Great play by the team today. Liam was great in goals. Great team play by everyone. Well done.

8<sup>th</sup> May, 2004 Wyoming 4 Terrigal 3

The team started strongly today against a very competitive opposition. We slowly got on top and went in at half time 2-0 up. In the second we fell asleep and it was soon 2-2. We were woken up and then it was end to end soccer before we walked out eventually winners.

15<sup>th</sup> May, 2004 Wyoming 9 S.E.U. 0

Great game had by all the team. Goals scored by Lucas 3, Lewis 6. Well done Nick great effort. Player of the Week Nicholas.

29<sup>th</sup> May, 2004 Wyoming 4 Kariong 1

This was the game of the season so far. Kariong game down the mountain looking for a win. Wyoming were warmed up and ready to go. Some excellent keeping and players holding their positions ensured that we ran out 4-1 winners. Everyone played well. P.S. don't Mico have your socks!!! Player of the Week William.

3<sup>rd</sup> April, 2004 Wyoming 5 ..... 0

We have started our season with a wonderful new coach, Brett and his ever skilled manager, Melissa and eight champion players. Although we had a loss for our first game. The team played extremely well together. Jamaal and Jonty were our goalies, diving and stopping the ball. Matthew and buddy James kicking well and running after the ball. Damon was showing us how to throw the ball in from the sides, with his covering the goal area, with Callum watching the lay and keeping the ball out. A great game had by all. Keep trying hard. We are the 6 brown champions!!

24<sup>th</sup> April, 2004 Wyoming 0 Avoca 0

Even though we had a two week break we are off to a great start with good defence. First half we had excellent keeping from Tyler and all round strong kicking from everyone. Second half we had a great save in goal from Damon. James and Jonty had a fantastic try at a goal. Good strong attacking from Joshua, Callam and Matthew S. Player of the Week James L.

Fabulous goal keeping from Jack and Jake kept the score to 3. Jake earning an encouragement award. Our other award went to Michael for a great effort all over the field.

1<sup>st</sup> May, 2004 Wyoming 3 Umina 1

What an effort. Goals scored by Michael, Jake and Marcus. Nathan and Dillon were both great in goals. Player of the Week Nathan C. And Nathan P.

8<sup>th</sup> May, 2004 Wyoming 8 Terrigal 0

What an amazing effort. Goalies Michael and Marcus both did a great job. Everybody had a run with the ball this game. The boys are starting to back each other up and we are starting to see some passing. Great tackling by everybody. Goals to Jack and Michael. 2 to Dillon and 4 to Marcus. Well done.. Players of the Week Dillon and Jack.

15<sup>th</sup> May, 2004 Wyoming 2 S.E.U. 2

An outstanding effort this week in defence. Our Goalies Eleni and Thomas were amazing as was the backup provided by the rest of the team, without this team effort the score would have been much higher for our opposition. Not only was the defence good but I think every member of the team had a run with the ball, and Marcus scored 2 goals. Congratulations team you just keep getting better and better. You must be paying attention at training. Player of the Week Eleni and Jake

22<sup>nd</sup> May, 2004 Wyoming 0 Kincumber 1

Well done boys. The score this week did not reflect the game. A well controlled effort by everyone with many an attempt at goal which unfortunately did not go our way. Great goalie skills from Nathan and Jack.

29<sup>th</sup> May, 2004 Wyoming 0 Kariong 2

Another unlucky game. Many attempts at goal. This game could easily have gone either way. Jake and Dillon put in a super effort as goalies this week. Great running in the field by everyone. Great tackling also. Well done boys and of course Eleni. Keep it up.....Players of the week Marcus and Michael

Great game played by all boys. Nathan and James great goals. Great defence and all round skills by the whole team.

8<sup>th</sup> May, 2004 Wyoming 6 Terrigal 0

Once we had all tackled the traffic and arrived at Terrigal for our match the boys settled down to it quite well. The game was an exciting one for the whole team 6 goals in total. Nathan 1, Kieran 1, James 4. Calvin and Harry played so well in defence, Kieran and Justin ran the length of the field time and time again, Nathan Andrew and Ben played an excellent match as well. Overall a great result for the 7 Browns. Player of the Week James.

15<sup>th</sup> May, 2004 Wyoming 4 Terrigal 2

We had a complete change in field positions this week, backs to the forwards, forwards to the back. The boys handled this very well. Ben scored 1 goal in 1st half, 3 goals were scored in 2nd half (Ben 1, James 2). Andrew played well as goalkeeper 1st half, Calvin did just as good in 2nd half. As Coach/Manager of this team I am very proud that the boys continue to play with such energy week after week. Player of the Week Calvin

22<sup>nd</sup> May, 2004 Wyoming 3 Kincumber 0

Great game played by all boys. Ben in goals 1st half, Kieran in goals 2nd half. Justin scored 1st goal in early part of game, Calvin and Harry worked very hard in defence with the help of Andrew, made it very hard for Kincumber to get close to the goal. Nathan, Ben, Kieran and James worked fast and hard in the front line, James scored 2 goals to seal the game. The boys are playing really well and are using their passing skills and tackling skills all the time. They are calling for the ball and really playing as a team. I was very impressed by the Kincumber coach Dave and the very friendly parents who came to support their boys. Player of the Week Justin.

A fast and fun game was had by all. Regrouping at the end of the holidays, one player even flying in from interstate to make it to the game. Max tried hard to keep his teams possession of the ball. Encouragement award to Jarrod with support from the team getting through the opposition to score. Player of the Week Max.

1<sup>st</sup> May, 2004 Wyoming 6 Kincumber 0

Once again a tremendous team effort of ball skills and lots of passing saw us dominate. With Mark receiving the trophy for consistently attacking the opposition and Daniel awarded an encouragement certificate for great ball skills.

7<sup>th</sup> May, 2004 Wyoming 0 Terrigal 1

Exciting close game against Terrigal. Each player excelling themselves and unlucky not the score in the last minute with a brave attack. Final score 1-0 to the visitors. Sid awarded the trophy for lots of great saves as goalie and Max the encouragement award, once again demonstrating excellent ball control.

15<sup>th</sup> May, 2004 Wyoming 1 Woy Woy 0

Welcome back Austin, receiving the trophy this week and also Liam receiving the encouragement award, both players fully recovered from broken arms. Daniel kicking the only goal of our game to help secure a win with the teams great efforts.

22<sup>nd</sup> May, 2004 Wyoming 1 East Gosford 0

Sid received the trophy this week and Mark the encouragement award both for attacking skills. Liam scored the only goal along with this backing of the teams efforts. Austin did some great saves as goalie.

24<sup>th</sup> April, 2004 Wyoming 0 Kanwal 12

Good all round effort by Everyone and improving each week with the score not showing their performance. Brodie, Elijah and Matthew were great in defence. Player of the Week Thomas.

1<sup>st</sup> May, 2004 Wyoming 0 Killarney 9

Improved team performance as the game progressed with all players putting in 110% in the second half. Best players this week were Liam, Maddy and Annabelle. Player of the Week Ellie.

8<sup>th</sup> May, 2004 Wyoming 0 Kanwal 2

What a terrific game by everyone. No luck with us today with our shots being deflected wide and Kanwal's being deflected in. All the girls outshone the boys today with Annabelle getting the players award.

A great team effort by all the players, still improving with some interchange passing to each other starting to work players. Award went to Brodie for great defence, closely followed by Liam and Brooke.

22<sup>nd</sup> May, 2004 Wyoming 0 Budgewoi 3

Started the game with only 8 players with some parents getting lost, but what a great game of soccer with plenty of attacking moves, but we just couldn't find the back of the net to score. Player of the Week Elijah.

29<sup>th</sup> May, 2004 Wyoming 0 Killarney 9

24<sup>th</sup> April, 2004 Wyoming 0 Gosford 5

We were beaten by a better team on the day. Once we stay in our positions a bit better I'm sure we will be hard to beat. Good play today from Wesley and Rohan.

1<sup>st</sup> May, 2004 Wyoming 0 Kincumber 1

Our best game of the season. We all contributed and started to play like a team. Some good passing. Excellent defence. We were unlucky to go down. Player of the Week Wesley.

8<sup>th</sup> May, 2004 Wyoming 1 Terrigal 6

A very even first half with the score 1-1 at the break. A great goal to Anthony. Unfortunately we were beaten today but decided we were great sports and that winning is not the most important thing. Well done boys. Player of the Week Justin.

Excellent game by all.

29<sup>th</sup> May, 2004 Wyoming 1 Killarney 4

Early goal by KV, but goal was equalised shortly after. Team pushed on but KV got the upper hand very late in the second half. There were several opportunities with balls going just wide of the goals - perhaps they should practice on smaller goals at training! Player of the Week Jordan.

Wyoming had a slow start and was behind 3-0 in the first half. We scored a goal but it was ruled offside. The second half was ours - Danny scored first then Ateng scored a magnificent goal - first heading the ball then popping it over their goalie. We'll get them next round boys.

8<sup>th</sup> May, 2004 Wyoming 6 Umina 1

Our first win for the season and it was a fantastic game. 100% effort from everyone. Patrick and Stuart scored 2 goals each, Ateng and Jarred one each. Great defence and attack won us the game.

15<sup>th</sup> May, 2004 Wyoming 2 Toukley 0

Another great game where everyone held their positions, marked the opposition and passed the ball. Toukley outsized some of our players but no-one backed down especially Patrick. Goals to Jamie and Ateng. Well done guys.

22<sup>nd</sup> May, 2004 Wyoming 4 S.E.U. 2

Another win for Wyoming with the boys playing well. Jarred scored our first goal within the first minute of the game and scored another in the second half with minutes to go. Everyone held their positions and we're all playing well as a team. Our defence needed a little work but on the whole a great effort. Goals to Patrick and Ateng.

29<sup>th</sup> May, 2004 Wyoming 4 Budgewoi 2

A fantastic result for the team. We are all playing well and have really come together as a team. Jamie and Stuart worked hard in the midfield, Liam played well on the right wing until he was injured and Jake and Jonathon did some great defensive work. Great work from Jordan, Bethany and Thoms. A few nice kicks from Jacob. A fantastic team effort with all players doing great. Encouragement award went to Jason our goalie.

15<sup>th</sup> May, 2004 Wyoming 5 Kincumber 1

A cold start but when we warmed up we started scoring. Also a strike weapon is being used. Thomas came on after 10 minutes and scored.

A game of two halves. First half 1-1 and not much commitment from Wyoming. Second half 8-1 with four goals from Jordan and two from Brendan who backed up well. 1 from Liam and Thomas.

29<sup>th</sup> May, 2004 Wyoming 1 Toukley 5

After the disappointing game last week wholesale changes were made. We went into halftime locked 1-1 after conceding a penalty which was well saved by Ben but no-one chased in the rebound. Jason scored a lovely goal with a low shot to the far corner. We fell away in the second half but must say there were improvement signs this week.

15<sup>th</sup> May, 2004 Wyoming 2 Umina 2

Very exciting game with a great goal from Matthew and an own goal from Umina. 2 easy goals from Umina brought the score to a disappointing draw. Great effort from everybody especially Scott and Andrew.

22<sup>nd</sup> May, 2004 Wyoming 3 Budgewoi 2

Budgie was the scene for the season's first away game. The first half started off okay with Matthew P., James (who just came back after five weeks off) and our stand in goalie Justin doing their best. The boys made a few breaks but no goals were scored. The home side went in at half time 2 up. The second half our defence had improved and the boys started to talk and call for the ball. In the 41<sup>st</sup> minute Matthew A. received a penalty after he was pushed in the box. Jason took the penalty to make it 2-1. Two minutes later Alex put one in to make it 2 all. John and Sebastian had a few shots but to no avail. Three minutes to go Matthew A. took the ball up and put it in the net to win the game 3-2. Due to an unfortunate incident near the end of the game our captain George will be out for 5-6 weeks with a fractured arm. A good game, well done boys.

A game we did not deserve to win, due to a poor attitude in the first half which was carried over from training. We lifted late in the second half but couldn't score. Grant, Ryan and Jamie all tried hard but lack of support told in the end. The ability is there but not the right attitude boys.

15<sup>th</sup> May, 2004 Wyoming 2 Gosford 0

A very hard fought win by the boys. First half was all Gosford and we just hung in there. Second half saw a new attitude and our confidence grew. Lots of run and determined defence got the boys home. Goals to Corey and Brendan did the job. Jamie stood out with a great midfield game.

22<sup>nd</sup> May, 2004 Wyoming 2 Terrigal 3

What a hard game against a big physical side. Terrigal got two shots just on half time 0-2 down, after dominating most of the half the Tigers could have dropped their bundle. The boys came out in the second half and played their hearts out, but a few tough calls didn't help. Luke and Evan were outstanding all game. Huge improvement by our midfield, Jamie, Jack, Corey. I would not be prouder boys, great fight. Special mention to Rhys keep trying mate.

Poor first half with only 1-0 men, to find ourselves one goal down. Amazing what 2 extra players from the 10E's (Thomas and Brendan) and a good verbal tongue lashing at half time can do. A great second half and deserving winners. Both goals from Ben M. Player of the Week Jeremy.

1<sup>st</sup> May, 2004 Wyoming 9 Avoca 0

Very easy game, as shown by the scoreline. The team played very well and kept their structure and continued to play an attractive passing game. Training is continuing to pay off. Goals to Michael (4), Ben (1), Rohan (1), Tyler (1), Matt (1) and Og (1). Player of the Week Luke.

8<sup>th</sup> May, 2004 Wyoming 4 Killarney 0

A great start with a goal to Matt after 71 seconds but the game deteriorated with everybody trying to score rather than play properly and let the goals come although Tyler did add a great goal near half time. A much better second half with great ball movement and plenty of backing up. Two goals from Ben finished off the scoring but we were unlucky not to score more. Another great defensive effort from Ben, Derick, Rohan and Jack kept the opposition scoreless again.

Scott Hammers a hat trick. There is no autumn sound sweeter than the referee's whistle to signify the season is underway. Having lost the first round game in previous seasons, our main aim was to start with a win, and the boys did not disappoint.

The pace of the first half was frenetic, the boys' effort keeping them ahead of the opposition. Luke scored our first goal following a cross from the right, and a great through ball from Daniel saw Taylor run through and chip the keeper with consummate ease.

Mark, usually with little to do last season, had ample opportunity throughout this game to show both his skills and bravery - a great game.

A halftime talk from the new coach reminded the boys of what we'd practised in training, which had a dramatic effect in the remainder of the match. Slick passing between Joel, Blake P. and Zac saw the ball doing the work for a change. The goals really started to flow during this period, with Scott popping up with a very nice hat trick.

Sam (Mr Versatile) fulfilled several roles admirably, with John, Blake S. and Stephen (Osgood) working hard to maintain the balance of power.

All in all, a good day at the office for the first game of the season.....we're off the air for a couple of weeks due to Easter...but normal service will be resumed as soon as possible!

17<sup>th</sup> April, 2004 Wyoming 3 East Gosford 0

Easter Break Lays Eggcellent Result.

The three week lay off without a game or training - combined with the early game, left a lot of question marks over how we would go in today's game. I'm pleased to report that the fears were groundless, and the boys achieved an excellent result.

The game started evenly matched, but our ground play began to apply the pressure as the game went on. Zac, John and Scott worked hard in midfield, causing several corners and goalmouth scrambles before Scott popped one in with his head.

Blake P., Joel and Daniel were very solid at the back, nullifying the opposition attack with Mark only required to make one save...which he did at the edge of his box.

We went in two-nil up at half time after Scott popped in his second from close range.

The second half saw the boys dominate the game with Blake S. and Luke playing great passes into Stephen and Taylor whose interplay brought a number of chances to increase the score. It was such a ball into the forwards that saw Taylor jink his way into the box

before slotting our third goal with a left foot drive.

The boys began to tire as the game came to a close, but they kept our first clean sheet of the season with an all round impressive display.

24<sup>th</sup> April, 2004 Wyoming 2 Killarney 1

Defiant Defence in Battle Royale

The comments above regarding the Easter lay off came back to haunt us today, with our second game in three days taking it's toll. The boys started well and clever interplay between Zac, Scott and Blake S. allowed us to apply the pressure.

The early dominance paid off when a sweet lob from Taylor allowed Stephen to flick past the defender and open the scoring. Down to ten men for a while saw the balance of power shift which resulted in a half time score of one all.

The second half was a do or die struggle with Mark, Blake P., Joel and Daniel battling all game to keep us on top.

To the boy's credit, they never gave up, with Luke and John putting in the hard yards. The effort was rewarded close to the end with a corner cum goalmouth scramble giving John the chance to drive home the winner from the edge of the box.

The game was a hard fought affair, but despite the boys not being at their best, they did enough to grab all the points, which is testimony in itself to their approach.

Grrrrreat! Tiger Team Display

Down to the bare eleven (Get well soon Joel), the boys were ready for another do or die battle. However, the elements were on our side (sun, slope, wind) and we took full advantage - as the scoreline reveals.

The boys applied the pressure right from the start with great passing down both flanks. The first goal came from a great corner from Luke, allowing John to pop around the back and put one away in the top of the net.

Zac, John and Scott worked hard controlling the middle and generally directing play out to Blake and Luke, who were providing great service into the box. Taylor produced a wonderful volley to get our second and a cross cum shot netted our third for Luke.

Despite a couple of scares Mark, Daniel, Sam and Blake P. were outstanding at the back, nullifying the opposition attack with another clean sheet!

Our passing and positional play brought further reward when Stephen's shimmy and shot beat the keeper and Blake S. added our fifth with a net buster just before half time.

Despite being warned about a blinkered approach (unfortunately not everyone is able to score - as long as the team is scoring) at half time, we lost our way a little in the second half. We also played a period with ten men and those friendly elements were also against us!

That said, we continued to keep on the attack and an inch perfect pass from Stephen allowed Luke to add his second and our sixth for the game. Another great ball from Zac allowed Taylor to get his second, and our seventh "can can" style. This is a very pleasing result, not just for the score, but for the great football we played to achieve a great team result - well done boys.

8<sup>th</sup> May, 2004 Wyoming 4 Berkley Vale 1

A PRIDE of TIGERS!

Today's game was everything we expected - and more! An early goal for John from a well worked corner (who said they never listen at training) saw the boys start and take control. We played great football for most of the first half, with the pressure bringing more great corners from Luke - albeit we did not increase our score.

A slight lapse in our game saw us go in at one all at half time.

Despite looking tired at the end of the first half, the boys came out firing in the second half. An early goal again - a long range effort from Blake S. saw the boys really stamp their authority on the game - never letting up.

Mark, Blake P., Joel, Daniel and Sam were once again the unsung heroes with another solid performance.

Taylor and Stephen worked tirelessly throughout the game, contributing to a great team effort. Their play in the box brought a penalty - the responsibility handed to Zac, who very coolly slotted the ball away for our third.

By now we had them on the ropes, hitting the woodwork on several occasions. Another goalmouth scramble saw Scott hit our fourth - and the game ended with us lining up yet another corner.

The boys should be very proud of their performance today. They were put to the test in every department - and their teamwork and work rate saw them come out on top against a top class opposition.

They'll all sleep well tonight - hopefully up early tomorrow to cook breakfast for their Mum's.

15<sup>th</sup> May, 2004 Wyoming 4 Killarney 0

The TEAM, the WHOLE TEAM, and NOTHING but the TEAM!

Today's game was a credit to the team spirit that exists between the boys. They all worked really hard for each other, rotated where necessary and gave their all - what a credit to their parents and the club. Once again, we notched an early goal - a glorious chip from outside the box by Zac, after great interplay between Taylor and Stephen.

The defence in Mark, Joel, Daniel, Blake P. - these reports may be getting boring, but you cannot beat watching master craftsmen go about their work. Sam was his usual versatile best, switching between defence and midfield like a seasoned pro! - he epitomised the team spirit with a forty yard dash (one bad leg tucked under his arm) to clear the danger.

We went in at half time two nil up following a great shot into the bottom corner from Taylor, again as a result of great pressure.

The second half continued in the same vein, with Zac and John controlling the engine room midfield, with great service from out wide by Luke and Blake S.

We had a small scare early in the half, but then it became constant traffic towards their goal - Scott's industry (could this be his best game of the season) was rewarded with a well struck effort. Taylor popped up to get his brace and finish the game off once and for all.

Several of the boys played with injuries today, and while we do not have the squad to rest them, they deserve medals as big as frying pans - this team has something special, over and above soccer ability, and you cannot help but feel proud that the future of the game rests with boys like these.

16<sup>th</sup> May, 2004 Wyoming 2 Kincumber 2

A Class Above - On and Off the Field.

We knew today was going to be tough, backing up from the yesterday's game meant we would need to be on our toes from the first whistle. We started well and had several corners where we came close to opening the scoring, at the same time Mark was getting a workout - making some early saves. We lost Sam at this point - still wounded from yesterday.

We went one behind through one attack on goal, but to their credit the boys did not panic and continued to play our brand of soccer.

We were rewarded not too long after when Josh (a loaner from 12F's) pounced on a pass from Luke and brought us level with a blistering shot.

Luke, Blake S., John, Zac and Scott all ran their legs off in midfield - all this effort brought our second goal from Scott, after Taylor had ran himself into the ground to get the ball across.

The second half was played at the same pace, with Stephen coming close to a winner and the defence, marshalled by Blake P. played another great game - Joel and Daniel complimenting Blake P. and Mark. Despite tiredness setting in, we managed to keep them out until the dying seconds, where they equalized from a goalmouth scramble.

A physical game that the boys met head on. We appreciate at this stage of the game we are the team to beat, but the behaviour of the oppositions supporters was extremely sad, and it was pleasing to see our boys are a class above, both on and off the field.

22<sup>nd</sup> May, 2004 Wyoming 2 Budgewoi

Swing Low, Sweet Corners Luke

The battle cry was B.T.O.B. and Back to our Best we were and back to our winning ways. This top of the league clash measured up to the pre-match nerves, with the boys delivering one of their best performances this campaign.

We started really powerfully, with great passing down both wings - Sam and Luke putting in some great crosses.

Luke followed this up with really some great corners (that lasted all game), an early one saw Taylor pounce on the loose ball and nab our first goal.

Zac, Johnny and Scott controlled the midfield throughout, keeping our shape and formation time and time again.

We had more chances to score as the game went on, with Stephen and Blake S. coming close.

The second half saw the defence as masterful as ever, completely shutting down their attack - Mark having made some brave saves early on and Blake P., Joel and Daniel doing yet another great job.

The all round pressure began to tell and another superb corner from Luke saw an own goal occur and our lead go to two up. Andrew (on loan) played a vital role to help out tired legs and an injury to Blake P. allowed them in to take the score to 2-1.

A great result, with some great soccer on display. As we're now a third of the way through the season, in great shape - the reaffirmation of commitment to the coach and the team is required to ensure we keep achieving our best.

29<sup>th</sup> May, 2004 Wyoming 1 Kincumber 1

#### Hard Work Brings Its Own Reward

Today's game got off to a great start, with the boys easily having most of the first half - the only thing we didn't do was score. Mark was as safe as ever, with Blake P, Joel, Sam and Daniel putting in another solid display.

John, Zac and Blake S. worked hard in midfield, looking to press home our advantage - especially with the wind at our backs. A breakaway goal saw the boys go in one down at half time. The second half was going to be all about grinding out a result, and we started well, with Taylor and Stephen working hard up front. Luke and Scott continue to put in great corners and this pressure finally paid off when Ding lobbed one over the keeper to bring us all level.

The game continued at a high pace, and we were unlucky not to snatch a winner, but lucky enough to survive a missed penalty.

The boys showed a lot of determination and grit to come out on top in this game - all credit to them for sticking with their task. Still, this won't go down as one of our better weeks, and despite the opposition's game plan of abuse directed at our boys, we did more than enough to keep our unbeaten run going and our third meeting is sure to be another close game.

Special thanks to Joanne and Diane for manning (sorry personning) the canteen - take a bow ladies!

#### The Tiger Machine Rolls On!

The season started it's second phase today, with us drawn against the "auld enemy" - and what an entertaining game it was, played in a great spirit. Down to the bare eleven due to injury, (get well Taylor - be "back" soon!) team formation changes were made, but the Tigers were unfazed.

We began in great style, the ball flowing effortlessly between defence, midfield and attack. An early move saw Scott play a beautiful one-two with Stephen and Scott finished in style.

The game continued in this mode for quite some time, Joel in midfield enjoying his new found freedom, linked well with Zac, while John and Luke did the same down the left - everyone working hard.

Luke sent in one of his trademark corners and we watched in awe as it curled straight into the goal - thus we went in two up at half time.

We escaped with a clean sheet, which was in no doubt due to the sterling performance put in by Mark, Blake P., Sam and Daniel...assisted by Andrew later in the game. Mark was busier in this than most games, pulling off a great save when one on one - a turning point in the game.

We continued with attack after attack, Blake S. and Stephen spearheading up front, the pressure finally paying off when Stephen rolled a sweet ball through for Sam to run on to and finish with deadly accuracy.

A good team display, a well deserved win and well refereed - could we ask for anything more?

2<sup>nd</sup> May, 2004 Wyoming 0 Terrigal 7

After another slow start the girls played much better in the second half only conceding two goals. This was quite a hard game for us in that Elizabeth had the flu and wasn't going to play at all, Kelly had been off school sick, Chloe was still not fully recovered from being ill and missing the previous game and Tori-Leigh had a leg injury. This was topped off with having no subs, so under the circumstances we (the parents) thought that they played well. Excellent play in this game by Casey and Anna who never stopped chasing even when they had a stitch. The only other thing I can say is that Terrigal won their first game and scored their first goals for the season and bring on round two when we hopefully will be all well. Once again girls well played under the circumstances.

9<sup>th</sup> May, 2004 Wyoming 0 Killarney 8

Well girls this was a much better game than the trials where they beat us by about 10-0. You are improving each week but need to take into the game the skills you are learning at training. With a bit more fitness we will get there. Anna was again great when she came on, with Kelly and Layla trying hard in goals. Elizabeth is going great and improving each week. It doesn't seem to matter what position Holley plays she puts in as does Tori-Leigh up front. Welcome to our new player Jackie and hurry up Brittney (our goalie - broken arm) as we really have no goalie now. Olivia tries hard in each game and is gaining more confidence. Chloe also tries hard each week. Sonya also gains confidence each game. Casey will never grow because she runs so much she must be wearing her legs down. Carly is also like a rabbit around the ground and Jordnye is developing a nice big goal kick. Keep up the hard work at training and a win will come. Also this team were the Premiers last season and have been together for two seasons and we have just started.

16<sup>th</sup> May, 2004 Wyoming 3 Woy Woy 2

Yes you read the score line correctly. We have finally won one and doesn't it feel nice. Today you all played as we knew you could. Even when one goal down you didn't drop your heads you picked yourself up and got on with the job of scoring another goal. Today Layla scored 2 goals and Tori-Leigh 1. Casey went really close a couple of times hitting the goalie on the legs then the upright. Never mind you will score soon. Elizabeth stepped up in defence today and was in their faces putting them off their game and what can I say about our new player Jackie, other than welcome to the team, you were rock solid at fullback then sensational in goals.

23<sup>rd</sup> May, 2004 Wyoming 0 East Gosford 5

In what was at times a physical game the girls can hold their heads up. Our last meeting saw us go down 8-0, this time we bettered it by three goals. With Holley and Elizabeth both sick they played their hearts out. Our two goalies today, Holley and Kelly did some great work with Kelly making the save of the season so far. Sonya played her best game so far with some great passes in midfield and Jackie again amazing everyone in only her second game. Jordynne had another top game at fullback after her head stopped spinning from the heat at half time. Chloe, Layla and Tori-Leigh ran hard all game with Chloe doing some great stuff on the other side of the field and Olivia ran and ran today in fullback chasing everything that came her way. Keep it up girls it is really starting to come together and another win (maybe a shock to one of the top sides) is not far away. Keep up the hard training.

30<sup>th</sup> May, 2004 Wyoming 1 Kincumber 3

Well done girls, with only 10 players on the field against a full team with reserves you did us proud. You ran for the whole game with Chloe and Sonya playing the game of their lives. Jackie was once again solid at the back giving great support to our two goalies Holley (who was sick) and Jordynne. Casey, Tori-leigh and Layla had some great runs and passes up front with good support from Kelly and Anna in the middle. I think we gave the

opposition a shock with the scoreline as they are coming 2<sup>nd</sup> on the table. Keep up the great training girls and another win is not far away. It is easy to see that you are enjoying your soccer as you are all always laughing.

6<sup>th</sup> June, 2004 Wyoming 0 Terrigal 1

Well coach what a going away present. This one maybe got away from us or maybe it didn't depending on which way you look at it. What an effort girls last time the result was 7-0, this shows your commitment to fitness and training is paying off. You were great. Where do I start, Kelly 1<sup>st</sup> half goalie and Jordynne 2<sup>nd</sup> half goalie well done girls. With so much support from Holley playing sweeper and Olivia taking the ball head on. Carly was back on fire after being sick for a couple of weeks. Casey had a great last game for six weeks (we will be with her mentally on her holiday and hopefully she and her dad the coach will be willing us on while away). Sonya and Jackie both played terrific half games with Layla and Anna giving Tori-leigh some beautiful passes for some great shots on goal and Chloe having another great game up the wing. Keep up the hard work girls your positional play is improving each week and that is what is making it harder for the opposition to get the ball. Terrigal arrived expecting an easy game and did we give it to them NO!!!

16<sup>th</sup> May, 2004 Wyoming 2 Gosford 1

Today's match started well when Annaliese put first points on the scoreboard followed shortly after by Megan. More strong runs and kicking by Amanda and Rebecca, together with some powerful 2nd half defence by Tulane, Olivia, Morgan and Jessica especially when Maddy was taken from the field injured. Laura's spectacular final minute save by the foot in goals insured victory. But after 6 games this season with "L" Plates its time to graduate to "P" Plates as every player has shown a huge improvement and a willingness to learn, listen, understand as well as have fun. Congratulations girls!!

A fantastic effort by the U14 girls this week. Considering the team is made up of mostly new starters to soccer, a brilliant effort by all to end up in a 9-1 win. What a start to the season. Five goals to striker Erin and great defence by Susan, Emily, Madison and co. made it look effortless at times, in fact the score could easily have been 15-1. Great effort girls keep it up.

A very hard fought victory for the girls this week, with us leading 6-2 at half time. Umina came back with 5 quick goals to equalise 6-6. The best game to date. The team started to combine well with passes going to foot. The first goal of the season was scored with several other attempts hitting the crossbar. Ricky and Jay played well.

2<sup>nd</sup> May, 2004 Wyoming 0 Budgewoi 2

The team played well again however, we were several players down either out injured or carrying injuries. Budgewoi were everywhere but Wyoming kept scrambling to keep it a real contest. There were clear signs the team was finding some form.

8<sup>th</sup> May, 2004 Wyoming 1 Killarney 2

Killarney were expecting an easy game, especially with our team down with four out injured. With the assistance of three boys backing up from the 15A's the game proved to be a very open and fast. We more than held our own and won the second half. Daniel went in goal in the second half and stared away a penalty shot. Good games from Sean and Matt R., Mark scored his first goal for the team.

22<sup>nd</sup> May, 2004 Wyoming 1 Berkley Vale 3

Welcome to our new player Mattie C. and Liam back from injury. The boys started well, full of determination scoring the first goal. Unfortunately a bye last week and lack of training commitment showed in the second half and the game finished with the score the same as Australia vs. Turkey the previous night. Some good saves from Matt C. and Liam played well after a long break.

29<sup>th</sup> May, 2004 Wyoming 2 Budgewoi 2

What a fantastic effort from all of the boys (and the coach!!). Our first points of the season and against a team running 4th. It was a see-sawing hard game but we managed to hold a determined Budgewoi out in the dying minutes of the game. We have turned the corner and it can only get better from here. Keep up the teamwork boys.

19<sup>th</sup> April, 2004 Wyoming 0 East Gosford 9

The team put in a valiant effort against East Gosford with some girls being new starters playing for the first time and with no reserves. Our side had some good breaks but just weren't able to find the net. Some excellent defence also showed that the team has plenty of potential and the girls are looking forward to more games.

26<sup>th</sup> April, 2004 Wyoming 1 the Entrance 11

Unfortunately with only 10 players the team had a hard task in front of them. All players played very well and never gave up. Even when a few goals down this determination resulted in a very good goal from Emma late in the first half. The second half was definitely our better half when some good attacking moves from our halves and forwards failed to find the net and our defence stopped the opposition from getting further goals. A great effort girls.

2<sup>nd</sup> May, 2004 Wyoming 1 Toukley 1

The girls had a great turnaround this week. After a couple of losses they matched 2<sup>nd</sup> place Toukley to have a one all draw. All played very well and it is obvious they are starting to get used to each other and their positions on the field. Looking forward to the momentum continuing.

9<sup>th</sup> May, 2004 Wyoming 0 Kanwal 3

The team is improving each week. This game was no different in the team being very solid in the backs and keeping the score down. The score was no real reflection of the game as two of the goals were soft ones. With a bit more working on our attack we should be a threat to some of the other sides. Another great effort girls.
