Another week of uncertainty on whether we'd get a run with more rain sending the fields of Alan Davidson into disarray yet again. Thankfully, our home ground was closed early enough and transferred to Hamlyn Terrace, local McGarvey was particularly pleased. It also spared us any anxiety over CCF's announcement that future wash-outs if not re-scheduled will be cancelled with average points allocated!!! With the kick off time pushed back till after 3pm it meant Luca was out due to work commitments. Birthday boy O'Connor was also out after coming out second best in a battle with several air bags - he had a car accident the morning prior but thankfully is okay and even arrived to watch the second half. Geoff, I suppose also had a good excuse for his absence, with the birth of twins who were actually delivered whilst this game was happening. Congratulations to the Milham family! Paul and Fitzy, both carrying injuries, were late inclusions.

Fitzzy lasted till the second half, Paul lasted till the pre-game warm-up. The only other concern was catching pneumonia from wearing wet jerseys "fresh" from the bag. Meady however assured his teammates they had been washed from last weekend, or at least sprayed with Glen20.

Despite Wyong losing three straight games, including an 8-nil demolition by Gwandalan (we learnt later Wyong finished that game with only 8 players), the Emus were perhaps our fiercest rivals yet and for the first time this season we were behind on the scoreboard. It could've been two if not for some wayward shots and some strong defensive challenges from Boz (who copped a few elbows for his troubles) and Brad at the back. Meady, filling in at keeper yet again, also read their attacking plays well. Thankfully we didn't trail for too long when some decent passing stuck. From Lawesy to Brad to Andy who then shot through a long ball for McGarvey to run onto. He calmly beat the opposition and the keeper to rack up his 12<sup>th</sup> goal of the season. We too had our chances. Smithy made a great cross that should've been slotted away and McG got away a few shots.

We did enough early in the second half to take the lead when a beautiful cross from Neale found its way to McGarvey's chest. Again, he put it away sweetly. Neale also appeared to be on the scoresheet with a curling corner that looked for all money to have crossed the line. Boz's follow up attempt hit the base of the crossbar, come on CCF, bring in the VAR! It would've been great to have a two-goal buffer as long slog ensued of trying to keep Wyong's relentless attack at bay. Bolstered by the second half arrival of Chamo, he and Boz helped weather the storm. The woodwork also came to our aid in blocking one of Wyong's chances. There were a couple of times where they looked certain to equalise and they forced plenty of corners to keep the Wyoming faithful spectators nervous. With the added burden of a blinding sun setting on the horizon and an injured list that continued to rise: Paul (calf), Fitzzy (hamstring), Smithy (hamstring), Neale (calf), Andy (knee), Tim (groin), Stew (kicking it to Wyong players) it was a wonder we managed to hold out for the win. Special mention to Neale and Cruise in particular who worked tirelessly in the middle. A tough day at the office but a valuable three points to put us in equal 1<sup>st</sup> on the ladder.
