PRESIDENT'S REPORT

As we move to the mid point of the season, the Club is performing well on and off the field with many teams in contention for a finals birth.

The Club ran 2 successful gala days for U6 and U7 in June, with a Wyoming team in the final series at both days. I would like to congratulate ALL the Committee for the great job in running of these days. Gai Green and her sub-committee have the running of these gala days down to a fine art. Also we should thank our junior players who came forth to referee. They did an excellent job for the Club.

The 22 June 2003 was a great day in the history of this great Club. The 30 year reunion arranged by Kevin & Leonie Best, Bob & Frank O'Toole and Peter Frost turned out to be a significant and successful event with over 120 past players and officials turning up to talk about old times, to view the great display and watch our Premier League teams play Ourimbah.

They formed a guard of honour as our First Grade took the field and the players in turn applauded them from the field. All this must have been inspiring to our players as they put on a very accomplished display to blitz their rivals 3-1.

About 3 minutes from the end it was fantastic to hear the old boys break out in the Clubs victory song, something I have never witnessed in my 21 years with the Club. The atmosphere in the dressing shed and at the Pub after the game was great. It was a most positive event and I am sure the players benefited from the experience.

Thanks to Kevin and his team and the Club Committee for a most enjoyable day.

Yesterday, I witness our First Grade play a great game of Soccer and whip Southern Ettalong 7-1, the highest PL1, First Grade victory I can remember for some time.

This has all come about because of tireless work by a lot of people and I would like to thank you all. Keep up the good work and "Go you Tigers".

P Bech JP
President

YOUR CLUB NEEDS YOUR HELP

In an attempt to get a wider involvement from Club members in the running of the Club and the coaching of teams the Committee passed the following motions.

At the General Meeting held at the Grange Hotel on Monday 27th January, 2003 the following motion was passed - "The Club reward committee members by allowing one free registration per committee member per season. Registration is to be paid at the start of the season by the member and reimbursed at the season end following satisfactory performance of the member's duties. Registration fee reimbursed will be the lowest fee paid by the member".

At the General Meeting held at the Grange Hotel on Monday 24th February, 2003 the following motion was passed - "Any senior player who coaches a junior team can apply to have their registration fees refunded in full at the completion of that year's playing and coaching commitments as long as the Club is in a financial position to do so".

A very tough game this week between the two top teams. Play moved all over the field with our backs Ben C., Benjamin, Brett and John continually defending. Good breaks made by Ben C. and Daniel. Better luck next week boys.

24th May, 2003 Wyoming 0 Toukley 2

For some of the boys this was the first time they had played Toukley. The boys all started out strong with Reece taking the ball up along with Nathan trying to get it near their goal. Brett and John had a shot but missed. Daniel, Matt and Matthew as always try hard to keep the ball in the oppositions half. The fullbacks, George, Cory, and Benjamin did their best, with sweeper Ben doing what he does best getting the ball away. Gerard went on and off several times during the game as reserve trying hard along with Alex who, in the second half was defending well getting the ball back several times.

25th May, 2003 Wyoming 5 Avoca 2

Today's game was a very entertaining game in wet and cold conditions. It was good to see the team bounce back after two straight losses and gain some confidence. Some very good signs in attack and defense in that we tackled them and put on scoring opportunities away. Scorers were Matt P. (2), Matt A. and an own goal.

Our second win of the season proved we are contenders for the grand final flag. Great goals by Jacob and Ben and outstanding defense by Derick, Ryan, Lindsay and Jordan. Chloe was player of the week showing great enthusiasm and attacking the ball at all times. If we learn to play our positions we can go all the way.

10th May, 2003 Wyoming 0 Killarney 3

This game was played on a wet and small field. After the huge field at Budgie it was a change that took its toll. After an early goal by the opposition we held Killarney for the whole of the first half. Jacob almost scored with his shot running sideways along the goal line. Derick was

player of the game with great defense. Nadia, Daniel, Grant and Ryan all had great games. Well done.

24th May, 2003 Wyoming 0 Terrigal 0

The early starts are no longer having an effect. Everyone is getting to the games on time and inspired to play. A great team effort saw us play a 0-0 draw. Player of the match Layla made plenty of attacking runs and was unlucky not to score. Ben was cool and calm in goals when things looked desperate. Lindsay, Ryan, Derick and Jordan covered everywhere. Bill used his size to advantage and could have his best year yet. Finally many thanks to Scott for refereeing the game.

31st May, 2003 Wyoming 2 Gosford 1

On a wet and soggy field but in bright sunlight we played our best game this year and came away winners. Grant was the star of the game making charging runs through the opposition and was rewarded with the winning goal. Great games by Ben who also scored and Ryan, Derick, Layla and Jack. That grand final flag is looking closer all the time.

7th June, 2003 Wyoming 2 Kanwal 0

A tough game against the competition leaders saw us hold our own till midway through the second half. Great games by Derick, Chloe, Ben G. and Grant created many attacking runs. Ryan was unlucky not to score. Great enthusiasm by all players will see us make the finals. Happy Birthday Ryan.

14th June, 2003 Wyoming 0 Kanwal 1 4

Down on numbers due to injury we only managed to field the bare 11 against a team that is undefeated this year. We struggled in the first half letting our marking and passing go downhill. All their goals were scored in the first half. In the second half we held against them and were unlucky not to score a couple of goals. Good efforts by Jack, Derick, Lindsay, Grant and Ben G. in goals.

21st June, 2003 Wyoming 2 Avoca 1

Congratulations to the whole team for a great win. Two goals by Jacob were enough for the 3 points. Lots of other chances by Chloe, Ben, Bill and Lindsay. Great backline cover by Derick, Ryan and especially Grant who saved many chances. More work needed at training on our positional play. Remember to spread out and pass it around. Great Win.

10th May, 2003 Wyoming 3 Kariong 0

Today's match was definitely a game of two halves. The boys did not have their minds on the game in the first half and we struggled to achieve anything constructive. Joel and Louis put in workmanlike performances and were the only bright spots in the first half. The second half started much better with Scott and Luke N. working hard in the middle. Scott's hard work was rewarded when he scored the first goal. The defense was rarely in trouble, with Blake P. in control and Mark only needing one good save to keep another clean sheet. As our work rate improved, we were getting more chances, with Taylor grabbing our second with a cheeky back header on the end of a cross from Scott. The game was pretty much one-way traffic at this stage, with Luke N. grabbing the third with a left foot drive into the bottom corner. Once again, we made hard work of this win, but the boys came through in the end.

24th May, 2003 Wyoming 2 Kincumber 1

The game started at a fast pace, with the boys winning the battle for possession, with Scott, Daniel and Louis taking control of midfield. After a deflected goal, the defense was never under real threat again due to solid play from Blake P., Craig, Sam, Joel and John. Mark closed the first half with a great save on the edge of the box. After a spirited pep talk from Rover, the second half saw the boys continue to pressure up the flanks with Taylor, Blake S. and Luke T. working hard up front. The relentless attacks on goal brought a high number of corners, which led to a goal. Luke N. whipped in a hip high corner to the edge of the box, which Stephen met first time, volleying into the back of the net. Clever play around the box saw Taylor lay a sweet ball back to Scott, who fired home the winner via the keeper. The boys continued to work hard for the remainder of the game.

31st May, 2003 Wyoming 13 S.E.U. 0

Scorers today were Taylor (4), Blake S. (3), Stephen (2), Louis (2), Daniel (1) and Scott (1).

While the score line suggests that it was all too easy, the quality of our play was breathtaking at times. The speed at which we attacked and defended meant that nothing was going to stop us. The goals came in a constant flow throughout the whole match, with great passing and support down both flanks. They all relied upon great teamwork to get them there. The defense was as solid as ever, with great performances from Joel, Blake P., Craig and John. Mark once again kept a clean sheet, doing what was necessary when the ball came his way (he even had a spell out front). The midfield more than played their part, Sam and Luke N. worked hard while Luke T. complemented the huge effort up front.

1st June, 2003 Wyoming 13 Doyalson 0

The scorers in this game were: Louis (5), Blake S. (3), Taylor (2), Luke N. (2) and Luke T. (1). We continued where we left off yesterday and played very well, shooting to a 10-0 lead in the first half. However, the second half saw our style of play suffer and we didn't make more of the opportunity to really increase our goal tally.

8th June, 2003 Wyoming 2 Budgewoi 2

The boys got off to a lackluster start, with a couple of early scares. The positional changes due to missing players made us look uncomfortable, but as the game went on we put together well thought out moves. The defense were on constant alert to deal with breakaways, with midfield covering lost of ground to help our in defense and attack. The hard work finally paid off with a nice pass to Scott, who slotted the ball away in the former. We were down 2-1 but to our credit, the boys got their minds back on the job and mounted a number of good attacking opportunities, which we just failed to convert. The hard work paid off with another goal from Scott drawing us level. The game continued with more chances coming our way, but we finished with a draw.

For the team first game for the season there was some good game play by all and good defensive play. Goals by Richard, Scott, Angus and David.

26th April, 2003 Wyoming 5 Budgewoi 1

With only 10 players the boys showed some brilliant soccer skills and team play with David, Angus, Blake and Scott the goal scorers. Thanks to Ben and Mitchell for their efforts in goals.

10th May, 2003 Wyoming 1 Kanwal 8

Not one of our better games. Came up against a good team on a hot streak, to their credit the boys played hard all game. Good individual effort from Scott, Jason and Angus who controlled the midfield well.

24th May, 2003 Wyoming 2 Terrigal 3

A good 1st half by all the boys. Last 10 minutes they had a little sleep and let the winning goal through. Some good saves from both goalies, Ben and Richard, also some great team work in the forwards for their efforts for our 2 goals scored by Scott and Angus.

31st May, 2003 Wyoming 1 Umina 2

Same old story – if only we had taken our chances. We hit the cross bar, we hit the uprights, we hit the goalie, they hit the back of the net. Richard was our savior in defense again. Mighty effort from him. Angus, Scott and Jason controlled our midfield well.

8th June, 2003 Wyoming 2 Berkley Vale 2

Another slow start from the boys down 2 goals in five minutes. Terrific fight back in the second half to claim a draw. Great defense from Ben. David was a real handful in attack. Super-sub Nick never stopped trying.

14th June, 2003 Wyoming 3 Avoca 3

Good start to half time, and then sleep time. A great effort from Ben in goals.

3rd May, 2003 Wyoming 2 Gosford 1

A good solid game where the boys dominated play, especially the backs who kept the opposition out of scoring range all match. Great opening goal Marcus and a perfect shot from Matt G. with only 45 seconds to go in the game.

10th May, 2003 Wyoming 2 Kanwal 1

Great enthusiasm and passing in the first half – a bit disorganized in the second. Communication was much better and we need to keep this up for the whole game. Teamwork in the back line was spot on. Goals to Eddie and a penalty to Matt G.

11th May, 2003 Wyoming 4 Berkley Vale 0

Good, convincing win today with some great periods of play, don't lose concentration as the game goes on. We must attack, pass and defend right to the final whistle. Goals to Daniel (3) and Marcus. Wonderful work by the backs again.

24th May, 2003 Wyoming 2 Kincumber 1

Our sixth win in a row even though the boys didn't really play their best - great work. Combinations are getting better in the forward line, midfield is more involved and the back line - well it's our strongest point over the last 3 games. Goals - Daniel Spence and Matt G. another well taken penalty.

7th May, 2003 Wyoming 1 Killarney 1

After receiving a thumping last week we needed to turn things around and we did. Another game we should have won. It was pleasing to see that our defense toughened up and repelled the Killarney attack. We need to learn to be more consistent with our play and start to tough out some wins.

10th May, 2003 Wyoming 1 Terrigal 4

This is another game that the scoreline did not reflect the effort the boys put in. The scoreline was 2-1 with 10 to go and we were playing some good soccer. Tying to play up soccer we were left short and the back which in the end flatter the Terrigal side.

17th May, 2003 Wyoming 1 Wyong 2

This game could have gone either way. We led 1-0 at half time, but ran out of legs in the 2nd half. We have remained competitive in most of matches and hopefully a win is only around the corner.

7th June, 2003 Wyoming 5 Berkley Vale 1

At last, everything came together. Our forwards struck some form and our backs were solid as a rock. Hopefully all the team gained some confidence and we can string a few wins together.

Louis (3), James (2), Mark (1) plus 1 own goal, William (2) and Josh (1). After no training and no play for a few weeks we were very rusty in a lot of areas. When we did get our act together we scored goals. From Rory, Lachie, Josh, Robert and Daniel at the back controlling things to give Mark, Shawn, and Tim room in the middle to feed the front line. Congratulations to Tim and Josh for playing well in various positions and Louis the magician - five games for 14 goals. We have the hard games to come.

31st May, 2003 Wyoming 5 Kanwal 0

James (2), Louis (1), Gordon (1) plus one own goal. Still rusty, still not training but we probably played the best we have all year. Lots of very good passing and positioning was the key to beating Kanwal who are coming second. Well done to William and Daniel great games.

1st June, 2003 Wyoming 7 Killarney 1

Louis (2), James (2), Gordon (2) and William (1). Another good win – it could have been 13 or 14 but we gave the goalie a lot of body bruises as we zeroed in on him. Maybe if we aim for the open spaces more often we will get more goals. Good games from Will, James, Louis, Gordon, Tim, Mark, Chris Sean and Rory in the first half. In the second half Lachlan, Robert, Tim and Daniel lifted their games. Gordon was a deserved man of the match and Rory put on a great display of keeping to receive the doing his best award.

7th June, 2003 Wyoming 4 Ourimbah 3

Louis (1), Gordon (1), Chris (1) and William (1). Late in the first half we were down 3-0 and Ourimbah were not letting us play to our abilities. As we did last year, half time its nil all and we have to score lots. Every member of the team picked up a gear and we scored a memorable win. Team spirit was the big winner.

21st June, 2003 Wyoming 10 Budgewoi 0

Louis (4), Gordon (2), Sean (2), Tim (1), Mark (1). A good team effort in the first half with excellent positional play. With numerous positional chances in the second half our intensity dropped off but still a good win.

In a replay of last years grand final our boys played below their best, but still could have won by a few goals. Tom had a great game in goals, Jarrod had his best game since joining the club. We will improve from this game.

24th May, 2003 Wyoming Toukley

A win is a win – but we need to turn up ready to play each week no matter who we play. Tim was again great all over the park.

31st May, 2003 Wyoming 2 Umina 1

Good result against a very good team as a group. This team is slowly starting to get it right. Robert had his best game of the year and Tom in goal had a special game.

7th June, 2003 Wyoming 9 Wyoming A2's 0

Solid performance with all players showing good form. Martin and Robert are forming a great midfield. We still need to take our chances in front of goal.

8th June, 2003 Wyoming 5 Killarney 2 1

Some very good soccer played all over the pitch until we get into the 18 yard area – we must take our chances.

14th June, 2003 Wyoming Kanwal

Again a good performance – but our normal problem in front of goal, Tim and Daniel really stood out. More goal work at training.

21st June, 2003 Wyoming Kanwal

Good effort all over the park – Matt almost back to his best. Daniel B. and Greg were strong in the middle.

A much better game today. Matt had a great game with Geoff great in defense. Luke P. scored our goal taken with good control and power. Kyle was very unlucky, as was Michael. The second half was much better, a lot more attacking. Unlucky boys, but a much better game.

24th May, 2003 Wyoming 6 Umina 1

All in all the score didn't reflect the game. We played well but Umina got the breaks and took them well. Michael had a great game. A well taken goal by Kyle. Welcome back to Damien for his 1st try back after a shoulder injury. Next week boys.

31st May, 2003 Wyoming 0 Kincumber 4

Again the score did not reflect the game. All boys playing well, nobody let the side down. Damian's 1st game back in goal and what a game he had. Well done. We were very unlucky on a few occasions; Luke had a good game, very unlucky not to get a goal. Be proud of the way you played today.

7th June, 2003 Wyoming 0 Wyoming 14A2 9

Well done Wyoming 14A1. We tried and didn't succeed. We did have a couple of good passes but not quite enough to get even one goal. Next week we may get a game back.

15th June, 2003 Wyoming 4 Killarney (2) 0

What a game. The game of the season. From the kick off we went out to win. A great hat trick from Matt S. and another header from Michael H. for the 4th goal. Damien gave some great kicks. All boys played to win – great talki8ng on the field and great 1-1 passing. A well deserved victory.

21st June, 2003 Wyoming 1 Killarney (2) 3

Unlucky boys. We had plenty of attempts at goal. Luke was so unlucky hitting the post and Kyle had 4-5 attempts. Matt P. had a great game as well as Joshua who did great in defense. A great game to watch. Well done.

A wet & soggy game which made ball control and passing difficult. Good games from Sam and Josh. Goals Sam (1) and Tim (1).

31st May, 2003 Wyoming 6 Ourimbah 1

Another sound team effort from the boys. An excellent passing game from the team which opened up the Ourimbah defense consistently. Scott and Nathan had good games and once again Ben did lots of diving. Well done boys. Goals Sam (3), Josh (2) and Tim (1).

4th May, 2003 Wyoming 3 Kincumber 0

Our first outing in 3 weeks!! Despite that, we combined well and dominated the match. The hard work paid off with Sarah Speedy and Kristy passing well and creating scoring opportunities for each other - the result was 2 great goals from Speedy Sarah. Steph made an awesome run down the left hand side of the field, skinning a few Kincumber defenders and then cracking the ball into the top of the goal - bringing our score up to 3-0. The second half didn't bring any more goals, but Sophie hassled well and was unlucky not to be rewarded. Natalie and Sarah Coco combined well interchanging in the midfield and defense. Amy swept well in the defense - helping Seana keep a clean sheet. Lisa made her debut in goals giving Seana an opportunity to get out amongst it. Seana was unlucky not to put one away. The quiet achievers in the team (Daisy, Sarah K. and Emma) continue to perform well, improving with each game. Good signs for a strong team.

11th May, 2003 Wyoming 4 Wyong 1

MOTHERS DAY - thank you to all the mothers who spend the morning at Wyong. Another good win for the girls with Sarah Speedy scoring a hat trick and Lisa also putting one away. Lisa once again gave Seana some time on the field, but was not too happy when a soft penalty was awarded against us. Lisa managed to deflect the ball onto the cross bar and deny Wyong a goal. (ref. managed to fire up the parents on a cold day, so there was some good to come from the awarding of a soft penalty). Emma is proving some fantastic goal scoring opportunities with excellent throw-ins. Crystal and Kirsten are continuing to run all over the pitch working hard for the defense. Given that we have 10 girls who all want to play midfield accepting playing in the defense is becoming a weekly chore for some of the girls. We also have 5 subs each match and manage to give everyone equal time on the field in the position

they want to lay is proving to be a hard task. The attitude, utility and versatility of the girls is fantastic – making us a strong team all over the park, no matter what 11 are on the field. A credit to each and every player.

1st June, 2003 Wyoming 12 Killarney 1

After 2 weeks washed out and no training for a month we were a bit slow and off to a rusty start. Despite Sarah scoring an early goal, we found ourselves at 1-1 after 15 minutes. Killarney equalizing had a positive effect on the team spurring us onto a 12-1 win. Kristy was pleased to finally get on the score sheet and did so with style scoring a hat trick. Not to be outdone by her twin Sarah Speedy knocked in 4. Lisa and Crystal weren't far behind scoring doubles – Crystal unlucky not to get a hat trick when one of her goals was saved off the line by the keeper. The aim of the 2nd half seemed to be to set up Sophie, which finally came to fruition. Despite a fairly one-sided game our defense (Amy, Cassie, Kirsten, Natalie, Sarah Coco and Stacey) kept their minds on the job, defending well when needed while supporting the attack. It was pleasing to see some great passing and interplay between Emma, Daisy and Steph down the left hand side of the field – resulting in at least one goal. We'll keep working on getting Seana out of goals and make it our objective to have her up front scoring some goals herself.

27th April, 2003 Wyoming (Win Forfeit) Gwandalan (Lose Forfeit)

After a wet drive to Gwandalan and a lot of mucking around, the opposition forfeited due to a lack of players. I hope you all enjoyed the drive home.

4th May, 2003 Wyoming 0 The Entrance 3

The Entrance is a "big" team who made it hard for our forwards, Erin and Kylie B, to break through their back line. Madelene had a great game in goals and Rebekah did well in midfield. Hopefully, if our skills soon improve through more effort at training we'll be able to match it with the other A Grade teams.

11th May, 2003 Wyoming 0 Gosford 5

After looking like we were going to play one short the Zwan duo (Marijke and Rebekah) arrived, with a sigh of relief on the coach's behalf. We had a few chances up at their goal thanks to Erin and Cassie but unfortunately, were not successful. Many "WANT THE BALL" calls were heard from the sideline and the score card shows the result. However, April did well in her first attempt in the back line instead of midfield and Claire had a good go as striker.

25th May, 2003 Wyoming 0 Budgewoi 7

We had no subs today and we knew we were going to have a tough game against a strong and skillful team. Tori had a great game in goals for the last two thirds of the game, stopping Budgewoi from scoring 3 certain goals. Marijke captained from sweeper, Rebecca ran her heart out in the backs and Stevie waited patiently up front but all to no avail. We need to lift our enthusiasm and desire to want the ball before we see any sun shine through the dark clouds!
