PRESIDENT'S MESSAGE

Our Club functions to enable children and adults to play and enjoy the game of soccer.

During the last few weeks it has appalled me to see, both at junior and senior level, continuous criticism of players by spectators and most importantly players criticising players.

So can we please remember our junior and senior players are people with feelings and only wish to play the sport for enjoyment.

Steve Field
President.

<u>DATE</u>	<u>OPPOSITION</u>	<u>FOR</u>	<u>AGAINST</u>	<u>PLAYER OF THE MATCH</u>

6.6.87	Woy Woy Gala Day - Played 5 games won two, (one on forfeit) drew one match and lost two matches.			

Players:

Gavin Bridge: To date our leading goal scorer with 5. This little fellow is quiet by nature and lets his boot do a lot of talking. He has proved to be extremely valuable to the team.

Nathan Carmody: Mr. Versatile, Nathan plays well where ever he's put Goal Keeper to Striker Nathan does a marvellous job.

Phillip Charlton: Phillip in my opinion is our most improved player so far this year. His running, kicking and above all else his determination have come along in leaps and bounds.

Stonewall Fleming (Mitchell to his mum and dad): In Mitchell we have found a fullback of quality. His tunderous kicks from this position have continued to frustrate opposing teams all year.

James McGrath: James is still coming to grips with this new fangled game. His performances over the past weeks have improved, particularly at training. The second round is where Jimmy will make his mark in the team.

Clint Stephenson: Clint's game is improving week by week, with that look of determination on his face. He now chases harder and is contributing much more at his usual position in midfield.

Gregory Towle: A Tigerish performance every week, Greg does not stop chasing. He is most valued in midfield but also handles the goal keeping duties with great confidence.

Luke Draper: Another one of our greatly improved players, Luke started out shy, but is now involved in every part of the game and helps his team mates out at all times.

All Players are a pleasure to Coach.

27.6.87 -v- Ourimbah 2

Won 2-0 - Goal Scorer - Michael Wheelahan.

Player of the Week - Michael Wheelahan for his 2 goal effort and his non stop running which included a run in the wrong direction.

The results to date have been obtained by great team work and each of the boys should be very proud of themselves. Keep up the good work.

A mighty effort put in by all the boys. A good defensive game by both teams, nearly scored on a few occasions but just couldn't put the ball into the net.

Player of the Week - Marc Tarring

-v- KINCUMBER 1 - 1-0 WIN

On a very wet field the boy got stuck into the game right from the start. A good effort from the whole team, a really good save from Dean Smith who played? goalie. for us.

Player of the Week - Ryan Healey

-v- OURIMBAH - 3-0 WIN

What an effort put in by this team, very hard to pick the best player. The boys are kicking the ball better each week and putting in a lot of effort with their training. Keep it up boys, I am sure your mums and dads are proud of you all.

-v- WYOMING LEOPARDS - 30.5.87

A nil all result with soccer being the winner. A great effort from all the boys with Stephen McIntyre being Player of the Week. Every boy is showing improvement weekly.

-v- WYOMING PANTHERS - 13.6.87

Unfortunately a 1-2 loss, but we don't really mind when its another Club side. James Birch, Nicholas Austin, David Deane and Robert Fortier all played well, while Joel Morris scored his usual goal. Clint Patterson is showing improvement in the mid field and big kicking Justin Nichols was awarded the Player of the Week.

-v- WYOMING LIONS - 20.6.87

Another 0-0 result, showing that the defence of both teams was excellent. James Birch was Player of the Week with each and every other boy giving 100% effort. Keep up the good work boys.

-v- WYOMING COUGARS - 27.6.87

A 1-1 all result, with several opportunities being missed for a win. David Deane who has improved dramatically was Player of the Week. Robert Fortier was in the thick of things and Stephen McIntyre Clint Patterson and Nicholas Austin played well in the midfield, while James Birch and Justin Nichols were excellent in defence while Joel Morris played well as striker.

7 TIGERS

COACH: STEPHEN HALL

MANAGER: ALAN FRAZER

-v- OURIMBAH 1 - 2.5.87

Defending the goal at the western end in the first half, our boys played well to hold Ourimbah to one nil at half time. Good defence from Daniel Coulter in goals and David Frazer in the backs repelled many strong attacks. The second half saw our boys finish over the top with 2 fine goals from Daniel Coulter and one to Bradley Moses. Luke Brummel, Adam Wade and Steven Badger had fine games and were never off the ball.

Player of the Match - Steven Badger

-v- EAST GOSFORD 2 - 9.5.87

This week was not a match for defence as our boys proved too strong for East Gosford. Fine goals keeping by the East Gosford's keeper kept our boys down to one nil at half time with a good goal from Bradley Moses. The second half, however, saw David Frazer put 6 goals in the back of the net with some fine attack. While David had the opportunity to score goals, fine displays from Adam Wade, Sean Mahony, insured a continuous flow of ball to the forwards.

Player of the Match - Adam Wade

-v- EAST GOSFORD 1 - 16.5.87

Loss 2-1 The boys suffered their first loss for the season but should not be disappointed by the result. Many strong shots at goal just went wide of the posts. For some reason our boys thought they were playing league with several handballs giving East Gosford free kicks. I am sure when we next meet East Gosford, the result will be different.

Player of the round - David Frazer

-v- WYOMING LEOPARDS - 23.5.87

Win 6-0 A fine attacking game saw our boys score 6 goals although this was not a true reflection of the game, with the Leopards attacking hard but unable to breach our defence. Strong games from Luke Brummel and Daniel Coulter in the mid field with Bradley Moses showing good ball skills in attack. Adam Wade opened his scoring for the season with 3 goals. Adam was involved all the game and deserved the Player of the Match Award.

-v- WYOMING PANTHERS - 30.5.87

Win 2-0 Certainly the hardest game of the season, with both teams evenly matched. The Tigers attacked with purpose and defended as their name implies. Some of the tackling from both sides needed to be seen to be believed. Daniel Brown and Daniel Coulter both had excellent games in goals to keep the opposition scoreless.

David Frazer had a strong game in mid field, pushing the ball forward to Bradley Moses (1 goal) and Sean Mahony (1 goal), his first for the season. Steve, our coach should be well pleased with his efforts with the boys, as they are playing great team soccer and are conscious of passing the ball and playing in position.

Player of the round - Sean Mahony

Special mention to Quinton Donald for supporting his team each week after breaking his collar bone. We understand that Quinton will be able to play in the next match and with all that energy being ..Cont

-v- WYOMING COUGARS - 13.6.87

Win 3-1 A good team effort saw the Tigers leading two one at half time with goals from Bradley Moses. Good defense from Quinton Donald and Luke Brummel in goals. The second half saw a long range goal from David Frazer with strong attacking from Daniel Coulter, Adam Wade and Daniel Brown.

Player of the round - Luke Brummel

7 LIONS

COACH: JOHN BAILEY

MANAGER: RON WELLER

-v- WYOMING COUGARS - 30.5.87

Playing at home against the Cougars was another very tight game. There's no two ways about it, these Wyoming sides are very even. The feature of this game was the courage and aggressive tackling from both sides. Joshus Hardie and Ryan Douglass both had a great first half. Russell Rathbone found himself unmarked almost put the ball in the net with the Cougar goalie fumbling the ball, however the goalie recovers just in time. Nathan Healey and Paul Frohmuller caused the opposition many worries but the half time score was nil all.

Darren Weller had an excellent second half with his kick and follow up game. Nathan Healey at last put us 1 up with a good goal. This goal made the Cougars try harder but our defence held them out. Peter Home took a full blooded kick in the chest but courage and determination kept him going and he played very well. Three late raids by the Cougars saw a thrilling finish with Joshua Hardie saving once again as the final whistle blew.

Final score Wyoming Lions 1 def. Wyoming Cougars 0.

Player of the Week - Darren Weller

McDonald Award - Peter Home

-v- KINCUMBER 2 - 13.6.87

Playing away on a very wet pitch saw the Lions attacking straight from the whistle and it wasn't long before Joshua Hardie scored. A stray dog on the field (obviously playing full back for Kincumber) stopped Joshua scoring his second goal. Nathan Healey had a great first half and scored a hat-trick of 3 goals. Peter Home is improving and he seems to enjoy the muddy conditions. Russell Rathbone went close to scoring on 3 occasions but the goalie stopped each attempt. Half time score Kincumber 0-4.

Ryan Douglass and Paul Frohmuller came on fresh and quickly stamped their authority with good play. Andrew Voke played strongly and was unlucky not to score. Ryan Douglass just missed after Paul Frohmuller crossed in front of the posts. Darren Weller scored our only second half goal after just missing with 2 earlier attempts. The final whistle blew with the Lions proving too strong and enjoyed a 5-0 win.

Player of the Week - Peter Home

McDonalds Award - Nathan Healey

-v- WYOMING PUMAS - 20.6.87

This week we played our "training team" the Pumas and as with all the Wyoming teams this game proved as expected - very close.

Ryan Douglass made an early charge and he nearly scored in the first minute. Nathan Healey had an excellent first half but the Puma defence proved too strong. The Pumas had stuck their attack up front so Joshus Hardie was called back to help out goalie Paul Frohmuller. Half time score 0-0.

The second half saw both Andrew Voke and Ryan Douglass having shots go wide. .../Cont'd

7 LIONS (Cont'd)

Paul Frohmuller playing a forward role almost scored from the kick off.

We had the better of the second half and although we played in the Puma's half most of the time we just couldn't get the ball into the net. Strong tackling was a feature of the very tight game. Final score 0-0.

-v- WYOMING TIGERS - 30.5.87 - 0-2 LOSS

First loss of the year, the boys played well although nowhere near their best performance. The boys played very ordinary in the first half and were trailing 2-0 at the break. A big performance in the second half kept out the many attacks by the classy 'Tigers' outfit.

Best players were Joel Coddington, Trent Dawson, Andrew Rodgers and Clint Wheeler

Player of the Week as Aaron Coddington.

-v- WYOMING PUMAS - 13.6.87 - 2-1-WIN

Down 1 nil with very little time to go, the boys pulled out of nowhere a remarkable win.

It seemed the boys were playing against someone ten or eleven as one of the opposition was head and shoulders above every player, and could kick it twice as far. The boys showed heaps of courage to get in there and tackle him.

Great performances by Troy Clucas, Aaron Coddington and Damien Bridge (who was goalkeeper in the first half and scored two goals in the second half).

Player of the Week was Trent Dawson with a good all round game.

-v- OURIMBAH 2 - 20.6.87 - 2-0 WIN

The boys played well, after no training because of rain, I wasn't sure how they'd go. It shoed that our "hard work" (ha ha) and their hard work may have payed off.

Happy to have Glenn Miller back after missing a week after a bike accident. Best players were Joel Coddington, Glenn Miller and Andrew Rodgers.

Player of the Week was Damien Bridge.

Incidently the boys have won 7 games, drawn 2 games and lost only 1 game.

-v- KILLARNEY 3 - 30.5.87

The boys played a very timid game. Actually the score was not much of an indication of the game. When you have to play the team as well as the coach refereeing and giving instructions to his boys to trip, push and kick legs, it makes it a bit hard to get on top. I have only in seven years of coaching juniors come up against another such "referee", fortunately Davistown haven't a team in our grade nowadays. Besides all the previous words the lads acquitted themselves well.

Even the oppositions supporters complained about the game (mans/ship).? Joshua Bootland played brilliantly in goals and while being attended to, the opposition "scored" another goal??

But be that it may, we probably would have still been beaten by a better team anyway - Los 0-3.

-v- KILLARNEY 2 - 13.6.87 - AT HOME

A good game from both teams. The boys tried everything, but were beaten on the day by a better team. After the previous weeks game, it was nice to meet a coach who was interested in the boys betterment and not his ego. Loss 0-2

UNDER 8 ROUND ROBIN AT EAST GOSFORD - 14.6.87

What a day!! We all went there (Mums and dads that is) thinking the boys may go okay. Wow!! the boys were brilliant. Winning the first game against East Gosford 3 goals to 1, 3 corners to nil.

Second game against Killarney 1 a goal each but Wyoming 3 corners only to have the referee not record our 3 corners, so shared the points after a protest.

Third game against Kincumber - Won 2 goals to nil.

Fourth game against Terrigal 2 - Won 2 goals and 3 corners

Fifth game against East Gosford 1 - Won 1 goal to nil.

Result: Second on Round Robin with 22½ points.

Top goal scorers of the day, only to be beaten in the semis by Umina, who went on to beat Kincumber in the finals. All in all the boys played absolutely brilliant on the day. Me special admiration on the day to Dane Sweeney in goals, but everybody's appreciation for a great days entertainment to all the boys. Justin Carmody, Christopher Forbes, and Joshua Bootland would all sleep well.

-v- KILLARNEY 1 AT KILLARNEY - 20.6.87

Unfortunately I wasn't at the game due totennis commitments (I would have been better off at soccer), but the boys played well and were unlucky to be beaten by a tougher team to the tune of 0-1.

-v- WYOMING COUGARS AT HOME - 27.6.87

Obviously the lads weren't going to be beaten again and unfortunately another Wyoming team was of the wrong end of their play. Result us 4 them 0.

Justin Carmody managed to pop in 3 goals and had a good hand in our 4th. Nicely played Justin and David.

This was a brilliant match. The boys played how the coach has trained them to play. Ball control, moving the ball around, passing and shooting for goals.

Player of the Week - Murray Rogers

-v- WYONG - 13.6.87 - WIN 1-0

This was a completely different match to the previous week. Most of the boys appeared to be asleep. Good work by the backs kept Wyong out. Goal scorer Clayton Jones.

Player of the Week - Gregory Herzog

-v- KILLARNEY - 20.6.87 - WIN 5-0

This was an entertaining match. As usual the boys started off slow in the first half and were not playing as a team. Michael Post scored the only goal in the 1st half. In the 2nd half they combined well and scored 4 goals. Goals scorers Trent Hughes, Craig Neggie, Murray Rogers and Stuart Murray.

Player of the Week - Damien Scrusse.

14.6.87 - KILLARNEY DISTRICT SOCCER CLUB UNDER 10 ROUND ROBIN

One of the Under 10 Wyoming Soccer Club teams could not make the round robin. So our boys represented the club and did a magnificent job. They just missed out by one point from winning their division and then one goal from runners up. They played 5 matches on the big field and relished the change from the smaller fields.

-v- Terrigal 2 - Corners to Nil win

Believe it or not our boys tried hard and played well but were outclassed by a very good team. The score was no indication of how well we played.

Player of the Week - Andrew Chinn

SUNDAY 6.6.87 - RATTLES REBELS -v- BERNIES BEAUTIES (thats Mother and Son Day). A lively game of soccer that resulted in a 2 all draw. Goals for the rebels scored by Anthony Dillon and Scotty Snodgrass and for the Beauties 2 goals by Beryl Snodgrass. A Good Day Out.

-v- UMINA - 13.6.87 - LOSS 3-0

A slow start by our boys put us down 2-0 at half time but a very busy second half kept Umina to one goal in the second half. Some very good ball work between Anthony Dillon and Scotty Snodgrass should have resulted in goals. Good efforts Dale Woods, Allan Channelles, Grahame Rowe and Scott McClelland.

Player of the Week - Scott McClelland

-v- SOUTHERN/ETTALONG - 20.6.87 - WON 3-1

Goals by Adam Burdon, Craig Etches, Stephen Burns. A misunderstanding between players resulted in a soft goal for Umina and we were down 1-0 at the break. We had 14 stars in this match, the team work was excellent. A big effort by all boys with outstanding displays by Adam Deane, Craig Etches and Adam Burdon.

Very reliable defence by Grahame Rowe and some "Kamikaze" stuff by Joseph Mahony halted strong attacks by Southern/Ettalong.

-v- UMINA UNITED - 30.5.87 - WON 2-1

This was a difficult game with Ben Lyons and Scott Frazer excelling in defence while Michael Buchanan, Brear Carmody and double scorer Peter Miller showed out in attack. Adam Coulter had an outstanding game as goal keeper saving one certain goal.

-v- TERRIGAL - 13.6.87 - DREW 0-0

With several boys coming down with a virus this was not one of our best efforts. David McGarvey and Justin Nixon were dominant in defence while Keenan Field and Mark Drennan stood out with their attack.

-v- KILLARNEY DISTRICTS ROUND ROBIN - 14.6.87

A disasterous day for the 10A's with several boys sick on the day and others sick after the game. However, we played 5 games and only lost 2 by the 1 goal. The last game against Kings Langly was a credit to the team who with only 9 players held on for a 0-0 draw. Thanks to Chris Smith from the 10B for playing with us on the day.

-v- EAST GOSFORD - 20.6.87 - WON 1-0

This was a good game for us apart from our lack of goal scoring. Justin Anders played his best game of the year, dominating the midfield, while others to show out were Ben Lyons and Mike Kennedy in defence and Daniel Spencer with his determination. The only goal of the game was a well taken effort from Keenan Field.

-v- TERRIGAL - 30/5/87 - DRAW 1-1

A fine game by two sides who never gave up. Our goal was scored by Craig Clucas who was well supported by Kurt Wheeler and Chris Smith in attack, Ben Roberts and Luke Mooney in defence with David Stuart and Steve Fezlazzo sharing the goalkeeping duties.

Boys remember games like this we must win we can't afford to drop 1 point.

-v- WYONG - 13.6.87 - LOST 2-1

Despite being without two of our fine midfield players Thor Aaso and Adam Reynolds we played so well on a "horse paddock" we could have won against the second placed side. Our goal again was scored by Craig Clucas but two defensive lapses let us down. Mark Hutton, Chris Large and Mathew Relf played very well and a special mention to Sven Aaso in midfield who tried so hard for the entire game. A great effort boys, next time it will be different.

-v- SOUTHER/ETTALONG - 20.6.87 - WIN 4-0

For 10 minutes we were brilliant. Four goals scored by Kurt Wheeler 2, Chris Smith 1 and Thor Aaso 1 and then alas we went to sleep. Fine games by Adam Reynolds, Ben Roberts, Sven Aaso, Mark, Chris Large, Mathew and David made this a good win, but boys 4-0 in 10 minutes you must go on with the job, no relaxing.

-v- KILLARNEY - 30.5.87 - LOSS 0-1

After a good game the previous week the boys took this game too lightly and let Killarney win 1-0. Kristian Lee played at full strength all throughout the game. Nigel Cooper and Michael Godfredson also worked very hard with a lot of help from Mark Bohringer and Peter Graham.

-v- OURIMBAH - 13.6.87 - LOSS 0-1

Well the jinx was on us again. Ourimbah scored their goal in the last 30 seconds. Kristian Lee was the man of the match (good work Kristian), also a very big game from Michael Godfredson, David Edwards and Dean Purcell.

GAIA DAY, KILLARNEY - 14.6.87

We were runners up in 4th Division and we are very proud of all the boys who tried their best all day long. Timothy Simpson, Anthony Winn and David Kean kept the pressure on in every game.

I would like to thank the boys from other teams who gave their support and thanks to all the mums and dads who helped on the day.

-v- TERRIGAL - 20.6.87 - WIN 1-0

A good win for the boys (keep it up). Paul Dickerson was the Man of the Match. Our backs Nigel Cooper and Mark Aldridge played

By the way our Coach, Steve Denham was married last Saturday. Congratulations Steve and Sandi from all the boys and their families.

COACH: MALCOLM MOFFAT

MANAGER: NEVILLE KIRK

-v- UMINA - 30.5.87 - WON 5-0

For this game we travelled to a windy cold Umina Oval. Although both teams started slowly, Wyoming fired up a lot quicker than Umina. The boys opened the scoring when Scott James took the ball down the side line, put a long high cross to Michael McGarvey to score. The next two goals were sole efforts by Scotty. The next goal developed in the back line, Evan Williams brought the ball up through the field, pushed the ball out to Bradley Kirk on the wing, who in turn chipped the ball onto the goal line for Scotty to knock it across. The final goal was another Bradley, Scotty combination, with Scotty finishing off the movement. The game saw a welcome return by Stuart Fortier, who played his usual solid game as Sweeper, well assisted by Darren Blair and Matthew Morris. Four goals to Scotty, well done.

-v- TERRIGAL - 13.6.87 - WON 1-0

A well deserved win, Wyoming must have had about 85% of the possession, spending most of the time in Terrigal's half. Once again bad finishing off by the forwards prevented the team from scoring more goals. Credit to Scotty for scoring the goal.

-v- WYONG - 20.6.87 - WON 3-1

As so often happens after the boys have picked their game up like they did against Terrigal, in this game they played flat. A positional change payed off when full back Matthew Morris played on the left wing and scored three goals. Great effort Matthew.

11B1

COACH: GEOFF PUALL

MANAGER: MICHAEL DEREK

-v- TERRIGAL - 30.5.87 - WON 3-0

A game similar to the previous week with our boys a match for whatever Terrigal could come up with. It looked likely to be a cricket score match but once again our finishing wasn't as good as it could be. Brendon Ferns opened the scoring with a good first time shot and scored a second a few minutes later.

2-0 at half time and the boys were straight on the attack again in the second half, but missed a number of chances until Troy Fowler scored to make the final score of 3-0.

All the boys played well, Henry in goal in no trouble, the backs handling anything Terrigal tried in attack, the halves moving the ball up well and the forwards scoring goals. Maybe if we took out time a little we could have scored more goals but a good win.

Good games by Grant Bailey and David Derrick in defence and Brendon Ferns (Forward) Simon Bacon (Wing)

game. All boys playing well. Goal scored by Brett Bacon.

-v- KANWAL -- LOSS 0-2

The boys started slowly and went down two goals early. Although they played all over Kanwal later they couldn't break back into the game.

-v- GOSFORD - DREW 1-1 (WON ON CORNERS)

Down a goal early the boys fought back well. A near miss by Adam Kavanagh was rectified minutes later with a great goal by Adam.

-v- WYONG - DREW 1-1 (WON ON CORNERS)

Although getting tired (and kicked about a bit) the boys had a top game and were unlucky not to win. A good goal from Troy Fowler.

SUMMARY

We had to play 'A' teams all day and the boys did themselves proud. All the boys gave 100%, and our two losses were no disgrace. We finished equal third on the day which was a great effort.

Many thanks to Clayton Jones and Grant Paull for substituting during the day. You both held your own against older players - a top performance.

Congratulations to all boys.

-v- EAST GOSFORD - 13.6.87 - WON 1-0

This was a very exciting game with play going from one end of the field to the other. Wyoming gradually started to get on top and almost scored a few times. Midway through the second half Adam Kavanagh scored a great goal. Then strong defence by Steven Graham, David Derrick, Anthony Cromack and some fine saves by Grant Bailey kept East Gosford at bay. This was a fine team effort with outstanding games being played by Steven Graham, (Fullback), Nathan Jones (Midfield) and Grant Bailey (Goalkeeper)

McDonalds Awards:- Steven Graham

-v- SOUTHERN/ETTALONG - 20.6.87 - LOST 0-2

This was a game of two halves, the first half was all Wyoming and we should have scored several times. But in the second half Southern/Ettalong played some good team soccer and scored two good goals.

This was our first loss of the season and shows that we must play at our best in every game as it is a very tight competition.

Not one of our better games but players who tried hard all day and never gave up were:- Nathan Jones

THE CLUB WITH NO GEAR

Well its so sad to see, on the club grading day,
A boy go up to his Dad, with what he must say,
He says "I'm sorry my Pa, to give you this news,
That the team I am in, is the Eleven-B-twos"

Then his Dad gives a gasp, and his face turns to green,
"Its more what I've heard, than what I have seen,

...../Cont'd.

11B2 (cont'd)

The Coach always yells, there are wierd team reports,
And I hear that the team, is full of bad sports.

"Thats not really true", his son then replies,
"The man that said that, told a pack full of lies
Sure the Coach yells a bit, the Manager writes verse
But look at the other - we could have done worse!"

"We've got Andrew Moseley, hes the one they call Mozz,
He plays in the mid-field, and that is becozz,
He attacks like a demon, and defends just as well,
He's one of the toughest, or so I've heard tell.

"We've got too great goalies, called Mathew and Dan,
Ben and Tevor are wingers, and work as hard as they can,
There are two giant strikers, called Evans and Hay
And on many a match, they just saved the day"

"Our two power kickers, are named Ben and named Mike,
To Killarney's attack, they said "take a hike"
And when Terrigal attacked, they just seemed to fade
When faced with the defence, of Adam and Wade."

"And theres Morrison and Jackson, made Toukley got mad,
When they tried to work something, we made them bok bad,
Although we lost down at Woy Woy, the Coach has to say,
That all things considered, we're doing O.K."

"So Dad, don't be worried, they are not a bad lot,
So I'll stay here and practice, and I'll just tell you what,
If you think that the Manager, and Coach are so strange,
Why not go down and join them, they're down at the Grange".

-v- GOSFORD - 30.5.87

A very even game in which both teams took turns to dominate.
The 0-0 result was a great effort as Gosford defeated us 3-0 in
the first round. The sideline supporters were very proud of the
team.

-v- WOY WOY - 13.6.87

I don't know if it was the week of or the fact that the
Coach forgot the oranges but this was a very scrappy game with
Andrew Magill scoring in the first half to give us a 1-0 lead.
After they equalised Daniel Bootland scored to give us a 2-1
result. Woy Woy should consider themselves unlucky they did not
get a draw.

-v- KANWAL - 20.6.87

Another great game by the whole team. The first half was
highlighted by a great long range shot by Scott Melville being
cleared off the line. In the second half the team went to a
1-0 lead with a great goal by Greg Bech. Kanwal levelled with
a good goal with only twenty seconds left to play.

-v- UMINA - 0-0 DRAW

Once again the positions had to be changed around to allow the boys to learn as many positions as possible. The team didn't play as well as previous weeks. There was no ball control, just big kicks. Trent Stillaway played a good game in goals saving shots which could have easily lead to goals. David Clarkson played a strong game in the backs and Luke Mason played well also.

-v- TERRIGAL - WON 4-1

The score was a good result. Daniel Cunningham played a great game in goals. Warren Stephenson played well at right fullback with some good lead up work and team work and he was rewarded with a goal. Other goal scorers were Simon Nash, Luke Mason and Bradley Sargent. Matthew Wilkie and Trent Stillaway combined well in the backs. Brendon Napier also had a good game.

-v- EAST GOSFORD - WON 6-0

A good result, the boys were unlucky not to score a few more tiems. Aaron Hood played one of the best games this season and played mature soccer. Brett Jager also played well. Gavin Singh scored a hat trick, well done Gavin! Other goal scorers were, Simon Nash, David Clarkson and Aaron.

Although some parents complain about their boy not playing in his normal position, it is our aim however at this age to teach the boys as many positions on the field as we can.

COACH: GARRY SMITH

MANAGER: ALISTAIR KENNEDY

-v- P.M.K. - WON 6-0

A match which, as the score suggests, we dominated from start to finish. As had been the case the previous week, our only real problem was a lack of cohesion in the penalty box which robbed us of countless scoring opportunities.

The first half was especially frustrating and it took 22 minutes before Grant Richar son scrambled in our first goal. Scott Mackett consolidated with another goal only seconds from half time. In the second half again it took about 15 minutes for us to score, with that super team player, Ryan Collins laying on an easy goal for Anthony Pagliaricci. The dying minutes of the game belonged to Thomas Wanner who after playing the majority of the game languishing at full back, slotted in a hat trick of goals in almost as many minutes.

-v- KANWAL - WON 2-0

A tough game against an improving Kanwal side played on a typically boggy Kanwal Park. Again our finishing could have been better, but the midfield and defence was once again excellent. Another big game from Daniel Turpin at centre back, well supported by Scott Montgomery and Scott Mackett in midfield. Both goals were scored by Andrew Smith.

-v- OURIMBAH - DREW 0-0

Our continuing problem of being unable to convert scoring chances into goals finally cost us a point when we were held to a scoreless draw by a stubborn Ourimbah side. The boys have now gone four matches without conceding a goal but if we are to consolidate a semi-final place we must find an answer to this problem as soon as possible. Best for us were Daniel Turpin and the three Scotts, whilst Colin McCrone and Brett Van Munster were impeccable in goals.

-v- BUDGEWOI - 30.5.87 - LOST 9-0

The opposition were too well organised and had some very fine individual players in their team. They were also able to turn attack into defence with some hefty kicks from their back line.

Matthew McRae and Phillip Hopkins in defence and Raymond Mitchell in the midfield played fine games in this match.

-v- SOUTHER/ETTALONG - 13.6.87 - LOST 6-0

Well once again we found the opposition a bit too strong for us. The boys tried hard but were lacking somewhat in committing themselves in defence. Heading was also a headache on the day with work to be done in that department. Shannon Hutton in midfield, Ryan Murphy in defence and Phillip McRae in goals were the stars this time out.

-v- KILLARNEY VALE - 20.6.87 - LOST 7-1

At half time we were well in this game as the scoreline was only 0-1. The boys lived up to their training form during the week by tackling like demons. I think the oranges must have been nobbled as after the break the wheels fell off!

However, we did manage to score a fine goal in this match. Raymond Mitchell put a brilliant through ball to Darren Goy who then outlasted the defence in a 60 metre run. Lincoln Hyde, Matthew McRae and Raymond Mitchell played good games.

-v- WOY WOY - 30.5.87 - LOSS 2-0

Eventhough we lost, the result was not indicative of the match. All the boys put in a strong game and at halftime 0-0 we did feel confident to win. However,, a two minute lapse in concentration in a match that see-sawed from one end to the other allowed Woy Woy to breach our defences and they scored twice in quick succession late in the second half.

6.6.87 - NO GAME

13.6.87 - BYE

-v- KINCUMBER 20.6.87 - LOSS 4-0

Kincumber were allowed too much time in possession throughout the game by Wyoming being "tackle shy".

We did not use the ball and our teamwork was not consistent enough to break through their defence, although we had two hits from Chris Cox sail over their keepers head and crossbar.

New team member David Glover showed some enterprising ball skills and has been an asset in his two games played.

Ravi McCocker put in another energetic defensive effort. He should have put in for "overtiem"!

...../Contd.

13B1 (Cont'd)

-v- OURIMBAH 27.6.87 - 0-0 DRAW

We started the match on "all cyclinders" using the ball well in passing and making inroads against their defence. But we "lack" venom" when striking for goal. We should have had 2.

It was pleasing to witness good passes between one another and by so doing let Jonesy, Greenie and Alex have a got at goal.

David Glover, Andrew Smith, Chris Cox made a few zig zagging runs. Stephen Orman gave a good account and Warren Bromwich put in a good effort goalkeeping.

You have the ability - boys just keep working hard at training and the results will come.

COACH: WALLY COCKSEGE

-v- UMINA -

This was our second win this season. A far cry from this time last year. The first half was very sloppy. Try as we did to score goals they did not come. Just on half time we managed to goal. After 10 minutes into the second half, Umina goaled. It was not until 5 minutes before full time that we got that extra goal and got out of jail to give us a 2-1 win.

-v- TERRIGAL

The Fagan Park hoo-do got to us again losing 7-1. Half time score was 2-0 Terrigal. By this time the boys were tired from defending all the first half and they were just too good in all departments for us. A late second half goal to us made the final score 7-1.

-v- ETTALONG

This game I would like the boys to forget. The first 10 minutes we never got out of our quarter. Strong defence from Peter, Joshua, Mark and David. This team I find hard to believe are in B division. From the eleventh minute of the game they systematically put us out of the game. The boys could not match their speed, passes and kicks and got a 10-0 hiding. The score could have been more except for Craig Maher who stopped some wonderful kicks.

-v- SOUTHERN/ETTALONG - LOSS 5-0

This team really showed us how to play soccer, with their excellent ball distribution. However, whilst they had some top class players I don't feel we played to our ability. Whilst playing in this league will only improve our game it is essential to listen hard and follow the coaches instructions.

-v- BUDGEWOI - WON 2-1

This was an evenly matched game. It was funny to watch, we had Jacob marking a Budgewoi player called 'sticks' who was approximately twice his height and on the other side Paul was marking a small player.

Both did well to contain their opponents. Paul led the way in the first half with a nice goal and this was followed on by Ronan in the second half. There was good team work all round with Rodney shining out in attack and defence. Andrew is settling in as our resident goalkeeper and is improving with each game.

..../Contd

14A (cont'd)

-v- KANWAL - LOSS 2-0

The game was played under extremely muddy conditions. The Wyoming Club can certainly be proud of their ground in comparison to fields such as at Kanwal.

Unfortunately we tended to let Kanwal dictate the play. Once again I feel we were evenly matched but did not take the opportunities given to us. The referee was also very inconsistent with his rulings which played a big part in Kanwal's success. On the bright side Rodney, Stephen George and Greg put in a great game. I would also like to welcome Steven Croucher to the team. He looks like being a real asset.

Finally, I'm sure next time under different ground conditions and hopefully with a more consistent referee the score will be reversed.

-v- OURIMBAH - 30.5.87 - WON 8-1

The boys are starting to get it together and play as a team with excellent goals from Martyn Doe 5, Ian Carstairs 1, John Noble 1 and own goal by Ourimbah goal keeper.

Thanks to the reluctant help from Sam Henwood going in goals to allow John Noble to have a run on the field for the last 10 minutes. All the parents roared with laughter when Sam went into goals he yelled out at his team mates "I don't want to touch the ball".

-v- BUDGEWOI - 13.6.87 - WON 2-1

This game would have been the hardest game so far with the first half Budgewoi team going in with late tackles and dirty play. Full credit to our boys for not retaliating but instead played good soccer by controlling the ball and giving good passes.

Goals scored by Scott Salter 1, and a head into the net by John Bailey from a corner kicked by Ian Carstairs.

-v- KANWAL - 20.6.87 - WON 3-2

what a muddy game, it was more like water polo rather than soccer. Both teams were exhausted when the game was finished. Our boys came back well after being 2-0 down at half time to score 3 goals in the second half.

Thanks must go to Steven George from the 14A filling in as goal keeper, he made some excellent saves. Also help from Steven Kennedy, Kevin Flanagan and Rodney Rathbone who all helped towards our win on the day.

Goals scored by Jarrod Mobberley headed in from corner by Ian Carstairs, Martyn Doe headed in from cross kick from John Bailey and Kevin Flanagan from a penalty kick.

v KILLARNEY - 27.6.87 - WON 2-1

Team started off well with lot of near misses, then slackening off allowed Killarney to score easy run away goal. With 5 minutes to go Darren Cicks scored an excellent goal and second one can from own goal from Killarney keeper trying to clear the ball from corner taken by Scott Salter.

Most Improved Players for the Month: Mark Lucas and Paul Ferguson.

Keep up the good work boys.

-v- EAST GOSFORD - 30.5.87 - 3-0 LOSS

A disappointing game from the team. This was the game that we, not East Gosford should have won. We applied no pressure, no aggression and no close marking but plenty of hesitation. With the score 0-0 at half time and our team playing badly I explained to the team what they were doing wrong, and if they correct those problems and lifted their work rate they would win but alas the team continued to play as they did in the first half and East Gosford scored three goals, one being a penalty.

East Gosford did not beat us today as the score indicates. You beat yourselves.

Its disappointing when you work hard to try and achieve something and then see it go out the "window", you all have the ability to do well, as you have already shown this year, just be more consistant, play well each game, and if you cant-----well.

Stuart continues to improve each week with wee Bradley.

6.6.87 - NO GAME

-v- TOUKLEY - 13.6.87 - LOSS 5-1

A dissapointing game, lack of agression and some hesitation in the defence, especially when Toukley received some corner kicks, they scored three goals from these kicks. The whole team must learn to play consistently well each week. Lack of confidence is still a problem.

Stars: Darkey, Jason, Daniel.

-v- P.M.K. - 20.6.87 - WIN 4-0

At last our first win of the season. I hope all the players enjoyed the win as much as I did, with Ian our Manager and our supporters. It has taken me 25 minutes to write the first sentence. I am so used to writing reports on why we lost a game I am stumped on how to write a winning report, maybe after a few "Irish" Whiskeys I might be right.

Plenty of agression and pressure on the P.M.K. back four resulted in 4 goals for our forwards. Lack of finish and the shock of being in front of P.M.K. goals saw quite a few goals missed, but a win is a win. Please fellas before you go into future games remember those two words agression and pressure on the opposition give us a very good chance of winning our games from now on, that goes for forwards, midfield and defence.

When I speak about aggression I don't mean kicking the other teams off the field, aggression means "forceful", forcing the opposition into making mistakes, then we take advantage of those mistakes, by controlling the ball and therefore the game. Remember that.

Forwards played very well all through the game, midfield and defence had a sleep for about 15 minutes of the second half allowing a chance for P.M.K. to come back into the game, Don't do it again.

Lets build on this win, think about how we won this game and how we can improve.

Stars: David, Daniel, Jason, Bryan, Adam with the rest of the team not far behind.

Scorers: Jason 2 Goals, Bart 1, Own Goal 1.

Stuart and Dillon continue to improve.

I would like on behalf of the team and myself thank Bill Bulmer for training the team while I am in hospital. Bill is the 4th Grade Coach and I am sure the team will benefit from his experience.

-v- WYONG - 31.5.87 - WON 4-0

This was a good game to watch until Wyong lost their tempers and the game. Our wingers Michael Garland and Phillip Cartner dominated while Robert Bromfield was dangerous at centre forward. Goals were scored by P. Cartner, I. Carstairs, M. Garland and S. Andrew.

-v- SWANSEA - 14.6.87 - WON 1-0

Playing against a good team it required a good effort to win 1-0 however the game turned black for us when Michael Garland received a broken leg in a clash with Swansea goalkeeper. We all hope your well and back with us soon Mike as your aggressive play on the wing will be missed by the team. Best players on the day were Simon Andrew and Mathew Nash in Midfield, Connel Field at centre back and Cilin Lubsey as goal keeper. Goal scored by S. Andrew.

-v- GOSFORD CITY - 20.6.87 - WON 6-2

One goal down after 2 minutes and only leading 3-2 with five minutes to go was giving the spectators heart failure but 3 goals in the last minutes gave us a 6-2 scoreline. Best players were Mathew Robson at centre back, Glen Frost at left back and John McGarvey dominating centre midfield.

Our U/15 players showed the Gosford 17s how to play soccer with Ian Carstairs scoring twice and John Bailey once, while Kevin Flanagan out played his opponent at left half. Others to score were Robert Bromfield and two tremendous goals from Phil Cartner.

Mathew Conroy starred at keeper during the second half while R. Bromfield played well in goals during the first half.

17.2

COACH: STEVE FRAME

MANAGER: DENNIS HULSTON

31.5.87

A 1-0 loss against Ourimbah. The first half was very scrappy with both sides having the chances of scoring and Ourimbah did just that. The second was a little better for us with a few team changes we played a lot better but unable to score. This team at training is full of confidence but when it comes to the game something changes for the worst, keep trying boys we will win soon.

14.6.87

A 2-2 all draw against Gosford. The game was played in good spirit, both sides were pretty even with Mark Truaran scoring the first goal. Our lead didn't last long, Gosford scored a penalty goal, a goal from a good corner, but our boys came back fighting with Aaron Seeneevassin scoring the equaliser.

21.6.87

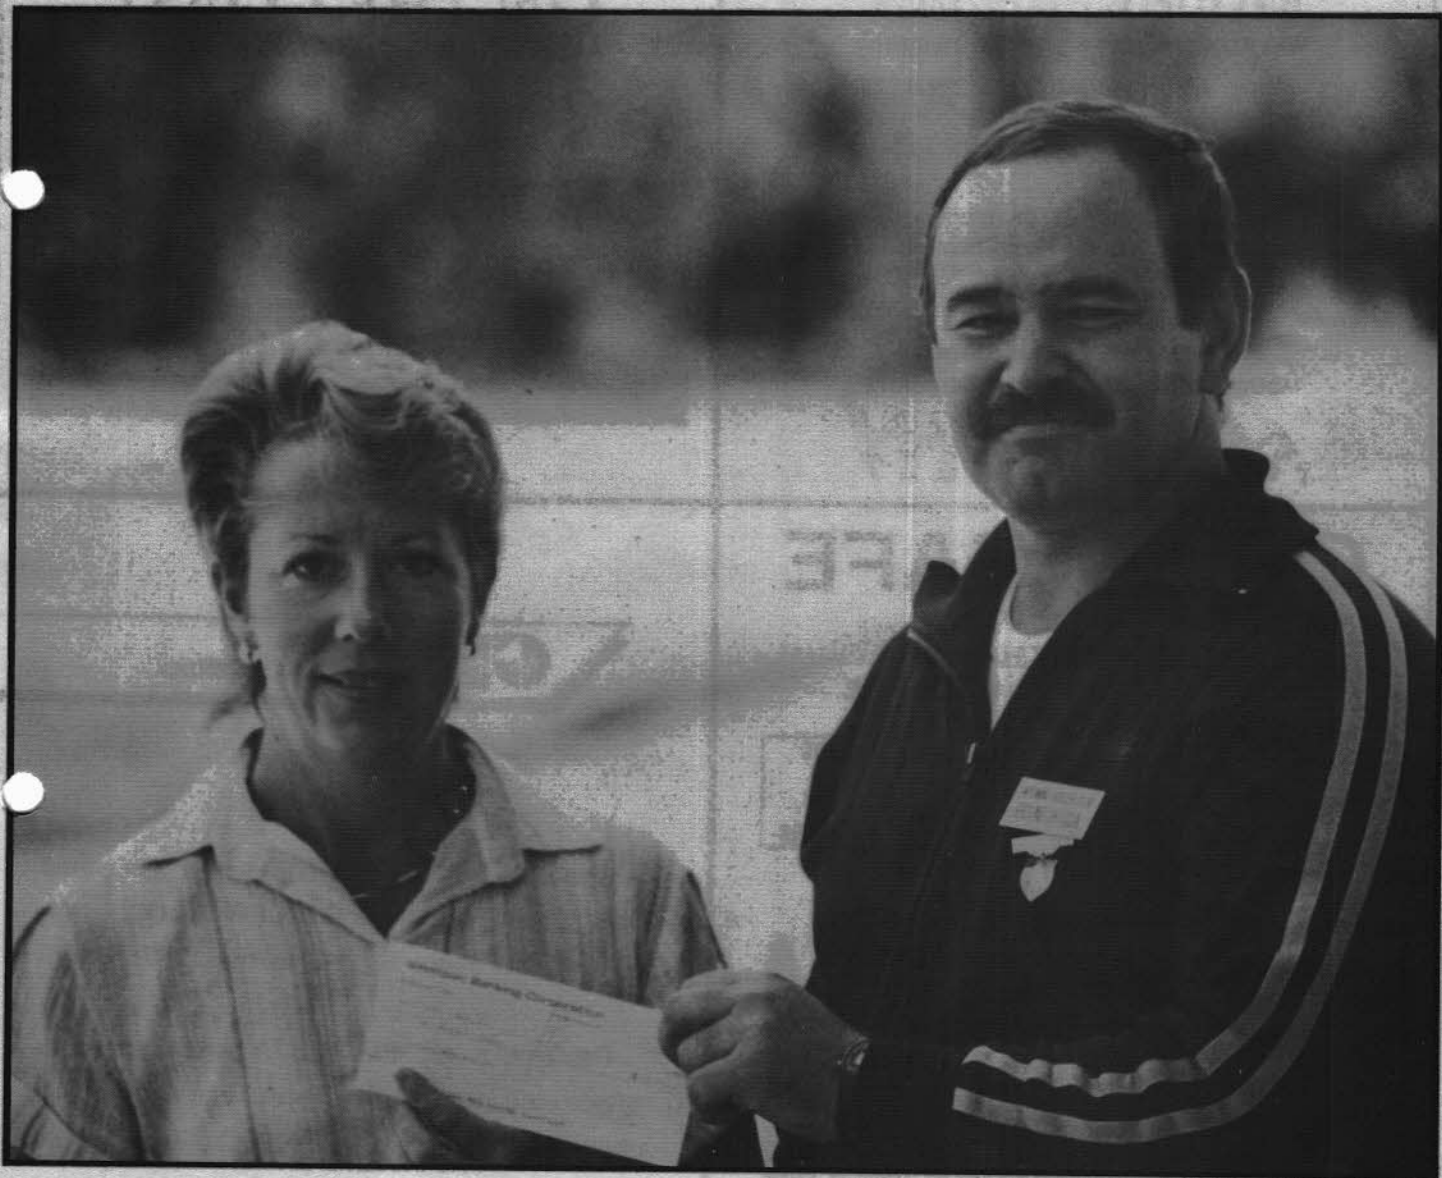

A 4-1 loss against one of the top teams. I thought we were very unlucky to lose we let a lot of scoring chances go begging. The score doesn't indicate how close the game was. The whole team scored a good goal with Stephen Hall laying claim to it, we thought it was a really good effort from the boys.

LADIES REPORT

WYOMING 6 - KILLARNEY 0

A very poor game in which the girls never got out of first gear and dropped the level of their play to the oppositions standard. The scoreline could easily have been doubled if a bit more endeavour had been shown in front of goal.

WYOMING 4 - BUDGEWOI 1

A step up in opposition saw the girls lift their game measurably to inflict another victory over our bogie team of past years.

WYOMING 0 - OCEAN BEACH 0

This game was played on a wet and heavy ground which was not conducive to free flowing soccer but the girls endeavoured to play an open game. The girls though were unable to convert any of their limited chances. In the finish the girls did well as due to injuries they ended with only nine players for the final twelve minutes.

CONGRATULATIONS

Two girls from the Club, Diane Fathers and Lisa VanDorp were selected in the Metropolitan North Regional side to contest the N.S.W.C.H.S. Womens Soccer Title at Lismore. Lisa VanDorp was named in the N.S.W.C.H.S. side to contest the Australian Schools Championships in Perth at the end of the season.

Four girls from the Club have gained selection in the U/18 Northern N.S.W. State Team to contest the Australian Championships in Brisbane from 5-12 July, 1987. Those girls are Michele Davidson Karin Wilkinson, Lisa VanDorp and Diane Fathers. In addition Lisa VanDorp was named in the Northern N.S.W. Senior State Team to compete in the Australian Championships at Alice Springs in September - a fantastic achievement.

To all these girls congratulations and best wishes - I'm sure you will do your Club and the Central Coast proud.

SENIOR SCENE

What a month. The team has finally settled and are producing the results they are deserved. Good wins against Wyong 1-0, Southern/Ettalong United 1-0 and a A.N.Z. Bank Cup win against The Entrance 3-2 have given the players the confidence they require and be competitive in this division.

Whilst beaten 1-0 last weekend against East Gosford the committment was still evident and team unity will only improve with more games.

Alan Singleton has made an effective change and the defensive pattern and along with Tim Jones and Jim Ryrrie, keeper Darren Neilsen can feel sure and safe.

The bad news of the month was the unfortunate loss of Brad Strachan for the season after a freak injury during the Southern game which lead to Brad being hospitalised for 1½ weeks. He received a serious kidney injury in the first 15 minutes and finished the game unaware of the damage caused. Everyone from the Club wishes a speedy recovery.

In midfield Phil Robson, David Talbot and Tony McAndrew are in the machine room of the team and are performing extremely well. They lend able support to their forward colleagues namely Dean Gayford, Greg Pryor and Lindsay Webb.

Players to play well last month are David Talbot, Tim Jones, Darren Neilsen and Alan Singleton.

Results: 31.5.87 -v- Wyong 1-0
2.6.87 -v- The Entrance 3-2
14.6.87 -v- Southern/Ettalong 1-0
21.6.87 -v- East Gosford 0-1

RESERVE GRADE

This team provided their proper form last week in defeating more favoured East Gosford 2-0 - both goals scored by Ron Jones.

Having been unlucky so far this season the win was the tonic that will give the team the confidence over the coming months.

Players to play well over this last month are:
Troy McNeish, Scott Neilsen, Ron Jones and Mick 'McDonalds' Reid.

Results: 31.5.87 -v- Wyong 2-3
14.6.87 -v- Southern/Ettalong 1-2
21.6.87 -v- East Gosford 2-0

3RD GRADE

Results: 10.5.87 -v- Budgewoi - Won 4-1
17.5.87 -v- The Entrance - Won 4-2
24.5.87 -v- Swansea - Draw 2-2
31.5.87 -v- Wyong - Won 3-0
14.6.87 -v- Southern - Loss 3-1
21.6.87 -v- East Gosford - Draw 0-0

As can be seen from the above results the team has been going pretty well at the turning point we are still in there with a chance. Injuries and team changes have had some effect but the whole team settles down quickly when changes are made and the spirit is good.

Welcome to new players George Hammings and the return of Martin Brooks. Also good to see "Bing" Burgess back from injury. Congratulations also to Steve Denham and Sandi on their forthcoming marriage. Best wishes to you both from all the boys. Dino also says thats no excuse for being late on Sunday.

4TH GRADE

-v- KINCUMBER - 24.5.87

Well done fellas. Our first win. How did you feel? Yes, for the first time this season we had luck on our side. Before the game the boys were in a determined mood and it showed on the field with all players constantly supporting each other throughout the game. Scrappy play in front of the opposition goal allowed Stuart Lennard to score an early goal to lead 1-0. Later a good run by Gary Frost followed by a perfect cross to Mark Illitch to score had the team ahead 2-0 half time. After an early goal from the opposition in the second half the players consolidated the play for most of the half. A well taken free kick from Steve Quennell saw Joe Ringuet head in a good goal to lead us 3-1. A lucky goal late in the game by Kincumber had the final score 3-2.

-v- UMINA UNITED - 7.6.87

After our win last week this game proved very difficult for us to win as Umina were short of players. The game was always played in Umina's half and too often players were unable to control the ball for long periods. The defence was good for the day as our keeper had little to do. A missed penalty did not help but a well taken cross kick from Don Sime to Joe Ringuer to score our only goal was all that we could achieve. .../Contd.

4TH DRAGE (Contdd)

A win is a win and thats two in a row and more should be coming our way to give us a chance for the finals. Final score 1-0.

-v- TERRIGAL - 14.6.87

What a game this turned out to be. Playing the leaders of the competition the players rose to the occasion. In the first half Wyoming had enjoyed good passages of play which had beaten the Terrigal defence on occasions. Unfortunately for us the Terrigal keeper brought off some good saves to keep the score nil all half time. Second half Terrigal had more of the play but our defence held together with the halves combining well with the backs. As shown by only good teams Terrigal only had one shot at goal and scored while we had a number of chances and could not score. To our credit the players never gave up trying and were still pressuring the opponents goal at the final whistle. Final score 0-1.

SOCIAL SIDE

CORRECTION In the last issue of Tiger Tails it was reported that in our 2-2 draw with Kincumber, Neville Kirk made '9' match winning saves. It should of course read 'a' match winning save, and now that I've cleared that up would Kevin Best and Peter Frost stop pestering Neville to come back as Wyomings first grade keeper. Not only does Nev not like playing in goals, but hes settling in nicely in a team that is unbeaten in over sixty games (were not counting the two five-a-side losses in January, as they were played against two first grade combinations.)

-v- GOSFORD CITY - 30.5.87 - 3-0 (twice)

First game abandoned. In the interests of fair play and future harmony there is no match report. You had to be there!!

6.6.87 - QUEENS BIRTHDAY WEEKEND - This is the second week in a row that the social side have been involved in fireworks?

-v- EAST GOSFORD - 13.6.87 - 1-1

Now lets get back to talking about soccer. This was a great game for all involved, both in excitement and in the manner in which it was played. Ordinarily I would have been disappointed to draw a game in which we were in control for almost $\frac{3}{4}$ of the game, but if you can't put the ball in the back of the net you can't expect to win. To Easts credit they played like men possessed especially in defence, and it would have been an injustice (albeit a nice one) if they had lost, eventhough we let a couple of certainties go by in the last few hectic minutes.

Reflection: I suppose its because of our long unbeaten run, but we cop/^{more}stick from others than we really deserve. Few teams are as generous as us when it comes to helping other teams out, a good example of this was todays game. Easts were short of players and we had extras, so in the first half we gave them George McCrone and Neville Kirk, normally amongst our first picked. In the second half two equals in Gary Smith and Kevin Blake and fianlly near the end George Crew who would have been shot if the two passes he laid on had resulted in goals, enough said.

-v- BAYVIEW - 20.6.87 - 10-2

Quite a few times this year we have threatened to demolish the opposition, but lack of finishing has prevented that. It's no co-incidence that the last time we did, John Podgerski played for us (7-1 -v- S.E.U.). He's a great finisher but you can't fire a gun without bullets, and he got plenty of ammo, from John Colthart, Terry Jones and our new find 'a blast from the past' Norm Hamilton. Norm hasn't played for about fifteen years, but he's got all the class needed, and being and old (oldish) head, he makes the ball do the work.

...../Contd.

SOCIAL SCENE (Cont'd)

Others to have big games were Jimmy McKenzie, Warren Snashell and Leon Meaghan relishing his swap from the wing to fullback. In fact, nobody had a bad game, it was a good solid all round performance from the whole team. The boys from the Bayview tried hard and with the help of a few player swaps (at one point our whole midfield of Max Marshall, Colthart and Jones were playing for them) they managed to score the first and last goals of the game.

28.6.87 - ROUND ROBIN AT EAST GOSFORD

Today Wyoming successfully defended the Graeme Hutch Shield that they won in the inaugural event back in 1985. Whilst it was great winning it for the first time two years ago, it was somewhat predictable as we were head and shoulders above the other sides. But this win today was much more satisfying as we faced stiffer opposition and were minus a few regular players.

Working on a new system this year with points given for either a win (5) a draw (3) and a consolation point for a loss, plus a point for each goal scored, Wyoming won with a combined score of 24 points over Gosford City a close second on 22 points.

It would be hard to single out players, as everyone played well, particularly as we had to play four ½ hour games in a three and a bit hour period, we were also down to 11 players for the last two games. However, I feel special mention must go to certain players Warren Snashell for a top game in defence, Max Marshall for allowing himself to be used up as a utility player. Phil Duncan for making himself available with his wife due to have a baby any time now, George Crew for taking on the goal keepers job when others refused and John Podgorski who came back early from Seals Rock just to play.

Our much publicised midfield deserve mention for their skills which ultimately won us the day, and for copping some special attention because of it.

In conclusion this was a worthy result for a team that is gaining in confidence and understanding every week to become a formidable opposition. Congratulations boys.

The Wanderer.
