Things were looking grim for this weekend's clash against 5<sup>th</sup> placed Kanwal 2 as we struggled to get the numbers to field a team. Chamo, McAndrew and Smithy were all out due to injury; Rob and O'Connor were out due to work; and Ashton was busy out recruiting a back-up keeper (see below). Some of those on the team sheet weren't faring much better with Boz, Fitzy and Lawesy still recovering from injury whilst Andy, Stew and Nige were all battling the flu. To bolster the numbers, Andy had called up on brother Mick but he was only available for the first half ... would this be the day our winning run would come to an end? The answer... No! On Friday morning, the welcome news had arrived that our opponents had forfeited, giving us the weekend off, three points and four goals. Naturally, several of the players were trying to claim their hand in the latter. Andy was trying to increase his goal assists tally but not goals, the game had been moved to Field 2, he'd have no chance with that "bobble"; Cohen was too untested on Field 2 for anyone to be confident on giving him any; McAndrew's claim was null and void, he

wasn't even on the team sheet, yeah I don't think so mate; could Scuri get off the nudie run?? Maybe he didn't want to; had Boz finally scored a goal with his planned "toe punt" attempt?; Brad wouldn't allow any chance of Stew going on the goal tally list and vice versa for Stew giving any to Brad; McGarvey was probably a chance of putting one or two away based on percentages but shush, let's just say Geoff got all four!! "Everything goes through Geoff!"

The forfeit came at an eerie time. It was the exact same weekend last year that The Entrance forfeited and by the weekend after, Covid lockdown had hit. It was also the same weekend as the Bay to Bay Half marathon... did this mean the team would be running that instead? No. Five players however did back-up for the Over 45s. Brad, Boz, Andy, Fitzzy and McGarvey ... who pulled his hamstring several minutes in ... Nooooo!!! Hopefully he'll be back in a couple of weeks but will miss next weekend's top-of-the-table clash against Ourimbah. As it stands, we have reached the halfway mark of the season. The Entrance were held to another draw courtesy of Wyong which now sees Ourimbah jump to 2<sup>nd</sup> spot, four points behind albeit with a game in-hand. Well, that's how the table read on Saturday evening, by midweek the ladder is now sorted by an average points system. Hopefully, no more washouts occur or that comes into effect.
