3rd April, 2004 Wyoming 1 Avoca 2

A gutsy effort by the team saw Avoca win by 1 goal. Considering we had no reserves due to two players breaking their arms in the off season this was a great result. All played a full game in warm weather. Jacob scored a goal in his first game of the season. As with all the players Riley has become an all round player in defence and attack. Player of the Week Riley

24th April, 2004 Wyoming 2 Avoca 1

A fantastic effort by all members of both teams. Played in the spirit of good, friendly sportsmanship. A great way to start the season. New team member Keenan tried very hard and played well, as did all the players. Player of the Week Keenan.

Another solid win with everyone involved in defence and attack. Goals scored by Samantha and Alice. Encouragement Award to Austin with the Player of the Week Chris. Well done.

The game went goal for goal with the team equalising each goal. A beautiful piece of play with Byron hitting the upright. A goal could have broken the deadlock. Great team effort for first game.

24th April, 2004 Wyoming 1 Doyalson 4

Today we came up against a well organised Doyalson team who were much quicker off the blocks. In the first half it was all hands to the pumps as the Tigers struggled to cope with the Doyalson attacks. At half time things looked grim with a 0-3 scoreline but in the second half Wyoming dug in and kept the Doyalson team from scoring at will. The game ended 1-4 but hopefully like a fine wine the Wyoming team will blend together as they get more games under their belts

Not a bad result for the first match of the season. Danny had a great game as sweeper and saved many attempts at goal by Kincumber, as did Nick in goal. Jake had a number of runs up the side but despite numerous attempts we couldn't get the ball in goal. Great game guys.

24th April, 2004 Wyoming 1 Gosford 3

We were by far the better team today – questionable refereeing decisions cost us dearly. The boys held their positions, passed the ball and gave 100%.

An excellent start to the year. Bethany worked hard in midfield to support the goal scorers. Goals scored by Ben, Jordan, Joel and Thomas.

24th April, 2004 Wyoming 1 East Gosford 0

What a great game! Joel, Thomas, Bethany, Jacob and Liam and practically all players did not let the ball come anywhere near our goalie, keeping him bore throughout the first half. We had a great effort from Jordan and Thomas in the second half, with Thomas scoring a goal. What a whole-hearted effort from all players. The forwards, fullbacks and mid fields all worked as a team and made the game such a great success. Well done team.

The first game of the season was played in hot conditions. The boys are working out their positions and their abilities. We had some flashes of brilliance and need to find the right combinations. The boys tried hard and there is always next week.

24th April, 2004 Wyoming 2 Terrigal 7

Today was always going to be tough up against last season's runners-up. With Scott on holidays and James with a broken arm the boys fought hard to withstand the first 20 minutes in our goal area. A breakaway goal started by Andrew and scored by Matt saw us at 2-1 down. The break saw us at 3-1 down, but Matt scored again in the first few minutes. Another 2 quick goals from Terrigal and our backs were to the wall. We fought hard but Terrigal had the upper hand.

3rd April, 2004 Wyoming 2 Tuggerah 1

Good start to the year with the boys fighting back from a goal down. Plenty of spirit shown. Second half was outstanding with special mention to Dylan, Daniel and Luke. Lets keep working hard lads.

24th April, 2004 Wyoming 1 Kanwal 2

A game we let slip, played in patches. We would dominate for 10-15 minutes then get lazy. The boys could have taken their chances better, but very proud of the way they fought to the end going down 1-2. Mathew was outstanding at fullback and was best player on the field. Our character is growing all the time boys. Good effort.

Started the game with 7 players who tried really hard to only be down 2-0 at half time. With a big effort in the 2nd half to end up 2-2. Big thanks to Jarrod, Ateeng and Danny from the 10A's for helping us out.

3rd April, 2004 Wyoming 2 Woy Woy 2

After having only played two games on the big field and with only 3 or 4 girls that had played before, we got off to a fantastic start with Tori-Leigh scoring 2 great goals while Woy Woy napped. Unfortunately that woke them up and they scored 2. Woy Woy could have scored many more but for the brilliant work by our goalie Brittney and not only our fullbacks, but the whole team who at times were all fullbacks. Great work girls we (the parents) were so proud of the way you all played. Look our opposition when we really know what we are doing.

18th April, 2004 Wyoming 0 East Gosford 5

After a good start to the game we had them 0-0 at half time. The second half, well that was a different story as the girls seemed to lose it big time. Keep playing like the first half girls. Jordynne, Carly and Kelly tried hard all game, but everyone needs to run harder to and beat the opposition to the ball.

24th April, 2004 Wyoming 0 Kincumber 4

A much better game today from the girls. They played for the full 50 minutes. Congratulations to Jordynne on her first game in goals and Brittney on her improved skills in goal in the second half. Great games today by Carly, Casey and Kelly in the forwards and midfield and well done also to Elizabeth and Olivia in the backs who are improving at every training session and game. Not long now girls until we have another win. Keep up the hard work at training and it will come sooner rather than later. Also remember you are a very young team most of whom have not played before. The parents on the sidelines can see your confidence growing with each game and are very proud of you all. Keep it up girls.

Congratulations first must go to the majority of girls playing their first ever game of soccer. What a terrific game in wet conditions at Umina. First thanks for the year go to our goalies Tiffany and Kelly. Great performances by all the girls especially Amanda, Jessica and Megan. Well done.

18th April, 2004 Wyoming 4 East Gosford 0

A well deserved win at home today brought smiles and a victory song. Goals today to Rebecca, Megan, Kelly plus an East Gosford own goal. A huge effort by Tulane and Kasey in goals as well as on the field. Strong games by Maddy, Tiffany as our defensive line left the opposition scoreless. Great game girls.

What a way to start the season. We went up the Mountain with only 8 players not sure of how we'd go. An excellent start, with a penalty goal in the first 5 minutes. Although the boys were pretty tired they kept on giving all they had and scored another 3 goals. Great effort from everyone. Well done Josh who scored all 4 goals.

24th April, 2004 Wyoming 6 Umina 3

A fantastic effort by the U14 girls this week. Considering the team is made up of mostly new starters to soccer, a brilliant effort by all to end up in a 9-1 win. What a start to the season. Five goals to striker Erin and great defence by Susan, Emily, Madison and co. made it look effortless at times, in fact the score could easily have been 15-1. Great effort girls keep it up.

Our first competitive game of the season, dream or nightmare? The coach controls the training, but the squad controls the actual game on the pitch. The loss of two players put pressure on the squad but they pulled out all the stops. They ran and covered for each other. A five star performance, a dream. The parents should be proud. I am.

3rd April, 2004 Wyoming 0 Toukley 4

The start of the 2004 season and we welcome several new players to the team - Ilyas, Deng, Dean, Luke, Matt C., Jay and Mark. A deserved promotion to A Grade proved to be a baptism of fire. Toukley were bigger, stronger, were able to get to the ball before us and string their passes together. Although we pressed at times we were 2-0 down at half time.

With the wind and slope with us in the second half we played a little better. However, we missed an open goal chance and conceded 2 more goals, one an unlucky penalty. Terrific saves by our goalie Matt C. and a good game by Daniel.

The team put in a valiant effort against East Gosford with some girls being new starters playing for the first time and with no reserves. Our side had some good breaks but just weren't able to find the net. Some excellent defence also showed that the team has plenty of potential and the girls are looking forward to more games.
