Looking forward to seeing you all in 1994.

Bob O'Toole  
President

### CANTEEN REPORT

As this will probably be my last published report, I would like to take this opportunity to thank all the teams who assisted in the canteen during the season. Without your help it would not have been possible to provide the range of food items we were able to sell this year.

To the rest of the Committee, I would like to thank you for your support during the season and encouraging senior players to serve in the canteen on Sundays.

To Gary and Helen Carmody, Ken and Heather Rowe and my wife Rhonda, I wish to express my appreciation for their support and hard work which resulted in the canteen having a very successful year.

From a general point of view, the two events which stand out were the Under 7 Gala Day and the Edogawa visit which both went off without a hitch. This was mainly due to the hard work of the Committee and the two Sub-Committee's set up to arrange these important days. Both of these Sub-Committees were chaired by our Secretary Marlene Bailey.

Much of the success for the Edogawa day at Wyoming can be attributed to Marlene working behind the scenes through the Soccer Association and the Sister City Committee in arranging the Mayor Robert Bell and other members of the Committee to attend. This day greatly impressed our visitors and enhanced the standing of our Club. Anybody who attended the games the next day would have noticed a significant difference in the hospitality offered.

To all the teams, I hope you all had an enjoyable year and look forward to working with you all next season.

Peter Bech  
Canteen Manager.

7.5 LEOPARDS

COACH: IAN SHUTE

MANAGER: JUANITA GRAY

24.7.93

-v- Woy Woy 3

Score: 0:2

Our first loss of the season, but still not a bad effort by the boys considering everyone of them was coming down with the flu and we had to cancel out of the Budgewoi Gala Day on Sunday and also training on Tuesday as there was no one on their feet. Bad luck boys.

31.7.93

-v- KINCUMBER 5

Score: 5:1

With all the boys back on deck again after a week of the flu it was good to see them eager and scoring goals. Aaron scrambled in the first one, then they scored an own goal, then Andrew put three away. Chiji and Cade both played very well in goals, Eden did again his usual fine job at full-back. Also Cameron did the same when he took over in the second half. Scott and Nathan both had good games in defence and attack. Well done boys.

7.8.93

-v- Terrigal 5

Score: 6:0

A top win brought about by good passing and accurate goal shots. Andrew was back to his deadly best with three top shots. Then Cameron with his short time on the field came up with two good goals (eventhough mum was watching) and Aaron ran well and scored with a good shot. Cade again worked hard and was unlucky not to score with well struck ball. Eden was as safe as a church at full-back along with Scott when he took over from him and again Chiji and Nathan put in their usual best all over the park. We won't mention his name but one of the big kids fell into the creek. He, he, he. We done boys.

14.8.93

-v- Southern Ettalong 4

Score: 1:3

A well played game by both teams which saw us go down 3:1. Everyone did their best, Aaron netted a good goal with many shots from everybody going wide or being well stopped by their keeper. Eden did well in goals and put in a fine game at full back. The same with Cade, Scott and Cameron all tackled and attacked well. Nathan, Andrew were full of running all day. A big loss was Cadge who came off just before half time and missed the second half after a kick in the ankle. Get well soon! Well done boys.

21.8.93

-v- KILLARNEY 5

Score: 0:2

What a game. 30 shots for no goals, 3 shots for 2 goals. Killarney had plenty of practices at goal kicks with all our shots just wide of the posts. With no reserves all the boys did their best and were the much better team. Cade showed what he can do with some good runs and solid shots. Scott too was in the thick of it with good defence and clearing kicks. Nathan and Cameron showed their skills with lone runs and good shots. Andrew again did his part with plenty of shots but couldn't find the net. Eden did a great job at fullback with right and left foot clearing kicks. Two boys couldn't play, Cadge (ankle) and Aaron (flu). Get well son' boys. Well done, bad luck boys.

28.8.93

-v- Umina 3

Score: 2:0

Best game this year for team work and passing, a pleasure to watch. Nathan put in a top game and netted the first goal with Scott lifting his work rate and landing a long angle special. Cade's game is improving and is very determined when he wants the ball. Aaron lifted his game and played well (funny run and all). Eden and Cameron are developing into two top fullbacks with good anticipation and well timed clearing kicks. Andrew did well on the field and had a top game in goals, the same with Cadge who did his part in goals and was back to his annoying best (for the other team) on the field. Top effort boys.

4.9.93

-v- Southern Ettalong 4

Score: 2:0

A good win for the last game on the big field with nine players against a strong Southern "Wyoming" team. Thanks to the Wyoming players who filled in for Southern and many thanks to Andrew Watts and Adam Stutz who made up the numbers in our team, both boys would be an asset to any team they played for.

My own personal thanks to all the boys for 7.5, Cameron, Cadge, Andrew, Cade, Nathan, Scott, Eden & Aaron for their behaviour and effort throughout the season. Also Yeoni who helped at training and Tevor and Wayne who were always on hand to give the kids a game. To our Resident Referee Cidi, thank you and to all the Parents for their behaviour and encouragement which kept the boys enthusiasm on a high. Well done boys - Top team '93.

7.9 WILDCATS

COACH: Stephen Bech  
& Justin Carmody

MANAGER:

24.7.93

-v- Kincumber

Score: 2:7

A hard fought match. Kincumber settled quickly and took the boys by surprise by scoring two quick goals. Jarrod and Nathan tried hard in attack and were rewarded with a goal each. Jarrod also receiving the McDonald's Award. Against a very competent team Joshua and James tried brilliantly in goals, but Kincumber were too strong on a number of occasions.

31.7.93

-v- Terrigal

Score: 2:3

With one player down the boys played an excellent game matching Terrigal with two goals from Joshua Oakes in the first half. Excellent goal keeping by Nathan restricted Terrigal to the one goal in the second half. James consistently tried hard and received the Man of the Match. Rodney Guest received the encouragement award for his effort and Jarrad ran hard and defended well for the whole game. A disappointing result but a great effort.

21.8.93

-v- Umina

Score: 3:2

Wong 3:2. All the boys played well. Down 1:0 at half time, second half scored two early goals by Josh and Rodney. Third scored Rodney. Well done boys.

8.1 HAWKS

COACH: Duncan McCubbin

MANAGER: Peter Matheson

31.7.93

-v- Umina 1

Score: 0:1

A very good effort from the boys who controlled the game in the middle through Jason and Gareth. This allowed Michael Robson and Daniel opportunities in front of goal. Chasing from Michael Zygnerski and Mitchell Cunnington was all to no avail when Umina put away their only chance in the last minute.

7.8.93

-v- Ourimbah 1

Score: 1:3

A tight game throughout which was the balance right to the end. An equaliser near the whistle did not eventuate when Michael Robson was unfortunately tripped in front of goal. Missing a couple of our players made things difficult in the mud too. Good games from Joshua and Ryan K. at the back, Michey in goals and Ryan S. up front.

14.8.93

-v- Terrigal 1

Score: 1:2

A highlight of the season. Paul McCubbin's first game of the season - and he had a blinder at right fullback. A fine game, too, from all the other boys who held Terrigal till the end. A great defensive display from Ryan K. and Michael Robson, good 'keeping from Gareth and wonderful attacking skills from Ryan Storey gave us a moral victory.

21.8.93

-v- Southern Ettalong

Score: 0:5

Although we matched Southern in skill, we were no match in the push and shove department against a much physically larger team which was obviously coached to play that way. A great game at centre back by Paul and constant running by Daniel and Ryan Storey were the highlights.

28.8.93

-v- Kincumber 1

Score: 0:2

Another one that slipped away near the end of the game. After holding Kincumber throughout the game and coming close ourselves, sheer luck played a part in both goals. Despite the loss the boys really looked the goods, particularly Michael R. and Daniel.

4.9.93

-v- Kariong 1

Score: 4:1

Back to winning against a much improved Kariong team which went one up early. Well taken goals from Gareth Williams and Michael Zygnerski put us back on top, running out 4:1 winners. An excellent game at fullback by Mitchell Cunnington prevented Kariong getting more.

A great season boys - Thanks

COACH: Michael Crossley

MANAGER:

24.7.93

-v- Kincumber

Score: 0:3

On a heavy a boggy field the boys played very well in the first half. However they were unable to keep pace with an aggressive Terrigal side conceding three goals in the second half. Robert was our Player of the Week supported by Zachary, Ben and Matthew Scott who all played well.

31.7.93

-v- Gosford

Score: 1:2

The entire team played with much more aggression this week scoring an early goal with a second unfortunately disallowed due to a minor infringement. Matthew Dawes won the trophy being the team's goal kicker with Glen attacking hard right throughout the game. Ryan Forsberg and Ian also put in fine efforts.

7.8.93

-v- Ourimbah

Score: 0:2

Showing well in the first half but with several players suffering from the flu, they were unable to maintain the momentum and conceded two goals in the second half. Matthew Scott had another fine game taking the Player of the Week award with Oliver and Robert trying hard all day.

The boys went back to playing a more defensive game this week and were under constant pressure from the opposition. Glen performed admirably as goalie with Ryan Forsberg taking the trophy this week. Todd, Robert and Zachary also played well.

-v- Southern Ettalong

Score: 0:1

Another close game with both teams evenly matched. Robert was our best attacking player taking the trophy this week with Oliver, Ben and Ian all playing fine games in defence.

Wyoming 9A's had to thank Karl from the 9B's side for deputising for us and scoring two goals, one in each half. On a gusty day, and with no reserves, the boys turned in their best display so far. The goal of the game came from Adam Packer, a stunning long range effort. Ben Hope continued to work hard in midfield and Aaron Murphy chased well up front. We also had to thank Dale Mobberley for yet another outstanding goalkeeping display.

Score: 1:3

A disappointing match. At half time with no score I felt confident that we could win. But the boys lost all discipline and showed very little commitment. Southern Ettalong hit us with a goal which saw four of our players standing watching. Thanks to Aaron Murphy's continual pressure we scrambled an equaliser. Wyoming then proceeded to commit soccer suicide and allow Southern Ettalong two late goals. We can do better than this guys!

Score: 1:2

A poor effort in the first half, saw Wyoming a goal down and lucky that it wasn't a worse scoreline. Only when Gosford scrambled a second goal did Wyoming wake-up with a great goal from Robbie Lennehan. But unfortunately although the forwards tried hard it was all too late and Gosford escaped with a narrow victory.

-v- Terrigal 2

Score: 2:3

Wyoming got off to a great start with two goals from Chris O'Rourke and Adam Packer in the first 10 minutes. Wyoming then got too confident and relaxed their game allowing Terrigal to come back with two goals before half time. In the second half Wyoming continued their slumber and allowed Terrigal to score a third goal. They woke up towards the end and had several chances to equalise but it was far too late.

Our last game in this seven-a-side competition. Again the boys showed good form at Plum Park. They seem to enjoy the width of Plum Park, which is a good sign for next year when they move up to the U10 grade. Wyoming were unlucky not to snatch victory when they had the ball in the net early on but it was disallowed for offside. Sean Forbes and Dale Mobberley battled well to ensure there were no defensive slip-ups!

Again our good skills were obvious. Wyoming played better throughout the game. It was disappointing that Killarney were able to score against the run of play. Defence is getting better every game. Lots of shots at goal. Good games by Brett, David, Timothy and Patrick.

The second half was a lot better than the first. A great goal by Karl and some first class goal keeping by Adam. Most improved players are Patrick and Brent with David playing solid all game.

Score: 2:0

You played a very good passing game today. It was another day when everyone deserved the trophy. Great goals by Patrick (with the assistance of East Gosford's goalie) and Michael who put the ball away after some great passes from Karl and Patrick. Good games also by Tim, Jacinta, Eric and Robert.

Another entertaining game. Good passing and talking amongst the team. Adam played a good half as a forward before returning to his usual goal keeping job. Goals by Karl and David (his first ever). Patrick played a solid game as usual.

(Central Coast 7-a-side Competition)

The boys found Berkeley a bit too physical and although they tried their best, it was obvious that it was only a matter of time before Berkeley's boys opened the scoring. Two fine goals from Berkeley settled it. A brave effort by the boys who will have to face the same team in their next match.

-v- Berkeley Vale

Score: 2:1

A great victory for the boys! Two goals from Aaron Murphy was only part of the story. Berkeley have beaten us twice this year and were obviously surprised by Wyoming's resistance this time around. They were not a team used to being behind on the scoreboard, so much so that their coach and some of their players resorted to offensive and abusive behaviour. One boy in particular from Berkeley resorted to violence on more than one occasion. I urge the club and referees to stamp this behaviour out of our game and praise my boys for not retaliating and continuing to show true sportsmanship. This just made the victory sweeter.

-v- Kincumber

Score: 0:0

A dull game. Both teams seemed to have their mind on other things. Wyoming seemed to want to play too much of the game in their own half. Some good performances by Robbie Lennehan up front, Adam Packer in midfield and Dale Mobberley as keeper.

24.7.93

-v- Umina

Score: 0:3

Despite constant reminders about being first to the ball, marking and tackling, the boys failed to demonstrate any of these aspects of the game. The first half saw the Tigers in hibernation. The second half was not much better. Umina's first two goals were from corners with little or no marking from Wyoming. Their third was a scrambled effort after some brave keeping by Ben Hope, Adam Packer was outstanding yet again!

Score: 2:0

(7-a-side Competition Plum Park)

An improved performance from the boys. Despite being one player short, the boys always looked on top. Two goals from Christopher O'Rourke settled the match. There was also some good play from Jonathan Bratby (defence), Adam Packer (midfield) and Todd Gleeson (forward). Well done boys.

31.7.93

-v- Killarney District

Score: 0:4

A most disappointing performance and result. The boys were back to their bad ways again. The boys find it difficult to grasp that they must be first to the ball and compete for possession at all times. Killarney scored three goals in the first half when Wyoming were at their worst. In the second half there was a marginal improvement but still we lost another goal and had Dale Mobberley to thank for some excellent saves to keep the scored down.

7.8.93

-v- Toukley Gorokan

Score: 0:0

A dull affair! Wyoming lacked commitment in the first half but did enough to keep Toukley at bay. A much improved second half performance saw us almost snatch a result. In the end a draw was fair result. Noteworthy performances were Jonathan Bratby in defence, Adam Packer in midfield and Robert Lennehan up front.

The boys found Baskerville a bit too physical and although they tried their best it was obvious that it was only a matter of time before Baskerville's boys opened the account. Two fine goals from Baskerville settled it. A fine effort by the boys who will have to have the same team in their next match.

11.7.52 -v- Baskerville Vale

Goals: 2-1

A heavy victory for the boys. Two goals from Aaron Murphy was only part of the story. Baskerville have beaten us twice this year and were obviously surprised by winning a last-minute point this time around. They were not a team used to being beaten on the scoreboard, so much so that their coach and some of their players resorted to offensive and abusive behaviour. One boy in particular from Baskerville resorted to violence on more than one occasion. I gave the line and referee as strong a warning out of our game and praise to boys for not retaliating and continuing to show true sportsmanship. This just makes the victory sweeter.

11.7.52 -v- Kidlington

Goals: 0-0

A dull game. Both teams seemed to have their mind on other things. Kidlington seemed to want to play too much of the game in their own half. Some good performances by Robert Cannan up front. Adam Parker in midfield and Dale McGeivray as keeper.

11.7.52 -v- Basing

Goals: 0-1

Despite constant reminders about being first to the ball, marking and tackling, the boys failed to demonstrate any of these aspects of the game. The first half saw the boys in possession. The second half was not much better. Basing's first two goals were from corners with little or no marking from Basing. Their third was a successful effort after some brave keeping by Ben Hope. Adam Parker was outstanding yet again.

11.7.52 -v- Basing (1st half)

An improved performance from the boys. Baskerville being one player short, the boys always looked on top. Two goals from Christopher O'Rourke settled the matter. There was also some good play from Jonathan Healy in defence. Adam Parker (midfield) and Todd Pearson (forward). Well done boys.

11.7.52 -v- Basing (2nd half)

Goals: 0-1

A most disappointing performance and result. The boys were back to their bad ways again. The boys find it difficult to pass the ball and must be first to the ball and compete for possession at all times. Baskerville scored twice early in the first half when Wooding was at their worst. In the second half there was a tactical improvement but still we lost another goal and had Baskerville in danger for some essential saves in keeping the score down.

11.8.52 -v- Louisa Basing

Goals: 0-0

A dull affair. Basing looked committed in the first half but did manage to keep Louisa at bay. A much improved second half performance saw us almost reach a result. In the end a draw was fair result. Unfortunately performance was another study in defence. Adam Parker in midfield and Robert Cannan up front.
