## **LETTER FROM EDITOR**

Firstly I would like to say that I have been requested by some Coaches and Managers to type exactly what they have written in their reports, so in these instances I take no responsibility for incorrect spelling of children's names or for poor grammar.

If there are any Coaches or Managers who would like to email their reports to me my email address is [eheard@bigpond.com.au](mailto:eheard@bigpond.com.au)

Thank you to all the Coaches and Managers who have submitted items for our first magazine of the year. Just a few pointers, we need to limit each report to approximately 4 lines per game and mention just a couple of children each time (unless there are some outstanding performances or lots of goals) as it is getting costly to print each issue of the Tigers Tales, of which there are approximately five issues per season. Can you also please write clearly and spell the children's names correctly as they do get upset at their name being spelt wrong.

The Tigers Tales when printed will be available from the official table which is on the competition field side of the Clubhouse and can be collected by the Coaches and Managers when signing in teams.

## **MESSAGE FROM CANTEEN MANAGER**

I would like to thank all the teams who have helped me in the canteen so far this season. I understand that it can sometimes be difficult for parents of younger children to have them looked after whilst helping out, but as the canteen is the Club's biggest fundraiser it is important that all teams to be involved regardless of age group.

The Committee that runs the Club **all year** are volunteers and at times need to leave the ground to support their own children's games and other activities so it is important that you all help out where possible.

I will endeavour to give as much notice as possible to your Manager advising you of your roster date and time and will try to roster each team only twice throughout the season for a short period of time, so your help is very much appreciated.

A hard first game to start the season. We tried really hard in the first half with the score being 1-0 to Avoca, but from the start of the second half we lost our concentration and allowed Avoca shots at goal. A great effort put in by Nathan for the whole game. Cameron scored a great goal, unfortunately our only one. Always next week boys. Player of the Week Nathan Ham.

12<sup>th</sup> April, 2003 Wyoming 1 Umina 1

A great game, the team tried really hard but that second goal just wouldn't come. A good team effort with the only goal of the game scored by Craig. Keep passing the ball around. Great effort by all. Player of the Week Jack Croucher.

Our goal drought was finally broken with an outstanding win. With excellent passes by the entire team and good defending at the back this was a fantastic result which was earned through the boys playing as a team. Goal scorers were Nathan, Jared, Joshua, Jack, Cameron, Craig. Joshua was outstanding in defense. Well done to everyone. Player of the Week Joshua Cook.

First game of the season and the tigers at Fagans Park were ready to play Avoca. First game jitters were soon forgotten as the team stepped onto the park. We were extremely unlucky with a few early chances going shy of the post and a breakaway goal soon has us giving ground. Grant had an excellent game with some superb back line defense and numerous great saves by Ben G. kept the deficit to only 1. Standouts were Jordan and Lindsay who gave it their all. Better luck next time boys.

12<sup>th</sup> April, 2003   Wyoming 1   Umina 2

A very evenly matched game with Umina scoring 2 break away goals. Our goal was scored by Daniel Benson from the 9F's. Thanks to Hayden and Daniel for subbing up. A strong game from Ryan playing well in mid field. All players played well with 5 of our players away.

24<sup>th</sup> April, 2003 Wyoming 3 Kanwal 1

With another early start the team arrived at Kanwal eager to get out onto the pitch and search for the holy grail, our first win and goal. After a few minutes full of heart stopping chances, Ben M. broke the deadlock with our first goal of the season. This sparked a transformation of the team into 10 forwards and a keeper. However, some excellent cool-headed play by Derek and all round performances by Ryan and Lindsay, who both scored, saw the team through to their first win. It's great to see some points on the table.

5<sup>th</sup> April, 2003 Wyoming 0 East Gosford 1

Today's game has to be put down as one of those days, which is a real shame given the amount of effort all the boys have put into preparing for the start of the season. The boys played some good football throughout the game and easily had 99% of possession. Unfortunately, as we saw on a couple of occasions last season, we were unable to get the ball in the back of the net which at the end of the day, is exactly what the game is all about. There were some good performances from Scott, Stephen and Luke N. helping build attacks from the back but we just couldn't break through. The rain in the second half slowed down our momentum and the desire to push forward and win left us a little exposed and we lost to a breakaway goal that was only their second shot in the whole game. All in all, the boys played well and we look forward to round 2.

12<sup>th</sup> April, 2003 Wyoming 4 Budgewoi 0

A great team performance for the second game of the season. We worked just as hard as last week, only today, we went on a goal scoring spree, albeit in the first half. Taylor opened the scoring after a good buildup. Blake S. scored the second after a good individual run. The opposition's goal was peppered with shots from most of the team. Blake P. and Daniel worked hard in defense, with Stephen scoring the third goal. The fourth goal scored by Louis came after more great work in and around the box. The second half was a repeat of the first, with the boys enjoying almost all of the play, but the goals wouldn't come, despite some great work. Mark, having been on his own for most of the game, pulled off a great save at the death to ensure he kept his first clean sheet.

26<sup>th</sup> April, 2003 Wyoming 5 East Gosford 0

The first goal was from Blake S. running on to a great pass and slotting away the opener. A long distance effort from Scott grabbed the second goal. Just before half time Joel scored in the bottom left hand corner with a cracking shot. Sam had a great game, working tirelessly in midfield and defense. Daniel and John played well defensively with Craig and Blake P. controlling the middle. The second half saw us continue where we left off with Luke N. and Louis combining well to pile on the pressure. A great build up from Stephen allowed Scott to break through and grab his second goal. Taylor continued to menace in and around the box and he laid on the ball for Stephen to bag the fifth goal. It was another quiet day for Mark in goal.

3<sup>rd</sup> May, 2003 Wyoming 1 Gosford 0

We had most of the possession in the first half, with a lot of attempts on goal, but had trouble getting one into the back of the net. However, our perseverance finally paid off and after another great build-up down the right, the ball came into Taylor who passed to Louis who skillfully beat his man and scored in the top left hand corner. The second half saw us start well, but coming under pressure the longer the game went on. For long periods of the second half we had our backs to the wall, but hats off to the defense today, they battled well, with Mark making some great saves to keep another clean sheet.

Louis (3), James (2), William (2) and Chris (1). Although the score shows we belted budgie, it was our first game of the season and we were impressive but rusty. Good to see Sean and Josh, our new guys, play well and both did great things to protect our goal. Tim, Chris and Lachlan proved that if you take a second you do have time to deliver great passes to your team mates. Gordon's crosses to Louis and James were deadly and William used his head to great effect. Mark took a while to settle in at centre and looked more in charge towards the middle of the second half. Daniel tried hard and Rory, with his customary flair for giving the coaches heart attacks, was his normal reliable self in goal. All in all, highlights were all game but overall, the best result was the team work. We were rusty and our opposition was a bit over graded, but it was a great win and keeping in mind it was our first outing, if everybody keeps up the hard yakka at training and stays enthusiastic we hope to have a good season.

26<sup>th</sup> April, 2003 Wyoming 8 Kincumber 1

James (4), Louis (3) and Gordon (1). Robbie filled in at goal keeper and with Tim, Josh, Lachlan and Daniel playing dominant backfield roles, Sean, Mark and Chris were able to play excellent midfield control tactics to enable William, James, Louis and Gordon to outclass the Kincumber backs. This was a game in which we came back from 1-0 down to lead 2-1 at half time. It was tremendous to see all players use every skill they have, to put on a brilliant display of TEAM soccer. Congratulations to everyone on their games.

3<sup>rd</sup> May, 2003 Wyoming 8 East Gosford 0

Louis (2), James (2), Mark, Lachlan, William and Gordon 1 each who benefited from excellent service from the midfield of Mark, Chris and Tim and our ever steady backs of Lachlan, Josh, Daniel and Rory in goal. The boys had a taste of various positions on the field with Robert and Daniel having strong games in every position they played. Our opposition would appear to be over-graded so although we put a lot into the net, just don't get too excited. Harder games are to come. Training will get harder and so will Sundays.

10<sup>th</sup> May, 2003 Wyoming 7 Kincumber 1

Louis (3), James (1), Tim (1) and William (2). Not much to say after this match, the first half was really ordinary, mainly because of the lack of training this week. We were lacking the basics this week and we really need to focus on every game. We have to remember the basics of teamwork, skills, passing, positional play and goal side defense. The second half was an improvement but more 100% commitment to each other must be shown.

12<sup>th</sup> April, 2003 Wyoming 9 Killarney 2's 4

Some great goals and movement around the ground. What we did wrong, we will put down to first game of the year. Josh M. was great up front as was Robert Bray in his first game in the top side. Daniel Ballard had his best game in a long time. We can only improve from here.

26<sup>th</sup> April, 2003 Wyoming 6 Killarney 1's 1

A very good result, but this team is still not playing to its full potential. Josh D. was great all over the park, also Jarrod Brown is proving a great addition to this team. I believe this team will only improve.

12<sup>th</sup> April, 2003 Wyoming 0 Kincumber 4

A great game boys. Playing with no reserves under a lot of pressure. Chris had a great game in goal due to Damien not being able to play and also being sick. A good game as in control, passing and talking. The score did not reflect the game. Kyle went into goal for the last 10 minutes leaving us 10 men. All credit to all players.

26<sup>th</sup> April, 2003 Wyoming 2 Terrigal 1

Well done boys. Jeffrey again was confident and reliable. Daniel S. came up with the 1<sup>st</sup> goal followed with Gordon who came to help us out with a well taken level headed goal. Chris had another good game as keeper. Keep the team work going boys.

27<sup>th</sup> April, 2003 Wyoming 1 Kanwal 4

First and foremost it must be said this game was played in terrible conditions. With no official ref. it was to be said an unjust game was had. The lack of skills from "the person in the middle" showed throughout the game. We have submitted a protest. The boys I am sure enjoyed getting very wet and muddy. Really not a game to comment on.

10<sup>th</sup> May, 2003 Wyoming 0 Toukley 0

A tough game today. No training and missing a game last weekend due to bad weather. A star performance by Chris again in goals. He saved us today. Joshua did really well running in defense.

Welcome to our new players Ben, Sam and Sean and new coach Alan. A fantastic start to the season Boys. You all gave 110%. Good work from Michael in the midfield. Goal scorers for today were Tim (4) Sam (3) Ricky (2).

12<sup>th</sup> April, 2003 Wyoming 2 Berkley Vale 1

Well done Team. A great game from Tim who also scored our 2 goals. A good all round game from Liam who showed us his version of a spectacular bicycle kick.

26<sup>th</sup> April, 2003 Wyoming 4 Gosford (2) 0

A good team effort. An excellent game from Ricky in the midfield with Daniel playing his usual reliable game at stopper. All goals scored by Tim.

10<sup>th</sup> May, 2003 Wyoming 3 Kariong 1

Another consistent hard fought game from our boys with Sean & Matt playing very well in defense. Goals- Tim (3)

11<sup>th</sup> May, 2003 Wyoming 2 Kanwal 1

A tough game for our tired boys. After being a goal down, an excellent gritty performance to eventually take the game. Thanks to Bobby for helping us out. Also a great game from Lachlan. Goals - Bobby (1) Tim (1)

13<sup>th</sup> April, 2003    Wyoming 5    Terrigal 1

At half time we were still 0-0 despite creating plenty of goal scoring opportunities and dominating all over the park. Crystal got us off to a great start after the break by scoring 2 quick goals. Daisy then found herself in a perfect position to slot home a goal. Terrigal managed to score after a scrimmage in the 6 yard box where Seanna was unlucky not to get hold of the ball. Crystal threw in some fantastic balls from the sideline putting Lisa into great one-on-one situations against the keeper and keeping her cool Lisa scored twice to bring our tally up to 5. Amy took a great free kick from 40 yards out and was unlucky not to score. Kirsten kept the opposition at bay playing a great (first time) defensive role. A great team effort with everyone working hard. We're off to a good start for the season.

Not the best start to the season but not the worst either. We were down 0-4 at half time but held Killarney out well in the second half to finish 0-5. Erin and Rebecca covered plenty of ground, April held the centres and Marikje captained from sweeper. A good effort in goals by Kylie B. and Madelene. We are sure to improve from here on in.

Welcome to a few new faces this year. Of course there is nothing like a few trial games to break the worst drought ever. We played trials in rain, thunder and lightning.

26<sup>th</sup> March, 2003 Pepsi Cup Round 1 Wyoming 6 The Entrance 3

Our first proper run saw some good soccer, particularly in the second half. A hat trick to Melissa did a lot to secure our win. The Entrance team had some fast forwards, but they were contained thanks to good work by Saryna and Nicci.

30<sup>th</sup> March, 2003 Wyoming 3 The Entrance 2

In our first competition round we found ourselves up against the Entrance again, but this time we were missing Melissa, Lisa and Deanna. Thanks to Jodie who subbed for us. We were two-nil up at half time. Bec Stone blasted in the first goal and also put up a beautiful cross that enabled Kellie to get our second. In the second half the team went to sleep, and The Entrance scored twice. It wasn't until the last few minutes that Vanessa snuck in a lucky goal from a great Cheronne pass.

6th April, 2003 Wyoming 5 Gosford 1

This game was never in doubt, and most of the attacking work was done in the first half. At half time we were four-one up, with a hat trick to Melissa, and a nice one from Deanna. While the goals were good, the support from Saryna, Zoë and Kellie to set them up was just as pleasing. A fairly up and down second half saw only one extra goal, when Melissa got her fourth for the day. Good work from Robyn and Cath, but the highlight on the sideline came from some pretty tough investigative journalism from Mia Linden. She interviewed Coach, Manager, players and spectators. She also advised the coach when to put Kellie back on. I think she's after someone's job, but whose?

9<sup>th</sup> April, 2003 Pepsi Cup Semi-Final Wyoming 6 Woy Woy 5

Woy Woy had beaten Budgewoi in their round, so we knew we were in for a game, and were missing Lisa and Vasanta, out injured. Kellie scored the only goal of the first half with Nicci came off injured early in the half, leaving us short of numbers, waiting for Bec to arrive from work. Woy Woy equalized in the second half and later Mel put one away. With only two minutes to go, Woy Woy sunk a goal from a corner to leave the full-time score at two-all. 20 minutes of extra time produced no goal, so we went to penalty shoot-out. Successful shots from Mel, Sara (who wasn't going to be one of our first 5 kickers), and Saryna. It came down to the last kick and Catherine put hers away and then **had** to save the final Woy Woy shot to win. I would like to say that Cath saved the day, but Woy Woy missed their shot. This tough win puts us into the Final against Ourimbah on Anzac Day.

13<sup>th</sup> April, 2003 Wyoming 2 Kincumber 2

Played very short today, missing Robyn (interstate), Nicci and Lisa (injured) and Bec (working). Thanks to Peta and Vanessa for helping out. Kellie scored in the first half with a great high looping shot that looked to us on the sideline to roll over the top of the net. Cath scored her first goal of the season in the second half to equalize after Kincumber scored twice. They capitalized on corner work, which seems to be our weak spot. The match was marred from some pathetic actions and words from Kincumber spectators and officials.

**AA1 – LADIES****Coach:****Manager:****SPONSOR: Retravision**6<sup>th</sup> April, 2003 Wyoming 3 East Gosford 1

This was our first game. The team will take time to develop a combination as a unit but it was nice to see some improvement already. Goals were scored by Melissa, Peta and Holly. Katie played well in goals and saved several certain goals. Gina, Liza, Nicci, Danielle and Ashleigh held firm at the back while Lisa, Vanessa, Lisa (J), Kimberley, Rebecca and Chris maintained the pressure.

13<sup>th</sup> April, 2003 Wyoming 1 S.E.U. 9

The opposition are the red hot favourites for premiership honours and they scored 2 goals in the first 5 minutes of each half, we were still asleep. The score was 3-1 at half time and still we were competitive but fatigue set in as the game went on. Best on a disappointing day were Rebecca, Holly, Melissa, Jodi and Lisa. It was encouraging that the team didn't give up, particularly with no subs available.

4<sup>th</sup> May, 2003 Wyoming 2 Toukley 4

This was a game of 2 distinct halves. The team was in disarray in the first and were hammered 4-1 but to their credit regrouped in the second, defended better and were rewarded with a well deserved goal. We didn't win the game but it was encouraging. Katie played well in goals while Gina continued her good form.

28<sup>th</sup> March, 2003    Wyoming 1    Toukley 0

Nice to start the season with a win, but the boys had to work hard as Toukley were no pushover. Chiji was solid at the back, together with Andrew W. made sure the Toukley striker had limited opportunities. Goal scorer Dylan M. also played well. Good work by all players.

4<sup>th</sup> April, 2003    Wyoming 3    Umina 1

For a game played in pouring rain both teams put on a very entertaining display. Heaps of goal scoring opportunities and solid defending. Luke E. stood out from a host of good performances. Ben W. and Neale McA. Controlled the centre which gave us the edge and set up the win. A pleasing result for all concerned.

28th March, 2003    Wyoming 12    Berkley Vale 0

Up 4-0 after 15 minutes we found it hard to maintain our concentration and shape against an outclassed opponent. We probably missed 8 more definite scoring opportunities but the 12 we scored were taken with clinical efficiency. Mark was deadly accurate for 3 first half goals, Josh showed speed and finish to score another 3, whilst the other scorers were Cade (1), Peter (2), Dylan (1), Scott (1) and Ian (1). Top game boys.

11<sup>th</sup> April, 2003    Wyoming 1    Killarney 2

After our first game this was back to realism against a very hot opposition. Killarney scored from a corner midway through the first half and had the better of the game thus far. We were much more effective in the second half and equalized with a length of the field team goal scored by Andrew. Unfortunately they scored again straight after via a deflection off one of our defenders. Ian was commanding in goals with good games from Danny W., Daniel M. and Lee. We had full commitment from all players.

30<sup>th</sup> April, 2003    Wyoming 1    Kincumber 2

The first half belonged to us even though we were 1-1 at half time. We created more chances than Kincumber but our share of good fortune hasn't come our way just yet. Nathan B. scored a great goal after some excellent lead up work and our overall performance was very good I thought despite the score. However, we were to realize that when a weakness is pointed out it must be exploited. Greg P. and Trevor S. had excellent games while Marcus, Nathan B. and Shane B. performed well.

6<sup>th</sup> April, 2003 Wyoming 2 East Gosford 2

Good result but disappointing game. Most players commented that the game just didn't click today. Poor passes let us down on many occasions and yet this has been a feature of our excellent play in recent matches. After Thursday nights win against Budgewoi which was an excellent result, we may have been a bit flat. However, to hold last years premiers to a draw was encouraging, especially as we only had 10 men for the last 25 minutes. Aaron H., Marcus S. Luke C. and Trevor S. all put in good efforts. Marcus will replay his penalty over a couple of times.

13<sup>th</sup> April, 2003 Wyoming 2 Ourimbah 0

every player today deserved to be named player of the match. Today we returned to the football I know we can play and everybody gave more than 100% for the full 90 minutes. Nathan B. setup the first goal in the first half by perfectly positioning a lob over the keeper to the far post for Stephen B. to nod in. The second goal which cam midway into the 2<sup>nd</sup> half came when we made a quick break and Bechy again slotted the goal away beating the goalkeeper in a one-on-one situation. Our midfield was outstanding, defense excellent and our attack always threatening. Congratulations boys on a fantastic effort.
