# Meningococcal Disease

4 N F Q R H S A T I O N

## What is meningococcal disease?

- Meningococcal disease is an infection caused by a bacterial germ known as meningococcus.
- Up to 20% of healthy people carry the bacteria in their throat or nose without the bacteria causing illness.
- There are 13 different serogroups (types) of meningococcal bacteria. In NSW, over half the cases are caused by serogroup B and just under half by serogroup C.

## How common is it?

- The disease is rare and affects less than one in ten thousand people in NSW each year.
- It can occur at any age, but is mostly seen in children and young adults.

## How is it spread?

- The disease is *NOT* easily spread. It is passed on by close person-to-person contact through saliva, eg. mouth kissing or sharing drink bottles, toothbrushes or cigarettes.

## What are the symptoms and how are they treated?

- Meningococcal infections can lead to meningitis (infection of the lining of the brain), septicaemia (blood poisoning) and other illnesses.
- Symptoms may include sudden onset of fever, headache, tiredness, neck stiffness, vomiting or nausea, sore eyes sensitive to light, joint pain and a rash.
- Symptoms are often less specific in young children and may include fever, drowsiness, vomiting, being unsettled and a rash. The rash is quite distinctive and may look like bleeding into the skin or purple-red spots. However, a rash does not always appear.

- **IT IS IMPORTANT TO SEEK MEDICAL ATTENTION EARLY.** Most people recover completely from meningococcal disease with early treatment with antibiotics. In a few individuals, however, the disease can be serious and life-threatening.

## What about contacts?

- Contacts are people who have been identified as having **VERY** close contact with a person who has the disease, such as family and household members, or those who have been exposed to the person's saliva.
- Contacts are offered a special antibiotic to kill the bacteria in the nose or throat, and therefore reduce the risk of further cases. This antibiotic does **NOT** treat the disease but simply stops the likelihood of the bacteria being carried in the nose and throat. Different antibiotics are used if symptoms develop.

## Is there a vaccine?

- Vaccines are available against some types of meningococcal disease.
- A vaccine is **NOT** available against serogroup B meningococcal disease (the most common type in NSW).
- A meningococcal vaccine is given to travellers visiting countries where specific types of meningococci frequently cause disease (eg. parts of Africa), and to persons with specific health conditions (eg. a person with no spleen).
- Rarely vaccines are used during outbreaks of meningococcal disease in confined environments (such as boarding schools, residential colleges or military barracks).
- These vaccines are not part of the routinely recommended immunisation schedule, but are commercially available.
- People considering vaccination should seek advice from their General Practitioner.

11<sup>th</sup> May, 2002 Wyoming 6 Gosford 3

The boys had another win today. They seem to be getting it all together. Daniel is a goal scoring machine but all the other players are starting to give him good backup. I'm really happy with the way the whole team is playing. Player of the week, Aaron Bell.

18<sup>th</sup> May, 2002 Wyoming 4 Avoca 2

The boys showed a lot of character to come from 2 goals down early in the first half to win 4-2. Daniel played well as always. Player of the week, Declan.

15<sup>th</sup> June, 2002 Wyoming East Gosford

The boys played well against some very good opposition. It was a big improvement on the last result against this team. Player of the week, Danny.

## **UNDER 5.2**

**Coach: Geoff Delehunt    Manager: Vickie Hogan**

1st June, 2002 Wyoming 0 Gosford 8

This was a very fast and enjoyable game to watch, and was our best game for the season. After a very slow start we came to and were unlucky not score lots of goals ourselves. Danielle had best game so far and Kelly had a wonderful game in defense. Dylan played sick and Sean, Julian, Liam and Zahn all tried very hard. Player of the week, Danielle Baird.

15<sup>th</sup> June, 2002 Wyoming 1 Kincumber 1

This was a great team effort so far this year. All the kids need to be congratulated for their wonderful play. Well done kids. Player of the week, Kelly.

22<sup>nd</sup> June, 2002 Wyoming 1 Terrigal 4

Although we lost today the team is improving with every game playing with great spirit and sportsmanship. Again all the kids had great games with Sean the player of the week.

## **UNDER 6.1**

**Coach: Dave Thomson    Manager: Kim Dawes**

18th May, 2002 Wyoming 1 Kincumber 2

Wyoming were ahead at half time with a goal by Jayden and great defense from Ian and Jessie as usual. Kincumber scored twice in the second half against the run of play. Even with Tegan, Shane and Jayden making great breaks we were unable to score. All the team played well. Player of the week, Vince Araullo.

1<sup>st</sup> June, 2002 Wyoming Gosford

All players played well, especially Elise and Bradley who were rewarded for their efforts. Both Jessie and Shane showed courage and determination in goals but were unable to keep out the goals by Gosford.

15<sup>th</sup> June, 2002 Wyoming 0 Avoca 6

Some great tries from Avoca in the first half and defense from Wyoming. Player of the week, Jesse Haviland.

22<sup>nd</sup> June, 2002 Wyoming 1 Woy Woy 4

The team played a great game. Very unlucky as the other team scored 3 late goals. Jaydan played a terrific game as did Ian and Shane in defense. Well done to Tegan for scoring our goal. Thanks Matt Potter for filling in for coach Dave for this game.

29<sup>th</sup> June, 2002 Wyoming 0 Umina 2

A great defensive game played by all. Everyone tried hard in the cold conditions. Congratulations to our award winners who were Shane and Liam. Player of the week, Liam Jansen.

**Coach: Brendon O'Connor Manager: Sue Bateup**

18<sup>th</sup> May, 2002 Wyoming 1 Kincumber 1

After an early goal by Kincumber we came back to draw after a fantastic goal by Anthony. A very even game with both sides giving 100%. Player of the week, Jesse Giles.

1<sup>st</sup> June, 2002 Wyoming 3 Gosford 4

Goals to Matthew, Jordan and Victor. The game was very tight with both sides evenly matched. Good to see the kids enjoying their soccer. Player of the week, Reece Fischer.  
Doyalson Gala Day

After a tiring day playing 5 games we ended the day with 2 wins and 3 losses. Everyone had a great time and the kids all enjoyed a full day of soccer.

29<sup>th</sup> June, 2002 Wyoming 2 Umina 1

A hard game with only 6 players. Down 1 nil after only 2 minutes we leveled the score 5 minutes later from Jordan who scored again in the second half to give us a win. Player of the week, Jordan O'Malley.

6<sup>th</sup> July, 2002 Wyoming 2 Terrigal 2

A hard fought draw with the wind playing havoc. Jordan played well in goals having to deal with the wind. Anthony, Reece and Jackson chased well with Victor great in defense. Player of the week, Victor Carr.

20<sup>th</sup> July, 2002 Wyoming 3 S.E.U. 3

After trailing, great team work enabled us to get back to 3-3. Goals to Anthony (2) and Rowan (1). A real team effort with great passing and calling. Player of the week, Jackson Ford.

We finally got it together today after training really well for the last few weeks. 3 great goals to Curtis with one each to Ben and Tim. Well played everyone. Player of the week, Cameron Warden.

11<sup>th</sup> May, 2002 Wyoming 0 S.E.U. 0

A bit flat after last weeks effort but everyone did their best. Great defensive effort but we just could not crack a goal. Player of the week, Andrew Murch.

18<sup>th</sup> May, 2002 Wyoming 2 Kincumber 1

Best game of the year against a side that had not yet been beaten. Every player played well and we were unlucky not to have scored more goals. Goals to Curtis and Tim. Mitchell, Nicholas and Matthew had great games. Player of the week, Mitchell Lord.

### **UNDER 6.4**

**Coach: Richard Simmons Manager: Mark Cummings**

29<sup>th</sup> June, 2002 Wyoming 1 Umina 3

A good effort by all with great defense from Kyle, Fintan and Connor who were well supported by the rest of the team. Player of the week, Kyle.

6<sup>th</sup> July, 2002 Wyoming 2 Terrigal 0

A great team effort by all – they finally get it. Some great ball skills from Hayden and Justin with some great saves by our goalie Peter. Player of the week, Peter.

Great work to keep playing soccer in a physical game from Woy Woy. All players are trying to keep some field position set up during training sessions. Keep thinking. Nice goal to Jem. Player of the week, Ryley.

29<sup>th</sup> June, 2002 Wyoming 6 Umina 1

We played our first ever gale day where this team beat us, but we learnt heaps from it and came away with a good win today. A late game meant the team had lots of family watching. Great goals to Thomas, Jem and Jack with 3 to Gus. Player of the week, Gus.

18<sup>th</sup> May, 2002 Wyoming 7 East Gosford 0

A really good team effort with no individual start but lost of good team play to win well. Plenty of passing amongst the team resulted in some really good team goals. Remember boys it doesn't matter who scores the goals it is a team effort to score and a team effort to defend. Player of the week, Stuart Adams.

1<sup>st</sup> June, 2002 Wyoming 1 Terrigal 3

Probably the best team effort of the season but the score line doesn't reflect it. Everyone tried really hard but unfortunately the blatant off side played by the opposition told in the end. With some really good team play, the result was disappointing. Player of the week, Ateng Malual.

8<sup>th</sup> June, 2002 Wyoming 2 Kincumber 2

A good result from a good game in muddy conditions. We missed a lot of opportunities to win the game but couldn't hit the net. Well done boys. Player of the week, Jarred Mears.

15<sup>th</sup> June, 2002 Wyoming 4 Gosford 1

A good game with teamwork highlighted. There was a lot of thoughtful passing to one another which resulted in 4 good team goals. Well done boys, now we are getting the hang of teamwork and letting the ball do the work. Player of the week, Karl O' Brien-Halls.

22<sup>nd</sup> June, 2002 Wyoming 4 Avoca 0

Another good performance following up last weeks teamwork with another game of good passing to each other to dominate the game. More good team goals with the defense working well to put us into attack. Player of the week, Darriel Mah.

29<sup>th</sup> June, 2002 Wyoming 1 Umina 2

A difficult game in windy conditions made for a hard time controlling the ball. All the boys tried hard, but with a number of missed opportunities we had the wrong result. Remember boys in the wind we need to keep the ball on the ground to make it easier to control. Player of the week, Jarred Mears.

30<sup>th</sup> June, 2002 Gala Day at Southern Ettalong.

Well done boys. After winning the pool with 5 straight games we went to the semi-finals against a team who had only just snuck into the final 4. A good game, but with some dubious refereeing and playing against 10 men for a while we went down fighting 2-1.

A great day for all the boys, with everyone trying hard and playing some great soccer. Only 2 teams went through their pools undefeated with maximum points. You can all be proud of your achievements running 3<sup>rd</sup> on the day - with 24 teams entered that is a great achievement.

6<sup>th</sup> July, 2002 Wyoming 2 S.E.U. 2

Another windy day and hard work by all the boys. A bit of a slow start but a good second half saw us leading 2-1 with only a couple of minutes to go. Some great defense by Bradley and Daniel, hardworking midfield particularly by Jordan and Jamie and a new striker in Karl showing how its done, well supported by Jarred. Player of the week, Daniel Mah.

#### **UNDER 8.2**

**Coach: Greg Bowcott Manager: Anet Babakhani**

6<sup>th</sup> May, 2002 Wyoming 1 S.E.U. 1

All players passed the ball very efficiently. Mark scored out goal. Pierre despite having a cold kicked the ball back into the oppositions field many times. Great passing from Trevor, Josh and Luke. Many saves by our goalies Nicholas and Kelly. What a fantastic effort in the muddy conditions. Well done kids. Player of the week, Joshua.

1<sup>st</sup> June, 2002 Wyoming 1 Umina 4

Although we had a strong opposition both Nicholas in the first half and Pierre in the second half saved many goals. Kelly got the ball many times close to the opposition goal and Trevor scored our goal. Jakob went aggressively for the ball and did his best to get it off the opposition many times. Player of the week, Kelly.

16<sup>th</sup> June, 2002 Wyoming 1 Kariong 0

Today we saw some good tackling by Jacob and a very well played game by the whole team. Kelly scored out only goal always giving the opposition a big scare by running forward, trying to score a goal. All the players showed well rounded skills throughout the game. Player of the game Pierre Cvek.

6<sup>th</sup> July, 2002 Wyoming 0 Gosford 4

All the team played under the conditions. The defense of Toby, Luke and Callum supported by some good strong midfield play from Mitch, Joel and Chad held strong in the first half. However, in second half became overwhelming. A big positive from the day was some good positional play from the team. Player of the week, Adam Avery.

20<sup>th</sup> July, 2002 Wyoming 0 Terrigal 1

Today's game was one to be proud of, the team are beginning to understand and play in position with some good passing and were unfortunate to loose against the run of play. Joel once again was a terrier in defense with Adam and Mathew good support in midfield and Mitchell unlucky in attack. Player of the week, Toby.

27<sup>th</sup> July, 2002 Wyoming 1 Kincumber 0

Frost Reserve was the venue for a thrilling game of soccer, with two players on sick duty the team had to dig deep. Joel, Luke, Mathew, Chad and Mitchell were impenetrable in defense. Adam in midfield was always there at the right time blocking the opposition with Toby and Chris powerful in attack. The play of the day came from Joel finishing off a solo run down the left with a goal. Player of the week, Joel.

A fantastic result and a huge effort from all the boys. Every player demonstrated excellent ball skills, great passing and a united attack. Patrick scored 5 goals today. Well done. Player of the week, Andrew Penn.

15<sup>th</sup> June, 2002 Wyoming 1 Gosford 3

The team played well but couldn't break through the defense. Patrick scored our goal. Well done boys. Player of the week, Dominic Hibberd.

18<sup>th</sup> May, 2002 Wyoming 2 East Gosford 1

Great all round game by everyone. Positional play was excellent and unlucky not to have won by more. Goals by Jacob and Michael. Player of the week, Ben Murch.

8<sup>th</sup> June, 2002 Wyoming 0 Gosford 0

A well played game by all boys. I believe we had the better play on the day even though the score does not reflect this. Both our defending and attacking players worked hard throughout the game with several unlucky misses at goal by Luke, Mitchell, Michael and Jacob. Player of the week, Ryan Carey.

29<sup>th</sup> June, 2002 Wyoming 1 Ourimbah 2

The audience was treated to a thriller that could have easily been confused with a world cup game. In a scoreless first half, the team shut down any attack by Ourimbah and threatened to score several attempts. The second half saw Luke score a great goal that looked as if it would give us a win but this was not to be with the opposition scoring 2 late goals. Keep up the good team work boys. Player of the week, Erik Suaning.

### **UNDER 9.E**

**Coach: Rod Lambert Manager: Robyn O'Brien**

8<sup>th</sup> June, 2002 Wyoming 1 S.E.U. 0

We previously bet this team in our second game of the season, this week the tables were turned. S.E.U. were much more prepared and focused and deserved to win. Once again our forwards had in excess of 10 shots but could only manage one Evan. We need to be more aggressive on the ball and support the attacker. Scott Affleck had a ripper of a game and has improved greatly in recent weeks. He defended solidly and dribbled from midfield with control to have 2 to 3 shots at goal. Keep up the hard work boys. Player of the week, Scott Affleck.

15<sup>th</sup> June, 2002 Wyoming 1 Woy Woy 5

The oppositions offside cost us the first goal but the other four couldn't be excused. Just like previous weeks failure to clear the ball in defense was the sole reason for our loss. Lindsay scored our goal today after being out with illness for a few games. With more midfield ball control we will do much better. This week Jack had a blinder after much improvement over the past few games. Keep up the hard work Jack. Player of the week, Jack Learmonth.

22<sup>nd</sup> June, 2002    Wyoming 1    Gosford 0

The first half goal by Blake came from great teamwork, passing and a great move by Joel. Sam excelled in goal helped in defense by Luke.

29<sup>th</sup> June, 2002    Wyoming 0    Killarney 0

The whole team played well with Diing and Stephen playing well in midfield. John and Scott worked hard all game.

6<sup>th</sup> July, 2002    Wyoming 2    East Gosford 0

A good team effort with lots of flowing play. Blake S. scored our first goal after a great build up. The second half saw our boys continue to play well with some good runs by Luke T. A solo run by John ending in a goal capped off a great team performance.

20<sup>th</sup> July, 2002    Wyoming 3    Umina 0

An excellent game by the whole team. All those training nights are paying off. Lots of early pressure saw Blake S. score the first goal. We got off to a great start in the second half with a goal by Daniel. The third goal came from another pinpoint corner by Scott D. Scott H. played well as did Craig. Sam made a brilliant diving save to keep a clean score sheet.

27<sup>th</sup> July, 2002    Wyoming 1    Avoca 1

Yet again the boys had 90% of the game. Early pressure resulted in a goal to Craig. Blake P. played extremely well at the back supported by Joel and Luke N. Diing and Stephen worked hard up front in the second half but unfortunately we couldn't get the winning goal. A great team performance. Keep on training boys.

Beaten by an attacking team, but the 2 goals scored by Blake and David were well deserved. Question! Who can you beat the 2 top teams and lose to the bottom teams?

8<sup>th</sup> June, 2002    Wyoming 1    Killarney 0

Good strong team play and some good passing of the ball. Great goal keeping from Ben and James. Nice penalty kick from Blake to score. Great work boys, keep the ball rolling forward.

15<sup>th</sup> June, 2002    Wyoming 2    Ourimbah 0

Great work boys. Kept the ball rolling on from last week. Great defense by all, with our goalies not troubled.

Best team work yet. Great passing and defense.

6<sup>th</sup> July, 2002 Wyoming 1 The Entrance 1

Another great team effort. Good strong defensive play keeping the ball mainly in our half.

A better game this week although the boys were under no real pressure. Better passing and defense by everyone especially Gareth and Marcus. Goals to Mason, Dean, Hoges and Angus.

Wyoming 2 Umina 1

Lucky to escape with a win as most of the team played out of position for the entire game. Some lazy passing and running made the opposition look better than they were. Good solid games from Will and Gareth. Goals to Matt G. and Hayden.

Wyoming 0 Kanwal 2

Better performance today despite the loss. We need to want the ball more than the opposition and play for the whole game. Great goalkeeping from Will and passing from our fullbacks. Marcus and Hoges had solid games but not much else from the rest of the team.

First win of the season. A good result for the efforts the boys have been putting in over the last couple of weeks. Highlight of the game was Ryan's hat-trick. Hopefully a few more wins around the corner.

11<sup>th</sup> May, 2002 Wyoming 2 Avoca (A) 3

Even though we lost, it was the teams best effort this year. All the players really dug in and wanted to cause a major upset. Two fantastic goals by Jay had Avoca on the back foot. The team was very unlucky not to snatch at least a draw.

18<sup>th</sup> May, 2002 Wyoming 2 Wyong 2

Our team played well scoring two goals. Keep up the good work.

6<sup>th</sup> July, 2002 Wyoming 3 Budgewoi 0

We played a superb game today dominating from the start. Gordon scoring 2 goals and William the other. The coach complimented the team by telling the players that did everything he expected of them. Well done boys.

10<sup>th</sup> July, 2002 Wyoming 2 Berkley Vale 2

The team played very well and were unlucky not to win. The opposition's goal near the end coming from off side play, but to draw with one of the top teams is pretty good. On the day we outplayed them in every way. Our team seems to have grown through the season to the point where we are now one of the teams to beat.

27<sup>th</sup> July, 2002 Wyoming 10 Avoca 0

Well what can one say when you have won 10-0. It is true that the other team was not much good. It is really good to see this team that started the season poorly, being able to hole its head high against any team in the competition. Hopefully we will get in the semis. Well done Wyoming with goals to William and James 3 each, Gordon 2 with one each to Rick and Christopher.

First win of the season has finally happened. 2 goals by Daniel (during the first half) who was well supported by all the team to get the ball down our end. We attacked and defended well and our goalie was everywhere we needed him. Victory was sweet considering we had no reserves and a side of 10 players against a full side with reserves. Mars Bars at half time helped renew the boy's energy and the highlight of the day was ringing our coach with the wonderful news.

A better effort but score should have been double. We needed to be more composed in front of goal. Matt P. was a standout as was Damien And Josh in midfield. It can only get better.

15th June, 2002 Wyoming Terrigal

An improved performance against a very committed opposition. Matt scored 3 goals in a return to form. Josh Curran again played well as did Tim in the backs.

22nd June, 2002 Wyoming 5 Gosford 0

An improved performance with the goals shared around, including a great volley from Josh C. The team will need to build for the big games ahead.

29th June, 2002 Wyoming 1 Killarney 0

A great team performance with 4 players who should not have played and boys who played out of position. Special mention to Greg and Graham who both had their best games of the season and as always Anthony excelled.

We are winning but not playing at a level that will win the comp. Much more effort in training. Greg and Tim had very good games as did Josh Curran.

Another good game boys, with no reserves and 5 playing sick, it was a well deserved win. 2 goals by Robbie and a well taken goal by Michael. Again Chris had a great game in goals.

15th June, 2002 Wyoming 4 Avoca 1

A tough game playing with 3-4 sick players. 2 goals each to Kyle and Michael. Daniel was great running through the middle. Matt played well. Great team play.

22nd June, 2002 Wyoming 7 Budgewoi 2

Great passing, resulting in a well earned win. Daniel S. scoring a hat-trick with Kyle scoring 2 and Robert 2. The boys are playing well.

29th June, 2002 Wyoming 2 Berkley Vale 1

The hardest game so far this season. A great corner from Robbie, taken even better by Kyle for a header to give us the 1<sup>st</sup> goal with Robbie scoring our second.

6th July, 2002 Wyoming 14 Mountains 0

14 great goals resulted from a great passing game. A hat trick to Daniel and Robert with 2 each to Luke and Michael and 1 each to Kevin, Matt and Kyle.

Wyoming 0 Killarney 6

Today we got a lesson on how to score goals. Killarney had 8 shots and got 6 where we had 7 and got none. They were red hot and dominated us from kickoff. The Knight boy's chased the whole game as did Steven and Nicholas. We will be ready next time we play them.

#### Wyoming 2 Umina 2

We started off very slowly and at half time were 2-0 down. With the game near the end we got a lucky penalty. Mahon scored easily then with 5 minutes to go Nicholas let one rip from well outside the box and much to everyone's surprise (even Nicholas) is sailed into the net. Well done boys, a great team effort.

#### Wyoming 0 East Gosford 1

A tough game against the only unbeaten team. We defended for most of the match with Steven and the Knight's doing a lot of work. Finally late in the game Brendon and Mahon started making some runs. We deserved a draw and when Matty was fouled with a clear run on goal we missed our chance. An unlucky result but the team is playing good soccer.

#### Wyoming 0 Kanwal 1

This was a pleasing result against the competition leaders. Although we had very few attacking opportunities we defended bravely with the Knight boys standing out. The score could have been worse except for our keeper and man of the match Shawn, he kept us in tough and we did almost steal a point just before full time through Matty, but it wasn't to be. A wonderful team effort.

#### Wyoming 1 Berkley Vale 1

We started off slowly with the game being a scrappy kick and hope type of match but a goal by the opposition woke us up and we started to create good chances. Greg and Joel worked overtime with some good tough tackling and a long run down the right wing beating 2 or 3 with his pace then he provided Joel with a perfect cross and the score was level. Unfortunately we couldn't finish them off although we have many opportunities. Good signs for the future.

#### 29<sup>th</sup> June, 2002 Wyoming 2 Terrigal 4

The boys came here today thinking that we would win easily since we beat them 3-1 last time. Terrigal, however, have improved and gave us a whacking. I hope everyone doesn't take this weeks game too lightly (against the bottom team). Despite such a disappointment Steven tried hard all game as did the Knight boys and we did win the second half 2-1. Back to the drawing board.

A disappointing result with too many missed opportunities, but everyone tried hard. Ricky had a great game in defense and managed to come up front and score a goal. The other goal was scored by Curtis.

#### 29th June, 2002 Wyoming 3 Ourimbah 0

A well deserved win. Good team effort. Clean sheet in goals from Jack. Our goals were scored by Tim, Scott and Curtis. Great support from Daniel T. and Deng. Well done boys.

#### 6<sup>th</sup> July, 2002 Wyoming 1 Kanwal 5

A disappointing result. Might have been even worse but for some great goalkeeping from Jack and good defense from Nathan. Our only goal scored by Scott. Better luck next week.

A bad game by everyone, with the team losing its shape throughout. Most players seemed more interested in abusing each other rather than trying.

15<sup>th</sup> June, 2002 Wyoming 6 Terrigal 0

A convincing win with good games in defense by Rohan, Trent and Sean and good attack Chas and Andrew. Goals by Chas (3), Lee, Andrew and Dean.

22<sup>nd</sup> June, 2002 Wyoming 1 Gosford 2

The best game of the season by all the boys. No-one stopped trying all game, with special games by Graham, Scott and Andrew. If a few refereeing decisions had gone our way, we could have won this game.

The team just keeps improving, once again, our best game of the year and we were unlucky not to win. Great games by Graham, Andrew and Rohan with goals to Chas and Graham. Thanks to Mat who filled in and had a good game.

An excellent game and result. Bring a long weekend and with 4 of our players unavailable we had to ask for 2 boys to back up from the 15's to make up a team. For the first 20 minutes they hit us with everything, but we toughed it out with a well taken goal by Kyle W. just before half time. In the second half we continued to dig deep and our efforts were again rewarded with another gem from Kyle. Mitch was outstanding and the defense led by the even reliable Ben was rock solid. A great effort from all our boys and a special thanks to Andrew and Dean from the 15's who were clearly a lot more than nuisance value to Budgewoi.

15<sup>th</sup> June, 2002 Wyoming 7 Terrigal 0

A good team effort where we controlled the major part of the game. 6 field goals and a penalty gave us a good win. Goals were scored by Kyle W. (3), Kyle R. (2) and Aaron 1 and great to see Mark get his first for the year. Well done team.

Boys started off well using 1-2-3 method, 15 min. into the game a nice pass from Scott to Keelan allowing him to score. 25 mins. into the game saw Avoca score through an indirect making it 1-1. The second half commenced with Keelan setting up Lockie to score our 2<sup>nd</sup> goal within 1 min. of kickoff. Karl missed a penalty. Our reserve goalie Andrew played a great game, thanks for helping out.

If you wanted to watch rugby this was the game to be at. Lost of shooting at the goals and by rugby calculation the score would have been 42-6 our way, but with soccer the ball must go in the net. Goals scored by Karl, Jarrad and Lee.

YUK! Were the words from the side line. A terrible game. Can't blame the drink as most of them are too young. Maybe thoughts of the girlfriends. No can't blame anyone or anything. Just a game not to remember. But the boys knew their mistakes and are prepared to work on it.

2<sup>nd</sup> June, 2002 Wyoming 5 Woy Woy 3

We played some very positive soccer today but some fundamental positional errors at the back cost us dearly. Overall this was a good result, although at 3-3 after being 3-1 up at half time I wasn't feeling too happy. Luke C. had a great game and caused havoc out wide in the first half. Luke G. and Paul worked tirelessly all game as did Greg. Steven scored 2 goals with a header to Greg with Luke G. and Paul scoring 1 each.

8<sup>th</sup> June, 2002 Wyoming 2 Toukley 5

We never got out of first gear today and Toukley played faultlessly. We were running after the ball all game and just never seemed likely to win. This was a contrast to the first round where we played excellent soccer to be the far better team. Luke G. worked tirelessly up front and Paul put in his usual 100%. Luke C. also tried hard, but it was hard to pull anything positive out of this game.

9<sup>th</sup> June, 2002 Wyoming 3 Gosford 2

After playing a very disappointing game yesterday it was very encouraging to come out today and watch the team play good soccer again. We went down 1-0 midway through the first half but were confident we were playing well enough to win. Michael K. had played excellently at the back and Luke C. and Paul were greater trouble when they had the ball. Aaron and Luke G. had run all game to also make life difficult for the defense. At half time we were 1-1 and we knew we had 45 minutes to take the points. We went ahead 2-1 and looked like we would win easily but about 2 minutes from the end they floated a free kick over Steve's head. We needed a miracle and 90 seconds later Luke C. was brought down in the box and Trevor A. scored the penalty to give us a last minute win.

15<sup>th</sup> June, 2002 Wyoming 3 Doyalson 0

Trevor Shute made his debut on the right midfield with a very important early goal that set up this match for us. Having lost to this team in the 1<sup>st</sup> round the players were keen not to allow it to happen again. From the 1<sup>st</sup> goal we were always on top except for a 10-15 minute spot in the 2<sup>nd</sup> half where we lost our way and concentration. Kieren came on as a sub and scored the final goal almost immediately in a lack luster game on a very windy day. We got the points which was most important.

22<sup>nd</sup> June, 2002 Wyoming 4 Kanwal 0

Everyone who saw this game felt it was a cracker. Kanwal didn't play badly but we were exceptional and relentless. We played some excellent soccer with our defense and midfield exceptional and our attack superb. In a team where all players could have been given the man of the match, Shane and Michael stood out while Greg, in his first game as striker scored the important 1<sup>st</sup> goal. Shane scored 2 and Aaron 1 to give us an impressive result. There is not a team in the competition that can beat us when we play like this. Congratulations on a brilliant win and fabulous soccer.

30<sup>th</sup> June, 2002 Wyoming 3 Gosford 1

The commitment and intensity from the 1<sup>st</sup> grade team today was in contrast to the 2 grade team. We came out wanting to win and it showed. We should have had a penalty in the first few minutes when Greg was pushed in the back. However, we got one later and Luke G. slotted it away. 2 excellent well constructed goals one by Greg and the other Shane earned us the points we deserved. Their goal game in the last 10 seconds of the game and bounced over Steven's head. Congratulations to the defense who, once again gave a near faultless display and to all the other players who gave 100% effort for 90 minutes. Well done boys.

### **PREMIER LEAGUE 2 - 2nd GRADE**

2<sup>nd</sup> June, 2002 Wyoming 1 Woy Woy 1

This only real positive to come out of this game was that we remain undefeated. Once again we created many chances but couldn't finish. 1-0 up at half time after Jeff scored a solo goal we looked as though we would win comfortably. At half time we discussed the only danger the other team posed, and to my amazement we gave the one player in their team who could score for them, all the room and time he needed to score, and he did. This was very, very disappointing and even more so as our team then started arguing amongst themselves. We'll be having a strong talk about this game.

8<sup>th</sup> June, 2002 Wyoming 6 Toukley 1

The first half of this game was played very hard and fast with each team giving nothing away. We were playing well but just couldn't get on top and at half time we were 1-1. The second half we slowly climbed on top and wore them out. Eventually running away with the game. Danny got a hat trick while Geoff scored 2 and Trevor A. 1. This was a committed performance by the team and a great victory over the third placed team.

9<sup>th</sup> June, 2002 Wyoming 2 Gosford 1

We always seem to make life hard for ourselves by not putting away our chances and today was no different. We were on top most of the first half but were down 1-0 at half time. We were awarded a penalty to bring us level shortly after the break and it was left up to our U/18 sub. Kieren to score the winning goal. A game we should have won easily if we had taken all our opportunities. Alan, Yeoni and Danny played well while Michael and Richard worked hard all game.

15<sup>th</sup> June, 2002 Wyoming 13 Doyalson 1

We had beaten this team 11-0 in the first round so it was possible the boys might take it easy in this game. To their credit they stayed composed for most of the game and played some good soccer. Shane scored 4 goals and Danny and Jeff both got hat tricks while Ben R. Ben J. and super sub Arul all got a goal each. Congratulations boys on an excellent result.

22<sup>nd</sup> June, 2002 Wyoming 1 Kanwal 2

This was a very hard fought game against the second placed team who came out determined to win and all fired up. They threw everything at us and although we were always in the game, I think they wanted to win more than we did. As the top team we need to learn that everyone wants to knock us off and our intensity in each game must be present along with the good soccer that we play in most games. The team was a little upside down with Alan and Trevor out injured, but we had no excuses.

30<sup>th</sup> June, 2002 Wyoming 1 Gosford 3

After last week's loss to Kanwal I thought we would come out firing today, but our lack of intensity off the back and in general play let us down again. We pushed the ball around very well when we had it and should have been 4-5 goals up at half time. Instead we were 1-1 and fortunate to be level. The wheels fell off in the second half and they scored a lucky goal and a penalty. I was very disappointed for the team as I know they were the better team. However being the best doesn't count unless you can put the ball away.
