

2020 Wyoming Football Club Historical Summary

This season was thwarted by the world-wide COVID 19 Pandemic which hovered over our everyday lives and movements. Football season started late and finished late after discussion with Central Coast Council along with Central Coast Football and Central Coast Cricket. Spectators were limited and strict procedures were set to eliminate unnecessary contact with anybody. You were required to step slowly and wisely to avoid transmission. Face masks became compulsory. In the light of the serious situation, the Club's committee and all members did a commendable job of arranging games and training for our 545 players. The Club's current President Scott Snodgrass has accepted a salaried position with Central Coast Football. His absence will be missed but CCF has chosen wisely. Scott's tenure at the Club was recognized by the Club's committee and deservedly presented him with Life Membership of the Club.

OVERVIEW:

PRESIDENT'S TROPHY.

The best team performance for 2020 was the Girl's 16B team, who won the Premiership (Grand Final winners).

COMPETITION TEAMS With regard to all 21 competition teams (from U12 to Seniors), the Club won 4 trophies, namely 1 League Champions (35DN) and 3 Premierships (W16B, U13CN, 12A). Overall, 12 teams made the Semi Finals, 2 reached the Preliminary Final, 5 teams played in the Grand Final and 3 teams won it.

PREMIER LEAGUE REVIEW

The Premier League teams (First, Res and U21), under Head Coach Ian McAndrew, all featured in the fight to the Semi Finals in a shortened competition. Both Reserve grade and U21 team secured a semi spot (3th, 4th) while the 1st team just failed, finishing in 6th spot. Both Reserve grade and U21 team followed the same path through the Final Series– winning the Semi decidedly (5-1 and 6-1) and losing the Prelim. Final each with a 2-3 loss to Terrigal. Although results hasn't brought silverware to the Club, the progress is starting to build the foundations required to sustain success.
