PRESIDENT'S WELCOME

As president, and on behalf of the committee, I am pleased to have the opportunity to welcome not only new players and parents with the club, but also those of you who have returned for the 1999 season with Wyoming Soccer Club.

This year JARROD MOBBERLEY will be first grade coach. Jarrod has been with the club since he was old enough to kick a ball, and has been a regular first grade player from the age of 16 years, so you can be sure that he, with CRAIG HERRING, reserve grade coach, will do everything to ensure that 1999 will be a successful season for Wyoming in the Premier League.

Also this year we are looking at implementing a *skills program* for non-competition players, 5 to 9 years, aimed at improving a young player's basic skills and ability, to be incorporated in their normal training sessions. Coaching Co-Ordinator, Don Sime, will make information on this available for coaches.

You are now part of not only the BEST soccer club on the Coast but also one of the largest with over 500 registered players last year, so you will appreciate the huge amount of work done by the committee before and during the season, so if you can assist us in any way just ask.

So please enjoy the coming season, use our sponsors who are so important to the club, and support ALL our teams. With your help and assistance our club can only prosper.
