't let them break through. "Well done boys, keep up the good work".

21.6.86 versus EAST GOSFORD 1. WIN Forfeit. Another day, another forfeit, this our third forfeit for the year made the boys very disappointed. I would like to thank Grant Bailey who refereed a fun game against Gosford. This made the boys a bit better although it wasn't the real thing.

Jarrold Mobberly

Under 7,3. 31.6.86 versus EAST GOSFORD (3) LOSS 0-2. 14.6.86 versus OURIMBAH (2) WON 3-0. 21.6.86 versus GOSFORD (2). DRAW 1-1.

### STARS OF THE MONTH.

CHRIS BAILE - played consistently all month with a goal and alot of near misses.

BEN STOREY - is finally learning to hang around near the other teams goals and scoring one of them.

### HIGHLIGHTS OF THE MONTH.

31.5.86 - they played well but unfortunately the team's winning streak came to an end by lossing. The first half saw a goal being scored and then in the second half they scored again and winning 2-0. Bad luck boys, maybe you will win another game.

Under 7,3 (cont)

HIGHLIGHTS OF THE MONTH (cont)

14.6.86 - in the first half there were a number of goals missed. Chris B, Mark B, Daniel C, Callum M. played a good game in attack and Darren W, Ben S, and Sean N doing the scoring in the second half. All in all, the boys played a good game by winning 3-0.

21.6.86 - everyone played a real good game with Daniel Nelson and Daniel Coats playing their best with Chris Bale scoring and drawing the game for the team. Well played boys and keep up the good work.

Bradley Campbell

Under 8A2: 31.5.86 versus WYONG WON 2-0. Another pleasing effort by the boys, their positional play and team work were good to watch and all of the team contributed to the win. Chris Camage played well and was rewarded with his first goal of the season. Stephen Phillips scored the second goal of the game from a penalty kick. A great display of goalkeeping by Adam Deane, in the second half, kept Wyong scoreless but the star of the game was fullback Dale Woods, his good positional play and solid defence ended quite a few strong attacks by Wyong.

14.6.86 versus WYOMING A1 3-0. The game of the season, this was the day the "SUPERKIDS" became a super team. Chris Camage and Anthony Dillon broke up a strong attacking move in the first half then left the defence floundering as they took the ball the length of the field for a great goal by Chris. Adam Deane was on the spot to put away a misfielded ball for a good goal in the second half. In the last minutes of the match Stephen Burns sent in a mighty kick from well out on his wing and scored the match winner and goal of the year. A solid team effort with outstanding displays by Anthony Dillon, Chris Camage and Scotty Snodgrass, Damien Scrusse was tireless in defence and Stephen Phillips' goalkeeping was first class. Congratulations to coach, Cliff Deane and his "men".

21.6.86 versus KILLARNEY DISTRICT 2 LOST 0-1. Killarney took advantage of the slow start by our team and posted an early goal, the boys settled down to the task and put together some really promising attacking moves but were unable to break the good defence of the Killarney backs. In spite of the score it was an entertaining game and the boys were unlucky not to have done better. Phillip Mackie was back to his best and turned in strong performance, Joseph Mahoney attacked gamely and deserved to score on a number of occasions, Stephen Phillips played well in the second half after playing goalie for the first. John Frohmuller was taken from the field injured but returned to finish with a brave display, a good team effort and a promise of better things to come in the following weeks.

Bernie Snodgrass

Under 8B: 31.5.86 versus GOSFORD DRAW 0-0. This game showed a great improvement by the whole team. At the beginning of the season the team didn't have any one outstanding player that the rest of the team could lean on so any improvement depended on a team effort. When looking at the soccer skills learnt by all the boys since our first game this season our thanks must go to our two coaches Matthew Nash and Jason Hulston. If any players were to be singled out in this game for commendations they would have to be Robert Loadsman and Greg Herzog in attack while Andrew Chinn put in a fine effort in goal.

1.6.86 Round Robin at Budgewoi.

Our team took part in an Under 8B Round Robin At Budgewoi. While success did not come our way the closeness of the scores showed another fine team effort.

Results were versus	TERRIGAL B1	Loss	on	corners	6-2
	"	TOUKLEY	"	"	corners 1-0
	"	GOSFORD	draw	"	corners 1-1

Under 8B (cont)

A great day was had by all and our thanks go to the Budgewoi Club for what was a very well organised day.

14.6.86 versus TERRIGAL 3 Loss 3-0. This game was much closer than the final score indicates. Gareth Bray had a big game with Jason McBain also having a much improved game in attack. Greg Herzog's efforts in goal should also be commended.

21.6.86 versus WOY WOY LOSS 2-0. The team improved as the game progressed and when considering that the Woy Woy team remains undefeated this season this makes the effort put in by our boys all that much better. A big game was had once again by Gareth Bray in both defence and attack. While in attack Scott McClelland stood out as did Grahame Rowe in defence. However, the two big improvers of the month were Bardley Tarrant and Geoffrey Walters.

HIGHLIGHT OF THE YEAR.

This had to be an impromptu game against the Terrigal Under 9B team prior to our team bar-b-que. As the game progressed the Referee, as well as coaches from both sides and a few other ring-ins joined the game. A great time was had by both players and spectators. The bar-be-que following was also successful with another planned.

Ken Loadman

Under 9A1: June has again been a successful month for the team.

The first game was against the Entrance and resulted in a 3-0 win. Although played on a very small field the team were still able to play constructive soccer. Fullbacks Michael Kennedy and David McGarvey had good games and Adam Coulter displayed good reflexes in maintaining his goal line uncrossed. Scott Fraser broke his duck for the season with a well taken goal from the right wing. Jason Magri provided the class goal of the season with an overhead kick and Keenan Field scored from a planned corner move.

No soccer was played on the Queens Birthday weekend.

The next game was played against our Wyoming A2 team on the 14th June resulting in a 3-0 win. The three goals were all scored in the first half (2 to Michael Buchanan and 1 to Mark Drennan). The A2 team mounted several unsuccessful attacks in both halves but were turned out by the backs, Ben Lyons and David McGarvey. The A2 team defended well in the second half to keep our side goal less.

The following day we headed for Kanwal for their Round Robin Gala Day. Unfortunately bad weather prevented the completion of the Round Robin and the final of the two winners of each division. The boys had played extremely well and had won the three completed games scoring 10 goals and conceding none. As the final could not take place it was decided the winner of the final would be determined by a toss of the coin, and our boys had to settle with the Runners-up - Trophies. Congratulations boys on your good effort and the sportsmanlike way you accepted the final decision. June 21st game was out at Kincumber and resulted in a 7-0 win. Goal scorers were Michael Kennedy, Michael Buchanan, Jason Magri, Ben Lyons, Adam Coulter and Justin Nixon scored two. The first half the boys played mainly in their normal positions with Michael Kennedy and Michael Buchanan having strong games. For the second half the backs, including our keeper, Adam, were substituted into the forward line and most were rewarded for a good upfront effort with either scoring a goal or in the setting up of a goal. The most pleasing goal for all the boys was Adam's who showed he not only keeps well but when given the opportunity can score a goal also. Meanwhile the normal forwards and halves defended well in their unfamiliar positions of backs.

Under 9B1: 3.5.86 versus OURIMBAH 2, WIN 5-0. 17.5.86 versus OURIMBAH 1 LOSS 0-4. 24.5.86 versus KILLARNEY DISTRICT WIN 3-0. 31.5.86 versus BERKELEY VALE WIN 1-0. 14.6.85 versus WYOMING B2 DRAW 0-0. 21.6.85 versus KINCUMBER WIN 2-0.

STARS OF THE MONTH

Bradley Mackie - always trying and always prepared to shoot for goal.  
Seven and Thor Aaso - the twin runners of the side, they never stop.  
Adam Reynolds - holds our defence together week after week.

HIGHLIGHTS OF THE MONTH

31.5. versus Berkeley Vale. This was a very hard and tight match, a good goal by Bardley Mackie won the day. Paul Dickerson playing in goal for this game was very safe and kept us in the match with some fine saves. Our twin dynamoes Sven and Thor Aaso had their normal busy game, always running, defending and attacking.

14.6 versus Wyoming B2. Despite having 5 regular players out we still managed to hold on for a draw. Our thanks to the Under 8 players Adam, Phillip, Grant and Chris who made up our team and played so well. Good games by Gregory Griffiths in goal, Shannon Dand never stopped trying, David Edwards had his usual good game doing a lot of tidying up in midfield. Craig Franklin had a solid game at fullback, a good result with so many regular players missing.

21.6 versus KINCUMBER WIN 2-0. This was a good win against a strong side, goals were scored by Gregory Griffiths and Bardley Mackie no. 6 for the year. Adam Reynolds once again held our defence together with some fine tackling and clearances, he was well supported by Brendon Condon in defence. Stephen Boyton tried hard and was unlucky not to add to his total of 6 goals for the year. Leighton Grant played the second half after missing some games through injury welcome back Leighton, you played well.

Dave Reynolds

Under 10A: 31.5.86 v SOUTHERN/ETTALONG No. 2 WON 4:0. A disappointing game all round for the team. The boys appeared to forget all the fundamentals coach has taught them. The less said the better. Congratulations to ADAM on his 2nd hat trick for the season. Goal Scorers ADAM MORRIS (3), MICHAEL MCGARVEY (1).

14.6.86 v KILLARNEY DISTRICT WON 2:1. A closely fought game, with both teams evenly matched. All the boys performed well. The result could have been either way, with both goal keepers showing good skills. Outstanding players were TIM SMITH in goals NATHAN JONES with skillful displays in mid-field while CRAIG HERRING played a number of penetrating runs in the forwards and CHRIS MCCOSKER played well holding the centre back position. Goal Scorers, CRAIG HERRING (1), BRADLEY KIRK (10).

15.6.86 KILLARNEY DISTRICT ROUND ROBIN COMPETITION. The team played in the Division 1 Competition - Opponents being Terrigal 1, The Entrance, Killarney District, Southern/Ettalong 1, Valentine. The teams overall performance was disappointing for both players and supporters. This disappointment was not helped by the lousy weather. The rain came down for the last half of the competition, leaving everyone looking like drowned rats. It is very hard to support the team while one's jeans are getting heavier and lower and lower from the weight of water as the rain came down. Once again TIM SMITH excelled himself in goals. Other outstanding players were DARREN BLAIR, SEAN RYAN in defence, STUART FORTIER, BRADLEY KIRK, and BRADLEY HAM and NATHAN JONES in mid-field with CRAIG HERRING shining out in his forward position. Goal Scorers, CRAIG HERRING (2) BRADLEY KIRK (1). All the other boys played well in patches. Many thanks to BEN PIEFKE from the 10B1's who played with the team and Ben was a great help playing well in mid-field and striker. Thanks go to our supporters for providing umbrellas, rugs, coffee and other forms of protection against the hostile weather, as well as trying to make sure the boys stayed as dry as possible HA!HA!

21.6.86 V BUDGEWOI WON 6:1. Due to the early start and the cold weather (2 degrees celcius) both teams took some time to warm up. Although one parent was rather hot under the collar and fired up after receiving a speeding fine on the way up to Budgewoi. The score at half time was 2:1. In the second half the boys started to work as a team although there is still a lot of room for improvement. SCOTT JAMES enjoyed his run as striker. Goal Scorers: SCOTT JAMES (2), BRADLEY HAM (1), STUART FORTIER (1), MICHAEL MCGARVEY (1), ADAM MORRIS (1).

Under 10B1: 31.5.86 EAST GOSFORD 0-2. The boys started off very quietly and allowed the East Gosford Team to beat them to the ball, allowing East's to score two goals. Fortunately the boys woke up and played more determined soccer for the rest of the game. I felt throughout the game we could score at any time, unfortunately luck was not with us, good skill shown in the forwards by Ben, determination in the midfields by Tom, Grant and Blake with Steven asserting his authority in defence. Good Effort Boys. Our McDonald Encouragement Award for this game went to Tom McNally and Grant Bailey.

N.B. A parent from the East Gosford Team approached me after the game and congratulated Our Boys on their Team Skill shown during the game, "Better than their team, He thought."

14.6.86 GOSFORD 6-0. Our Boys must have missed their game last week, with Steven absent and David recovering from an appendix operation, we took the field with ten players and played a great game of soccer. Lucky for us Gosford are not enjoying a good season which allowed the boys to play very attacking soccer which they seem to enjoy, when asked to put in an extra effort in supporting the backs in defence everybody responded with determined running and support for their teammates.

Coaches Prayer - "If only we could play with as much determination against the top teams".

Given the time to play their game the boys showed all the skills learnt at training and some special ones devised on the spot. A ! Ben (handball in opposition penalty area) but justice was done he missed the goal. Bad luck to Evan who only just missed his first goal. Congratulations to Ben for scoring a Hstrick. Our McDonald Encouragement Award for this game to Scott Bath and Ben Piefke.

21.6.86 WYOMING B2 2-0. A Big difference from the last time we met the B2's, They not only had a full team but even a reserve, where we took the field with only ten players (again), both teams played some good soccer showing skills learnt at training, with most of the scoring chances falling to our team. Ben kicked one chance under, the next over, so it was only a matter of time before he got it right and put one in the middle. Luckily for us Bens kick hit the post and bobbled out of keeper Daniel Marsdens hands and went into the net. The next goal was a gooa Team Goal set up with

Team Skill and well taken by Ben. I am very pleased with the play of all boys, they played with great enthusiasm and determination. If all boys can play with as much determination in our coming games, we might be able to reverse some of those first round losses. Our McDonald Encouragement Award for this game to Evan Williams and Mathew Morris.

David assures us he will return in two weeks time having recovered from his operation. Hopefully! the doctor will agree with David's opinion.

Under 9B2: Round 9. Versus KILLERNEY at Bateau Bay Oval.

Well, it was down to Alan Davo oval at first light to round up some of those specially imported Orange pieces. (The Boys are convinced they're Lemons) Then, grope our way through fog and mist out of Bateau Bay Oval. Out there we were greeted by a Lazy Southerly Wind, (It went through us not around us.) carrying with it a special message gathered at the Sanitation Depot. To make the morning complete, Donald decided he could play just as well in his sneakers, so, he left his soccer boots at home. (Wouldn't miss it for quids) So, with all these things in our favour, how could we lose? This was a rather see-sawing game with all the boys playing well. Anthony found the net eventually after some good lead up work by Greg, Simon and Donald, Daniel made some good saves in goals while Bret was as solid as a Rock in defence.

Result 1 - 0 WIN.

Round 11 Versus EAST GOSFORD at Hylton Moore

This game produced a comedy of errors, and we were pleased when the curtain was drawn. You could have been excused for thinking it was an Aerobics class on ice, with all the handling penalties and slipping over that went on. The only thing that was missing to make the act complete was a pair of Stilts. Daniel could certainly have used them to save the one goal that was scored. Once the ball got up into East's quarter our boys seemed to lose interest, they must have thought it was still a Public Holiday. Still, I guess you can only play as good as the opposition lets you.

Result 1 - 0 Loss.

Round 12. Versus WYOMING B1 at Wyoming.

A vastly different game to the first encounter and we even had the luxury of a reserve player.

There were several good chances missed in the first half and we had the territorial advantage for most of the half.

In the second half the boys continued to play as a team, passing the ball. (not always to our own players though).

Generally it was an enjoyable game.

Daniel once again did a good job in goals, Tony worked tirelessly, Simon, Brendon, Greg and Anthony kept the pressure on all game. Bret, Brendon, Daniel and Craig all defended well.

Result 2 - 0 Loss.

Ken Gardiner

Under 10C2. 31.5.86 versus KANWAL LOSS 0-1. 14.6.86 versus GURIMBAH DRAW 0-0. 21.6.86 versus WYOMING C1. LOSS 0-4.

Round 9 v Kanwal was a tough physical game with some pretty hard tackling from the Kanwal backs. Dennis Butler was the STAR of the game giving a good 100% effort and tackling hard and fast at every opportunity. We had 80% possession of the ball in the first half but forwards Ryan Gillier, Daniel Evans and Martin Stanfield could not find the net. Kanwal came out stronger in the second half and some brilliant goal keeping from Robert Matthew held them goalless.

until 5 minutes before the whistle when the ball popped out of a goal mouth scrum and into the net.

Round 11 versus OURIMBAH. A very even game with possession moving quickly from 1 end of the field to the other and back again. Scott Melville played a brilliant first half but the previous days cross country run began to have its effect on him and several other players in the second half. Adam Hungerford came on at half time and saved the game with some superb tackling and defensive work. Mid-fielders David Kitching, Blake O'Brien and Matthew Turpin all played well and Ourimbah were shut out of the game. Our forwards were up against some big strong backs and were unable to score. The nil all score line was a just result.

Round 12 versus WYOMING C1. We had read of this teams exploits in the Western Desert and of their Mobster "Hit Men"! So it was with fear and trepidation and with the memory of an 8 nil hiding in round one that we took the field for our 1 and only home game of the season. Our backs put up a magnificent fight, Andrew McGregor and Ryan Gilles tackled hard at every opportunity. Peter Greenwood Daniel Evans and Matthew Turpin rarely saw the ball in the forward line as the C1 mid-fielders dominated the game. We were fairly happy with a 1 nil score line at the break. Michael Frazer came on at half time and fought hard for the equaliser but C1 were just too good. They banged in three goals in the last 15 minutes, one shot almost decapitating our goalie. Well done, 10C1.

Eric Matthews

Under 11B: Versus OURIMBAH WON 2-1. A very lucky win against opponents who showed far more application, but who were let down by poor finishing. In contrast, whilst our boys dithered around in midfield for most of the game, they did manage to put away two of the rare chances which came their way. A fine team goal set up by Graham Wilson and Colin McCrone and scored by Anthony Pagliaricci gave us an early lead. However, from here on, Ourimbah fought back doggedly and after a number of close calls, equalised midway through the second half and in fact looked likely to go on and win the match. To their credit the boys bounced back well and a scrambling goal near full time gave them the game. Best players were Darren Goy at left back who twice cleared the ball from our line to save certain goals and Thomas Wanner who, as always, played with grit and determination, this time on the right wing.

Versus KANWAL LOST 0-2. In the light of the team's recent form this loss came as no surprise. Unfortunately with the last two game being won very much against the run of play the boys seemed to think that, regardless of how they play, the opposition are going to let them win. Against a Kanwal side which hustled us and continually won the loose ball we were never really in the game. We were best served by three of our perennial triers, -Colin McCrone and Ryan Collins in the midfield and Anthony Pagliaricci in the forward line.

Versus SOUTHERN/ETTALONG LOST 0-2. A game played in two distinct phases. For the first ten minutes we were hopelessly outclassed and lucky to be down by only the two goals. From this point on, however, the boys lifted their work rate and knuckled down to play as well as they have in any game this year. They dominated for most of the second half and were unfortunate not to get out with what would have been a well-deserved draw especially with two of the forwards being brought down inside the penalty area.

Versus BUDGEWOI LOST 0-3. Almost a carbon copy of the previous match with all three goals being conceded in the first 20 minutes. Again the boys lifted themselves in the second half and inspired by some fine saves by Colin McCrone in goals, held their own against one of the competition favourites. Once again however, a poor start had robbed them of any chance. Other to shine were Graham Wilson who worked hard in the midfield where he was well supported by Brett Van Munster who had an outstanding match at right half.

Under 12A1: 31.5.86 versus UMINA (B) WIN 1/0. 14.6.86 versus KILLARNEY DRAW 1/1. 21.6.86 versus BUDGEWOI WIN 5/0.

HIGHLIGHTS OF THE MONTH.

Quite a pleasing month with the players at last playing good team football. We are holding down equal second spot and the games against Terrigal and Killarney in the next round will decide who finishes 2nd. We are still waiting for our regular keeper Daniel Wilson to return from his broken arm but in the meantime everyone in the team is having the opportunity of what its like between the sticks. We now have had 14 different keepers this year including Brett VAN MUNSTER (11B), Warren STEPHENSON (11A), Tim SMITH (10A), and Adam MORRIS (10A). The latter two I would like to thank for remaining at cold Budgewoi to fill in for absenies.

STARTS OF THE MONTH.

Brett WOODS - continues to improve with more play.  
David MARYSKA - the little dynamite on our left wing has certainly the tenacity to become a better player. His enthusiasm is contagious.  
Brad CAMPBELL - ever reliable at the back - it is a pleasure to watch his ability to head away long high balls.  
Glen DURIE - moved to right half and loving it - sometimes caught out of position but always dangerous on the ball.

Kevin Best

Under 12A2: 31.5.86 versus TERRIGAL LOSS 0-5. 14.6.86 versus KANWAL LOSS 1-2. 21.6.86 versus GOSFORD WIN 4-0.

STARS OF THE MONTH.

NEIL COX - good games against Terrigal and Gosford  
ADAM MACKETT - Best game this year against Terrigal  
STEVEN MCGARVEY)  
DAVID LAWLER ) All having strong games in defence.  
ANDREW SMITH )

HIGHLIGHTS OF THE MONTH.

The Terrigal game saw an own goal by Andrew Sainsbury who made the best back header seen. The boys played well but slowed down near the end. The game against Kanwal saw Wyoming score first but we could not hold them out in the second half against a strong wind. Duncan and Bradley had chances to score in the second half but neither could find the net. Everything came together against Gosford with Bradley scoring a hat trick. The Gosford "fill-in" Ref gave two doubtful penalties which they fortunately missed. A bit more effort at training might see some more results like Gosford.

Under 12B: 5.4. versus KILLARNEY DISTRICT DRAW 1-1 with A.SMITH being the goal scorer. 12.4. versus EAST GOSFORD DRAW 1-1, A.HOPKINS scoring the goal. 19.4. versus SOUTHERN/ETCALONG LOSS 2-3, A.SMITH & R.HAY scoring the goals. 3.5. versus TERRIGAL DRAW 2-2, R.HAY & A.SMITH scoring the goals.

5.4 versus KILLARNEY DISTRICT DRAW 1-1. Conditions were all against a good game of soccer. Strong winds and extreme heat tired players on both sides. I thought we had the better of play but could not finish off. Michael Green had a superb game, setting up many chances from the left wing only to see the forwards concede the ball to the opposition. We have a lot to do to make any threat to this comp but if the players put their mind to the job I think we can make our presence felt. Only other players to shine were John-Paul Hallum, Anthony Hopkins, Alex Noble and Arron Hughes. We will do better.

12.4. versus EAST GOSFORD DRAW 1-1. Conditions were better this week but our performance was the same. A lot of miskicking bad tackling led to our downfall. Good game played by Wayne Jones, Ravi McCosker, and Michael Green. With only minutes to go to full time a good individual goal by Anthony Hopkins saved the day. I hope we can do better.

19.4 versus SOUTHERN/ETTALONG LOSS 2-3. Well a slight ray of sunshine has started to appear. This was an improved performance on previous games. We led at half time only to fall asleep for a short time in the second half to just go down. Good games from John-Paul Hallum, Robert Hay and Anthony Hopkins.

26.4. versus BERKELEY V. LE LOSS 4-1.

We are all going to forget this one.

3.5 versus TERRIGAL DRAW 2-2. After the worst game of soccer I saw last week we bounced back to some sort of form. We were always in charge in this game and were unlucky not to win this with some very close shots. Ravi McCosker showed his great skill from last year with an outstanding performance in goals. Others who played well were Arron Hughes, Andrew Smith, Robert Hay and Michael Green.

17.5. versus TOUKLEY DRAW 0-0. This game was played on a heavy ground and was one of the best games of soccer I have seen. The ball shifted from end to end with some fine saves by Ravi McCosker and a near miss by Andrew Smith. Everyone played well against the competition leaders.

24.5 versus KINCUMBER WIN 1-0. SCORER M.KIRK. Well we finally had a win. This was another close game and it wasn't until the second half that Matthew Kirk was jolly on the spot and scored a good goal. Good game from Alex Noble, Derek Mayes and Chris Cox. Well Done.

31.5 versus KILLARNEY WIN 4-0. SCORERS. D.M. YES 2, R.HAY 2.

Well we started this game where finished the last. There was some brilliant forward play from Derek Mayes and Robert Hay seeing 3 goals scored in a few minutes. Good games from Anthony Hopkins, Matthew Kirk and Michael Green. Another great win which has moved us into semi-final contention.

14.6. versus EAST GOSFORD LOSS 2-1. SCORER R.HAY. Another good display from the team. We started the game slowly which allowed two goals against us in the first half. We fought back gamely in the second half having the majority of attack. East Gosford will be the team to beat in the future and I believe we'll be in the Grand Final. Good game by Andrew Smith, Robert Hay, Wayne Jones and Derek Mayes. We will toss this team next time.

21.6 versus SOUTHERN/ETTALONG LOSS 0-2. Another good team in the comp and I thought we played as well. We lapsed in concentration in the second half and let them score two soft goals. It was also commented on by the referee after the game that it was the first game he has refereed in junior comp where he had not awarded a foul against both sides. This shows the spirit which this team plays soccer. Well done all players.

John Hughes

Under 12C: 31.5.86 versus WYONG. This game the boys started slowly, and found Wyong camped at our net for most of the first half. Wyong controlled the ball better than us and were very unfortunate not to score against us. Lemons saw the score nil all. Our second half improved a great deal. Each boy played with great determination and enthusiasm and suddenly the goals came. First Peter and then David Jacobs scored. By this time the boys were talking to each other and looking for more goals. Our backs were tremendous in stopping many Wyong raids. Well played Joshua McGinty, Zoran Radmanovic, Phillip McGinty and David Rasmussen. It was a tremendous penalty save by Craig Maher our goalie. Top stuff boys. Final score Wyoming 3 Wyong 1.

14.6.86. versus OURIMBAH. The team to beat if we are to win the grand final and I know we can do it. If we can keep our defence tighter, then we will frustrate them and they will make mistakes. They are a well disciplined side and continued to force our defence into errors. Half time Ourimbah led 2 nil. Nullify Andrew Murray and you STOP OURIMBAH. Well, the boys listened to the coach and scored a quick goal. Back came Ourimbah and scored again. Great games from Drew Purcell, Trevor Jarvis and Matthew Deer. Thanks to Troy O'Brien who left a sick bed and made

the game after being sick all week. Goals to the twins Peter and David Jacobs saw Ourimbah scrape home lucky winners 3-2. A great game lads.

21.6.86 versus KANWAL. The boys have a new name. Half a gamers. The first half was woeful. Boys it is very essential that we concentrate the full game and to be aware of our positions. The coach can't play the game for you. More discipline is needed on the field. Half time saw us 2 goals down. Sure I know we came back but its no good playing catch up soccer as we tend to panic and make far too many mistakes. Feed our forwards and we will score more goals. Excellent games from the dynamic duo David and Peter, ably supported by Matthew Beer and Drew Purcell. A top defensive game by Mark Hanson whilst Trevor Jarvis tried hard. Final score a lucky 2 all draw.

HIGHLIGHT OF THE MONTH.

Craig Maher in stopping a penalty goal. It was a real 1ST GRADE save.

STARS OF THE MONTH.

The whole team in our game against the leaders Ourimbah, to come back after being soundly outplayed in the first half. Our position in comp. 2nd place.

Wally Cocksedge

Under 13A: Fellows, we are half way through the season and we have not yet learned how to play as a team.

We have good individual players but unfortunately one player alone can not win a game.

We have to trust each other, to play our part and pass the ball more often.

So how about it?

Erich Edler

Under 13B: 31.5. versus BERKELEY VALE. DRAW 2-2. 7.6. NO SOCCER. 14.6. BYE. 21.6. versus SOUTHERN/ETTALONG DRAW 1-1.

STARS OF THE MONTH.

Brett Sanderson - continues good individual drive at training and on the field.

Rodney Rathbone - starting to be very consistent in all games.

Ronan Feeney - starting to create chances and scoring goals.

David Allen - either in goals or on field David is enjoying his soccer and his own confidence is growing.

HIGHLIGHTS OF THE MONTH

The boys have played little soccer since their last big win but they have been able to get ahead in their next two games, but through second half breaks breaking down rhythm they have found it hard to go on with it. With no soccer and bye on two weekends the boys showed their keenness in good training sessions inbetween games.

The boys will have to continue their effort every week and you never know a couple of wins and draws could get us to the "semis".

Steve Mackie

Under 14A: 31.5.85 versus WYONG WON 5-0. The team played very ordinary in the first half. Second half saw a big improvement with good short passes allowing the boys to control the game and maintain possession.

Good goals coming from combined header from Jarrod Mobberley, and Anthony Vos, then another two from Anthony, one from Ian Carstairs and one from Martyn Doe being a direct penalty.

14.6.86 versus KANWAL LOST 3-1. The boys were beaten by a better side on the day. Kanwal players going to the ball when our players were waiting for the ball to come to them. Only goal coming from a direct penalty taken by Paul Ferguson. Thanks must go to our goal keeper John Noble for some of his excellent saves, thus keeping the goals against at a minimum.

21.6.85 versus WYONG WON 3-2. This game was not as easy as the two previous encounters. The score being two all for most of the second half with the deciding goal coming in the last few minutes of the game. Jarrod Mobberley gave a quick pass to John Bailey who belted the ball through a wall of Wyong players into the corner of the net. Other good goals from Jarrod Mobberley and Anthony Vos. Good game boys much improvement on previous week, keep it up.

Tony Bailey

Under 16,1. Versus THE ENTRANCE WON 10 - NIL. We completely out classed The Entrance in all aspects of the game.

Versus UMINA WON 2 - NIL. Up till this time, Umina was undefeated and we had a few anxious moments when the Umina attack found themselves onside in behind our back four. Luckily for us, Peter Neilson chose this game to put in his best performance in goals all year. The main difference was that we took advantage of the chances that came our way.

Versus EAST GOSFORD WON 4 - NIL. A game that really could have been a show piece, but our boys dropped down to East Gosford's standard. While we never looked like losing, we missed too many scoring opportunities to feel confident about playing a hard team next week. We have lost the services of Peter Neilson, our Goal Keeper, due to an injury sustained at training. It looks as if Peter will be out for the rest of the year and as we only have the bare 11, we will be scratching around for another player to fill Peter's shoes (boats).

Peter, on behalf of all the boys, I hope you won't be laid up too long and we wish you a speedy recovery.

Once again I would like to thank Brian Wilkinson of the 14Bs and Ian Carstairs and Jarrod Mobberley of the 14As for filling in for us when we are short. These boys have fitted in well and have not let the side down. Well done.

Steve Shoobert

Under 16,2: 24.5.86 versus THE ENTRANCE WON 3-0. I would like to thank Mr. Jim Hall for managing the boys while the coach and myself were away and giving the team a win, goals scored by Michael Garland and Ashley Sullivan and an own goal. The coach and myself are very proud of the team with only 10 boys to give us another victory and now for the hat trick. Well done keep it up boys.

31.5.86 versus OURIMBAH WON 3-0. Ourimbah the score might have been a lot higher if the forwards scored with their shots but a win is a win. Goals scored by Stuart Finlay and Ashley Sullivan and some unselfish passing from Jason Hulston and Michael Garland. The team is playing good soccer, with the midfield and the backs working well and another good game from Dean Sullivan in goals.

14.6.85 versus TERRIGAL WON 2-0. The game started slowly with only ten men the boys played well until the rest of the team turned up with one-nil in the first half the boys were really putting together. The forwards were running well but not finishing off the backs were really playing well with some good clearing kicks from Ian Johnston, Paul Lindsay and Jason Jay with the midfield allowing their own players like Glenn Mayes, Stephen Hall and Robert Denton to allow the forwards to score, to the whole team what a very impressive effort, well done boys keep the effort up and you will be a danger to any team. Thanks Boys.

21.6.86 versus KILLARNEY LOSS 1-6. A terrific game from our boys against Killarney, the team was thrown into disarray this week with the loss of our goalie hurt with a bad hand injury through the week and trying to find a replacement is very hard I would like to thank Stuart Finlay and Jason Hulston for volunteering to play half a game each. Well done boys. Killarney have two really big players were very dangerous but our team can be very proud of themselves, playing with only ten boys in the second half. Our only goal came from a beautiful corner kick from Michael Garland. We all wish Dean Sullivan a speedy recovery back to the team. Just remember keep the team spirit up. Well done Boys.

Dennis Hulston

TERM REPORTS  
(cont)

Under 10C1: As my eyes grow dim and my strength ebbs, I, Merlin, feel the need to write the history of some of the events of past ages. My record concerns the people in the Court of Owen Glendower, which, as you know, is but a small Dukedom in the Realm of King Kevin of Wyoming.

Our Castle is a fairly small one, and not well known. We have but twelve knights-at-Arms, together with the usual collection of serfs, vassals, Court Jester and the like. The knights practice their arts of jousting and chivalry, and regularly pit their skills against knights from other castles--sometimes in friendly rivalry and sometimes to up-hold a point of honour.

31.5.86 Vs SOUTHERN/ETTALONG WON 5-0.

The Rules of Castle Ettalong had issued a challenge, and our band of trusty knights met them at the field of Hylton of Moore early one Autumn morning. As the sun shone on their shiny yellow armour, those of us in the pavilions felt assured that they could carry the day. And thus it proved. Sir Martin, son of Jack, stood out in the melee with some fine lancing, and the black Knight, Sir Andrew of Hay led several charges through the lines of opposing knights. Behind the front line our archers sent many an accurate shot, particularly Sir Scott of Med Ford who specialises in the Long-bow. The day ended with a resounding victory for the knights of Castle Tensewon.

14.5.85 Vs KINCUMBER WON 3-0.

Today our knights sallied forth to challenge the might of Castle Kincumber, and laid seige at the very castle walls. The outraged Kincumber knights charged out to meet us and were overwhelmed by the might of our massed swords and maces. Sir Dean of Turner rode proudly on his battle-steed, unseating challenging riders. Sir Ben of Emery proudly took the surrender of Sir Keeper of Kincumber as his first battle trophy. Sir Andrew of Moseley also showed skill with his sword play. Castle Kincumber lay in smoking ruins.

15.6.86 ROUND ROBIN AT KILLARNEY DISTRICT

Word had reached our court of a great tournament to be held at Castle Killarney in the Vale, and Lord Glendower sent thirteen knights to contest in the lists. As well as our own knights, we had the services of a visiting knight, Sir Donald of Sime who agreed to help us for the day. And what a day it was! The cold wind blew down from the highlands and bitter rain lashed in across the vale bringing misery to competitors and spectators alike. The first event our knights contested was against Castle Ettalong from the South, and we unseated three of their knights to their none. Sir Phillip of Hopkins jousted well, and Sir Dean of Turner led the charge.

The second contest was against Castle Toukley and their knights proved the better of ours by two fall to none. Sir Ben the Noble was valiant in this meeting, as was Sir Donald of Sime.

The third contest was against Castle Terrigal. The strengths were fairly equal, and neither side could un-horse a man. To our annoyance Castle Terrigal was judged the winner by virtue of a corner manoeuver. Sir Matthew of Sains-bury and Sir Daniel, son of Morris both jousted well.

In the fourth tournament we were pitted against a larger Castle, that of Lord Gosford. Our trusty band of knights lifted themselves to greater heights and soundly thrashed Gosfords knights, unseating three of their lancers. Sir Trevor of Glendower jousted well despite injury to his horse, and Sir Daniel of the Hayden showed true valour.

The final event was against a group of knights from the Castle Killarney and once again our strength proved greater. The Black Knight once again showed his strength in the joust. His lance sliced through Killarneys armour on many an occasion. The three Sir Daniels all did excellently.

Although our Castle did not take the trophies of the day, I feel that we showed that the strength of Castle Glendower is not to be sneezed at. (about the only thing that wasn't sneezed in that terrible weather). Our thanks to Sir Donald of Sime for his help.

Under 10C1:

21.5.86 versus WYOMING 2 WON 4-0.

On a much finer day a week later the knights of Castle Tenseewon and Castle Tenseetoo met for the second time this year. As I predicted in an earlier incantation, the Tenseetoo knights had improved greatly and our knights had a much tougher battle on their hands. Sir Phillip of Hopkins and Sir Martin son of Jack were commended at the end of this day and the Black Knight won a red ribbon from the Lady Glendower.

That night there was much revelry and rejoicing among the Serfs and Vassals, and a great feast was held, and there was singing and dancing and drinking of strong drink unto the early hours of the morning. A pact was formed to carry out strange and secret rites on a future Sabbath but I must not speak of these.

Thus ended the first half of the Search for the Holy Grail. I will end this tome with a minstrel's song that is being sung in court at the moment.

In the keep of the Castle of Tenseewon  
Where the knights are brave and true  
The monks do chant their secret phrase  
There's a Lot of Work to Do

by the hand of Merlin, Magician to the  
Court of Owen Glendower

Under 8B1: RESULT ENTRANCE 2-0 WIN WYOMING 2-3 LOSS. KINCUMBER 2-0 WIN. EAST GOSFORD KNOCKOUT WINNERS.

On another undersized field at The Entrance, we were restricted in playing the game the way we like to. With the field being so small the boys were crowded out and unable to create many chances, the two that did come our way were taken to full advantage and resulted in a two goals to nil win.

The following week we played the worst game I have ever seen the boys play over the past three years, with the team losing their first game in two years. Although we played eighty percent of the game in the oppositions half, we failed to take the chances, and made three silly mistakes in defence which cost us the game.

On the following Sunday we played in the East Gosford Knockout and the boys produced the goods they are capable of to win. They played one game against Woy Woy producing a brand of soccer which left the coach speechless, and about one hundred people on the sideline applauding their skills and teamwork.

The following week against Kincumber was a one sided affair, although only two goals were scored, the ball did not want to go in the net.

STARS OF THE MONTH.

MICHAEL (MARRADON?) POST (9 GOALS IN KNOCKOUT)

LUKE O'SHEA, DREW J GER AND CRAIG COULTON.

Points to remember boys.

1. Keep your eyes on the ball
2. Concentrate during the game and also at training.

Parents; Thanks for supply of Valium during Knockout.

## ALL AGE LADIES REPORT

### WYOMING 4 WOY WOY 2.

A typical game from the girls after a Bye very slow to start and not much better at the finish. The girls played very poorly in the first half to be down 1-0 at halftime. A rousing halftime talk saw the girls equalise shortly after the resumption when Cheryl Fathers scored but Woy Woy regained the lead shortly afterwards. The girls stuck to their task though and gradually got on top of a tiring Woy Woy. Sue Moffitt equalised for 2-2, Terri Callaghan gave us the lead and Cheryl Fathers sealed it just before fulltime for a final scoreline of 4-2 Wyoming's way.

### WYOMING 3 OCEAN BEACH 1

Another game after a weekend off and the girls played in a similar fashion as against Woy Woy. They were spasmodic in their efforts during the first half with play continually breaking due to basic mistakes. Terri Callaghan scored after 20 minutes and Sue Moffitt again 8 minutes later to give us a 2-0 lead at oranges. The second half saw not much improvement in our play and Ocean Beach scored to make it 2-1 but Sue Moffitt converted from the penalty spot to seal the game for us. A great deal of improvement is required if we are to be competitive against Budgewoi next week.

### WYOMING 1 BUDGEWOI 2.

The girls began the match well with the wind at their backs and when Sue Moffitt scored after 8 minutes with a well taken freekick things looked good. The girls continually pressured the Budgewoi defence but were unable to score again as the backline defended stoutly and goalkeeper Diane Fathers making some fine saves to allow us to hold that lead at halftime. The second half got off to a bad start when Budgewoi equalised from the penalty spot shortly after the break. Play flowed from end to end as both sides strove to break the deadlock. Budgewoi managed to break the deadlock but the girls never gave us and were only denied the equaliser by some fine goalkeeping. An improved performance from the girls and a favourable result will come to us against this side shortly.

## UNDER 15 GIRLS REPORT

### 1.6.86 VERSUS KILLARNEY LOST 0-2.

Once again they scored the two goals in the last 10 minutes. Kelly Collier had another good game in goals our backs Lisa Rozenberg and Joanne Ross both had good games Catherine Pettiford is learning a bit each week. In the halves Sharron Crowther must keep her eye on the ball and then she won't miss kick so much. Fiona Campbell and Vicky Wilkinson are playing very good soccer. In the forwards Jodie Kamphuis on the right wing is starting to kick and chase the ball a lot better. Nicole Meggitt must get more involved at the game. Left winger Deborah Wales has a lot of pace but still the ball seems to be getting away from her. Paula Frost had a lot better game this week but must keep going for the full time. Second half replacements Anna Masters and Libby Jager must kick the ball harder when in their own half.

### 15.6.86 VERSUS OCEAN BEACH LOST 0-2.

The girls defended very well and Ocean Beach had had to work hard for their 2 goals. Kelly had another outstanding game in goals. Catherine who is improving each week at right back. Joanne and Lisa the other two backs had their usual good games, Paula at right half had her best game for awhile we might have found you your right position. Fiona and Sharron both played well but must play the positions a bit better. In the forwards Jodie, Elizabeth, Vicky and Debbie all must chase the ball a little bit harder. Second half replacements Nicole and Karen both played well but Nicole must have a look and keep on side. Well played girls our best effort yet.

### 22.6.85 VERSUS BERKELEY VALE. LOST 5-0.

After last week this effort was not up to our standard of defence of last week. The wind and cold conditions didn't help very much either. Our backs in Catherine, Paula and Kelly missed the ball on too many times and put pressure on our keeper Joanne. Our halves Lisa who had a good game with some great clearing kicks. Anna and Sharron made a few mistakes with missed kicks and must keep chasing the ball all the time. In the forwards Jodie who played her best game this season, she always chased the ball. Libby and Nicole must keep their mind on the game of soccer. Debra had a chance to score a goal but all she did was kick it straight at the goalkeeper. She did everything right running the ball past 2 defenders. Our second half replacements in Fiona and Vicky 2 of our smallest players, showed the bigger girls how to tackle and both these girls had big second half games. All we need to do girls is to move up and tackle and don't stand back.

On the Under 15 Rep teams, the four players we had in the No. 2 side Paula Frost, Kelly Collier, Lisa Rozenberg and Debra Wales all did our club proud. As did the 2 players Joanne Ross and Diane Fathers both goalkeepers in the No 1 side. Joanne who gained a lot of experience in the games she played. Diane who made the state side.

I would like to thank you Diane as captain of the side for the help you gave me as coach of the No. 1 side.

Also I would like to thank Debbie Fathers as Manageress for her help during the games.

Les Place  
Coach

### 4th GRADE SUMMARY.

4th May	V	WYONG	DREW 0-0
11th May	V	WOY WOY	LOST 3-1
18th May	V	ENTRANCE	LOST 2-1
25th May	V	TERAIGAL	LOST 2-0
1st June	V	KINCUMBER	WON 3-2
8th June	V	UMIN?	LOST 4-1
15th June	V	BUDGEWOI	WON 4-3
22nd June	V	GOSFORD	DREW 2-2

As the above results show, we can't seem to achieve a consistent level in our game. Maybe its the early Sunday morning start (or a late Saturday night) because it looks like some of us don't wake up until half time and start playing the soccer we're capable of.

### THIRD GRADE REVIEW

RESULTS:	1.6.86	VERSUS	WOY WOY	WON 3-1
	15.6.86	VERSUS	EAST GOSFORD	DREW 0-0
	26.6.86	VERSUS	BUDGEWOI	LOST 0-1

Bit of an up and down round since last report. The team is starting to get back to basics and are starting to play like a team again but there are still one or two who must remember that they were young once and looked towards the older players to guide them NOT abuse them. These young players are our future so lets just be a bit more tolerant towards the younger ones if they do make a "MISTAKE".

Training nights for some seem to be a joke. The Club seems to be slipping back to not enforcing the "NO TRAIN - NO PLAY" that was to be enforced at the start of the year. If its good enough for one coach to enforce this request, I think others may have to start getting a bit tougher on some players. We are now into the second round and as the results show it looks like the bottom of the table is looming again. The Club spirit needs a good swift kick, we can win games so lets do it!

A good night was had by all on 25th June when we had a first night out as a team. The wives all got on well together and got to meet and enjoy themselves away from the field. It gave everyone a chance to relax and unwind. Thanks go to Lorraine for organising a great night.

See you next issue.

Since the last report we have had 2 wins, & 2 losses. As far as the boys are going we still go to sleep for periods in the 2nd half but against Woy Woy & East Gosford we kept going for ninety minutes & got the result we were looking for. Everyone likes to win but we had Christmas early when we beat East Gosford 4-1 alot of credit must go to Warren Malcolm who scored a hat trick and to everyone on the field. BEST PLAYERS: DANNY CARTER, WARREN MALCOLM, DEAN GLYFORD & STEVE FR. ME.

## SENIOR SOCIAL SIDE

7.6.86 V SOUTHERN/ETTALONG 9-0. Once again WYOMING proved they have the wood on our arch rivals with yet another convincing win. Although for a while there I thought we had a game on our hands, especially in the first quarter when we came in scoreless, with both teams missing good chances. In the second quarter however we put our act together to record four well taken goals. Two more goals were scored after the break, and a fast tiring SOUTHS were over run in the last twenty minutes, conceding a hat trick of goals. This was a good all round win by WYOMING as we made quite a few positional changes due to the rare occurrence of having extra players available. As usual the defence was very good, even keeper KEVIN BLAKE enjoyed his second half sojourn out in general play. Once again JOHN COLTHART and STEVE CAWLEY dominated midfield, and TERRY LAMB ran riot up front. TERRY might have won man-of-the-match if only he would pass the ball after beating five men instead of trying to beat six. Instead we gave the award to SOUTHS goal keeper, who was the busiest man on the field.

14.6.86 V OURIMBAH 9-2. While the scoreline quite rightly indicates a big win for WYOMING, this really was a game of contrasting quarters. True to our normal form we were unable to take advantage of some good breaks in the first quarter, and finished it scoreless. As in the previous weeks game, I was sure this was going to be a close game, but for some reason the second quarter could not have been more different. Within 10 minutes TERRY LAMB scored a hat trick, and 10 minutes after that we led 5-1. In the third quarter the match changed again with OURIMBAH really stretching our defence. With some relentless pressure our opponents got their just rewards, even though it came from an own goal. As an example of how sensitive our defence is about conceding goals, by the time you read this article the offending party in the own goal affair will have left the country, and is in hiding somewhere in Bonnie Scotland. Three quarter time saw the scoreline read 6-2, and just as is in the second period WYOMING took control in the last, to score three more goals. Good performance in defence by LEON MEGON and GARY SMITH and in the forwards by JOHN PODGORSKI and ALISTAIR KENNEDY helped make this another fine win. It was pleasing after the game to hear some of our opponents remark on what an enjoyable game it was. I hope we feel that way when we finally get beaten. Incidentally this was our 45th game without loss, but more about that in another issue.

21.6.86 V EAST GOSFORD 3-0. In the last couple of years only a few games have given me great pleasure in winning, and this was most certainly one of them. Down five players and all important cogs in our team, I really didn't give us much chance against a vastly improved EAST team, now boasting some ex DAVISTOWN players. With the late afternoon sun in our eye EASTS continually had us back peddling in the first half. Some brave goal keeping from stand in JIMMY MCKENZIE and two goal line clearances from sweeper GEORGE CREW had us in more strife than FLASH CORDON. It was only the mid-field class of JOHN COLTHART able assisted by MAX MARSHALL and the perseverance of JOHN PODGORSKI and MIKE DUFFY up front that saw us weather the storm and thrun around with a 1-0 advantage. In the second half we gradually took control, and scored in each of the remaining two quarters, with the third goal being one of the most delightful we have seen in a long time. JOHN PODORSKI must have been watching the world cup on TV because this had PLATIN written all over it, he rounded three defenders plus the goal keeper to put the ball in an empty net. Other strong games came from second half keeper LEON MEGON, defenders JOHN CLUCAS and GARY SMITH, and to be honest the whole team deserves a pat on the back. We've proved to ourselves that we can win, and win well and don't always have to rely on our more talented team mates.
