OPEN SEVEN DAYS

PRESIDENT'S REPORT

As we are at the end of our non-comp season, this is the opportunity to reflect on the season and to thank everyone for their contribution to making it a successful 2001 season for the Club.

From what I see on Saturdays, there are some very good young players in some of our non-comp teams and it would be great to see them come through the grades in years to come. From the reports in Tiger Tales a number of our non-comp teams are going well and we should have some good sides in the junior boys and girls comps next year.

Off the field your committee have been working hard to ensure everything is going well. As you can appreciate to run such a large Club (550 players) successfully, requires dedicated people putting in many hours of their own time. We had good numbers at the major events grading, trials etc; and on the official table each week. As President, I express my gratitude.

Through the efforts of Gai Green and her U7 Gala Day Organising Committee, other committee members and volunteers, the Club ran our biggest and most successful Gala Day involving 28 teams. Feedback from competing teams was most complimentary.

To all coaches, managers, players, parents, members and committee, thank you for all your time and effort. The Committee hope you enjoyed your season at Wyoming and we look forward to seeing you all next year.

Peter Bech JP
President.

This team is made up of a great group of children who have all made a huge improvement to their game this season. They started the year slowly, losing a number of their early games. However with new skills learned, and an understanding of teamwork developing, they finished the season really well, winning most games.

All are stars. ATENG is an attacking player, who loves rolling in the dirt and scores lots of goals. CALLUM is a solid defensive player with a good clearing kick. BRENTON plays well, is a steady improver and enjoys his game. GRANT is a determined mid-field performer who likes to be in the action. BRENDAN is a keen, involved player who always tries hard. ALEXANDER is skilful, very fast and always watches the game. WILLIAM is a happy, good sport and supports his team well. BILL has developed confidence and a useful big boot. JAZZ never gives up; she is a brave player often in the thick of it. LINDSAY works hard on the field and enjoys his game.

Thanks go to our hard working coaches who now have these children playing with improved skills and confidence, and starting to develop a good understanding of teamwork, rather than just playing as individuals. Parents can be proud of the individual advancement of their child and also the good behaviour and sportsmanship displayed by them all season. WELL DONE EVERYONE, see you next year.
